Loving You In Secret Chapter 1571-Avery sighed with relief when she noticed Tyler did not spare Vicky a glance at all.

Maybe it was just a stupid mistake on his part. He probably doesn't have any feelings for Vicky anymore,' she thought.

She was about to get into the car when Tyler's phone suddenly rang.

"Mister Tyler, I've already done what you've asked me to," said his assistant respectfully from the other end of the phone.

"Good," uttered Tyler lightly. After he hung up the phone, he turned to Avery, "I need to do something, so you head home first."

Avery's face fell with disappointment. In the four years they had been together, this kind of thing happened too many times for her liking. Tyler would always leave after receiving a call.

At first, she suspected he was cheating on her, so she tailed him for a few days and even hired a private investigator to follow him. However, her worries were unfounded since the only place he went to was his office, and he would come straight home after that.

Even though she was not happy, she knew it would be unreasonable for her to kick up a fuss then since there was never any evidence that showed Tyler met up with other women at all.

"Alright. Go ahead. I'll be fine going back by myself," she lied.

"Okay."

Tyler was about to walk off when Avery suddenly called him.

"Tyler!"

He turned back to look at her. "Yes?"

Avery walked up to him with a smile and stood on tiptoe to kiss him. However, Tyler turned his face away, so the kiss landed on his cheek instead.

Avery was obviously hurt. “Tyler...”

Tyler ignored the hurt in her tone and said, “I’ll be going, then. r»

Avery bit her lip as she watched him leave. Finally, she could not take it anymore.

“Tyler, I understand you’re busy with work, but why won’t you kiss or touch me ever since we got married? Do you hate me, or is it because you still have feelings for someone else? If

Avery’s angry accusations caused Tyler to pause in his tracks. He turned back and said calmly, “Avery, I’ve already explained to you.”

Not only did they not have physical intercourse, but they did not even kiss in all the years they had been married. At the thought of that, Avery’s eyes started to turn red. <

“If you’re such a conservative, then how did you end up with

Vicky that night? Do you still have feelings for her?”

Tyler’s eyes wavered for a second, but he did not look guilty.

“Oh, so you knew about that.”

His entitled tone stunned Avery.

“Don’t tell you still like her...” i

“I was drunk that night. Just like you were when you... I’m sure I don’t need to tell you what I’m referring to,” said Tyler indifferently. “Don’t think much. I don’t have any feelings for her at all.” i

‘Just like I was when I had s\*x with that guy...’ All the accusations Avery wanted to throw at Tyler were stuck in her throat. She stood there with a pale face and cold limbs.

Knowing she was not going to say anything else, Tyler got into his car.

Avery watched as his car drove off.

In the car, Tyler pulled out a disinfectant wipe and rubbed it across his cheek. After he got to his destination, he got out of the car with a straight face and threw the used disinfectant wipe into the trash can.

Loving You In Secret Chapter 1572-Gilbert stopped his car in front of Vicky's apartment.

Before she got out of the car, she said to him, "Thanks for the ride, and I'm sorry for what happened today. I was supposed to buy you a meal, but I troubled you to give me a ride home instead."

"Oh, nonsense. It was no trouble at all. A friend of Aurora is also a friend of mine, so don't worry about it," Gilbert said with a smile.

It was better to make more friends than enemies, went Gilbert's thinking.

"Well, thanks again. In any case, I still owe you a meal," said Vicky.

"Haha! I'll keep that in mind."

After saying goodbye to Gilbert, Vicky went up to her apartment. She was no longer staying at the same apartment she did four years ago. She moved to a bigger unit since it would be easier for her to host her friends with the added space.

While opening her door, she thought about how to get the video from Avery. She did not know how Avery got the video, but she must get it off her as she did not want to be blackmailed forever.

After changing into her indoor slippers and turning on the light, she went to take a shower. Aurora had gone back to her own home a few days ago, so being the only person in the house, Vicky only put on a bathrobe after she finished taking the bath.

Suddenly, she heard a weird noise coming from one of the rooms. She stopped drying her hair and called out softly, "Aurora? Is that you?"

Sometimes, when Aurora had nothing better to do, she would let herself into Vicky's place using the passcode she was given. Still, she would always inform Vicky beforehand.

