

ILY Monster 490

Inside the room...

Hinari buried her face in her palms as they both sat on the bed. "Ahh... that was so, so, embarrassing beauty! Your entire family was there... ahh!"

As Hinari was uttering her frustration, Zaki just hugged her before pulling away her hands off her face and stared at her. "It's alright. I bet they were happy to see us together." He said as he smiled at her and Hinari pouted at him.

"Are you sure?" she asked and Zaki nodded.

"1000% sure."

"B-but they still saw us in that state. It's... ahh..."

When Hinari still couldn't get over it, Zaki held her chin up and smiled mischievously at her.

"Pfft! I really love seeing you blush like this." He said and Hinari moved and pinched him hard.

"How could you be so unfazed like this?! Huh? You big bad beast!"

"It's not like we can erase that moment from their memories even if we get embarrassed all day."

"Well... it's easy for you cause they're your family, okay?!"

Hinari didn't stop pouting at this explanation, even though it made a lot sense, causing Zaki to suddenly kiss her lips lightly before staring deeply into her eyes.

"They'll be your family too, very soon." He said and Hinari went even redder before a sweet smile carved on her face.

"Of course, that's a given, my love. I'll definitely marry you." Hinari's expression finally changed as she kissed him back.

When her lips parted, Zaki held her cheeks and pinched them lightly. "No, I won't allow you to do that. I'll be the one to marry you, so be good and behave, okay?"

"Hehe, what to do? I really want to be the one kneeling before you." Hinari replied mischievously causing Zaki's vein to pop. He was about to flick her head but stopped midway and let go of a helpless sigh instead.

Seeing his reaction, Hinari chuckled. "Pfft! Just kidding my love, I'll behave now, promise."

"Good. Now let's deal with this chain first." Zaki finally took his phone and he was surprised with the message he actually received from Sei. But the message was useless now so he dialed Sei's number instead.

The moment the call connected, Zaki immediately asked about the key.

"Sei, where's the key?" he asked but Sei didn't answer him.

"My dearest younger brother ignored my message for the first time."

". . ."

"But I'm not angry or anything. It's a very good thing."

When Zaki heard him, a vein popped on his forehead. He could imagine Sei smiling at him mischievously and he could only sigh. These days, Sei was getting better at teasing him to the point that he was always being left speechless now.

"Sei, I'm asking about the key."

"Oh... don't you think it's better if you spend more time together, chained with each other?"

"You... sigh... big bro, please give me the key."

"Okay, I'll leave it by your door in a minute."

Thus, just like that, Sei immediately gave in and the call ended. A minute went by and Zaki, along with Hinari walked towards the door. He took a peek and the key was already there.

Zaki picked it up and immediately uncuffed both of their hands.

"Is your wrist alright?"

"Mm. I'm fine." She replied and Zaki moved and stripped before her. Hinari just watched his body finally coming into a full view and a seductive smile carved on her face again as she admired him.

"Now it's time for bath." He said and all of a sudden, Zaki pulled the white blanket covering her before he scooped her up with a naughty smile.

Hinari, who was flustered for a moment, walked her fingers on his chest as her eyes lit seductively, indicating that her perverted self resurfaced again as she replied. "Let me wash every corner of your body, okay?"
