

In Love, Never Say Never Chapter 1056

"By the way, my mom mentioned Nick is in K city. We should find some time and have a meal together. After all, we're a family and I'm his sister. We should really have a meetup."

"Sure. You can go ahead and make arrangements. We'll travel down south after I get back from A City. It's winter and it'll be nice to go to the beach. You'll love it."

I nodded slightly at his proposal. His movements were gentle and light as he blew dry my hair. I snuggled in his embrace and started to doze off.

When he was finally done, he tucked me in and went to take a shower himself. I could sense him coming over to the bed and pulling me into his arms after he was done showering. I was so tired I just let him do whatever he wanted.

"Scarlett?" his breath tickled my ears as he mumbled my name. "Uh-huh," I replied without opening my eyes.

His hands started fondling my body before he asked for permission. "Can we?"

I opened my eyes slightly when I understood what he was implying and met his compelling gaze. "It's been a long time," he added.

A hot flush spread across my cheeks, looking at him. "Well..."

I could not bring myself to say anything. It was not like I needed to say anything explicitly. Our actions were already enough to show what we both wanted.

Night passed and morning came.

I was aware that Ashton woke up early, but after a passionate night, I really could not get out of bed to send him off. I lay in bed and watched him wash up and gather his luggage.

Before he left, he stopped at the door and turned back with a smile on his face. "I almost forgot!" he said, dashing back to the bed and planting a kiss on my lips. "Rest well. I'll be back soon."

Seeing me nodding shyly, the smile on his face widened.

We had been married for years, but sometimes I still felt embarrassed in front of him. I continued sleeping after Ashton left. It was not until my phone rang that I woke up again.

It was Cameron. "Letty, you up? What time are you coming over for lunch? I've just sent the driver over to pick you up, so go get ready."

"I'll just eat something at home, mom. You don't have to send the driver over. I'll go to your place later in the afternoon."

"Ashton already called me this morning. It's almost noon already. Get out of bed and come over. You can sleep all you want after you have lunch."

"He called you in the morning?" I sprang up and looked at the clock. It was already twelve in the afternoon. I must have slept for a long time.

After hanging up the call, I got out of bed and got ready to leave.

Ashton's flight took off at nine in the morning and he had not reached yet. I quickly packed some stuff and went over to Moore Residence. Emery and Hunter were already there when I arrived.

Xavier had grown a lot when I saw him sleeping in Hunter's arms. Emery was cooking in the kitchen. She shot me a smile and asked me to wait while she got lunch ready.

I went over to Hunter and asked him about applying for graduate school. "Hunter, sorry to bother you about law school again, but do you happen to have anything I can study to prepare for grad school?" Since I had some free time at home, I decided to do some revision and prepare for the entrance exam next year.

He was surprised I brought up the matter. "I thought you weren't keen on applying anymore since you didn't take the exam the last time. Anyway, sure, I can go get you something to study tomorrow. Hopefully, I'll be able to find you something helpful."

I thanked him with a forced smile on my face.

Hunter realized the change in my expression and comforted me. "Summer seems to be doing well. We should really plan an outing together and bring the kids along. You should discuss with Mr. Fuller and see if you guys can make time."

We actually did have time for vacation, but we would have to wait until Ashton was back from A City.

"What are you guys talking about? Mind if I join?" Emery asked, walking out of the kitchen with a plate of fruits in her hands.

"We're talking about grad school. Hunter is getting me some stuff to read through before I take the exam."

"I see. I'm sure you'll be able to ace it," she remarked, taking over Xavier from Hunter. "I'll take Xavier upstairs and tuck him in. Nick is coming later, so you go get the door later."

Before I could even process what Emery said, the sound of a car engine came from the outside.

Mom came out from the kitchen and saw me in the living room. "Go get Nick, Letty. I think he's here with his friend."

I nodded and went out to the yard. From the black buster came a tall and slim man dressed in a grey suit. I could not recognize him at first sight, but after taking a closer look, I knew it was Nick.
