

INTELLIGENT 1091

Chapter 1091 - 1091: Dian Two Siblings Comes To Binhai

"Why is his phone with you?" Bai Jian asked again.

"President Bai left his phone here. Then it is ringing. I thought it is an important call. So, I answer it." Chia Mei explained.

Bai Jian suppressed her anger. It was not a new thing that the bastard was cheating. She did not want to lower herself arguing with a cheap woman like that.

"Tell him to call me after he gets out of the toilet. It is an important matter." Bai Jian ended the call without waiting for the woman to say anything else.

Bai Jian was walking out of the hospital. The car stopped in front of her and she hopped in. The car drove off.

Bai Jian remembered meeting with Yu Qi once. She felt that the girl was suitable for her son, Bai Yu. At that time, Yu Qi was with Yung Ha Ren. That bitch was probably saying something about her making Yu Qi refuse to cooperate with Bai Family. Otherwise, what reason for Yu Qi to hate Bai Family? She needed to discuss with Bai Xia Fang first before making any move.

Then, a call was coming from Bai Xia Fang. She let the phone ring about two times before answering the call.

"What do you want to talk about?" Bai Xia Fang asked.

"I went to meet the owner of Qi Qi Skincare just now. But she seems to reject the idea to cooperate with us. What do you think we should do?" Bai Jian directly went to the topic. She did not want to waste time on this man.

"I see... Let her be for now." Bai Xia Fang said.

"Okay. Well, then, goodbye." Bai Jian ended the call.

Bai Jian already gave up on Bai Xia Fang. She just wanted her son, Bai Yu to inherit his father's place. But that bastard, Bai Shu Jin shined more than Bai Yu. The most frustrating thing was Bai Yu seemed did not care much about fighting the position from Bai Shu Jin.

She knew that Bai Yu did not know that his brother, Bai Shu Jin was the illegitimate son of Bai Xia Fang from another woman. And Bai Yu also seemed to love Bai Shu Jin as his brother.

To be honest, she also did not care much about who Bai Xia Fang wanted to spend his time with. However, she preferred Bai Xia Fang did that secretly. She did not want the public to know about their current situation.

She wanted people to think that they were a happy family together. She did not want that mask to fall.

....

The flight landed on Binhai Nation. The two siblings went to the checkout. One girl with the gothic Lolita clothes with a handsome man wearing the white coat walked together ignoring the eyes of the onlookers that stared at them.

"I can not wait to see Sister Yu Qi." It was Dian Qi Qi who came to Binhai Nation together with Dian Shu Xian.

"Walk carefully. You will collide with people like that." Dian Su Xian reminded his sister.

"Don't worry. No one dares to collide with me." Dian Qi Qi said.

'Yeah. Because your clothes are weird. No one dares to come closer to us.' Dian Shu Xian just replied in his mind. If he said that, his sister might get angry at him.

"You just complain about me in your head right? Humph!" Dian Qi Qi rolled her eyes. She knew what her brother thought duh.

"Since I am in the good mood, I will ignore that. First, we need to go to Sister Yu Qi's here. Hmm... where is the address?" Dian Qi Qi searched for the address given by Yu Qi in her phone. "Ah, found it. Let's go, Bro."

Dian Shu Xian followed his sister's steps. He accompanied her by his mother's order. His sister never travelled this far by herself. So, his mother was worried about that. She asked him to accompany his sister. So, here he was.

They took a taxi to go to Yu Qi's house. They arrived at the post guard. The security here was tightened due to the incident where one of the houses were robbed. So the security guard needed to check the car that went into the neighbourhood. They immediately asked the taxi to stop when they saw one.

"Where do you want to go?" The security guard asked.

"We want to go to Tang House." Dian Shu Xian told them.

"We need to get the confirmation first from Tang House." The security guard said.

"What? I want to make a surprise to Sister Yu Qi through." Dian Qi Qi said.

"It is our procedure, Miss. Please understand. If we don't get the confirmation from Tang House, we can not allow you to enter this neighbourhood." The security guard calmly explained to her.

So, the security guard called Tang House. It was the servant who picked up the call. Then, it was passed to Butler Hang. The security guard explained the situation. Butler Hang remembered that Yu Qi also told them that he had found her family on her grandmother's side. They must be from that family.

Butler Hang told the security guard to give them a pass to enter. Then he went to tell Ming Yue about that. She was a little bit surprised about that. But since it was Yu Qi's Family, it was their family too.

The security guard gave them a pass to enter and one of them also led them to the correct house. It made things easier for the taxi driver to find the correct house.

Chapter 1092 - 1092: Yu Qi Is Surprised

Ming Yue was standing at the entrance waiting for Yu Qi's relatives to get in. She was surprised to see a girl in weird clothes entering the entrance with a man. She was speechless at the moment.

"See, I tell you to wear normal clothes." Dian Shu Xian told her sister.

"But it is my normal clothes." Dian Qi Qi pouted.

Hearing this, Ming Yue felt it was rude for her to stare at this girl's clothes. She immediately apologized for that.

"I am sorry for staring at you like this. Come in, enter my house." Ming Yue invited them to the house.

Dian Shu Xian and Dian Qi Qi entered the house and sat in the living room.

"Hello Madam, I am Dian Shu Xian and this is my sister, Dian Qi Qi, we are Yu Qi's relative." Dian Shu Xian introduced themselves.

"Hello, Madam." Dian Qi Qi said.

"No need to call me, Madam. Just call me, Auntie Ming Yue like Yu Qi does." Ming Yue looked at the siblings.

They resembled Yu Qi a little bit, especially the girl. It was no doubt that they were coming from the same family. She knew that they came from the side of Yu Qi's grandmother's family.

"Yu Qi is still working like this. She probably going back at the night. If she does not have the night shift." Ming Yue explained.

It seemed they came here without Yu Qi knowing since Yu Qi did not mention anything about this.

