

Chapter 15 Who Are You Talking to

At the same time,Lavinia watched the live broadcast shared by Chris.Her face was flushed with anger,and her body was still shaking slightly.

It was true that Lavinia has already broken up with Evans.However,she never expected that Evans,who had always behaved well,had hooked up with another woman outside so quickly.

Lavinia never thought that Evans could do this kind of thing.

"Chris,why are you showing me this shameless video?"

Lavinia thought Chris didn't know her ex-boyfriend was Evans,so she pretended that she didn't know this man.

"I thought you would be thrilled to see your ex-boyfriend philandering outside and sleeping with other women.But,since you don't want to see it,I will watch it by myself."

Chris turned the screen to his side,and the video was full of the dirty words of Evans.

Even if Lavinia couldn't see the screen,she still couldn't accept the obscene cries coming from the video.

Evans confessed to Lavinia a few days ago,saying that he loved her and wanted to propose to her.So why did he become like this?

"Chris,are you tired?Shall I give you a message to make you relax?"

The video thoroughly stimulated Lavinia.Lavinia knew that she was not qualified to order Chris to do

anything as his mistress. She only knew that this man was not easy to handle. If she wanted Chris to listen to her, she must be sensible and clever.

After hearing Lavinia's words, Chris became nice and put the iPad aside.

Chris lay down on the bed with a latex pillow under his head, his eyes slightly closed as if he were sleeping. Only Lavinia knew that he was refreshing, waiting for Lavinia to massage him.

Lavinia put her hands gently on Chris's head. Then, after finding several acupoints, she started to press his head gently.

Her strength was moderate, and Chris fell asleep.

Lavinia's thoughts drifted somewhere. She was preoccupied with whether Evans was still having sex with another woman in bed and confessing to the other woman.

However, men like Evans would change their minds anyway. What about Chris? How long could Chris keep her around?

Lavinia's heart was a little irritable. After seeing Chris fall asleep, she put a thin blanket on him and then went out to find a sofa to lie down.

Her mobile phone was full of SMS and WeChat prompt messages.

The text messages were all sent by Evans, asking Lavinia if she would give him a chance. Finally, Evans confessed that Lavinia was his true love and only loved Lavinia in his life.

Evans sent the latest news ten minutes before Chris showed her the video. At that time, Evans should have sex with that woman. Did he confess to her while sleeping with that woman?

Lavinia suddenly felt sick. She had never found Evans so disgusting.

When she opened WeChat, Lavinia didn't read the messy messages sent by Evans, but some college classmates said they wanted to have dinner with her.

Lavinia pinched her finger and counted that she had been out of school for a year.

In her junior year, she dropped out of school and stayed at home. Then, when her mother got ill, she started to take care of her mother. Now all her classmates were in senior year, and Lavinia was still at home.

Lavinia became a saleswoman who sold the house and the mistress of Chris. She almost forgot that she was still a student.

There was a lot of news in the Wechat group. Lavinia wanted to pretend that she didn't see them. However, the monitor specifically mentioned Lavinia in the group and asked her to come to dinner.

Lavinia knew that her classmates were all friendly. She wanted to say yes, but she was still afraid that Chris would not let her go.

While thinking about that, Lavinia received a private letter from the monitor.

"Lavinia, many students started to go to

internships. You are the most famous person in our class. You will not be absent, will you?"

Time passed quickly enough.

"Monitor, I will think about it first. Then, if there is no accident, I will come."

As for Chris, Lavinia knew that Chris would let her go to the dinner party as long as she behaved well.

Lavinia only said to think about it, but the monitor thought Lavinia had promised the party directly and sent the news that she was coming to the group.

"That's great. We haven't seen Lavinia for more than a year."

"I don't know whether Lavinia has found a boyfriend or not. But, if she didn't, I think I should have a chance."

Male students were very enthusiastic about Lavinia, and they kept talking about her in the group for a day. Even if female students were hostile to Lavinia, they would not speak in the group in front of so many boys.

Lavinia's cell phone rang with a familiar melody, and the unique ringtone told her that Evans called her.

She didn't know if Evans agreed to break up or wanted to show off.

"Hello."

The other end of the phone spoke first.

Lavinia recognized a little fatigue in the man's voice.

"What's the matter?"

Lavinia knew it was a little unkind, but the thought of what Evans might say next hardened her tone.

"Lavinia,I am just too tired to work overtime.I just want to talk to you,don't refuse me,OK?"

Was he tired of working overtime?

If Lavinia didn't see the video of Evans and that woman,she would almost believe him.But Lavinia had already lost her temper.

"Sorry,I'm a little busy now."

Lavinia sneered.

When did she start talking to Evans like this?

"Lavinia,is it impossible for us?I have loved you for so many years.I want to marry you.Let's have a child and live a happy life.Isn't that nice?"

Evans didn't show off that he was with another woman,and he didn't agree to break up with her.He even wanted to marry Lavinia.

Evans proposed to Lavinia again,and before she could answer,the phone hung up.

"Who did you chat with for more than three minutes?"
