### The Innocent Wife of Scheming President

#### Chapter 70: I'm Very Impressed by You

But Sabrina Parker did not intend to let it go, "if it's not suitable for you, you can apply to transfer back to the Marketing Department, this is your usual work, accumulated years of customer resources, it's easy to do for you, why have to resign?"

"Sabrina, you don't have to talk me out of it. I have my reasons for quitting, of course, and I have been thinking about it for some days." Olive Steele reached her hand to call the waiter, "Bring me the rice with curry beef. What would you like?"

"Whatever, either way, anyway you're all gone one by one, I have no appetite in anything." Sabrina sent the waiter away with a miserable look.

Olive smiled: "As if I am abandoning you."

"It is. I thought you could get a raise and a promotion to struck Susie Maltz. When you leave, she gets even more aggressive." Sabrina furiously said.

"Well, it's just the way it is in the workplace. There's so much competition and so few friends. For you, work hard, and maybe you'll get a chance to enter the Hoyle Groups' headquarters and see the man of your dreams every day. Mr. Hoyle has talked to me and asked me about you. He is very impressed by you."

"Really?"

Sabrina suddenly refreshed, Olive smiled and shook her head, just now she looked like she was dying, but came alive now, the magic of love is really strong.
