

Indifferent President Chasing Ex-wife Novel

Chapter 7

Shen Suihuan was in so much pain that she started crying while laughing. "Mu Yanzhi, I'm not fooling you."

"I agree to divorce, but you have to give me ten million yuan!"

Shen Suihuan was afraid that if she did not make any request, Mu Yanzhi would think that she was playing tricks.

She was really afraid of him. This time, she just wanted to stay away from him, and she wanted to give birth to her child in peace.

"Ten million yuan?" Mu Yanzhi's gaze was cold.

How dare this woman request money? Shen Suihuan was indeed a mercenary woman! She said that she loved him, but she just wanted his money, didn't she?

Shen Suihuan curled her lips. "What? You're not willing to?"

"It seems that your love for Jian Tong is not that big of a deal after all. You're not even willing to give up ten million yuan for her!"

As her voice fell—

Mu Yanzhi let go of her, and he took something out of his pocket. It was a cheque that he had signed.

The cheque was thrown on her face softly.

It was a gentle hit. However, to Shen Suihuan, it was like a

huge stone that crushed her heart into ashes.

"You mentioned you have uterine cancer previously. Here, this money is enough for you to buy a good grave spot." Mu Yanzhi's eyes were cold.

Shen Suihuan stiffened, and her face instantly turned extremely pale.

Her heart had been stabbed into a bloody mess.

She looked at Mu Yanzhi in disbelief.

Did he actually... use ten million yuan to curse her to get a grave?

Till today, did he still think that she was lying to him?

She felt extremely disheartened, but she did not think of explaining anything.

It was better that way.

It was good that he didn't know anything.

She was in pain, but still raised her head, and she smiled at him. "Nine o'clock in the morning tomorrow. We shall meet at the Ministry of Civil Affairs."

"A payment for a divorce certificate."

Mu Yanzhi took a step back in disdain, and he warned her.

"You'd better not play tricks."

Shen Suihuan scoffed.

He was still doubtful of her.

Shen Suihuan wiped her tears, and she said self-mockingly, "Mu Yanzhi, am I that despicable in your heart?"

Mu Yanzhi walked out without looking back.

His voice was cold and emotionless. "In my heart, you are nothing!"

He was still so cruel and heartless!

She had already given up, and she even surrendered to her beloved Mu Yanzhi.

However, she was still nothing to him.

Shen Suihuan suddenly came back to her senses after Mu Yanzhi's car disappeared at the door. She covered her mouth with her hand to stop crying.

However...

Tears kept falling out of her eyes.

Shen Suihuan.

Don't cry, alright?

Even if you no longer had a family or a husband, you still had your child in your belly.

You must be strong.

Shen Suihuan had to go to the Ministry of Civil Affairs tomorrow. She could not sleep for the whole night.

She sat by the bed, and she looked at her marriage certificate in the middle of the night.

The photo on their marriage certificate was their only photo

taken together. No, that photo was not even considered as a photo they took together.

This was because Mu Yanzhi refused to take a photo with her as he was disgusted by her. Therefore, the photo was photoshopped.

How pathetic!

She had never owned him. The only photo she had with him was even photoshopped.

What a mockery!

The next day, Shen Suihuan deliberately put on makeup to hide her sickly, pale face.

She brought her marriage certificate, concealed her sadness, and drove her shabby car to the Ministry of Civil Affairs.

She received a phone call from Jian Tong as soon as she left the villa.

She didn't want to answer the call at first, but Jian Tong kept calling her.

Shen Suihuan was eventually frustrated.

"Congratulations, Shen Suihuan. I heard that you are pregnant."

Jian Tong's soft and sweet voice sounded extremely wicked at this moment.
