Chapter 1271: Involve In Drug

The reporters who heard the news rushed to the police station. They even know which police station where Pei Xian Nan had been brought in.

However, they could not enter the police station for some news. They might be arrested. They were not stupid.

However, some of them were lucky. They probably have friends inside the police station. Some of the media companies had assigned their reporters to cover the crime case.

So, the reporters had permission to enter and exit the police station. That was why the reporters knew which police station Pei Xian Nan was.

However, they could not get the specified reason as for why Pei Xian Nan was arrested. Who was the unconscious woman who that being taken away by the ambulance and why did she unconscious during that time?

There were a lot of speculations around the internet. Some of the reporters called Qiaosu Entertainment Company. Lang Sun ordered the PR department to handle this properly.

Qiaosu Entertainment called the police station about this matter. Since the company had the right to know what was going on with their artists, the police officer explained everything to them.

Upon knowing the truth, Lang Sun was shocked to hear that. He remembered that Yu Qi told him to wait. Was Yu Qi already knew this going to happen? How did Yu Qi know about that? He calmed himself down. It must be a coincidence.

The unconscious woman was taken by ambulance to a nearby hospital. The nearby hospital happened to be Tang Hospital.

Yu Qi was the one who received the woman. When she checked the woman, she got the result that this woman's body had a lot amount of drugs. She needed to be operated on to get the drug out of her body. Otherwise, she would die.

Yu Qi asked others to prepare the surgery room as soon as possible. The police came and explained something to Yu Qi. They did not tell the detail. They just said that this woman was the important witness in their case and that Yu Qi needed to save her.

"I will try my best." Yu Qi nodded.

So, at this moment, Yu Qi did not know that the woman she was about to operate on related to Pei Xian Nan.

Two hours into the surgery, Yu Qi had finally done with the operation. Fortunately, the woman was safe. She was lucky that she had been brought into the hospital fast and received the treatment.

The police officers came forward to ask Yu Qi when the woman would be conscious. Yu Qi told them that they needed to wait for tomorrow.

The police officers nodded. They told Yu Qi that the woman's parents had been called over. The police officers found out about the woman's identity after investigating the crime scene. The woman was identified as An Yiming, 21 years old.

Half an hour later, An Yiming's parents came to the hospital with a panicked expression. Yu Qi told them about their daughter's condition.

Mrs An almost fainted when she saw her precious daughter laying on the intensive care unit's bed. Mr An quickly held his wife. He was calm compared to his wife but others could see that what happened to his daughter affected him.

"What is actually happening to my daughter, Doctor?" Mr An asked Yu Qi.

"Mr An, we will be explaining to you the matter. Doctor, can I borrow one of your private rooms? We need to talk with Mr and Mrs An in private." The police officer stepped in.

"Sure. I will lead you. Follow me." Yu Qi nodded.

She brought the police officers and Mr and Mrs An to a meeting room. After leading them in, she was about to step out but one of the police officers told her that she could stay. She was shocked but nodded and closed the door.

The police officers started to explain what happened to the couple about their daughter. The couple was shocked to hear this. They could not believe their ears.

Mrs An started to cry again. The police officers believed that their daughter was being sexually abused by those men.

Upon checking An Yiming's body, Yu Qi also noticed that. The private part of An Yiming's body had sign of sexually abuses.

Mr An told the police officers that he wanted to file a charge against those men. He did not care anymore.

The police officers nodded. They told him to come to the police station later. Then the police officers turned to Yu Qi. They told her that she needed to call them if An Yiming regained consciousness.

Yu Qi nodded understanding. The police officers left the hospital. As for Mr and Mrs An, they left the meeting room and went to see their daughter again outside the ICU Ward.

Not long after that, two men rushed over to An Couple.

"Mum, Dad." The two men called Mr and Mrs An.

They were An Chang and An Buyi. They were the older brother and younger brother of An Yiming. They rushed coming to the hospital when hearing the news that their sister was hospitalised by their parent.

An Chang asked about what happened to his younger sister. Mr An told him everything. As a brother who dotes on his younger sister, he was furious upon hearing that.

An Buyi looked through the glass. His older sister was laying on the bed like that. He could not hold back his tear. He could not care if anyone saw him crying.

Chapter 1272: Deal With The Situation

An Chang told his father that they needed to go to the police station right now. Mr An nodded. The reason he called both of his sons was about this matter.

He wanted to go to the police station but he did not want to leave his wife alone. His wife did not want to leave their daughter alone.

So, he called his sons to accompany their mother here for him to go to the police station to settle the matter over there.

"Dad, I will go with you." An Chang said. He turned to An Buyi who crying. "Buyi, take care of mum here. Understand?"

An Buyi nodded while his tear still flowed down. He nodded firmly as holding his mother's hand.

"Mum, sister will be alright." An Buyi said to his mother.

"Hmm..." Mrs An replied.

Mr An and An Chang went to the police station mentioned by the police officers earlier. Mr An immediately made a report about his daughter and wanted to sue Pei Xian Nan and his friends for treating his daughter like that.

An Chang asked the police officers if he could meet Pei Xian Nan. He wanted to ask him why was he doing something like that to his sister.

Actually, the police officers did not mind both parties wanted to meet. However, it was impossible at the moment.

"Why? Why can't I meet him?" An Chang felt the police officers were trying to protect Pei Xian Nan and his friends.

"Calm down, Sir. It is not like that. Even if you meet him right now, you can't ask him anything. It is waste of time. You should come later." The police officers tried to explain.

"Why?" Even Mr An was confused right now.

"Mr Pei and his friends are currently not in their right minds due to drugs." The police told the truth.

"What?" Mr An and An Chang were shocked to hear that.

