Chapter 1241: Probing Into Dian Family But Blocked by A Woman's Instinct

Mu Yian was clearly shocked when she heard Yu Qi call the old man 'Great Grandpa'. Did that mean Yu Qi was from that aristocratic family too?

She felt she needed to find out about that. Dian Jung Gi could give her that information. Mu Yian put on a polite smile to Dian Jung Gi.

"Sir, you want to pay the bill, right?" Mu Yian asked.

"Yes, please." Dian Jung Gi nodded.

"Is that so? Please follow." Mu Yian led the way.

Dian Jung Gi and his wife, Shu Nae followed Mu Yian. Mu Yian began her works.

"Your family is quite big and harmonious. I am very touched by that." Mu Yian continued.

"Oh, thank you. We are indeed a big family." Dian Jung Gi was very proud of his family. So, when someone praised his family, he would definitely be happy about that.

"Actually, I just saw my acquaintance, Miss Tang Yu Qi. Is she part of your family too?" Mu Yian finally asked what she wanted to know the most.

"Oh, actually..." Dian Jung Gi was about to answer that but suddenly, his wife, Shu Nae grabbed his hand.

Dian Jung Gi quickly turned to look at his wife. Shu Nae shook her head lightly.

'Don't answer her question.' Shu Nae said to her husband through telepathy.

It was the method that they developed over a long time together.

'Why?' Dian Jung Gi asked back.

'Just listen to me.' Shu Nae glared sharply at his husband.

Seeing the glare, Dian Jung Gi quickly nodded.

Mu Yian noticed something and looked at the couple.

"Sir?" Mu Yian turned to Dian Jung Gi.

"That is nothing to do with you." Shu Nae was the one who answered the question.

Feeling the madam getting annoyed with her, Mu Yian quickly apologized.

"I am sorry, Madam."

Mu Yian could not ask the questions anymore. She silently led them to pay their bills. If the wife of this man did not follow them too, Mu Yian felt she would get the answer.

Dian Jung Gi settled the payment. It was not that hard. He just swipe his card and everything was done. Mu Yian treated them politely.

She even insisted on escorting them to the parking lot but Shu Nae rejected her offer firmly by telling Mu Yian that they could walk by themselves. There was no need for Mu Yian to do such a thing.

Mu Yian still smiled politely until the couple finally disappeared from her sight. She kept staring at the same place. She was thinking about Yu Qi and that aristocratic family.

She did make some conclusions. Since Yu Qi was an orphan, there was some possibility that she was from an aristocratic family too.

But when she thought about it again, it was not possible because Yu Qi was from Binhai Nation. Fanghai Nation was far from Binhai Nation.

If her parent abandoned Yu Qi or something like that, she should be from Fanghai Nation. Because the aristocratic family was from Fanghai Nation.

It seemed that she needed to arrange a meeting with Yu Qi. Her aim was for the aristocratic family. She would try to do anything to reach out to that aristocratic family.

She needed Yu Qi's contact number. She would try to ask her mother. Her mother probably had her number because her mother managed to contact Yu Qi for Mu Rongxue.

.....

"Why do you stop me earlier?" Dian Jung Gi was already in the car with his wife, so, he asked his wife.

"That girl says Yu Qi is her acquaintance, right?" Shu Nae asked back

"Yeah." Dian Jung Gi nodded.

"But she did not even greet Yu Qi and keep on fawning our family." Shu Nae snorted. "Well, she probably knows Yu Qi before but their relationship is not so close. And she was wary about Yu Qi. That is why she wants to confirm Yu Qi's relationship with our family." She continued explaining to his wife.

"Oh... I see." Dian Jung Gi understood Shu Nae.

"We should not confirm anything about Yu Qi to strangers in this world unlike Grandpa and Father decided that. We are an aristocratic family that people could like to fawn on. Having someone know about Yu Qi's relationship with our family might ruin Yu Qi's life." Shu Nae sighed.

"I will ask Grandpa and Father about that." Dian Jung Gi said. "By the way, how to know the woman has such intention?"

"A woman's instinct." Shu Nae smirked.

At Dian Family, Yu Qi and Long Hui had been pulled by Great Grandpa Dian to his martial arts training compound. Dian Qi Qi managed to sneak in too.

She wanted to do it secretly but was caught by Henry who guarded the area. So, she was brought in by Henry. Great Grandpa Dian did not get angry about that. Instead, he was so happy that Dian Qi Qi wanted to come too.

So, Dian Qi Qi had to practice swinging the sword together with Great Grandpa Dian too. Dian Qi Qi wanted to cry but no tear could come out. She instantly regretted what she had done tonight.

She just wanted to see what Yu Qi wanted to show Great Grandpa Dian but not practice swinging the sword. Dian Qi Qi wanted to beg for help from Yu Qi but Yu Qi turned around somewhere else. She would never do something like this anymore. She swore.

Chapter 1242: Land Broker

Since they still had time to stay in Fanghai Nation, Yu Qi decided to go to see the land broker. As she planned before, she wanted to build another Qi Qi Skincare Factory here. She wanted to see the available and suitable land for building the factory. As for others, it would come along with it.

Yu Qi went to one of the brokers. The man wanted his client to call him the name 'Butterfly'. Yu Qi did not care about that. She straight called him Butterfly.

