1471 Chapter 1471

"Like I said earlier, none of your business." Dian Qi Qi felt that she wanted to punch Bucong Jiye.

"Miss Bucong, I don't think we are close enough to share a story like this." Yu Qi said.

When Yu Qi spoke to Bucong Jiye, she put on pressure on Bucong Jiye.

Bucong Jiye immediately fell to her knees. She was shocked when facing Yu Qi's strength. She never thought that Yu Qi was very strong.

Everyone around Bucong Jiye also felt the pressure. They were also shocked by Yu Qi's strength.

"Sister Yu Qi, you became a lot stronger. You must have gotten a powerful inheritance." Dian Qi Qi admired the strength.

Everyone also believed what Dian Qi Qi said. Yu Qi was chosen to get the inheritance. The inheritance must be very good. It could increase someone's strength.

Actually, Yu Qi did not inherit anything. She just got back to her full strength. She bet the same thing happened to Long Hui as well. He regained his strength like Xie Likui before.

Bucong Shuye did not say anything. He kept looking at Yu Qi and Long Hui. He thought something was weird. He felt he had known the name before. But he could not remember about that. Xie Likui and Qin Yue. Bucong Shuye would return and investigate that.

When Yu Qi and Long Hui were still unconscious, others went to explore everywhere. But they did not find anywhere valuable. They guessed this room was the final test for the cultivators to get the inheritance.

Yu Qi looked at Xie Likui's statue. Long Hui was indeed handsome in his past life even though he looked different back then.

"Why do you look at that statue?" Long Hui appeared behind Yu Qi and asked in a displeased tone.

"What? Why are you asking like you are jealous?" Yu Qi asked in a joking tone.

"Well, you should look at me instead of him." Long Hui looked away.

"Are you jealous? He is you in your past life." Yu Qi stated.

"Yes. But that is different." Long Hui coughed several times, feeling embarrassed.

Yu Qi chuckled. Her Hui was very cute. Jealous of himself. This time, Yu Qi looked at Qin Yue's status.

'Qin Yue, I will not make that decision again. I will try to discuss with him in everything. I promise to live until the end with him.' Yu Qi made a promise.

The time to return to the cultivation world would come soon.

"Just want to ask. What happens to the dead bodies? Will they transfer out too?" Yu Qi asked Dian Zin Fang.

"No, their bodies would not transfer out. It would stay inside this miracle space." Dian Zin Fang answered.

"Oh... Their families would be sad." Yu Qi sighed. please visit panda-:)novel1.co)m

"They can't blame others about this. It is already being stated. Whoever entered this miracle space would be risking their life. If they died here, their family members needed to accept that." Dian Ren Qi added.

After that, a light blinded their sight. They automatically closed their eyes. when they opened their eyes back, they were at the same place where they gathered to enter the miracle space. This meant they were back in the cultivation world.

Some of the family members were waiting for their return. Dian's Family was one of them. Grandpa Dian, Dian Jung Gi and Dian Ling Shi were the ones who waited for their younger generation. The representative of the Dian branch families was also here too.

Dian Qi Qi rushed to hug her father, Dian Ling Shi. "Dad."

panda-novel-com Dian Ling Shi was happy to see his daughter safe and sound. He looked at his son, Dian Shu Xian. His son also seemed to be fine too. He was relieved.

Dian Jung Gi was also relieved to see both of his sons, Dian Zin Fang and Dian Ren Qi looked okay. He could feel that Dian Zin Fang's strength had increased.

Dian's branch families did lose several members. It was due to their greed. They could not blame anyone. Some of them were safe but they were slightly injured.

They were lucky that Yu Qi treated them before. Otherwise, it would be a disaster. Everyone was having reunions.

"It seems you have been chosen to inherit something." Grandpa Dian said to Dian Zin Fang.

"Yeah." Dian Zin Fang nodded.

"Grandpa, Sister Yu Qi and her fiance also got selected." Dian Qi Qi stated. She even added. "They even took the longest time during their inheritance."

Grandpa Dian looked at Yu Qi and Long Hui. He was surprised. He tried to determine Yu Qi and Long Hui's strength but he could not do that.

Before both of them entered the miracle space, he could sense their level of strength but now... It seemed both of them improved their strength so much that even he could not determine their current strength.

Dian Jung Gi and Dian Ling Shi were also shocked by the news. Yu Qi was one thing but Long Hui... Even his strength increased too.

"We also thought that they would not be awake on time." Dian Qi Qi said.

Grandpa Dian smiled while nodding several times. "Good. Good. Father would be happy to hear that."

"Who else got chosen?" Dian Jung Gi asked.

"Ayu, Qiu Wang, Huo Jinxi, Jiang Shi Nan and Bucong Shuye." Dian Ren Qi answered.

"It is quite a lot." Dian Ling Shi was a little bit surprised.

1472 Chapter 1472

"However, the time Yu Qi and Long Hui spent to inherit was different than others." Dian Ren Qi stated.

"What do you mean by that?" Grandpa Dian asked.

"Others spent about two days to inherit but Sister Yu Qi and he spent about five days to inherit." Dian Qi Qi explained.

"No wonder, your strength increased significantly. Even I could not determine your strength." Dian Jung Gi nodded several times.

"What? Even you can't see through?" Dian Ren Qi asked in surprise.

Usually, a person could see through the strength of another person if the person was weaker than him. This meant Yu Qi and Long Hui were stronger than his father.

"Even I can't see through their power." Grandpa Dian also added.

Other people were shocked when they heard that. Yu Qi and Long Hui were even stronger than Grandpa Dian.

"Wow!, Sister Yu Qi, you are so awesome." Dian Qi Qi shook Yu Qi's hand.

"We are just lucky." Yu Qi smiled.

"Let's go home. People are waiting for us. They already prepared a big meal for you." Grandpa Dian said.

All of Dian's family members who participated shouted happily. They were hungry. It had been a while since they had a warm meal.

Everyone stepped into the teleportation device and returned to the outside world. Their return had been welcomed by all the family members.

