

## **Illicit 991**

### **Chapter 991 - Lucky!**

When the fireworks burst into a series of strings in the night sky, Xiao Tian kissed Long Jingxian's lips.

Long Jingxian welcomed the kiss happily. Sure, her daughter was next to her, and many people were also around her, but she still decided to welcome the kiss.

There were several reasons for this. Firstly, she was sure that many couples did the same as what she did with Xiao Tian.

Second, her daughter was looking at the fireworks. And last, the person who kissed her was Xiao Tian, her new lover.

Sure, she realized it was pretty dangerous to kiss in that place, but Long Jingxian did not regret her action because it was one of the most appropriate times to kiss.

Xiao Tian stopped the kiss when another firework lit up the night sky. Long Jingxian instantly hugged Xiao Tian's right arm.

Like Long Jingxian, happiness blossomed within Xiao Tian like the burst of firework.

With Mu Ai sitting on his lap and Long Jingxian hugging his right arm, Xiao Tian felt as if he was the happiest man in the world.

Mu Ai lifted her head to look at Xiao Tian, "Big brother, the fireworks just now were huge."

She did not know that Xiao Tian had kissed her mother's lips earlier because she was focused on the fireworks.

"Un." Xiao Tian nodded his head.

After watching the fireworks, they immediately returned home. On the way home, Mu Ai talked about the fireworks happily and cutely.

This made Xiao Tian and Long Jingxian often laugh happily.

They did not expect her to like it so much. Xiao Tian immediately headed to his room after they arrived at her house because it was already 09:40 pm.

Time went by quickly, and without realizing it, it was already 11:58 pm. At this moment, Xiao Tian was still awake.

To his surprise, Long Jingxian suddenly entered his room again. But what surprised him most was that she immediately took off her clothes after locking the door.

Actually, Xiao Tian wanted to know why she came to his room every night. Yes. Long Jingxian came to his room every night since he stayed at her parents' house.

However, he decided not to ask that question because Xiao Tian suddenly could guess the answer. He was sure it was because she fell in love with him and was addicted to having sex with him.

When Long Jingxian walked towards him naked, Xiao Tian instantly took off his clothes and sat on the edge of the bed.

Like last night, Long Jingxian instantly sat on his lap and kissed him passionately. They had a deep kiss for about a minute before finally, Long Jingxian knelt between Xiao Tian's legs.

She wasted no time and immediately gave him a blowjob. When Xiao Tian's penis was already erect, Long Jingxian stopped giving him a blowjob and pushed him to the bed.

She did not ask him to lick and suck her wet pussy because she wanted to put his huge penis into her vagina as quickly as possible.

They then did 8,000 words of sexual activities.

"Xiao Tian, what happened to Che Hou earlier?" Long Jingxian asked curiously.

Currently, she was lying on top of Xiao Tian's body. Of course, they were still naked because they did not bother to put on their clothes after having sex.

Xiao Tian began to tell everything. "When I bought snacks earlier, five thugs suddenly stopped me. These delinquents were paid by Che Hou to beat me."

Xiao Tian told her that he knew these five thugs because he beat them in the past. He said these thugs instantly trembled in fear when they saw him.

Because they did not want to get beaten up by him again, they asked for forgiveness. He agreed to forgive them on one condition.

And that condition was to beat Che Hou. This was the reason why Che Hou did not show up earlier because these thugs had beaten him up.

Xiao Tian did not hide a single thing from her because he did not break his promise. Yes. He promised not to do anything to Che Hou if Che Hou did not cause trouble for him.

But it would be a different story if Che Hou dared to cause trouble for him.

"I see," Long Jingxian finally understood everything.

She did not pity Che Hou or blamed Xiao Tian because everything was Che Hou's fault.

"Sorry for giving you trouble." Long Jingxian apologized to Xiao Tian because she was the reason why Che Hou caused trouble to him.

"Why are you apologizing to me?" Xiao Tian replied as she stroked her hair gently. "My Jingxian is beautiful so it's normal if many men interested in you."

Long Jingxian's heart pounded with happiness when Xiao Tian said, 'my Jingxian.'

"Are we lovers now?" even though she already knew the answer, she wanted to hear it directly from Xiao Tian's mouth.

"Hmm? Aren't we already lovers?" Xiao Tian replied instantly. "We've held hands, hugged each other, kissed and we've even had sex. Isn't these what lovers do?"

At this moment, Xiao Tian guessed that Long Jingxian would say, 'I love you, Xiao Tian,' but he was wrong.

He was utterly wrong because Long Jingxian did not say anything like that; instead, she did something shocking.

She suddenly sat on his thighs and put his penis into her wet vagina again.

"Let's continue having sex." Long Jingxian spoke before bouncing her body.

Then his room was filled with Long Jingxian's moans again. Like yesterday, Long Jingxian returned to her room at 03:00 am.

At 05:00 am, Long Jingxian woke up and helped her mother cook breakfast.

"Mmm? Jingxian, why does your face look tired like that? Didn't you sleep earlier?" Jing Liling asked curiously when she saw her daughter's tired face.

"Little Ai could not sleep last night, so I had to tell her a story." Long Jingxian had prepared an excuse before helping her mother cook because she also noticed that she looked drained.

There was no way she could reveal the truth.

"I see." Jing Liling did not suspicious of her daughter and continued cooking.

Long Jingxian let out a sigh of relief when her mother did not ask more questions.

"Lucky!"

She said in mind.

The same thing happened to Xiao Tian. Long Diyi asked why Xiao Tian's face looked tired when he was drinking water in the dining room.

Luckily, Xiao Tian knew what to say to Long Diyi. That was why Long Diyi was not suspicious of Xiao Tian.

Like yesterday morning, Xiao Tian headed to the front yard and sat on the wooden bench under the mango tree.

He kept looking at the farmers passing by. Even though it was still 05:40 am, the sun had already started to shine on the earth.

Long Jingxian's parents went to the rice fields after breakfast. Their family life started to improve after Long Jingxian worked at a famous hospital.

Yes. It was because Long Jingxian always sent them money every month.

Because they were alone at home, Xiao Tian suddenly wanted to lovey-dovey with Long Jingxian.

When he saw her sitting on the couch in the living room, he immediately sat next to her and spoke, "I can finally spend time alone with my Jingxian again."

**Chapter 992 - Going To The Rice Fields**

7-8 minutes

---

When Xiao Tian saw Long Jingxian sitting on the couch in the living room, he immediately sat next to her and spoke, "I can finally spend time alone with my Jingxian."

Long Jingxian smiled before answering, "Haven't we always been spending time alone together ever since we arrived at my parents' house?"

They often spent time together since they arrived at her parents' house. They even did adult things such as kisses, hugs and sex.

Xiao Tian held Long Jingxian's right hand and spoke, "I forgot about it because my body always wants to be with you."

"So now you start using sweet words, huh?" in the past, Xiao Tian never used sweet words when he talked to her. "And you even always hold my hands whenever we are alone."

"It's fine because you are my lover now. Isn't that right?" last night, Xiao Tian and Long Jingxian became lovers after having sex.

They expressed their feelings for each other and agreed to become lovers. That was why Xiao Tian dared to say something like that.

Long Jingxian did not answer, but she nodded her head, giving a sign that she was indeed his lover now.

As they were chatting happily, Xiao Tian kept holding her right hand. One thing led to another, and they ended up looking at each other in the eyes.

As usual, the desire to kiss suddenly appeared within them,

When Long Jingxian was closing her beautiful blue-violet eyes, Xiao Tian brought his lips closer towards hers.

However, something unexpected happened before he could kiss her tender lips.

Mu Ai suddenly ran towards them!

"Mother, big brother." Mu Ai shouted as she ran towards Xiao Tian and her mother.

Long Jingxian instantly pushed Xiao Tian away in reflex. Sure, her daughter had seen Xiao Tian kiss her, but it was only on the cheeks, not on the lips.

That was why she immediately pushed him away because she was still not ready to do it in front of her daughter.

