

INTELLIGENT 1251

Chapter 1251: Give Up On Him

"Hmm... Mr. Lang, why do we need to call Pei Xian Nan here?" Do Qingfeng asked Lang Sun who was sitting in front of him right now.

"Your artist should not do that. He should not touch that person." Lang Sun pinched her bridge with his eyebrows.

Do Qingfeng was confused with what Lang Sun said. What did Lang Sun mean by that?

"It seems you don't know the woman that Pei Xian Nan slander, right?" Lang Sun snorted.

Do Qingfeng indeed did not know. He did not have time to dig into that woman's background. He had other things to do.

"Read this." Lang Sun moved the screen monitor toward Do Qingfeng.

Do Qingfeng quickly read the information on the screen. The more he read the information, the paler his face became. After finishing reading the information, Do Qingfeng looked at Lang Sun in fear.

"Is it true? This information?" Do Qingfeng asked.

"Do you think this can be fake?" Lang Sun asked back. "And the most important thing, she is the owner of this Qiaosu Entertainment. How dare the actor under her company slander the owner like that?"

"What?" Do Qingfeng was very very very shocked. "The owner?" How did that woman become the owner of this company?

"Mr. Lang, how did that happens?" Do Qingfeng looked at Lang Sun.

"She had been taken over this company over 2 years ago. She gave me full authority to handle this company." Lang Sun explained.

Lang Sun was very grateful to Yu Qi. Before Yu Qi acquired the company, he was a director with no share at all. Then, after Yu Qi acquired the company, he was given 10% of the shares and a position as the CEO. She even gave full authority to him.

Actually, Yu Qi was very lazy to handle another company. Not to mention the entertainment company that she did not have experience with. So, the best method to handle the company was to give the company to someone who had the experience. However, Lang Sun did not know about that.

"Do Qingfeng, you should understand this. Give up on Pei Xian Nan and take care of another artist." Lang Sun stated the conclusion that Do Qingfeng should make.

"But... That..." Do Qingfeng was once again shocked by what Lang Sun said.

"You should think, Miss Tang still not do anything. But once she moves her hand, it is not guaranteed that you will safe." Lang Sun smiled.

Do Qingfeng swallowed his saliva.

Someone knocked on the door. Lang Sun gave the order to enter. The secretary appeared with Pei Xian Nan behind her. Pei Xian Nan entered the room. He appeared slightly nervous.

"Mr. Lang, Brother Do." Pei Xian Nan greeted the two men.

"Do you know what you did wrong?" Lang Sun went straight forward to the point.

"Yes... Yes... Yes." In front of Lang Sun who controlled everything in Qiaosu Entertainment, he could not be wild.

"Then, tell me what did you do?" Lang Sun wanted to hear from Pei Xian Nan himself.

"I... I..." Pei Xian Nan was stumbling in his words.

"Say it properly, you idiot." Do Qingfeng gritted his teeth.

"I asked someone to write the article about a woman seducing me at the set." Pei Xian Nan blurted everything.

"Do you know who she is?" Lang Sun asked.

Pei Xian Nan was silent.

"Tang Yu Qi, granddaughter of Legendary Doctor, Tang Jiang Man and the fiancée of Long Hui, grandson of the former Great General, Long Fei Yi," Lang stated the identity of the woman. Then he continued again. "And the owner of Qiaosu Entertainment."

Pei Xian Nan turned to Do Qingfeng slowly with a shocked expression on his face. His face became white pale. "Wha... What!?"

"You worked for her company and still dared to slander her like that... I really salute you." Lang Sun snorted.

"I... I... I... don't know... about that." Pei Xian Nan said.

"I will let you think about what you should do next." Lang Sun said.

"Please, Mr. Lang, Brother Do, don't give up on me." Pei Xian Nan immediately kneeled in front of them.

"The company has already decided to freeze you. As for how long, we will see that." Lang Sun dropped another bomb on Pei Xian Nan.

"Please, Mr. Lang. Don't do this." Pei Xian Nan kowtowed them.

"It is final." Lang Sun said. Then, as he remembered something, he gave a warning to Pei Xian Nan. "And I suggest you don't do something stupid anymore. Otherwise, you will regret it."

He did not want Pei Xian Nan to go and disturbed Yu Qi. He bet people around Yu Qi did not know that she owned an entertainment company.

Do Qingfeng did not say anything. He already gave up on Pei Xian Nan. Pei Xian Nan did something stupid this time. She offended someone that he should never and ever offend. If he was humble and did not do something like this, he might live well in this industry.

"You can finish your current project. As for the advertisement, Do Qingfeng, you go and handle everything." Lang Sun remembered that Pei Xian Nan had a movie to complete.

If he did not allow Pei Xian Nan to complete the movie, the company would have to pay the compensation money. He did not want to do that.

Pei Xian Nan was still kneeling. His life was over. He really regretted everything he had done to that woman.