Not all of them were happy since they were a few family members who lost their members. But they all knew that everything was fated. They knew that going to the miracle space might cost them their life.

They went to eat.

"The meat is delicious."

"Yeah. I miss the warm meal."

"I am really happy to be alive, return home and get to eat the delicious meal."

"The journey is worth it."

"Yeah. My power increased."

They were talking during the meal. Great-Grandpa Dian did not stop them from talking. He also wanted to hear more about the story. When he heard about Yu Qi and Long Hui's inheritance, he was surprised. He wanted to know more about that.

pαnda-ñovêi-cóM Yu Qi and Long Hui already made up the story where they were unconscious in front of everyone when they were in the miracle space. They made up the story that they met a master and that master taught everything to them.

How could they just tell others that they relived their past life? Others would think they were crazy or something like that.

After they finished the meal, Yu Qi and Long Hui wanted to discuss something with Great-Grandpa Dian. Great-Grandpa Dian asked them to go to his study room.

"What do you want to ask me?" Great-Grandpa Dian asked when all of them were seated. please visit panda-:)NOVE1.co)m

"Great Grandpa, do you know anything about the cultivators with the name Qin Yue and Xie Likui?" Yu Qi asked.

Great-Grandpa Dian thought about the names. Then, he stood up. He went to the bookcase located at the right of the study room. He took an old book and flipped the pages. After finding the pages that he wanted, he went to his seat back.

"Xie Likui. This is his book apparently." Great-Grandpa Dian put the book on the table.

Long Hui recognized the book right away. It was indeed his blood during Xie Likui's lifetime. He wrote the book after Qin Yue's death. He studied formation and space as well.

"Is it?" Yu Qi asked.

"Hmm... It is indeed Xie Likui's book." Long Hui nodded.

"Wait, how do you know about this book? Sir Xie Likui was a cultivator that lived over thousand years ago." Great-Grandpa Dian asked.

"The master that I told you about earlier was Xie Likui." Long Hui stated.

"What? Really?" Great-Grandpa Dian could not believe his ear.

"Yeah. I inherit all of his skills and knowledge." Long Hui said.

"I see. Then Qin Yue is..." Great-Grandpa Dian looked at Yu Qi.

"Yeah. Qin Yue is the master that I met during the inheritance." Yu Qi nodded.

"Hmm... I don't know much about Qin Yue. But I think there might be some information about Qin Yue in the cultivation world. Do you need to know about that? I will ask someone to go and ask other cultivators." Great-Grandpa Dian suggested.

"There is no need for that." Yu Qi shook her head.

There was no need for that because she was Qin Yue. No need to ask someone else.

However, Yu Qi already had planned to meet with her senior brother. The Senior Brother that saved and took care of her.

Qin Xia must have known already who she was before. She wondered how he managed to live for such a long time. He probably already obtained Immortal Strength which basically made him immortal. He would not die easily.

"You are really lucky to be selected by the two masters. I can not see through your strength." Great-Grandpa Dian was happy for both of them.

They left the study room and went to the room which had been prepared for them. Of course, there were two rooms had been prepared but Long Hui insisted to be in the same room as Yu Qi.

Yu Qi did not mind at all. After they entered the room, they entered Yu Qi's space. Both Shino and Aoi were already inside the space. After Yu Qi and Long Hui were unconscious, they had been taken care of by the Dian Family. Aoi and Shino were sad that they needed to eat something else.

When Yu Qi and Long Hui were back, Yu Qi took them and put them inside her space.

1473 Chapter 1473

When Yu Qi entered her space, she was greeted by her little cuties. Aoi, Shino, Bo Ya and Xiaohua rushed to Yu Qi. Except for Rukh, who was resting by the lake.

"Long time no see, Master," Xiaohua said.

Unlike Aoi, Shino and Rukh who stayed beside Yu Qi inside the miracle space, she stayed inside Yu Qi's space helping Bo Ya do the farm work.

"Hmm... I am fine. How about you? How's life here? Are you comfortable?" Yu Qi asked.

"Hmm... I am happy here." Xiaohua nodded.

She indeed was happy here. She was also happy with her new body. She could do many things with this body. And she looked so cute.

Yu Qi's eyes moved to Bo Ya. Bo Ya smiled at Yu Qi. Yu Qi reached out to Bo Ya and pulled him into her hug.

"Xiao Baobei." Yu Qi said the name.

Bo Ya's body stiffened in Yu Qi's arms. That name... The name his first master gave to him. Bo Ya regained his memories when Yu Qi went unconscious.

After Qin Yue exploded herself, the space had been inherited by Qin Yue's fragmented soul. One reincarnation after the other. All the previous masters that Bo Ya had were all Qin Yue's fragmented souls.

However, none of them knew that they were the same person as Qin Yue. Her space had been collecting all of the soul fragments.

The soul fragments had been completed. The full Qin Yue could be reborn. And that was Yu Qi.

panda Йовêl(còm) Yu Qi supposedly inherited the space but something happened. Someone borrowed her luck and made her suffer. Yu Qi died.

Because of that, Bo Ya and the space worked out of something. They made Yu Qi reborn again. Bo Ya paid the price. He forgot everything and gave up his memory.

Not until Yu Qi went to the white mansion, Kui Yue, and went unconscious did he regain all of his memories.

"Master, you remember me." Bo Ya smiled.

"Hmm... I am sorry for forgetting you." Yu Qi said.

"It is okay, Master. I also forgot about you." Bo Ya smiled.

Seeing Bo Ya's puffed cheeks, Yu Qi had the urgent feeling to kiss Bo Ya. She kissed Bo Ya's cheek.

"Master, even though you are my master, you can not kiss me. I am a man." Bo Ya put his hands on Yu Qi's mouth.

Listening to the same conversation where Bo Ya reacted the same when she kissed him in the past, she knew that it truly happened.

"Bo Ya, which name do you want to use? Bo Ya or Xiao Baobei?" Yu Qi asked.