"I understand. See, I told you. We should tell Yu Qi first." Dian Shu Xian told his sister. He turned to Ming Yue again. "We will go to the hotel first."

"Owh, no need for that. You can stay with us. We have a lot of empty rooms." Ming Yue said.

"But it might be troublesome." Dian Shu Xian felt that they might trouble Yu Qi's family here. It would be better for them to stay at the hotel.

"No... no... Don't worry about that." Ming Yue said.

At the end, Dian Shu Xian accepted Ming Yue's offer to stay at Tang House.

"I hear there are some people coming." Su Xiao appeared with her twin babies. She was holding one and a maid behind her was holding the other one.

Dian Qi Qi was fond of the cute thing and that included the babies.

"What a cute twin babies. What are their names?" Dian looked at the babies fondly.

Su Xiao was surprised when a stranger approached her closely. Dian Qi Qi noticed that. She stepped back and introduced herself.

"Hello auntie, I am Dian Qi Qi, well a Yu Qi's relative. That man is my brother, Dian Shu Xian. Sorry to come close to you like that." Dian Qi Qi apologized.

"Oh, Yu Qi's relatives. I am Su Xiao. You can call me Auntie Su Xiao. Like Yu Qi does. By the way, this little boy is Tang Bo Lin and this girl's name is Tang Heng Nuo." Su Xiao said.

"Bo Lin and Heng Nuo... What a cute one." Dian Qi Qi touched Tang Bo Lin's cheek. "How cute... how soft."

They smiled when hearing that. Even though Su Xiao thought this girl's clothes were a little bit weird but it was that. If Yu Qi already acknowledged them as her family, their characters probably were good.

Ming Yue asked two maids to show Dian Qi Qi and Dian Shu Xian their rooms.

....

Yu Qi entered the house. Once she stepped in, a figure rushed toward her and hugged her. She did not have time to dodge. She was blinking confusedly. Then she noticed something.

"Qi Qi?" Yu Qi called a name.

"Sister Yu Qi, I miss you a lot." Dian Qi Qi looked up.

Yu Qi made a correct guess. It was Dian Qi Qi who came and hugged her.

"Why are you here?" Yu Qi asked.

"I come here, of course. I miss you." Dian Qi Qi let Yu Qi go and grinned.

"I see. What's about your university?" Yu Qi asked again.

"Well... It is semester break. So, I come to visit you." Dian Qi Qi said.

"Oh... I see." Yu Qi nodded.

"Brother Shu Xian comes too. He accompanies me." Dian Qi Qi mentioned Dian Shu Xian.

"Really?" Yu Qi was surprised to hear that Dian Shu Xian was here too.

"Yeah. My parent doesn't allow me to travel alone. So, Brother Shu Xian was asked to accompany me." Dian Qi Qi pouted.

"Is this your first time travel oversea?" Yu Qi asked.

"Yeah." Dian Qi Qi nodded.

Her parent was probably worried about their daughter traveling oversea alone for the first time. So they asked their son to accompany her. What a good parent.

"What are you doing at the entrance? Come in. Dinner will be at 8 p.m." Ming Yue saw the two girls chatting at the entrance. So she called them in.

"Oh, I am sorry. Sister Yu Qi must be tired from working all day. You can rest first. We can catch up later." Dian Qi Qi felt wronged.

"Okay. We will talk later after the dinner." Yu Qi patted Dian Qi Qi's head.

Dian Qi Qi went to look for Su Xiao to see the twin.

Yu Qi went to her room and saw Aoi was sleeping on her bed while Shino was doing some exercise on the wheel that Tang Jin Wei bought for the ferret.

Chapter 1093 - 1093: Dinner Together

Once they felt their master's presence, Aoi opened his eye running toward Yu Qi and Shino also stopped what he was doing.

"Master." Both of them greeted Yu Qi.

"Hmm..." Yu Qi replied.

"That annoying girl is here," Aoi said.

The annoying girl was referred to as Dian Qi Qi. The girl liked the cute things. So, he also became a victim of Dian Qi Qi. If Song Ha Ting was the number one, Dian Qi Qi was the number two.

Luckily for him that Dian Qi Qi already found another thing to look at, so, he was safe for now.

Yu Qi laughed at the name given by Aoi to Dian Qi Qi. However, she reminded her not to say something like that.

"Aoi, you can not say something like that." Yu Qi patted Aoi's head.

Seeing only Aoi getting the patting, Shino climbed on Yu Qi's shoulder and rubbed his small head onto Yu Qi's cheek. Yu Qi chuckled when seeing Shino's act. Understood what he wanted, Yu Qi patted his head too. Only then, Shino grin.

"I need to take a shower first. Then we will have dinner." Yu Qi said.

"Yes, Master." Hearing the food, they both became obedient.

After taking the shower, the three of them went downstairs. Somehow, they heard someone was arguing with someone else.

"Your mouth is stink. I wonder how your girlfriend stays with you?" Dian Qi Qi said.

"Humph! I just say your clothes are weird. Why do you need to involve my girlfriend?" Tang Jin Wei rolled his eyes.

Yu Qi was speechless to see Dian Qi Qi argue with Tang Jin Wei.

"What is going on here?" Yu Qi asked in confusion.

When both Tang Jin Wei and Dian Qi Qi heard that voice, they quickly turned in her direction.

"Yu Qi."

"Sister?Yu Qi."

Then they turned to each other and glared at each other.

"Sister Yu Qi, he says my clothes is weird."

"I just say what I see."

Yu Qi sighed. Both of them were like a child.

"Stop fighting, will you?" Yu Qi said adding another sigh

"He starts it first." Dian Qi Qi pointed to Tang Jin Wei.

Tang Jin Wei rolled his eyes.

"Qi Qi, what are you doing?" Dian Shu Xian's angry voice could be heard.

Dian Qi Qi quickly hid behind Yu Qi.