"We already called the doctor to check on them. They need about 3 hours to fully awake." The police officer sighed.

"I see. I will not make you work hard. Still, I want to sue them." Mr An firmly said.

An Chang also nodded. They did not care how much they would be going to spend but they would do it for his daughter and sister.

After settling the matter with the police officers, both of them rushed back to the hospital.

...

The entertainment news exploded with Pei Xian Nan's scandal again. Other entertainment companies were happy when this news hit Qiaosu Entertainment.

Qiaosu Entertainment rose to the top making others jealous. The share of Qiaosu Entertainment dropped little by little making the top management worried.

In the office room, Bai Xia Fang looked at Bai Shu Jin.

"You mean they did not want to sell their share?" Bai Xia Fang narrowed his eyes.

"Yes, Father. Since the scandal, I think it might be our chance to acquire the company. But those shareholders did not want to sell their share even their company share keep decreasing." Bai Shu Jin gave his report.

"How loyal they are." Bai Xia Fang commented.

Bai Shu Jin was silent.

Then after a while, Bai Xia Fang said. "Keep pressing. I think that girl will be involved directly."

"Alright." Bai Shu Jin nodded.

Somehow, the truth from the police station had been leaked. Someone overheard the conversation and sold the news to the reporter.

Pei Xian Nan and his friends became a public enemies. Qiaosu Entertainment was also got affected by the news.

Yu Qi went to Qiaosu Entertainment. She took a half day off. The security allowed her to enter because they also knew them. The security became more tense because a reporter was trying to sneak inside the building.

The receptionist greeted Yu Qi. Yu Qi asked her about the direction. She wanted to go to Lang Sun's office. The receptionist called Lang Sun's secretary and informed her about Yu Qi's arrival.

10 minutes later, Lang Sun's secretary came down and invited Yu Qi to go up. Lang Sun greeted Yu Qi and brought Yu Qi to the meeting room.

Everyone had already waiting inside the meeting room. This was the first time Yu Qi joined them.

"Not need for formalities, let's start our meeting." Yu Qi said.

They were having a meeting to handle the current issues that they facing right now. One of them was Pei Xian Nan's issue.

Yu Qi told them what to do. It was simple and neat.

However, as for another issue, it was a little bit hard.

"They keep attacking our company. I can't still determine who our enemy is." Lang Sun said.

"It is probably from Cude Entertainment. They are pissing off since we take over their place." One of the upper management

"It could be Stars Entertainment. They must be terrified of our achievement. They are afraid that we are going to take their place as number one." Another one also expressed his opinion.

"The minor shareholders tell me that someone wants to buy the stock in their hands but they did not fall for that." Lang Sun sighed.

"I think someone wants to acquire us." Yu Qi made the assumption.

"Who?"

The upper management looked at each other.

"Tell the shareholders if they want to sell their shares, it is fine. But only if they sell to me. I will buy it. If they dare to sell the shares to others, trust me, I will make their life a living hell." Yu Qi looked around.

Among the upper management, there were some shareholders. They gulped.

Chapter 1273: Sympathized With Bai Cooperation

An Yiming finally regained her consciousness. They were inside the normal ward. She was arranged into the normal ward after her condition became stable.

Mrs. An and An Buyi cried when seeing An Yiming opened her eyes. Both Mr. An and An Chang did not cry but they were terribly relieved. Upon seeing her mother, An Yiming also cried hard.

She knew why she was here very well. It was a careless mistake. She should not believe anyone like that man anymore.

The doctor checked An Yiming after she was awake. She was slowly recovering. Yu Qi also came to visit An Yiming.

"Ming-er, Doctor Yu Qi is the one who operated on you." Mrs. An introduced Yu Qi to her daughter.

An Yiming was planning to join the entertainment industry in the future. So, she paid a lot of attention to the entertainment industry. Of course, she knew this doctor.

"Doctor Yu Qi, thank you for saving me." An Yiming nodded.

"That is my work." Yu Qi smiled. "By the way, does your mother tell you about everything?"

"Yeah. I will cooperate when the police officers come. I have a lot of things to tell them." An Yiming made a fist.

"Good. I will call them later and have them come over." Yu Qi nodded.

"Thank you, Doctor Yu Qi. By the way, I just want to say that you are beautiful, Doctor Yu Qi." An Yiming said.

"Thank you." Yu Qi smiled.

Yu Qi called the police officers about that. The police officers came right away.

....

Qiaosu Entertainment gave a statement that Pei Xian Nan had finished his contract and would not be renewing his contract.

The reporters quickly attacked Qiaosu Entertainment for being heartless since Pei Xian Nan had just got caught. The PR department counterattacked by saying that Qiaosu Entertainment was not a charity place.

Since the contract already expired, there was no need for Pei Xian Nan to stay in Qiaosu Entertainment anymore. Not to mention Pei Xian Nan's scandal with the owner the previous time. Qiaosu Entertainment completely abandoned Pei Xian Nan.

The obsessed fans of Pei Xian Nan made a protest against the company. Lang Sun gave the order to ignore those obsessed fans and tightened the security in case the obsessed fans came inside the building.

Lang Sun had his full hands over those issues. The acquires issue was the most important thing right now. Lang Sun already recovered some of the shares from the shareholders who wanted to sell it.

At first, Lang Sun was worried about the money. However, Su Yu Hi came back from his business trip to Fang Hai. Su Yu Hi pulled some money from YQ Investment Company to buy those shares.

Su Yu Hi quickly investigated the one who snitched around the companies and wanted to buy the company's shares. It was not only Qiaosu Entertainment but HuiQi Jade Store as well as Qi Qi Skincare.

When Su Yu Hi got the result, he was a little bit surprised with the result. He did not expect such a company paid attention to the three companies.

