1481 Chapter 1481

"After failing to frame Yu Qi, you have the nerve to greet Yu Qi like this? You really don't have any shame." Gu Ning attacked Chi Yuan again.

Chi Yuan's friends looked at Chi Yuan with questioning looks. They had just returned to Binhai Nation. Their fathers were friends of Chi Yuan's uncle, Quwen Market's CEO. So, they did not know much about Binhai Nation.

They had received their father's order to maintain a good relationship with Chi Yuan. Not like they were Chi Yuan's good friends or something like that.

Chi Yuan trembled when she remembered the case. She took a deep breath and tried to calm down.

"No need to talk about the past. Well, we will leave. Have a nice day." Chi Yuan nodded and left the place in a hurry.

"Wow, how fast she is running away." Gu Ning commented.

"She must be feeling embarrassed." Wei Ding Ye said.

"Those people must be the daughters of their new partner. I heard that her uncle's company was getting a great hit from Yue Cooperation." Gu Ning said what she knew.

"Hai, Ning, Ms Wei." Yu Qi smiled at both girls.

"Sister Yu Qi, you should call me by my name too. We are going to be relative in the future." Wei Ding Ye complained.

"Owh... Sure... Ding Ye." Yu Qi called Wei Ding Ye by her name.

"Brother Hui." Wei Ding Ye greeted Long Hui politely.

"Sir Long." Gu Ning greeted Long Hui with respect.

Long Hui nodded acknowledging both girls.

"About what you had said earlier, Chi Yuan, her uncle's company got hit by Yue Cooperation, what does that mean?" Yu Qi asked.

"Hmm... I heard from my father about that. Chi Yuan was the one who offend Yue Cooperation. How... my father did not know about that." Gu Ning stated.

"I see..." Yu Qi narrowed her eyes.

Well, Yu Qi felt she knew the reason. Chi Yuan used Qin Xia as evidence saying that Yu Qi and Qin Xia were playing around behind Long Hui's back.

Qin Xia probably heard about it and took revenge on Chi Yuan's uncle's company.

"What are you doing here? I thought you were in FINN City." Wei Ding Ye asked.

"Oh, we came here to see a friend. By the way, we plan to go to meet your grandparents since we are here." Yu Qi said her plan.

"You want to see grandmother?" Wei Ding Ye was surprised.

"Well... Yeah. We are nearby after all." Yu Qi smiled.

"I don't think she would like that. She was pretty mad at Yu Qi when you sued her precious Yuan-er." Wei Ding Ye rolled her eyes when mentioning the matter.

"Well, we don't care about that. If she dislikes us, we don't need to meet her, we will just go to see Grandpa Wei." Yu Qi smiled.

"I will inform Aunt Nie Lan that you are coming tonight." Wei Ding Ye stated.

"Sure." Yu Qi nodded.

"Let's hang out sometime." Gu Ning said.[please visit panda-:\)\(novel1.co\)](http://novel1.co)m

"Yeah." Yu Qi nodded

"Sorry to bother you for such a long time. Please continue your date." Wei Ding Ye gave a thumb up to Yu Qi.

Yu Qi blushed a little bit. After the girls disappeared, they continued walking around looking for a suitable present for Wei Family.

"To think about it, I still don't have my HuiQi Jade store open in Capital City. Brother Yu Hi told me before that it is in the planning. I think I need to ask him about that." Yu Qi suddenly recalled.

If the store was here, she would just go and pick something for Wei Family.

"Grandpa Wei also likes to drink. Why don't you give him a jar of your wine?" Long Hui suggested.

"Oh, that is a great idea." Yu Qi nodded several times. "So, we can forget to find the gift and enjoy our date."

"Yeah." Long Hui nodded.

He grabbed her hand and held it while walking. As usual, they attracted the attention of others. People were attracted to see them because they had very outstanding looks.

Someone stepped forward and greeted them.

"Hi." It was a middle-aged man.

Long Hui glared at the middle-aged man. He felt this middle-aged man wanted to disturb their time together.

The middle-aged man felt a little bit scared when Long Hui looked at him like that. Yu Qi noticed Long Hui's feelings. She gave Long Hui a squish.

"Yeah, is it something that matters?" Yu Qi asked the middle-aged man.

"Are you interested in joining the entertainment industry?" The middle-aged man asked.

Well, he was a scout. He was interested in Yu Qi and Long Hui when he saw their outstanding appearance.

"No!" Long Hui rejected it right away.

"I also want to ask you to join it as well." The middle-aged man stated.

He thought Long Hui thought that he just invited Yu Qi and would feel jealous about that. So, he offered Long Hui as well. Long Hui did look like he would be famous in the entertainment industry.

"No. We are not interested." Yu Qi shook her head.

"You can be famous and rich." The middle-aged man stated.

"We don't have to join the entertainment industry to be rich." Yu Qi chuckled.

"What?" The middle-aged man was confused.

"May I know if you are Doctor Tang?" Someone asked Yu Qi. It was a group of young girls.

"Yeah." Yu Qi nodded smiling.

1482 Chapter 1482

"Then, he must be Colonel Long." One of the girls was excited.

"Yes." Yu Qi nodded.

"Wow, we meet our goddess." The girls shouted in excitement. "Can we take your picture?"

"Your picture together with Colonel Long?"

Yu Qi looked at Long Hui asking for his permission. He was a soldier. She was afraid that there might be some kind of restrictions about a soldier having his picture taken by others.

However, Long Hui just nodded.

"Sure. You can." Yu Qi gave them permission.

The girl became to take the pictures. A lot of the pictures.

"Can we take pictures together with both of you?" The girls asked again.

"Sure." Yu Qi nodded again.

The middle-aged man was confused by the situation. He did not leave yet.