"I don't mind. But I think it is better to use Bo Ya since everyone is already familiar with that name." Bo Ya stated.

He liked both of the names. The names were given by his master.

"It is better to call him Bo Ya. I can not imagine calling him by the name Xiao Baobei. I feel like calling a baby or something like that." Aoi gave his opinion.

Yu Qi laughed. It was indeed like Aoi said.

"Qi Qi, how long do you plan to hold him like that? As he said earlier, he is a man." A voice with a sulking tone asked Yu Qi.

Yu Qi turned around and looked at the sulking man. Yu Qi almost forgot that Long Hui was also there. please visit panda-:~NOVE1.co)m

Yu Qi put Bo Ya down. Bo Ya was relieved that Yu Qi finally put him down. He was actually embarrassed.

Yu Qi smiled at Long Hui. She approached him and leaned over to his cheek. She kissed his cheeks. Left and right. Both.

"Are you still jealous?" Yu Qi teased Long Hui.

"I feel much better." Long Hui smiled back.

"Today, I will cook a special meal for us. We are going to have a party." Yu Qi said.

Aoi, Shino and Bo Ya shouted excitedly. As for Xiaohua, she did not react much. She was confused about why others looked very excited when hearing that Yu Qi was going to cook a special meal.

"Why do you look so excited?" Xiaohua asked.

"You will know about that later," Aoi said.

"And you will be the same as us," Shino added.

"However before that, you need to help me pick up the veggie and herbs." Yu Qi said.

"Ai ai captain." The trio combo shouted in excitement.

Yu Qi immediately listed out the veggie and herbs that they needed to pick up. She then looked at Rukh who was resting.

"Rukh." Yu Qi called Rukh.

Rukh lifted his head up and looked at Yu Qi. "What?"

"If you want to eat something delicious, help me." Yu Qi said.

Rukh immediately stood up. "Yes, what do you want me to do?"

"Go and get some wood. After that, please start the fire." Yu Qi ordered Rukh.

Without saying anything, Rukh moved to complete his mission.

Right now, only Long Hui was left.

"Do you need me to do something too?" Long Hui asked.

"Hmm... Well, you just need to stand by me." Yu Qi smiled at Long Hui.

Long Hui gulped. His beloved Qi Qi was seducing him with that smile. What did Long Hui think like that when Yu Qi licked her lips?

"Qi Qi... Don't smile like that." Long Hui gave her a warning.

Yu Qi grinned. "What smile?" She even acted innocent.

"You really don't know? If that is so, I will pull you into bed and make sure that you understand what I am talking about." Long Hui's eyes narrowed while smiling.

1474 Chapter 1474

Yu Qi returned to Binhai Nation with Long Hui. However, she did not return to FINN City first. They went to Capital City.

For what? To meet with Qin Xia. Since Yu Qi regained her memories as Qin Yue, she wanted to meet her senior brother.

Her senior brother had been alive all along. He must be very lonely.

Her senior brother probably knew her true identity. No wonder he treated her so well.

Long Hui also revealed something. Last time, they went drinking. She became drunk and met Qin Xia on that day.

In Long Hui's story, Yu Qi called Qin Xia, 'senior brother' and also called herself Qin Yue. At the time, Long Hui did not understand why Yu Qi called herself Qin Yue.

παῖδα Ἰὼνê1,còM Then, the thing happened. Long Hui finally connected the dots and understood everything.

Well, even though he hated having his beloved Qi Qi go to see Qin Xia but he still allowed her to go and meet Qin Xia. After all, he was his beloved Qi Qi's senior brother. Not to mention, Qin Xia was his old acquaintance.

Yu Qi called Min Liang, Qin Xia's secretary to ask about Qin Xia's whereabouts. Min Liang was surprised when he got a call from Yu Qi. He did not remember giving his contact information to Yu Qi. And it was impossible to think that Qin Xia was the provider.

Well, Yu Qi had her own way to get Min Liang's contact information.

"Yes, Ms Tang. What can I help you with?" Min Liang was very respectful to Yu Qi.

It was because Min Liang thought Yu Qi was a woman that Qin Xia loved. Well, he was not wrong but not right either.

"May I know where is your boss right now?" Yu Qi asked.

"Can I know why you want to know that?" Min Liang asked.

He was an excellent secretary. He could not expose anything about his boss. He had his own suspicions.

"Well, I plan to go and meet him." Yu Qi said.

"Why don't you call him by yourself? He will be happy to receive a phone call from you, Ms Tang." Min Liang stated.

He was not wrong. His boss really loved Ms Tang. He even cancelled his important appointment to meet with Ms Tang.

"I want to surprise him. Can you help me, Mr Min?" Yu Qi asked.

Min Liang went silent for a moment. After making some consideration, he decided to tell Yu Qi about Qin Xia's whereabouts.

"Ms Tang, he is at the headquarters office at Capital City." Min Liang stated.

"Thank you, Mr Min. And please keep this a secret." Yu Qi requested.

"Okay, Ms Tang." Min Liang said.

With that, Yu Qi and Long Hui took a flight from Fanghai Nation straight to the Capital City.

Both of them took the first-class seat. The flight attendants seemed to be interested in Long Hui. Well, that was because he was a very outstanding handsome man.

One of them braced herself to get Long Hui's contact information. Of course, Long Hui rejected her right away. However, that did not stop others to try.

When Long Hui called one of them asking for a blanket, the flight attendant gave the blanket with a smile. Long Hui took it with a cold expression. please visit panda-:)(NOVE1.co)m

He changed his expression when he turned to Yu Qi. The flight attendant who watched this was surprised. She did not expect this handsome passenger to have his partner seated beside him.

So, all of their actions had been watched by his partner. The flight attendant was very embarrassed by this. From what she saw, the man wore a cold expression toward other women and turned to a gentle expression when facing his partner, meaning he loved his partner very much.

And when the flight attendant saw the partner's face, she was stunned because it turned out that his partner was a beauty that could not be compared with theirs.

The flight attendant silently walked away and went to tell her colleagues about that.