"Little Ai, come here." Xiao Tian shifted his gaze from Long Jingxian to Mu Ai before spreading his arms widely.

He was not angry when Long Jingxian suddenly pushed him away because he could understand her feelings.

Mu Ai instantly jumped into his arms and spoke, "Big brother, let's go to the fields."

Xiao Tian was startled by her words. "Why do you want to go to the rice fields?"

"I like being in the fields." Mu Ai replied cutely. "It's a good place."

"She is right." Long Jingxian added, "The scenery there is good and the air is also fresh."

"Then let's go now." Xiao Tian thought spending time in the rice fields wasn't such a bad idea.

Then they went to the rice fields where Long Diyi and Jing Liling were farming.

"Grandpa, grandma." Mu Ai shouted when she saw Long Diyi and Jing Liling.

When Long Jingxian saw Mu Ai running towards her parents, she immediately said, "Little Ai, don't run. It's dangerous."

However, Mu Ai did not listen to her words and kept running towards Long Diyi and Jing Liling. Long Diyi instantly stopped farming and walked towards Mu Ai with a smile on his face.

"Oh! My adorable granddaughter is coming!" Long Diyi smiled happily while spreading his arms widely, ready to carry Mu Ai.

Mu Ai instantly jumped into his arms. "Grandpa, I came with mother and big brother."

Jing Liling stopped what she was doing and walked closer towards Mu Ai. Like Long Diyi, a soft smile spread across her face.

Long Diyi then took Mu Ai to the hut house that was located in the middle of the rice fields. The house was small without walls because it was built with the sole purpose of resting.

Xiao Tian and the others then sat on the mat. Because the hut house had no walls, they could see the rice fields without a problem.

'The atmosphere here is indeed amazing!'

Xiao Tian did not regret coming to the rice fields because the scenery was indeed as beautiful as Long Jingxian had said.

The fresh air and the beautiful scenery made his mind calm. But what he loved the most was when the breeze was hitting his body as he looked at the beautiful scenery in front of him.

At that time, Xiao Tian finally understood why Long Diyi's family belonged to the wealthy family in Wushang city.

It was because they had many rice fields!

They talked for about fifteen minutes before Long Diyi and Jing Liling started farming again.

Xiao Tian and the others helped them. He was really having fun at that time. It was his first time farming, so it was a new experience for him.

His father was the wealthiest person in Beijing, so he never came to the rice fields in his previous life.

Because Xiao Tian and Long Jingxian were not wearing rice hats, they stopped farming when the sun began to burn their bodies.

"Little Ai, come here. It's hot." Long Jingxian, who was sitting next to Xiao Tian, shouted.

"I still want to play." Mu Ai replied instantly.

Jing Liling, who was standing near Mu Ai, uttered, "Little Ai, it's hot here. Hurry up and go to your mother."

But instead of listening to Jing Liling's words, Mu Ai ran around the rice fields.

At this moment, Xiao Tian was chatting with Long Jingxian. They talked about many things. She also said there was a beautiful waterfall in that area.

Even though the waterfall was quite far, but the road was not difficult. Because Long Jingxian kept praising it, Xiao Tian suddenly wanted to see the waterfall.

Xiao Tian and Long Jingxian went to the waterfall alone because Mu Ai refused when they wanted to take her with them.

After walking for about fifteen minutes, they finally reached their destination.

"Beautiful!" Xiao Tian was amazed by the scenery in front of him.

The waterfall was not high. It was about two meters, but the water was so clean, to the point he could see his reflection in the water.

Not only was the water clean, but there were also many stones around the waterfall, from big rocks to small rocks.

Some of the stones were in the water, and others were scattered around the waterfall.

\*Shui...Shui...

The sound of strong winds blowing the surrounding trees resounded in their ears.

Xiao Tian and Long Jingxian then sat on the flat rock at the edge of the waterfall. Like before, they began to talk about many things again.

Because it was an excellent place to lovey-dovey, Xiao Tian kept holding Long Jingxian's right hand.

She had gotten used to his habit of holding her hands when they were alone, so she let him hold her right hand.

But she suddenly wanted to jump from one stone to another like she used to do in the past. For this reason, she stopped holding hands with Xiao Tian and rose to her feet.

However, something unexpected happened when she was jumping from one stone to another.

She was slipped.

"Jingxian!" Xiao Tian rushed towards Long Jingxian when he saw her slip.

\*Burr...\*

Even though Xiao Tian managed to catch Long Jingxian, but he was also slipped, causing both of them to fall into the water.

"Hehe.." Both Xiao Tian and Long Jingxian laughed happily.

### **Chapter 993 - Going To The Waterfall**

7-8 minutes

---

"Hehe." Both Xiao Tian and Long Jingxian chuckled happily.

"We are wet." Xiao Tian stated.

"Yes. We are wet." Long Jingxian repeated Xiao Tian's words.

The water was only as deep as their thighs, so they did not drown. Xiao Tian's laughter came to a stop when his gaze fell on Long Jingxian's body.

Because her white T-shirt was wet, it stuck to her slender body, allowing Xiao Tian to see the shape of her stunning body clearly.

But what made Xiao Tian unable to take his eyes off her body was that he could see her red bra through her wet white T-shirt.

Yes. Some part of her white T-shirt became transparent!

Sure, Xiao Tian had seen her naked body three times, but he still could not take his eyes off her body as if there was a magnet between his eyes and her body.

Her T-shirt that stuck to her slender body, coupled with her red bra that was visible through her wet T-shirt, made her body look much more alluring.

Long Jingxian also stopped laughing when she noticed Xiao Tian looking at her body. She shifted her gaze from Xiao Tian to her body.

She finally understood the reason why Xiao Tian suddenly stopped laughing when she saw her wet T-shirt.

Long Jingxian did not try to cover her wet body and returned her attention to Xiao Tian.

'It seems like he is stunned by my wet body.'

A spark of happiness suddenly arose within her.

Long Jingxian usually would feel disgusted when a man stared at her body for a long time, but she did not feel the same way when Xiao Tian looked at her body; Instead, a joy rippled through her.

She suddenly felt happy that she had decided to keep her body in shape because her body could make her young lover stunned like a statue.

Because Xiao Tian was staring at her wet body, Long Jingxian also looked at his body. Like Xiao Tian, Long Jingxian also praised Xiao Tian's ideal body.

If Xiao Tian was staring at her big breasts, Long Jingxian was looking at his shorts.

Because Xiao Tian was looking at her body intently, she wanted to know whether his penis was erect or not.

'It's not erect.'

Long Jingxian was a little disappointed when Xiao Tian's penis was not erect.

At this moment, Xiao Tian came to his senses.

'My new lover really has a perfect figure.'

Xiao Tian suddenly felt lucky because all of his women had amazing bodies and beautiful faces. When he was about to break the silence, Long Jingxian did something unexpected to him.

She closed the distance between them and stroked his penis through his shorts.

His eyes widened for a second. Xiao Tian knew that they were alone in the waterfall, but he did not expect her to do something like that.

Since Long Jingxian started it, Xiao Tian allowed the lust within him to take over his body.

At first, Xiao Tian wanted to squeeze her breasts like usual, but he changed his mind when he saw her tender pink lips.

Sure, they had done a lot of passionate kisses in the past two days, but the desire to feel her tender lips again was too great for him to control.

For this reason, Xiao Tian immediately pressed his lips against hers. Long Jingxian was a little surprised when Xiao Tian kissed her lips.

Previously, she thought Xiao Tian would squeeze her breasts first before kissing her lips because he stared at her breasts for a long time before.

'His penis is already erect.'

When Long Jingxian knew that Xiao Tian's cock was already erect, she unbuttoned his shorts.

Yes. She wanted to stroke his penis directly. Long Jingxian did not hold back herself because they were alone in the waterfall.

They were in a remote area, and people rarely came to that place, so her courage soared boundlessly.

'It's hot!'

Because Xiao Tian's erect penis was in a horizontal position, it was easy for Long Jingxian to stroke his cock fast.

'His penis is getting harder!'

Long Jingxian moved her right hand back and forth faster and faster as if she wanted to make Xiao Tian orgasm quickly.