"You tell me that you will behave yourself." Dian Shu Xian said. He turned to Tang Jin Wei and apologized to the man. "I am sorry about what my sister says."

Tang Jin Wei became awkward about this. "No... No... No... I am also the wrong one. I am sorry." He immediately apologized too.

"Come here and apologize." Dian Shu Xian said to Dian Qi Qi.

Dian Qi Qi came out slowly behind Yu Qi's back and apologized to Tang Jin Wei. Tang Jin Wei did not want this matter to be longer. So, he also apologized to Dian Qi Qi.

Yu Qi was impressed with Dian Shu Xian's way. She thought that Dian Shu Xian was a soft mam but when seeing Dian Qi Qi seemed to be scared of him when he was angry, she felt that he was a tough man that could be soft and tough depending on the situation.

Dian Qi Qi's mind already moved to other things which were Aoi and Shino. She bent down and patted Aoi's head. Aoi looked at his master asking for help but at a time like this, his master usually ignored him. He wanted to cry but no tear came out.

"Dinner is ready. Come and eat." Ming Yue saw the youngsters hanged out in the living room. So, she called them.

Aoi took a relieved breath when Dian Qi Qi finally released him. He quickly escaped and went to the kitchen followed by Shino on his back. They went to ask the maid for some food.

In the dining room, only Grandpa Tang, Ming Yue and Su Xiao were there. Others as always had the night duty. The youngsters greeted the older people.

Grandpa Tang saw the two unfamiliar faces.

"You must be Dian Qi Qi and Dian Shu Xian, right?" Grandpa Tang asked.

Butler Hang told him about them earlier. He had told by Butler Hang that both of them were Yu Qi's relatives from Fanghai Nation.

"Yes, Elder Tang." Dian Shu Xian nodded.

"Just call me Grandpa Tang. I heard you are a doctor too." Grandpa Tang said.

"Yes. I am an attending doctor at one of the hospitals in Fanghai." Dian Shu Xian said.

"I see. Keep up the good work. How about this girl?" Grandpa Tang moved his eyes to look at Dian Qi Qi.

Knowing the question was aimed at her, Dian Qi Qi answered the question. "I am a business student. Currently in my third year, Grandpa Tang."

"Hmm... Good. A girl nowadays should be independent." Grandpa Tang said.

"Grandpa, if you say like that meaning a man nowadays should be dependent on his girl?" Tang Jin Wei cracked a joke.

Yu Qi looked at Tang Jin Wei as he was an idiot. Ming Yue also stared at her son. She was embarrassed to admit he was his son right now.

"So, you want to stop working and like your girlfriend to give money to you? How pathetic." Grandpa Tang gave a dirty look at Tang Jin Wei.

"Wait.. wait... I am just joking." Tang Jin Wei shook his head.

Chapter 1094 - 1094: Their Reason For Coming

After dinner was over, Dian Shu Xian and Dian Qi Qi called Yu Qi for some talk. Both of them went to Yu Qi's room. Dian Shu Xian was hesitated to enter a girl's room. But he needed to.

It was because the talk that they were about to have could not be heard from others. So, Yu Qi's room was the perfect place. If they went to the living room or even a garden itself, there was still going to have the servants walking around. It was not safe.

"Come in." Yu Qi said.

Dian Qi Qi entered normally while Dian Shu Xian walked in restraint.

"Here over there." Yu Qi told them to sit at the chairs in the corner of her room.

She put away the paper on her table. They were her paperwork. After that, she sat in front of the two siblings.

"Well, what do you need to discuss with me like this?" Yu Qi asked.

"Sister Yu Qi, do you like to join us in the martial competition? It will be fun if you can join us." Dian Qi Qi said without explaining properly to Yu Qi.

"Qi Qi, you can not just ask her like that. We need to explain to her properly." Dian Shu Xian sighed. He then looked at Yu Qi. "You know about the cultivation world, right?"

"Hmm, yes. But nothing much." Yu Qi nodded.

"The cultivation world usually holds a martial art competition. We as the younger generation from the cultivation world need to participate in this martial art competition." Dian Shu Xian explained more.

"Great-Grandpa wants to introduce you as his newest great-granddaughter using this competition." Dian Qi Qi added.

"However, Great-Grandpa said, if you don't want to join, it is okay. He does not mind." Dian Shu Xian said. It was like Great-Grandpa Dian said, he did not want to burden Yu Qi if she did not want to.

"I see. May I know when and how long the martial art competition would behold?" Yu Qi needed to know that. She had work that she needed to consider.

"The competition is going to be held within 6 months later. As for how long it is, the longest competition that we used to have was about one week. The shortest one was three days. It depends on the participants in the competition. The faster they complete the competition, the shorter the day of the competition." Dian Shu Xian said.

"Hmm... Let me think about that first." Yu Qi said.

"Please don't tell others about this. Normal people should not be involved with the cultivation world." Dian Shu Xian advised.

"What's about my fiancée?" Yu Qi wanted to discuss with Long Hui but when Dian Shu Xian mentioned that, she needed some confirmation.

"Oh, since your fiancée already knows about our family, you can tell him about that." Dian Shu Xian said.

"Okay. Can he participate in the competition as well?" Yu Qi asked more.

Dian Shu Xian wanted to say no but on the second thought, he hesitated. He remembered that Long Hui was not a normal person too. He could fight equally with Great Grandpa Dian.

"Hmm... I think he can if he wants but he is probably going to participate under Dian Family's name. However, it needs to be discussed with family elders." Dian Shu Xian replied.

"Okay. I will visit Dian Family in the near future." Yu Qi said.

"Sister Yu Qi, it is exciting to fight someone." Dian Qi Qi said.

"You have joined it before?" Yu Qi asked.

"Of course, I already joined when I was 14 years old. I was the youngest participant ever. Usually, people will join the competition when they reach the age of 17 years old. But I was bored at that time, so, I signed up secretly." Dian Qi Qi laughed when remembering that moment.

