

Chapter 96 Took pictures

When Nicole was standing by the door, she looked at the closed door and slowly narrowed her eyes. At that moment, she suddenly reached out and twisted the door.

When Nicole opened the door, the groans and gasping inside suddenly stopped. Elena even saw that the person standing at the door was Nicole, she pulled out of her lust to scream.

'what!'

Elena hurriedly stretched out her hand and put the quilt on her face directly, why did she get here!

Nicole stared at Elena and Raven now panicked here with their naked bodies. She tugged at the corner of her mouth and gave a sarcasm. Sure enough, it was the same as she guessed. They were doing something disgusting here now. She must took photos.

She suddenly took out her mobile phone and shot directly at the two people.

'Uncle and aunt are very interested, doing these shameful things here. I don't know if Auntie is cheating on my dad here, do you feel any guilty in your heart?'

'But I don't think you should either. After all, you are so shameless, how can you feel guilty?'

Nicole said these words while filming.

Raven was already very angry when he saw her shooting at them, the anger in his heart couldn't stop.

'Take down your phone!'

'I think you are crazy now!'

Raven used a quilt to cover Elena and his lower body. He pointed at Nicole and stared at her in a harsh tone and full of

threat.

But his words did not threaten her at all.

She continued to shoot him. She laughed when she heard his words.

'Uncle, let me tell you, I'm shooting a video now. Everyone can see all your appearance.'

'Everyone will know how disgusting your face is. So I advise you stop pointing at me. What if I wait for a live broadcast?'

Nicole's words directly scared Elena. She was hiding in the quilt, her face paled for a while.

'If you do this, your dad won't let you go!'

When Elena was in a panic, she warned Nicole.

'Won't let me go?'

Nicole raised her eyebrows slightly, fearing that Elena had misunderstood something.

'Auntie, I'm afraid you don't know yet. In fact, my dad has already discovered what is going on between you, right?'

'My dad is easy to relent, but he can't endure you cuckolding him all the time. Who can bear it?'

'I caught the rape according to my dad's request.'

Every word of Nicole stimulated these two people.

When Nicole said this, Raven had already begun to wear pants under the quilt. As long as she went down and smashed her phone, she would naturally not be able to photograph anything!

After Raven put on his trousers, he suddenly lifted the quilt and got out of bed, his face looked vicious.

When he got out of bed, Nicole's eyelids twitched, and

there was a strong and unclear premonition in her heart. He should be trying to do something to herself now?

Her face changed, and she subconsciously wanted to run away.

When Raven saw that Nicole was about to leave, he gave a big smile: 'Are you trying to leave now? You wish!'

Chapter 97 Let her get out of my house

Just when Raven approached her and even tried to snatch the phone from her, he was grabbed by someone who came in suddenly.

Raven's expression suddenly changed, he frowned with a sullen sigh, and the expression in his eyes followed tightly.

Shawn grabbed his hand, suddenly turned hard. With a click, Raven's hand twisted.

'Ouch!'

A wailing sound hit, his whole body was suddenly pushed back by Shawn, and the expression in his eyes also sank, completely indifferent to his current wailing.

Shawn was only worried about Nicole's affairs.

He turned to look at her and stretched out his hand to hold her hand. Fortunately, she had nothing to do with him. If anything happened to her, he would definitely not let Raven get better!

Shawn put Nicole in his arms.

Nicole was still sorting out her thoughts, and the picture of Raven wanting to do something on herself had always appeared in her mind. Just thinking about it now, she still felt lingering in her heart.

Fortunately, Shawn came quickly. After she hurriedly recovered, she saved the video.

'You did something with a guilty conscience here and want to do something to her?! If I know this, I should have sent out your cheating photos long ago, so that everyone can see how you are now.'

There was a trace of hostility in the depths of Shawn's eyes, staring at Raven in a cold voice.

Raven was so painful that he couldn't speak, his hand was now in a state of being twisted, and there was no way to speak properly.

And Elena was already dressed, and she got out of bed in a panic. Now Nicole had not only videos but also photos in her hands, right?

If this were released, her reputation would be ruined!

Elena came to her anxiously. She immediately knelt towards her, and stretched out her hand to hold her hand. But she just ran into Nicole's hand and was pushed away by her.

Nicole looked at her with a bit of disgust, 'Don't touch me, it's sick!'