Butterfly gave the couple the pamphlet about the available lands that he had. He explained this and that about the lands. Then, Yu Qi told her that she wanted to see the actual land before deciding.

That time, Butterfly seemed to want to avoid doing so. Butterfly tried to convince Yu Qi that Yu Qi would not be regretting this offer.

"Then, show me the land. I want to see the actual one." Yu Qi demanded another.

"Miss, why do you have to behave like this? I am a trusted land broker. I will not cheat about something like this." Butterfly said.

"My behavior?" Yu Qi chuckled. "Your behavior is suspicious. Why can't I see the land? You are a land broker, right?"

Yu Qi whispered something to Long Hui. Long Hui narrowed his eyes. He watched Yu Qi nod again. Long Hui sighed. He went outside.

"Where is your man want to go?" Butterfly asked Yu Qi wanted to change the topic.

"I am thirsty. So, he went to buy a drink for me." YU Qi said. "Butterfly. I want to see the actual land. If it exists, I will sign the cheque." Yu Qi risked something to lure the butterfly out.

"But... But.. " Butterfly struggled to say anything more.

Yu Qi stood up. She had lost hope in this.

"It seems you don't have any intention to cooperate with me." Yu Qi smiles.

She was acting the same as they met earlier.

"You don't have to continue anymore. My man already calls the police." Yu Qi smirked.

"What?" Hearing the police going to come here, Butterfly wanted to run away.

However, with Yu Qi here, Butterfly could not escape from here. Yu Qi blocked his escape. Yu Qi kicked Butterfly's legs. It was very painful because Yu Qi kicked the Shin one.

Butterfly could not help to sit down rubbing the pain area. Yu Qi looked down at Butterfly.

"You are trying to scam me, right?" Yu Qi asked.

"Erk..." Butterfly avoided looking at Yu Qi.

"Okay... Let's wait for the police to come." Yu Qi did not want to listen anymore.

After a while, Long Hui entered with two police officers. Yu Qi went to talk with the police officers. She explained what she suspected. The police officers arrested Butterfly. He would be investigated.

Since the first one was a scam, Yu Qi decided to call Grandpa Mu to ask for his help regarding the matter. She thought it would be okay without asking Grandpa Mu but it was not working well. A connection was needed in this matter.

Grandpa Mu was so happy to hear getting a call from his granddaughter. He knew that his granddaughter was here, at the Fanghai Nation but she was busy with her matter. So, he did not want to disturb her.

Yu Qi told him about the matter that she faced. Grandpa Mu told her that she did not need to worry about that. He recommended a land broker well-trusted.

Getting a number from her grandfather, Yu Qi immediately called the person. The person was happy getting a customer. Since he was not so busy today, they decided to meet each other.

They met at a restaurant. A well-suited gentleman shook hand with Long Hui and just nodded to Yu Qi. Long Hui, of course, was happy with this man.

"Hello, I am Li Xuan, a land broker." Li Xuan introduced himself.

"Hi, I am Tang Yu Qi and this is my fiancée, Long Hui. I would like to find land." Yu Qi introduced themselves and straight jumped to the discussion.

"Oh, which type of land that you want to have?" Li Xuan asked.

"I want to build a factory on it." Yu Qi stated her purpose in buying the land.

"Oh, I will suggest these three lands. The area is good. If you build the factory, it would boost the employment rate in these areas." Li Xuan started to open the catalog.

"Interesting. But I would like to visit the land first." Yu Qi said.

"Sure. We can go there now if you have time." Li Xuan suggested.

"Alright. Let's go now." Yu Qi was really glad that she asked Grandpa Mu for help.

So, they went to see the land that evening. Li Xuan explained once again about the land as they arrived there. After seeing the land, Yu Qi told Li Xuan that she would tell him about which land she would buy tomorrow.

They separated their way after that. Yu Qi called Grandpa Mu asking if he had time to have dinner together. Of course, Grandpa Mu agreed. He told Yu Qi to go to the same hotel where they used to have dinner together.

Yu Qi and Long Hui returned to Dian Family first. She told Grandpa Ray that she and Long Hui would not have dinner here. She had an appointment with Grandpa Mu. Grandpa Ray took note of that.

Chapter 1243: Return Home

That night, Yu Qi and Long Hui went to dinner with Grandpa Mu. Both of them asked Grandpa Mu about his health. Grandpa Mu said there was nothing to worry about. Yu Qi did check on Grandpa Mu's condition. She believed Grandpa Mu's words after checking his condition.

Mu Li Zei did not start his plan to take over Grandpa Mu's position yet. Because he did not find any person who could threaten his position. So, he did not have any plan to overthrow his father.

Both of them talked a lot with Grandpa Mu over dinner. That included the land broker that Grandpa Mu recommended to her. Yu Qi also started to talk about her new business plan that she wanted to open at Fanghai Nation.

Grandpa Mu supported her all the way. Mu's family business did not involve in the skincare business. Grandpa Mu offered his help. But Yu Qi did not plan to take advantage of Grandpa Mu's kindness.

The dinner ended.

The next day, Yu Qi met with Li Xuan alone. Long Hui wanted to follow Yu Qi but he had been pulled by Great Grandpa to the martial art training ground. So, Yu Qi had to go to meet with Li Xuan alone.

