

## Chapter 77 Kissing In The Bathroom

'Don't worry, I just have an excuse to take her away. You, just wait to be with Shawn.'

Seeing Erin's unwillingness, Elena suddenly reached out and patted the back of her hand. Her eyes darkened a lot, and she gave Erin a weird smile.

She could use this excuse to take Nicole away and lock her up. If Bob asked about her and she could say that she went to the bathroom...

Then no one would notice that Nicole was missing.

Elena's words made Erin relax a lot, and she nodded to her with a smile.

'Okay, mom. Hurry up! Just quickly take her away and lock her up. It's best not to let her out!'

After Elena laughed, she turned and left. She rushed to the place where Shawn and Nicole were. The two should be in the bathroom now.

They were indeed in the bathroom.

Shawn was helping Nicole wash her hands, and his hand gently wiped the back of her hand.

It's not like the two of them were washing their hands, but they wanted to tease each other on purpose.

After he helped her wash her hands and wipe them clean, he then hugged her into his arms.

He put his hand on her waist and moved his hand by seeing her.

'What if I don't want to go there?'

As soon as she approached, Shawn could smell the fragment of her body. His hand wandered quietly on her back,

leaning against her head.

She didn't expect that Shawn would suddenly do this. She subconsciously reached out and gently pushed him. Her eyes flickered, 'Then what you want to do here if you don't want to get out.'

She had just finished speaking, Shawn suddenly let go of her, and pulled her a little further. The lips pressed against her lips, and gradually invaded inward.

After She felt his kiss, her body gradually became a lot hotter.

She couldn't help but moved her hand, suddenly raised her arm and hooked it around his neck.

When Elena rushed over, what she saw happened to be the scene of them kissing here.

As soon as her steps stopped, her eyes tightened a lot when she looked at the two people hugging each other. She did not expect that they could still kiss here.

The expression in her eyes darkened a lot, with a bit of hatred.

Elena had been waiting here for them to end this passionate kiss, but this time seemed to be a little longer.

She was getting a little impatient as she waited, and then saw the two let go of each other.

The expression in Elena's eyes suddenly loosened, and she immediately walked towards them. When she was in front of the two, she stared at them.

'I finally got you two here!'

Shawn hugged her and turned his body sideways for a while, and his gaze fell on Elena. Seeing her current excited expression, they both looked at each other at the same time.

They both saw the laughter in their eyes. Elena's current appearance was a bit too exaggerated.

'Auntie, when you saw us just now, you were not so happy.'

Elena originally thought that they could talk peacefully when they came over with a smile. Who knew that when Nicole's sentence fell, the smile at the corner of her mouth was forced to freeze.

After she hesitated for a while, she looked at them and explained, 'Isn't this I haven't found you two? I thought you were in front, so I kept looking for you.'

Elena stopped here.

## Chapter 78 Locking Nicole up

Nicole didn't speak in a hurry. She was waiting for her next words.

Elena was also waiting for Nicole to ask her what it was, so that there was an entrance to the topic. Who knew that Nicole didn't ask anything at all?

Seeing that she had been stiff here, Elena gritted her teeth, and she smiled forcefully: 'Your dad is looking for you. Come with me. He said he wants to take you to see some friends.'

Hearing this, Nicole understood, and she would not doubt her excuse.

Indeed, Bob introduced her to his business partners all the time.

'Well, then I will go with you first.'

She agreed to Elena, and turned to look at Shawn. Her hand was still held by Shawn.

Shawn waited for her next words. His eyes deepened a lot.

'I'll go there first, you just find a place to sit and wait for me to come back, soon.'

He didn't make a fuss about going with her. So he didn't doubt what Elena said, just like Nicole.

'Fine. I'll go ahead and wait for you.'

Many people here had also cooperated with him, not to mention that there were more people who wanted to cooperate with him. As long as he left here, he would definitely be very busy.

After the two had finished speaking, Elena took Nicole to the front.

She walked ahead, and Nicole followed her all the time.

And she didn't say anything to her, but she was always in a state of guilty conscience.

When Nicole followed her, she was not in the mood to say anything to her. She followed behind, naturally she didn't know that Elena was guilty.

When she got out of a room, Elena stopped. Then she turned and looked at her: 'Go in, people are waiting for you inside.'

Her eyes flickered when she heard this. Got inside?

Seeing she stepped aside and didn't seem to intend to go in, Nicole walked forward. She suddenly reached out and twisted the door. But when she twisted the door and pushed it open, she was suddenly pushed into the room.

Nicole was pushed by Elena!

When she felt Elena's hand on her waist, she realized that things were not that simple!

It's just that now that she realized it's too late, she's already in this room.

Nicole panicked for a moment, then turned around abruptly. The door was already closed, and there was even a sound of a key locking the door outside.

She stepped forward anxiously, suddenly stretched out her hand and patted the door hard. Her eyes sank and she shouted: 'Elena, open the door!'

'If my dad knew you locked me in here, you wouldn't be better off!'

Nicole shouted at the door, she was now locked inside!

Elena stood at the door holding the key and laughed, her threat did not scare her.

'Do you think I am afraid of what you say?'

'I've never been afraid of anything before. Just stay here. No one can come to save you! Be prepared to wait for death here!'

Elena waved the key in her hand, and her eyes flashed with pride.
