

INTELLIGENT 1211

Chapter 1211: The Next Round Starts

She did not need to worry about the supply of herbs. She already had the unlimited supply here.

"Don't worry about that. The products will be easily accessed in the Fanghai Nation later." Yu Qi smiled.

"Huh? Are they going to open their branch here? Wait... Why does Sister Yu Qi know about this?" Dian Qi Qi asked confused.

"Well... It is my company." Yu Qi tilted her head.

"What? Really? Why don't you tell me earlier?" Dian Qi Qi was kind of shocked.

"I forget." Yu Qi grinned.

"Well, it is great. We can buy it in Fanghai Nation." Dian Qi Qi was happy to hear that.

"Oh, you are a businesswoman." Wan Yang Mi said.

"That is just my side income." Yu Qi grinned.

"Side income? Then, what is your main occupation?" Wan Yang Mi was kind of curious about Yu Qi.

"She is a doctor." Dian Qi Qi interrupted. "A surgeon."

"That's amazing." Wan Yang Mi respected a person who was willing to save people.

"I don't mind if you want to have a long talk. But Yu Qi, do you forget your boyfriend over there? He keeps glaring at me." Dian Ren Qi coughed several times.

Yu Qi turned around and saw Long Hui indeed was glaring at them.

"I think I will go back." Yu Qi chuckled.

"Hmm... look like the next round will be started later." Wan Yang Mi commented when she heard the last stage had its winners.

"Yeah." Dian Ren Qi nodded.

Then, the next round started after one hour after the last stage was over. This time, they were going to have one by one combat battle. The fight had been determined randomly by picking the name of the balls.

The winners from the previous round would be put into a big ball. When two names had been picked up, they would be fighting each other until someone admitted defeat.

There would be 15 fighting in total. The fight could be longer than one day. It depended on the fighter.

"Fight exceeded one day?" Yu Qi asked Dian Qi Qi.

"Well... from my experience, no one fight exceeds one day. Even when Brother Zin Fang fought Bucong Shuye, it only took half day." Dian Qi Qi spoke from her experience.

"I see." Yu Qi understand. No wonder, they could not determine the duration of this competition.

"What if the competition still continued after the dark?" It was from Long Hui.

"It would be continued until someone admit defeat." Dian Zin Fang said.

He remembered that his Great-Grandpa Dian told him that he once fought with his friend in a martial arts competition 3 days straight before they could get the winner.

Their conversation ended when they heard the MC's voice.

"The next round will be started now. We will call Great Elder Dian to pick up the first pair that will be fighting later."

Great Grandpa Dian stood up and went up onto the stage. The MC welcomed Great Grandpa Dian. Great Grandpa Dian let his hand into the ball.

He picked up a small ball and pulled it out of the big ball.

"Oh, Great Elder Dian picked a name. Sir, please pick up another one."

Great Grandpa Dian put the first small ball and did the same action. He picked up the second small ball.

"Please open the first one, Great Elder Dian."

Great Grandpa Dian opened the name and shouted the name. "Jiang Han Yun."

Then, he opened the second one. "Huo Jinxi."

Once the names were announced, people were cheering. One man stood up, it was Jiang Han Yun. Then, a woman stood up, Huo Jinxi.

"Come onto the stage, both of you."

They came up onto the stage. Both of them bowed to each other before starting the competition. They took their stand.

"The fight starts now."

Right after the voice, Jiang Han Yun started his attack on Huo Jinxi. Since both of them passed the first round, meaning they were strong.

Huo Jinxi defended herself from Jiang Han Yun's attack. Jiang Han Yun did not give any chance to Huo Jinxi to counterattack. He kept attacking Huo Jinxi.

"Jiang Han Yun improved himself a lot this time." Dian Zin Fang commented.

"Yeah." Dian Ren Qi agreed with that.

Some of Jiang Han Yun's attacks gave some damage to Huo Jinxi. Huo Jinxi gritted her teeth defending herself from the continuous attack.

Huo Xi was quite worried for his great-granddaughter. However, he did not say anything.

Huo Jinxi kept defending herself. She was waiting for a chance to counterattack. Then the chance had come. Jiang Han Yun misses his step.

With that, Huo Jinxi stopped defending herself and started attacking Jiang Han Yun. Because she knew that her attack was weaker than Jiang Han Yun, she increased the speed to double the strength.

Jiang Han Yun could not catch up with her speed and ended up being kicked on his stomach several times. He began to feel the pain.

However, he could not bother with the pain. The fight continued for a while. Jiang Han Yun began to show the signal of losing. Huo Jinxi continued to use a speed attack on Jiang Han Yun.

Because of that, Jiang Han Yun miscalculated and got kicked on his head. Jiang Han Yun fell to the ground unconsciously.

The judge quickly checked on Jiang Han Yun. He checked whether Jiang Han Yun could continue to fight again or not. The judge shook his head.

"Huo Jinxi win." The judge announced.

Chapter 1212: The First Fight

The audience clapped their hand and cheered. Well, not everyone. Who was on Jiang Han Yun's side was not happy with the result. But they could not do anything.

Jiang Han Yun lost the fight. Huo Jinxi bowed her head to the judge and the audience before going down from the stage. Huo Xi was relieved seeing her win.

without wasting any time, the MC called Huo Xi to select the names for the next fight. The second fight will be between Bucong Jiye and Dian Qi Qi.

"I have been waiting to kick that stupid girl." Dian Qi Qi clenched her fist.

"Have fun." Yu Qi chuckled.

Both of the girls came up onto the stage. Bucong Jiye also thought the same as Dian Qi Qi. She wanted to kick Dian Qi Qi's ass.

The judge shouted that the fight started now. Bucong Jiye smirked at Dian Qi Qi.

"Dian Qi Qi, I give you a chance to surrender now. Otherwise, I will make sure you will be suffered." Bucong Jiye said the words arrogantly.

"Please, don't joke with me." Dian Qi Qi replied. Then she continued. "I want to say the same things to you."