Su Yu Hi suspected that the company was targeting Yu Qi at first. But a lot of people did not know about the person behind Qi Qi Skincare.

However, considering that the company was such a big company, they probably knew that the owner of Qi Qi Skincare Brand was Yu Qi's. If that was the case, that company was indeed targeting Yu Qi.

Su Yu Hi decided to meet with Yu Qi. He was already in front of the entrance when he called Yu Qi.

Yu Qi just finished her consultation with her patient and heard the ringtone. When she saw the name, Yu Qi quickly answered the call.

Su Yu Hi asked her if she had time to come and see her right now. Yu Qi did not refuse. She told him to go to the cafe inside the hospital

15 minutes later, Su Yu Hi saw Yu Qi walking toward him. She sat in front of Su Yu Hi.

"Brother Yu Hi, how are you?" Yu Qi greeted him.

"Hmm... When I return home, the problem kept landing on my hand." Su Yu Hi said in a joking mood.

"Yeah. They seem to keep pressing my button." Yu Qi gave a cold smile.

"You know that they have just not targeted Qiaosu only but the other two as well, Qi Qi and HuiQi." Su Yu Hi started to be serious.

"Hmm..." Yu Qi nodded. "But it is not easy to acquire Qi Qi and HuiQi because it was 100% mine. No under others."

Su Yu Hi also knew the fact. But those people kept trying.

"Do you know who they are?" Su Yu Hi asked.

"Hmm... we had a lot of enemies when come to business. I can't narrow it down." Yu Qi sighed.

"It is Bai Cooperation." Su Yu Hi said.

Yu Qi frowned and became hostile when hearing that name. She was not so mad if another company wanted to try its luck. However, it was a different story if it was Bai Cooperation.

Su Yu Hi noticed the change in Yu Qi. It seemed Yu Qi hated Bai Cooperation so much.

"They dare to covet what is mine." Yu Qi said while gritting her teeth.

"So, what is your next step?" Su Yu Hi asked.

Yu Qi was silent for a moment and smiled while narrowing her eyes at the same time. "Don't worry. I already thought about that."

'You should not extend your hand to hers.' Su Yu Hi sympathized with Bai Cooperation.

Chapter 1274: Begging For Mercy

Mr. An hired a lawyer for the Pei Xian Nan case. It was supported by the whole family including An Yiming. In addition, An Yiming also dragged her cousin and best friend.

What happened to An Yiming was the result of her cousin and best friend's scheme. When the family knew what actually happened to An Yiming, Mr. An and Mrs. An were furious.

They left the hospital and went to Mrs. An's sister's house. No one knew about An Yiming's incident because Mr. and Mrs. An blocked the news about their daughter. So, no one knew about that.

When Mrs. An's sister saw Mrs. An, she was surprised to see her sister come. She invited them to her house.

"Sister, what is going on? Why do you come to my house?" Wu Yao smiled.

"Where is your daughter?" Mrs. An asked.

"Of course, she is at the school." Wu Yao looked at the watch. "She probably come home later."

"Sure, we can wait." Mrs. An said.

"Why do you want to see Meng Qiu? Is there something wrong?" Wu Yao was curious.

"You will know later when she comes home." Mrs. An said.

Not long after that, Wu Meng Qiu returned home while humming. However, the humming stopped as soon as she stepped into the house and saw Mr. and Mrs. An.

It seemed Mr. and Mrs. An still did not notice her. It was her chance. She wanted to get out of the house silently but her mother spotted her and called her name loudly.

"Meng Qiu, Uncle Chia, and Auntie Yanyu come and want to meet you. Come here." Wu Yao called her name.

Wu Meng Qiu was very angry at her mother. If her mother did not call her name, she could run away. But she did not show any angry expression on her face. She also smiled innocently at Mr. and Mrs. An.

"Uncle Chia, Auntie Yanyu, hi. It has been a long time since we meet. How are you?" Wu Meng Qiu greeted Mr. and Mrs. An.

Mr. and Mrs. An did not reply at all. Instead, they glared at Wu Meng Qiu. Wu Yao felt weird about this.

"Brother in law, sister, why don't you talk to Meng Qiu? You tell me you want to meet her." Wu Yao asked since both of them did not say anything.

"If I don't know the truth, I still think of you as an innocent girl. But you are a very cruel person." Mrs. An suddenly said.

Wu Yao was confused about what her sister talking about.

"I already report the incident to the police. You will pay the consequence of your action." It was Mr. An's turn to speak.

Hearing the police mentioned, Wu Meng Qiu panicked.

"Uncle Chia, Auntie Yanyu, please, let me explain." Wu Meng Qiu approached Mrs. An and wanted to grab her hand.

Mrs. An quickly moved her hands. "Don't you dare touch my hand? I am disgusted with you."

"Sister, what is going on here? Why do you treat my daughter like that?" Wu Yao interfered when seeing her daughter being treated like that.

"Why don't you ask your beloved daughter about that?" Mrs. An said.

Wu Yao turned to her daughter. "Meng Qiu, tell Mum. What is going on here? Tell me so I can help you."

"Mum, I don't want to be arrested." Wu Meng Qiu shook her head several times.

"It seems you don't tell your mum about your activities." Mrs. An snorted.

Her daughter was ruined but her daughter's culprit was still fine. As her mother, she would get revenge on her daughter's culprit even if that culprit was her niece. Her daughter would come first.

"WU MENG QIU, TELL ME." Wu Yao was losing her patience.

"Since your daughter does not want to tell you, let me tell you." Mrs. An glared at Wu Meng Qiu. "She makes my daughter lose consciousness and let the men take her daughter. Those men ruined her innocent."

"What? That's impossible." Wu Yao could not believe her ear.