Chapter 1252: Someone Is Following Her

Yu Qi left the surgery theatre. The surgery was a success but the patient still needed some care, so, he had to be transferred to the ICU ward. The patient family thanked Yu Qi in cry.

Yu Qi explained a little bit about the patient's condition telling them that the patient still needed the doctor's attention within 12 hours. If the patient could pass the time safely, the surgery could be successful.

Her stomach rumbled. It indicated that it wanted some food. She sighed. The cafe was closed. She needed to go outside to get some food. But she was tired and wanted some sleep.

Her stomach protested once again. She rubbed her stomach. It needed to fill up. After cleaning up, she walked to the entrance.

"Little Sis!" Someone called her.

From the voice, she knew it was Tang Jin Wei.

"You are on duty tonight?" Yu Qi asked.

"Yeah. By the way, you must be hungry right now. Come. I have some food for you." Tang Jin Wei pulled Yu Qi to the cafe.

"The cafe is already closed, is it?" Yu Qi asked.

"Yeah. But I have already bought some food for you." Tang Jin Wei said.

"Oh... Okay." Yu Qi was indeed hungry.

So, she was grateful that she did not have to go out to get the food. Tang Han Lee was also here.

"Big Brother, you are also here?" Yu Qi was surprised to see Tang Han Lee.

"Yeah. I am also on duty tonight." Tang Han Lee smiled. "Come and eat. You must be hungry."

"Hmm..." Yu Qi took her seat.

Tang Han Lee and Tang Jin Wei watched their little sister eat.

"Are you not eating?" Yu Qi looked at her brothers who did not move at all.

"We buy it for you. Just eat." Tang Jin Wei said.

"Oh... Okay." Yu Qi continued to eat again.

Then after a while, Yu Qi looked up again and asked. "Does something happen today?"

Tang Han Lee: "No."

Tang Jin Wei: "How do you know?"

Both of them answered at the same time. Tang Han Lee glared at Tang Jin Wei. Tang Jin Wei bit his tongue. He did not mean to tell Yu Qi about the earlier incident.

"So, what happens?" Yu Qi was still eating.

Tang Han Lee glared at Tang Jin Wei for being a tattletale. He sighed. He knew that he could not keep the incident a secret. Yu Qi would know about it sooner or later.

"It is about the news where you went to seduce an actor on the set. His fans came over and made trouble at our hospital." Tang Han Lee said.

Then Tang Jin Wei continued. "We called the police and arrested them."

"Oh..." Yu Qi gave a small reaction.

"Little Sis, why does your reaction is so dull?" Tang Jin Wei asked.

"About the news that I seduce the actor, I already know about that yesterday." Yu Qi smirked. "But about the fans who came and made trouble, I really don't know about that."

"You know?"

Tang Jin Wei and Tang Han Lee were surprised that their sister already knew about that.

"Yeah. Sister Su Jin told me about that yesterday. But I was busy preparing for today's surgery. So, I am kind of ignoring that." Yu Qi yawned.

"It seems you are tired. You should get some sleep after this." Tang Han Lee saw Yu Qi yawn.

"Hmm... I am planning to do so." Yu Qi nodded.

"What are you doing to do with that news?" Tang Jin Wei asked.

"I will think about that later." Yu Qi said while smiling.

...

The next morning, Yu Qi woke up on 5 a.m. because of the patient having a problem. That patient was the one who was being operated on by Yu Qi. So, it was her responsibility.

The problem was soon solved by Yu Qi. The patient immediately grabbed Yu Qi as she walked out of the ICU ward.

"He is fine for now. We still have observed him for 9 hours." Yu Qi explained to the family member.

It was an early start. Yu Qi went to refresh. She went out to the hospital. The sky was still dark. She wanted to go out for a moment. So, she walked to her car.

However, she could feel that someone was following her a few distances away from her. At first, she thought it was a stranger who just walked around. But Yu Qi tested. She turned her pace and that person followed it too, meaning that person intended to follow her.

Since it was still dark, no one was in the parking lot. When Yu Qi was about to reach the car, that person suddenly wanted to grab Yu Qi from behind. Because Yu Qi already knew there was someone following her, she was very alert.

Yu Qi quickly avoided that person. Instead of running away, she grabbed that person's hand and forced them to kneel.

"Ahh... My hand..." It was a foreign language but Yu Qi recognized the language. It was the Maxismilan language. Maxis Country.

"Hmm... Someone from Maxis Country. What do you want from me?" Yu Qi replied in the Maxismilan language too.

The person seemed to be startled. He did not know that this woman could understand and speak in his language. He did not answer Yu Qi immediately. He was thinking about his excuse.

Chapter 1253: Are You Blind?

"You are thinking about the excuse that you want to give to me?" Yu Qi tilted her head.

Yu Qi tapped some acupuncture points on the man's body. The man stopped moving. Only his eyes were moving, showing his fear.

"Someone, come out." Yu Qi shouted.

No one came out. Yu Qi sighed.

"I know you are here. I want you to bring this man to the military base." Yu Qi spoke to the air.