At this moment, Xiao Tian was still kissing Long Jingxian passionately.

'She is a brave lady!'

Xiao Tian was pleased with her actions because, with this, the possibility of them having sex in the waterfall was high.

"Huft...Huft...Huft..." Long Jingxian stopped the kiss.

However, she did not stop stroking Xiao Tian's erect penis; instead, she stroked his penis faster and faster.

"Ohhh..." Xiao Tian could not help but groan when Long Jingxian stroked his penis fast while looking at him with her lustful face. "Jingxian, I'm cumming...I'm cumming...."

Usually, Xiao Tian could last much longer, but it was different at that time. First. Long Jingxian stroked his penis fast while looking at him with her lustful face.

Second. They were outdoors, or more precisely, they were alone in the waterfall. All this time, they always had sex indoors, and they even could not behave as wildly as they wanted.

The last, it was because of Long Jingxian's wet body. Yes. Her wet body was the reason why the flames of lust within him roared wildly.

"I'm cumming...." Xiao Tian shot out his white sperm.

When Xiao Tian was having an orgasm, Long Jingxian stopped stroking his penis. She shifted her gaze from his face to his penis.

Of course, Long Jingxian was still grabbing his penis because she could not remove her right hand from his hot cock.

When Long Jingxian saw Xiao Tian's white sperm falling to the water, she was a little disappointed.

'I should have drunk the sperm earlier.'

When she saw the tiny sperm left on the tip of his cock, Long Jingxian wanted to lick it.

However, Xiao Tian suddenly grabbed her shoulders and spoke, "Jingxian... I..."

Even though Xiao Tian did not finish his words, Long Jingxian knew what he had in mind. For this reason, she decided not to lick his penis and walked over to the boulder.

Because she was wearing a skirt, Long Jingxian did not take off her clothes. Sure, they were in the remote area, but there was still the possibility of people coming to that place.

That was why Long Jingxian only took off her red panties before placing them on the huge stone. In her view, it was better safe than sorry.

After placing her hands on the boulder, Long Jingxian stuck her butt out towards Xiao Tian. "Come here, Xiao Tian."

\*Gulp...

Xiao Tian could not help but gulp his saliva when he saw Long Jingxian sticking out her ass towards him.

Her amazing ass looked much more alluring with the sight of her wet pussy. As Xiao Tian was approaching Long Jingxian slowly, his black eyes were locked on her ass and wet pussy.

His huge penis throbbed continuously, and the pre-cum kept coming out of the tip of his cock. He had never had sex in the waterfall before, so the flames of lust trembled excitedly in his body.

After Xiao Tian stood behind Long Jingxian, he grabbed his erect penis and placed it at her vagina entrance. "I'm going to put it in."

"Un.." Long Jingxian nodded her head.

### **Chapter 994 - Playing Water Again**

9-11 minutes

---

In the remote area, two people were having some fun at the waterfall.

The mature lady was sticking out her perfect ass and placing both of her hands on the huge stone in front of her.

Her big breasts were moving uncontrollably as if her full breasts wanted to get out of her wet T-shirt.

Behind her, an attractive young man continuously slid his huge penis in and out of the mature lady's wet vagina.

He held the mature lady's skirt and looked at his penis sliding in and out of the mature lady's vagina.

Yes. These two people were currently having sex at the waterfall. Even though they were having outdoor sex, none of them showed the slightest care about it.

The mature lady even moaned louder every second as if she wanted to tell the world with her cries that she was having sex at the waterfall with her attractive young lover.

As for the young man, he kept thrusting his huge penis into his mature lover's pussy.

Sure, he knew that his lover's moans were getting louder every second, but he did not say anything about it because her wails were like a beautiful song in his ears.

They were in the remote area, and no one was around them, so the young man let the mature lady moan as loudly as she wanted.

These two people were none other than Xiao Tian and his new lover, Long Jingxian.

"Ah...Ah...Ah..." Long Jingxian did not hold back her wails. "Xiao Tian, faster and deeper. Ah...Ah...Ah..."

All this time, she always held back her moans every time she had sex with Xiao Tian. They even could not have wild sex because they always had sex in secret.

Now that they were having sex in a remote area, Long Jingxian wanted Xiao Tian to fuck her wildly and mess up her wet vagina.

She wanted to make up for the time where they could not have wild sex or moan loudly.

"Ah...Ah...Ah..." Long Jingxian cried out in delight.

Maybe it was because they finally could have sex as wild as they wanted, or perhaps it was because they were having sex in the remote area, but at that time, Long Jingxian behaved wildly.

Yes. Long Jinxian's behavior was different from her previous act when she had sex with Xiao Tian.

Her wild side that she had suppressed for a long time finally came out. At that time, all she wanted was only two things.

She wanted Xiao Tian to fuck her wildly and mess up her wet vagina.

"Oghhh..." Xiao Tian groaned.

'Her pussy is so wild!'

Xiao Tian had had sex with Long Jingxian three times, but at that time, her pussy was different than usual.

Her vagina was much wilder, as if her pussy had turned into a hungry octopus. Of course, Xiao Tian knew the reason why Long Jingxian was like that.

That was why Xiao Tian kept fucking her and trying his best to give her as much pleasure as he could.

Seconds turned into minutes, and without realizing it, it had been ten minutes since they started having sex at the waterfall.

Because Xiao Tian wanted to change position, he took his penis out of Long Jingxian's vagina.

Long Jingxian instantly turned around to face him.

Sure, she wanted Xiao Tian to mess up her wet vagina with his huge cock, but she changed her mind and kissed him hungrily when she saw his attractive face.

However, their passionate kiss only lasted for thirty seconds because both of them desired to continue having sex.

Long Jingxian, who knew what Xiao Tian had in mind, immediately leaned her back against the boulder behind her.

She spread her wet vagina widely and looked at Xiao Tian with her lustful face.

Even though Long Jingxian did not say it directly, Xiao Tian knew what she wanted because he could tell everything from her lustful face.

Yes. Her face gave off a sign like she was saying, 'hurry up and thrust your huge penis into my wet pussy immediately.'

Xiao Tian lifted her left leg before sliding his huge penis into her pussy again.

"Ahhh...." Both Xiao Tian and Long Jingxian wailed loudly.

Like before, multiple seductive moans escaped from Long Jingxian's little mouth. When Xiao Tian was sliding his penis in and out of her pussy, she immediately placed her hands on his shoulders.

At that moment, her wails were in sync with their sex sounds. After a seductive moan escaped from her little mouth, the sex sound echoed in their ears.

"Ah...Ah...Ah...Mmm..." Long Jingxian's cries came to a stop when Xiao Tian suddenly kissed her passionately.

Of course, Xiao Tian did not stop moving his waist because it felt great when he was kissing her passionately while fucking her wet vagina fast.

"Ahh...Ah...Ah..." Long Jingxian's moans reverberated through the waterfall again when Xiao Tian stopped the kiss.

At that moment, Long Jingxian was pleased. It had been a long time since she could moan as many and loudly as she wanted.

But what made her happiest was that she was having sex with her new lover, who had a fantastic penis and knew how to use it well.

Long Jingxian suddenly felt happy coming to the waterfall alone with Xiao Tian, or else, she would not have experienced that immense pleasure now.

Due to how pleasurable it was, they did not realize that they had been having sex for more than thirty minutes.

At this moment, Long Jingxian finally reached her limit. "I'm cumming... I'm cumming..."

When Xiao Tian found out that Long Jingxian was about to have an orgasm, he moved his waist faster and faster.

"I'm cumming..." Long Jingxian tilted her head back and moaned loudly.

'Ahhhh...'

Due to how loud her moan was, several birds suddenly flew from the trees around them.

"Huft...Huft...Huft..." Long Jingxian was breathing heavily after having an orgasm.

At first, Xiao Tian wanted to give her some time to rest, but the desire to fuck her again arose within him when he saw her lewd face.

"Ah...Ah...Ah..." Long Jingxian thought Xiao Tian would give her some time to rest before fucking her again, but she was wrong.