"Hey, that handsome man already has his girlfriend."

"What? How do you know about that? Did he tell you?"

"Of course not."

"Then, how do you know about that?"

"He asked for a blanket and with a gentle expression, he gave the blanket to her. If she is not his girlfriend, then what?"

"So, she had been watching us making a move on her boyfriend?"

"Yes."

"How embarrassing."

"Well, we still need to serve them. Keep a straight face."

"Why don't I find someone like that?"

"Yeah. People who want us usually want a one-night stand."

"That's right. Last week, an old man invited me for a dinner. He even offered me to be his mistress."

"Yuck. Disgusting."

"Well, I might consider it if that man is handsome but he is an old man with an ugly face. He even had a bloated stomach."

"Don't try to be a mistress. Did you forget about Mancy's case? That old man's wife found out about the affair and attacked Mancy with sulfuric acid. Her appearance was ruined. Because of that, she could not continue working and was hired by the old man's wife. Her life is basically ruined forever. Do you want that to happen?"

"No."

"I don't want."

"Of course not."

"Let's that be a lesson to all of us."

Yu Qi was listening to their conversation after enhancing her hearing. She was quite surprised by what she had been hearing.

1475 Chapter 1475

The flight landed at Capital City. It was afternoon. Since they already had their meal on the flight, they went straight to Yue Cooperation Headquarters.

Yue Cooperation had its own building right at the centre of the Capital City. Once they arrived there, Long Hui dropped Yu Qi first at the front entrance while he would go and parked the car at the parking car.

Yu Qi walked into Yue Building. She went to the receptionist.

One of the receptionists smiled at Yu Qi politely. "Yes, Miss? What can I help you with?" She asked very politely.

πανδα Ἰοβêl(còm) Yu Qi wanted to answer but someone interfered with her. It was the other receptionist.

"No need to ask her, Tianyu She must come here to see our Chairman." The receptionist snorted while looking at Yu Qi with a dirty look.

"Zongxue, don't say something like that to her. That is rude." Song Tianyu said to Guang Zongxue. She then turned to Yu Qi and immediately apologized to Yu Qi. "Miss, please forgive her rudeness."

"Tianyu, you don't need to apologize to someone like her. She must come here to become a mistress." Guang Zongxue said with a loud voice and a disdainful look on her face.

Her loud voice attracted some people in the lobby. They looked at the receptionist and Yu Qi. Because of the statement, some people gave a dirty look to Yu Qi.

"What? She is a mistress?"

"I really hate mistresses. They should die."

"My friend, her father also has a mistress. He ignored his wife and my friend. He just pampers his mistress."

"What a wasteful. She could be something with that kind of look. Why does she have to be a mistress?"

Some of the men leered their look at Yu Qi.

"Her body is so hot. It must be good to fuck her."

"She must have been with a lot of men before."

"She must be loose."

Yu Qi had a good hearing. She heard everything people said about her.

"What did you just say to me?" Yu Qi looked at Guang Zongxue.

"What? Am I saying anything wrong?" Guang Zongxue smirked.

"Zongxue!" Song Tianyu pulled Guang Zongxue.

"I demand an apology from you." Yu Qi stated.

"What? What can you do to me if I don't apologize? Do you want to call your sugar daddy to complain about me?" Guang Zongxue said.

Guang Zongxue was very jealous of Yu Qi when she entered the building. She was jealous of Yu Qi since Yu Qi was very beautiful.

Her boyfriend just broke up with her because he found someone more beautiful than Guang Zongxue. She hated the beautiful girl. Since Yu Qi had an outstanding look, Guang Zongxue targeted her.

"What happens here?" A voice interrupted the conversation.

They looked over and saw Qin Xia standing over there. They did not notice him before.

"Mr Qin, someone wants to barge into your office." Guang Zongxue quickly reported to Qin Xia.
visit panda-:~novel1.co)m

Qin Xia did not say anything. He glanced at the nametag on Guang Zongxue's uniform.

"Mr Qin, where do you want to go?" Min Liang appeared. He looked tired.

Apparently, he was chasing Qin Xia when Qin Xia suddenly rushed out of the office. After stabilising his breath, he finally noticed Yu Qi around.

"Ms Tang, you already are here." Min Liang greeted Yu Qi respectfully.

People were surprised to see Min Liang's actions, especially Guang Zongxue. From Min Liang's actions, it seemed he knew and respected Yu Qi so much.

Qin Xia turned to Min Liang. "You knew she was going to come?" He asked Min Liang.

"Yes. Ms Tang called me yesterday, wanting to meet you." Min Liang said.

"And you didn't tell me?" Qin Xia's eyes lifted up.

"Well, Ms Tang asked me to keep it a secret from you. She wanted to surprise you." Min Liang explained.

Guang Zongxue felt it was a chance to correct the situation. She thought Qin Xia disliked meeting with Yu Qi. Min Liang went ahead to arrange a meeting with Yu Qi without Qin Xia's concern.

"Mr Min, I don't think you would arrange for Chairman Qin to meet a strange woman." Guang Zongxue went ahead to say that sentence.

Min Liang and Yu Qi turned and looked at Guang Zongxue like she was an idiot.

"Tell me what happened here?" Qin Xia ignored Guang Zongxue and asked Song Tianyu.

"Hmm. Oh, yes." Song Tianyu was startled when Qin Xia asked her a question.

Song Tianyu understood what the question was about. "This lady came in. This lady did not have time to say anything yet but Zongxue already accused this lady of being a mistress. This lady demanded an apology but Zongxue refused."

Min Liang was shocked to hear that. His boss loved Yu Qi. 'This woman would not be working here soon.' He meant Guang Zongxue.

Well, what he had predicted happened right away.

"You are fired." Qin Xia pointed at Guang Zongxue.

"What?" Guang Zongxue was shocked. "Chairman Qin, don't do that."

She rushed toward Qin Xia wanting to grab Qin Xia. However, before she managed to do so, she tripped her leg and fell down.