Yu Qi had chosen to buy one of the lands that Li Xuan suggested. Li Xuan quickly prepared the contract and had them signed by Yu Qi. Yu Qi also prepared the cheque.

Li Xuan happily received the cheque while Yu Qi happily received the deed. Yu Qi quickly contacted the contractor that built her greenhouse here. The contractor was pleased to receive another job from Yu Qi.

Yu Qi gave the job to build the factory.

.....

"Doctor Yu Qi, we miss you..." Doctors and nurses who were close to Yu Qi were happy to see Yu Qi returning to work.

"Oh, really? Do you miss me? So, there is no need for these souvenirs?" Yu Qi grinned.

"Oh... If you want to give it to us, we will happy to receive it."

Yu Qi chuckled. "Here, your souvenirs."

The doctors and nurses took the bag and started to distribute the souvenirs. Yu Qi started her shift. She began to be busy, doing the surgery, attending the patient, and doing her research.

When Yu Qi was busy with those things, Long Hui was also returned to his work. Ren Qian Yi went to his room when he had nothing to do.

"How is your holiday?" Ren Qian Yi asked.

"It's okay." Long Hui went through the document in his hand.

"Just 'it's okay?'" Ren Qian Yi looked at Long Hui. &n

bsp;

Long Hui stopped looking at the document. He lifted his face and glanced at Ren Qian Yi's face. "Do I need to write a report for you?"

"No... no... no... There is no need for that." Ren Qian Yi shook his head.

Long Hui returned reading the document back.

"By the way, the investigation about the white powder, we have a new lead. There are some traces at Country Helion. You know that country, do you?" Ren Qian Yi reported something about the work.

Hearing that, Long Hui narrowed his eyes. "Traces?"

"It seems someone used Country Helion as a temporary warehouse to store the white powder there." Ren Qian Yi started to state his report. "Our men could not trace the white powder back from its origin."

"Hmm... Tell our people to keep watching." Long Hui stated.

"Oh, before I go, here is another report." Ren Qian Yi put another file on Long Hui's table. "You should read it."

Long Hui put the document that he held and took the file that Ren Qian Yi just put. He opened the file. When he read the document, he gritted his teeth.

It was document about a certain organization who targeting to kidnap people. This time's target was Yu Qi. Someone put a bounty on Yu Qi's head.

It seemed the bounty had been increased. It was probably because someone had failed to kidnap her. The condition that they put that Yu Qi must not be harmed at any cost. They needed her alive and not injured.

"Two month ago." Long Hui mentioned.

Meaning it was the same organization who wanted to kidnap Yu Qi. The government noticed that too. That was why they sent Long Hui to be her bodyguard.

"Do you know why they want to kidnap your fiancée?" Ren Qian Yi asked.

"It is about the same reason they want to kidnap Tang Jiang Man in the past." Long Hui mentioned.

Grandpa Tang was a legendary Doctor. He was a famous doctor and researcher. So, some people wanted to kidnap Grandpa Tang to do some research for them.

But they did not even succeed once. The government protected Grandpa Tang from those people. Since Grandpa Tang was already old, those people seemed to find Yu Qi as the second Tang Jiang Man. So, they wanted to hold for her.

Unlucky for them, Yu Qi had a fiance like Long Hui. It would be much harder to get hold on Yu Qi.

"How unlucky of your fiancée being targeted by someone like that." Ren Qian Yi expressed

his thought.

"They will not be succeed on getting my fiancée." Long Hui stated.

"Yeah. We will not let them succeed." Ren Qian Yi nodded. "But it is better to do something."

"I am already working on that." Long Hui said.

Chapter 1244: Newbie?

Song Su Jin asked Yu Qi whether she was busy or not on the weekend. Yu Qi did not have anything to do with telling Song Su Jin that she was free.

Song Su Jin was happy to see that. She invited Yu Qi to come to her new shooting set. She had a new movie to act in. The new set was in FINN City. It was in the forest.

Song Su Jin acted as the second female lead in this movie. This movie was about a fantasy love between a fairy and a demon.

The director wanted a realistic feeling. So, he wanted to shoot in the forest instead in the studio. When Yu Qi arrived at them, Song Su Jin was hanging on the wire. She was currently doing her scene.

Song Su Jin's assistant saw Yu Qi. He knew Yu Qi. He called Yu Qi to have a seat at Song Su Jin's chair first. He then disappeared leaving Yu Qi alone. So, Yu Qi watched Song Su Jin doing her act.

Then, someone came to her and demanded her to go and get mineral water for her artist.

"What?" Yu Qi looked at the woman up and down.

"I tell you to go and get Sister Wanli a bottle of mineral water. Sister Wanli did not drink the one that the crew prepared for her." The woman said.

"So, why are you asking me to do that?" Yu Qi lifted her eyebrow.

"Why do you ask that? Everyone has their own work. Only you are free. So, it is natural for you to do this job. Go. Go. Quickly. Our Sister Wanli is thirsty." The woman said.

"I am sorry...." Yu Qi said.

"It's okay. Just go..." The woman thought Yu Qi was apologized for not following her order at the first place.

"I am not going. Why the heck do I need to go and obey your order?" Yu Qi leaned over and crossed her legs like a badass.

The woman was shocked to hear Yu Qi's rejection. She became so angry.