She did not expect him to fuck her immediately. Of course, she did not stop him because she knew that he still had not had an orgasm.

And the pleasure she felt was double when he was fucking her in a weak state. For this reason, Long Jingxian let him mess up her wet pussy and kept moaning.

Because Xiao Tian wanted to thrust his penis deeper inside her pussy, he lifted her other leg and spread her legs widely.

"Hiii..." Long Jingxian gritted her teeth, and tears suddenly flooded her blue-violet eyes when the tip of his penis hit her womb.

'It feels good. It feels food.'

Long Jingxian repeated these words in her head continuously as if she was casting a magic spell.

"Ahh...Ah...Ah..." Because Xiao Tian's penis kept hitting her womb, Long Jingxian's felt as if her soul had been separated from her body.

Her body was still in a weak state when Xiao Tian suddenly thrust his penis again, so she could no longer feel her body now.

Currently, her weak body was resting on the huge stone behind her, and her slender hands were no longer on Xiao Tian's shoulders.

She could not move or feel her body anymore. The pleasure Xiao Tian gave her was so incredible.

"Ah...Ah...Ah..." Because of the immense pleasure, Long Jingxian even did not realize that seductive cries kept coming out of her mouth.

Her mind was already on cloud nine, so Long Jingxian let Xiao Tian do whatever he wanted with her body.

\*Slick...Slick...Slick...

Love juices kept coming out of her pussy, causing loud noises when Xiao Tian slid her huge penis in and out of her vagina.

After fucking Long Jingxian for more than thirty minutes, Xiao Tian finally reached his limit. "Jingxian, I'm cumming...."

However, Long Jingxian ignored his words and kept moaning. No, she did not ignore his words. The right words were 'she didn't hear his words.'

"Hiiii..." Long Jingxian's body quivered when Xiao Tian released his sperm deep inside her vagina.

"Huft...Huft...Huft..." as Xiao Tian was breathing heavily, he looked at Long Jingxian's fascinating expression before shifting his gaze to her pussy and his cock.

When Long Jingxian's mind returned to her body, she immediately said, "You are amazing, Xiao Tian. You are amazing."

"Thank you." after saying that, Xiao Tian bent over to kiss her passionately.

Long Jingxian instantly wrapped her slender arms around his neck before intertwining her soft tongue with his.

She did not care when she remembered that Xiao Tian had just let out his sperm deep inside her pussy because it was her safe day.

Not only that, but she also had a lot of birth control pills since she became Xiao Tian's lover because she wanted to have a lot of sex with him.

Yes. She wanted to make up for all the six months she did not have sex with anyone.

At this moment, Xiao Tian's huge penis was still in Long Jingxian's pussy.

He did not pull it out immediately because he still wanted to feel the sensation of his penis being squeezed by her tight vagina.

"Huft...Huft...Huft..." after they broke the kiss, they looked at each other in the eyes before a satisfied smile appeared on their faces.

"Did I manage to satisfy you, my beautiful lover?" even though Xiao Tian already knew the answer, he still asked it because he wanted to hear the answer directly from her mouth.

"Yes." Long Jingxian replied, "This is the best sex I've ever had in my life. I thought I would die from the pleasure just now."

"Hehehe.." Xiao Tian and Long Jingxian chuckled happily.

## **Chapter 995 - Unexpected Meeting**

6-7 minutes

---

"Hehehe." Xiao Tian and Long Jingxian chuckled happily.

"I cummed inside your pussy earlier." Xiao Tian stated.

Long Jingxian's pussy was amazing. Coupled with her letting out multiple seductive moans and showing her lustful face, it made Xiao Tian unable to hold back himself.

And as a result, he let out his white sperm deep inside Long Jingxian's wet vagina.

"It's fine. Today is my safe day." Even if it were not her safe day, Long Jingxian would not mind it because it was not the first time Xiao Tian cummed inside her.

And since she had sex with Xiao Tian for the first time, Long Jingxian bought a lot of birth control pills.

Having raw sex with Xiao Tian felt amazing. That was why Long Jingxian bought many birth control pills because she intended to continue to have sex with him.

Xiao Tian kissed Long Jingxian's forehead before making his way down to her pretty pink lips. "I love you, Jingxian."

"You're saying this because we just had sex at the waterfall, right?" Long Jingxian decided to tease Xiao Tian.

Xiao Tian suddenly realized his mistake. "Wha-"

However, before he had finished his words, Long Jingxian smiled. "You don't need to say anything because I know you love me."

Yes. Long Jingxian could tell from his behavior that Xiao Tian did love her. The way he treated her or the way he looked at her was enough to tell his feelings for her.

"My beautiful lover, yo-oh...." Xiao Tian groaned before he could finish his words because Long Jingxian's vagina muscles suddenly squeezed his penis hard.

"What's wrong, Xiao Tian?" at this moment, Long Jingxian still had not realized that her pussy had just squeezed his penis hard.

When Xiao Tian confessed his love to her just now, her body flabbergasted with joy, and as a result, her body moved on its own, and her vagina squeezed Xiao Tian's huge cock hard.

Xiao Tian thought Long Jingxian was teasing him and pretending not to know anything. For this reason, he decided to do the same.

"My beautiful lover is really naughty!" after saying that, Xiao Tian slid his huge penis out of her pussy before sliding his cock into her vagina again.

"Ahhh...." It was Long Jingxian's turn to wail.

Long Jingxian's body was still sensitive, so a little movement was enough to make her moan seductively.

"Hehe." Xiao Tian chuckled happily.

Long Jingxian pinched Xiao Tian's right cheek and smiled softly. "You are really a bad boy!"

"Then doesn't that mean we are meant to be together since you are such a naughty woman." Xiao Tian did not try to deny it. "How about we go for another round?"

Long Jingxian did not answer, but she nodded her head, giving him a sign that she agreed to continue having sex with him.

Soon, Long Jingxian's seductive moan echoed through the waterfall again. Since they had been at the waterfall for quite some time, Xiao Tian and Long Jingxian decided to stop.

But something unexpected happened when they wanted to go back to the rice fields.

They could not find Long Jingxian's red panties!

Long Jingxian was wearing a short skirt, so they had to find her panties because it would be dangerous if she returned without wearing anything underneath her short skirt.

First, her parents would be suspicious of them later. Second, there would be a high possibility that many people could see her bare pussy later.

Xiao Tian did not mind it if her parents were suspicious of them because sooner or later, he would reveal his relationship with Long Jingxian to them.

But there was no way he would let other people see her vagina because she was his lover. He was the only one who was allowed to see her beautiful pussy.

For this reason, Xiao Tian and Long Jingxian began looking for her panties.

"It seems like my panties got carried away by the water." Previously, Long Jingxian put her panties on the stone but now she could not find it.

"It seems so." Xiao Tian remembered that there was strong wind earlier.

Earlier, Xiao Tian and Long Jingxian did not pay attention to her panties because they were focused on sex, and their minds were also filled with pleasure.

Xiao Tian and Long Jingxian started tracing the water. At the same time, two gorgeous ladies walked around the waterfall.

They were so beautiful, to the point their beauty was enough to steal the hearts of all men who saw them. One of them had black eyes, while the other had emerald eyes.

These two gorgeous ladies were none other than Leng Nichang and Xi Ran.

"How is it, Ran? Isn't this place beautiful?" Leng Nichang took Xi Ran to the waterfall because she wanted to show Xi Ran how beautiful that place was.

"Yes." Xi Ran nodded her head before walking towards the water. "How did you know this place?"

"My friend took me to this place last month." Leng Nichang gave an honest answer.

They then sat on a large flat rock before putting their feet into the water. As they were chatting happily, they saw the red panties being carried away by the water.

To their surprise, the panties were heading towards them before finally it stopped when the panties hit the stone where they were sitting on.

Leng Nichang and Xi Ran exchanged a glance with each other before looking at the red panties again.

'Panties?'

They did not expect to see panties when they were sitting on the stone.