"You!" Bucong Jiye pointed her finger to Dian Qi Qi.

"Let's start the fight, will you?" Dian Qi Qi made an annoying face.

"I will kick your ass." Bucong Jiye shouted as she rushed over to Dian Qi Qi's side.

Bucong Jiye wanted to kick Dian Qi Qi. Dian Qi Qi saw through her intention and avoided the attack. Dian Qi Qi could tell that Bucong Jiye became faster compared to the last year they were fighting.

"Well, I can tell. You are indeed improving but still weak to me." Dian Qi Qi sneered.

"How dare you belittle me!!!" Bucong Jiye shouted in anger.

She threw the kick and also punch Dian Qi Qi. Dian Qi Qi did not stay silent. She also attacked Bucong Jiye. After a few contacts, they separated while catching up on their breaths.

Then, Bucong Jiye took out her weapon. It was a long sword. Everyone was surprised to see the sword. Why was that?

It was because the sword belonged to the previous head of the Bucong's family. It was told that the sword was very good and robust.

"It seems Bucong Head really likes his granddaughter."

"Yeah. To give a precious sword to her. Even the strong Bucong Shuye does not have this opportunity."

"Can Bucong Jiye use the sword properly?"

"Who knows about that?"

"Well, we can see from this fight though."

Bucong Guang did not say anything. He just watched the fight. Actually, he did want to give the sword to Bucong Shuye but the latter did not want it.

Bucong Shuye preferred to use his body to fight. Not because he did not know how to use the sword, he was very good at using the sword. But still using his body was much better for him.

As for the other younger generation, none of them were good at using the sword. Bucong Jiye was slightly better than others. That was why the sword ended up in her hand.

However, it would not belong to Bucong Jiye forever. The sword was a symbol of the Bucong Family's Head. Bucong Jiye would return the sword back.

"Let's see how you will survive from this sword." Bucong Jiye showed off her sword.

"Really? Then, let's compete whether my whip or your sword is stronger." Dian Qi Qi took out her whip.

"Whip?" Bucong Jiye chuckled. "Just a whip? Do you think it is better than a sword? Stop joking with me."

"Who knows? My whip might make you cry." Dian Qi Qi said.

After that, Dian Qi Qi started to make her attack using the whip. Bucong Jiye did not expect that Dian Qi Qi would be attacked her this fast. She could not avoid the attack.

The whip managed to injure her face. She screamed in pain.

"Ah!!! That's hurt. Dian Qi Qi, you injured my face. How dare you!!! How dare you!!!" Bucong Jiye was angry.

She was very proud of her face. But today, Dian Qi Qi had injured her face. She could feel the blood flow down.

"I will kill you, Dian Qi Qi!!!" Bucong Jiye rushed over to Dian Qi Qi's side.

She made a few attacks with the sword. She aimed at Dian Qi Qi's face since Dian Qi had already injured her face. She wanted Dian Qi Qi to experience the same.

She managed to injure Dian Qi Qi but not on the face. Seeing this, Bucong Jiye felt angrier. So, she attacked fiercely.

Dian Qi Qi avoided the attacks but she was not lucky to avoid some of them. Bucong Jiye managed to injure her legs and shoulder.

Dian Qi Qi clicked her tongue. Looked like Bucong Jiye had lost her mind the moment she hurt Bucong Jiye's face. Actually, she was aiming at Bucong Jiye's shoulder but Bucong Jiye moved to make the attack strike Bucong Jiye's face.

So, if Dian Qi Qi wanted to end the fight, she needed to knock out Bucong Jiye. With that determination, Dian Qi Qi also began to attack fiercely.

Bucong Head gritted his teeth as he watched the fight. Bucong Jiye was one of his beloved grandchildren. Watching her like this made him angry. Even he felt he wanted to kill Dian Qi Qi.

Chapter 1213: Dian Qi Qi Win

"Bucong Jiye is a good seed but she could not control her anger." Huo Xi commented.

"Getting injured in the face... Who will not be angry with that?" Bucong Guang responded.

"She should know the risk when joining this competition. This is not the first time she joining this competition, right?" The Head of the Jiang Family, Jiang Nanxiang sneered.

Bucong Guang glared at Jiang Nanxiang who was in the same generation as him. He could not dare to do the same to Huo Xi.

Jiang Nanxiang just smiled back at Bucong Guang.

"Jiang Head, you should not be happy. Your family lost to Huo Family." Bucong Guang wanted to change Jiang Nanxiang's attention to Huo Family.

"That means my younger generation needs to work hard." Jiang Nanxiang would not fall into Bucong Guang's provocation.

Back to the fight, both parties suffered some injuries but Bucong Jiye looked a much more horrifying fit compared to Dian Qi Qi due to the injury on her face.

After being injured for quite some time, she started feeling dizzy to the blood loss. But she did not want to give up yet.

"Are you sure you still want to fight?" Dian Qi Qi asked.

"Why? Are you afraid?" Bucong Jiye asked back.

"Well, if you don't get the treatment for the injury on your face, who knows it might leave the scar?" Dian Qi Qi said.

"You!!!" Bucong Jiye was so angry.

Because of that, she lost consciousness. She fainted. The judge came forward to check Bucong Jiye's condition. After confirming that Bucong Jiye had lost her consciousness, the judge announced Dian Qi Qi's win.

"Dian Qi Qi wins this fight."

The audience was clapping and cheering. Dian Qi Qi stepped down from the stages and rushed to Dian's Family's side.

"I won." Dian Qi Qi showed off her win to her brothers and Yu Qi.

"Congratulations." Yu Qi patted Dian Qi Qi's head.

Dian Qi Qi was happy when getting the patting from Yu Qi.

The next fight was between Murong You and Jiang Nan Shu. It was straightforward fighting. Jiang Nan Shu won. It was not surprising at all since Jiang Nan Shu was the young master of the Jiang Family.

He was the young master of the Jiang family because he was the oldest but because of his strength. The oldest in his generation could not be compared to him.