Elena knelt on the ground with that face, and now she dare not quarrel with her. If she quarreled with her, she was likely to send out the video and photos.

'Nicole, I was wrong. I really know it was wrong. Don't be angry. If you really expose this, what should I do?'

She pleaded with Nicole, but her pleading was not worth mentioning here.

Nicole's eyes were cold, staring at Elena who was kneeling on the ground with a pitiful face. She tugged at the corner of her mouth and let out a sneer.

'For this, you should tell my dad. The object of your confession is not me, but my dad. I think you should not continue to maintain this kind of marriage with my dad, right?'

'You and Raven's affair shouldn't be in the recent period? If I have time, I have to check whether Erin was my father's child. If not, all of you just get out of my family!'

Nicole's tone suddenly became tough.

'No!'

'For so many years, your dad must have regarded Erin as his own child. Nicole, I was really wrong. Will you forgive me? I will go back and apologize to your dad right away.'

Elena panicked and was about to reach out to hold her leg, but was stopped by Shawn.

Shawn directly protected Nicole by his side, not giving Elena a chance to get close to her.

'So, Erin was not my dad's child, was it? Oh, well. I don't even have to do the inspection anymore. Get ready to get out of here. You can't stay here anymore.'

Nicole's eyes were cold, and when she finished speaking, her eyes shifted to Shawn.

By simply looking at each other, they two could understand what each other meant.

Chapter 98 They had to divorce

Shawn protected her and turned to leave, while Elena's cries echoed behind them.

But the two did not stop because of her crying like this. They kept walking forward, and the pace of walking was getting faster and faster.

Until finally Nicole returned to the car under the guardianship of Shawn, which was relieved.

She reached out and patted her chest lightly, her eyes flickering.

'Fortunately, you came in time, otherwise my phone might really be snatched by Raven.'

Shawn watched her breathlessness, stretched out his hand and gently touched her forehead. Her forehead was sweaty, and it seemed to be hot.

'If he really snatches it away, I still have photos on my side. Don't panic.'

Shawn comforted her.

She suddenly stretched out her hand and patted her head. She remembered, and now she wanted to send the video to Bob for a look. Bob definitely didn't know the situation yet.

'I must get Elena out of my house this time.'

She suddenly gritted her teeth. After this incident, according to Elena's vicious temperament. If she stayed in the family again, it would only pose a threat to Bob. She could not put him in a threat.

When Nicole sent a video to Bob, Shawn didn't stop her this time. After all, Bob already knew about it, so he should be more thorough.

It was not until the video was sent to Bob that Nicole

raised her eyes.

'My dad must divorce her.'

'It won't be long before the news of our marriage will be known to everyone, right?'

The expression in her eyes was a little tentative. She didn't know what Shawn was thinking, but they couldn't always be in a state of hidden marriage.

'Yes, it won't be long before the news of our marriage will be known to everyone. And even if you want, I can arrange it today.'

Shawn gave her a relieved look. As long as she wanted, Shawn could give her everything.

Nicole's eyelids jumped abruptly, and it was too early to announce it. But she wanted to tell Bob about this.

'I want to tell my dad about our marriage first. Isn't my dad unaware of this now?'

Of course, her words were again approved by Shawn.

He nodded to her.

'Let's go there? It's up to you to deal with this matter.'

Shawn gave her the whole afternoon.

She felt moved when she heard this. She agreed to her request to him, feeling moved in her heart.

'Perfect.'

Chapter 99 Prepare to go abroad for relaxation

After Nicole and Shawn returned home, Bob was already sitting on the sofa in the living room.

His whole person seemed to have suddenly become a lot of vicissitudes.

When they stood here looking at Bob's haggard appearance, they both stopped.

She held Shawn's hand and followed it tightly. Until now, seeing Bob become like this, she didn't know if she did it right...

'Don't blame yourself, you can't be blamed for this. Even if you don't say it, he will be told by others sooner or later, and maybe his reaction will be even worse.'

Feeling a layer of sweat on the palm of her palm, Shawn in turn grasped her entire hand. His voice was low, and he said to comfort her.

After her eyes flickered for a while, she nodded stiffly, squeezed her body and nodded, They continued to walk forward.

'You guys come back?'

Bob looked at the two people coming here, his eyes flickered. And when he saw that the expressions of the two people didn't seem to be very good, Bob smiled at them slightly.