"Have you won?" Yu Qi asked.

"Of course not. Brother Zin Fang was the winner of that year. I got beaten up by him after that." Dian Qi Qi could still feel the pain of getting beaten up by her brother. "After that, I got scolded by my father and my brother."

"Of course, you needed to be scolded. You can be injured in that competition." Dian Shu Xian interrupted the conversation.

"But Brother Zin Fang is the one who beat up me." Dian Qi Qi rolled her eyes.

"Well, father told him to do that." Dian Shu Xian said.

"Well, even so, after that year, I started to participate in each of the competitions every year." Dian Qi Qi said.

"Because Elders think they could not stop you anymore. So, they just let you participate in the competition." Dian Shu Xian said.

"Well, is this competition dangerous?" Yu Qi said.

"Well, it depends on the mission." Dian Shu Xian said.

"Well, it heard two or more had died during the mission." Dian Qi Qi revealed the truth.

"Oh, really? Since it is dangerous, why do you need to participate?" Yu Qi asked.

"It is for the honor of our family. The ones who died were properly careless about their safety, just wanted to compete. So, they died." Dian Shu Xian said.

"I see. Like I said before, let me think about that first." Yu Qi said.

"Don't worry about that. We don't require your answer right away. Just give a thought about that." Dian Shu Xian nodded.

He really did not expect Yu Qi to agree right now. He knew that she was very busy as a doctor.

Chapter 1095 - 1095: Coming To Subei City Again

"We are done talking right?" Dian Qi Qi asked.

"Yeah." Dian Shu Xian nodded.

"Then, Brother Shu Xian, you should go back to your room." Dian Qi Qi waved her hands.

"You also need to go back to your own room." Dian Shu Xian said.

"Well, I have already decided to sleep with my dear Sister Yu Qi." Dian Qi Qi grinned.

Dian Shu Xian was stunned. Then, he sighed. He knew that Dian Qi Qi already decided her decision. It would not be easy to change that.

"Okay... I will go to my room. Don't talk all night. Sleep too." Dian Shu Xian gave some advice.

"Okay... okay... I will..." Dian Qi Qi pushed Dian Shu Xian out of the room as Yu Qi already opened her door.

Dian Qi Qi was currently wearing a gothic lolita pajama. She was so cute. Yu Qi already thought that the clothes were cute even though it was in black color.

"Sister Yu Qi, do you work tomorrow?" Dian Qi Qi asked.

"Nope. I have a day off tomorrow." Yu Qi said.

"Great. Can we hang out together tomorrow?" Dian Qi Qi asked with a flash of expectation in her eyes.

Yu Qi did not answer right away. She actually had another plan tomorrow. She wanted to go to Subei City to buy another batch of the stones. And she already made the promise with Elder Zheng Zhuxian to go together with her.

"Do you already have another plan for tomorrow?" Dian Qi Qi asked when she saw the hesitation on Yu Qi's face after hearing the question from her.

"Well... actually I do." Yu Qi said weakly.

"Oh... I see... It's okay, then." Dian Qi Qi sighed.

Yu Qi thought for a second. She felt there was no problem for Dian Qi Qi to join her. Not like she went to a secret operation.

"If you want to go together with me, I don't mind though." Yu Qi said.

Dian Qi Qi quickly turned and looked at Yu Qi. "Really?"

Yu Qi could see the happiness in Dian Qi Qi's eyes. She smiled.

"Of course, you can, my dear." Yu Qi nodded.

"Then, I will follow you." Dian Qi Qi said while nodding several times.

"Okay. Let's go together tomorrow." Yu Qi said.

"By the way, where are we going tomorrow?" Dian Qi Qi asked.

"We will be going to Subei City. I want to buy some stones." Yu Qi explained.

.....

"You are going with Yu Qi?" Dian Shu Xian asked Dian Qi Qi during breakfast.

"Yeah. Sister Yu Qi invites me to go together with her. She wants to go and buy some stones." Dian Qi Qi explained.

"Do you force her to allow you to go with her?" Dian Shu Xian narrowed his eyes.

"Of course not. I do ask her to hang out together with her but she tells me that she needs to go to Subei City. Then she invites me together." Dian Qi Qi rolled her eyes at her brother.

"Is that true?" Ignored his sister, Dian Shu Xian asked Yu Qi himself.

"Yeah. I invite her too. I don't think her presence will disturb me. So, don't worry about that." Yu Qi said.

"If you say so, then, it is okay." Dian Shu Xian said.

"Then, you will be alone, Brother Shu Xian." Dian Qi Qi chuckled.

"I also have another plan." Dian Shu Xian said.

"Huh? What? What plan?" Dian Qi Qi asked.

"He will be coming with me." Tang Jin Wei said.

"Huh?" Both girls tilted their eyes.

"He wants to see our hospital. So, I will bring him there." Tang Jin Wei said.

"Oh..." The girls nodded.

Dian Shu Xian was a doctor. He wanted to see the hospital here.

"Don't worry. I will not disturb your work." Dian Shu Xian politely said.

"Don't worry about that. I will ask someone to take you for the hospital tour then." Tang Jin Wei said.

"Thank you." Dian Shu Xian nodded.

"I think it is about time. Qi Qi, time to go." Yu Qi finished eating.

"Okay." Dian Qi Qi replied.

"Listen to Yu Qi. Don't get lost." Dian Shu Xian reminded.

"Brother Shu Xian, I am not a child." Dian Qi Qi pouted. "I am going first."

Yu Qi drove her car. She went to pick up Elder Zheng Zhuxian first before heading to Subei City. Elder Zheng Zhuxian lived not far from her neighborhood. Actually, she offered her to live at one of the houses nearby but Elder Zheng Zhuxian refused.

She told Yu Qi that she have a son that lived near the warehouse that they processed the jade. She felt it would be better if she just lived with him. Yu Qi did not mind though.