Since the sky became to change its color, the competition would be continued tomorrow. The participants and the audience left the venue.

Dian's Family also made the reservation at the nearby hotel. Actually, it was the inn owned by one of Dian's family members too. It had 100 rooms in total. So, it should be enough for all of Dian's Family members including the branch family.

They headed to the room that had been arranged by the hotel. Everyone got a room for themselves.

"I don't have to stay alone. So, I want to stay with Sister Yu Qi." Dian Qi Qi said.

"I am sorry, Qi Qi. Brother Hui is staying with me." Yu Qi apologized.

Long Hui who stood beside Yu Qi smiled mockingly at Dian Qi Qi. Dian Qi Qi saw this and clicked her tongue as she glared at Long Hui.

Dian Brothers were speechless to watch the situation.

"Let's get some dinner before heading to our room. I am hungry." Dian Ren Qi said.

"You don't go with your girlfriend?" Dian Shu Xian asked.

"No, she wants to eat dinner with her family." Dian Ren Qi said in a sad tone.

"Brother Ren Qi, you don't need to be sad. Look at Brother Zin Fang, he does not even have a girlfriend." Dian Qi Qi replied.

Dian Zin Fang looked over at Dian Qi Qi who just grinned after saying something like that to Dian Zin Fang.

Well, it was true though. Dian Zin Fang did not have a girlfriend. He did not even have a close girlfriend.

They went to the restaurant and saw Great Grandpa Dian with another old man.

"Oh, you are here too." Great Grandpa Dian said. Then he looked at Yu Qi and Long Hui. "You two, come here. I want to introduce you two to my friend." He called Yu Qi and Long Hui.

Others already knew Huo Xi.

Yu Qi and Long Hui went closer to Great Grandpa Dian.

"Yu Qi, Long Hui... This is my friend, Huo Xi. You can call him, Great Elder Huo." Great Grandpa Dian said.

"Hello, Great Elder Huo." Both of them said while bowing their heads.

"No need to be so formal with me. You can call me Great Grandpa Huo. I am in the same generation as your great-grandpa." Huo Xi smiled.

"Yes, Great Grandpa Huo." Both of them obeyed.

"I have things to discuss with your great-grandpa." Huo Xi said.

"We will go to our table." Dian Zin Fang bowed before leading his brothers and sisters somewhere else.

Dian Zin Fang understood that there was something that his great-grandpa and Huo Xi wanted to talk about without anyone else.

"So, you meant Jiang Nangong poisoned you?" Huo Xi was surprised to hear something like this from Great Grandpa Dian.

"Yeah, I have suffered 80 years due to the poison. Luckily for me, my great-granddaughter, Yu Qi found me and treat the poison. It is why I am able to come to this competition this time." Great Grandpa Dian smiled.

Chapter 1214: Is It Strange If I Stay Together With My Fiancee?

"Why don't you tell me earlier?" Huo Xi asked.

"Well, none of the doctors notice the poison inside my body. So, I don't have any proof. Not until Yu Qi checked on me. She immediately knew that I had been poisoned." Great Grandpa Dian sighed.

"Why did he poison you?" Huo Xi asked.

"You know we first meet with my late wife at the same time. But my late wife fell in love with me but him. It made him furious. I think it was the reason." Great Grandpa Dian could not think about another reason.

"You meant he was in love with Suxie?" Huo Xi was surprised by that.

"Yeah. But no one knows the truth since he already died." Great Grandpa Dian sighed.

He was somehow aggrieved that he could not know the true reason. He grew up with Jiang Nangong. He was his best friend.

"So, what do you want to do?" Huo Xi asked.

"Nothing. The current Jiang Family had nothing to do with the poison. I did not want to destroy Jiang Family. They are innocent." Great Grandpa Dian shook his head.

If he wanted to get his revenge on Jiang Family, he would start getting his revenge as soon as he recovered from the poison.

Huo Xi also thought there was a good thing that Great Grandpa Dian did not take revenge. The thing was in the past.

At another table, they ordered some delicious food. They also ordered some alcohol.

"Sister Yu Qi, please drink this. This is a local drink. It is not the same as the outside drink." Dian Qi Qi poured some alcohol into Yu Qi's glass.

"I think I will pass for tonight." Yu Qi shook her head and rejected the offer.

"Why?" Dian Qi Qi asked.

"I will be drunk if I even take a sip of the alcohol. I have zero tolerance." Yu Qi was a little embarrassed to admit that.

"Oh... I thought you will be a strong drinker." Dian Shu Xian commented.

"I am very weak. But I will drink some alcohol on special occasions." Yu Qi admitted.

"Why don't you drink? I am here to take care of you." Long Hui offered his help.

"No. I will pass." Yu Qi said.

She knew Long Hui was here. But she knew that she would change her temper whenever she was drunk. She would be bold and seduce Long Hui. It was the middle of the martial arts competition. It would be embarrassing if she and Long Hui late for the competition.

"Fine if you insist. But after the competition is over and before we return home, we will drink the local drink together, promise?" Dian Qi Qi looked at Yu Qi.

"Sure. I promise." Yu Qi nodded.

They ate dinner and returned to the hotel. As Long Hui said before, he and Yu Qi would be in the same room. Dian Qi Qi gritted her teeth when seeing both of them enter the room together. She also wanted to stay with Yu Qi.

In the middle of the night, Long Hui heard some knockings on their door. Yu Qi also heard that. She wanted to check but Long Hui shook his head.

"Let me check it." Long Hui said.

He came out of the bed and went to the door. He opened the door. In front of him, right now was Dian Chi Ne.

"Is there something matter?" Long Hui asked.

"Well, I..." Dian Chi Ne stepped forward but did not know how she fell forward. "AHHH!!" She was screaming loudly.

She thought Long Hui would help me stabilize her but Long Hui casually stepped aside. So, Dian Chi Ne ended up on the floor. It was very painful.

Her scream was so loud even the people in the room around heard that. They came out to see what was going on.

Even Yu Qi approached Long Hui.