One of the girls went to him and asked him to take a picture using the smartphone.

"Yeah. We get the pictures with Doctor Tang." The girls shouted happily.

Yu Qi turned to the middle-aged man. "I am sorry. As I said before, we aren't interested in joining the entertainment industry. So, excuse us." She pulled Long Hui's hand and walked away.

The girls still watched Yu Qi and Long Hui with excitement. The middle-aged man turned to the girls.

"Do you know them?" The middle-aged man asked.

"What? You don't know them? They are a popular couple right now." One of the girls said.

"They are artists?" The middle-aged man asked again.

"No, they are a doctor and a soldier. But they are more famous than other artists." Another girl said.

"Why do you not know that? I heard from the conversation, you are a scout. How could you not know about that? Are you a liar?" Another girl questioned the middle-aged man with narrowed eyes.

The middle-aged man felt that his lie would be exposed now. He needed to escape. The girls guessed the truth. Well, it was a half-truth and half-lie.

He was a scout for the porn entertainment industry. He deceived a lot of people to join that industry. He thought he could deceive the couple. He really did not know that the couple was a famous one.

After getting away from the girls, he took out his phone and searched for the couple on the internet. He did not know their name but he heard that the girls mentioned something like Doctor Tang and Colonel Long.

He did not think much when the girls mentioned the name 'Doctor Tang' and 'Colonel Long'. When he got the information, his jaw almost dropped to the ground.

His hands were trembling when he read the information. That couple was freaking famous. That man was truly a soldier, not to mention a high-ranking one. And the woman, she came from a rich and powerful family.

He was lucky that he did not force them or something like that. If he forced them, he did not know what they were going to do to him. His life might be ruined after getting caught by them. He should be careful in the future. please visit [panα-:\)\(NOVE1.co\)m](http://panα-:)(NOVE1.co)m)

Yu Qi and Long Hui did not know what they had been missing before. They still had a carefree walk.

Yu Qi spotted her store Qi Qi Skincare. She pulled Long Hui to enter the store. The employees welcomed Yu Qi and Long Hui with smiles pasted on their lips.

"Welcome." The employee said.

Yu Qi just smiled. She looked around. She never came to this store before. The opening of this store was handled by Su Yu Hi since she needed to be at a medical conference at that time. So, the employees here did not know that Yu Qi was the owner of the Qi Qi Skincare Brand.

"What are you looking for, Miss? I will help you." The employee asked.

"Hmm... I want 5 sets of Rose products." Yu Qi ordered the things that she wanted to buy.

The employee was stunned for a moment. Others also looked at Yu Qi. Yu Qi was confused about why the employees seemed to look at her like that.

"Hmm... Is there something wrong?' Yu Qi asked.

The employee snapped out of it. She shook her head. "No, miss. It's nothing. I will pack your order right now." She rushed to the back.

"She order Rose Products, 5 sets of them, just like that."

"I have never seen her before here."

"She is probably not from the Capital City."

"However, she must be from a rich family since she orders rose products."

"Well, the money probably comes from that gentleman."

"But, I think I have seen her somewhere else. I just don't remember where."

Yu Qi and Long Hui heard the conversation but they did not care much about them. Let them talked what they wanted.

The employee came back to Yu Qi. "Miss, please come to the counter to make the payment."

Yu Qi followed the employee to the counter.

"How do you like to make the payment? Before that, may I know if you have a membership card?" The cashier asked.

"Membership card? Oh, I have it. Wait a minute." Yu Qi took her purse and took out the card.

The cashier took the card and scanned the card. She froze when she looked at the desktop.

"Your total is 0 yuan. Thank you for shopping with us." The cashier smiled politely at Yu Qi while handing out the shopping bags to Yu Qi.

1483 Chapter 1483

"0?" Yu Qi tilted her head.

"Yes, your membership card gives a 100% discount on every purchase." The cashier said.

"Oh, I see. It is probably Brother Yu Hi's doing. Thank you." Yu Qi nodded to the cashier.

"Oh, it is nothing." The cashier said.

Long Hui took the shopping bags from Yu Qi and casually became her carrier.

"Thank you." Yu Qi smiled at Long Hui.

Both of them left the store. Other employees rushed to the counter.

"Did we hear that correctly?"

"100% discount?"

"Who is she?"

The employees rushed to the cashier to ask the question.

"Yeah. It is indeed a 100% discount." The cashier nodded at her friends.

"What is her name?"

The cashier looked at the desktop. "The card is registered under Tang Yu Qi."

"Tang Yu Qi? Why does her name seem familiar?"

"Wait. I recognize the name. Tang Yu Qi, do you remember the woman who sued the elite socialite Miss Chi Yuan a few months ago?"

"What? That is her?"

"Then, the man beside her must be Colonel Long."

"They match each other."

"But why does her card has the 100% discount? She does not have to pay for everything."

"I hear she mentioned 'Brother Yu Hi' just now. It must be General Director Su because his full name is Su Yu Hi. She is probably one of General Director Su's relatives." The cashier stated.

"Doctor Tang also uses Qi Qi Skincare. No wonder her skin looks flawless."

"I need to grab those products too."

"Please give me one set of rose products."

"Me too."

"I want those products too."

The customers began to pester the sales girl to buy the skincare products. That day, the store recorded the highest sales ever after the opening.

The trigger, Yu Qi, did not know what happened after that. She was happy to get the gift for the Wei family. Last time, she could not prepare anything because she was busy.

"She wants to come here tonight?" Grandma Wei asked angrily.

"Yes, Mother. Muxue told me that she heard from Ding Ye. Apparently, she met Miss Tang and Hui earlier." Feng Ni Lan said.