“Maybe she texted me while I was in the shower...’ thought Vicky. Suddenly, she heard a big commotion coming from her bedroom. ‘That’s weird. Aurora’s not the type to go into my bedroom without asking.’

Vicky slowly pushed over her bedroom door and saw a person she knew standing quietly in her bedroom.

“What... What are you doing here?!” gasped Vicky.

She rubbed her eyes, thinking she was either dreaming or hallucinating.

The person glanced at her. “Where did you go? How come you’re home later than me?”

Vicky did not bother to answer his question. She looked at him blankly and asked, “Tyler, why... Why are you here?”

“I just felt like coming,” he said indifferently.

‘What?’ Vicky finally snapped out of her shock. She looked at him warily, asking, “How did you get in?”

“From the door, of course.”

Loving You In Secret Chapter 1573-“What you’re doing is called trespassing!”

“Call the police, then.”

‘Is there no end to Tyler’s arrogance?’ thought Vicky.

“Don’t think I won’t,” she warned.

She glared at him before going to the living room to get her phone. She was about to dial 911 when a breaking news popped up on her screen. The familiar name splashed on the headline made her eyes twitch.

She tapped on the notification and read, [Gilbert’s long- girlfriend exposed him as a sc\*mbag]. The news was reported an hour ago, and since he was a popular actor, it took him less than an hour to become a trending topic.

Vicky continued to read the article.

[Today, a woman who claimed to be Gilbert's girlfriend of seven years came forward to expose him. She said she and Gilbert were already together before he became a celebrity. After he stepped into the entertainment industry, he requested their relationship to be kept a secret so that it would not hamper his career progression. This was despite his girlfriend's numerous attempts to get him to marry her.]

[A few weeks ago, Gilbert asked for a breakup and was willing to give her 750000 dollars as compensation. The woman in question was furious at being unceremoniously dumped after giving him seven years of her life. She even felt he was stringing her all along. Thus, she decided to expose him for the player he was and even provided chat messages and photos as evidence.]

Vicky felt uneasiness in the pit of her stomach after reading the news. She went to check out the woman's Twidder account and saw a pinned post at the top of her account page.

The gist of the message was that they had been dating since they were high-school students and Gilbert promised to marry her. However, he did not have the money to do so back then. This, coupled with the fact that he wanted to give his dream of being a celebrity a chance, the woman decided to support him until his footing was stable.

After Gilbert became famous, the woman brought up the topic of marriage a few times, but he would always dismiss the idea. Slowly, she began to notice he had changed. He started going out with other female celebrities, and there were even a few times when she caught him in bed with them.

In the end, he managed to convince her to stay with all sorts of excuses. Being a conservative woman and not wanting to give up Gilbert, she endured betrayal after betrayal in the hopes he would one day want to settle down with her.

However, she never expected him to be an ungrateful jerk who would break up with her the moment he got the award for 'Best Actor'.

In a fit of rage, the woman decided to expose Gilbert. She even posted some screenshots of their chat messages and the photos they took together when they were still in love. The photos were obviously taken quite a while back since Gilbert looked very young in them.

Even though celebrity scandals like these were a dime a dozen, Vicky could not help but feel surprised it would actually happen to Gilbert. After thinking about it, she decided to call Aurora.

“Aurora, have you seen the news about Gilbert?”

“Yeah,” said Aurora solemnly.

“What happened? Is he...”

“Yes, Gilbert used to date that woman, but she broke up with him after he failed to get any success as a celebrity in the first few years of him starting out. She said she couldn’t stand how poor he was and went on to find someone richer.

“But a few years later, Gilbert got a breakthrough role. Ever since then, he had been in one movie after another which ultimately earned him the ‘Best Actor’ award for one of the movies. Seeing this, the woman started threatening Gilbert to get back together with her.

“She said she’d expose him if he didn’t, but Gilbert chose to ignore her. With the help of our agency, the PR team managed to keep a tight lid on the woman. We all thought that would be the end of the matter, so we never expected this would happen. This scandal couldn’t have come at a worse timing,” explained Aurora with a sigh.

Loving You In Secret Chapter 1574-Since Aurora was the one who introduced Gilbert to Vicky, she knew he was a good guy.