"You! Don't you know who our Sister Wanli is?" The woman said.

"No. And don't care. Are you satisfied? If you have done, you can leave now." Yu Qi waves her hand.

The woman glared at Yu Qi. She seemed to want to eat Yu Qi alive before leaving the place. Yu Qi enjoyed the feeling before another trouble came in her direction.

"Are you the one who refused to get mineral water for me?" An arrogant beautiful woman came and asked Yu Qi the question.

Yu Qi took a look at the woman. The previous woman was also here, hiding behind the arrogant beautiful woman.

"I don't see

there is a reason for me to do so." Yu Qi said.

"The newbie is very arrogant these days. They did not even show any respect to their senior." The arrogant beautiful woman narrowed her eyes looking at Yu Qi.

Yu Qi caught the words that the arrogant beautiful woman used. 'Newbie, Senior... Does she think I am a newbie in the entertainment industry? It seems so.'

"Newbie? Who are you talking about, huh?" Yu Qi asked.

"Of course, Our Sister Wanli refers it for you. What? Do you want to say you are more popular than our Sister Wanli here?" The woman who hid behind the arrogant beautiful woman said.

The arrogant beautiful woman flipped her long hair arrogantly.

"I am sorry to disappoint you but I don't know you." Yu Qi said.

Well, she was telling the truth. She did not pay much attention to the entertainment industry. So, she did not know much about this arrogant beautiful woman.

"How dare you say you don't know our Sister Wanli?" The woman pointed her finger at Yu Qi.

"I don't like people pointing their fingers at me. If you don't want your finger to be broken, please keep that in mind." Yu Qi narrowed her eyes.

The woman felt scared when hearing the sentence, and quickly moved her finger away.

"What is going on here?"

They heard Song Su Jin's voice.

"Oh, Su Jin, I just teach a newbie how to behave in front of their senior. But this one is very rude." The arrogant beautiful woman said to Song Su Jin.

"Newbie? Where is she?" Song Su Jin looked around and found no one.

"What? She is here." The arrogant beautiful woman looked at Yu Qi.

"I think there is a misunderstanding here." Song Su Jin said.

"Misunderstanding? What?" The arrogant beautiful woman asked.

"This is not a newbie. She is my friend. I invite her here to take a look at the shooting scene." Song Su Jin introduced Yu Qi to the arrogant beautiful woman.

"What? She is not a newbie?" The arrogant beautiful woman was shocked. She then turned and looked at the woman. "You tell me this is a newbie."

"I... I... I don't know. I... am sorry." The woman was also shocked to hear that Yu Qi was not a newbie that she could bully.

"So, if I am a newbie, I need to follow your order, then?" Yu Qi expressed her thought.

"Follow her order? What?" Song Su Jin did not understand.

"That woman suddenly comes to me and demanded I go and get a bottle of mineral water for this woman here just because she thought I am a newbie and need to respect the senior." Yu Qi explained.

Chapter 1245: Love Scam

"What?" Song Su Jin was shocked. Is that true?"

"Hmm... I...." The arrogant beautiful woman wanted to explain but Song Su Jin stopped her.

"Listen here, you should not demand anyone work for you. You have your manager and assistant, right? Ask them to go and get it for you. They were paid to do so." Song Su Jin said.

"Okay... okay... I will leave first." The arrogant beautiful woman pulled another woman to leave the place.

Song Su Jin sighed. "I am sorry. I never thought for you to counter this kind of thing."

"Never mind about that. It is kind of refreshing. By the way, who is that?" Yu Qi did not mind this incident.

"She is Qian Wanli. This movie's first female lead." Song Su Jin said.

"Is this movie going to be okay?" Yu Qi asked. With that kind of female lead, it was kind of worried.

"I don't know. The investors want her to be the first female lead." Song Su Jin revealed that.

"Oh, so, do you want to be the first female lead?" Yu Qi asked while lifting her eyebrow like a bad guy.

"No... No need for that." Song Su Jin shook her head.

"So, what is the matter? I don't think you ask us to come here just to watch you shoot your scene." Yu Qi crossed her legs.

Song Su Jin smiled warily at Yu Qi. "You notice it."

"Hmm... Yeah... It is about your manager, I guess." Yu Qi guessed.

"Yeah. You guess that right" Song Su Jin smiled.

"So, what is the matter?. Yu Qi asked.

"I think Sister Mi Lan is involved in a love scam." Song Su Jin said what she had been suspected of

"A love scam?" Yu Qi was taken back. "Why are you thinking like this?"

"It happened about two months ago. Sister Mi Lan seemed to be in a daze most of the time. She sometimes did not react when I ask her something. At first, I thought she had a problem. So, I tried to ask her about that. Then, she revealed that she was in love with someone.

Of course, I was happy with that. I am totally supporting her. But the problem arose when Sister Mi Lan started to borrow some money from me. I thought she was in a trouble. So, I gave the money.

But it continued for quite some time. So, I asked her why she needed money so much. She did not tell me. After I asked several times, she finally told me about that. She gave that money to her boyfriend. Her boyfriend told her that he needed someone because he was starting his business.

I understand that but I don't know what kind of business he had. Sister Mi Lan kept giving him the money. If this continued, I am afraid something bad might happen to Sister Mi Lan."