Then, suddenly two people approached Yu Qi right now. Yu Qi did not feel scared because she knew these two men were her allies.

"Miss Tang." Two men in black suits saluted Yu Qi.

"You must be here because of Brother Hui's order, right?" Yu Qi asked.

"Yes, we are here to protect you." The men answered.

"Well, bring this man to the military base first. He must be coming for me. I want to know the detail but I could not leave the hospital right now." Yu Qi explained.

"Yes, Miss Tang." The men nodded.

Chapter 1254: Went To The Military Base

"So, someone takes the advantage and writes the article about Miss Tang and me." Pei Xian Nan continued.

After that, Pei Xian Nan wanted to leave the place.

The obsessed fans who saw the interview were stunned.

"See, your idol admits that it is a misunderstanding. Our Doctor Yu Qi works so hard to save lives here. And you guys dare to cause trouble for Doctor Yu Qi. What an idiot fan." One of the nurses who obviously loved Yu Qi defended Yu Qi.

Since there were so many onlookers watching this, they also supported Yu Qi.

"I am grateful to Doctor Yu Qi. She helped my daughter a lot."

"Yeah. Me too."

"My son just recovered due to Doctor Yu Qi."

A lot of people supported Yu Qi at that moment making the obsessed fans feel uncomfortable.

"Please leave this hospital. Don't cause more trouble here anymore." Yu Qi said.

She did not want to care about these obsessed fans anymore. She had other things to do. Without waiting for them to answer her, she left the place.

The obsessed fans looked at each other before leaving the place. The hospital became peaceful again.

Yu Qi put away her white coat. She did not have any important patients after this. She decided to leave the hospital. When she was about to leave, she got a call from Long Hui.

"You are fine, are you?" Long Hui asked in a panic voice.

"I am fine. Don't worry about that. You must hear from your subordinates right?" Yu Qi assured Long Hui that she was okay.

"Yeah. I am just returned." Long Hui was surprised when he received the report about that.

"Are you at the military base right now?" Yu Qi asked.

"Yeah." Long Hui nodded.

"Okay. I want to see that man." Yu Qi stated her intention.

"Sure. I will wait for you." Long Hui said.

Yu Qi put away her handphone. Yu Qi went to her car, entered the car, and drove away. The military base was 2-hour drive from the hospital. Yu Qi did not mind since she wanted to see that Maxis Man.

After two hours of driving, she arrived at the destination. The entrance was guarded by several soldiers. She was stopped by those soldiers.

"Who are you and what is your purpose for coming here?" One of the soldiers asked Yu Qi.

"I am Tang Yu Qi. Colonel Long asks me to come here." Yu Qi stated her identity and her purpose.

The soldiers were startled when hearing Colonel Long's name. Only one Colonel Long here.

"Miss Tang please wait here. We need to confirm this first." The soldier said.

"Sure. I don't mind." Yu Qi nodded.

The soldier quickly used the walkie-talkie to reach people inside. After several minutes, the soldier went back to Yu Qi.

"Miss Tang, we already confirm it. Colonel Long is waiting for you. Please follow me." The soldier treated Yu Qi with respect.

Yu Qi nodded and followed her soldier. The other soldiers talked to each other when Yu Qi left the place.

"That is Colonel Long's fiancée."

"She is so beautiful."

"Yeah. It is the first time seeing her face to face."

"She seems nice."

"She did not put the airs on the lower soldiers like us."

"Very suitable to our Colonel Long."

"Stop talking. Do your duty."

Yu Qi followed the soldier to one place. It was a waiting room.

"Miss Tang, please wait here. Someone will come and get you." The soldier said and left.

5 seconds after, another person came into the room. It was Ren Qian Yi.

"Second Sister in law." Ren Qian Yi greeted Yu Qi.

"Brother Qian Yi, please call me Yu Qi." Yu Qi sighed.

"No... no... no... I can't do that. You are second brother wife to be." Ren Qian Yi shook her head. "Please follow me, second sister-in-law."

Yu Qi could not change her name and just followed Ren Qian Yi. They passed several soldiers including the female ones. When they saw Yu Qi walking together with Ren Qian Yi, they started talking about that.

"Who is that?"

"That is Colonel Long's fiancée."

"That famous one?"

"Yeah."

"I heard she seduced an actor."

"Stupid. Don't you see the interview?"

"Interview? What interview?"

"The actor said he just greeted Song Su Jin and Colonel Long's fiancée just happened to be there too. And someone took advantage to write such a slander about Colonel Long's fiancée."

"What a brave idiot person."

"Well... Well... Well... it seems someone slacking off. You sure have time to read the news."

"Erk... Captain Ding."

"Go and run 20 laps this evening completed with the gear." Captain Ding said.

"But.."

"30 laps." Captain Ding increased the amount.

"We will do it."

The soldiers did not dare to protest anymore. They knew the amount would increase if they protested again.

Yu Qi arrived at Long Hui's room.

