

Chapter 55 Go find Bob

'Just go. Hurry up, don't disturb me here.'

Nicole was not threatened by her words at all. Her eyes shifted, turning her attention to dessert.

When Erin was furious, she suddenly ate the dessert sent by Shawn in front of Erin, even showing a very satisfied expression.

She was irritated by Nicole's appearance. She stared at her: 'Did you listen to me?'

'Didn't you say you are going to find dad? If you want to go, just go.'

'Why are you still talk nonsense here.'

The expression in her eyes sank, and she pointed her finger at the door: 'Hurry up, the door is over there, don't let me drive you out.'

When Nicole said this, Erin's face was completely black. She wanted to say something, but when she saw that Nicole's face was black, she was forced to helplessly and froze. She just turned and left.

It was not until Erin left that the cakes in Nicole's hand were put down.

She stared at these flowers and these desserts, her eyes darkened a lot, and then she turned her attention to the computer.

After Erin left the company, she really returned home.

'Why come back again.'

Erin came back soon after leaving. After rushing back from Shawn Industrial, she ran back and wanted to sue Bob. But he was sleeping, so she could only tell Elena about this matter. Now that she saw Elena here, she immediately ran to her and

cried.

After listening to her cry, Elena understood what was going on. She pulled her face down and frowned slightly.

'Nicole is really getting too much.'

Erin's eyes were red, and she was particularly angry and wronged.

'Mom, now she is in the company and we have nothing. It's too unfair, and I want to be a spokesperson and she won't give it.'

Elena frowned, if it wasn't for Erin's love to play too much, and she didn't have any real skills. It wouldn't be enough for Nicole to control these things alone.

Looking at Erin, she gently patted the back of her hand, and her tone gradually calmed down.

'Go up first and see if your dad wakes up now. If your dad wakes up, you can talk to your dad about these things.'

Erin must have sued Bob this time. When she heard what Elena said, she immediately stood up, and ran directly over the stairs, all the way towards Bob's room.

She stopped until she got outside the room. She stood outside and knocked on the door gently.

'Dad, are you awake? I have something to tell you.'

Erin's voice stunned Bob inside. He subconsciously shifted his sight to the door, he just woke up and was getting ready.

'I'm awake, come in.'

Listening to his voice, she breathed a sigh of relief and pushed the door open.

'Dad, I want to tell you about the company. My sister is too unfair to me. Why?'

She ran into it with a look of unwillingness.

When Bob heard what she said, the expression in his eyes flickered. He didn't know what happened to them, and why it was unfair.

'What happened, why is it unfair?'

Erin ran all the way here, and she looked at him when she reached his bedside.

Chapter 56 Bob Contacts Shawn

'The company cooperated with Shawn Industry on a project. I just want to be a product spokesperson. I went to find Mr. Shawn, but my sister said that I was a infamous artist and said I was unworthy. The words she said were getting more and more ugly.'

'It's okay for her to say something bad. I know her mouth is so poisonous, but she just doesn't let me be a spokesperson. Why, is it because she is in charge of the company's decision-making power?'

Erin started crying as she spoke. She couldn't cry in front of Nicole, but now at Bob, she started crying fiercely.

Bob looked at her aggrieved look and couldn't help frowning.

'Your sister really said that?'

A gleam of light flashed through her eyes, she raised her eyes and nodded to him with red eyes.

Even if it didn't, she would frame Nicole. She deserved that!

Bob stretched out his hand and gently patted her shoulder, his eyes were also helpless.

'Your sister's temper is like this, but if she doesn't want you to be the spokesperson, there should be a reason, we just...'

Erin looked at Bob, and suddenly pulled his hand down. She cried more and more fiercely.

'Dad, do you think I am unworthy? Do you think I am incapable?'

Bob was dumb, feeling a little helpless at her questioning.

The company came back to life with the help of Nicole.

Now he couldn't just intervene in the company's affairs casually, but Erin was so pressing and wronged, it really made him helpless.

'Am I so useless? To the point where my family dislikes me, am I really so unbearable?'

She kept asking him.

Bob sighed: 'Dad doesn't think so. In my heart, you two sisters are both very good, but your areas of expertise are different.'

'If you really want to be the spokesperson like that, I'll go back and talk to your sister.'

In desperation, Bob had to promise her first. He knew that if this matter was told to Nicole, she would not necessarily agree.

'Okay, it's okay.'

Bob began to comfort her, and her pride became more and more obvious.

She nodded, and slowly stopped crying under his comfort.

Until half past six in the evening.

When Nicole learned that Shawn came to pick up her from the company, she left work early.

She found his car. As soon as she got into the car, she was pulled by him, and she fell on his lap.

She was a little uncomfortable, and subconsciously wanted to get up from his thigh, but she was pressed tightly by Shawn.

'Just lie down like this.'

The driver in the car had not yet returned, so they have to worry.

His hand gradually moved down from her waist. When she

relaxed, he suddenly pinched her ass.

Nicole snorted, and was suddenly pinched, which caught him off guard.

She subconsciously wanted to pull his hand, but what he said next made her stunned.

'Do you know what your dad called me to say?'