Song Su Jin was really worried about Xiu Mi Lan. They had been together for a long time. She did not want something bad to happen to Xiu Mi Lan.

"Hum.. Do you have the name of that man or his picture?" Yu Qi asked for the information.

"His name is Wong Richard. I don't know whether that is his true name or not But I do have a picture. Sister Mi Lan sent me one before. I will check my phone and send it to you."

Song Su Jin grabbed her phone and searched for the pictures. Song Su Jin found it and sent it to Yu Qi. Yu Qi opened her phone and looked at the picture which Song Su Jin just sent to her.

"Okay. I will check it, Yu Qi nodded.

"Thank you." Song Su Jin said.

"No worries." Yu CB waves her hand.

"Sister Su Jin, the director calls you, The assistant director came to Song Su Jin.

"Okay." Song Su Jin nodded.

"By the way, who is this?" The assistant director saw Yu Qt Yu Q caught his attention.

"This is my friend. I invite her to visit me today." Song Su Jin introduced Yu Qi.

"Oh, hello there. I am 13u Han. Assistant director of this movie. Are you interested in becoming an actress?" On Han asked.

"I am sorry. I am not interested." Yu CA shook her head.

"What? Why? It is fun becoming an actress. You can be famous." Bu Han said.

Song Su Jin chuckled to hear that. "Assistant Director Bu, she is already popular in her field. No need for her to be an actress."

"Already popular? What is she?" Bu Han asked.

"She is a famous doctor." Song Su Jin said. "Hmm... Let go, director Chu must be waiting for us."

"Owh... What a pity." Hu Han still thought Yu Q should join to be an actress. 'With that face, what a waste.'

Yu Qi was alone again. A beautiful woman alone deserved some attention from others. People noticed Yu Q earlier when she was talking to Song Su Jin. They knew that Yu Q was her acquaintance.

One of the actors decided to try his luck. He approached Yu Qi.

"Hi." The actor greeted Yu Qi.

"Hi... is there something?" Yu Qi looked up to see a man standing in front of him.

"Are you Su Jin's friend?" The actor asked.

"Yeah." Yu Qi nodded.

"I guess, a flock of the birds does fly together. You and Su Jin are indeed beautiful." The actor said, praising Yu Qi and Song Su Jin at the same time.

Chapter 1246: A Quite Famous Actor

Yu Qi did not say anything other than glance at the actor. However, the assistant of the actor felt Yu Qi was so rude.

"Hey, you. Don't you hear Brother Pei talking to you? Why don't you reply to him?" The little assistant said to Yu Qi.

Yu Qi felt ridiculous when seeing the little assistant thought talking to his action would be a treat to Yu Qi. Her phone was ringing. Without saying anything to the actor, Yu Qi quickly answered the phone when she saw the name.

"Hello." Yu Qi answered.

"Where are you?" The person who called Yu Qi was Long Hui.

"I am in the middle of the jungle. I come to see Sister Su Jin." Yu Qi said.

"I see. Take care of yourself." Long Hui said.

"So, are you going somewhere?" Yu Qi felt something.

"Hmm. For a few days." Long Hui knew that Yu Qi would notice something.

"Okay. Make sure to bring the emergency pill that I give to you earlier." Yu Qi did not say much about his duty.

The call ended. Yu Qi looked up. The actor was still not leaving.

The actor noticed Yu Qi was watching her. "Who is that?"

"There is nothing with you." Yu Qi put away her phone.

"Why don't we exchange contact numbers?" The actor suggested.

He thought Yu Qi would be delighted to exchange the contact number with him. He was a quite famous actor in the end.

However, the reaction that he expected was not there. He could see Yu Qi did not have a slight interest in talking to him. That made him feel irritated.

"Hey, you!" The little assistant noticed the actor's expression.

"Can you move away? I am trying to watch Sister Su Jin." Yu Qi said to these two idiots.

"How dare you embarrass Brother Pei?" The little assistant felt angry seeing how uninterested Yu Qi was toward the actor.

"I don't do anything to him. Why are you saying those things? It is not me who forces him to come here and stand like an idiot, am I?" Yu Qi narrowed her eyes.

The actor and little assistant felt insulted when hearing Yu Qi call them an idiot.

"How dare you insult Brother Pei?" The little assistant pointed his finger at Yu Qi.

"If you don't want to lose your little finger, you better keep it for you." Yu Qi glared at the finger.

The little assistant pulled away his finger.

"Our Brother Pei just thinks you are alone here, so, he comes to accompany you but you don't appreciate others' kindness." The little assistant began to speak nonsense.

Yu Qi looked at these two like an idiot.

"Please go away. Don't disturb me." Yu Qi waves her hand and crossed her legs again.

Seeing Yu Qi's attitude, the actor felt humiliated. He left the place.

Yu Qi felt the entertainment industry was filled with self-centered people. They thought everyone would like them. They also thought they were allowed to do anything they wanted.

Yu Qi knew that the actor earlier wanted to hit on her. Because of Long Hui, Yu Qi had a high standard of a man. Only the men who had an appearance the same as Long Hui or higher than Long Hui would catch her attention.

Yu Qi stayed with Song Su Jin until dinner. They talked more about Xiu Mi Lan. Song Su Jin provided more details about what she knew about Xiu Mi Lan's boyfriend.