"Colonel Long, your guest has arrived." Ren Qian Yi said.

"Come in." Long Hui gave the order.

Ren Qian Yi opened the door and was startled when seeing Long Hui in front of the door. He thought Long Hui would be sitting on his seat.

Long Hui did not see Ren Qian Yi at all. In his eyes, he only saw his beloved Qi Qi.

"Qi Qi." Long Hui grabbed Yu Qi's hand.

He scanned up and down Yu Qi. He was relieved to see his beloved Qi Qi okay.

Chapter 1255: Make Him Speak

Yu Qi smiled to see Long Hui.

"Please remember that I am here too." Ren Qian Yi's voice ruined the nice atmosphere.

"Why are you still here?" Long Hui asked coldly.

"Colonel Long, please excuse me. But I am here to investigate the man from Maxis Country too." Ren Qian Yi gave the reminder.

"Oh, yeah. I am here to see him too." Yu Qi remembered her purpose for coming here.

"Sure... Sure... Let's go." Long Hui glanced sharply at Ren Qian Yi.

Ren Qian Yi swallowed his saliva. He knew that his second brother must be angry at him because ruining the air between the two lovers. He sighed.

They arrived in one room. Long Hui ordered the guarded soldier over there to open the lock. He also ordered the soldier to switch on the light inside the door. The room immediately became bright.

The Maxis Man who just sat on the corner startled when the room suddenly became bright. He could see three people entering the room. One of them was the woman who caught him.

"Release me. You don't have the right to imprison me like this." The Maxis Man shouted in Maxismilan Language.

"I can release you if you cooperate with me." Yu Qi also spoke in Maxismilan Language.

"Second Brother, your fiancée knows to speak that Language?" Ren Qian Yi asked in surprise.

"My fiancée knows a lot of languages." Long Hui said proudly.

Ren Qian Yi was speechless. His second brother showed off his fiancée.

"I don't have anything to say to you." The Maxis Man said.

"Oh... then, why are you following me like that?" Yu Qi asked again.

"I just want to go to my car. I don't even know who you are." The Maxis Man pressed the topic that he did not know Yu Qi at all.

Yu Qi smirked. "That parking lot is only for the staff. You are not the staff. How can you park your car over there, hmmm?"

"I... I just parked there by mistake. The public parking spots were already full." The Maxis Man was still denied.

"It seems you still want to play dumb." Yu Qi snorted.

"I am not." The Maxis Man was persistent.

"Okay, then." Yu Qi nodded.

She took out something from her bag. She threw that something inside the Maxis Man's mouth.

The Maxis Man was shocked. He wanted to spit out the thing but the thing already melted inside his mouth.

"What are you putting in my mouth?" The Maxis Man shouted.

"You will know later." Yu Qi smiled.

Then the Maxis Man began to look dazed. His eyes dimmed.

"What is your name?" Yu Qi asked.

"I am Richard Morgan." Richard Morgan answered calmly.

"Where are you from?" Yu Qi asked again.

"I am from Maxis Country." Richard Morgan said.

"So, what are you doing here?" Yu Qi started to question his purpose.

"I am here for Tang Yu Qi." Richard Morgan said.

Yu Qi's eyes narrowed. "Why do you look for Tang Yu Qi?"

"She is a talented person. Our organization would like to have her." Richard Morgan started to reveal something.

"What is your organization's name?" Yu Qi inquired.

"The Seeking Eye." Richard Morgan answered.

"The Seeking Eye? What is the kind of organization?" Yu Qi wanted to know more about the organization.

"We do many kinds of research." Richard Morgan said. Then, he looked at Yu Qi with a horrible look.

"What do you have done to me?"

"30 minutes. Hmm... it needs to be improved." Yu Qi looked at her watch.

"Answer me. What do you have done to me?" Richard Morgan shouted.

"Thank you for your information, Mr. Morgan. I will use this information wisely." Yu Qi smiled.

"What? How do you know my name?" Richard Morgan was very shocked.

"How? You tell me yourself, Mr. Morgan. Richard Morgan." Yu Qi looked at the shocked Richard Morgan.

Richard Morgan looked at the smiling Yu Qi. He did not remember saying anything after swallowing that thing. It must be related to that thing that he swallowed.

"You... You..." Richard Morgan now looked at Yu Qi in horror.

"Goodbye." Yu Qi smiled.

The two men also followed her out.

"Second Sister-in-law, what are you doing to him earlier?" Ren Qian Yi could hold back his curiosity.

"I asked him about himself." Yu Qi answered.

"How? He seems unwilling at first." Ren Qian Yi said.

"Well, I give him a truth pill." Yu Qi told Ren Qian Yi.

"Truth Pill?" Ren Qian Yi seemed excited when he heard that. "It is the one I am thinking about?"

"Well... I don't know what are you thinking about but if someone eat my truth pill, he would answer what we asked him." Yu Qi said.

Ren Qian Yi looked very excited. "Wow... very interesting."

