

His Insane Lust

Chapter 31 Accidentally got the lipstick marks left

Shawn suddenly got up with Nicole. He stretched out his hand and held her waist. 'Let's go.' Nicole's eyes moved down, looking at Shawn's hand holding hers, and her eyes flickered at the bottom.

However, Nicole didn't struggle against anything. She let Shawn hold her hand like this, and they walked toward the outside.

Their clothes were exceptionally smooth, and when they came out, they instantly attracted the attention of most people.

Nicole's smile was just so perfect, and she was so charming! She stood with Shawn, which was the whole audience's attention.

When Nicole and he walked to Family Miller, Nicole's eyes shifted from Bob to Raven. She looked at the ambiguous marks on Raven's collar and suddenly dropped a smile.

'So, uncle Raven, you must've found your love at our party, huh? The mark of love is still lingering on your collar!'

Nicole's comment made everyone here turn their attention to Raven's collar. There was indeed a touch of red on his collar, that kind of red color suits only for elderly woman. Nicole's words made his heart thump.

And Elena's tension in her heart was not much less than that of Raven Who the hell knew that Nicole discovered such a tiny detail!

Besides, if Nicole didn't remind them, they really didn't know Raven had the red marks on his collar!

Elena hurriedly gathered her eyes and forced herself to look calm. As long as she didn't panic, no one would think of her.

Raven stretched out his hand and touched his collar, looking at Nicole's smiling face, and laughed. 'Oh is it? What a minute observer! Sure enough, you're always the smartest!' 'How can I meet love my life at such an age? I believed it was an accidental remark.' Raven was so disgusting. Who would touch a man in his fifties by the collar so carelessly? And when she said this, everyone saw the collar, so how could they not understand the meaning here? What Raven said now really made Nicole feel sick inside. She smiled: 'In that case, it is really careless. Then uncle Raven should be alert. Don't have anyone come after

you!

Nicole's words were faintly ironic.

She suddenly turned around and looked at Shawn cheerfully. She suddenly stretched out her hand and pinched Shawn's face in front of so many people.

'You, too. Men should protect themselves outside as well. Don't be so careless. It is so easy to be left with a mark. I'll be angry when I see it.'

When Nicole satirized Raven, she did not forget to take this opportunity to show off in front of people.

Raven listened to Nicole's words, and his face turned black. The smile just raised from the corners of his mouth has 'solidified'.

Everyone can sense the irony in Nicole's tone, but because of Bob and Shawn, Raven couldn't say anything now. 'You can rest assured, how can I give others a chance to get close to me?' 'I have never made such a moron mistake.' Shawn also cooperated with Nicole and 'sang the duet'. When Shawn had just finished saying this, there was a sudden noise.

Nicole's eyes flashed, and she looked over there subconsciously. When she saw Bob suddenly frowned and fell back, Nicole's eyelids jumped suddenly. She ran to Bob in a hurry and immediately held Bob's hand.

'Dad, what happened to you?' Just as Nicole's words fell, Bob's eyes suddenly turned over, and the whole person fell directly toward the back.

Shawn strode to Nicole's side, and suddenly stretched out his hand to hold Bob. Now Bob has fainted. Shawn's face suddenly sank and shouted two sentences at the door.

'Call an ambulance!' 'Dad, dad! Nicole stretched out her hand to feel under Bob's nose, and her fingers were trembling. 'Bob, what's wrong with you?' Elena came here after Nicole and Shawn both stepped forward, and her reaction seemed to be made after thinking for a while.

When Elena came here in a hurry with that vacation, Nicole's eyes suddenly sank. She pushed Elena aside violently, and she was so FUCKING disgusted. Now Elena's every move made Nicole feel sick!

Elena didn't worry when Bob collapsed just now. All her reactions were disguised! 'Stop pretending you bitch!' Nicole's eyes were sharp, staring at Elena and suddenly getting cold.

She usually speaks kindly to Elena and doesn't give her an ugly look. It's entirely because of Bob, her father. Now that Bob was like this, Nicole felt that this must have something to do with Elena!

She stared at Elena's eyes and looked gloomy again. When Shawn took Bob forward, Nicole caught up with Shawn in a hurry, and she had no idea to talk to Elena.

A few people ran ahead. Today's engagement ceremony was interrupted by Bob, and these people left here after Shawn and Nicole. The rest were insignificant people—Elena and Raven alike. Erin has been long gone.

Raven's eyes flashed, and when he saw that the people around him were not in the mood to look here, he suddenly stepped forward and stretched out his hand to pull Elena from the ground.

'What the hell happened?' Although Raven asked, his gesture wasn't implying even the slightest worry.

The worry on Elena's face disappeared after Nicole left. Her face pulled down, and the young bitch pushed her away in front of so many people!

Elena gritted her teeth to suppress her anger and turned her attention to Raven. 'Because I added a little 'more' to his milk yesterday.' 'He drank too much and fainted. That was the plan, though. Raven looked at Elena's calm appearance now, and suddenly he laughed.