Elder Zheng Zhuxian was surprised to see another unfamiliar face when Yu Qi picked up her. The girl was wearing weird clothes. However, she was surprised when the girl politely greeted her and introduced herself.

"Hello, Elder Zheng. I am Dian Qi Qi, Sister Yu Qi's relative. I hope you don't mind if I join you today." Dian Qi Qi said.

"Oh... don't worry about that. I? don't mind at all." Elder Zheng Zhuxian smiled.

Even though the girl's clothes were weird but she still had some manners. Well, she did not think that Yu Qi would allow this girl to follow her if she knew this girl was a problem. Meaning this girl was okay.

Chapter 1096: Chi Yuan Begged Yu Qi To Slap Her.

The three of them arrived at Subei City. Yu Qi directly drove to stone gambling street. Once they got out of the car, they had arrived attention of others.

Elder Zheng Zhuxian was a famous master in stone gambling. Yu Qi had her beauty while Dian Qi Qj was cute in her weird clothes.

"What are we going to do here?" Dian Qi Qi asked.

She thought Yu Qi would be going to some fancy shops or something like that. Because Yu Qi told her that she needed some jade supplier for HuiQi Jade Store. So, she assumed the shop must be good looking since it sold jade. But now, she just could find the street that looked strange.

"I told you, I want to buy jade. These areas have a lot of suppliers." Yu Qi said.

Dian Qi Qi was a little bit confused about that.

Elder Zheng Zhuxian understood her face. "Yu Qi will buy the stone here. She will cut the stone to see whether the stone contains jade or crystal. That is why Yu Qi says, she will buy the supply here."

"Oh... I see. Sorry. I don't know about that." Dian Qi Qi gained new knowledge today.

"I am sorry. I thought you know about stone gambling." Yu Qi said.

"I heard about that before from Brother Ren Qi. But I don't really understand that. Today, I understand." Dian Qi Qi smiled.

"Let's go and take a look inside." Elder Zheng Zhuxian said.

The three women entered the store. Dian Qi Qi looked around. As Yu Qi said, they were really selling the stone. She could see that the stones were in many sizes.

The storekeeper was shocked when seeing Yu Qi's face. He remembered the girl. She was the one who came several months ago, had a competition with Chu Mingshu's disciple, and won the competition beautifully. Now the same girl appeared again at his store.

He also could see Elder Zheng Zhuxian behind the girl. It seemed both of them were coming here together. The storekeeper approached them with a smiling face.

"Elder Zheng... Miss Tang... Long time no see." The storekeeper greeted them.

"Yeah. It has been a long time." Yu Qi nodded. "You have a lot of stones today too."

"Yes. Miss Tang can choose. If you need the cutting service, just let me know." The storekeeper said.

From what he could conclude, this girl would have her shopping spree again this time. He really wanted to scream in excitement right now. He could hear the money sound in his mind.

"Elder Zheng, let's begin. I trust you." Yu Qi said.

However, when they were prepared to start to buy the stones, other customers walked into the store. It was Elder Chu Mingshu and Chi Yuan. It was a fucking coincidence that they were meeting here today.

"Zheng Zhuxian, Long time no see." Elder Chu Mingshu said while he looked at Yu Qi too. "Miss Tang, you too."

"Nice to meet you again, Elder Chu." Yu Qi replied.

"Yeah. How have you been?" Elder Zheng Zhuxian said. She had no complicated relationship with Elder Chu Mingshu.

"I am good." Elder Chu Mingshu said.

"Hello Elder Zheng. Miss Tang, Long time no see too." Chi Yuan greeted Elder Zheng Zhuxian and Yu Qi with a sweet smile. "So, Miss Tang decides to be Elder Zheng's disciple?"

Elder Chu Mingshu looked at both of them. He was surprised. He did not consider that. He just thought they were somehow met here.

"Of course not. Miss Chi, you already see that Miss Tang is very talented in stone gambling. She does not need my teaching. Don't you already know several months ago?"

Chi Yuan felt that she had been slapped by a visible slap on her cheek. Elder Zheng Zhuxian had reminded her about her loss to Yu Qi in that stone gambling competition. She just could smile while holding her anger.

"We are working together right now. That is why we are here together." Elder Zheng Zhuxian explained the reason as for why Yu Qi and she were together right now.

"I see." Elder Chu Mingshu nodded.

"I am sorry for assuming that, Elder Zheng, Miss Tang." Chi Yuan said.

Then her eyes moved to Dian Qi Qi. She was looking up and down seeing the weird clothes that Dian Qi Qi wearing. That was so rude.

"What? Why do you staring at me like that? That is so rude. Do you have any issue with me?" Dian Qi Qi asked.

Dian Qi Qi was a hot-blooded girl. A lot of people stared at her like that. She almost could understand their thought. 'Why is this girl wearing something blizzard like this?' Or 'Is this girl crazy wearing something like that?' She always wanted to see those people minding their own business but she used to calm down.

However, it was different for this girl in front of her. She was so rude. And she also felt annoying when facing this girl.

"Oh, I am sorry for staring at you like that. But I really wonder why do you wear such a thing like that?" Chi Yuan could not stop her mouth.

"It is not your business about what I am wearing. It is nothing to do with you and I don't even know you for you to comment like that to me. Humph!" Dian Qi Qi rolled her eyes.

"Yeah. It is nothing to do with you, Miss Chi." Yu Qi also responded.

"I am just asking. No need to be angry at me." Chi Yuan said.

Chapter 1097: Stop Being Copycat

"We don't want to waste any more time. We will excuse ourselves." Yu Qi said to Elder Chu Mingshu out of respect.

The three of them left Elder Chu Mingshu and Chi Yuan alone.

"I don't know why I feel annoying to see that girl. Her voice and her face, it is really annoying." Dian Qi Qi commented in a low voice to Yu Qi.

"Don't bother about her. She is like that." Yu Qi said.