"Ah!" Guang Zongxue shouted in pain. Her right ankle was broken.

Guang Zongxue ignored the pain and tried to beg Qin Xia again. "Chairman Qin, please, don't fire me."

"Min Liang, handle this." Qin Xia ordered.

"Yes, Mr Qin." Min Liang nodded and took over.

1476 Chapter 1476

"I apologize. Please don't fire me." Guang Zongxue begged.

"Miss Guang, stop doing this. If you keep this act, you might lose your severance pay." Min Liang stated.

Min Liang dealt with this situation with proper action. Since Qin Xia fired Guang Zongxue like this, she would be eligible for severance pay. However, if Guang Zongxue continued to keep bothering Qin Xia, she might lose the advantages.

Hearing that, Guang Zongxue immediately shut her mouth. She could not lose her severance pay. Otherwise, she could not keep up the payment for her credit card and her other expenses.

However, Guang Zongxue really loved this job. It paid her well and did not have many things to do. Just smile at others and guide them. If she did not run her mouth, insulting Yu Qi, she could still continue working there.

Guang Zongxue just felt jealous of Yu Qi's beauty and wanted to ruin her reputation. She did not expect that Qin Xia would know Yu Qi. He even treated Yu Qi in a special way. Qin Xia was usually cold toward women.

"Clean up your thing and go to the HR department." Min Liang stated.

Guang Zongxue went to her place and cleaned up her things. Song Tianyu watched her in silence. Guang Zongxue reaped what she sowed.

Guang Zongxue was done collecting her belongings. Then, a handsome man came to the front desk. She wanted to try her best to attract the handsome man. She could guess that this handsome man was a

rich person, judging from his clothes. However, before she managed to do so, she was interrupted by Min Liang.

"Ms Guang, if you are done, please proceed to the HR department right away." Min Liang stated.

Guang Zongxue gritted her teeth. She tried to argue to fight her chance to get to know the handsome man.

"Mr Min, I will go later. Let me handle this guest first." Guang Zongxue said.

"No need to do that. I will handle him." Min Liang snorted. He then turned to the handsome man that Guang Zongxue thought of. "Mr Long, Ms Tang is over there." He pointed at Yu Qi over there.

"Oh, thank you." The handsome man was actually Long Hui. He just came in after parking the car.

Guang Zongxue was shocked to hear that this handsome man was coming for that woman. She really wondered what their relationship was.

"Ms Guang, don't waste the time anymore." Min Liang stated.

Guang Zongxue reluctantly went to the HR department to get her severance pay and left the company.

Others who had been watching the situation were surprised by the turn of the situation. Just like that, Guang Zongxue got fired just like that. They also wondered who the woman was.

παῖδα Ἰοῦνέλ(còm) Chairman Qin treated her differently. Everyone in the office knew that Chairman Qin did not like to deal with women. He would leave everything to his secretary, Min Liang, to deal with them.

Yu Qi smiled at Qin Xia as she greeted him.

"Long time no see Brother Xia." Yu Qi said.

"Hmm... Good to see you looking fine." Qin Xia nodded. "I am happy to see you here."

Qin Xia narrowed his eyes when he sensed someone coming toward them. He turned and saw Long Hui. Both of them were staring at each other before Qin Xia turned away.

"Let's go to my office. It seems you guys have something to talk about." Qin Xia smiled.

So, they went to the top of the building. After entering the office, Qin Xia immediately used his power on Long Hui. Long Hui also activated his power to defend himself. please visit panda-:)novε1.co)m

"So, your cultivation power increased." Qin Xia chuckled.

"Senior Brother Xia. what are you trying to do?" Yu Qi asked in worried.

Qin Xia was shocked. He slowly turned to Yu Qi. "What did you call me?"

"Senior Brother Xia." Yu Qi grinned while looking straight at Qin Xia.

"You..." Qin Xia narrowed his eyes. "You are not drunk today?"

"What are you talking about, Senior Brother Xia?" Yu Qi pouted.

"Then, what is your name?" Qin Xia asked again.

"My name is Tang Yu Qi." Yu Qi answered.

Qin Xia was slightly disappointed when he heard the answer.

However, Yu Qi continued her answer making Qin Xia look at her again.

"I am also Qin Yue, your precious junior sister." Yu Qi smiled.

Her eyes began tearing.

"Do you get your memory?" Qin Xia was quite surprised.

"You know about Miracle Space, right?" Yu Qi asked.

"Hmm... I received all of my memories as Qin Yue there." Yu Qi said.

"I see." Qin Xia nodded.

Yu Qi started to cry. "Senior Brother Xia, please forgive me. Because of me, Senior Brother Rui, Senior Brother Lin and Senior Brother Wei, they all died."

Seeing Yu Qi like this, Qin Xia felt that he was travelling back to the time when they were still studying together. He really missed that time a lot. Who told you that time would heal everything? He still remembered that time vividly.

Qin Xia put his hand on Yu Qi's head and rubbed it gently.

"It is fine. I am sure that they were proud of themselves trying to protect you." Qin Xia said.

"But they died exploding themselves after I made the decision to explode myself." Yu Qi's body was trembling as she remembered about that. She really blamed herself for her senior brothers' death.

1477 Chapter 1477

After she died, her soul still remained there. She watched her senior brothers choosing to explode themselves as well.

She killed herself to protect them but they also killed themselves. Yu Qi could not forgive herself because of that.

"Yue, everything that happens has its reasons. They choose death because they knew that they would not survive that. That old man had planned to torture them after your death. It would be more horrible if that happened." Qin Xia explained.

"What? He wanted to torture them?" Yu Qi was shocked.

"Yeah. Even though you died, the old man thought one of them would know about your space a little. He was willing to do anything to obtain information." Qin Xia said.

Yu Qi was quite naive at that time. She thought that with her death, her senior brothers would be fine. Now, she knew that she was wrong.

Yu Qi was crying. Qin Xia wanted to calm her up by hugging her but someone beat him ahead.