"But the effect of my truth pill is just about 30 minutes. I need to improve the pill." Yu Qi sighed.

"30 minutes! There are a lot of things can we get from it." Ren Qian Yi said. "Second Sister in Law, can I get the pill from you?"

"What are you going to do with it?" Yu Qi raised her eyebrow.

"Of course, for the military." Ren Qian Yi answered rightfully.

"I don't think so." Yu Qi shook her head.

"Why not?" Ren Qian Yi asked. He really wanted to have the pill.

"It is very difficult to make and very expensive." Yu Qi explained.

Chapter 1256: Hand Out The Foreigner To The Immigration

"How much it's cost?" Ren Qian Yi asked. "If you want to buy this pill, you need about 2 million in your hand." Yu Qi smiled. "2 million? Why does it so expensive?" Ren Qian Yi shouted. "I forget to tell you , it is in USD... Not Yuan." Yu Qi made another shocking statement. "What the f**k!!!" Ren Qian Yi looked at Yu Qi like she was a monster. "I told you it would be expensive." Yu Qi said in an innocent tone. "Second Sister-in-law, can you lower the price? It is for the military. It is for your husband to be as well." Ren Qian Yi grinned. "I am sorry. But no." Yu Qi also grinned. Ren Qian Yi sighed. He gave up. "The pill still needs some improvement. The current truth pill only can handle people within 30 minutes." Yu Qi waved her hand.

"Even 30 minutes, we can use it wisely. A lot of information that we can get from someone." Ren Qian Yi said.

Yu Qi shook her head again.

"Enough. This matter can wait. We still have another important matter here." Long Hui interfered.

Ren Qian Yi suddenly remembered the man inside the room. Because of the truth pill, he forgot about that.

"Yeah... Yeah... Second Sister-in-law, what do you get from that man?" Ren Qian Yi asked. Long Hui also waited for Yu Qi's answer. "He is indeed from Maxis Country. His name is Richard Morgan. He is from The Seeking Eye "The Seeking Eye Organization?"

It was the first time Ren Qian heard about the organization as well as Long Hui. He heard about this organization for the first time.

"They wanted me to join them and help them with their research." Yu Qi told more about that.

"What research?" Long Hui asked.

"I don't know about that. He was released from the truth pill when I was about to ask that." Yu Qi also felt flustered about that.

"Don't mind about that. With the information, we can investigate furthermore. Don't worry about that." Long Hui rubbed Yu Qi's hand.

"How do we handle that man?" Ren Qian Yi asked. "Hmmm... Let's hand him to the immigration." Yu Qi suggested. Both Long Hui and Ren Qian Yi were surprised by Yu Qi's suggestion. "Why should we do that?" Long Hui asked.

"We don't have much evidence to arrest the man properly. If this comes out to the public, the military image will be ruined. At this moment, we can't do anything much to this man. However, we can handle him out to the immigration to force him out of our nation." Yu Qi was thinking about Long Hui's image too.

This man did not do anything extreme. With his identity as a foreigner, the military could not do anything to this man unless the military had some concrete evidence that this man posed a severe threat to the nation.

It was already late at the night. The time showed 11.49 p.m. it minutes to reach midnight.

Long Hui told Yu W to stay in the military base for the time since it was already too late. If Yu Qi wanted to return home, it would take 2 hours to reach home. Yu Qi also agreed to do that.

They went to Long Hui's room. The room was completed with a bathroom made things easier for Yu Qi.

"Do you want to go inside your space?" Long Hui asked. "Hmm... I will just take some clothes from it and comes out." Yu Qi said. After saying that, she disappeared right now. Long Hui was not panicked because he knew that his beloved Qi just entered her space. Two minutes later, Yu Qi appeared again. Long Hui narrowed his eyes. "Why are you looking at me like that?" Yu Qi noticed Long Hui's look. "I just thought you would return with those two pets." Long Hui said. "Oh, Shino and are not inside the space. They are at home. I already tell them that I will not return home tonight." Yu Qi explained. "Oh..." Long Hui's corner lips curved up. He was happy to be alone with his beloved Qi tonight. Otherwise, those two pets would always disturb his time with his beloved Qi W. "Brother Hui, I will use the shower first." Yu Qi said. "Hmm... Sure." Long Hui nodded while smiling. Yu Qi entered the shower without feeling anything. She really wanted to take a shower since she did not have a chance to do so this morning. While she was

taking the shower, suddenly she sensed someone else entering the bathroom. It must be him. "Brother Hui, what are you doing here? I am taking the shower now." Yu Qi said as she saw Long Hui with a towel covering the bottom of his body. "Well, we should take shower together. It saves time and water." Long Hui smiled. "Save what? We will waste more." Yu Qi glared at Long Hui. "Qi, you can not scold me. I miss you so much even if it is just only a few days." Long Hui pouted. "Sure... Sure... Let's take a shower together then." Yu Qi gave up. She knew there was nothing to stop Long Hui now. Let's just let him do whatever he wanted.