"Okay." Dian Qi Qi let the thing go away from her mind.

They began to select the stone. Dian Qi Qi offered her help to help Elder Zheng Zhuxian to push her cart since that cart would be full with the stone. Dian Qi Qi was confident with her strength.

Dian Qi Qi looked at Yu Qi and Elder Zheng Zhuxian. She could see the difference between both of them. Elder Zheng Zhuxian took the stone and flashed some kind of light to the stones and observed the stones several times before making her choice. Unlike Yu Qi, she looked at the stones for a few seconds and put them into the cart.

Wanted to know more about that, she asked Elder Zheng Zhuxian since she was near to her.

"Elder Zheng, why do your method on choosing the stones is different from Sister Yu Qi?" Dian Qi Qi asked.

Elder Zheng Zhuxian was not stingy with her knowledge. So, she explained to Dian Qi Qi.

"Miss Tang's method is different than mine. I don't know about her method. But about my method, I need to touch the stones to feel their texture. Sometimes, I flashes some light to the stones. The stones turned their color when having the light flashed on them, meaning the stones might valuable. It depend on what inside them." Elder Zheng Zhuxian explained.

She took a stone and touched the stones surface. "Come here and look at this stone. The surface is pretty smooth, right?" She let Dian Qi Qi touched the stone.

"Yes." Dian Qi Qi nodded after touching the stones.

"Meaning there is something inside this stones. Let's flash some light." Elder Zheng Zhuxian said. She flashed the light.

The stone's colour did change a little bit.

"Wow, it did change its colour." Dian Qi Qi amused with what she saw.

"In this stones, it is probably quartz or clear crystal." Elder Zheng Zhuxian made some conclusions.

She then put the stones into the cart.

Dian Qi Qi followed Elder Zheng Zhuxian around. As for Yu Qi, she already took a second cart since the first one was already full. She could feel the energy of the stones even better right now. So, she did not have any problem on choosing the stones.

"Miss Tang, you do like reckless choices." Chi Yuan came to Yu Qi and talked to her.

"Miss Chi, can you stop being busybody?" Yu Qi did not have time to talk to her.

Chi Yuan looked around. There were people around but still far from them. They would not be listening to their conversation.

"You should be the one to stop being such a copycat." Chi Yuan said in a low tone.

Yu Qi had sharp ears. So she heard Chi Yuan very clearly.

"So, now you are going to stop pretending in front of me?" Yu Qi glanced around.

No wonder she dared to speak like that. They were pretty far from people.

"You should stick on being a doctor. Why do you need to open the Jade store? Are you really jealous on me?" Chi Yuan did not pretend anymore.

Yu Qi chuckled. "I am jealous toward you? Why should I being jealous toward you? You don't have anything that I want. I should be the one that asking you that question. Are you jealous since I have what you want?"

Chi Yuan's expression changed. "You!" She gritted her teeth. Of course, she was jealous toward Yu Qi. Yu Qi had Long Hui that she loved from she knew about feeling and love.

The first time she met Long Hui when Long Hui came to visit Wei Family when he was younger. That time she was eleven years old. She was stunned when she first saw Long Hui.

Even Long Hui was younger, his features already showed that he would become a handsome man in the future. That when Chi Yuan made the decision that she would be his wife in the future.

She started to visit Wei Family more and built a good relationship between Grandma Wei. She knew Long Hui's personality that he disliked to talk with women. Even his cousin such as Wei Su Kee and Wei Ding Ye, he treated them like others. Except for the paternal cousin, Feng Yue. She knew Long Hui treated her well. However, he could not marry her. So she cared less about that.

However, this girl, Tang Yu Qi came, destroying everything that she wanted. Of course she was jealous. She was angry.

"Don't be so happy. You never know what is going to happen in the future." Chi Yuan said angrily to Yu Qi.

"Yeah. I don't know what is going to happen in the future. But right now, Brother Hui is mine. You can't do anything about that." Yu Qi smirked.

Hearing that made Chi Yuan's blood boiled. "You." She wanted to slap Yu Qi but her hand was caught by Yu Qi.

"You can say whatever you want to say. I don't care. But if you want to be violent toward me, you need to prepare for it." Yu Qi pushed Chi Yuan's hand away.

Chapter 1098: A Failed Framing

Chi Yuan's body swayed and she ended up falling on her butt. She made a sound.

A man rushed to help Chi Yuan.

"Miss Chi, are you okay?" The man asked Chi Yuan in worried.

This man was clearly Chi Yuan's admirer. While helping Chi Yuan up, he turned in anger in Yu Qi's direction. "What do you think you are doing?" However, he was stunned when seeing Yu Qi's face.

"Ouch." Chi Yuan made some sounds.

Only that, the man was back to normal. "You can not do something like this. Pushing someone like this." He said to Yu Qi. This girl must bully Miss Chi.

Yu Qi did not say anything as she narrowed her eyes. Her cold eyes made Chi Yuan and the man felt scared after seeing Yu Qi's stare.

"Miss Chi, you really know how to act." Yu Qi snorted.

Chi Yuan made an expression that looked she was wronged by Yu Qi. People began to look at them and whispered about that.

"What is going here?" Elder Chu Mingshu came and asked.

"I saw Miss Chi fell onto the ground while talking to this lady." The man who helped Chi Yuan answered that.

"So, this gentleman here wants to say that I push her?" Yu Qi raised her eyebrows.

"Well..." The man was hesitant to say that.

"I am doing just my thing. Suddenly Miss Chi comes and talks to me. The things should not go as she wants. So she wanted to slap me. I grabbed her hand. Once, I let her hand go. She suddenly falls to the ground. So, it is not my wrong that she falls on the ground." Yu Qi glanced at Chi Yuan's 4 inch high heel. "Or Miss Chi should try and wear the flat shoe instead of those high heels."