After that, Yu Qi returned home. When she was about to enter the house, she saw Tang Jin Wei who was about to go out.

"You just return?" Tang Jin Wei greeted her.

"And you just want to go out?" Yu Qi replied.

"I have a late night date tonight." Tang Jin Wei grinned.

"Oh, take care of the protection." Yu Qi said without feeling embarrassed.

Tang Jin Wei coughed several times when hearing his little sister say something like that without feeling anything.

"How could you say something like that?" Tang Jin Wei pointed to Yu Qi.

"I am just giving some advice. Auntie and uncle would beat you up if they knew you make someone pregnant." Yu Qi reminded.

"I... I know... I brought the condom with me." Tang Jin Wei said.

"That's great, then." Yu Qi left.

He said something that even he did not want to say. When he realized it, the person who he had been talking to had just left.

"I wonder if she is really a woman." Tang Jin Wei rolled his eyes.

He left the house and went to meet with his girlfriend.

Yu Qi did not meet with anyone else. She went straight to her room. When she opened her door, she was greeted by the two little cuties who had been waiting for her.

'Master.'

'Master.'

"I am back. Are you behaving today?" Yu Qi asked the two of them while patting them on the head.

"Of course." Aoi put on a proud face.

"Have you eaten dinner?" Yu Qi asked again.

"Yes. The maids give a lot of food to us." Shino said shy.

"Great. I want to take a shower first." Yu Qi went to the bathroom.

"Master, why do you go to the other house?" Aoi stayed outside the bathroom and asked Yu Qi.

"Brother Hui is out for his mission for a few days. So, I will come home here." Yu Qi answered.

Aoi was happy to hear that. He and Shino could have their master by themselves for a few days without that man.

Chapter 1247: Get What You Deserve

Yu CR decided to go inside the space. She wanted to investigate Xiu Mi Lan's boyfriend. She thought it was an easy job but turned out, it was not. It seemed the name used by that man was the fake one. Sang Su Jin's instinct was right after all. A good man would have to use a fake name. There was something wrong with that man if he used a fake name. Yu CR did not give up yet. She hacked the civilian CCTV and crossed finding with the picture that she got from Sang Su Jin. The method was easy but took a long time. However, Yu Q's luck was very good. Within one hour, she had a result. From the result, she 'mew his true name and his address. Wang Cui Xi. No wonder the man used a fake name. Who used that kind of name now? Okay. He used the fake name because he was embarrassed with his true name.

But she found another interesting matter. He stayed at his address with another woman. The woman was slightly younger than him and Xiu Mi Lan.

At first, Yu Of thought it might be his younger sister or something like this. But it was not like that. The woman name Zhang Ha Rang was his other girlfriend. "This idiot is two-timing Sister Mi Lan with this girl." Yu CR chuckled. "So, he needed money to sponsor this girl." The woman was an uprising actress. She needed a lot of money to cover all of her expenses. And to make things worse, this woman was also two timing the man with other men. Well, OTHER MEN. The man was thinking that the woman was sincerely in love with him. What a joke. That was why people always said, 'don't cheat on others, otherwise, you will get what you deserve. Yu CR did not care about the man who got cheated on by his woman but she cared about Xiu Mi Lan. Xiu Mi Lan needed to know about this cheating man_ Yu CR felt she needed to tell Xiu Mi Lan by herself. Song Su Jin was worried about Xiu Mi Lan. Xiu Mi Lan probably would not believe Song Su Jin. If Yu CR was the one who told her, she might be thinking several times due to Yu Q's identity. Of course, Yu Qi would tell her with the evidence.

Mu Mi Lan was very nervous right now. It was her first time getting a call from Yu Q. Well, technically, Yu CR was her boss since she was from Cliaosu Entertainment.

So, when she got the call from Yu Qi, she had too many thoughts. She wondered why Yu Qi suddenly called her and wanted to meet her in person and without Song Su Jin. Yu CR probably wanted to replace the new manager. Probably Song Su Jin complained about her to Yu Q. She knew that she had been neglecting Sang Su Jin a lot.

She was thinking about so many possibilities while sitting at this table. She was waiting for Yu CR to come. Then she could see that Yu CR entered the room and sat in front of her.

"Miss Yu Qi." Xiu Mi Lan greeted Yu "Sister Mi Lan, Long time no see." Yu CR said. "Hmm... why are you calling me right now?" Xiu Mi Lan asked politely. "What do you think?" Yu Qi did not answer the question right away but asked Mu Mi Lan back "Am I going to be fired?" Xiu Mi Lan asked what she thought "Why do you think that?" Yu CR asked back. "Because I don't take care of Su Jin properly lately." Xiu Mi Lan looked down. "So, you know that you neglected Sister Su Jin." Yu Qi replied. "I'm sorry." Mu Mi Lan knew it was her fault. "But I call you here not because of that matter." Yu CR smiled. That sentence made Xiu Mi Lan look up at Yu Q. "I am calling you here because of Sister Su Jin is worried about you." "What?" Xiu Mi Lan was shocked to hear that. "Su Jin worried about me?" "Sister Su Jin tells me that you have a boyfriend now." "Yes. I indeed got a boyfriend. But, what is wrong with that?" "I hear that you give your money to that man." "He needs money for setting up his business." "Please don't be angry at Sister Su Jin." "Why should I be angry at Su Jin?" "Because Sister Su Jin asked my help to investigate your boyfriend." "What? Why does she need to do that?" "Please calm down, Sister Mi Lan."