"What is going on here?" Yu Qi asked Long Hui.

"I don't know. You should ask her." Long Hui pointed at Dian Chi Ne who was still on the floor.

"What? What are you going here?" Dian Chi Ne was shocked and she pointed her finger at Yu Qi.

"Why do you ask that question, Miss Dian Chi Ne?" Yu Qi tilted her head.

"I mean... This is Mr. Long's room." Dian Chi Ne said.

"Is it strange if I stay together with my fiancée?" Yu Qi asked while feeling confused.

"Well..." Dian Chi Ne could not reply to that.

"Let me ask you then. What do you want knocking this room knowing it is my fiancée's room?" Yu Qi changed her expression.

"It is obvious. She comes to meet Long Hui. She must think that Sister Yu Qi will stay in her room." Dian Qi Qi who came out of her room interrupted.

Dian Chi Ne could not retort that.

"Chi Ne? What are you doing?" Dian Man Ye frowned.

"I..." Dian Chi Ne wanted to explain but she could not find any word.

"It is late. We also have a competition going on tomorrow. Please handle this matter later after this competition is over." Dian Zin Fang said. He then turned to Dian Man Ye. "Man Ye, take your sister."

Dian Man Ye nodded and rushed to Dian Chi Ne's side. "Can you stand up?"

Dian Chi Ne nodded. She stood up. She wanted to leave this place. She felt very embarrassed right now that she wanted to hide somewhere else.

Chapter 1215: Embarrassed

Dian Chi Ne walked to her room. Dian Man Ye did not go to her room but went into Dian Chi Ne's room. She closed the door and approached her younger sister who was silently sitting on her bed.

"Chi Ne, what do you thinking?" Dian Man Ye questioned Dian Chi Ne.

Dian Chi Ne did not say a word. She just stared at the floor.

"Why don't you let it go? He belongs to Miss Yu Qi." Dian Man Ye sighed.

It must because of Long Hui. Her younger sister became like this due to him. However, she knew that she could not blame Long Hui for this.

She also did not expect that Dian Chi Ne would do something like this in order to get Long Hui's attention since Dian Chi Ne just met Long Hui two days ago. She did not know what made Dian Chi Ne feel when she saw Long Hui.

"What are you think you are doing?" Dian Man Ye asked. Then she sighed while continuing her sentence. "Why don't you think that your actions might affect our parents?"

This time, Dian Chi Ne gave some reactions. She looked up at her sister.

"They will not do anything to our parents, right?" Dian Chi Ne asked in a panic.

Even though she liked Long Hui, her parent was still her number one. But she did not know what influenced her to do something like that in the first place.

She asked the receptionist about Long Hui's room. She also asked about Yu Qi's room. As she predicted, their rooms were adjacent to each other.

So, she made a plan where she would knock on Long Hui's room. Once Long Hui opened the door, she would act like she was falling down right into Long Hui's arm. She also shouted as she did before.

Then, Yu Qi would come out of her room and see her inside Long Hui's arm. It would make Yu Qi misunderstand Long Hui and have them fight. With that, she might have a chance.

What she did not expect were two things. First, Long Hui would step aside and let her fall straight onto the ground. Second, Yu Qi would be staying with Long Hui in his room.

When she thought about that, she felt stupid and embarrassed. Adding to the embarrassment, all of the people on that floor saw the incident.

She knew even though they did not say anything in front of her but they must be laughing at her behind her back. And now when her sister mentioned their parent, she really thought what she had done was very stupid.

"They would not do anything to our parent right, Big Sis?" Dian Chi Ne touched her sister's hands.

"I seriously don't know about that. We need to wait until the competition is over. During this time, stop disturbing Miss Yu Qi and Mr. Long." Dian Man Ye also warned Dian Chi Ne in her advice.

"Yes, Big sis. I understand. I understand. I will not do it again. I promise." Dian Chi Ne nodded several times.

Dian Man Ye sighed once again. She did not know how many times she sighed.

.....

The last night incident had been spread among Dian's younger generation. They did not expect Dian Chi Ne would be so shameless as that.

They were also waiting for Dian Chi Ne to come out but even after they finished breakfast, they did not see Dian Chi Ne's shadow. Only Dian Chi Ne's sister, Dian Man Ye appeared.

Dian Man Ye was looking around. She found what she had been looking for. She approached.

"Young Masters, Young Miss, Miss Yu Qi, Mr. Long." Dian Man Ye greeted everyone.

"What do you want?" Dian Zin Fang asked.

"I just want to apologize to Miss Yu Qi and Mr. Long about last night's incident." Dian Man Ye bowed her head.

"What is this? The culprit is afraid to come out to apologize by herself?" Dian Qi Qi smirked.

Dian Man Ye did not say anything. She kept bowing her head.

"It's okay. Don't bother yourself." Yu Qi said.

Dian Man Ye lifted her head and looked at Yu Qi. She saw a straightforward look in Yu Qi's eyes. Meaning she meant it.

Yu Qi did not feel any ill-feeling toward Dian Man Ye. In fact, she had positive feelings toward Dian Man Ye.

"However, this matter is already known to others. We will inform the family about this." Dian Zin Fang said.

Yeah, even though Yu Qi already forgave Dian Chi Ne, it did not mean that she would escape the family's punishment.

"I understand, Young Master Zin Fang." Dian Man Ye nodded. "I will leave first."

"Chi Ne is a coward. After doing something like that, she asked her sister to ask for forgiveness." Dian Qi Qi commented.

"Her sister must love her so much then." Yu Qi replied.

"Why do you forgive her just now?" Dian Qi Qi asked.

"She was very sincere. I think it is okay to forgive her. Not like her sister did anything serious to us." Yu Qi looked at Long Hui.

Long Hui felt that Yu Qi was soft at the end. It was probably because the woman was from Dian Family. Otherwise, she might get to the bottom of it.

"We will talk about that after the competition. Let's focus on the competition today." Dian Shu Xian said.