Xi Ran took the panties with her slender right hand before speaking, "These panties are still good. Why did the owner throw this away?"

The same question also appeared in Leng Nichang's mind. "Is it because these panties are already too small?"

"Maybe." Xi Ran thought that was the most plausible reason.

At the same time, Xiao Tian appeared not far from them. Like before, he was still in the water.

'Don't those panties belong to Jingxian?'

The expression of deep shock blossomed on his face when Xiao Tian saw Xi Tan holding Long Jingxian's red panties.

## **Chapter 996 - What A Wild Couple!**

7-8 minutes

---

Xiao Tian did not expect to meet Leng Nichang, and Xi Ran at the waterfall. But what surprised him most was that Long Jingxian's red panties were on Xi Ran's right hand.

'What should I do now?'

Xiao Tian did not expect that something like this would happen to him.

He was sure that Leng Nichang and Xi Ran would think of him as a pervert if he asked Xi Ran to give these panties to him because these panties belonged to women.

However, he had to get these panties back or else, Long Jingxian would wear nothing underneath her skirt later.

'What should I do?'

He had never experienced anything like this in his two lives, so he had no idea what to do.

Xiao Tian would not care if the person who found Long Jingxian's panties was a male like him, but Xi Ran was female, not male.

'This is complicated.'

Xiao Tian started to think of a way to get Xi Ran to give Long Jingxian's panties to him without thinking badly of him.

At this moment, Leng Nichang noticed Xiao Tian standing not far from her. "We meet again."

Xi Ran instantly turned her head towards Xiao Tian.

'Mmm? Isn't he the one I met at Jindan Lake yesterday?'

Xi Ran still remembered Xiao Tian because their first meeting was unique.

Xiao Tian approached them slowly while displaying his charming smile, "Hello, we meet again."

"What are you doing here?" Leng Nichang asked curiously. "Do you want to enjoy the beautiful scenery too?"

"Yes." like before, Xiao Tian replied as he smiled.

'And to get the panties in your friend's hands.'

He added in his mind.

"I see." At this moment, Leng Nichang still didn't suspect anything.

When Xiao Tian saw Xi Ran about to throw Long Jingxian's panties, he shouted reflexively. "Wait! Don't throw away these panties!"

The expression of deep shock blossomed on the faces of Leng Nichang and Xi Ran. They found it hard to believe what they were hearing because Xiao Tian did not look like a pervert.

\*Silence...

Xiao Tian's words dropped the entire area into a dead silence.

Leng Nichang and Xi Ran then exchanged a glance with each other.

'Is he a pervert?'

That was the question that appeared in their minds.

Xiao Tian sighed before explaining. "Let me explain it first. The reason why I'm tracing the water is that I'm looking for these red panties because it belongs to my lover."

'Sigh. It will get complicated later.'

Xiao Tian explained it with a calm face. Of course, he knew that they would not believe his words easily.

Like before, Leng Nichang and Xi Ran exchanged a glance with each other. At this moment, they were sure that Xiao Tian was a pervert.

When Xi Ran was about to say something to Xiao Tian, Long Jingxian's walked towards them from behind him. "Xiao Tian, have you found my panties?"

Long Jingxian was shocked when she saw Leng Nichang and Xi Ran. But what surprised her most was that Xi Ran was holding her panties.

\*Silence...

The entire area turned into a dead silence again.

One second...three seconds...five seconds...

It had been more than five seconds, but none of them said a word. All they did was only stare at each other.

Leng Nichang and Xi Ran shifted their gazes from Long Jingxian to her panties before returning their attention to Long Jingxian again.

At this moment, they finally realized that Xiao Tian wasn't lying when he said these red panties belonged to his girlfriend.

\*Shuii...

Suddenly there was a strong wind.

Due to how strong the wind was, Long Jingxian's skirt danced uncontrollably, showing her bare pussy.

Coincidentally Leng Nichang, Xi Ran, and Xiao Tian were looking at Long Jingxian so they could see Long Jingxian's pussy clearly earlier.

It was shocking enough for them to see Long Jingxian's vagina, but there was something even more shocking for them.

A white fluid fell from Long Jingxian's vagina!

Long Jingxian immediately grabbed her skirt so that it would not dance anymore. Even though something embarrassing had just happened to her, Long Jingxian still wore a normal expression.

Leng Nichang and Xi Ran were female, so she did not think much of it. Of course, it would be a different story if they were male.

Leng Nichang and Xi Ran understood something after seeing a white fluid fell from Long Jingxian's vagina.

Xiao Tian just had sex with Long Jingxian at the waterfall!

They were sure about it because there was a lot of evidence. First, Xiao Tian previously said Long Jingxian was his lover.

Second, Long Jingxian was not wearing any panties, and Xiao Tian said that the panties in Xi Ran's right hand belonged to Long Jingxian.

And the last, a white fluid just fell from Long Jingxian's pussy. They were sure that Xiao Tian had let out his sperm in Long Jingxian's vagina earlier.

These pieces of evidence were enough to prove that Xiao Tian had sex with Long Jingxian at the waterfall earlier.

'They did it in a place like this?!'

Leng Nichang and Xi Ran communicated through their eyes.

They were in a remote area, and people rarely came to that place, so it was a good place to have sex.

\*Sigh...

Xiao Tian sighed again.

'Now they know everything.'

Xiao Tian believed that Leng Nichang and Xi Ran knew what he did with Long Jingxian at the waterfall earlier because they had seen the evidence.

Long Jingxian also had the same thought as Xiao Tian. But she immediately let out a sigh of relief when she remembered that Leng Nichang and Xi Ran were not locals.

At this moment, Xiao Tian was staring at Xi Ran. He did not expect their second meeting to be like this.

Their first meeting was already unique. He just did not expect that their second meeting would be unique again.

Long Jingxian walked closer towards Xi Ran before stretching out her right arm. "Can I get my panties back?"

"Here," Xi Ran gave the panties to Long Jingxian.

"Thank you." after saying that, Long Jingxian walked towards the big stone to wear her panties.

At this moment, Xiao Tian, Xi Ran, and Leng Nichang were staring at each other.

"It seems like you had a good adventure earlier." Leng Nichang broke the silence while showing her charming smile.

The corner of Xiao Tian's lips twitched after hearing Leng Nichang's words.

After Long Jingxian put on her panties and stood next to Xiao Tian, she uttered, "Xiao Tian, let's go."

"All right." Xiao Tian replied as he nodded his head.

"Thank you." Long Jingxian thanked them again before leaving.

"What a wild couple!" Leng Nichang stated.

When Xiao Tian and Long Jingxian were walking, they realized that their clothes were still wet.

"Should we wait until our clothes are dry first?" Xiao Tian wanted to let Long Jingxian decide it.

"Our clothes are almost dry, so it's better to go back now." they had been at the waterfall for a long time, so Long Jingxian wanted them to return immediately.

"All right." Xiao Tian replied.

Because Xiao Tian wanted to lovey-dovey with Long Jingxian, he held her right hand. Long Jingxian only smiled softly when she saw this.

And not long after that, they reached her parents' rice fields.

## **Chapter 997 - Good Night, My Little Angel**

7-8 minutes

---

Mu Ai, who saw Xiao Tian and her mother, instantly came out of the hut and dashed towards them.

"Mother, big brother."

When she was close to Xiao Tian, Mu Ai spread her arms widely. Yes, she wanted Xiao Tian to carry her like usual, but everything did not go like what she wanted.

Xiao Tian did not carry her and only smiled at her!

Mu Ai was stunned.

Something like this had never happened before because usually, Xiao Tian would carry her immediately.

"Big brother, carry me." At this moment, Mu Ai was still spreading her arms widely.

"Big brother's clothes are still wet." Xiao Tian would have carried Mu Ai if his clothes were dry.

"Did you play with water earlier?" Mu Ai asked curiously.

"No. Big brother fell into the water earlier." Even though Mu Ai was still a kid, there was no way Xiao Tian would tell the truth because there was a possibility that she would say to Long Jingxian's parents later.

Mu Ai finally knew the reason why Xiao Tian did not carry her.

