The Innocent Wife of Scheming President

Chapter 69: Completely Get Apart with Him

Chloe called in. It's noisy on the phone. She must have arrived at waiting bar. "Olive, something occurred to me."

"What?"

"Anyway, you no longer plan to work in Hengdu. How about come to Waiting Bar. If you and I make a sister group, we'll surely make it popular all over world."

Olive laughed, "How can you think of it."

"Come on, I'm serious, anyway, your nine-to-five job is not good. It's better to call it a white-collar worker. Another word it's just to say that you're being tortured by capitalists for surplus labor, and you always have to fight against those harassment."

"At Waiting Bar there is difference. With the help of boss Ivy, It's much easier and free to work in the office, and you don't have to fight with people every day in the workplace. Besides, you used to sing here. There are already some of your fans here. As long as you come here, maybe we will be able to be famous and produce a record someday." Chloe was excited about her suggestion.

Olive held her forehead and listened to Chloe's words for a long time. She could hardly interrupt her, so she waited for her to stop and said to her, "Would you like a drink of water?"

"What?" Chloe was stunned and yelled, "Hey, I'm telling you seriously."

Olive smiled, "Your suggestion is good, but in waittingbar I should work in the night and rest in the daytime. Not long ago, I told my parents that I've got a raise and promoted, but now I suddenly lost my job. How should I explain to them? I don't want them to worry about me. Don't worry. I'll get it done soon. Don't tell my parents when you talk to them."