"She even has the nerve to request the money from the men who take Yiming away. Tell me how much that he gives to you, HUH?" Mrs. An was so angry.

"What? You even ask for the money? Tell me, Meng Qiu. Is that true?" Wu Yao looked at her daughter as if she could not believe the reality.

"The truth or not? You will know soon. I will sue you." Mrs. An said.

"We come here to tell you about that. You will be expecting a letter from my lawyer soon." Mr. An said.

"We are done here. As for another person, she also can wait for a letter from the lawyer as well. I am sure that she is your best friend."

Wu Meng Qiu was still crying. "Uncle Chia, Auntie Yanyu, please don't do this. I am a student. Please have mercy."

"Mercy? It is very laughable when you ask for mercy but when coming to my daughter, that word seems to lose its meaning for you." Mrs. An snorted.

"Dear, let's go. Don't waste our time here anymore. Let's go back." Mr. An said.

"Sister, please don't do like this. This problem can be settled outside." Wu Yao rushed out to chase the couple.

"Even though we are family but still Meng Qiu's doing is a crime. She should be held responsible for what she had done. I will not let it go." Mrs. An ignored Wu Yao's beg and left the place with her husband.

Chapter 1275: Bad Luck

Yu Qi went to the Qi Qi Skincare factory for some matters. After settling the work, Yu Qi left the factory.

However, she was blocked by someone. Someone that she did not see for such a long time. Bai Yu.

"Tang Yu Qi, long time no see." Bai Yu smiled sweetly at Yu Qi.

Yu Qi narrowed her eyes. She did not think it was a coincidence that he was here.

"Since we meet, should we go eat dinner and catch up ourselves?" Bai Yu invited Yu Qi.

"Mr. Bai, please don't act like we are close." Yu Qi did not show any expression.

"Don't be like that. We are once students from the same university." Bai Yu said.

"I don't have time to waste with you." Yu Qi wanted to step aside but her way still being blocked by him.

Yu Qi glared at Bai Yu. "Do you want to die?" She made a fist.

Bai Yu stepped back. He knew that Yu Qi could fight. He was afraid of getting hurt.

Yu Qi lifted up her chin. "Mr. Bai is a wise person. You knew when to step back. It is much better if you don't disturb me anymore."

"Can we be at least a friend?" Bai Yu asked.

"Friend?" Yu Qi snorted. "I don't plan to be friends with someone like you."

"Someone like me? What do you mean about that?" Bai Yu asked.

"You should ask your family." Yu Qi said. "If you dare to block me again, I will not hold back any longer."

With that sentence, Bai Yu did not dare to step to block Yu Qi again. He watched Yu Qi leave.

Even after thinking a lot about it, Bai Yu still could not understand why Yu Qi hated him so much. Did she know that his family was after the business that made her hate him so much?

But that did not make sense. She hated him even before that. He would never know about that.

.....

Yu Qi sighed. It was bad luck when she bumped into Bai Yu. 'How dare he come to me and talk to me?' She returned home with a grim face.

"Qi Qi, why does your face look like you want to kill someone?" Long Hui greeted Yu Qi and hugged her from behind.

"Someone that I don't like come to see me. How shameless." Yu Qi replied.

"Oh, really?" Long Hui narrowed his mind.

"He asks me to join dinner together. Why do I need to waste my precious time with someone that I don't like? I should spend that time with you." Yu Qi enjoyed Long Hui's hug.

"That's right. You should spend time with me." Long Hui kissed Yu Qi's right ear.

Her ears were sensitive parts for Yu Qi. So, when Long Hui kissed her ear, her body stiffened.

"I want to take a shower." Yu Qi rushed out of Long Hui's hug.

Long Hui laughed when seeing Yu Qi's reaction. After Yu Qi disappeared from his sight, he stopped laughing.

...

Liang Mo Han was currently enjoying himself, watching the new movie, 'O** P****'. He did not have time to go to the movie premiere. So, he watched the movie from his home theater.

Then, he got a call. At first, he wanted to ignore the call. But after seeing the name on the screen, he quickly reached out to his phone and clicked the button pause to his movie before answering the call

"Second Brother, lovely to receive a call from you." Liang Mo Han answered the call.

"Teach some lesson to Bai Yu. Code 7."

Then the call ended. Liang Mo Han who received the order, blinked his eyes several times. "What?" He looked at the silent phone.

"You want me to teach someone but can you be more specific? What if I get the wrong person?" Liang Mo Han scratched his head.

When answering his question, he got a message from Long Hui. "Second son of Bai Xia Fang from Bai Cooperation."

Liang Mo Han was shocked. He looked right and left. "Does Second Brother install cameras inside my house? No... I don't think so. Second brother would respect my privacy."

It seemed that he needed to settle his job as soon as possible. The movie needed to wait for a moment. He went into his workroom.

In less than 15 minutes, he got the information about Bai Yu. He read the information. He wanted to understand why Long Hui wanted to teach some lessons to Bai Yu.

After reading the information, Liang Mo Han could conclude that Bai Yu might provoke Long Hui through Yu Qi. This man was a playboy. He could not hold back when seeing a beautiful woman.

He played with many beautiful women. Many women dated him, not to mention, that he was quite good-looking and had a lot of money.

Whenever he broke up with the women, he would pay some amount of money or gift. So, the materialistic women would be happy.

However, some of the women were displeased. They wanted status. But the women backed off when Bai Yu's mother interfered with the matter.

"Wow, you played with so many women and still be a mama boy." Liang Mo Han chuckled, mocking Bai Yu. "You should stay away from the grim reaper. But you dare to covet what his. No wonder he wants to teach you some lesson."

