

His Insane Lust

Chapter 20 Didn't you wear underwear

*Hasty? We've been in love for so long, how's that hasty for us?? Do you think I won't be able to give my fiancée a grand engagement party?'

Shawn suddenly spoke, and his eyes turned to Erin. He just glanced at Erin and withdrew his eyes. But the irony in Shawn's tone was quite obvious. Erin remained silent for a moment, completely afraid to reply any more.

She looked at Shawn and turned her eyes to Nicole. Erin pulled back her hand, put it under the table and pinched her skirt. She wanted to tear it apart.

"This engagement is a good thing, which proves that you are being serious. If you have made up your minds, then do it according to your decision.'

Bob didn't seem to have any redundant opinions. Now, Elena didn't dare to speak for her daughter. She could still deal with Bob, but Shawn was really tough ... On the dinner table, some people were enjoying the delicious while others weren't. When Shawn and Nicole left, Elena went upstairs with the 'tonic' prepared for Bob.

After she pushed the door open, she happened to see Bob sitting on the bed reading a newspaper. Elena's eyes tightened quietly. She walked towards the bed with the stuff in her hand, and when she spoke, she was full of worry.

'How many times have I told you that when you read the newspaper, turn on the lights. It will hurt your eyes if you keep doing this.'

Elena turned on the lamp. She turned to Bob and sat by the bed and handed the milk to Bob. 'Drink it.'

Bob had no doubt about this cup of milk. He used to have a cup of milk every day. After receiving it naturally, Bob immediately drank it.

'Bob, I still have one thing that I want to tell you. When I was eating, I saw Nicole there. I can't say it. After all, if she said this, she might be unhappy in her heart.'

Elena said this in a tone of helplessness. Bob came to his senses and looked at Elena subconsciously, waiting for her next words.

'She didn't tell us when she fell in love. And now she came home with her 'fiance' and the engagement party. She didn't even ask for our opinions. Don't you think she's a bit too anxious about it?'

Elena couldn't help frowning when she said this.

Bob looked at his wife, and he suddenly was in a daze. Although Nicole informed the family after she made up her mind, Bob didn't really think about anything at that time.

It was only after Elena reminded him that Bob understood.

'What do you think about this? It is good for a child to get engaged and married. As long as she is happy, we will leave the rest alone.'

'After all, Nicole is more sensible and independent from an early age.' 'I still believe in the decision she made.' Bob's words made Elena nervous. She didn't expect an answer like this! What nonsense he's uttering now??!! Elena was worried, and suddenly put her hand on Bob's back.

'I'm just so worried about her! I'm afraid she will be wronged in the future. They got engaged in such a hurry. What if something bad happen and they won't get married, won't it be a shame for us all, huh?'

Bob shook his head. He lay down slowly and turned his back to Elena.

'How can it be a shame? Look at the way Shawn looked at Nicole. They are definitely serious about their relationship. Don't worry, they will be fine.'

'Even if something unpleasant happens, and they can't be together. It's okay. No one could have'a 100% perfect relationship

Elena stared at Bob's back, and her eyes gradually became sharp. 'Go and get ready for bed.' Bob can feel Elena looking at him, but he didn't realize how sharp Elena's look was. Elena forced a smile. She looked at Bob's back and nodded, 'OK.

When Nicole and Shawn returned to the villa, Nicole went to take a bath. After she had it done, Shawn had already disappeared.

Nicole subconsciously scanned at other places, looking startled. Why did he suddenly disappear?

But she didn't think too much. She went to the bed, lay down and turned over, lying on her side.

Just when she got comfortable, Shawn came back. He stood at the door and stared inside, looking at Nicole's nubile figure Shawn's eyes were a little dark.

He suddenly ran inside.

Nicole was so absorbed in watching the video that she didn't notice anyone coming in. When she realized it, Shawn was already lying in bed and even put his arms around her from behind.

Nicole screamed subconsciously and tried to turn around, but Shawn leaned on her shoulder and clung tightly to her back, giving Nicole no chance to do anything.

'Shawn....' Nicole took a deep breath and sighed, but reached out to pull Shawn's hand down, but Shawn pressed it tightly. The two of them were now close together. Nicole was wearing a silk nightgown, and Shawn got his fingers on Nicole's titties. He couldn't help holding that tiny tip and gently kneading it. 'No underwear, huh?'

The man stuck it in Nicole's ear and whispered, he even had Nicole's earlobe in his mouth, and touched it with the tip of the tongue gently.

Well, it was supposed to nothing—no underwear, but Shawn's words made Nicole a little embarrassed, and she couldn't help struggling slightly.

With the magic of Shawn's touch, Nicole's voice already became charming and soft unconsciously. 'Have you ever seen a woman sleep with her underwear on... She didn't like being tied down. 'Let me go. You should sleep in another room, this one is mine.' Nicole began to hold Shawn's hand and tried to pull him away. Shawn held Nicole tighter than before. He leaned on Nicole's shoulder and hugged Nicole hard. 'You know, this is my room.' 'And, the woman who can sleep with me for a few nights has really never appeared.'

Shawn's voice was so low that his body began to swell again. The touch of the silk pajamas Nicole wore fascinated Shawn.

'Then I can sleep in other rooms. I will go now.' If Shawn wouldn't leave, then she would. Nicole wanted to get up, but Shawn never gave Nicole a chance. He held Nicole tighter and tighter. 'Since you're lying here already, then stay.'

His hand suddenly slipped under her nightgown and gently hooked her underwear. After laughing in her ear, he snapped the belt around the underwear edge to loosen.
