

# Indifferent President Chasing Ex-wife Novel

## Chapter 8

Shen Suihuan was shocked. "What do you know, Jian Tong?"

"Well, I know a lot of things, and I know that you agreed to divorce because you want to give birth to that illegitimate child!" Jian Tong's voice grew colder.

Shen Suihuan broke out in cold sweat. Shen Suihuan gritted her teeth. "What do you want to do? Am I not doing both of you a favor by divorcing?"

There was a moment of silence.

Jian Tong suddenly laughed creepily like a deadly ghost.

She said sinisterly, "You're wrong, Shen Suihuan!"

"Although my pregnancy is fake, how can I allow you to give birth to this illegitimate child? Not only do you deserve to die, but your illegitimate child should die too! You shouldn't have returned to the Jian family. You should've suffered in the countryside for the rest of your life!"

Shen Suihuan was horrified.

Jian Tong was not pregnant?!

She was lying?

"Now, I will send you and this illegitimate child to hell!"

"You better be dead. That way, the Jian family's property, and the company will all belong to me. Mu Yanzhi will also be

mine!"

A black sports car suddenly rushed out from the corner of the road as Jian Tong's vicious voice fell. The car crashed directly towards Shen Suihuan's car.

Shen Suihuan's mind went blank as it felt like the world was spinning. Her entire body crashed onto the car window.

Blood was flowing everywhere.

The child...

Her child!

At the moment when Shen Suihuan was in a coma.

She saw Jian Tong's sinister face, and she was smiling at her.

Some kind-hearted passers-by called the ambulance. Then, Jian Tong and Shen Suihuan were both sent to the hospital.

Mu Yanzhi and Mrs. Jian hurried over.

Jian Tong and Shen Suihuan were both injured, but Shen Suihuan's condition was more serious.

"Doctor, how is my daughter and her child?" Mrs. Jian grabbed the doctor, and she asked nervously.

"The patient has lost too much blood, and the child cannot be saved." The doctor thought Mrs. Jian was asking about Shen Suihuan because only Shen Suihuan was pregnant.

Mrs. Jian's face turned pale, and she almost fell when she heard the doctor.

Mu Yanzhi hurried to hold Mrs. Jian.

"They both have the same blood type, and the hospital is low on blood supply!" The doctor said.

"Who should I save first?"

Mrs. Jian hesitated, but Mu Yanzhi said without any hesitation, "Jian Tong! Save her first!"

"As for Shen Suihuan, it doesn't matter if she is dead or alive!"

Mrs. Jian looked up the moment she heard him, and she felt a sharp pain in her heart.

The doctor turned around, and he went back in.

Mu Yanzhi's words were later spread to Shen Suihuan by the nurses.

"Gosh, she is so pitiful. Her husband used the only blood pack to save someone else."

"Don't comment too much about it. Mr. Mu has already instructed us to prioritize Miss Jian."

"Poor girl. She is even pregnant now, yet Mr. Mu still said that it doesn't matter whether she is dead or alive. This girl should've made a better choice when she got married."

Shen Suihuan heard every word.

She was already unconscious, but when she heard what they said, she could no longer hold back her tears.

She suddenly felt that the physical pain she felt when not even close to the pain she felt in her heart.

It didn't matter whether she was dead or alive?

But...

Mu Yanzhi, I was pregnant with your child!

You didn't want me, and your child.

Shen Suihuan was losing her consciousness little by little, but she struggled to reach out her bleeding hand, and she gently covered her lower abdomen.

However, even if she covered it with her hand, she still couldn't stop the blood from gushing out...

She finally cried in despair.

Baby, I couldn't protect your brother and sister.

Now, I couldn't protect you either.
