

Indifferent President Chasing Ex-wife Novel

Chapter 6

Shen Suihuan had no idea how long she had been in a coma. Her mind felt like it was floating on surging waves.

There were a lot of noises by her ears. It was as if many people were talking.

Suddenly, the darkness in front of her dissipated.

Shen Suihuan woke up. She gasped as she sprung from the bed.

Her back was covered with cold sweat.

Why was she in the hospital?

"...Mrs. Mu, you are pregnant." Wang Xiaoli looked at her worriedly. "Thank goodness I went back to the villa to get something yesterday. Otherwise, you and the baby would have been in danger."

Shen Suihuan was stunned when she heard what Wang Xiaoli said.

Pregnant?

Wang Xiaoli's voice was like the thunder. It exploded in her ear word by word.

Was this not her hallucination?

Was she really pregnant?

She still managed to have a child at the end of her life...

She didn't even know whether she should cry or laugh. Was this kindness or punishment from the Heavens?

Hot tears welled up in her eyes.

Wang Xiaoli added before Shen Suihuan could celebrate her joy, "But the doctor said your health condition is very bad, and you must terminate your pregnancy..."

Shen Suihuan touched her lower abdomen with her trembling fingers, and she burst into tears.

She was just informed that she was pregnant, and now she had to terminate her pregnancy?

"Wang Xiaoli, I won't abort the baby. I want to give birth to this child."

She wanted to give birth to this child. She had already lost one previously.

Even if it meant risking her life, Shen Suihuan still wanted to give birth to this child.

She really liked Mu Yanzhi.

She felt that this child was the one who came back from her last pregnancy.

She couldn't... lose it again.

"Mrs. Mu, the doctor said that your condition is very serious, and you can't give birth!" Wang Xiaoli was anxious. "What's more, Mr. Lu will not let you."

Yes.

Mu Yanzhi would still force Shen Suihuan to have a miscarriage for Jian Tong. This nanny, Wang Xiaoli, was clear of Mu Yanzhi's cold treatment towards Shen Suihuan over the years.

After all, Jian Tong's pregnancy bump couldn't be hidden anymore.

Shen Suihuan and her child were worthless in front of Jian Tong!

Shen Suihuan's expression was stiff, and her eyelashes were trembling slightly.

"I won't let him know I'm pregnant!" Shen Suihuan suddenly interrupted Wang Xiaoli. "Wang Xiaoli, you can't tell him either!"

If Mu Yanzhi did not know, she would be able to give birth to this child.

Shen Suihuan was so distressed that she kept crying. "I will find a way."

"I want to try for one last time."

Shen Suihuan didn't want to lose when compared to Jian Tong.

Shen Suihuan insisted on giving birth. After all, Wang Xiaoli was just a servant, so she could not say much.

Shen Suihuan didn't want to stay in the hospital, so she was discharged from the hospital, and she returned to Xiangshan Villa.

Shen Suihuan had no time to cry. She asked Wang Xiaoli to make porridge for her as soon as they arrived.

She was not alone anymore. She had a child now.

She had not planned to undergo the operation before. Now that she had a child, even if she only had a slight chance to live, it was even certain that she would not have an operation that would kill this little life.

She sent a text message to Mu Yanzhi.

She agreed to divorce.

To prevent Mu Yanzhi from finding out that she was pregnant, she could only promise to divorce as soon as possible. Then, she would run away with the child, and she would stay away from his sight.

Otherwise, her child would not survive.

It was a choice between Mu Yanzhi and her child. She had already made her choice.

The text message was sent, and in less than half an hour later.

Before her porridge was even done cooking...

The door of the villa was kicked open. The cold and oppressing Mu Yanzhi appeared at the entrance.

Shen Suihuan leaned against the door, and she looked over with a pale face.

All of a sudden, she smiled so hard that her eyes were burning.

Was Mu Yanzhi that excited to know that Shen Suihuan agreed to divorce?

The number of times Mu Yanzhi came back to this villa was little even though he was married for five years.

How eager was he for Jian Tong, and the child in Jian Tong's belly?!

"So you have finally figured things out. Now you know where you stand!" Mu Yanzhi put his hands in his pockets, and he approached her step by step.

This woman refused to divorce for such a long time. Why was she so frank this time?

Shen Suihuan raised her head, and tears were streaming down her cheeks.

"Are you that happy that you're going to get divorced? Aren't you afraid... that I'm fooling you?"

After all these years, she still failed to warm his heart.

He couldn't wait to rush over and ask her to sign the papers, for fear that she would change her mind in the next moment.

He... had always hated her so much.

She was always the disgusting deaf in his eyes. Even until she died.

Perhaps... He really did not remember her.

The veins on Mu Yanzhi's forehead popped out. He walked over, and he grabbed her slender arm.

"Shen Suihuan, are you sure you dare to fool me?" His voice was full of bloodlust, and his eyes were burning with anger.