Chapter 1216: His Fiancee Was His Bottom Line

The Head of Jiang House had been called to pick names for the next fight. It was a fight between someone from Jiang Family, Jiang Shiqin, and Bucong Family, Bucong Kai.

However, the fight ended so fast with Jiang Shiqin's win. Bucong Kai admitted defeat after knowing that his leg had been broken.

He got someone to help him to went down. He managed to take a look at Bucong Guang. Bucong Guang's eyes were cold. He moved his eyes quickly.

Bucong Guang gritted his teeth as he watched the fight. The fight was so embarrassing.

Then, it was Long Hui's turn. The opponent was Bucong Jian. Long Hui went up to the stage waiting for Bucong Jian to come.

Bucong Jian was shocked to see his opponent. His legs were trembling. 'Why does my luck is so horrible? Why do I have to fight with a monster like him?' He was reluctant to go up to the stage.

The MC called Bucong Jian's name once again. If he did not go up to the stage within the given times, it would be classified as a loss.

Being scolded by his grandfather was the same as fighting with this monster. He made his decision. It was better to fight this monster.

If he did not go, he would be beaten up by his grandfather more fiercely. If he went up to fight with this monster, he would be beaten up by this monster but still be recognized by his grandfather.

He nodded. He went up to the stage with his legs still trembling.

Long Hui's expression still did not change for others' eyes. However, Yu Qi managed to catch a slight delight in his eyes. Meaning Long Hui was looking forward to beating up this crap... fighting with this Bucong Jian.

She remembered that Bucong Jian and Bucong Nanyi ran away after Long Hui leaked his murderous aura. She wondered if Bucong Jian could stand the pressure later.

The judge announced the fight was started. Bucong Jian cautiously looked at Long Hui. He knew that this man was very strong. Probably stronger than Bucong Shuye.

"I still remember about yesterday." Long Hui narrowed his eyes like a predator eyeing its prey.

Listening to Long Hui's sentence, Bucong Jian also remembered too.

With that, Long Hui rushed over and gave a kick. Bucong Jian defended but his body moved back due to the impact power.

"You told your family members to gang me up." Long Hui stated something again.

Bucong Jian indeed did something like that.

"You told them that I play with Bucong Jiye's feelings." Long Hui smirked.

Long Hui's voice was not so loud or low. Everyone could hear that.

"What? He plays with Bucong Jiye's feelings? Are you joking? With his fiancée here, why does he need to go to play with someone like Bucong Jiye? She is not even cute as me." Dian Qi Qi commented.

Some of the audience who sat nearby Dian Qi Qi heard that. They were laughing. It could not be denied. Bucong Jiye was pale compared to Dian Qi Qi and the girl next to her.

Bucong Family members' faces were horrible. The Bucong Family members who fought with Long Hui yesterday indeed listened to Bucong Jian and Bucong Nanyi about Long Hui played with Bucong Jiye's feelings.

They thought it was true. Who knew that it was just a joke from Bucong Nanyi and Bucong Jian.

Bucong Jian frowned. He did not expect that Long Hui would straight mentioned this matter right now, in front of everyone.

"I am still not beating you up after you suggest to bet on my fiancée in order to get her." Long Hui began to leak the murderous aura.

Long Hui did not care about anything. But if someone wanted to touch his fiancée, they needed to be ready to fight with him.

"Wait? He dares!" Great Grandpa Dian slapped the table in front of him.

The table immediately showed some cracks on it. The people nearby Great Grandpa Dian swallowed their saliva as they watched Great Grandpa Dian. They could feel the pressure coming out of Great Grandpa Dian's body. The pressure was very strong.

"Sung Qin, you need to calm down. Let the younger generation handle it." Huo Xi patted his friend's shoulder.

With that, Great Grandpa Dian cools down a little bit. He retreated back his pressure. With that, people finally felt relief.

'That's right. Let Long Hui handle that scum.' Great Grandpa Dian nodded several times.

On the stage, people could see that Bucong Jian stepped backward. He really felt afraid right now.

Long Hui rushed again. This time, he did not give Bucong Jian to defend himself. He gave multiple punches at Bucong Jian's face. Less than one minute, Bucong Jian's face already had bruises on it.

Not enough than that, Long Hui also kicked Bucong Jian's legs. It was not strong enough to break the bones but enough to make Bucong Jian feel horrible pain.

Bucong Jian shouted. People who watched the fight could feel the pain too by watching Bucong Jian's expression.

The things that the people could learn about Long Hui in this fight were he was very strong and his fiancée was his bottom line.

Some people talked.

"Who is he?"

"Yeah. I've never seen him before."

"I heard he is from Dian Family."

"No. His fiancée is from the Dian Family."

"Which one?"

"The one who fight equally with Bucong Shuye yesterday."

"Erk!!! That woman?"

"Yeah."

Chapter 1217: Sword User Technique

Bucong Jian who was being kicked wanted to shout. However, Long Hui did not give him any chance to admit defeat first. He still wanted to beat Bucong Jian more.

Bucong Jian felt the punch right on his face. He could feel the pain. One on his nose and in his mouth. Then, he could taste the blood inside his mouth.

His nose broke as well as his teeth. He could feel two of his front teeth broken. He was cupping his mouth using his hands.

"I surrender!!! I surrender!!! I surrender!!!" Bucong Jian did not want to be in this stage anymore so, he shouted 'I surrender' three times.

The judge heard that and quickly announced Long Hui's victory. Long Hui was still watching Bucong Jian. Bucong Jian stood up and ran away off the stage.

The audience was speechless when they watched this. Not long after that, people started laughing.

"That is so funny."

"I never thought to see Bucong Jian like this."

"This year, Bucong Family seems to be weakened."

"Yeah. I can see."

Others were laughing. Only Bucong Family was in a grim mood. Yesterday, it was Bucong Jiye, today was Bucong Jian. Bucong Guang was furious to see the result.

"See... I told you. That brat is very strong."

