

Summary

(+) *Julia Lewis is an intern about to graduate. The only position available is that of personal assistant to businessman Fredrick Draven. He's shrewd and engaged to his co-owners daughter. When Julia wakes up in her bosses bed while in Vegas, their lives will forever be changed. *** This is a first draft so please try not to get too annoyed with any errors. If you do leave a comment, please be kind and remember I put a lot of time and effort into my stories. Writing is actually a lot harder than it may seem. -Thank you*
