

# Indifferent President Chasing Ex-wife Novel

## Chapter 9

Shen Suihuan finally couldn't hold on anymore. She passed out as she felt a surge of darkness taking over her.

The child...

Her child!

The unconscious Shen Suihuan woke up from a nightmare. She immediately sat up from the bed. Such an action strained her injuries, which made her gasp in pain.

Where was her child?

Right.

She remembered that her child was gone. It was Jian Tong who crashed into her!

Jian Tong had killed two of her children, and Jian Tong was not pregnant at all. She did it all on purpose to make Shen Suihuan die!

Shen Suihuan touched her flat stomach with her trembling fingers. She then giggled.

"Baby, shall I avenge you?"

"Everything they owe you will be returned."

She couldn't be a mother anymore. She could never have a child in this life!

She was going to fight with Jian Tong till the end!

Even though she had just been injured in a car accident, the anger of hatred raged in her heart. She lifted the quilt, ran out of bed barefoot, and staggered out of the ward.

She was glad that she and Jian Tong were both in the VIP ward. The whole floor was booked, so she found Jian Tong's ward just by asking the nurse.

Shen Suihuan rushed into the ward like a madwoman. She ran to the bedside, and she strangled Jian Tong's neck!

"Why did you kill my child?!" Shen Suihuan questioned Jian Tong while strangling her forcefully. "My child is gone now, and I'm going to kill you!"

At this time, Shen Suihuan's eyes were bloodshot, and her hair was messy. She looked like a ghost that escaped from hell.

Jian Tong did not struggle. Instead, she laughed. "You and your child are both lowly b\*stards. What rights do you have to compete with me, deaf woman?"

Jian Tong was unwilling to give up. Shen Suihuan would still be a threat to her position as long as she wasn't dead.

She wanted to get pregnant countless times, but Mu Yanzhi never gave her a chance to touch him at all.

He could only get together with Jian Tong publicly now because he was divorced.

But how could Jian Tong wait so long? What's more, she had suspected that Mu Yanzhi was starting to be compassionate for Shen Suihuan!

Otherwise, why would Mu Yanzhi order the driver to go out and find Shen Suihuan on the day she was thrown out of the Mu family?

Jian Tong couldn't wait anymore. So, she got Mu Yanzhi drunk, and she faked her pregnancy.

This time, she was going to send Shen Suihuan to hell for sure!

"Jian Tong, you are shameless!" Shen Suihuan trembled with anger, and she wanted to strangle Jian Tong to death.

"Who is the real b\*stard? Do you really think you're that great just because you got married to a well-off family?"

Shen Suihuan would not tolerate if anyone condemned her child.

Jian Tong stopped provoking her. Instead, it was as if she turned into another person, and tears welled in her eyes.

"Shen Suihuan... please let me go. I beg you... My child has already been killed by you, and I won't fight with you for Mu Yanzhi... What else do you want from me?"

Shen Suihuan was stunned, and she immediately felt that something was wrong.

Suddenly, Mu Yanzhi's cold voice rang in her ear, "Shen Suihuan, how dare you hurt Jian Tong!"

"You're courting death!"

She suddenly felt suffocating as a shadow appeared in front of her.

The next moment, the man slapped her face harshly, which

pushed her to the ground.

Shen Suihuan, who fell to the ground, couldn't get up for a long time because of the pain she felt all over her body.

Her red and swollen face saw them leaning against each other, and she felt an immense heartache.

Once again, Mu Yanzhi hit her because of the deceitful Jian Tong.

"Mu Yanzhi..." Only then did Shen Suihuan let go of Jian Tong's neck. Jian Tong coughed violently, and she threw herself into Mu Yanzhi's arms like a pitiful cat.

Mu Yanzhi comforted Jian Tong, who was shivering. He looked at the bruise on her neck with much heartache.

"I'm here now, Jian Tong. I won't let this evil woman hurt you again."

"Mu Yanzhi..." Jian Tong cried sadly. "I'm fine, but... our child is gone."

Jian Tong cried hopelessly, "You shouldn't have saved me! You should've let Shen Suihuan strangle me to death! Our child is gone now, and I don't want to live anymore as well!"

Mu Yanzhi's eyes were filled with hurt when he heard her mention their child. Just as he was about to speak.

Shen Suihuan crawled in front of him. "Mu Yanzhi, she is lying to you. She wasn't pregnant at all! It was all a lie! Don't believe her, okay?"