Feng Ni Lan was the first daughter-in-law of Grandma Wei. She married Wei Zichen, the first son, and was the mother of Wei Su Zien and Wei Su Kee.

"Why does she want to come here? I don't want her to come here. Did she forget what she had done to Yuan-er?" Grandma Wei still did not forget what Yu Qi had done to Yuan-er.

Feng Ni Lan did not know what to say to her mother-in-law. Like others, Feng Ni Lan did not know why her mother-in-law loved that girl, Chi Yuan so much.

Comparing her to Yu Qi, Feng Ni Lan thought Yu Qi was more beautiful than Chi Yuan. Not to mention, aside from Yu Qi's main occupation as a doctor, she also had her side business, HuiQi Jade.

As for Chi Yuan, she just relied on the fact that she was the niece of the Quowen Market's CEO. That was all.

"But Mother, you told Hui that he would come anytime he wants." Feng Ni Lan stated.

"Yeah. Only him. Not that witch." Grandma Wei said.

"They can come over." Grandpa Wei walked into the living room.

He heard the conversation and decided to interrupt it.

"Ni Lan, you can welcome them into our house." Grandpa Wei ignored Grandma Wei's protest and told Feng Ni Lan to welcome his grandson and his granddaughter-in-law.

"What are you saying? I don't want that witch to come into our house." Grandma Wei slapped her knees.

"Don't you forget that this is my house? I can invite anyone I want." Grandpa Wei stated.

"This is my house too." Grandma Wei said.

"Yeah. That is why I don't stop you to invite anyone you want. So, I don't want you to stop me from inviting anyone I want." Grandpa Wei argued with logic.

All this time, Grandma Wei invited Chi Yuan countless times. Grandpa Wei did not say anything. He just let his wife do whatever she wanted to do.

Grandma Wei did not know what to do anymore. She snorted and left the living room.

"I don't want to see them." Grandma Wei managed to say before leaving.

Feng Ni Lan looked at her father-in-law. "Is it okay?"

"You don't need to worry. It will be fine. We just need to treat Hui and his fiancée well." Grandpa Wei smiled.

Grandpa Wei knew that it must be Long Hui's fiancée's idea to come and visit them. Long Hui would not bother to do so.

Despite what Grandma Wei said about Long Hui's fiancée, Grandpa Wei did not think she was a bad choice.

Grandpa Wei watched Long Hui grow up. He knew it was hard for Long Hui to like something. So, when Long Hui wanted to do something, he did not stop Long Hui. It was the same when Long Hui wanted to join the military at such a young age.

He did not have a narrow mind like Grandma Wei. He did not think that being a soldier was a violent job. He was quite proud of Long Hui for being a high-ranking officer at a young age.

It was the same as his daughter, Wei Rong Hue. He silently supported his daughter in joining the military. He contacted and talked to Wei Rong Hue a few times saying that he was proud of her.

1484 Chapter 1484

Yu Qi and Long Hui went to the Wei family's house. Their hands were full of the gifts that they wanted to give to the Wei Family.

As they planned before, the skincare products would be given to the females and the medicine wine would be given to the males.

They were stopped by the security guards. Long Hui informed them that they would go to the Wei Family's mansion. They could ask for confirmation from the Wei Family.

However, one of the security guards stood up and saluted Long Hui.

"Sir!" It was a standard salute for a soldier.

The security guard who saluted Long Hui was a retired soldier. He knew Long Hui.

"You were once a soldier?" Long Hui asked.

"Yes, sir!" The security guard answered.

"I see. Please call the Wei Family for confirmation." Long Hui said.

"Yes, sir!" The security guard nodded and quickly called the Wei Family.

Feng Ni Lan answered it. She confirmed that Wei Family was waiting for the couple. The security guards got the confirmation and allowed Yu Qi and Long Hui to enter the residential area.

One of the security guards asked the security guard (former soldier) about Long Hui.

"You know him? Is he a high-ranking officer?"

"Yes. I am sure you know him too. He is Colonel Long Hui. The youngest Colonel ever."

"Wait, does it mean he is the grandson of the Great General Long Fei Yi?"

"Yeah."

"Wow, I never thought that I will see a big shot today."

Yu Qi and Long Hui arrived at the Wei Family House. She rang the bell. Not long after that, the door was opened. A maid welcomed them inside.

The maid led them to the living room where the Wei Family members were sitting.

"Welcome Hui, Yu Qi." Feng Ni Lan smiled welcoming the couple.

Long Hui nodded his head greeting everyone. Everyone knew how Long Hui was. They understood him.

"Hi, Auntie Ni Lan." Yu Qi greeted her. She then turned to see others and started to greet them.

"Grandpa Wei, Mrs Wei, Uncle Zichen, Aunt Gu Muxue, Su Zien, Su Kee. Oh, I never thought to see you, Miss Chi."

Only Grandma Wei whom Yu Qi referred to as Mrs Wei. Well, it was Grandma Wei's request after all.

"What? I invite her. Do you have any problem?" Grandma Wei replied.

"I don't have any problem." Yu Qi said. "Oh, this is my gift to you. The skincare set products for females. One for Mrs Wei, Auntie Ni Lan, Auntie Muxue, Su Kee and Ding Ye. As for the male, I brought the wine for you. I made them myself."

Long Hui and Yu Qi put their gifts on the table.

"Wait, why isn't there one for Yuan-er?" Grandma Wei asked.[please visit pandα-1.com](http://www.pandα-1.com)

"I bring the gifts for Wei Family members in thought. I didn't know that Miss Chi already became a Wei Family member." Yu Qi replied. "Well, if Miss Chi Yuan wants a set, you can go and purchase it by yourself. You have the money, right? You are the niece of Quowen Market's CEO after all. Don't tell me that you don't have money to buy a mere skincare product?"