Mu Mi Lan stood up due the anger but after being reminded by Yu Qi, she sat down back "I did what Sister Su Jin ask me. The result is what I expected." Yu Qi sighed. "He is a normal man who wants to build his career." Xiu Mi Lan still thought her boyfriend was a good man. "Sister Mi Lan, what is your boyfriend's name?" Yu Qi asked. "Yu ling." Xiu Mi Lan stated her boyfriend's name. "Sister Mi Lan, it is a fake name. His true name is Guang Bo." Yu CR put a file on the table. "Everything about him is inside here." Mu Mi Lan did not grab the file at first. She looked at Yu Qi in denial. She did not believe what Yu CR had stated to her.

Chapter 1248: Seduces Who?

"It is your decision whether to believe me or not. I just delivered what I found out about that man." Yu Qi stood up and wanted to leave.

Xiu Mi Lan also stood up. "Thank you, Miss Yu Qi, for telling me about this. It is so sudden. I need time to process it."

"Never mind. Take your mind. I know you must be shocked. You should read the information for more detail." Yu Qi glanced at the file.

After saying that, Yu Qi left. She felt that Xiu Mi Lan should make her own decision about what she wanted to do about that man.

Then, Yu Qi got a call.

"Yu Qi, do you read the news?" It was Song Su Jin who called her. She sounded so panicked.

"What news?" Yu Qi was confused.

"You are in the news. Someone published something about you seducing the actor, Pei Xiu Nan." Song Su Jin stated.

"Oh..." Yu Qi gave a reaction.

"Just that? Yu Qi, you should give more reaction. They try to ruin your reputation." Song Su Jin was startled when Yu Qi was very calm when hearing this news of hers.

"Sister Su Jin, you don't have to worry about that. I will handle the matter myself. By the way, can you give me the link to the article? I want to read it." Yu Qi said.

She wanted to read about the people who wrote about her seducing another man.

"Okay. I will send it to you." Song Su Jin said.

The call ended. Song Su Jin sent Yu Qi the link to the article right away. Yu Qi clicked the link. That title stated a woman tried to seduce Pei Xian Nan on the set. They also used yesterday's pictures. The pictures could be telling a lot of stories.

The person who wrote this article seemed not to know much about Yu Qi. Otherwise, he would not write this article. However, this article had a lot of comments. It seemed the actor, Pei Xian Nan was very popular.

....

"Everything is settled, Brother Pei." The little assistant said to Pei Xian Nan who was currently drinking his wine.

"Great." Pei Xian Nan smiled.

He wondered what kind of reactions the woman had when she got to know about the article. That woman was probably afraid right now.

"Brother Pei, the article got no.1 search on the internet." The little assistant said.

Pei Xian Nan was happy. Even though he was popular, he never got the no.1 topic search on the internet. This time because of that article, he got the no.1 topic search on the internet.

The little assistant looked at Pei Xian Nan with a little bit of worried expression on his face. "Brother Pei, are you sure it will be okay?"

"Don't worry too much. She is an unknown person after all." Pei Xian Nan said.

"But she seemed close to Miss Song." The little assistant said.

"Just ignore that." Pei Xian Nan drank the wine.

...

Pei Xian Nan had his own fanclub. And the fan club had a lot of obsessed fans. Those obsessed fans started to find out more about the woman who rumored wanted to seduce Pei Xian Nan.

They found out about Yu Qi. They started to call Yu Qi bad names. They even started to hang out around the hospital. It became a concern to the hospital and the patients themselves.

They even disguised themselves as visitors in order to find Yu Qi. However, they could not find Yu Qi at all because she had a long-duration surgery today. She would finish the surgery around midnight. So, she did not know the current situation.

Because the obsessed fans could not find Yu Qi at all, they started to make trouble at the hospital. Some of them stopped the nurses from doing their jobs. They even disturbed the patients.

The hospital management quickly took action on this situation. They called security to catch everyone who made the trouble and reported them to the police. The obsessed fans shouted and screamed when the police came to arrest them. They screamed Yu Qi's name and asked her to come out and stopped hiding.

Tang Han Lee stopped the police for a moment. He wanted to know the detail of why these people wanted to meet Yu Qi. The police stopped working and waited for Tang Han Lee.

"May I know why do you looking for Tang Yu Qi?" Tang Han Lee asked in a gentle voice.

With the look and gentle voice of Tang Han Lee, the obsessed fans calmed down a little bit. One of them started talking.

"That bitch, she dares to seduce our Brother Pei. Who does she think she is?"

"Seduce who?" Tang Han Lee was taken aback.

He did not know that Yu Qi wanted to seduce someone other than Long Hui.

"Our Brother Pei. Pei Xian Nan."

"What? You don't know our Brother Pei?"

"Our Brother Pei is no.1 actor."

"He is handsome, kind, and nice to his fans."

"Yeah... yeah... No one could fight our Brother Pei."

"Why do you think Tang Yu Qi seduces Pei Xian Nan?" Tang Han Lee wanted to know more detail about this.

One of the obsessed fans took out her hand and showed the article saying that Yu Qi went to the shooting place and seduced Pei Xian Nan over there.

