The Innocent Wife of Scheming President

Chapter 544 The End (1)

"Little Baby Hoyles are very strong, it's okay. They said they want Dad to wait a few more months." Olive Steele gently placed his hand on her belly.

Alan Hoyle pinched her nose with the other hand, but he suddenly realized something the next moment, "What did you just say? They?"

The doctor smiled, "Mr. Hoyle, congratulations, your wife is expecting twins."

This happiness came so suddenly that Alan Hoyle couldn't help but hug Olive Steele and kissed her hard, "My wife, you are so amazing."

Madam Hoyle also laughed, "You go away, don't pressure her."

Kent Bai despised Alan Hoyle, "Look at your stupid face!"

Alan Hoyle snorted, "Say grapes are sour when you cannot eat them. If you have the ability, you can let your wife carry twins."

"Fine, I'll do it, I'll let my wife carry triplets, let you be envious of me." Kent Bai grinned and left.

Alan Hoyle said aloud to his back, "I don't envy you, I already have three."

Mrs. Hoyle slapped him, "Well, you can get your wife something to eat. They haven't eaten for more than ten hours."

Olive Steele touched her stomach, "I feel so hungry."

"I'll get it for you right away." Alan Hoyle rushed out and came back quickly.

Steele froze slightly.

When he said this, William really knelt down in front of the hospital bed.

Speaking of the femme-hearted woman, the old lady obviously still had lingering fears. Alan Hoyle said, had no bargaining chips,