"You!" Grandma Wei glared at Yu Qi.

"Enough, Zhu Mei." Grandpa Wei stopped Grandma Wei.

Grandma Wei shut her mouth. Chi Yuan comforted the old woman by rubbing her hands.

"Thank you for the gift." Grandpa Wei said.

Grandpa Wei took out the wine. Then he was surprised by the wine. Since Yu Qi placed the wine in a clear glass bottle, everyone could see the content.

"Miss Tang, you say you made this wine by yourself?" Chi Yuan asked.

"Yes." Yu Qi nodded.

"Can you drink that?" Chi Yuan glanced at the content.

"Of course. They are medicine wine. Drink this once a day could help improve your health." Yu Qi explained.

"Oh, this is the same as you give to your grandpa, Tang Jiang Man?" Grandpa Wei's eyes lifted.

"Well, it is not the same. I make another batch after that." Yu Qi explained.

"Are you sure that nothing will happen if Grandpa Wei or others drink that?" Chi Yuan asked the question again.

"Miss Chi, what do you want to imply here?" Yu Qi narrowed her eyes.

"Nothing, I am just asking. I am just afraid something will happen to them if they drink something like that." Chi Yuan just smiled.

The medicine wine did look like a scary drink with herbs inside it.

"If Grandpa Wei and others did not have allergies, we have nothing to worry about." Yu Qi answered it calmly.

"You can't guarantee that." Grandma Wei supported Chi Yuan. She then turned to her son and husband.
"You better not drink this."

Wei Zichen frowned. His mother should not talk about something like that even though she wanted to. She just could wait after the guest left. Not in front of the guest like that.

"Enough. I will drink it. My granddaughter-in-law would not be so heartless as to poison me." Grandpa Wei retorted.

Grandma Wei was surprised when her husband, Grandpa Wei snapped at her.

The situation became suddenly tense.

"Grandpa Wei, you don't need to worry. I made the medicine wine many times. My grandpa drinks it, particularly every day. He never felt sick after drinking the wine that I made. You will not be sick but if someone wants to play a trick, no one knows what will happen." Yu Qi smiled while staring at Chi Yuan.

1485 Chapter 1485

"What? Miss Tang, why do you stare at me like that while saying those things? Do you think I will do something to hurt Grandpa Wei?" Chi Yuan could not help to ask after being stared at by Yu Qi like that.

"No. I don't mean anything about that." Yu Qi did not say anything else. She just kept a smile on her lips. Chi Yuan was feeling horrible right now.

"Stop saying something like that to Yuan-er. She is a good girl. She would not harm my husband." Grandma Wei said to Yu Qi. She then comforted Chi Yuan. "Don't worry too much. I believe you."

"Yeah, said someone who went as far as framing others." Wei Su Zien commented.

Everyone was shocked when they heard Wei Su Zien say something like that. Wei Su Zien usually kept silent about everything and had now voiced his opinion.

Well, what Wei Su Zien said was not wrong. Chi Yuan did frame Yu Qi and wanted to damage Yu Qi's reputation. However, what he did not understand was why his grandmother still liked Chi Yuan and even treated Chi Yuan better.

His grandmother believed that Chi Yuan was the innocent one. She believed that Yu Qi was the one damaging Chi Yuan's reputation even after she saw the evidence.

"What did you say?" Grandma Wei glared at Wei Su Zien.

Wei Su Zien ignored his grandmother. Feng Ni Lan faked a cough.

"Hmm... Why don't we go to the dining table right now?" Feng Ni Lan suggested.

"Yeah. Let's go and have dinner together." Gu Muxue also acted like a peacemaker.

Well, Gu Muxue was relieved that her daughter was not here tonight. If her daughter was here too, it would bring more disasters.

Her daughter already hated seeing her mother-in-law's treatment of Chi Yuan. If her daughter saw that scene earlier, she might make some comments too.

Feng Ni Lan asked the maid to prepare. After that, they all went to the dining room. They took their seats. Grandma Wei pulled Chi Yuan to sit beside her. Grandma Wei also told Long Hui to sit beside Chi Yuan.

Everyone frowned especially Long Hui. There was no way that he would sit beside Chi Yuan. Since Yu Qi was seated two seats away from Chi Yuan, he sat beside Yu Qi which was supposed to be Wei Su Kee's seat.

"You can seat there." Long Hui said to his cousin.

"Okay." Wei Su Kee nodded.

Wei Su Kee went to sit beside Chi Yuan.

"Su Kee, this is Hui's seat." Chi Yuan told Wei Su Kee.

"It's okay. He already sits over there with his fiancée." Wei Su Kee pointed to the couple.

"What? Why don't you sit here, Hui?" Grandma Wei asked.

There was an angry tone in her voice. She also planned the whole thing.[please visit pandα-1.com](http://www.pandα-1.com)

"Grandma, why should you separate the couple? They should sit beside each other. What do you want to achieve by asking Brother Hui to sit beside Miss Chi, not his fiancée?" Wei Su Zien opened his mouth criticising his grandmother.

"You." Grandma Wei was speechless when her grandson sounded her like that.

"Su Zien, you can't talk like that to your grandmother." Chi Yuan reminded Wei Su Zien.

"Miss Chi, you should stay out of our matter. But I do admire you. You really have the nerve to sit here dining with our family. After all, you are not our family member." Wei Su Zien said the statement with a straight face.

Chi Yuan was shocked to hear Wei Su Zien say something like that to her face. Wei Su Zien never treated her rudely like this. This must be because of Yu Qi.

Wei Zichen lifted his eyebrows when he heard Wei Su Zien comment about Chi Yuan. Well, it was the truth though. Only his mother was fond of Chi Yuan. None of them liked Chi Yuan that much.