Chapter 1249: Nothing To Worry About Her

Tang Han Lee frowned when he read the article. This article obviously wanted to ruin his little sister's reputation.

"What a joke."

It was from Tang Jin Wei. He just finished attending to the patient when he heard the commotion. So, he came and wanted to know about the situation. He was just about to greet his big brother and he found out about the article too.

"What? What do you mean by what a joke?" The obsessed fan who gave the phone to Tang Han Lee to read the article was angry at Tang Jin Wei.

Tang Jin Wei took out his phone and searched for something. Then, he showed it to the obsessed fans.

"What do you think about this person?" Tang Jin Wei asked.

The obsessed fans were mesmerized by the picture.

"Who is this man?"

"He looks very handsome."

"Not to mention, he is wearing the soldier uniform."

"He looks so sexy with that uniform."

"Tell me who he is."

"Yeah... Yeah... Tell me."

The obsessed fans quickly asked Tang Jin Wei about the man who was in the picture.

"This is the fiancée of the woman in that article." Tang Jin Wei said.

Hearing that, the obsessed fans became silent.

"Do you think, with that kind of man beside her, she will go and seduce another man? Not to mention, Pei Xian Nan could not win against my look and that man's look." Tang Jin Wei chuckled.

The people went silent for a moment. And one of the obsessed fans started to get angry.

"You... You... How dare you insult our Brother Pei?"

"Yeah. We will not forgive you."

"You can't insult our Brother Pei like that."

"Apologize now!"

"Apologize now!"

"Apologize now!"

The obsessed fans started to shout 'Apologize now!' to Tang Jin Wei. Tang Han Lee signaled to the police officers to take them away. The police officers did their duty. They brought all the obsessed fans to the police officers for disturbing the peace at the hospital.

"Where is Doctor Yu Qi right now?" Tang Han Lee asked the nurse.

"Doctor Yu Qi is currently in the surgery room. She has 12 hours of surgery today. Colorectal surgery. The surgery started on 12 p.m." The nurse had Yu Qi's schedule.

"So, she might finish the surgery at the midnight." Tang Han Lee said.

"She probably did not know about this news yet." Tang Jin Wei stated.

"Well, let's wait for Yu Qi to deal with this matter. She probably wants to deal by herself." Tang Han Lee commented. "Everyone, let's take care of our patients who were disturbed by those fans earlier."

"Yes, Doctor Han Lee." Everyone answered. They went to their positions.

....

Song Su Jin met Pei Xian Nan at the shooting set. She went to confront Pei Xian Nan right away.

"Pei Xian Nan, is that you who ask someone to write that article, right?" Song Su Jin confronted Pei Xian Nan about the matter.

"Calm down, Senior Song. Even though you are the senior, I can not sit down and take this accusation from you." Pei Xian Nan was very calm.

"That picture is from when we have some shooting in the jungle. Just because she did not care about you, you wrote something like this. You should know that it will destroy a woman's reputation." Song Su Jin said.

"Senior Song, it is not me who asks someone to write that article." Pei Xian Nan would not admit to something like that.

"If you don't put the article down, you will regret it." Song Su Jin did not have anything to say anymore to this man.

It was so sure that this man would regret it. Song Su Jin left.

Pei Xian Nan and the little assistant went to his waiting room. There was no one inside.

"Brother Pei, is this going to be alright?" The little assistant whispered.

Even though there was no one inside, he was a little bit scared if someone heard their conversation.

"You are worried too much. Nothing will happen to me." Pei Xian Nan ignored Song Su Jin's warning.

There was nothing to be worried about.

"But..." The little assistant wanted to say something.

"But... but... But... But what?" Pei Xian Nan was getting annoyed.

"I find out about that woman's identity." The little assistant said.

"Oh... What is her identity? A newbie in the entertainment industry, right? That is why she follows Senior Song. She probably wants to have some experience." Pei Xian Nan chuckled.

"Actually, it is not." The little assistant shook his head.

"Then, what is she?" Pei Xian Nan slapped the table.

"She is a doctor. Probably a famous one from Tang Private Hospital." The little assistant said.

"Huh? A doctor?" Pei Xian Nan could not believe his ear. Then he started to laugh. "Hahaha... Are you kidding me? She is a doctor? That's all?"

The little assistant nodded.

"So, why should I be afraid of that?" Pei Xian Nan laughed.

"But her background... her fiance is a soldier with a high ranking one. He is also the grandson of the former general, The Great General Long." The little assistant revealed the information.

Pei Xian Nan who currently holding a bottle, loosed his grasp, and the bottle fell to the ground.

"What... What... What... His fiance is the grandson of the former general, The Great General Long?" Pei Xian Nan's face lost his blood.

Pei Xian Nan kicked the little assistant. The little assistant fell to the ground, hissing in pain.

"Call that person and ask him to delete the article right now!" Pei Xian Nan shouted to the little assistant.

The little assistant who was still in pain quickly obeyed the order. He called the person who wrote the article and asked the article to be deleted. However, that person did not want to delete it because his article got a lot of reviews, meaning a lot of money.

The little assistant told him about the situation. If he did not delete the article right now, he would get into serious trouble. The little assistant told him about Long Hui. Hearing that, the person agreed to delete it right now.
