

Chapter 17

Ronald was in bad mood. Ashley and Mason stayed for a while and left.

Mason looked at Ashley when they walked out of the Central South Building and asked, "How do you know that man is a pimp?"

"I saw him in Climax Space before. Didn't I tell you that Valeria mixed with men secretly? He is one of them." Ashley replied with a poised expression.

"With a limited edition of Maybach?" Mason repeated.

"How could he afford it? He must borrow it from someone else. Many rich women threw themselves on him since he had such a pretty face. And they were willing to give everything to him."

Ashley's words made Mason feel much more comfortable. He thought, "That guy must be a pimp. The car must not belong to him!"

However, the comfortable feeling was fleeting. He was not in a good mood when thinking that Valeria chose the pimp instead of him.

He looked at Ashley and felt annoyed, "I have to go back to the company to deal with business. I can't be with you now."

Ashley was observant and just said, "Go ahead. I'll go home

and stay with my mom."

The smile on Ashley's face disappear when she saw Mason had gone. She took out her phone and called Julie.

"Mom, I had gone too far today. Dad was skeptical about my words. He said that he would go back to Valeria and confirm what happened tonight. I am afraid that Valeria will ruin our plan. We have to find a solution as soon as possible."

Julie sneered, "Don't worry, everything is fine."

Julie's indifference made Ashley feel more anxious.

"Mom, you should see how Dad behaved today. You know that he feels guilty for us and nothing else. But Valeria is different for him. She has lived with him for more than 20 years. If Dad finds out our purpose, all our efforts will be in vain."

"I know. Don't I know your dad better than you do? As for Valeria, she is a good-for-nothing idiot. We can deal with her easily."

Julie didn't care about Valeria at all, "I'm telling you, I've found a way to deal with Valeria. This time, not only will she completely fall out with your father, but we can also move into the Brown family immediately!" 🗨️

"Really?" Ashley asked in disbelief.

"Of course. Now, you need to call Valeria and ask her out. Leave the rest to me!"

Valeria walked along the street alone for a while, feeling bad and depressed.

Later, her phone rang. Ashley called her unexpectedly.

She was so disgusted with Ashley that she hung up the phone directly.

Ashley kept making several phone calls. Valeria couldn't bear her harassment and finally answered, "What's the matter?"

"Come and meet me!"

"For what? I have nothing to say to you now." Valeria rejected her directly.

"But I have something to tell you. Valeria, you dare not see me because you are afraid of me, don't you?" Ashley said deliberately.

Although Valeria knew that Ashley said this on purpose, she still couldn't put up with it, "Where?" ¹⁰

"Room 2 in the Classic Cafe. I will be there for you. Don't be afraid to come over!"

Valeria stopped a taxi after hanging up the phone. She wanted to see what Ashley was going to do.

Valeria rushed to the cafe and went straight to the private room on the second floor. ⁸

Just as she was about to open the door, she heard a voice coming from the room.