Chi Yuan felt very offended by that statement. She was aware that she was short. If she did not wear the high heel, she did not look good. And Yu Qi had told everything.

"Is that true, Chi Yuan?" Elder Chu Mingshu asked.

"No... Teacher... It is not like that." Chi Yuan turned and shook her head several times.

"If you don't believe me, we can look at the CCTV in this shop." Yu Qi smiled.

Chi Yuan immediately became pale. She looked around. There were no visible cameras around. This shop did not have any CCTV cameras.

The storekeeper was shocked to hear that. His owner worked so hard to hide the CCTV Camera around the store. Since his owner placed the CCTV camera, there was no customer who realized that they had been recorded.

However, right now, the girl seemed to notice and even knew where the CCTV cameras were hidden.

"How do you know?" The storekeeper asked.

That question acknowledged the existence of the CCTV camera. Chi Yuan became paler.

"Well, it is a secret." Yu Qi smiled at the storekeeper. Then, she turned around and looked again at Chi Yuan. "So, do you want to see it, Miss Chi?"

"I am sorry, Miss Tang. I should not talk rudely to you. Please forgive me." Chi Yuan knew there was no way out from this matter. So, she thought it would be better to acknowledge your fault and apologized at the same time.

"Miss Chi, if you see me in the future, it would be better if you ignore me. I will do the same things. It would be terrible if we argue and you fell down at a place where no CCTV. People will blame me for your fall." Yu Qi said, dropping the bomb.

People who listened to this conversation would understand the meaning behind Yu Qi's statements. It seemed Chi Yuan wanted to make some trouble to Yu Qi but was unsuccessful because there was a CCTV camera that recorded everything.

People thought that Chi Yuan must felt bitter after losing to Yu Qi in the last stone gambling competition. Not to mention Long Hui. People knew that Chi Yuan thought she would be Long Hui's bride. And suddenly Yu Qi appeared and snatched everything that she thought she owned.

"What's happened here?" Dian Qi Qi asked after seeing people gathered around.

However, no one answered her.

She saw Yu Qi and Chi Yuan at the center of people's gather. She quickly approached Yu Qi.

"Sister Yu Qi." Chi Yuan called Yu Qi.

Yu Qi felt there was no need for her to be here anymore. She wanted to leave the area.

"Where is Elder Zheng ?" Yu Qi asked because she knew that Dian Qi Qi was together with Elder Zhuxian earlier.

"Elder Zheng is still busy choosing the stone at the opposite area. I went to the ladies just now." Dian Qi Qi explained.

Before Yu Qi left, Elder Chu Mingshu talked.

"I am sorry for my disciple of mine." He said.

"Never mind." Yu Qi was not angry with Elder Chu Mingshu. He was not the wrong one.

They left to find Elder Zheng Zhuxian.

Meanwhile, the storekeeper called the owner and told him about the incident that just happened earlier.

"What? Do you mean the position of the CCTV camera had been exposed?" The owner said.

"No... they have not been exposed yet. But everyone knew about the CCTV camera in our store." The storekeeper said.

"Oh. I see." The owner was relieved about that. "Go and give my card to that woman." He ordered.

"Yes, Sir." The storekeeper nodded.

Chapter 1099: Dian Qi Qi's Strength

That woman was very good. It was not bad to build a relationship with that woman. That was what the owner thought.

Yu Qi was talking to Elder Zheng Zhuxian. Elder Zheng Zhuxian did not being called the expert for no reason. Yu Qi could see all the stones that Elder Zheng Zhuxian chose had something worth inside them.

"I guess it is enough for our supply." Elder Zheng Zhuxian said.

"Yeah." Yu Qi nodded. She was very satisfied with today's harvest.

Then they could see that the storekeeper was running toward them. He stopped in front of Yu Qi and gave a card to Yu Qi.

"Miss Tang, our owner would like you to accept this." The storekeeper said to Yu Qi.

Yu Qi reached out for the card and read it.

'Heaven Paradise, Mr. Chu Nan.' That was the written on the card.

"Mr. Chu is the owner of the store." The storekeeper explained.

"I see... Thank you for the card." Yu Qi said. She then took out something from her bed.

It was a box of cards. She had many cards, to begin with, because she was the owner of any business. She did not want to make them but Su Yu Hi made them without her knowing and gave them to her after the cards were ready.

Since it was related to her Jade business, she took out the HuiQi Jade card owner and gave it to the storekeeper.

"Please give this to your owner." Yu Qi said.

"Yes, Miss Tang." The storekeeper nodded and left.

"Let's go and make the payment for our purchases." Yu Qi said.

There were four carts that were full of stones. People were surprised to see someone buying so much. It was probably worth a few million money.

The storekeeper took over over cashier's job. He did not dare to let the newbie cashier process this purchase. It was better for him to do it by himself.

"Everything is 20 million RMB. Do you need to use our cutting service?" The storekeeper gulped as he said the price.

"No. We don't need the cutting service. Just pack and deliver them to this address." Yu Qi gave the address where her jade warehouse was.

"Yes, Miss Tang." The storekeeper nodded.

Yu Qi paid 20 million RMB with her card. People who looked at her were stunned as she did not hesitate to pay such an amount for the stones which they did not know whether the stone was worth or not.

"Hai beauty. Do you like to have some drink with me?" A young man said to Dian Qi Qi who waiting for Yu Qi completed her transaction.

Dian Qi Qi was looking at the gallery showed the picture of the jade at the side corner of the store. She never thought that there might be jade or crystal on those stones.

Then she heard someone beside him. At first, she thought he was talking to someone else. So, he ignored him. Then the man started talking more.

"Hey, are you listening to me?" The man said.

Dian Qi Qi turned with a frowned expression. She was having fun looking at the picture. Which idiot that disturbing her peace?

"What do you want?" Dian Qi Qi asked in a displeased tone.

