

Indifferent President Chasing Ex-wife Novel

Chapter 16

Shen Suihuan was resisting with all her might, but she was trapped as the bodyguards surrounded her and inched closer to her.

In the end, the bodyguards apprehended her.

Shen Suihuan raised her head and asked in despair, tears drenching her face.

"Mu Yanzhi, d-do you still remember Cherry Garden in the Shen family?"

Did he remember that he was best person she had ever met?

He had said that he would recognize her the next time he saw her.

That young man was her life-long obsession.

Because she had seen the light and knew how wonderful and warm the light was, she could no longer endure the darkness.

However, things had changed.

That best person in her heart wanted to gouge her corneas out for Jian Tong!

It was so ironic.

There was no mercy in Mu Yanzhi's eyes, only deep indifference.

"Take her away!"

He ordered coldly, not intending to answer her question at all.

But Shen Suihuan involuntarily interpreted his reaction as he didn't remember her.

He really did not remember her...

She treasured and preserved their beautiful memories so much, but he

did not remember her.

Gradually, her face was full of tears. It was as if his words had ripped her heart apart. She was in so much pain that her whole body was trembling constantly.

Just give up.

Shen Suihuan, you should give up.

He didn't want you!

No matter how hard Shen Suihuan struggled, she was taken to the hospital against her will.

Mrs. Jian said they should wait a few more days, but Mu Yanzhi exclaimed,

"I don't want to delay it any further. We'll arrange for their operation today!"

Shen Suihuan's heart broke into pieces when she heard that.

Mu Yanzhi didn't like her. He had only liked Jian Tong since the beginning.

He never pitied her because of Jian Tong.

They locked Shen Suihuan up in the ward next to Jian Tong's and waited for the surgery.

Meanwhile, Jian Tong's head was bandaged due to her serious injury. Her eyes were open, but she simply stared ahead blankly.

Mu Yanzhi comforted her, "I've already brought her here. She's in the next room. Don't worry, the operation will start soon!"

"I don't want her eyes. Yes, she pushed me, but this is wrong. I feel sorry for her," Jian Tong whimpered softly.

Mu Yanzhi looked at her lovingly. "Don't think too much about it. It's all

her fault."

"I want to see my sister in person. If she doesn't agree, I'd rather be blind."

Since it was Jian Tong's request, Mu Yanzhi agreed.

Mu Yanzhi personally helped Jian Tong to the next ward. As soon as the door was opened, a bottle of water flew in their direction.

"Get the hell out of here!"

Shen Suihuan roared, her hair disheveled.

Seeing Jian Tong, Shen Suihuan was even angrier. If it weren't for Mu Yanzhi, Shen Suihuan would have rushed over immediately.

"Give us some space. I'll have a word with her. I'll call you if something happens," Jian Tong urged.

Mu Yanzhi refused to go out, for fear of Shen Suihuan hurting Jian Tong.

"Shen Suihuan, if you do anything to Jian Tong again, I'll make sure you die on the operating table!"

After threatening her, Mu Yanzhi turned around and left.

As soon as the door of the ward was closed, Jian Tong went straight to Shen Suihuan as if nothing had happened.

She even avoided the pieces of debris under her feet very swiftly.

Then, she found a chair and sat down, not looking like a blind person at all.

"Why are you looking at me like that? I'm the one who has to pretend to be blind, not you. Why do you look so shocked? We've been fighting for so many years. Don't you know what I'm capable of?" Jian Tong hissed slowly, a hint of cruelty flowing in her dark eyes.

Shen Suihuan's face was ghastly pale. The hatred burned fiercely in her heart.

"I knew it! I knew you were faking it! Why did you do this?"

Jian Tong glared at Shen Suihuan coldly, but Suihuan couldn't see her expression because her face was wrapped in gauze.

At this moment, Jian Tong was shaking in rage.

"Why?! How dare you ask me why! Alright, I'll tell you! I'm going to dig your eyes out so that you can't see anything when you die! You ruined my face! I will not let you off the hook!"

Shen Suihuan sneered, "You're so shameless. It's karma that destroys your face. It's your retribution. You deserve it!"

Jian Tong's eyes suddenly revealed the aura of violence.

"Go ahead and provoke me all you like. I'm not scared of you. Do you want to know what I've prepared for you in the operation theater later?"

Jian Tong's tone became colder and crueler.

"How about an HIV injection during the surgery? Or... maybe some fatal accidents so that you die on the operating table? Tell me, how do you want to die? I'll grant your wish, deaf bitch!"

HIV?

Shen Suihuan bellowed furiously, "You bitch!"

It was a trap!

Gouge out her corneas? No, it was just a trap Jian Tong set up to take her life.

Jian Tong wanted Shen Suihuan dead now.

She couldn't even wait for six months!

Mrs. Jian told Tong that she could have a bright future if Shen Suihuan

"donated" her corneas to her.

However, Mrs. Jian wanted Jian Tong to leave and let Mu Yanzhi and Shen Suihuan be together.

Hah! How dare they claim that they loved her the most?! At the end of the day, they favored Shen Suihuan! Shen Suihuan had bullied her to this point, but they never took any immediate action. Why didn't they send her to prison?! They were enabling that deaf bitch!

"Bang!"

The door of the ward was kicked open.

"Jian Tong!"

"How dare you bully my sister! I'll kill you!"

Upon hearing the teenager's voice, Suihuan and Tong were both shocked.

Shen Cheng?!

Why would he come?

The young man in his late teens barged in. He had dyed his hair blonde, which looked like a chicken coop. With a row of earrings on his ears, he looked exactly like a thug.

He threw the schoolbag at Shen Suihuan's feet, swung his fist fiercely, and hit Jian Tong on the bridge of her nose!

"Ah!" Jian Tong's nose bled by this punch, and she fell backward due to the impact.

The young man, full of vigor and ferocity, had a fierce evil spirit on his face.

He pressed Jian Tong on the floor and punched her until her face was covered with blood.

"How dare you fucking bully my sister! I'm gonna fucking kill you! Take this! Let's see if you dare to bully Suihuan again!"

This young man was none other than Shen Cheng.

He was Shen Suihuan's younger brother. Oh, wait, he was actually Jian Tong's biological brother.

Shen Cheng stayed at boarding school since Shen Suihuan returned to the Jian family and hadn't contacted her ever since.

Jian Tong's face was covered with blood as she was beaten by the enraged Shen Cheng.

"Cheng, stop!" Shen Suihuan shouted in horror.

Shen Cheng was in such a rage that he couldn't hear her. As he punched Jian Tong, he roared, "You're a fucking troublemaker. The Jian family is blind for taking you in as their daughter instead of Suihuan, but I'm not blind!"

Shen Cheng hated Jian Tong.

It was Jian Tong who forced his mother to jump off a building and die.

Shen Cheng hated Jian Tong for killing his mother who had suffered a lot.

The only thing he had for this sister from the same mother was endless hatred.

She was exactly the same as their alcoholic and abusive father.

Her heart and soul were completely corrupted!

"Help!" Jian Tong screamed.

Shen Cheng spat at her rudely and pulled her hair violently.

"Help?! Why didn't you think of helping Mom when you forced her to go back to the ditch and cursed her to die?"

"Don't you want to pretend to be blind? Oh, you want to gouge out Suihuan's eyes, right? Okay, I'll ruin your eyes first!"

Shen Cheng's eyes were full of cruelty and malice as he glanced at the shattered glass on the ground.

He picked it up and stabbed it toward Jian Tong's eyes.