'Sit down first.'

He pointed to the opposite sofa.

Nicole and Shawn walked to the place pointed by him, and after they sat down there, they turned their eyes to Bob.

'Dad.'

Nicole opened her mouth slightly and called Bob. She didn't know what Bob was feeling now.

'Your aunt called me just now, and I saw the video you sent. In fact, when I saw your Uncle was away last night, I guessed where he would go.'

Bob's mood now seemed to be very calm, and she did not have the feeling that she imagined. She thought Bob would be very angry.

'Dad, don't you have anything to say?'

She was very nervous now, worried that Bob would hurt herself if she didn't say anything.

The expression in her eyes flickered, waiting for his answer.

When Shawn, who was sitting next to Nicole, noticed that she had been in a state of tension. His eyes drooped, watching her clutching his hand, his eyebrows frowned quietly.

'In fact, what can I say? Raven and your aunt were together before. It seemed that if something happened between them, there was nothing strange.'

'At this age, she can do whatever she wants. I have already thought about divorce. I will go through the formalities tomorrow. Don't worry.'

Bob looked at her and let out a laugh. He seemed like he really didn't care at all and just moved on.

Nicole's eyes flickered, and she continued to ask: 'Dad, what are your plans next?'

Bob watched them and laughed.

'You can be with Shawn, I am relieved. Erin will stay with her mum, I don't worry much about her. After completing the formalities with your aunt, I will transfer my shares in the

company to you. I'll go abroad to relax myself and take a rest for a while.'

Bob seemed to have arranged everything.

Nicole hesitated for a moment when she heard that Bob's plan was good, but she always worried that he would be unsafe if he went abroad alone.

She hesitated for a while and then said, 'Why don't you find someone to accompany you? You are abroad alone, so I will worry about you.'

'I'm not a child anymore. How can something happen? Don't worry, I have been to a foreign country, and everything can be handled well.'

'All I want is leisure. Let me be quiet.'

Bob's attitude was very firm.

Nicole and Shawn looked at each other. Now Bob's attitude was so firm, and nothing else was superfluous. After they looked at each other, She retracted her eyes and turned to Bob.

Chapter 100 We had got married

'Dad, there is something I want to tell you.'

Hearing this, his heart chuckles. Looking at her serious expression now, a strange color flashed through the depths of his eyes: 'What's the matter? Is there anything else I don't know?'

Nicole opened her mouth in embarrassment, this matter was still a bit big.

Her gaze shifted to Shawn again, and after looking at each other with Shawn. Nicole and Shawn said, 'We are married.'

'This.....'

Sure enough, when the two of them had just finished saying this, Bob's face suddenly turned pale. He looked at the two of them with astonishment.

'You got married? When did it happen? Why did you tell me now?'

He did not expect that the two of them were already married, and the astonishment in his eyes was obvious.

'It's been a while.'

'On the day I took him home, we were already a legal couple.'

Nicole explained patiently to Bob.

Bob opened his mouth and was still very surprised. He didn't dare to believe that his daughter was married to Shawn. At first he was worried that Shawn would dump her, but now it seemed that this worry was unnecessary. .

'This... is a good thing!'

Bob nodded hurriedly.

'If this is the case, I will feel more at ease. At least after I go

out, I can safely give her into your hands.'

When Bob said this, the smile on the corner of his mouth was loosened a lot, and he was also sincere.

'But you are still unmarried to the outside world? Don't you plan to disclose your marriage information now? When will you wait to make it public, and when is the wedding?'

His piles of questions attacked them.

It seemed that the marriage of the two people had distracted his attention, causing him not to think about Elena.

Shawn began to talk about his plan with Bob.

And Nicole was seated while listening to the chat between them, and she was relieved instantly.

The expression in her eyes flickered. She originally thought that the incident of the card would give Bob a strong blow, but she did not expect that the incident of her marriage would bring hope to him.

They talked from three o'clock in the afternoon to five o'clock. If it weren't for Shawn to rush back to the company to handle the work, he could take him to say more.

After the two got into the car, Nicole couldn't help putting her hand on the back of Shawn's hand.

'Is it true that what you told my dad just now? Are you really planning to have a wedding with me, or are you just trying to peruse my dad and make my dad happy?'

Just after her question, his head turned around. The expression in his eyes also fell on her, staring at her and asking, 'Do you think I am joking? '
