

## Innocent Wife 23

### Chapter 23

Olive realized that someone was behind the back, but she was not sure that person was Alan Hoyle or Susie Maltz.

Alan Hoyle had that ability, Susie Maltz knew many people.

If Susie Maltz wanted to get back at her, it's not impossible to use his connections to put obstacles in her way.

As for Alan Hoyle, if he did that, did he know something? But how was it possible?

But It was just her secret, nobody knew.

Alan Hoyle was obviously satisfied with her return. "You have been working in this company for four years."

Olive nodded. "Yes."

"So you are very familiar with the company's business and processes." He continued.

"Not very much, but all right." Four years, no qualifications, but she was an old staff, especially the Marketing Department, people coming and going, mobility was relatively large.

Alan nodded slightly and said lightly, "In this case, you don't want to stay in the Marketing Department. And I just need an assistant here. You can go directly to President Office for checking in later."
