

Innocent Wife 542

The Innocent Wife of Scheming President

Chapter 542 A chance to be a groomsman

In the cemetery, Dave Chou was wiping the tears of his newlywed wife.

Back in the car, Olive Steele hugged Annie and kissed her hard, "Babe, are you scared?"

Annie laughed and comforted her, "Your babe is brave!"

Alan Hoyle smiled and turned back, and said to Ivy who was sitting behind, "This Dave Chou, although he has one-track mind, he is not stupid. He can be rational."

Ivy thoughtfully said, "I think Dave had seen that person. I can outline that person's face in the help of Dave. It should help you."

"Then I'll leave this to you!"

At night, when Dave Chou led Xenia Boswell out of the cemetery, he was slightly taken aback when he saw the car by the roadside.

"Why are you still here."

"Of course I am waiting for you to eat, my mother-in-law has prepared a table of dishes and waited for you at home."

"Isn't it a White Vengeance?"

Alan Hoyle smiled and said, "Why, you have done something wrong and dare not go?"

"Hum, I am not afraid of you."

Alan Hoyle threw an unopened bag of snacks to him, "Even if you are not hungry, your son should be hungry. Let your wife get a quick bite first."

Dave Chou caught it, "You really got everything you want in your car."

"Of course, you can also learn from me how to take care of a pregnant womnn."

"Hum."

Three cars, after an hour, parked neatly downstairs in the community. Dave Chou got out of the car and saw Ivy Aldington. He touched the back of his head in embarrassment, not knowing how to express, "Well, Ivy Aldington..."

Ivy Aldington looked at him at a loss, finally couldn't help but say, "Come on, it's all over, don't mention it anymore. Those things have nothing to do with you. I didn't attend the wedding Xenia's family prepared for you and I want to stay in Luo City for your wedding here. Do I have a chance to be a groomsman."

Dave Chou smirked, "Of course."

But no one expected that, just the day after Dave's wedding with Xenia, Olive Steele suddenly disappeared, and with Mrs. Steele.