Liang Mo Han could understand now why Long Hui wanted to teach Bai Yu some lessons. Bai Yu was quite lucky since Long Hui did not want to kill him... Well, for now.

Chapter 1276: Got Beaten Up Out Of Nowhere

After having dinner with his friends, Bai Yu went to the nightclub. As he was a regular VIP at this nightclub, he was given a private book to enjoy. The nightclub also prepared some women to entertain Bai Yu.

Seeing several beautiful women entering the room, Bai Yu forgot the rejection by Yu Qi this evening. Even though he liked Yu Qi's beauty, he would not reject other beautiful women who came to him.

He and his friends ordered the drink. The women served the young masters diligently.

"Bai Yu, I heard you will start working soon, is that true?" One of his friends asked.

"Yeah. My mother forces me to do it even though I don't want to." Bai Yu admitted. "I want to be playing without worrying about working."

"I also dream about that." His friend laughed.

"Your brother will be inherited your father's position, right?" Another friend asked.

"Yeah. My brother is a copy of my father. A man who treated his work precious. I can not be someone like that." Bai Yu shook his head while drinking.

"Your company should be inherited by your brother. If you inherit it, I bet Bai Cooperation will be bankrupted." His friend laughed.

"But your mother is also right. She might be afraid that you will be treated badly if you don't have a good position in the company. You should know that money can change people's beliefs." Another friend spoke with logic.

Nowadays, it would not be so strange if there were some news telling the public that brothers killed each other for inheritance.

"Hey, what are you talking about? My brother is not someone like that. Not to mention, he is my biological brother been birthed by the same parents as mine." Bai Yu retorted.

"Yeah. Brother Shu Jin cares about Bai Yu. There is no way that he would do something like that to his own brother." Another friend backed up Bai Yu.

The friend who spoke before just smiled. He just spoke the truth because he had experienced the same thing. Well, not him to be exact, but his father.

His father's siblings tried to kill his father in many ways just because his grandfather favored his father. In response, his father needed to do the same thing. As the result, all of his father's siblings died except for his auntie who was much younger and did not participate in all of that.

"I want to go out for a moment." Bai Yu said.

Without that, he went out to the toilet. When he was about to enter the toilet, he was blocked by several tough men. He was startled.

He thought those tough men wanted to enter the toilet, so, he gave his way. He did not want any trouble with those tough men.

"You can enter first." Bai Yu said.

However, these tough men did not move. They stared at Bai Yu. Bai Yu gulped. He did not remember offending these tough men.

"Erm... is there something that matters?" Bai Yu asked.

"Okay yeah. You act so toughly in front of women, now, you are like a scared cat." One of the tough men said furiously to Bai Yu.

"Wait for a second, bro. I don't understand. What do you mean?" Bai Yu stepped back.

He was planning to run away. But his path had been blocked by others.

"After getting what you want, you throw women like that." The tough man said again.

"Bro, who...." Bai Yu did not manage to finish his question.

"Who do you ask? You play with my sister and after that, you treated her like garbage. Now, it is my turn to treat you like garbage. Be prepared." The tough man displayed a cruel smile.

Then, the tough man punched Bai Yu's face. Because of the strong force, Bai Yu fell down and whined in pain. The tough man did not stop there. He ordered his friends to beat Bai Yu up.

It continued for five minutes. Being kicked by these tough men, Bai Yu could not do anything. He felt like he was going to die. When the attacks stopped, he was temporarily relieved. However, he thought wrongly.

The first tough man who spoke to him suddenly stepped on his leg hard. Bai Yu shouted in pain. His leg was broken by the tough man.

"You should learn the lesson by now. Let's go." The tough men left the place leaving Bai Yu who cried in pain.

He could not move at all. He was feeling the pain all over his body. The most painful one was his leg. He could not even move his mouth to ask for help because of the bruises all over his face too.

Bai Yu's friend thought it was strange for Bai Yu to go out for such a long time. So, one of them decided to go to find Bai Yu. Well, it was just because Bai Yu was going to pay for their expenses tonight.

When he went to the toilet, he saw a laying man. He went to check it. He found out that it was Bai Yu. He panicked and called everyone over.

The club manager was also being called. He also was surprised to see such an incident happen in this club. He acted fast to call the ambulance. Since Bai Yu was a VIP of this nightclub, he knew who Bai Yu was. He could feel that the problem was coming in his direction.

Chapter 1277: The Job Is Done

Of course, it would be a big problem. Bai Yu was the second young master of Bai Cooperation. And this happened to him in this nightclub.

The ambulance came as fast as possible. The paramedic assessed Bai Yu's condition and carefully lifted him up.

"Careful... careful..." The manager could not help to say that to the paramedic.

Bai Jian rushed over as soon as she got the call from the hospital about her son. Bai Xia Fang and Bai Shu Jian were outstation for their business.

The doctor explained to Bai Jian about her son's condition. She felt that she was about to faint when knowing her son's condition. Luckily, there was a nurse nearby. She helped Bai Jian to calm down.

"Mrs. Bai, you should be careful." The nurse said.

"Thank you." Bai Jian said.

Then Bai Jian turned to Bai Yu's friends. They followed the ambulance that sent Bai Yu to the hospital.

They got to know what happened to Bai Yu after one of Bai Yu's decided to look for Bai Yu since he had gone for a long time. When he found Bai Yu, Bai Yu was already being checked by the paramedic.

He rushed back to the room where they stayed and told everyone about what happened. They decided to follow the ambulance and here they were.

"Tell me what happened to my son." Bai Jian asked Bai Yu's friends.

Bai Jian was from Bai Family. That was obvious that Bai Yu's friends were kind of afraid of her.

They were silent but their eyes looked at each other, asking each other to be the one who answered the question from Bai Jian.