The man was stunned as he looked at the girl's face. He did not expect that she was such a beauty. He was from the young generation. So he knew what kind of clothes that she wore. It was gothic lolita. It was cute clothes, to begin with.

"I want to invite you to some drink. Do you want to join me?" The man invited Dian Qi Qi again.

"I am sorry. I have the accompanies." Even though she was displeased with the man, she still refused him politely.

However, the man seemed would not want to take the 'no' answer. He took an action to pull the beauty's hand.

Of course, Dian Qi Qi would not let someone that she did not know to touch her. So, she stepped back.

But the man did not give up and managed to grab Dian Qi Qi's hand. However, before he managed to do something else, he could feel the pain in his stomach followed by the pain in his back.

It was a loud sound. Everything in the store went to see the source of the sound. They could see a man was sitting leaning on the wall. The most surprising thing was the wall behind the man was cracked.

"What happens here?" A man asked.

"That girl kicks him." Someone said. He was also in shock.

He was a friend of the man who had been kicked. He saw everything that happened.

Yu Qi walked to Dian Qi Qi.

With a sad expression, Dian Qi Qi whined to Yu Qi. "He touches me first. So, I kick him but I am using a little force. I don't know that he is so weak."

Every one was speechless with that. 'Little force? That can crack the wall?' How could that be a little force? The man was conscious when he heard Dian Qi Qi said ended up losing his consciousness when listening to Dian Qi Qi.

Yu Qi sighed. "I am calling the ambulance." She immediately called the ambulance.

Then she turned to the man who seemed to befriend to the unconscious man.

"Do you know him?" Yu Qi asked.

"Yeah." The man nodded several times.

Chapter 1100: Backed Up By A Powerful Person

He knew this woman. She was the owner of the famous nowadays, HuiQi Jade Store. Seeing the girl who kicked his friend whined to this woman, meaning the girl had a close relationship with HuiQi Jade's owner.

"Please call his family and inform them about this incident. And please tell them about this." Yu Qi said.

"Yes... of course.... of course..." The man nodded.

"I am causing a problem to Sister Yu Qi. I am sorry." Dian Qi Qi frowned.

"Never mind. It is probably the man who wants to take advantage of you first." Yu Qi patted Dian Qi Qi's head.

The next 15 minutes later, the ambulance came and took the man to the hospital. Yu Qi and Dian Qi Qi would follow them by the car. Yu Qi explained what had happened.

Elder Zheng Zhuxian knew the man. It was the younger generation from Sun Family. Their Family's business was related to jewelry. The worst thing was the man was a playboy. He liked to date women. After sleeping with the woman two and third times, he would break up and date another woman. Totally a scumbag.

While driving to the hospital, there was a loud rumbling sound. It was Dian Qi Qi's stomach. She was hungry. It had already passed lunchtime. They had been in the store for a long time.

"Well, it is better if we eat first before going to the hospital." Yu Qi said.

So, they stopped by the restaurant on the way to the hospital. There were not many people there since it had passed lunchtime.

Dian Qi Qi was glad that she could eat first before going to the hospital. If they went to the hospital first, who knew how much time it would take to settle the issue. However, she did feel horrible about causing trouble to Yu Qi.

"Don't think much about that. I will settle it." Yu Qi said.

Dian Qi Qi smiled. Having an older sister was different from having older brothers. Even they would help her settle the problem, she would be scolded before that.

After having a late lunch, they went to the hospital. Yu Qi asked the counter about the man who was sent one hour before. The nurse informed the location. They went to the ward. Outside the ward, they could hear their conversation.

"My poor baby, I will make sure that they have the worse." A woman was crying.

Yu Qi decided to enter without knocking. The people inside were surprised when seeing a girl entering their ward. It was a private ward. So, there should no one else here. This girl should be got the wrong room.

"Miss, I think you get the wrong room." A middle aged man said.

"No, I get it right." Yu Qi said. "My sister causes him into that state."

The middle aged woman, seeming she was the man's mother turned angrily to Yu Qi.

"You are the one who makes my son like this? I will make sure to pay for this." The woman said.

Then the middle aged man pulled his wife before his wife managed to put a finger on the girl.

"Why do you stop me?" The middle aged woman became angry when her husband stopped her.

"Miss Tang..." The middle aged man greeted Yu Qi.

It seemed the middle aged man had recognized Yu Qi.

"You know me?" Yu Qi asked.

"Yes. You are the owner of HuiQi Jade." The man said.

The middle aged woman was shocked when her husband mentioned the name. She knew the HuiQi Jade. She also liked the Jade there. The owner was also Long Hui's fiancée, a promising soldier that probably would be a general in the future. She was also from Tang Family.

"I am sorry for what my sister did to your son. I will cover his medical expenses until he recovered." Yu Qi said.

"I am sorry too." Dian Qi Qi apologized too. It was her fault that her Sister Yu Qi needed to bow to those people.

"You need to control your son too." Elder Zheng Zhuxian entered.

'Elder Zheng." The middle aged man and woman greeted Elder Zheng Zhuxian.

Elder Zheng Zhuxian was famous in the jewelry business too. So, of course, they knew her too.

"It is your son who wants to put his hand on this girl. She just protects herself although the force that she used is exaggerated" Elder Zheng Zhuxian explained.

"Yes, Elder Zheng. I will make sure that he will never do that anymore." The middle aged man said.

The middle aged woman also nodded. She could not do anything to the culprit who harmed her son since she was backed up by others.

The middle aged man felt relieved. Even though his son wanted to make a move to that girl, people behind that girl would not do anything after this. Otherwise, his business might in the stake.

"You can contact me by this name for the medical expenses." Yu Qi gave her doctor card to the middle aged man.

Once the middle aged man received the card, he understood that Yu Qi did not want to have anything with his family other than the medical expenses. Otherwise, she would give him, the business card.

Yu Qi felt the matter was settled for now. They excused themselves. However, Yu Qi went to the counter to ask for the man's information and the doctor who treated him.