Chapter 1257: Being Looking Down By The Sales Assistant

Long Hui sent Yu Qi to the work in her car. He deliberately stopped by the hospital entrance. Yu Qi knew why he doing this. When he was eating breakfast, he came crossed the news telling his beloved Qi Qi seducing another man.

He did not know this when returning because he was more concerned about the man from Maxis Country. He just found out about the news this morning.

He stopped the car and came out of the car too together with Yu Qi. Yu Qi was confused as he also came out. Then he approached Yu Qi. He grabbed her hand and kissed it.

"I will pick you up later. Call me after you finished." Long Hui smiled sweetly.

Yu Qi nodded shyly. She rushed into the hospital with red blush on her cheek.

"Doctor Yu Qi, you are blushing this morning. Having a sweet boyfriend is very romantic." Nurse Shin Teng teased Yu Qi when seeing the blush on Yu Qi's cheek.

"Don't tease me." Yu Qi scolded Nurse Shin Teng.

"Yeah... Yeah..." Nurse Shin Teng did not mind Yu Qi's scold.

As for Long Hui, he was about to enter the car when some people suddenly blocked him. They were equipped with some equipment such as a camera and microphone.

Long Hui quickly determined the people. They were reporters. They were waiting for Yu Qi to interview her but instead of Yu Qi, they saw Long Hui. It was a chance to get some exclusive reports.

"You must be Mr. Long, right?"

"What is your thought of the news?"

"Please say something."

Those reporters started to ask questions. Long Hui began to look stern. The reporters noticed the change. They started to back off slowly.

"Step aside." Long Hui just said two words.

The reporters backed off far from Long Hui and the car. Long Hui ignored the reporters and entered the car. He left the hospital.

"He is indeed a soldier."

“His aura is scary.”

“I don’t understand why the women seem to like him.” It was from a male reporter.

The female reporter responded. “We like his face.”

The obsessed fans who still hang out around the hospital watched the situation. They were very surprised when seeing Long Hui face to face even after they saw his picture. It was so unreal.

They even watched the time when Long Hui kissed Yu Qi. Those two were so loving to each other. They were convinced that Yu Qi had nothing to do with their Brother Pei.

Yu Qi checked the patient that she performed the surgery. The patient showed recovery. He had already moved to the normal ward. The family member thanked Yu Qi a few times.

....

Lang Sun called Yu Qi about the anniversary party for Qiaosu Entertainment. It was 5 years anniversary. He called Yu Qi to ask whether Yu Qi wanted to attend the party or not.

Yu Qi told him that she would think about that. Going to the party meant she would expose herself as the person behind the scene for Qiaosu Entertainment. She felt it was about time to tell the world that she was the owner of Qiaosu Entertainment.

For that, she asked Long Hui if he had time to go to the party with her. Long Hui’s answer did not disappoint her. He agreed to go with her.

Yu Qi informed Lang Sun that she would go to the party as well exposing her identity. Lang Sun was happy to hear this. It would give a surprise to others.

On her day off, Yu Qi asked Long Hui to come along with her to find a dress for the party. Actually, Yu Qi was very excited to choose a suitable suit for Long Hui.

They walked around the mall. Since it was the weekend, many people were around the mall enjoying their weekend. So, when the two of them walked, they got a lot of attention from the people.

First, they went to a store that sold the dress. Both of them looked around. The sales assistant welcomed Yu Qi and Long Hui. However, when she saw those two’s attire, her expression showed some disdain.

Long Hui noticed her and glanced at the sales assistant. The sales assistant caught Long Hui’s glance. She blushed. Even though the man looked poor, his face was really good-looking. Long Hui snorted.

“Qi Qi, how about this dress?” Long Hui ignored the sales assistant and asked Yu Qi about a dress.

“Hmm... I think it is nice.” Yu Qi nodded. She wanted to touch the dress.

“Miss, I want to remind you that this dress is expensive. If you don’t have the money, you should go to the 100 yuan store at level 3.” The sales assistant said stopping Yu Qi to touch the dress.

Long Hui glared sharply at the sales assistant. The sales assistant did not think she was doing the wrong thing. She thought she just reminded them.

"Your attitude really irked me. Call your manager." Long Hui said to the sales assistant.

"Why should I do that? I remind you of my kindness. If something happened to the dress, you have to pay for it." The sales assistant snorted.

What if he had a handsome face? He had no money. He was useless without the money.

Yu Qi narrowed her eyes. This sales assistant looked down at them at moment they entered the store.

Chapter 1258: Excited To Look For Men's Clothes

"Are you Doctor Yu Qi?" Another customer called and greeted Yu Qi.

"Yeah. You are?" Yu Qi looked at the customer. She had not seen this woman at all.

"I am Wei Nana. You treated my father before. Thanked to you that my father is fine now." Wei Nana introduced herself as well as thanked Yu Qi.