“Vicky, being in the same agency as him, I can guarantee what the woman said about him having a messy love life and catching him in bed with another woman are all untrue. You’ve seen the pictures too, right? They were all from their high school days. I’m pretty sure she won’t be able to give any recent pictures of them together at all. Plus, all those chat messages are fake.

“But you know what’s weird? The moment our agency found out about this, they tried to remove the trending search but never could. In fact, the trending search became even more popular to the point that negative comments and unfounded rumors appeared out of nowhere like tidal waves.

“My manager said there was a high chance Gilbert crossed somebody he couldn’t afford to cross for something like this to happen to him. The woman who exposed him could be just a pawn to hurt him.”

Vicky’s heart sank. “What would happen to Gilbert if this scandal doesn’t get cleared up?”

Aurora sighed. “He’ll have to quit the entertainment industry along with his endorsement contracts. The worst part is he would’ve to pay a hefty sum for pulling out of the movie contracts. Basically, it’ll be game over for him.”

Vicky was speechless.

Aurora thought Vicky was so worried about Gilbert that she could not speak, so she tried to comfort her, “But, our PR team is very experienced when it comes to this kind of matter. I’m pretty sure they’ll be able to clear up the allegations since they were all false. The agency wouldn’t give up on him that easily since he won the ‘Best Actor’ award before.” i

Vicky’s lips moved slightly, but she did not say anything.

After hanging up the phone, she looked at Tyler, who was casually leaning on the doorway.

“You did this, didn’t you?” It was more of a rhetorical question since she was sure he did it. She knew him better than anyone, and this had his fingerprints written all over it.

“I’ve already warned you to stay away from him,” replied Tyler serenely, not denying that he had something to do with the matter.

Vicky tried to hold back her anger. “I’ve told you a thousand times that nothing is going on between me and him!”

“If nothing is going on between you and him, would he have stayed at your studio for the whole day? Did he just happen to bump into you at the restaurant and give you a ride back home? And how do you explain how he knew you’d be meeting a friend at night?” Tyler threw her one rapid-fire question after another.

“He was in my studio because we had an endorsement contract to go over! The restaurant meeting was purely a

coincidence. As to how he knew I'd be meeting a friend, it's because he was next to me when Aurora called for a meetup!"

Vicky did not really want to explain all that to him, but she was not the woman she was four years ago anymore. Never would she say things she did not mean in a fit of anger. This would only bring more trouble to her and Gilbert. In the end, she would have no choice but to beg for him to show mercy if she was not careful, so it was better if she explained everything.

After a few seconds of silence, Vicky said, "I only met up with him yesterday to talk about collaborating. After that, he came to sign the contract and take photos today. Since we've decided to work together, I thought I should treat him to a meal out of politeness when I received a call from Avery, so I had no choice but to tell him I'll be meeting a friend tonight."

However, Tyler chose to zero in on only one part of her explanation. "You wanted to treat him to a meal? Just the two of you?!"

Vicky pursed her lips before saying, "No. Aurora will be joining us too."

Only then did Tyler's face soften a little. "If that's the case, it shouldn't be hard for you to stay away from him in the future. IT

"You have my word."

Tyler's eyebrow went up at how quickly Vicky gave in. He glanced at her and said lightly, "Don't forget to terminate the contract with him."

Vicky frowned. "As I've told you, my relationship with him is purely work-related. You can't possibly expect me to stay away from all guys while I'm working, right?" "That's exactly what I expect."

Loving You In Secret Chapter 1575-Vicky balled her hands into fists. She was at the end of her patience.

She looked directly into Tyler's eyes and said emphatically, "Tyler Hart, you have no right to say what I can and cannot do in my life."

"A toy doesn't have a life," he said coldly. "And you better break up with your boyfriend before I ruin his life. I won't stop until I get what I want."

Vicky looked at him in a trance. He was so familiar yet so strange to him. Her mind descended into chaos. It was as if time turned back four years ago, but he would never look so coldly at her then.

“Why?” she asked quietly as she stared at his face.

“What?”

“Why me?”

Tyler smiled evilly. “Because Avery doesn’t like you.”

Vicky’s pupils shrank.

Tyler looked at her wavering gaze with his own inky-blue eyes. “It’s quite fun being with someone she doesn’t like.”