Long Hui quickly pulled Yu Qi into his arms. No way that he would let another man hug his beloved Qi Qi even though that man was her senior brother.

"You.." Qin Xia was displeased.

Min Liang entered the room with another worker. He wanted to serve Qin Xia and his guests some drinks but he was dumbfounded by this situation. He really wanted to know why Yu Qi cried like that.

Qin Xia glanced at Min Liang. Min Liang was startled. He signalled the worker to serve the drink as soon as possible. Then, both of them went out despite wanting to know what happened in the room.

"Go to your workstation. Remember, keep what you saw a secret." Min Liang said to the worker.

He did not want unpleasant rumours about this in the company. So, he gave a warning to the worker. The worker nodded and left for her workstation.

In the room, Yu Qi finally started to calm down. "I am sorry for crying like this."

"It is okay. I finally could see my junior sister crying again. I am quite pleased with that." Qin Xia chuckled.

Qin Xia turned serious when his eyes landed on Long Hui. "Why do I sense the cultivation power inside him right now?"

"You can sense it?" Yu Qi asked.

"Of course, I can. I can sense yours too. The reason why I came down to the lobby was that I could sense the cultivation power. Two to be specific." Qin Xia explained. "It is reasonable that the cultivation power I sensed comes from you but him? He is just a normal human being."

"Senior Brother Xia, you still don't recognize him?" Yu Qi asked.

"What? I recognize him as your boyfriend. That has nothing to do with that." Qin Xia said.

"It has been a long time, Sir Qin Xia." Long Hui said politely to Qin Xia.

Qin Xia's eyes were twitching. 'This way of speaking.' "Xie Likui?"

"It is an honour that Sir Qin Xia remembers me. But please call me Long Hui from now on." Long Hui bowed. He really acted like Xie Likui. please visit panda-:~:novel1.co)m

"You also got reincarnated too?" Qin Xia said.

"Yes. I am really grateful to be reincarnated. I really have fate with Qi Qi." Long Hui stated with a straight face.

Yu Qi blushed when hearing Long Hui saying something like that.

"Fate really plays their roles." Qin Xia said in a sarcastic tone.

Yu Qi suddenly chuckled. Both of the men turned to her with questionable looks on their faces. They seemed to ask why she suddenly laughed.

"You guys really did not change much." Yu Qi said.

Both of them looked at each other before looking away from each other. Yu Qi really felt that she had returned to the past.

She remembered when she (Qin Yue) introduced Xie Likui as her boyfriend to Qin Xia for the first time. They went into fight mode. She was speechless at that time when they suddenly fought.

That fight attracted Qin Yue's other senior brothers. They rushed to see what happened. When they arrived, Qin Xia and Xie Likui already destroyed one mountain. Her other senior brothers were dumbfounded.

Qin Yue asked her other senior brothers to stop them. None of them was willing to sacrifice themselves. The fight was so intense.

Qin Yue ended up calling their master to stop both of them. With their master's interference, both of them finally stopped.

Their master asked why they were fighting. Qin Xia told their master that Xie Likui already kidnapped Qin Yue to be his spouse. They were shocked by the news. Her senior brothers looked at Xie Likui with detest. Xie Likui really kidnapped their junior sister.

Their master accepted the news calmly. He knew that his disciple would leave him someday.

From that day, Qin Yue's senior brothers liked to barge into Qin Yue and Xie Likui's date. Qin Yue would sneak out quietly to meet Xie Likui.

"Brother Xia, are you free tonight?" Yu Qi asked.

"I am free tonight. Why?" Qin Xia asked back.

Well, Qin Xia did have another appointment with people. But he did not think it was important compared to having dinner with his junior sister.

If Min Liang knew that Qin Xia casually cancelled the appointment, he could sigh and deal with it afterwards.

"Well, let's have dinner together." Yu Qi suggested.

"Sure." Qin Xia agreed to the invitation.

1478 Chapter 1478

Yu Qi and Long Hui left after inviting Qin Xia for dinner. Qin Xia told Min Liang to cancel all his appointments for tonight.

Min Liang could feel that he was having a headache. He sighed. It was not the first time he did something like this. But there was nothing he could do. He just nodded and recorded it on his tablet.

Yu Qi and Long Hui went to a hotel. They would stay there for one night. Actually, they would have dinner inside Yu Qi's space. She wanted to make a surprise for Qin Xia. So, she planned to prepare a feast for Qin Xia.

панда Ыовê|(còm) After checking in to the hotel, both of them entered the space right away. Yu Qi quickly prepared the feast for Qin Xia.

The contracted beasts and Bo Ya looked at Yu Qi wondering why their master looked very excited about tonight's dinner. Bo Ya became their representative asking about that.

"Master, why do you look excited today?" Bo Ya asked.

"Oh, someone is going to come later." Yu Qi stated.

All of her contracted beasts, especially Aoi, were surprised when knowing about that. Their master kept this space a secret. Even Long Hui had waited long for him to get to know about this space and entered the space.

"Master, who is this person?" Aoi asked. He was very very very curious about that.

"Well, you know him too. Oh, Rukh and Xiaohua, you probably don't know him." Yu Qi said.

Rukh and Xiaohua just became her contracted beast recently. So, they probably did not know about Qin Xia. But Bo Ya, Aoi and Shino knew him.

"He knows about this space?" Aoi asked.

"Yeah. He knows about this space's existence." Yu Qi nodded.

Even though Yu Qi was talking to her contracted beasts and Bo Ya, she was still working on preparing the dinner.

Long Hui helped Yu Qi to prepare the table beside the lake. They would be having dinner over there.

"Bo Ya, who do you have in mind?" Aoi asked.

"Hmm... I don't know." Bo Ya gestured that he also did not know about that.

"Why are you so curious about that?" Rukh asked.

"Well, no human knows that our Master has this space. She never revealed anything to others except that 'Long' man." Aoi stated.

"Well, no need to think hard about that now. Just wait and we will know who he is later." Rukh did not feel curious anyway.