Wei Su Kee looked at Wei Su Zien with admiration. She also thought the same. But she did not dare to say something like that in front of Chi Yuan and not especially in front of her grandmother.

Chi Yuan wanted to rush out due to embarrassment. But she could not let go of the chance to see Long Hui.

Grandma Wei noticed that Chi Yuan was embarrassed, she comforted Chi Yuan.

"Don't worry too much. You are my family. Ignore what they said to you." Grandma Wei stated.

"Let's stop this and start eating." Grandpa Wei said.

So, they started to eat. Seeing there were shrimp dishes, Long Hui took the opportunity to be his beloved Qi Qi's peeler. He peeled off the shrimp's skin and put it in Yu Qi's bowl.

"Thank you." Yu Qi thanked Long Hui. "You should eat too. Don't just peel them for me." She said when seeing Long Hui did not eat at all.

"Sure... sure... I will start eating." Long Hui listened to Yu Qi and started eating.

Even though Chi Yuan did not look at Yu Qi and Long Hui directly, she was still watching them from the corner of her eye. Long Hui treated Yu Qi very well. That treatment should be hers, not Yu Qi's.

The dinner was good.

"Grandpa Wei, you should try the medicine wine." Yu Qi suggested.

"Hmm... I should." Grandpa Wei nodded.

He immediately asked the maid to bring a cup. Yu Qi stood up and opened the bottle of medicine wine.

1486 Chapter 1486

She also explained the way to open and pour the medicine wine as well as the way to close it back and store it. If the medicine wine was not stored properly, it could be ruined.

Yu Qi poured the medicine wine into the cups. Yu Qi served everyone. Grandpa Wei, without any doubt, took the cup and drank it in one go.

Well, the cup was small. Once the medicine wine was poured into Grandpa Wei, he looked shocked. His eyes were opened widely.

Chi Yuan nodded and shouted. "Grandpa Wei, what's wrong with you? Are you feeling unwell? Miss Tang, how could you serve something like that to Grandpa Wei?"

Yu Qi did not have time to answer. Then they heard Grandpa Wei's shout.

"Delicious!" Grandpa Wei was smiling widely. "It is very delicious. Yu Qi, how do you manage to get this flavour? Some of the medicine wine that I drank before did not taste this good. It is usually bitter."

Yu Qi also smiled. "I made my own research. I am glad that you like the flavour."

Grandpa Wei's statement was like a slap on Chi Yuan's face. She thought Yu Qi would be disliked by Grandpa Wei but this made Grandpa Wei like Yu Qi even more.

Wei Zichen also tried drinking the wine. His expression was the same as Grandpa Wei's. It was like his father said, it was very delicious. It was not like the normal medicine wine that he drank before.

"Hmm... It is indeed delicious." Wei Zichen nodded agreeing with his father.

Grandpa Wei grabbed the bottle. "Stop drinking mine. You can open yours if you want to drink more." He even hid the bottle.

Everyone was speechless by Grandpa Wei's action. However, this reaction was not strange to Yu Qi since she had seen it before.

Where? Grandpa Tang, Grandpa Long, Grandpa Feng and even Grandpa Mu. They all liked the medicine wine that she made. Even now, she delivered the medicine wine to them when their medicine wine was finished.

"Hmm... Yu Qi, can I request something from you?" Grandpa Wei felt embarrassed by what he was about to say.

"What is it?" Yu Qi asked.

"Hmm... Can you send me another bottle of this medicine wine if I finish this one?" Grandpa Wei asked with an embarrassed tone.

"Sure. You can call me if you finished that up." Yu Qi said.

"Great!" Grandpa Wei was happy.

Chi Yuan was jealous to see the interaction between Yu Qi and Grandpa Wei. She could not count how many times she tried to please Grandpa Wei.

However, her efforts were in vain. Grandpa Wei did not look as happy as today when she pleased Grandpa Wei. But now, looking at him, only just for one bottle of weird wine, he looked so happy.

Others were also happy to see Yu Qi and Grandpa Wei like this. Long Hui was not close to them even though his mother came from this family.

But now, Long Hui was willing to come to this house because of Yu Qi. Yu Qi became the bridge between Long Hui and the Wei Family.

Only two of them were unhappy with this. Chi Yuan gritted her teeth. Grandma Wei was also displeased to see others liking Yu Qi. please visit [pan.dα-:.\)NOVE1.co\)m](http://pan.dα-:.)NOVE1.co)m)

The dinner ended smoothly after that. Wei Su Zien braved himself to talk to Long Hui.

Long Hui was not so mean as to ignore his cousin. So, he talked a little bit with Wei Su Zien.

Actually, Wei Su Zien admired soldiers very much. He also dreamed to be one but he did not dare to oppose Grandma Wei before.

Wei Su Zien felt quite foolish to be scared to do what he wanted before. He already started to think about his future. He also planned to join the political world like his father.

Long Hui encouraged him to do what he wanted to do. Hearing the encouragement from Long Hui made Wei Su Zien a little happy.

He regretted the past. Being brainwashed by his grandmother into thinking that a soldier was a heartless person, Wei Su Zien stopped talking to Long Hui. After starting high school, he was finally freed from his grandmother's brainwashing.

Yu Qi excused herself to go to the toilet. Because she was already here before, she knew where the toilet was. After doing her business, Yu Qi wanted to return to Long Hui's side.

However, Yu Qi was stopped by Chi Yuan. Chi Yuan looked displeased.

"Yes, Miss Chi, what can I do for you?" Yu Qi asked.

"Why did you come here?" Chi Yuan questioned Yu Qi like this was her own house.