Even though Avery acted all friendly toward Vicky during the dinner, anyone with eyes to see could tell she did not like her, especially when something like that happened in the castle.

It would be more accurate to say Avery hated Vicky.

Vicky bit her bottom lip until it bled to keep herself from saying something she would regret.

“Avery knows about us. I went over there today because she told me she got the video from that night,” said Vicky.

“I see,” uttered Tyler apathetically.

Vicky looked at him and repeated, “Tyler, she already knows about us.”

“And so?”

“So you can’t see me anymore!” hissed Vicky.

“She didn’t mention anything about it to me, so it means she doesn’t care at all.” Tyler was certainly the epitome of a sc\* mbag. “There’s a chance she approves of our relationship since she asked you out today. By the way...”

Tyler glanced at Vicky coldly. “You’ve been complaining I’m no good in bed, so Avery was probably hoping I’ll get better with more practice.”

Vicky could not hold back her anger anymore. "Tyler Hart, have you lost your d\*mn mind?!"

It was so obvious Avery was insanely jealous of Vicky, so how could he say something as shameless as that? It was as if there was no limit to how debauched he could get.

"Get out!" she shouted, pointing at the door. "Get out of my house right now!"

Tyler looked at her like he was the hunter and she was the prey. After that, he slowly and menacingly walked toward her, causing her to feel suffocated.

Loving You In Secret Chapter 1576-Noticing the lust in Tyler's eyes, Vicky realized she had been talking to Tyler with only a bathrobe tied loosely around her body. She quickly tightened the bathrobe around herself.

"Isn't that a little too late?" Tyler asked as he leaned down to put his lips an inch from her face. "Or have you come up with a new way to seduce me?"

"Tyler, I promise I'll terminate the contract with Gilbert, so please leave right now," said Vicky in a tone that was both ashamed and annoyed.

She did not know when he got into her home, but judging from what he said, it seemed like she came home later than he did. 'Does that mean he was here while I was taking a shower?'

She could not help but shudder at the thought of that.

Tyler ignored her pleadings and looked around the room absent-mindedly. "So your boyfriend doesn't live with you, huh?"

"Tyler, get out of my house this instant!"

"I haven't checked out the other rooms yet, so why don't you give me a tour?"

'What?! Does he think my house is a museum?' thought Vicky angrily. 'Wait a minute... I was going to call the cops before the news about Gilbert distracted me.'

She glanced at Tyler before unlocking her phone to call 911.

Knowing what she was about to do, Tyler did not stop her. In fact, he remained unfazed.

As soon as Vicky unlocked her phone, more news headlines jumped out at her.

[XX Perfume announced the company had terminated their contract with Gilbert.]

[XX Dealership announced the company had terminated their contract with Gilbert.]

[XX Fashion announced the company had terminated their contract with Gilbert.]

The top-ten trending search topics were announcements about companies terminating their contracts with Gilbert.

Vicky stared blankly at her screen. She did not even dare to scroll down for more bad news.

It was only a little more than an hour since the scandal broke out, yet all the brands and companies were terminating their contracts with Gilbert. They did not even give him a chance to give his side of the story. The speed of it all made it difficult for anyone to believe no one was pulling some strings behind the scenes.

Vicky slowly raised her head to look at Tyler.

He smiled the moment their eyes met. “Weren’t you going to call the cops? Why stop now?”

“Tyler, what exactly do you want?”

Tyler looked around and replied indifferently, “Well, I wouldn’t mind a tour around the house first.”

Vicky stared into his eyes and finally gave in. “Wait here while I get changed.”

Tyler pulled her hand. “What’s the point? It’s not like I haven’t seen you naked before.”

Vicky balled her hands into fists.

“Besides...” His deep melodious voice sounded in her ear again. “You won’t be wearing the bathrobe much longer, so why bother?”

Vicky looked at him in disbelief.

“Why do you look so shocked?” he asked with a smirk. “Do you really think I’ve only come here to hang out?”

Vicky closed her eyes for a second to compose herself before finally showing him around the apartment.

The apartment was around 3,000 square feet and had everything one would need to live comfortably. She had a study room, a walk-in wardrobe, a mini gym, a movie theater, and much more.