After being done preparing dinner, Yu Qi told Long Hui that she was going outside and picking Qin Xia up. Long Hui nodded.

Yu Qi got out of her space. She called Qin Xia asking about his whereabouts. Qin Xia told her that he was at his house. Yu Qi said to Qin Xia to wait for her, she was going to go to his house.

Qin Xia told her the address. He lived alone. He disliked having other people inside his home. As for the cleaning, Min Liang hired some workers to clean the house once a week

Yu Qi arrived at Qin Xia's house. Qin Xia invited her inside. please visit panda-:)(NOVE1.co)m

"Where is your man?" Qin Xia asked when he did not see Long Hui beside Yu Qi. That man always wanted to be at her side.

"Oh, he is inside the space." Yu Qi said.

"So, you want to bring me inside your space right now?" Qin Xia asked.

"Yeah. I think you should enter my space right now. It is much easier. Oh, no one is coming to your house tonight right?" Yu Qi asked for confirmation.

"I don't invite strangers into my house." Qin Xia stated.

"That's great. No one would know that you are not in the house." Yu Qi grinned. "Here is the plan. I will bring you inside my space first. Then I will come out again, leave your house, and return to my hotel room."

With this plan, no one would know that the owner of this house was not inside the house. And people would not get suspicious of Yu Qi coming to this house since she already left the house.

The houses in this area had their security guard at the entrance. Whoever wanted to enter the area needed to be recorded. So, it was better if Yu Qi was left alone.

"Well, they might get suspicious because of something else." Qin Xia said.

"What? What is it?" Yu Qi was startled.

"My house never has a guest coming at this hour whenever I am here. They might get suspicious about that." Qin Xia chuckled.

"Senior Brother Xia, don't joke like that." Yu Qi pouted. She was really surprised.

Qin Xia was laughing.

"Okay. I will bring you inside my space first." Yu Qi reached out and grabbed Qin Xia's hand.

"So, the way you bring people to enter your space has still not changed?" Qin Xia asked.

"Yeah, everything is the same. I still need to hold the people that I want to bring for entering my space." Yu Qi nodded.

"Okay. I will leave my safety to you, Junior Sister Yue." Qin Xia smiled. He believed in his junior sister.

Yu Qi held Qin Xia's hand and entered her space. In the blink of an eye, they were already inside Yu Qi's space.

Long Hui saw Yu Qi holding Qin Xia's hand, narrowing his eyes. He kept repeating the thought that Qin Xia was just his beloved Qi Qi's senior brother.

Qin Xia noticed Long Hui's view. He just curved up the corner of his lips.

1479 Chapter 1479

Yu Qi released Qin Xia's hand. "Okay. I will go out and leave your house later. You can talk with each other."

Yu Qi got out of her space. She left Qin Xia's house. She passed the security post. She just nodded at the security guards who stayed at the security post.

Seeing the girl leaving, the security guards could not help but talk among themselves.

"She is the woman who goes to Mr Qin's house, right?"

"Yeah. She must be leaving before Mr Qin asks her to leave, right?"

"Probably. Mr Qin dislikes people coming to his house when he is there."

"Stop talking about others. It is about time to take a round. Go now."

Their leader stopped the nonsense and told them to go and work.

Yu Qi already left the place. Of course, she did not hear the conversation. If she did, she would be laughing. She returned to the hotel room and entered her space right away.

When she stepped into her space, she was dumbfounded by the scene. The scene where both men were fighting each other. Her contracted beasts and Bo Ya just watched the fight from the side. Aoi even had his popcorn while watching the fight.

"What is going on?" Yu Qi asked.

"Well, they are fighting," Rukh said. "Both of them are very strong. I really want to have a match with them."

"I can see they are fighting. What I want to know is why they are fighting in the first place?" Yu Qi asked again.

"We don't know. They talked a little bit earlier. Then they started to fight." Bo Ya explained the simplest way.

Yu Qi sighed. They were not like this in the past. Even though they were not fond of each other, they usually stayed away from each other in the past. Not fighting like this.

Both of the men were still fighting. Their powers seemed to be at the same level. Yu Qi sighed. She raised her hand. With that, both of them stopped moving. They finally looked at Yu Qi.

"Aren't you forgetting something? I can control everything in this space in case you forgot." Yu Qi said to those two men.

They looked at each other and turned away again. Yu Qi sighed again. She went to Long Hui's side.

"Brother Hui, we already promised that we treat Brother Xia well." Yu Qi said.

Long Hui felt aggrieved when Yu Qi put it that way. It was not just his fault. That man was the one who started the whole fight.

"Qi Qi, he is the one who started attacking me. I am just defending myself." Long Hui said.

Yu Qi quickly turned to Qin Xia. Qin Xia turned his eyes to look in another direction.

"Okay... Okay... Let's stop for now." Yu Qi said. She clapped her hands. "Brother Xia, I cooked a feast for you."

Yu Qi remembered the reason why she brought Qin Xia inside her space.

"Your space is slightly different from what I remember." Qin Xia commented while looking around.

"Brother Xia, of course, it is different. Thousand years have passed." Yu Qi replied. please visit panda-:)NOVE1.co)m

"But you still like to grow up things. Don't tell me, they are weird plants." Qin Xia looked at the garden.

"Hey, don't say they are weird. They are precious herbs. But I also planted something else right now, okay? Bo Ya helped me a lot." Yu Qi argued.

"Bo Ya?" Qin Xia's eyebrows lifted up. A name that he never heard before.

"Oh, Bo Ya is Xiao Baobei." Yu Qi picked up Bo Ya and showed him to Qin Xia.

"Oh, it's really you. Xiao Baobei." Qin Xia recognized Bo Ya in an instant.

"Master Xia, please call me Bo Ya now." Bo Ya stated.

"You are still not cute." Qin Xia commented.

Both of them stared at each other. It continued and stopped after Qin Xia chuckled.

Yu Qi did not know what happened between them. But she knew for sure that Bo Ya did not get along with Qin Xia before. Yu Qi could see that Bo Ya (Xiao Baobei) liked to talk with her other senior brothers but not Qin Xia. At that time, she did not think much about that.