"Miss Chi, I am visiting my grand parents-in-law's house. It has nothing to do with you." Yu Qi answered.

"Why do you need to stand in my way?" Chi Yuan gritted her teeth.

"Miss Chi, I don't have plans to stand in your way. To be honest, I don't care about you. We are not close to each other anyway." Yu Qi responded.

"Then why don't you leave Long Hui alone?" Chi Yuan stated.

Yu Qi suddenly laughed. Chi Yuan hated to see Yu Qi laughing.

"Why did you laugh?" Chi Yuan asked.

"Miss Chi, I am laughing because of your stupidity." Yu Qi mocked Chi Yuan.

"You dare to say that I am stupid?" Chi Yuan glared at Yu Qi.

"What? You are indeed stupid." Yu Qi added.

1487 Chapter 1487

"You!" Chi Yuan pointed her finger at Yu Qi.

"What? Am I wrong? Miss Chi, Brother Hui is mine. He was never yours. Well, it is the truth that he knew you earlier than me but he never fell in love with you. But he fell in love with me. So, stop dreaming and saying he is yours. I think you should go and meet a psychiatrist before it is too late." Yu Qi advised Chi Yuan.

"And now you dare to call me a crazy woman?" Chi Yuan clenched her fist.

"Well..." Yu Qi did not clearly admit it.

"I agree with Sister Yu Qi. You should go and see a psychiatrist." It was Wei Ding Ye who appeared and joined the conversation.

"What are you doing here?" Chi Yuan was surprised to see Wei Ding Ye. She then added. "Ding Ye, you should stay away from this. It has nothing to do with you."

"What am I doing here? Chi Yuan, this is my family's house. I should be the one who ask you that. And you should listen to Sister Yu Qi. Go and see a psychiatrist. Maybe he or she can help you." Wei Ding Ye smirked.

"You too? Dare to call me crazy?" Chi Yuan glared at Wei Ding Ye.

"What? What can you do to me? Do you want to tell Grandma about me? Go ahead. Or you can use your uncle's power? Oops, your uncle is not powerful enough to do anything to me." Wei Ding Ye jabbered about Chi Yuan's uncle.

Yu Qi was interested to know more about that. "What happens to her uncle?"

"Hmm... I don't know much about that. But I heard he offended someone. And that someone blocked his business." Wei Ding Ye told Yu Qi.

"Shut up!" Chi Yuan shouted at Wei Ding Ye.

It was the truth. Recently, his uncle's business confronted some troubles. He did not get any deal. When he asked around, people told him that he offended someone powerful.

Her uncle wanted to know who the person was. But no one wanted to tell him who that person was.

"Oh..." Yu Qi gave a meaningful smile to Chi Yuan.

Chi Yuan got the impression that Yu Qi knew something.

"You know something, do you? Did you do something?" Chi Yuan questioned Yu Qi.

Her voice was very loud that people could hear her. Grandma Wei rushed to Chi Yuan's side.

"What happens, Yuan-er? Tell me." Grandma Wei wanted to know.

"Grandma Wei, you know about someone making trouble for my uncle's company, right?" Chi Yuan made a sad face.

"Of course, I know. You told me that it was someone powerful but your uncle did not know who he was." Grandma Wei remembered that.

"It seems Miss Tang here knows something about that. So, I ask her but she does not want to tell me anything." Chi Yuan said to Grandma Wei. www.novelupdates.com

Wei Ding Ye felt ridiculous when she heard Chi Yuan talk to Grandma Wei like that.

"Tang Yu Qi, you better tell everything you know." Grandma Wei ordered Yu Qi.

"Chi Yuan, you are ridiculous. How can you conclude that Sister Yu Qi knows something about that? She just asks me about that." Wei Ding Ye stated.

Grandma Wei was surprised to see Wei Ding Ye here. Wei Ding Ye already moved out and lived in the apartment that her father bought for her.

Gu Muxue also was surprised to see her daughter here.

"What are you doing here?" Grandma Wei asked Wei Ding Ye.

"I come to meet Sister Yu Qi." Wei Ding Ye explained. "I wanted to go to the toilet but came across both of them. They argued about Brother Hui. Then Chi Yuan told me to stay away from the conversation. So, I mocked her about her uncle's company. Sister Yu Qi asked me about that. I told her. Sister Yu Qi just nodded while smiling. Then Chi Yuan accused Sister Yu Qi to know something about that and demanded Sister Yu Qi to tell her."

"But her reaction tells me otherwise. She must know something about this." Chi Yuan wanted to cry.

Grandma Wei was sad to see Chi Yuan unhappy. She turned to Yu Qi and demanded the same thing as Chi Yuan.

Others were speechless at Grandma Wei's demand.

"Grandma, I wonder if Chi Yuan is your illegitimate granddaughter." Wei Ding Ye uttered.

Gu Muxue hit Wei Ding Ye's back. "What nonsense are you saying?"

"Ouch! Mom, that hurts. Am I wrong? Grandma treats Chi Yuan more like her own grandchild if we dare to compare. I am really curious about that." Wei Ding Ye stated.

Wei Su Zien and Wei Su Kee also thought about that. They also wondered why their grandmother treated someone else better.

"Nonsense! We are not talking about that right now." Grandma Wei shouted.

Long Hui already appeared at Yu Qi's side. He held Yu Qi's hand. Chi Yuan saw it and felt jealous.

"Miss Tang, please tell me about that matter." Chi Yuan acted like she was begging Yu Qi for mercy.

"Miss Chi, I don't know anything. You should tell your uncle to conduct his own investigation." Yu Qi said.

Well, she had ideas about that person. But she did not want to help Chi Yuan by telling her that. It had no merit for her to do so. This had nothing to do with her.