There really was not much to see, yet it took them more than 30 minutes to finish touring the whole apartment.

Loving You In Secret Chapter 1577-Every time they came to a room, Tyler would look around carefully as though looking for signs of Vicky’s infidelity.

After the tour was finished, Vicky glanced at Tyler’s face. Noting that he did not look upset, she said, “I’ll terminate Gilbert’s contract and never contact him anymore. Can you please stop the scandal?”

Tyler sat down on the sofa and glanced at her. “Come here.”

Vicky hesitated for a few seconds before walking toward him. He reached out and pulled her to his lap. She immediately tensed but did not struggle.

“It’s so rare to see you being so obedient,” said Tyler with his lips brushing her cheeks. “Are you that afraid of me ruining his life?”

“I just don’t want an innocent person to get hurt because of me.”

“Is that so?”

“I have no reason to lie to you.”

“Very well then,” said Tyler with a smirk. “If that’s the case, let me see how sincere you are.”

Vicky’s eyelashes fluttered as she dug her nails into her palm.

After a minute or so, she closed her eyes and kissed his lips.

The kiss was like the opening of a floodgate to a wild night of non-stop s\*x.

Tyler was already gone by the time Vicky woke up the next day. She pulled open her curtain. It was dark and gloomy outside, just like her heart.

Knock, knock, knock!

The sound of rushed knocks snapped Vicky out of her trance. She quickly threw on some clothes before walking to the door.

“Vicky, are you in there?” asked Aurora from the other side of the door.

“Aurora, why are you here so early? Did something happen?” asked Vicky with surprise after opening the door.

“Vicky, you...”

Vicky’s expression changed when she realized what was wrong. “Wait for me in the living room, Aurora. Let me change into something more proper.”

She went back into her room and, through her reflection in the mirror, saw her pale face, swollen lips, and hickey- riddled neck. She quickly changed into a turtleneck shirt and put on some makeup before going back out.

Vicky poured a glass of water for Aurora. “Here. Drink some water.”

Aurora looked at her speechlessly. After a few seconds, she finally said, “Gilbert’s okay now.”

Vicky’s expression softened a little. “That’s good.”

Aurora studied Vicky’s face as she said, “The agency said Gilbert crossed someone he shouldn’t have and things would’ve been dire for him if the other party didn’t stop the scandal. Also, I heard the person he crossed was...Tyler.”

Vicky nodded. “Yes. It was him.” She looked at Aurora and said in a small voice, “It was all my fault. Can you please help me apologize to him?”

Aurora looked worriedly at her. “Vicky... Is he harassing you again?”

It was the same thing all over again. Gilbert could never have crossed Tyler unless it had something to do with Vicky.

Vicky's head hung low. "Yeah. It's...best that I don't see him anymore. I'll delete his contact later so this won't happen again."

"Tyler, that b\*stard! What exactly does he want?!" growled Aurora. "Doesn't he already have a fiancée? He didn't even want to call off the wedding after she cheated on him. He really knows how to put on a good guy act for the media, huh?! At the end of the day, he's nothing but a dirty sc\*mbag!"

Loving You In Secret Chapter 1578-"Also, didn't Tyler lose his memory? If that was true, how come he started harassing you again the moment he was back in Stoneford City?" Aurora looked doubtfully at Vicky." Vicky, had he regained some of his memories?"

Vicky's eyes flickered. "I'm not sure, but from the way he's behaving. It doesn't look like he has recollected anything."

Vicky only met up with Tyler a handful of times, and most of those times were done on the bed. To be honest, she could not tell whether he remembered anything.

"But don't you find it weird?" asked Aurora.

After a few seconds of silence, Vicky replied, "I'm partly to blame for what happened last time. Things wouldn't have become so troublesome if I just minded my own business."

It was true. Vicky and Tyler would not have anything to do with each other if she had not gone up to help him.

"So what do you plan to do now?" Aurora asked with a sigh. Even she knew how difficult it would be to shake off Tyler, especially when it was obvious he was interested in Vicky.

Vicky rubbed her throbbing forehead. "I guess I have no choice but to use Avery."

"Avery?" Aurora instinctively frowned when she heard the name.

Aurora had long met with Avery since they belonged to the

same circle. Even in their circle of heiress friends, Avery was known for her breathtaking beauty. The fact that she was the only child in her family meant she was greatly spoiled by those around her.