Because Xiao Tian could not carry her, he decided to hold her right hand. "Let's go to the hut."

"Un." Mu Ai nodded her head cutely.

Like earlier, Xiao Tian talked with Long Jingxian's parents in the hut. They also asked him and Long Jingxian where they had gone and why their clothes were wet.

Xiao Tian and Long Jingxian told them that they went to the waterfall and they fell into the water earlier.

Long Diyi and Jing Liling were not suspicious of them. They spent time in the rice fields until 04:30 pm before finally, they went home.

When it was almost dinner time, Xiao Tian invited them to eat at the restaurant. He did this because he felt like he was a freeloader all this time.

At first, Long Diyi and Jing Liling refused, saying it was a waste of money. Yes. Long Diyi and Jing Liling did not like wasting money like that.

They knew what it was like to have no money. Their lives had only improved since Long Jingxian got a job at a famous hospital and sent money every month.

They used that money to buy rice fields. Even though their family was not the wealthiest in Wushang city, but their family was already in the category of a wealthy family.

Xiao Tian did not give up and kept trying to get them to agree to have dinner at the restaurant. He also said that he was a freeloader all this time. That was why he invited them to dinner.

After great efforts, Long Diyi and Jing Liling agreed to his offer. Xiao Tian then took them to the most famous restaurant in Wushang city.

After eating, Xiao Tian looked at Jing Liling and asked, "Auntie, I heard the day after tomorrow is your birthday."

"Yes." Jing Liling replied. "I will be celebrating my birthday at White Villa."

White Villa was located not far from her house. Not only could it be rented by the hour, but the rental price was also not expensive.

That was why Jing Liling and her husband decided to celebrate her birthday at White Villa.

"Auntie, can I come to your birthday later?" Xiao Tian inquired.

Jing Liling covered her mouth and giggled. "Of course. I even planned to invite you tomorrow."

"Thank you, auntie." Xiao Tian was pleased after hearing her words.

They then talked for another thirty minutes before finally, they returned home. Since Xiao Tian had to prepare a gift for Jing Liling, he called Liang Jun and Shi Fei.

He ordered Liang Jun to prepare a set of cosmetics and wrapped them beautifully. He also told Shi Fei to prepare one of the best clothes for Jing Liling.

After that, Xiao Tian made a small bonfire in the front yard again. This time, he was only accompanied by Long Jingxian and Mu Ai.

They were happy at that time. They were chatting, joking and laughing together. At 10:00 pm, they went to their rooms.

Like last night, Xiao Tian called his women after entering his room. He also did not forget to call Yun Xin Er and Lan Ruoxi.

It was already 11:40 pm when he finished talking to them on the phone. When Xiao Tian was about to sleep, someone opened his door and entered his room.

Xiao Tian was not surprised when he saw Long Jingxian entering his room in the middle of the night because she always came to his room every night since they stayed at her parents' house.

Yes. They always had sex every night since they stayed at Long Diyi's house. This was the reason why Xiao Tian never locked his door because he knew that Long Jingxian would come to his room.

After locking the door, Long Jingxian walked towards Xiao Tian slowly. Unlike last night, this time, Long Jingxian took off her clothes slowly.

Sure, they had wild sex in the waterfall this afternoon, but she still desired to have sex with Xiao Tian again.

It was as if it had become their routine to have sex every night. And soon, Xiao Tian's room was filled with Long Jingxian's suppressed moans.

Currently, Long Jingxian was sleeping naked on top of Xiao Tian's body. Of course, he was also naked because he did not bother to put his clothes on after having sex.

His face broke into a smile when he saw Long Jingxian's sleeping face.

'She is sleeping soundly.'

Xiao Tian kept caressing Long Jingxian's hair gently.

He was pleased when he knew that Long Jingxian could sleep soundly in his arms.

'I didn't expect a beautiful woman like her to like sex so much.'

No one would believe it if Xiao Tian told them that Long Jingxian really loved sex because she did not look like a naughty lady from her face and personality.

'Well, it's also a good thing.'

Xiao Tian did not mind it because, with this, he would have a lot of sex with her in the future.

Like usual, Long Jingxian woke up when Xiao Tian was sleeping. After kissing Xiao Tian's lips, she returned to her room.

After closing the door and locking it, Long Jingxian lay next to her daughter.

\*Kiss...

Long Jingxian kissed Mu Ai's forehead.

'Good night, my little angel.'

Because it was still 03:00 am, Long Jingxian wanted to sleep again.

To her surprise, Mu Ai suddenly woke up. "Mother, where did you go earlier?"

Even though Mu Ai had no idea when her mother left, she knew that her mother had just returned to her room.

"I went to the toilet." Long Jingxian lied to her daughter.

There was no way Long Jingxian could tell the truth. Sure, her daughter had seen Xiao Tian kiss her cheek once, but it was only a kiss and what he did with Xiao Tian earlier was more than a kiss.

Long Jingxian knew that Mu Ai really liked Xiao Tian, but she could not tell the truth because Mu Ai was still a kid and could not keep a secret.

At this moment, Mu Ai believed her mother's words easily. However, she smelled something familiar when she was hugging her mother.

"Mother, why do you have the scent of big brother on your body?" Mu Ai asked curiously.

## **Chapter 998 - Thank You, Xiao Tian**

7-8 minutes

---

"Mother, why do you have the scent of big brother on your body?" Mu Ai asked curiously.

Mu Ai could smell Xiao Tian's scent on her mother's body. That was why she wanted to know about it.

Mu Ai's words much surprised Long Jingxian. Because she had sex with Xiao Tian for more than an hour and also slept on top of his body, it was normal to have Xiao Tian's scent on her body.

Long Jingxian forgot to remove his scent on her body because Mu Ai usually would not wake up when she returned to her room. "It's only your imagination."

"No. I'm sure it's big brother's body scent." Mu Ai was familiar with Xiao Tian's scent because she often hugged him and always sat on his lap.

Sometimes, she even kissed Xiao Tian's cheeks or forehead, so she was sure it was Xiao Tian's body scent.

"Forget it. Let's sleep again." Long Jingxian forgot that Mu Ai was familiar with Xiao Tian's body scent.

"...Alright." Because her mother said so, Mu Ai decided to sleep again.

At 05:00 am, Long Jingxian woke up again. Because Mu Ai said Mu Ai could smell Xiao Tian's body scent on her body, Long Jingxian took a quick shower before helping her mother cook breakfast.

It would be a different story if her mother could smell Xiao Tian's body scent on her body because her mother was not a kid like Mu Ai.

Like usual, Xiao Tian sat on the wooden bench in the front yard after waking up. It had become his routine ever since he stayed at Long Diyi's house.

After having breakfast with Long Jingxian's parents, Xiao Tian, Long Jingxian, and Mu Ai went out for a walk.

They decided to go to Jindan Lake because it was close to her house and also the most popular place in Wushang city.

At 08:00 am, they returned home. Because tomorrow was Jing Liling's birthday, they helped spread out invitations to the neighbors.

Jing Liling and Long Diyi did not invite everyone in Wushang city. They only invited people close to them. In total, they only invited thirty people.

At 01:00 pm, Liang Jun came with gifts for Jing Liling. There was a set of cosmetics and a red dress. The gifts were wrapped beautifully because Xiao Tian told him it was for Long Jingxian's mother.

After giving it to Xiao Tian, Liang Jun went home.

At 07:00 pm, Xiao Tian and the others sat on the terrace. They did not make bonfires because it was raining.

They talked for about two hours before finally, they headed to their rooms. Yes. They decided to sleep because it was a good time to sleep.

Like usual, Long Jingxian came to Xiao Tian's room again. This time, it was earlier than usual. Normally, Long Jingxian would come to his room at midnight.

This time, she came to his room at 10:40 pm. The reason was simple. It was because Mu Ai fell asleep faster than usual.

Because it was still raining, Mu Ai fell asleep faster than usual. Not only Mu Ai, but Long Jingxian's parents also slept faster than usual.