1488 Chapter 1488

"Sister Yu Qi already told you that it has nothing to do with her. Why are you still forcing her like that? Do you want to picture Sister Yu Qi as a bad one here?" Wei Ding Ye asked.

"Wei Ding Ye, you shut up. It has nothing to do with you." Grandma Wei reminded Wei Ding Ye.

"Grandma, it also has nothing to do with you. You should shut up too." Wei Ding Ye replied.

"You rude girl!" Grandma Wei shouted.

Gu Muxue hit Wei Ding Ye's back. "Stop irritating your grandmother like that." She said to her daughter.

"Mother, she is the unreasonable one." Wei Ding Ye pouted.

"Keep your mouth shut!" Gu Muxue said to her daughter again.

She sighed. Her daughter had an explosive mouth.

"Miss Tang..." Chi Yuan tried her luck again.

"Miss Chi, don't push your luck too much. I already said that it has nothing to do with me. Don't make me repeat it over and over again." Yu Qi stopped Chi Yuan from talking.

"You must know something about that. You must tell her." Grandma Wei interfered.

Yu Qi ignored Grandma Wei straight away.

"Grandpa Wei, we will leave right now." Yu Qi looked at Grandpa Wei.

"Sure... Sure. You can leave." Grandpa Wei nodded.

He also did not think that Yu Qi and Long Hui should be staying at this house anymore. Well, with this situation...

Yu Qi smiled and nodded to Wei Zichen, Feng Ni Lan and Gu Muxue. They returned the look with smiles.

"Sister Yu Qi, can we meet up tomorrow?"

To Yu Qi's surprise, it was Wei Su Kee who said that. Yu Qi would still be in Capital City on the next day, so, she agreed.

"Sure." Yu Qi nodded.

"Me too." Wei Ding Ye said.

"Wait, she can't leave first. She needs to help Yuan-er." Grandma Wei stopped Yu Qi and Long Hui from leaving.

"You should stop bothering them." Grandpa Wei glared at Grandma Wei.

Grandma Wei stiffened when she looked at her husband. Her husband never spoke like that to her before. She became afraid of her husband.

Grandpa Wei moved his eyes to Chi Yuan. "Miss Chi, you should leave too. Your family should be worried if you stay over late at night."

It was a good way to chase people out aside from directly saying 'get lost'.

Chi Yuan did not dare to stay at the Wei's at this moment. Grandpa Wei seemed pretty angry right now. But she would not stop coming over again.

....

When Yu Qi and Long Hui returned to the hotel room, she felt very uncomfortable. Long Hui noticed that and asked about that.

"Are you okay?" Long Hui asked.

"I think I am on my period." Yu Qi stated.

She knew the feeling. It was that time.

Hearing this, Long Hui froze. His plan tonight...

"Are you sure?" Long Hui could not believe it. [panda `nove| com](#)

"Well, yeah... I think so. It matches the timing." Yu Qi nodded.

"Oh..." Long Hui replied in a low tone.

"What? Are you that disappointed?" Yu Qi asked in a joking tone.

She already knew what Long Hui was thinking right now. It was very funny.

"Yeah. I think we can have sex tonight as well." Long Hui was straight forward, making Yu Qi blush.

"Is that all that's in your mind?" Yu Qi asked with red on her cheeks.

"Well, having an attractive girl by my side, make my mind wanders that way." Long Hui flirted with Yu Qi.

"Hmm... What a dirty mind you have." Yu Qi glanced at the bottom area of Long Hui's body.

Long Hui noticed Yu Qi's eyes on his private area. It made Long Hui excited. That area showed the change. It bulged. It looked like it almost wanted to come out.

Yu Qi was surprised by the sudden movement.

"Wait, why it..." Yu Qi looked at Long Hui.

Once again, Yu Qi was surprised when she looked at Long Hui's face. His face showed a painful expression.

Long Hui leaned over to Yu Qi's ear. "Qi Qi, can you help me?" He whispered in a seductive voice.

"What?" Yu Qi was taken aback.

"Please." Long Hui begged Yu Qi.

"Help you with what?" Yu Qi acted like she did not understand.

"Help me with this." Long Hui pointed at the bulged area.

"I already told you that I am on my period." Yu Qi said.

"Well, you can use your mouth or hand." Long Hui suggested.

Hearing those suggestions made Yu Qi even redder.

"Please..." Long Hui looked at Yu Qi with a seductive look again.

'This man really likes to use his seductive look on me.' Yu Qi thought.

But she felt distressed when seeing Long Hui in this condition. With that, she agreed to do as he requested.

"Okay... I will help you. But just using my hands." Yu Qi stated.

"Sure." Long Hui was happy getting help from his beloved Qi Qi.

Long Hui quickly pulled Yu Qi to the bed.

"Qi Qi let it out. It hurts." Long Hui said.

Even though it was not Yu Qi's first time seeing it, she still felt embarrassed to take out it by herself.

She slowly reached out at Long Hui's zip. She moved her hands in a slow pace. Long Hui silently watched his beloved Qi Qi's action. Well, he was very excited right now. He could see his beloved Qi Qi's cheeks. It was so red.

When Yu Qi set it free, it stood proudly in front of Yu Qi's eyes. Long Hui was waiting for Yu Qi's action.

Yu Qi slowly reached out for it. Long Hui's little brother reacted once Yu Qi touched it. Yu Qi could hear Long Hui's growl. She looked up and saw that Long Hui's face was full of excitement. She could see that Long Hui enjoyed her touches so much.

"Qi Qi, can you try to stroke it?" Long Hui requested with a restrained tone.

Yu Qi listened to her fiancée, stroking Long Hui's little brother gently from up to bottom.

"Hiss..."