Bucong Guang heard Great Grandpa Dian say that. His face became grimmer. Last yesterday, the champion also belonged to Dian Family. How could he let the champion fall in Dian Family's hand again?

He really wondered what method the Dian Family used to cultivate. Dian Family stayed outside of their world, unlike Bucong Family who fully stayed inside. Bucong Family should have more resources than Dian Family.

If Dian's Family did not depend on resources. Meaning they had a better method to cultivate. He wanted to get a hold of that method.

Long Hui returned to Yu Qi's side. "I won."

"Hmm... You are so great." Yu Qi nodded while praising Long Hui for his win.

"It is because of you. Thank you." Long Hui said.

If not because of Yu Qi's space, he would not learn many martial arts techniques.

"You welcome." Yu Qi smiled.

"Can you stop entering your own world out of a sudden?" Dian Qi Qi rolled her eyes to Long Hui. She was not angry at Yu Qi but at Long Hui for dragging her Sister Yu Qi.

Long Hui did not say anything to Dian Qi Qi. He ignored Dian Qi Qi right away.

The next fight was between Dian Man Ye and Huo Zemu. The family was in a good term. So, there was no hostile feeling between them.

Huo Zemu was the young master of the Huo Family. Under the guidance of Huo Xi, his strength was very good. Even so, the fight continued for one hour long until Dian Man Ye admitted defeat.

Both of them bowed to each other after the judge announced Huo Zemu win. Dian Man Ye went to Dian's Family's side.

"Your strength is good but your stamina is low." Dian Zin Fang commented.

"Hmm..." Dian Man Ye admitted.

"Then, after this, work on your stamina." Dian Zin Fang said.

"Yes, Young Master Zin Fang." Dian Man Ye nodded.

She would work on his stamina. She had made the decision. She would tell the family about that later after the competition was over.

That had been two fights already on the second day. The next fight would be between Qiu Wang and Man Dui. Both of them did not belong to any four major families.

They could enter the major Family if the head of the major family liked them and chose them after the competition. Both of them were strong as they proved to be in this round. However, that did not mean they had to enter the major Family. They could refuse if they did not want to.

The fight started. Both of them were sword users. Yu Qi managed to recognize the technique used by Qiu Wang. It was one of the sword techniques from her space.

She became interested to know how Qiu Wang learned the technique from. She would ask Qiu Wang about that after the fight over.

Yu Qi watched the fight intensely. Long Hui noticed it.

"Is there something wrong with Qiu Wang?" Long Hui whispered.

"The technique that he used is similar to my space. I want to know about that." Yu Qi whispered back.

"I see." Long Hui nodded.

While they were whispering, they heard that Man Dui surrender. So, the winner was Qiu Wang. Both of them bowed to each other before leaving the stage.

Then the MC told people that the next round would be continued after the lunch break. Hearing this, Yu Qi and Long Hui stood up.

"Where are you going, Sister Yu Qi?" Dian Qi Qi asked.

"Oh, I have something important to do. You can go for lunch first." Yu Qi said.

Dian Qi Qi nodded. She could tell from Yu Qi's sentence that she did not want her to follow her.

"Sister Yu Qi, be careful." Dian Qi Qi replied.

"Don't worry. Brother Hui is here with me." Yu Qi nodded.

"It is probably an urgent matter." Dian Shu Xian said.

"Let's go and eat first. Only, Brother Zin Fang and Brother Ren Qi have not their fight yet." Dian Qi Qi said.

"I hope that I can go to the next round." Dian Ren Qi clenched his fist.

Chapter 1218: Ask Long Hui To Apologize

"What if your next opponent is Brother Zin Fang?" Dian Shu Xian made an assumption.

"Can you not joke like that?" Qian Ren Qi shivered at that thought.

"Why? Just fight me like others." Dian Zin Fang lifted up his right eyebrow.

"Yes... Yes... I will." Dian Ren Qi nodded.

"What a coward." Dian Qi Qi laughed.

Yu Qi and Long Hui approached Qiu Wang after the competition. He was sitting at the corner drinking some water. He noticed that someone was approaching him. He looked over and saw Yu Qi and Long Hui.

Even though he did not know Yu Qi but he could guess that this woman was Long Hui's beloved fiancée.

"Mr. Qiu, do you have time?" Yu Qi asked politely.

"What is it?" Qiu Wang was taken back by Yu Qi's politeness.

"I would like to ask you about your sword technique." Yu Qi said.

"My sword techniques?" Qiu Wang became guarded after hearing this.

Yu Qi noticed that.

"Is the technique's name Sky Sword Changing?" Yu Qi asked.

"You know about that." Qiu Wang was surprised when hearing the full name of his sword technique from Yu Qi.

"I see. May I know where do you learn that technique?" Yu Qi asked again.

Qiu Wang became more alert. "Why do you ask that? Why do you want to know about that?"

"Actually, I also have the guide of the technique. I also learn the technique. Actually, I get that from someone but he went missing after that. So, I am looking for him. I have no ill intention." Yu Qi explained. Well, with a few lies.

Qiu Wang was silent for a moment. He looked at Yu Qi.

"I don't know. I found the guide when I was cleaning my house. I found it interesting. So, I learn it." Qiu Wang told Yu Qi.

"I see. Do you have it with you right now? May I look at it?" Yu Qi said.

"I don't have it with me right now. I leave it in my room." Qiu Wang told her.

"I see. Can you bring it tomorrow? I will also bring mine too. We can see whether it is the same technique or not." Yu Qi said.

Qiu Wang seemed interested to hear that. "Sure, I will bring it tomorrow."

Qiu Wang felt that Yu Qi could be trusted. Yu Qi and Long Hui left after exchanging a few more words with Qiu Wang.

"Why do you interested to see his?" Long Hui said.

"I don't know. But if the technique is the same as Qiu Wang's, meaning the previous owner might be from this place too. If it is more believable that way." Yu Qi said.

She was interested to know more about her space since she knew that there was another world that might be related to her space. Like she said earlier, her previous owner might be from this world.

"I see." Long Hui understood.

