

Indifferent President Chasing Ex-wife Novel

Chapter 10

Shen Suihuan was in a sorry state. Her bandaged wounds were torn apart, and the gauze was dyed red.

She cried in despair, "She is not pregnant with your child. She faked her pregnancy to lie to you. The one who was really pregnant is—"

Me!

It was me!

She killed our child!

Before Shen Suihuan could say anything, Mu Yanzhi bent down, and he grabbed her slender neck with one hand. He was as cruel as a devil.

"Crack—"

Shen Suihuan opened her eyes wide, and tears kept flowing out. Her throat was in so much pain, it was suffocating, but she could not say a word.

Mu Yanzhi's eyes were full of anger. He said word by word, "Shen Suihuan, why are you so despicable? Did you really want to say that Jian Tong was not pregnant, and instead, you were the one who was pregnant?"

Mu Yanzhi raised his eyebrows, and his handsome face was covered with frost. His gaze was emotionless.

Shen Suihuan endured the pain in her neck, and she nodded

hard. "Yes..."

"I was really..."

Pregnant!

Mu Yanzhi sneered as he looked at her with disdain. His eyes were filled with despise and hatred.

Shen Suihuan couldn't help but felt the urge to cry, but she was still hopeful. "Mu... Yanzhi, will you please trust me this time?"

"Jian Tong was not pregnant. I was the one who was pregnant. She deliberately crashed into me, and now my child... is gone!"

What replied Shen Suihuan was Mu Yanzhi's slap that was even harder!

The slap was clear and crisp. Her face was heavily slapped to the side, and blood oozed from her lips and teeth.

Mu Yanzhi looked at her from above. His voice was bone-piercing cold as if a knife was carving into her flesh.

"Continue with your lies!"

She was numb with pain. Her gaze was blurry, and she was somewhat at a loss.

"I'm not..." She shook her head hard when she came back to her senses.

Mu Yanzhi pushed her away. He did not blink at all when he saw her bump into the wall.

He said fiercely, "I see you've now changed your strategy in order not to divorce me."

"You pretended to have cancer a few days ago. Now... you are pretending to be pregnant. What do you want to pretend next?"

"Are you going to pretend to be dead to ask me to attend your funeral?"

Every word he said was like a cold wind that blew on her battered heart.

She burst into tears uncontrollably, and she rushed to him again. "I'm really not lying to you! It is Jian Tong who is deceiving you. You will regret it for trusting her so much!"

Mu Yanzhi said angrily, "My biggest regret is marrying you! You evil wench!"

"In order not to divorce me, you crashed into Jian Tong, and you made her lose her child! Now, you are pretending to be miserable to frame her. I warned you not to hurt Jian Tong. Since your hand is so disobedient... you don't need it anymore!"

Mu Yanzhi paused for a while, and he then said coldly, "Chop it off!"

Chop it off...

Such a statement caused Shen Suihuan to be shocked on the spot. She widened her eyes in disbelief. "You want to chop off my hand... for her?"

Jian Tong said softly by the side, "Mu Yanzhi, don't treat Shen Suihuan like this. Although she killed our child, she is still my sister. Don't let her go to jail, and don't chop off her hand..."

"Just let her kneel to me and apologize, okay? Let her kneel and apologize to me and our child!" Jian Tong said as if she was very generous.

Shen Suihuan was shocked and furious. She was completely disheartened. "Kneel and apologize? I'll surely kneel to you when you're dead! Go to hell!"

She couldn't stand it anymore. She didn't do anything, and she was the victim. However, Mu Yanzhi was unaware, and he only believed in Jian Tong.

Shen Suihuan had lost her child, and she was diagnosed with cancer. Now, she still had to kneel to the perpetrator?

Shen Suihuan rushed over crazily. She picked up the iron frame that was used for medicine infusion beside the bed, and then smashed it at Jian Tong ruthlessly!