They fell asleep not long after they entered their rooms. That was why Long Jingxian decided to come to Xiao Tian's room faster than usual.

It was still raining outside, so Long Jingxian wanted to spend time with her new lover, Xiao Tian.

When Xiao Tian saw Long Jingxian entering his room and locking the door, he immediately took off his clothes because he thought they would have sex immediately.

Actually, Xiao Tian was waiting for Long Jingxian to come to his room. It was still raining outside, so it was a good time to have sex.

Yes. Xiao Tian loved to have sex with his girlfriend when it was raining because the pleasure he felt would be much better than usual.

That was why he kept hoping for Long Jingxian to quickly come to his room. To his surprise, she only rested on top of his body after taking off her clothes.

Xiao Tian did not expect something like this to happen. Usually, they would have sex immediately after she stepped into his room, but today was different.

Even though Xiao Tian was a little disappointed, he still had a smile on his face.

'Well, cuddling with my lover when it rains is also fun.'

Xiao Tian caressed Long Jingxian's hair gently with his right hand while placing his other hand on her back.

Sure, he wanted to have sex with Long Jingxian, but he would not force her to do it. He did not want Long Jingxian to think that he only loved her body.

Time went by quickly, and without realizing it, it was already 11:40 pm. At this moment, Xiao Tian had fallen asleep.

It felt so comfortable to hug his new lover. Coupled with them being naked and the sound of raindrops falling on the roof made Xiao Tian fall asleep faster.

At this moment, Long Jingxian was still awake. She was currently drawing a circle on Xiao Tian's chest with her right index finger.

She then lifted her head to look at Xiao Tian's sleeping face.

'Xiao Tian, I love you. I really do.'

Long Jingxian fell in love with Xiao Tian deeper and deeper every day.

Every time she spent time with him, it always became one of the most beautiful memories for her.

Long Jingxian did not have much experience when it came to love because Mu Cheng was her first boyfriend before she became her husband and ex-husband.

Sure, she also had beautiful memories with Mu Cheng, but the time she spent with Xiao Tian was much more beautiful.

The simple things she did together with Xiao Tian, like chatting in the backyard, taking a walk to Jindan Lake or spending time in the rice fields, always became beautiful memories for her.

The way Xiao Tian looked at her or treated her was much better than how Mu Cheng looked at her and treated her.

Sometimes, she also found it hard to believe that the simple thing she did with Xiao Tian could become one of the most beautiful memories in her life.

Like today, they only spread out invitations to the neighbors, but it had already made happiness bubble up inside of her.

It was as if whatever she did with Xiao Tian always made her happy.

'Is it because I'm falling in love with him?'

Long Jingxian fell in love with Xiao Tian because he was always there for her, and he could get along with her daughter too.

Actually, it never occurred to her that they would become lovers. When she met Xiao Tian in the park, she only saw him as an attractive young man, nothing more than that.

But a spark of love suddenly appeared within her when Xiao Tian helped her from Bai Yuzen's underlings.

And these feelings kept growing every day since then. She even could not control her feelings anymore, especially when she was with Xiao Tian.

The way Xiao Tian treated her and looked at her made her love him deeper and deeper. In her eyes, Xiao Tian had turned from only an attractive young man to one of the most important people in her life.

'Thank you, Xiao Tian.'

Long Jingxian then shut her eyes again, feeling the warmth of Xiao Tian's embrace.

### **Chapter 999 - I Also Want To Live With You Forever**

7-8 minutes

---

The moonlight lit up the dark night, and countless raindrops fell on the rooftop.

Two young people could be seen in a medium-sized bedroom; a young man and a mature lady.

The young man was sleeping on the bed naked. His body was so perfect, to the point it could charm any woman who saw his body.

Between his legs, an attractive mature lady was moving her head up and down continuously.

Like the young man, the mature lady was also naked as if she wanted to show off her perfect figure to the world.

If anyone saw what she was doing, they would think of her as a naughty lady because she was currently doing something naughty.

Blowjob!

Yes. The mature lady was currently sucking the young man's huge penis.

Even though her lover was still sleeping, the mature lady did not show the slightest care about it and kept sucking and licking his erect penis.

Her beautiful blue-violet eyes were filled with lust, and a trace of saliva could be seen on the corners of her mouth.

\*Slurp...Slurp...Slurp...

The sound of her sucking her lover's penis echoed in her ears.

But instead of slowing down her movements, the mature lady moved her head up and down faster and faster as if she was eating the most delicious sausage in the world.

Not only was she sucking her lover's penis hungrily, but she also played with her wet vagina, rubbing her clitoris or thrusting her fingers into her pussy.

That mature lady was none other than the hot MILF, Long Jingxian.

When Long Jingxian woke up from her sleep five minutes ago, she immediately sucked and licked Xiao Tian's penis because the reason why she came to his room was to have sex with him.

Sure, Xiao Tian was sleeping, but she was still able to make his huge cock erect with her skills.

'I think this is enough.'

When Long Jingxian saw that Xiao Tian's penis was fully erect, she stopped giving a blowjob.

'He is still sleeping.'

After looking at Xiao Tian's sleeping face, Long Jingxian returned her attention to his erect penis.

'My vagina is already wet too.'

Long Jingxian looked at her right index finger and middle finger, which were covered in her love juice.

At first, she wanted to wake up Xiao Tian, but she changed her mind because she was sure that he would make up later.

For this reason, Long Jingxian positioned her vagina right above Xiao Tian's huge cock.

'Ahhhhh...'

Long Jingxian tilted her head back and half-closed her blue-violet eyes when Xiao Tian's penis slowly slid into her wet pussy.

After placing her hands on Xiao Tian's stomach, Long Jingxian wasted no time and immediately bounced her body fast.

"Hmm...Hmm...Hm..." as usual, Long Jingxian tried her best to hold back her wails.

At this moment, Xiao Tian was still sleeping, but he woke up not long after that because Long Jingxian bounced her body on his penis continuously and wildly.

The expression of deep shock blossomed on his face when he saw Long Jingxian bouncing her body on his penis.

He almost could not believe it. Because Long Jingxian fell asleep in his arms earlier, Xiao Tian thought they would not have sex that night.

He just did not expect that Long Jingxian would fuck him when he was sleeping. Of course, Xiao Tian was fine with it because she was his lover, and he also loved it.

At this moment, Long Jingxian still had not realized that Xiao Tian was already awake because she was closing her eyes and tilting her head back.

When Xiao Tian saw Long Jingxian playing with her big breasts, he suddenly wanted to play with them too. For this reason, Xiao Tian immediately pinched her nipples.

His actions much surprised Long Jingxian. She instantly stopped bouncing her body and opened her beautiful eyes.

When she knew that Xiao Tian was already awake, Long Jingxian instantly removed her hands from her breasts because Xiao Tian wanted to play with her big breasts.

"Mmm...Mmmm....Mmm..." like before, Long Jingxian bounced her body on Xiao Tian's penis again.

"My lover is so naughty! You even fucked me when I was sleeping." At this moment, Xiao Tian was still playing with Long Jingxian's breasts.

Long Jingxian did not say anything and kept bunching her body and moaning. Her wails grew faster when Xiao Tian moved his waist in rhythm with her movements.

Long Jingxian bounced her body on Xiao Tian's penis for several minutes before finally bending over.

She was a little tired of bouncing her body and desired to kiss Xiao Tian passionately. That was why she bent over.

As they were kissing passionately, Xiao Tian wrapped his arms around her slender waist.

They had a deep kiss for several seconds before finally, Long Jingxian broke the kiss. "Xiao Tian...."

Even though Long Jingxian did not say directly what she wanted, Xiao Tian was able to understand it. For this reason, he moved his hands from her waist to her butt.

"Mmm....Mmm...Mmm..." Long Jingxin cried out in delight when Xiao Tian moved his waist.

They had sex in the same position for several minutes. Because the flames of lust had consumed their bodies, they finally reached their limit.

Xiao Tian moved his waist faster and faster. And Long Jingxian did not just stand still. She began moving her waist up and down in rhythm with Xiao Tian's movement.