In fact, her parents would have given her the sun, the moon, and the stars if she asked for it. Thus, it was no surprise Avery turned out to be a spoiled, self-centered brat who thought everyone was beneath her, which made Aurora detest her.

“Vicky, it’s obvious Avery doesn’t think about anyone but herself from the fact that she cheated on Tyler,” said Aurora suddenly. “Besides, he doesn’t look like he likes her that much either, so...why don’t you get back together with him? Won’t that solve your blackmailing problem?”

The more she thought about it, the more genius she thought her idea was.

“From the way I see, he must love you very much to still have feelings for you after he lost his memory. It should be easy for you to get him to fall in love with you again. Plus, he wields the most power in his family now, so it’ll be impossible for his grandfather to stop you two from being together anymore. But the most important question is... Do you want to get back with him?”

Vicky shook her head. “The fact that he didn’t call off the wedding after Avery cheated on him meant he still wants to be with her. That, or he still needs her. I heard he was only able to rise to the top of his family so quickly with the Yeagers’ help, so I don’t think it’ll be that easy for him to call off the wedding either. Also, there’s a chance he’ll lose his power in the family if the Yeagers decide to pull out their support.”

Vicky smiled deprecatingly. “But all of that doesn’t matter since he’s obviously just playing me.”

“How about you, Vicky? What do you want?” asked Aurora sympathetically.

“I don’t know,” said Vicky in a small, confused-sounding voice. Tyler had her in the palm of his hand, so she did not know what she could do.

“Vicky, have you ever considered dating someone else?” asked Aurora.

“The whole thing with Gilbert happened because Tyler thought he was my boyfriend. I don’t think it’s a good idea for me to date anyone just yet.”

“Well, what if you date someone who’s more powerful than Tyler? He wouldn’t dare to mess with you or your boyfriend then, would he?” Aurora replied with a smile. “Harvey seems to be doing well lately. I’m sure with the power Harvey has in Stoneford City, it’ll be hard for Tyler to do anything to him. Why don’t you give him a try?”

“Harvey? You can forget about him,” said Vicky without hesitation. “I don’t want to be the reason he gets thrown into jail again.”

“Ugh! Then is there really no one who can take down that evil b\*stard?”

The two of them were talking when Vicky’s phone rang. Her expression immediately hardened when she saw the name on the phone screen.

Loving You In Secret Chapter 1579-Vicky answered the call.

“Vicky, are you free tonight?” asked Avery. “If you are, bring your boyfriend over to meet me.”

Vicky scoffed. “Why should I listen to you?”

“Why? How about because I have a video that could ruin your life?”

“How long do you plan to blackmail with that?”

“Hey, you have no one else to blame but yourself. This wouldn’t have happened if you didn’t seduce my fiance!”

“Well, I wouldn’t have succeeded if he was happy with you!”

“Vicky Shaw, just how shameless can you be?” shrieked Avery. “How can you still be so cocky after seducing someone else’s fiance?! You sl\*t! B\*tch! C\*nt!”

Aurora could hear every curse word Avery spewed from where she was sitting.

Vicky could not care less about the insults, and she was about to hang up when Avery suddenly said, “I’ll hand over the video to you and promise I’ll never use it to blackmail you again if you come over tonight. What do you say?”

Vicky’s thumb froze right above the ‘End Call’ button. “You promise?”

“Do you really think I’ll be able to blackmail you forever with that video? The longer I hold onto it, the less damage it’ll do to you since you’ll take a preemptive strike before I leak the video. If I’ve guessed correctly, your PR team must’ve prepared a script for you to defuse the situation, right?”

After a moment of silence, Vicky simply said, “Time and place.”

“Same time and same place as last night.”

“Okay.”

“Vicky, what video was she talking about?” Aurora asked after Vicky ended the call.

Vicky told her everything about the blackmail.

“Have you talked about this with your PR team? You shouldn’t believe Avery’s words, you know?” said Aurora.

“I know,” said Vicky while massaging her temples. “I met up with her yesterday to see what she had in mind, but I didn’t expect her to bring Tyler along with her.”

Then, later that night, Tyler came to her house. Coupled with what happened in the morning, Vicky forgot all about it.