"Oh, I am sorry. I don't remember you." Yu Qi apologized.

"No need to apologize. We don't meet face to face before. You only meet with my mum." Wei Nana said.

"I see." Yu Qi smiled.

"This must be Mr. Long Hui." Wei Nana said.

"Yeah." Yu Qi nodded.

"Mr. Long is really matched with Doctor Yu Qi. I read the news. I really don't believe the news. It is bullshit." Wei Nana showed a disgusted expression.

"Thank you." Yu Qi smiled.

"You can choose the dress you want. I can give a discount of 20% for you." Wei Nana said.

"Huh?" Yu Qi was confused.

"It is my store." Wei Nana said.

Chapter 1259: Offer To Be A Model

Yu Qi asked Long Hui to try the suit to confirm his size. He changed into the suit and showed it to Yu Qi.

Yu Qi's corner lips curved up when seeing Long Hui in that suit. Even others stopped doing what they were doing when saw Long Hui.

The manager came up to Long Hui and wanted to talk about something.

"Sir, may I take your pictures and use them?" The manager was excited to ask about it.

She already imagined that when the pictures of this man went up, the sales of this store would boost.

"No." Long Hui rejected it straight away.

The excitement on the manager's face disappeared. She did not expect that this man would turn down her offer but she did not give up.

"Sir, we are not planning to use your pictures for free. We can pay you." The manager tried her luck again.

Who did not want to be famous and rich? The manager thought Long Hui disagreed about her offer because Long Hui thought he would not be paid.

"No." Long Hui rejected it again.

"We can offer you a high price." The manager offered again.

"Excuse me." Yu Qi interfered.

The manager realized Yu Qi was there. She decided to persuade Yu Qi first. Maybe if his girlfriend wanted him to do it, he would agree with his girlfriend.

"Miss, your boyfriend is so handsome. With that face, he could be a celebrity. I really want to use his picture. I will pay him too." The manager persuaded Yu Qi.

"I am sorry. My fiancée has no intention to be a celebrity." Yu Qi said.

"But why? It is a waste." The manager said.

"He already has his career." Yu Qi uttered.

"What is his career?" The manager wanted to know.

"He is a soldier." Yu Qi smiled.

"A soldier?" The manager was shocked to hear that.

Then an onlooker looked at Long Hui intensely. Then her mouth was widely opened.

"Soldier? Is he Long Hui? Colonel Long Hui?" The onlooker exclaimed.

Another onlooker heard that and asked. "What? Who?"

"He is Colonel Long Hui. The grandson of our former General, Great General Long Fei Yi." The onlooker's voice was not too low or too loud but everyone could hear that.

The manager looked at Long Hui and turned back to Yu Qi for confirmation. "Is what the customer says the truth?"

"Well, yeah." Yu Qi nodded.

The manager immediately apologized to Yu Qi and Long Hui. "Please forgive me for such a rude remark. I should not say 'It is a waste to you'. You had protected our nation. We really appreciate that."

Yu Qi and Long Hui looked at each other. Long Hui signaled to Yu Qi that they should pay for the clothes and left.

"It is okay. We would like to purchase the suit right now." Yu Qi said.

"Sure... Sure..." The manager nodded several times.

Long Hui changed his clothes back. The manager processed the purchase herself. Yu Qi told the manager to swipe her card. Long Hui wanted to say to use his card but seeing the glare from his beloved Qi Qi, he went silent.

They paid for the purchase and left the store. When they were about to leave, they could hear the conversation of others.

"If that man is Colonel Long, then the woman must be Tang Yu Qi."

"You mean the rumor about one who seduced an actor?"

"Yeah."

"But it seems the new does not affect their relationship, though."

"Maybe he does not know yet."

"Probably."

Hearing that, Long Hui turned to the onlookers who discussed him and his beloved Qi Qi. He glared sharply to them.

The onlookers noticed that and immediately felt scared as they saw the glare. Long Hui seemed to be about to kill them.

"Brother Hui, ignore them." Yu Qi pulled Long Hui's hand.

"But.." Long Hui could not stand people talking bad about his beloved Qi Qi.

"It's okay. I don't really care what others think about me." Yu Qi smiled. "It is enough that you understand me."

Long Hui calmed down after hearing that. That was right. Long Hui nodded.

"Let's go." Long Hui smiled.

The couple who talked about them were relieved. They thought that they would die at that moment.

"Who tells you to say something like that?"

"I am just saying what others talk about."

"If I am talking about someone you love like that, you will feel angry too." Another woman said to the couple.

The couple did not respond. They were embarrassed and left the store immediately.

"We need to buy you the shoe too." Yu Qi reminded.

"Okay." Long Hui nodded. "But I think I should be the one who paying."

Yu Qi glared at Long Hui again. "Why? Do you think I don't have money?"

"Of course not. You do have money. But..." Long Hui could not finish his sentence.

"I have money. And I want to spoil you with my money too." Yu Qi said arrogantly.