And not long after that, they had an orgasm at the same time. "I'm cumming....."

\*Sprtt....

Xiao Tian let out his white sperm deep in her pussy.

He moved his hands from her ass to her waist and spoke, "It was amazing."

"Yes. Having sex with you is always amazing." Long Jingxian was telling the truth.

Since she had sex with Xiao Tian in his apartment, he always managed to satisfy her and make her have an orgasm.

"But I did not know my lover was so naughty! She even fucked me when I was sleeping." Xiao Tian teased Long Jingxian.

"I did not have sex for six months before doing it with you, so I wanted to make up for all these months where I was so lonely and could only play with myself." Long Jingxian gave an honest answer. "Do you dislike it?"

"No. Instead, I will be happier if you become more naughty later." Xiao Tian loved sex, so he did not mind her naughty personality.

"How about we go for another round now?" it was still raining, and she was still not satisfied, so she wanted to continue having sex with Xiao Tian.

"With pleasure." Xiao Tian replied.

Then they had sex again. They had sex for about an hour and a half before finally, they stopped. As usual, Long Jingxian rested on top of him after having sex.

"Do you think your parents like me?" Xiao Tian inquired.

"I think they like you." Long Jingxian was sure that her parents liked Xiao Tian.

"Thank god." Xiao Tian felt relieved after hearing her words.

"It seems that you are trying your best to win my parents' hearts." Long Jingxian uttered.

"Because I want to live with you forever, so I have to win your parents' hearts." Xiao Tian gave an honest answer.

Happiness blossomed within her like the burst of firework.. "I also want to live with you forever."

### **Chapter 1000 - Jing Liling's Birthday Party**

7-8 minutes

---

Happiness blossomed within Long Jingxian like the burst of fireworks. "I also want to live with you forever. I want us to be together until death do us apart."

Sure, Xiao Tian had said these words before, but it still made her happy. With this, she knew that Xiao Tian had the same feelings as her.

Xiao Tian embraced Long Jingxian tightly before smiling happily. "Since you have said something like this, I will not let you go forever. You are mine in this life."

"Yes. I'm yours in this life." Long Jingxian replied instantly.

'I hope you will continue to love me and not let go of me forever.'

She added in her head.

Unlike usual, where they immediately slept after having sex, they continued chatting this time. They were laughing and joking together.

When it was 03:00 am, Long Jingxian got out of bed and spoke, "I will return to my room now."

Xiao Tian's happy face turned sad because he still wanted to cuddle with Long Jingxian. Sure, they had been cuddling for more than an hour, but he still wanted to chat with her.

Long Jingxian smiled softly before giving a peck on Xiao Tian's lips.

Of course, she knew what he had in mind because she felt the same, but she had to return to her room. "Don't make a face like that. I will come to your room again tomorrow night."

Xiao Tian's face blossomed into a smile.

When Long Jingxian saw his smile, she was relieved.

'It's so easy to make him happy.'

She said in mind.

"Un. Let's have sex again tomorr-" Xiao Tian stopped his words halfway before correcting it, "I mean. Let's cuddle again tomorrow night."

Long Jingxian nodded her head as she smiled. Whether it was sex or cuddling, she was fine with it.

At 08:00 am, Long Jingxian, Mu Ai, and her parents went to White Villa. Xiao Tian did not go with them because he wanted to prepare everything first.

After preparing everything, Xiao Tian traveled to White Villa.

'I hope auntie like my gifts later.'

Xiao Tian smiled when he saw the beautifully wrapped gifts on the passenger seat.

He did not buy these gifts because these gifts were the products of his companies. These gifts were a white dress and a set of cosmetics.

Of course, it was not an ordinary dress because the price was 875,000 Yuan while the cosmetic price was 450,000 Yuan.

In total, his gifts were worth 1,325,000 Yuan. Even though it was expensive gifts, Xiao Tian did not mind it.

The reason was simple. First, it was for Long Jingxian's mother, and second, these gifts were the products of his companies. That meant he did not spend any money at all.

After entering the White Villa, Xiao Tian saw many round tables neatly arranged. Each table had a white tablecloth and eight chairs.

When Xiao Tian saw Jing Liling, he walked towards her with a smile on his face.

"Big brother..." Mu Ai spoke when she saw Xiao Tian.

Long Jingxian, Long Diyi, and Jing Liling walked towards Xiao Tian.

Xiao Tian then gave his gifts to Jing Liling and spoke, "Happy birthday, auntie. I hope all your birthday wishes and dreams come true."

"Thank you, Xiao Tian." Jing Liling took his gifts with a smile on her face. "You actually don't need to give me a gift."

"No, auntie. It's your birthday, so I have to give you a gift." Like before, Xiao Tian replied with a smile on his face.

"Xiao Tian, when did you buy these gifts?" Xiao Tian always spent time with them, so Long Diyi wanted to know when Xiao Tian bought these gifts.

"I didn't buy these gifts, uncle." Xiao Tian gave an honest answer. "These gifts are the products of my company, and my subordinate sent it to me yesterday."

"Oh, your company?" Long Diyi and Jing Liling said in surprise.

All this time, they only knew that Xiao Tian was Long Jingxian's savior. They had no idea that Xiao Tian was a businessman.

"Father, mother, I forgot to tell you about this, but Xiao Tian owns a big company and a restaurant." Because Xiao Tian wanted to win her parents' hearts, Long Jingxian revealed everything.

With this, Long Jingxian was sure that her parents would accept Xiao Tian easily later. Sure, she knew that her parents already liked Xiao Tian because, in their view, Xiao Tian was a good person.

However, she wanted to make Xiao Tian's image better in the eyes of her parents. Long Jingxian knew that everyone needed money to live or else they would have a hard life later.

That was why she wanted to tell her parents that Xiao Tian was a successful young man.

"Really?" Long Diyi and Jing Liling asked in surprise again.

"I'm just lucky, auntie, uncle." Xiao Tian didn't show off his wealth because he wanted them to like him for who he was.

"Father, mother, you may not know this, but Xiao Tian is quite famous because he has managed to become a successful person in just one year." Like before, Long Jingxian praised Xiao Tian again.

'I will help you.'

Long Jingxian stared at Xiao Tian.

Like before, Long Jingxian's parents were startled again. "Only in one year?"

Long Diyi and Jing Liling had never seen Xiao Tian on TV or in magazines. Sure, they also watched TV, but they had never seen Xiao Tian before.

And they always spent time in the fields from morning to afternoon.

They usually only watched TV for a while before sleeping, so it was normal if they did not know anything about Xiao Tian.

Xiao Tian suddenly felt awkward because Long Jingxian kept praising him. Actually, he did not want her to do this because he wanted to make her parents like him for who he was.

"I didn't know you were a genius in business." Jing Liling uttered,

"What an amazing young man!" Long Diyi praised Xiao Tian. "Only a few people in this world can do something like that. I'm sure there is no one like you in this Wushang city."

Xiao Tian had no idea what to do when they kept praising him.

'This is not like what I planned before.'

He only smiled at Long Diyi and Jing Liling.

"Father, mother, don't praise him anymore." Long Jingxian uttered, "Look! His face is already red."

"Haha." Long Diyi and Jing Liling laughed happily.

Long Diyi then took Xiao Tian to his seat. Of course, it was next to his chair. When Xiao Tian sat on the chair, Mu Ai suddenly sat on his lap.

"Little Ai, why don't you with your mother?" Xiao Tian inquired.

"I want to be with big brother." Mu Ai gave an honest answer.

Xiao Tian pinched Mu Ai's cheeks gently before smiling softly. "It seem like you really like big brother."

"Un." Mu Ai nodded her head cutely. "I really like big brother."

Not long after that, Che Hou and his mother entered the White Villa. Anger flashed in his eyes when he noticed Xiao Tian sitting on the chair with Mu Ai on his lap.

But his anger instantly disappeared without a trace when he was in front of Long Diyi, Jing Liling, and Long Jingxian.

'I will snatch Jingxian from you today.'

Che Hou was sure that Long Jingxian would become his lover later.
