

Infatuated with My Mysterious Husband

Chapter 4

Valeria had pissed Ronald off for what she said. Ronald stared at her and said seriously, "Valeria, call them Aunt Julie and Sister Ashley from now on! And I don't want to hear any rude words coming out of your mouth anymore!"

Julie continued to pretend to be gentle and virtuous in front of Ronald, so she said, "Ronald, don't force her if she doesn't want to. Ashley and I have already suffered for all the past years and it's okay for us to suffer for a bit longer. I know that you had been through tough time these years..."

Her words touched Ronald's heart indeed. For a long time in the past, he had behaved like a good man, obediently obeying Valeria's mother, Natalie Garcia. Now he could finally act on his own since Natalie had past away already.

Thinking of this, Ronald glared at Valeria and said angrily, "Whether you are willing or not, you have to accept the fact that Ashley is your sister. And I tell you now, they will live with us in no time!"

Hearing Ronald's words, Julie and Ashley looked at each other with joy. Moving into the the Brown's villa was what they had been dreaming of all the time.

Valeria was furious for what Ronald said. It was definitely intolerable to see Ronald take his mistress and illegitimate daughter to live with her.

So she retorted, "My mother owned the villa. You have no right to let them in. Don't you feel ashamed?"

What Valeria said made Ronald extremely mad. He did not think twice and slapped Valeria, "How dare you talk to me like that? "

Valeria felt her face burning with severe pain. She covered her face and looked at Ronald in disbelief, "You hit me? For this shameless mistress?"

Being stared at by Valeria, Ronald felt a bit guilty. But he was indignant when he thought how she embarrassed him.

"So what? Why can't I hit you? I'll kick you out if you are still arrogant!"

At first, Valeria came here to get even with Ashley, not expecting to spot her father's affair. What's worse, she found out that her father actually had a secret love affair over the years.

Not long after Natalie passed away, Ronald began to stand up for the shameless mother and daughter and hurt her. Valeria could not accept it at all and ran away in tears.

Witnessing Valeria beaten by Ronald, Julie and Ashley looked at each other with complacency.

They thought that this was just the beginning, and there was more to come for her.

Valeria was wailing sadly when walking along the road, attracting attention from the passers-by.

A limo came slowly and the bodyguard who was driving the limo felt surprised to see Valeria crying on the road, "Young Master William, look, isn't that the woman last night?"

Hearing this, the exalted man in the back seat opened his eyes and looked over. When he noticed Valeria drowning in tears, he frowned and ordered the driver to stop the car.

A white handkerchief was delivered to Valeria when she was crying her heart out down the street.

She lifted her tearful eyes and found the man who had slept with her last night was looking down at her condescendingly with a handkerchief in his hand.

Realizing she was facing the dirty pimp again, Valeria felt irritated and roared, "Get out of my way!"

However, the man turned a deaf ear to her scolding and reached out his hand to wipe the tears for Valeria. He asked her in a very gentle voice, "What happened?"

"It's none of your business! B*stard!" Valeria grabbed the handkerchief, threw it on the ground and ran away with tears.

The bodyguard was very worried when he saw what Valeria had done to his boss. So he got off the car and walked to William, "Young Master..."

William wasn't angry at all. He calmly picked up the handkerchief and ordered the bodyguard, "Go to the company!"