He stretched out his hand to pull Elena to his side. When Elena approached and the distance between them was very close, Raven's eyes swept around, and these people didn't care about the situation here,

He suddenly laughed a bit wretched, and stretched out his hand and pinched Elena's chest directly. "Good. He will die sooner or later!"

Chapter 32 The picture of cheating is still emergi

Elena looked at Raven with complaining.

Her eyes stopped on the collar of his shirt again, and she didn't know if Bob fainted because he was thinking of this lipstick mark.

She suddenly reached out, held Raven's hand and hit it. 'Well, Bob is already lying in the hospital now. Hurry up. So as not to wait for Nicole to say something.' When Elena said this, she suddenly sneered.

Raven also understood what she meant, and shook her hand again. His mouth touched the back of her hand and kissed hard.

“Then let’s go now.’

Now these two people were just relying on the fact that no one here was paying attention to them. They could do whatever they want.

Otherwise, how could these two people do these disgusting things here so arrogantly. Raven ran forward with Elena.

About ten minutes later, Nicole and Shawn followed Bob to the hospital first. He entered the rescue room, while they were just anxiously waiting outside.

Apparently there were other people of the family before, now it only had Nicole alone with Bob, waiting for him to come out.

Nicole thought it was quite ironic when she thought of this. No matter when it was, Bob always put this family first. He did everything for this family, but now they... The more she thought about this, the more angry she felt in her heart. Shawn suddenly came to her when she was angry and satirized that the rest of the family were horrible things. When he arrived in front of her, he stretched out his hand to hold her hand, and watched her eyes twinkling. ‘Don’t think so much. Nothing will happen.’

Nicole suddenly pulled her hand and took her hand away from Shawn. She stared at him: ‘I want to call the police.

He didn’t know why she suddenly wanted to call the police. Seeing that she didn’t seem to be joking, he nodded. ‘Don’t you ask me why?’ Seeing he promised so quickly, Nicole felt surprised in her heart. She didn’t understand that he didn’t ask why. But she did not deny that she felt better after seeing he promised her.

‘If you want to tell me, you will tell me. I don’t need to ask you anything. But if you don’t want to tell me, it’s useless if I ask.’

Shawn calmly explained such a sentence. She twisted her eyebrows and was silent

The expression in her eyes sank, and after waiting here for a while, she said, ‘I suspect that my dad is like this now. It is completely because of Elena.’

Thinking about Elena’s recent delivery of milk to Bob, and her abnormal movement, she had to doubt her. That woman always had many evil ideas!

‘Her recent behavior makes me feel suspicious. Although my dad’s health is not as good as before, but it will not suddenly faint like today.’

That kind of weakness was only limited to those who did physical work that would be very tiring. This matter was suspicious as long as she thought deeply,

'Now call the police, let the police go to the house to investigate. And when the doctor comes out, tell the police the result.'

Her tone was quite firm, and now she decided to call the police. So at least Elena wouldn't know about that. And this would prevent her from doing anything more.

Shawn nodded to her and agreed. He understood what she meant, and he would naturally help her do this. After hearing what she said, He felt very suspicious. The two had been waiting outside the rescue room for more than ten minutes, Elena came here alone. ,

She originally came with Raven. However, they worried if they showed up at the same time, Nicole might have guessed something strange in her heart. Then she would have to question her again, so they were separated Coming.

She came to Nicole. Before she was called her, she reached out and grabbed her hand, the expression on her face was particularly worried and worried.

'Nicole, how is your father?' Elena suddenly took her hand, causing a burst of disgust in Nicole's heart. After listening to her words, she glanced at Elena's expression, and she felt very exaggerated! She directly reached out and took her hand out of Elena's hand, and the expression in her eyes also sank. 'Are you asking how my dad is? Are you blind? Didn't you see him still inside?' She gritted her teeth and stared at her displeasure intensified. She even wanted to remove her from Bob.

Elena staggered back for a few steps and looked particularly embarrassed. She looked at her eyes gradually reddening, and couldn't help but say: 'I'm too worried about your dad. So I was confused to ask how he is'

If Nicole's IQ was not good enough, or if she was a softhearted person, she might really believe in her present false appearance.

But unfortunately, she was not such a person.

She took two steps forward, staring at her and squinting her eyes: 'If you are really worried about my dad, you won't be here until now. You should have been here long ago!'

Elena came here ten minutes later than them. How could she be so late if she really worried about Bob.

While looking at Nicole, Shawn had to admit that her logical ability was very strong, and her thinking was very clear. What she said now was thoughtful and reasonable.

Shawn looked at the expression on her face, and had a new understanding of this woman in his heart. No wonder Bob could hand over the company to her.

He didn't have to worry about her being bullied by this woman now, or another tricky person. He didn't have to worry about her being ridden on her head.

'Nicole, I got the traffic jam. Why do you have to think of me that way?' Elena eyes reddened immediately, and asked her anxiously.

But Nicole was once again disgusted by her appearance. She frowned and retracted her gaze. The scene of Elena and Raven's affair flashed through her mind, and she suddenly felt angry for her father.

She would find out, and kicked such a disgusting woman from Bob 'Nicole, please calm down. I won't talk to you now.'