"Are you hungry? Do you want to eat some?" Yu Qi looked at her watch.

The next round would be started at 2 p.m. They still had time to grab some lunch if they wanted to.

"Well, I did hungry but not for food." Long Hui licked his tongue.

"You... It is still daylight." Yu Qi glared at Long Hui.

"Oh, so, I will need to wait until night right?" Long Hui teased Yu Qi.

Yu Qi was speechless. That was not what she meant. Yu Qi rolled her eyes and walked away.

Long Hui smiled as he watched Yu Qi's reaction. He rushed to Yu Qi's side.

"I will grab some simple food. Do you want some?" Yu Qi asked Long Hui with a serious look.

"Okay. I want some." Long Hui became obedient.

So, they went to grab some sandwiches. While they were there, they saw a group of people. Bucong Family members.

Bucong Shuye was also there. He observed the couple.

"You are strong."

Yu Qi and Long Hui heard Bucong Shuye's voice. Then they heard again.

"I hope that I can fight with both of you."

Yu Qi turned and looked at Bucong Shuye. "If we fate to fight each other, let's fight."

"Arrogant." Bucong Jiye snorted.

"I am indeed arrogant. But I knew my place. Not like Miss Bucong. But to see Bucong Jiye already heal from yesterday's fight means, c." Yu Qi chuckled.

"You!!!" Bucong Jiye glared sharply at Yu Qi. "No wonder Dian Qi Qi loves you so much. You are the same as her."

"Of course, we are the same. I am her sister." Yu Qi smiled.

Bucong Jiye was angry. Yesterday she thought that this woman was a soft one since she did not say anything when she accused her of Cuan Xi's matter. Never thought she was horrible as much as Dian Qi Qi.

Bucong Jiye glanced at Long Hui. She wondered what this man saw in Yu Qi to be in love with Yu Qi. And she knew that he insulted her in his match this morning.

"You!" Bucong Jiye pointed at Long Hui. "You better apologize to me after what you said before during your match."

"Why should I? I am just telling the truth." Long Hui said without changing his expression. Then he turned to Yu Qi. "Qi Qi, let's go. I am hungry."

"I am sorry, Miss Bucong. My fiancée is hungry. As for the apology, I also don't think you deserve it. Excuse me." Yu Qi said with a smile before pulling Long Hui away from that place.

Chapter 1219: Contracted Beasts

Bucong Jiye could not do anything. She just could watch the couple walk away from her.

Yu Qi and Long Hui returned to the venue the moment the MC announced the next fight. This next fight was very interesting. It was a fight between a commoner, A Yue, and a person from Bucong Family, Bucong Lan Bo.

Even though Bucong Lan Bo was from a branch family but her strength was good enough. She was good from Bucong Jiye. Just because she was from a branch family, she could not stand forward.

However, this A Yue was more interesting because she brought out her contract beast. Yes, a contract beast. A red fox. Everyone was very mesmerizing when they saw the contracted beast.

Why not? Because not many people could contract a beast. It was very rare to see the contracted beast.

"Contracted beast?" Yu Qi looked at the red fox.

Then she heard the voice, Aoi's voice.

'They are having the same relationship as us too, Master.' Aoi said.

'You mean the blood contract?' Yu Qi asked Aoi.

'Yeah... and I forget to tell you, master.' Aoi added.

'What is it?' Yu Qi wondered.

'I think I am from this world. I remember the breath of this world is the same as the one before I come across your space.' Aoi responded.

'What? Really?' Yu Qi was surprised to know that.

'Yeah. I am pretty sure right now.' Aoi affirmed that.

'I see.' Yu Qi did not think that Aoi was from this world.

'Master, can Shino and Aoi come out?' Aoi asked.

'Sure. If you want. I will bring you out. Get ready.' Yu Qi nodded.

"I will go to the toilet." Yu Qi said to everyone.

"I will accompany you, Sister Yu Qi." Dian Qi Qi quickly replied to Yu Qi while looking at Long Hui.

Long Hui was also going to say that he wanted to accompany Yu Qi but Dian Qi Qi blocked him. However, he did not care but stood up as he was ready to follow his beloved Qi Qi.

"You should watch this match. I will accompany Sister Yu Qi." Dian Qi Qi told Long Hui.

However, Long Hui ignored her.

"I can go alone." Yu Qi was dumbfounded to see these two fighting over such a thing.

"No!"

"No!"

Both of them declared at the same time. Then looked at each other before looking in another direction.

"Sure... Sure... Up to you, then." Yu Qi gave up and let them follow her.

"Why are they acting like that?" Dian Ren Qi asked Dian Shu Xian.

"You can ask them later when they return." Dian Shu Xian also did not know about that.

Yu Qi went to the toilet. After entering the toilet, she entered her space and brought Aoi and Shino out. Shino stayed on Yu Qi's shoulder while Aoi walked out by himself.

When Dian Qi Qi saw Aoi, she instantly hugged Aoi. Aoi was speechless. He forgot that this monster was here too.

'Master, help me.' Aoi begged Yu Qi as he looked sadly at Yu Qi.

'I thought you are okay even though she is here.' Yu Qi maintained her expression from laughing.

'I just forget about that.' Aoi whined.

'Just let her do it. She does not do anything bad to you.' Yu Qi conveyed.

'Master...' Aoi whined sadly.

'Fighting...' Shino looked at Aoi giving his support.

Yu Qi laughed in her mind.

"Sister Yu Qi, thank you. I miss him so much." Dian Qi Qi smiled as her hands rubbed Aoi excitedly.

"Since we are here, I just let them out." Yu Qi said.

Then three of them returned to the venue.

"You take them out?" Dian Shu Xian looked at Aoi who was in Dian Qi Qi's hug and Shino who resting on Yu Qi's shoulder.

"Yeah. They are out since they are bored." Yu Qi rubbed Shino's head.

Shino leaned over Yu Qi's fingers intimately.

Dian Brothers did not surprised to see Aoi and Shino because they had seen them before when Yu Qi was treating Great Grandpa Dian.

