

# Indifferent President Chasing Ex-wife Novel

## Chapter 15

Shen Suihuan was utterly stunned by the intimidating remark.

She opened her eyes wide in disbelief and felt suffocated as Mu Yanzhi grabbed her neck tight. It was as if he was going to break it at any time.

Gouge her eyes out?

"M-Mu Yanzhi, I didn't push her," she stammered as she stared at him with her bloodshot eyes.

"Y-You can't gouge my eyes out because of her."

Why the hell did Tong think she was?!

Jian Tong shot herself in the foot. Shen Suihuan couldn't comprehend why Mu Yanzhi wanted to gouge her eyes out for Jian Tong's sake!

No, she would not let this happen!

Mu Yanzhi snapped, "You didn't? So what if it was not you who pushed her?"

"You owe her, and you should gouge out your eyes and give them to her!"

Mu Yanzhi refused to listen to her explanation. The raging anger and fierceness in his eyes turned into a thin blade. It was as if he was trying to tear her into pieces with his glare.

Her heart was aching.

What did he mean by her owing Jian Tong? Why did she have to sacrifice herself to save Tong even if she didn't push her?

Why...

Why?!

Mu Yanzhi was about to say something when the door of the emergency room opened again.

When Jian Tong, who was lying in the bed, was pushed out of the emergency room, her parents and Mu Yanzhi quickly surrounded her bed, their eyes full of concern.

Shen Suihuan's tears blurred her vision, and she fell down powerlessly with her back against the wall.

Jian Tong must be faking it. She faked her pregnancy, so it was possible for her to pretend to be blind now.

But Shen Suihuan was really scared.

She was afraid that Mu Yanzhi would go berserk and dig out her eyes.

Without her eyes, she couldn't see him anymore, could she?

All of a sudden, she began to feel colic pain in her lower abdomen. The pain made her face pale and her breathing weak.

Where was the medicine?

Where was her medicine?

She was in so much pain that she couldn't sit up straight.

As she fumbled her handbag for her medicine, she suddenly remembered that she forgot to bring it with her because she came out in a hurry.

Now she could not afford to buy the medicine because she was penniless.

Gritting her teeth, Shen Suihuan got up from the ground and stumbled toward the direction of Mu Yanzhi's departure.

"Mu Yanzhi..." She grabbed his sleeve.

Mu Yanzhi and Jian Tong's parents turned to look at her.

"My stomach hurts so much... Can you please lend me some money to buy medicine?" Shen Suihuan was shivering uncontrollably when she spoke due to the enormous pain in her abdomen.

However, there was no pity in Mu Yanzhi's eyes. His gaze was frighteningly cold.

He pushed her away forcefully. "Don't think that I won't get even with you by pretending to be sick. Even if you die, I'll gouge your eyes out!"

After being pushed, Shen Suihuan fell to the ground.

She was sweating in pain, but her willpower became clearer and clearer.

Shen Suihuan looked at Mu Yanzhi as he walked away. Thinking of the indifference and disgust in his eyes, she squinted, and her eyes slowly turned red.

She was too weak to chase after him.

The young man she had worked so hard to find could no longer remember her. He would never treat her well again.

What was the point of her holding on to him now?

He was going to dig out her eyes for Jian Tong!

Shen Suihuan didn't know how she got through the night in the corridor of the hospital. She had no money, and she couldn't contact any friends since she didn't bring her phone.

Like a lonely ghost, she sat in the hospital corridor all night.

The pain triggered by the uterus cancer was such a torment, so much so that she wished she could die right there and then.

The next morning, she borrowed two dollars from a good samaritan and took the bus home.

She warmed up a glass of milk for herself. She was about to drink it when the door of the mansion was opened.

Mu Yanzhi and Mrs. Jian, who had not returned for one night, entered the door together.

When Mu Yanzhi saw Shen Suihuan, he walked over, picked up the glass of milk on the table with one hand, and splashed it on Suihuan's face.

"Ungrateful brat! How can you still have the appetite?!" Mrs. Jian growled with bitter hatred, "Your sister is blind, and you're here eating!"

It was unfortunate that Jian Tong really lost her sight.

Shen Suihuan stood rooted on the spot. After a while, she wiped the milk on her face.

"Since you said that I'm ungrateful and I don't have any conscience, why can't I eat anything? I can do something even crueler. I'm going to buy fireworks later to celebrate!"

Mrs. Jian kept gasping heavily as if she was suffering a heart attack.

"You! You! You're..." Mrs. Jian was so angry that she was incoherent.

"You are my daughter, but I won't take your side. You're the reason why Jian Tong is blind, so you should donate your eyes to her to make up for your wrongdoing."

"Your operation will proceed when Jian Tong gets better!"

Shen Suihuan was taken aback. Tears swirled in her eyes but did not fall.

How could someone say something like this?

Was she really her mother?

Even though Mrs. Jian did not raise her, how could she say such cold words?

Was she really going to gouge her eyes out to compensate for an adopted daughter?

Shen Suihuan stared at Mrs. Jian stubbornly. "What does her blindness have to do with me? Oh, yeah, I owe her everything. What about me? Her father beat me up until I was deaf! Should I ask Tong for her eardrum?"

Mrs. Jian abruptly knelt down in front of Shen Suihuan.

Shen Suihuan was so startled that she took a step back in shock.

"Suihuan, I beg you. Everyone has to be responsible for what they have done. I can forgive you for what you have done before and favor you, but I can't do it this time."

Mrs. Jian burst into tears as she whimpered, "She is a famous actress, but now she is blind. She will not have the will to live if she knows that she's blind! Also, she said that it was you who pushed her! Just own up to your mistake!"

Shen Suihuan kept retreating backward as if she had suffered a great blow.

"So? Do you expect me to give Jian Tong my eyes? Why should I sacrifice myself to her? Why?!"

Shen Suihuan let out a mournful roar.

That was ridiculous.

Since when did Mrs. Jian favor her? No, she never did.

All Mrs. Jian ever did was force her to yield for the sake of Jian Tong, the adopted daughter!

Just like right now.

Jian Tong claimed that Shen Suihuan pushed her, and these ignorant people chose to believe her.

"Because you hurt her! Because you did all the bad things, you vicious beast!" Mu Yanzhi helped Mrs. Jian up from the floor and approached Shen Suihuan step by step.

The chill in his eyes was as cold as snow, and she felt her heart bleeding because of his glare.

"Shen Suihuan, you must agree no matter what!"

"You have no say in this matter!"

As soon as Mu Yanzhi finished his words, several bodyguards in black came in.

Shen Suihuan shook her head frantically. "Mu Yanzhi, you can't do this! As I said, I didn't push her. I don't want to give her my eyes. I don't want to become blind!"

"Take her away!"

Mu Yanzhi commanded coldly.

His command completely crushed the last glimmer of hope in Shen Suihuan's heart.