"No. Everything is still the same." Qin Xia said again.

"Hmm... It might be the same if Senior Brother Rui, Senior Brother Lin and Senior Brother Wei were here too." Yu Qi tried to hold her tears.

Long Hui put his hand on Yu Qi's shoulder. "Don't cry. You need to welcome your senior brother Xia." He whispered into Yu Qi's ear.

Yu Qi nodded while looking at him. "Yeah... I cannot cry." She turned to Qin Xia. "Brother Xia, come here."

Yu Qi led Qin Xia to the table beside the lake. As Yu Qi said, it was a feast.

"Are you planning to make me fat or something like that?" Qin Xia questioned Yu Qi when his eyes laid on the food on the table.

Yu Qi laughed. "I can not imagine Brother Xia becoming fat."

Everyone took their seat. Her contracted beasts were also ready to eat.

"Let's eat." Yu Qi said.

They began to eat.

παῖδα ἡοὐὲ|,còM "I am happy that I did not reject to be master's contracted beast." Rukh enjoyed his food.

"Did you forget that you did not have any choice other than to accept to be Master's contracted beast?" Bo Ya said.

"Of course, I am happy that I did not choose death." Rukh nodded.

"Me too." Xioahua also agreed with Rukh.

1480 Chapter 1480

After they were done eating, Yu Qi walked Qin Xia around. She wanted to show him the changes in her space.

Qin Xia was surprised when he entered the pagoda. It was indeed different from what he remembered. It already had a lot of modern stuff such as the elevator and the computer 'Mary'.

"I tell you it is different now." Yu Qi said it proudly.

παῖδα ἡοὐὲ| (còm) "Yeah. It is indeed different now. You are really a weird one." Qin Xia chuckled.

"Senior Brother Xia, you can not say something like that to your own junior sister." Yu Qi rolled her eyes.

"You are also a weird one. Making yourself insane, playing with knives and hanging out with thugs."

"Oh..." Qin Xia smiled.

Yu Qi was saying the truth. At one point, he was doing that kind of thing. He was feeling bored with his life at that time. So, he joined a gang and played the role of the madman who liked to play with knives.

However, he was really grateful for that. If he did not join that gang, he would never meet his junior sister.

"It would have been a lot better if I found you a long time ago, you would not have suffered so much during your childhood." Qin Xia said regretting that.

After he found her, he investigated her and everything that she was going through. If he had known, he would have gone, pick her up and give a better life to her.

"Like you said earlier, everything that happened has its reasons. I am happy with what I have now. I barely remember what happened when I was a kid." Yu Qi stated.

After spending time inside Yu Qi's space, Qin Xia returned to his house in Yu Qi's same way. However, this time, Long Hui followed them too.

The security guards were surprised to see the woman return again with another man. They were curious but they did not dare to ask at all.

Long Hui pulled Yu Qi into his arms after returning to Yu Qi's space. He had waited long enough. He began to arouse Yu Qi until she asked for more.

....

Since they were in Capital City, Yu Qi suggested that Long Hui visited his maternal grandparent. Even though his maternal grandmother was quite mean to Yu Qi, his maternal grandfather was quite good. He did not stop Long Hui from having a relationship with Yu Qi.

So, before they went to his maternal grandparent's house, they went to buy gifts for them. It was the weekend. So, a lot of people were in the shopping mall. They met someone that they knew there.

"Hui, long time no see." A voice greeted Long Hui with an enthusiastic voice.

Yu Qi and Long Hui turned around and saw Chi Yuan with her friends. Yu Qi had a slight smile on her face while Long Hui kept his straight face.

"Long time no see, Miss Chi." Yu Qi greeted Chi Yuan. please visit panda-:~)novel1.co)m

Chi Yuan gritted her teeth while smiling when Long Hui ignored her. He did not look at her either.

"Excuse us. We have to go." Yu Qi did not want to waste their time talking to Chi Yuan.

Chi Yuan really had a thick skin. She dared to greet Yu Qi and Long Hui after what she had done to Yu Qi and Long Hui.

"Wait, why don't we have lunch together?" Chi Yuan suggested.

Yu Qi chuckled. "Ms Chi, I don't know why you can act normally in front of me after what you had done to us. Don't tell me that you forgot about it. We even went to court to settle that matter."

Yu Qi could see that Chi Yuan's expression slightly changed.

"Why are you acting like this to Chi Yuan? You are so rude." One of Chi Yuan's friends reprimanded Yu Qi.

"Rude? Why does she need to treat this woman with respect when this woman tries to ruin her reputation? The way she treats this woman is good enough." A woman interrupted the conversation.

Yu Qi turned around and saw Gu Ning together with Wei Ding Ye. Gu Ning waved her hand to Yu Qi. Yu Qi smiled while nodding her head to Gu Ning.

"You probably should know about the incident. I do not dare to be friends with her." Wei Ding Ye acted.

"Wei Ding Ye!" Chi Yuan looked at Wei Ding Ye. "Your grandmother would dislike hearing about this."

"Yeah... yeah... You can go and report this to her. Do you think I still care about that?" Wei Ding Ye snorted.

After Wei Ding Ye left the house after being told by Grandma Wei, she refused to return home even after her parents asked her to. Wei Yan, Wei Ding Ye's father and Gu Muxue, Wei Ding Ye's mother gave up asking her to return.

Gu Muxue saw Grandma Wei's treatment of Wei Ding Ye and told her husband about that. It was better for Wei Ding Ye not to return home after all.

Wei Ding Ye grew up watching her grandmother spoil Chi Yuan. None of the other grandchildren had the privilege like Chi Yuan. In the beginning, she did feel jealous of Chi Yuan.

She even went to complain to her grandmother but her grandmother got angry with her by telling her that she needed to behave like Chi Yuan. She did as her grandmother said but her grandmother ignored her and still treated Chi Yuan better. She gave up after that.