"What? Is there something that you can't tell me?" Bai Jian once again asked.

"No!" All of them denied it.

"Then tell me what happened actually!" Bai Jian said in anger.

The one who found out about Bai Yu first stepped forward.

"Actually, we are just drinking at the nightclub. Then, Bai Yu told us that he wants to go out for a little bit. Because he did not return for such a long time, I went to look for him. I found him laying on the floor unconsciously. So, I called the ambulance. " The friend said.

Bai Jian went silent when she heard about that. Then she asked again. "What did he do before going out?"

Once again, Bai Yu's friends looked at each other.

"What? Did you guys do something illegal?" Bai Jian glared sharply at Bai Yu's friends.

"No! No!" All of them denied it again.

"We just drink..."

"Oh, just drink?" Bai Jian asked.

After a while of silence, they continued. "We already hired some women to entertain us."

Bai Jian closed her eyes as she rubbed the space between her eyes.

"Auntie Bai, can we go home now?" One of Bai Yu's friends asked.

Bai Yu waved her hand. The doctor explained to her that her son was injured so badly. With 4 broken rib bones, and his left leg was also broken, not to mention, that his face had bruises all over it.

Who dared to beat someone from Bai Family and was not afraid of the consequences of doing so? She thought of someone. After having some thoughts, she became confident about that.

It must be that bastard. He was probably afraid that Bai Yu would snatch his position. That was why he doing something like this.

She felt regret that she did not kill that bastard while he was little. Now he was grown up, he already had his own thought.

She needed to be patient. She would talk to Bai Xia Fang first to decide what they were going to do. If Bai Xia Fang did not want to do anything to that bastard, she would use another method.

Bai Jian looked at the operation room. Her son needed surgery.

"How dare you hurt my son? I will pay for everything that you had done to my son." Bai Jian gritted her teeth.

She called Bai Xia Fang to just inform Bai Yu's condition. Bai Xia Fang listened and just acknowledged it.

The lack of concern from Bai Xia Fang made Bai Jian become angrier. Bai Xia Fang told her to take care of Bai Yu. He would return after finishing the business trip over there.

Bai Jian could not express her anger. She just told him to be careful. She knew that Bai Xia Fang would not return just because his son was injured. Business was the most important thing to Bai Xia Fang.

....

"The job is done, Mr. Black."

Liang Mo Han smiled as he received the message. Now, he could rest peacefully. However, before doing that, he needed to inform the matter to Long Hui first. He called Long Hui. After a long ringing, Long Hui finally answered his phone.

"Second Brother..."

"You better have an important thing to tell me, right now. Otherwise..."

Liang Mo Han gulped. He could sense the threatening tone in Long Hui's voice.

"Well... I... I want to... tell you that the job had done."

"Good." Long Hui only said one word.

Then, Liang Mo Han heard from Long Hui's side.

"I will bring Aoi and Shino inside first."

"Are you with Second Sister in law?" Liang Mo Han asked.

"Yes." Long Hui admitted.

'No wonder Second Brother is angry right now. He is with his fiancée. And I disturb him.' Liang Mo Han thought. "Okay, Second Brother, we can talk later. Have fun."

He hung up the call.

Chapter 1278: Push The Blame To Other

Wu Xiulong, husband and father of Wu Yao and Wu Meng Qiu went to see Mr. An and Mrs. An several times to discuss Wu Meng Qiu. He even dragged Wu Meng Qiu to visit An Yiming in the hospital but Mr. and Mrs. An did not let them see An Yiming. An Yiming also did not want to see them either.

Wu Xiulong was furious when knowing about this matter from his wife. Not like Wu Meng Qiu did not know about their situation. Wu Xiulong depended on An Family mostly for their business.

If this matter did not settle properly, the chance of their business would be ruined was high. However, An Family did not care about them anymore.

Wu Xiulong asked his wife to have a slow talk with his sister, Mrs. An Yanyu but even his wife had been ignored by her sister.

Then, they got a letter from the lawyer. It stated that An Family suing Wu Meng Qiu for her action. Wu Meng Qiu was greatly shocked when receiving the letter. She thought that her uncle and aunt would not do such a thing as suing her but the reality hit her hard.

"Husband, what should we do now? We can not let Meng Qiu go through this." Wu Yao looked at her husband.

"Dad, please save me. I don't want to be in jail." Wu Meng Qiu cried.

"Help you? How? They even have enough evidence about this case. You are so stupid. Why do you use your personal bank account?" Wu Xiulong glared sharply at his stupid daughter.

Wu Meng Qiu shrinks as her father was being angry at her.

Yeah, she gave her personal bank account when receiving the money from selling An Yiming. At that moment, she did not think properly. She was just thinking about the money that she was going to receive. That was all.

"Right now, you ruined yourself and my business. Why do I have a stupid daughter like you?" Wu Xiulong slapped the table.

Wu Meng Qiu hid behind her mother. She was scared of his father right now.

After a while, Wu Xiulong started to speak again. "You better admit to your crime."

"What? No way she is going to admit it. She is going to jail if she admits to the crime." Wu Yao protested.

"So, you want us to be destroyed altogether?" Wu Xiulong shouted angrily.

"That is not what I meant." Wu Yao said.

"It is better if Meng Qiu admits it. After that, I can beg for their forgiveness and mercy to not stop doing business with us." Wu Xiulong explained.

"But... Meng Qiu is going to jail then." Wu Yao still thought that the idea was not good at all. Which mother wanted her child to get locked up in jail? Not to mention, her only child that she carried for 10 months in her belly.

"We can plead to the court to give the minimum sentences to Meng Qiu." Wu Xiulong said.

"But..." Wu Yao wanted to protest again.