Long Hui immediately smiled when he heard the word 'spoil'. "Sure... Sure... You can spoil me." Then he leaned over to Yu Qi's ear and whispered. "You also can spoil me on the bed too."

Yu Qi's face instantly became red. She turned and looked at Long Hui in anger. However, from Long Hui's view, Yu Qi looked so cute.

"Don't say something like that in public." Yu Qi's eyes were wide open.

"So, I can say it off the public?" Long Hui teased Yu Qi.

Chapter 1260: Annoying Pest

After a while of teasing his beloved Qi Qi, Long Hui stopped. He pinched Yu Qi's cheek.

"Okay... okay... I apologize okay? Let's go buy the shoes." Long Hui coaxed Yu Qi with a pamper glance.

Yu Qi nodded. They went to the men's shoe store. They had a lot of designs of men's shoes here. Not many people in the store. The sales assistant smiled and welcomed them.

The sales assistant did not disturb them as they looked around. Yu Qi asked a lot of questions to Long Hui about the shoe. Long Hui responded and that helped Yu Qi to choose the shoe for Long Hui.

Yu Qi was about to pick up the shoe that she wanted but someone else also wanted the same shoe too. Yu Qi glanced at the person.

"It's mine." A woman with a sexy dress said.

Yu Qi let the shoe go. She did not want to waste her time fighting with someone because of the shoe.

However, the woman did not think so. She looked up and down at Yu Qi. It seemed she judged Yu Qi.

"Good. You know your place. By the way, someone like you should not be here. Can you afford to buy the shoe here?" The woman smirked.

Yu Qi raised her eyebrow. Then Long Hui came to her side.

"Are you done choosing?" Long Hui asked.

"Yeah." Yu Qi nodded.

The woman was surprised to see the handsome man. This man was much more good-looking than her current boyfriend. She faked some coughs to get Long Hui's attention.

Long Hui glanced at her once and returned back looking at his beloved Qi Qi. Both Yu Qi and Long Hui ignored the woman. Yu Qi called the sales assistant.

"Yes, Miss. What can I help you with?" The sales assistant asked politely.

"I want that shoe. Do you have another stock?" Yu Qi asked back.

"Hmm... I need to check it first." The sales assistant said.

Yu Qi nodded and told the sales assistant Long Hui's size.

The woman was angry at Yu Qi for ignoring her like that.

"Hey, can you afford to buy shoes here?" The woman asked loudly.

There were no customers in the store. Only the sales assistants were there. Everyone turned to the woman.

"There is nothing to do with you." Yu Qi answered.

The woman smirked. "The poor people like you should not be shopping here. It would be embarrassing if you can't pay later. I am just advising you."

"Mind your own business." Yu Qi snorted.

"You!" The woman pointed a finger at Yu Qi.

Yu Qi narrowed her eyes as she looked at the finger which pointing at her.

"Honey, are you okay?" Another man came and talked to the woman.

"Darling, she is bullying me." The woman complained to the man. It seemed to be her boyfriend.

The man finally looked at Yu Qi and was surprised to see such a beautiful woman here. He then showed a gentlemanly smile to Yu Qi

"Is there any misunderstanding here? Hmm... Miss?" The man asked.

"Nothing is a misunderstanding here. Just take care of your woman." Long Hui blocked Yu Qi from the man's view.

The man was surprised once again. He did not realize there was a man beside the beautiful woman.

The sales assistant came back and brought the same shoe that Yu Qi wanted. She urged Long Hui to try it. Long Hui followed her request and tried it.

"Hmm... It is good. I can not wait to see you in that suit and this shoe." Yu Qi was eager to see Long Hui when he put everything on.

It seemed the woman still wanted to fight with Yu Qi.

"You should take a closer look at them in case they want to steal the shoe." The woman accused Yu Qi and Long Hui.

Ignoring the woman, they went to the counter to settle the payment. The woman followed them. The man also followed the woman.

Yu Qi was about to pay. Then, Long Hui suddenly took out the card and swiped it. The payment had been settled.

The man's eyes were wide open. It was a black card. He understood the black card very well. 'This man is a hidden rich man. I should not offend him.'

The woman did not see the card from her point of view. So, she wanted to embarrass the couple more.

"You should check the account to see the money in there. Nowadays a lot of scammers can do anything to steal." The woman said again.

The sales assistant who handled the payment process looked at the woman and thought that this woman was an idiot. This man was the black card holder. This was a high-end store. So, the sales assistants here knew what the black card meant.

The man was shocked to hear this and he quickly followed the woman in anger.

"Can you shut up?" The man shouted to the woman.

The woman was shocked when her boyfriend suddenly got angry at her. "Why are you being like this? Why are you angry at me?"

The man took a deep breath. 'This woman is stupid.'

"I know. You must fall to that woman, right?" The woman started shouting at her boyfriend.

"No. I don't." The man sighed. Then he explained. "That man is the one we should not offend."

"What?" The woman was confused.

"We can not afford to offend him." The man said.