However, others did not know about their existence, and were surprised when seeing two creatures. They were talking about that.

"Is that contracted beast?"

"I think so."

"You mean both of them were hers?"

"How is that possible? One person should contract one beast only."

"Yeah. Another one must be someone else."

"But to contract one beast is very amazing."

"Ah!!!"

Everyone's attention returned to the stage again. The fight still continued. Even though A Yue fought Bucong Lan Bo with the red fox but still, Bucong Lan Bo could defend herself until this moment.

However, it was not long before Bucong Lan Bo lost her stand and fell into the red fox's trap. Bucong Lan Bo fell down and it gave A Yue to attack her.

It was the scream from Bucong Lan Bo. A Yue kicked Bucong Lan's stomach. The blood came out of her mouth. She wiped the blood wanted to continue the fight again.

But she could not. Bucong Lan Bo fainted. It made a win for A Yue. The red fox jumped at A Yue happily as he knew that they had won the match.

A Yue returned to her seat while someone took Bucong Lan Bo from the stage. The red fox seemed to notice Shino and Aoi. He looked over. He told his master about Aoi and Shino.

Chapter 1220: Weird Vibes

A Yue looked in their direction. She was so surprised. She did not surprised about their existence but she was surprised when her red fox told her that a woman over contracted both of them.

Yu Qi seemed to feel that someone was watching them. She turned and saw A Yue looking at her. She smiled while nodding at A Yue.

A Yue was surprised again when seeing the woman suddenly looked at her and nodded at her. She did not want to look bad. So, she returned the nod too. She could see the woman was smiling at her. It was so beautiful.

She did not pay much attention to the other participants. So, she did not know much about others. If her red fox did not tell her that this beautiful woman was watching her, she did not noticed it.

Then, the next fight had been determined. It was Dian Zin Fang versus Dian Ren Qi.

"The fuck!!!" That was what came out from Dian Ren Qi's mouth when he heard that.

Dian Shu Xian was quite dumbfounded right now. What he joked earlier became reality. Dian Qi Qi, in other hand, was laughing.

"Brother Ren Qi, you should scold Great Grandpa. He picked up your names." Dian Qi Qj was still laughing.

Yeah, it was Great-Grandpa Dian's turn to pick up the name.

"Fighting, Brother Ren Qi." Dian Shu Xian gave some support.

"Let's go." Dian Zin Fang said to Dian Ren Qi.

"Brother Ren Qi, you can just admit defeat." Dian Qi Qi said.

"No. Of course, I will not do it right away. That is so embarrassing." Dian Ren Qi replied.

Dian Qi Qi: "..."

Dian Shu Xian: "..."

Yu Qi: "..."

'So, at the end, you will surrender eventually?' That was what they were thinking right now.

Both brothers came up onto stages. They took their stands. The judge said the fight was started. Right after that, both brothers were still not fight right away. They were looking at each others.

Someone felt weird seeing both of them still did not move.

"Why are they not fight?"

"Yeah, does Dian Ren Qi feels afraid to fight with his own brother?"

They said and mocked Dian Ren Qi until someone interrupted them.

"Stupid. They have already fight mentally."

"You can not see it."

"But I am surprised to see both brothers have already at this high level."

"Dian Family could not be underestimated."

People who in high level martial arts discussed about that. After 15 minutes of mental battle, Dian Zin Fang made his first move. Dian Ren Qi defended himself by blocking Dian Zin Fang's kick. However, due to the impact, Dian Ren Qi moved back a few meters.

"You grow stronger." Dian Zin Fang commented when he saw Dian Ren Qi's reflexes.

"He he he... I work hard for few past months." Dian Ren Qi grinned.

It was a very hard work. After a day of working, he practiced his martial arts a few hours in the night. Not to mention, his Grandpa and Great Grandpa beat him up on weekend.

Dian Ren Qi counterattack his brother. As expected Dian Zin Fang blocked him so quickly. Dian Ren Qi gritted his teeth. He already knew that his brother was stronger than him but he felt flustered.

His mind was out of focus for a moment giving Dian Zin Fang chance to attack him. He got one upper punch, one punch straight on his right eye, and one side kick.

That was so hurt. "I am giving up..." Dian Ren Qi shouted. His brother did not hold his strength. 'That was fucking hurt.'

Hearing that from Dian Ren Qi, the judge announced it was Dian Zin Fang's win. They returned to their seats. Dian Ren Qi's right eye already showed some bruise.

"You become one eye panda, Brother Ren Qi." Dian Qi Qi laughed.

"You... Ouch..." Dian Ren Qi glared at Dian Qi Qi.

"Here... use this. It can reduce the pain and bruise." Yu Qi took out a cream and gave it to Dian Ren Qi.

Dian Ren Qi did not refuse and took the cream right now. He believed on Yu Qi's skill after seeing her treat Great Grandpa Dian. He knew that she would not give something that could endanger him.

Dian Zin Fang took the cream from Dian Ren Qi's hand. "Let me do it."

He helped Dian Ren Qi to put the cream around his eye. It was better than he did it instead of Dian Ren Qi doing himself because it could be dangerous if he accidentally rubbed into his eye.

"Why do I get a weird vibes from Dian Brothers?"

"Kyaa!!! That is so hot."

"I want to draw them."

They heard some women talking about that while looking at Dian Brothers.

Dian Qi Qi: "..."

Yu Qi: "..."

Dian Qi Qi and Yu Qi understood what these women meant by that. It seemed that Dian Brothers did not understand those words at all because they seemed to ignore the women.

"Ouch, hey. Don't rub it roughly." Dian Ren Qi said.

That made those women seem to feel more excited.

"I imagine something wild."

"Me too."

"Our brain..."

Yu Qi and Dian Qi Qi felt more and more speechless with this current situation.

"It's done." Dian Zin Fang said.

"Thank you... Yu Qi... your cream is amazing. I can't feel the pain anymore." Dian Ren Qi said to Yu Qi.