"Enough. It is because of you. You spoil your daughter too much until she could not think straight which leads to this kind of situation. If you think you can change this situation, I will follow. If not, just follow my order. This discussion is finished." Wu Xiulong did not want to talk anymore.

He was tired after all. He had a lot of things to settle. He wanted to rest a little bit.

"Mum... what is going happen to me? Am I need to follow dad's order to admit to everything? I don't want to go to jail." Wu Meng Qiu cried.

"I know... I know... I also don't want you to go to jail, honey. Let mum think of something okay. We will have time to think of something." Wu Yao calmed down her daughter and also herself.

Then, Wu Yao remembered the friend that Wu Yao mentioned.

"Meng Qiu, how's about Linlin? Did she get the letter from the lawyer too?" Wu Yao remembered his daughter's friend, Ming Linlin.

"Yeah. She gets it. She also freaks out about this." Wu Yao met Mei Linlin yesterday and talked about this.

Mei Linlin's father slapped her when reading the letter from the lawyer.

"Great." Wu Yao suddenly said.

"What is great about that, Mum?" Wu Meng Qiu was confused by her mother's sudden words.

"You should push all the blame to her." Wu Yao's eyes narrowed.

"What?" Wu Meng Qiu was appalled.

"You should say that you are forced to do something like that by her. Otherwise, she is going to do something to you." Wu Yao explained her scheme to her daughter.

"But is that going to work? The money is transferred to my account though." Wu Meng Qiu did not have any confidence in that idea.

"Don't worry about that. Just push all the blame to her." Wu Yao said.

"Okay, mum. I will do it. I don't want to go to jail." Wu Meng Qiu said.

Wu Meng Qiu hugged her mother. Wu Yao rubbed her daughter's head.

"Meanwhile, Mum will try to speak with your Aunt Yanyu if she and Yiming can forgive you. If that happens, it would be great." Wu Yao said.

"Hmm... I will also try to call Yiming." Wu Meng Qiu also thought the same.

However, neither of them knew that they had been blocked by Mrs. An Yanyu and An Yiming.

Chapter 1279: I Will Not Forgive The Scumbag

Wu Yao tried to call her sister several times but still, no one answered her call.

"Mum, how?" Wu Meng Qiu looked at her mother.

"Your Auntie Yanyu did not pick up my call." Wu Yao sighed.

"She must block you. I also tried to call Yiming but get the same result. Those two people probably blocked us." Wu Meng Qiu gritted her teeth. Then, she began to cry again. "am going to jail."

"No. You are not going to jail. We are just going to the court. Like I said before, push all the blame to your friend. Not admit to all the crimes that they mention. Understand?" Wu Yao said to her daughter.

Wu Meng Qiu nodded.

.....

Pei Xian Nan was silent when he heard the sentence that was being announced by the judge for misused drugs. He was sentenced to 4 to 5 years of jail time. In addition, he needed to pay 10,000 RMB penalty. He also would be forced to undergo a drug recovery program.

However, it was not finished yet. He still needed to face An Family's lawsuit. So, An Family was very angry about what happened to their daughter. They would not be easy for Pei Xian Nan. They would be aiming for the maximum punishment.

So, he would not be in jail for 4 to 5 years but more than that. Rape by giving a drug or intoxicant to a person that renders them unable to give consent, the maximum years in imprisonment was up from 0 to 15 years.

Since Pei Xian Nan used to be a popular actor, the case had been reported in the newspaper and the Internet. But only for the misused drugs only. They still did not know about another lawsuit against Pei Xian Nan.

Pei Xian Nan's friends who were also involved in the case would be facing the same punishment as Pei Xian Nan.

...

"TANG YU QI, HOW DARE YOU TREAT MY HUSBAND LIKE THAT?"

Yu Qi was surprised to hear the scream when she exited her car. The riot was very loud. Everyone else also heard that.

The statement was very misleading. People who heard that probably thought that Yu Qi was cheating on this woman's husband.

Yu Qi looked for the person who shouted. She spotted a woman who looking at her angrily. Well, not a woman but multiple women. She thought about that.

The group of women approached Yu Qi. They were standing far from Yu Qi.

"My husband worked so hard for your company. That is why your company could rise to be the leading company."

"That's right. You are so ungrateful."

"Now, you want to abandon himself just like that? It is inhumane."

Everyone at the scene was curious.

Yu Qi chuckled. The women felt the chuckle was a sign that Yu Qi was mocking them.

"Tang Yu Qi... You..." The woman wanted to speak but Yu Qi cut her off.

"You are speaking about inhumane? Your so-called beloved husband misused drugs, injected the drugs into an innocent girl by force, and lastly raped her brutally with his friends." Yu Qi stated everything that Pei Xian Nan had done.

"That..." The woman stumbled in her word.

"Not to mention, he slandered me. I don't care much about him but this time is different. I will not forgive the scumbag that raped an innocent girl." Yu Qi glared sharply at the group of women.

"That is not true. My husband will not do such a thing. You are lying." It was obvious that this woman was Pei Xian Nan's obsessed fan. She could not believe it.

"I was the one who operated on the innocent girl. She might die because of the overdose if people did not rush bringing her to the hospital. I don't care if you want to defend your idol but don't waste my time here. I have a lot of things to do unlike you." This time, Yu Qi's aura changed to murderous.

The women stepped back from Yu Qi. They were very scared of Yu Qi right now. Yu Qi left the place without anyone blocking her path anymore.

The onlookers watching the drama were shocked to hear the things that Pei Xian Nan had done. Some of them even recorded the video.

"I will post this to my social media."

"Yeah me too."

"It is a hot issue."

So, the people who recorded the situation posted on their social media. As they expected, the news became everyone's attention.