‘TH contact Jennifer to get her up to speed so that the company will be prepared,” said Vicky. “Then I’ll meet Avery to see what she wants.”

Aurora nodded, relieved to see Vicky so level-headed.

That night, Vicky arrived at the agreed location on time. This time, she was not surprised to see Avery had brought along

Tyler with her again.

“Vicky, didn’t I ask you to bring your boyfriend too?” said Avery in shock when she saw Vicky was all alone.

“He’s busy, so he couldn’t come,” lied Vicky.

“Oh, I see. Well, I guess that can’t be helped. Let’s have dinner without him, then,” said Avery.

During the dinner, Avery kept asking Vicky about her boyfriend. Vicky only gave her short answers meant to deter her from asking more questions.

“Vicky, I can’t help but wonder what your boyfriend looks like since you seem so reluctant to let us meet him. Aren’t you curious too, Tyler?” Avery asked with a smile.

Tyler glanced at Vicky. “Yeah.”

“Oh well, we shouldn’t force her to do something she doesn’t want to do.” Avery looped her arm around Tyler’s. “I guess we should head home now that dinner’s finished.”

After saying goodbye, Vicky got up from the table and walked out of the restaurant.

Did she really ask me out to dinner just to inquire about my boyfriend?

Vicky was mulling over the question when a horde of reporters suddenly rushed up to her.

Loving You In Secret Chapter 1580-Vicky did not even have the chance to figure out what was happening when the reporters started throwing questions at her.

“Miss, are you Vicky Shaw? How do you explain the scandal that broke out today?”

Vicky had no idea what scandal the reporter was talking about. She was about to ask when another reporter asked her, “Miss, are you aware that Mister Tyler is already engaged to Miss Avery?”

“Miss Vicky, are you still in an improper relationship with Mister Tyler? The video shows you were the one who led Mister Tyler back to his room after he got drunk. Did you take that opportunity to seduce him?”

“It is reported that you’re an owner of a well-known fashion design studio in the city, and people have been calling you 1 Bawse’. Did you get to where you are today with the help of the men you seduced?”

“An insider said that you used to be engaged to Mister Harvey Sparks and that the two of you still maintained a good relationship after the engagement

was called off. You were even seen going to the same restaurant and residence as him.”

“Another insider revealed you and Mister Noah of Canyer Corporation used to date. He said that you still maintain a

close contact with Mister Noah now.”

“Our sources also told us you still keep close contact with both Mister Sebastian Mills and Mister Alex Torres.”

“Someone even witnessed you getting into Mister Gilbert Dyer’s car!”

The reporters asked one question after another that Vicky did not even know where to begin. The questions became more intrusive with no signs of them letting up.

“Miss Vicky, are all these men mentioned the reason for your success?”

“Miss Vicky, do you not feel shame at being a mistress?”

“Miss Vicky, just how many men are you cheating on right now?”

The camera flashes were so bright that Vicky felt like she was going to go blind. The reporters kept shoving their microphones toward her as though they wanted her to swallow them.

This was not the first time she went through such a mess. After all, she survived all the attacks and humiliation thrown at her by Sheila’s crazy fans. However, she was still Tyler’s wife then, so no matter how much the rumors made Sheila out to be the victim, she was still the missus in that case.

This time was different. Vicky felt really humiliated since she was the one being called a mistress. She merely stood, pale in the face and at a loss for words. Her heart ached when she saw the judgment and contempt in the reporters’

eyes.

Homewrecker. Mistress. Adulterer.

All these labels were true, so how could she defend herself?

The questions became even more unforgiving when the reporters noted her silence.

A female reporter noticed the scarf around Vicky's neck and thought, 'She must be hiding something since it's too hot to be wearing a scarf in this weather!'

Without warning, the female reporter ripped off Vicky's scarf, revealing her hickey-filled neck for everyone to see.

The reporters' eyes lit up when they saw the hickeys, and they proceeded to take hundreds of photos of it.

"Shame on you! There's no way for you to worm out of this now!"

"Tsk, tsk! It must've been a wild night for you to get so many hickeys!"

"I wonder which of the men gave her the hickeys..."

The female reporter looked at Vicky with malice in her eyes.