TheGreatCitizen: "What? Not enough with the drug, Pei Xian Nan drugged an innocent girl and raped her."

Mineheart: "What a bastard."

JustAPaSserby: "Scumbag."

The Critics: "This kind of man needed to be eliminated from this world."

ManMeow: "@Mineheart... I agree with you. I pitied the innocent girl."

Brother Pei is my husBand: "No. That is not true. People are lying."

Mineheart: "Oh, you must be a hard die fan of Bastard Pei. Wow... I don't think the title is suited for him... Bastard Pei... Haha..."

PeiFanNo1. : "That woman is lying. Brother Pei will not do such a thing."

Onlooker: "Then, why does he being punished by the court for his crime on misused drugs."

ToadMouth: "Just accept the truth."

The citizen and Pei Xian Nan's fans kept arguing on the internet. Like the obsessed fans that Yu Qi met earlier, other obsessed fans also did not believe what Yu Qi told them.

They still thought that Pei Xian Nan was innocent and felt that their beloved actor was being slandered.

Chapter 1280: Bai Yu Regain His Consciousness

Bai Yu woke up weakly. Bai Jian was happy to see her son woke up. She quickly called the doctor to check on her son.

The doctor came and made some checks on Bai Yu's body. After finishing the check, the doctor told Bai Yu's condition. Bai Yu's condition was stable. He needed the rest of at least 4 months to fully recovered.

Bai Jian nodded and thanked the doctor. The doctor left. Bai Jian turned to look at her son.

"Mum..." Bai Yu called his mother weakly.

"Yes, I am here." Bai Jian answered.

"It's hurt." Bai Yu said.

"I know. But you need to hold on. You will recover." Bai Jian rubbed gently her son's forehead. "Do you remember how you ended up in this situation?"

"A group of men came and beat me up. I don't know them." Bai Yu explained the situation slowly.

"Do you know what is the reason why they beat you?" Bai Jian asked again.

Bai Yu did not answer that. That was because he knew if he told his mother the reason why he got beaten up, his mother was probably going to hit him too. "I don't know." So, that was his answer.

"I see." Bai Jian was thinking about the possible reasons her son got beaten up.

Even though Bai Jian knew that her son liked to play around with women, she did not believe that her son got beaten up because of that. It was more believable if she assumed that her son got beaten up by the Bai Family's enemies.

Bai Family had many enemies. A lot of people wanted Bai Family to be destroyed. It was probably one of those enemies.

Or 'someone' from Bai Family himself ordered someone to beat her son up. She could not push away that possibility. Her son already decided to work at Bai Cooperation. So, in order to make her son could not work, 'someone' hired people to do so.

"Don't worry. I will investigate and teach them for hurting my son." Bai Jian comforted her son.

"Thank you, mum. Ouch!" Bai Yu moved a bit and it hurt like hell.

"Okay. Stop moving." Bai Jian panicked.

The next day, Bai Xia Fang and Bai Shu Jin returned from their business trip. They visited Bai Yu at the hospital. Bai Jian told Bai Xia Fang about their son.

Bai Xia Fang was indifferent to the information. "Probably he hired people to beat him up so that he does not have to work." Bai Xia Fang made the assumption.

"Bai Xia Fang, he would not do something like that. He was badly hurt. How could you say something like that?" Bai Jian became angry when hearing something like that from her husband.

She looked at Bai Yu. It was lucky that Bai Yu was still sleeping. She felt that Bai Yu would get hurt hearing his father saying something like that.

Bai Xia Fang did not respond to Bai Jian. Bai Shu Jian did not say anything. He looked at his younger brother. His younger brother was waking up.

"Brother?" Bai Yu's eyes laid on his brother upon waking up.

"Hmm... How are you?" Bai Shu Jin asked.

"It's hurt like hell. I can't move at all." Bai Yu whined to his brother.

"Rest. You will be moving soon." Bai Shu Jin said.

Bai Jian looked at the interaction between the two brothers. She snorted. 'He is such an actor like his bitch mother.'

"That's right. Focus on recovering." Bai Xia Fang said.

Hearing his father's voice, Bai Yu got stiffened. However, he managed to reply to his father. "Yes."

"I am going home first to refresh. After that, I am going to the office." Bai Xia Fang told Bai Jian.

"Me too." Bai Shu Jin also wanted to do the same.

So, the father and son left the ward. Bai Jian gritted her teeth seeing Bai Shu Jin's expression did not change much after seeing her son in this condition.

"Mum, I am hungry. I want to eat something." Bai Yu's voice made Bai Jian return to reality.

"Wait. I need to ask the doctor whether you can eat or not." Bai Jian said.

"If I can't eat, does that mean I need to be hungry?" Bai Yu was very hungry. 'Don't tell me, I can't eat. Does that mean I will die due to the hungry?' Bai Yu was thinking nonsense.

"Of course not. The doctor will figure out something else." Bai Jian said. "I will go and ask the doctor first. If he says you can eat, I will buy something for you."

After a while, Bai Yu returned with a paper bag in her hand. Bai Yu saw that his eyebrows lifted up.

"The doctor said you can eat, but only the soft food. So, I brought you some porridge." Bai Jian showed the paper bag in her hand.

Bai Yu was slightly disappointed. "It's okay. I am hungry anyway."

Since Bai Yu could not move, Bai Jian spoon-feed him slowly. After a bowl of porridge was finished, Bai Yu felt blessed.

"I am going to go home first and come back later." Bai Jian said. "I already hire two nurses to take care of you. Just tell them if you want something."

"Okay, mum." Bai Yu nodded.

At the same time, the two nurses entered the ward.

"Take care of my son properly. If something happens to him, your life is over." Bai Jian had time to talk to the nurses before leaving.