Yu Qi heard that and stopped. She thought Long Hui was in pain.

"Did I hurt you?" Yu Qi asked.

"No... No... It feels great. Qi Qi, you can continue." Long Hui said.

Yu Qi started to stroke it again. She used both of her hands. At first, she felt awkward. But hearing the excited tone in Long Hui's voice, she increased the speed.

.....

"Qi Qi, wake up."

Yu Qi could hear Long Hui's voice. She slowly opened her eyes.

Long Hui kissed her eyes. "Good morning, my beloved."

"Hmmm... What is the time now?" Yu Qi asked in a sleepy voice.

"6 A.M. Do you still want to sleep?" Long Hui asked.

"No... I want to get up." Yu Qi shook her head weakly.

"I think you should rest. You are tired. You used a lot of energy yesterday." Long Hui grinned.

Hearing that, Yu Qi's face turned all red. Yu Qi hit Long Hui's chest.

"Don't remind me about that." Yu Qi said.

Yesterday, not only her hand, Long Hui even asked her to use her mouth as well. It was embarrassing yet fun as she looked at Long Hui's excited face when she stroked while licking Long Hui's little brother.

"Okay... okay... Let's go jogging." Long Hui said.

Yu Qi got up, refreshed her body, and changed her clothes. Long Hui was already ready to join.

So, they were jogging around the hotel for about one hour before they stopped and returned to the hotel room. Long Hui called room service for breakfast.

After breakfast, Yu Qi got a call from Wei Ding Ye telling her that they were already at the lobby hotel waiting for Long Hui and Yu Qi.

They changed their clothes again. Then they left the hotel room to meet with Wei Ding Ye.

When they arrived at the lobby hotel, they saw Wei Ding Ye. She was not alone. Wei Su Zien, Wei Su Kee and even Gu Ning were there.

"Yu Qi, you are not angry I am joining you guys, right?" Gu Ning smiled.

She found out that Wei's Siblings wanted to meet Yu Qi. So, she wanted to join too. That was why she was here right now.

"Sure. I don't mind." Yu Qi smiled.

"Sister Yu Qi..." Wei Ding Ye wanted to say something but Yu Qi stopped her.

"Hmm... You guys, no need to call me sister. Just call my name. Our age gap is not far." Yu Qi stated.

"Really? You don't mind?" Wei Ding Ye asked. [panda `nove | com](#)

"Yeah. It is more comfortable like this." Yu Qi nodded.

"Then, I will call you Yu Qi." Wei Ding Ye nodded.

"Hmm... I think I will call you Sister Yu Qi." Wei Su Kee stated in a shy tone.

"Up to you." Yu Qi felt that Wei Su Kee was more like Dian Qi Qi.

"Where do you want to hang out?" Gu Ning asked.

"We are going to get wet." Yu Qi smiled.

....

"I never thought there is a theme park here." Gu Ning looked at the sign board.

"Well, it is not officially open yet." Yu Qi said.

"Not open yet? Then why are we here?" Wei Su Zien asked.

"I want you to be the first comers to play here." Yu Qi grinned.

"Eh, how can we enter this place when it is not open yet?" Gu Ning asked.

"Miss Tang, you are here." Li Yan came out and greeted Yu Qi.

"Hmm... Everything is ready?" Yu Qi asked Li Yan.

"Yeah. You can enjoy it." Li Yan nodded.

"Great." Yu Qi nodded.

Actually, Yu Qi got a call from Li Yan on the day they landed at the Capital City. Li Yan told her that the theme park, Nigeru Koen, was ready to be opened to the public. He wanted Yu Qi to come and take a look at the site first before it was officially opened.

Yu Qi told him that she would try to come the next day after tomorrow. So, it was today. Coincidentally, the Wei siblings wanted to hang out with her. So, she invited them too.

"Yu Qi, you know the owner?" Wei Ding Ye asked.

"Hmm..." Yu Qi nodded.

"Wait a minute, I think I recognize you." Gu Ning looked at Li Yan. "You are the man who had a scandal with Yu Qi."

Hearing that, Long Hui's eyes glanced at Li Yan. Li Yan felt his back turn cold in a instant.

"Miss Tang and I are innocent." Li Yan corrected Gu Ning's words.

"Oh, it comes out wrongly. I mean the man in a rumoured scandal that Yu Qi had is you. The one that Yu Qi sued Chi Yuan for." Gu Ning apologised for the word.

"Yes, it is me. But it is a rumour. We don't have any relationship except client and contractor." Li Yan smiled.

"Wait, does this mean this place is yours, Yu Qi?" Wei Su Zien asked.

"Yeah." Yu Qi did not deny it.

"Wow..." Wei Ding Ye was surprised.

1490 Chapter 1490

"Yu Qi, your occupation is a doctor, right?" Wei Ding Ye asked for confirmation.

"Yeah." Yu Qi nodded.

"Then, how do you handle your business? I remember that HuiQi Jade Store is under your name as well." Wei Ding Ye asked again.

"Hmm... Just hire competent employees to handle it. You just need to look at the business from time to time. That's all." Yu Qi explained.

She could not handle everything. She only had one body.

"I see... It works too." Gu Ning nodded.

"Let's stop talking about that. Since it is free, let's enter and play." Wei Ding Ye stated.

"Wait!" A voice came from behind.

Everyone turned around and looked at the owner of the voice.

"Second Brother!" The man took breaths after arriving in front of them.

'Second Brother? Who does this man call?' Everyone except Yu Qi and Long Hui asked this question in their minds.

"Second Brother, I have some problems that need your help. Please help me." The man began to beg Long Hui.

"You followed me here?" Long Hui narrowed his eyes while asking the man.

They were surprised that this man knew Long Hui. Well, this man was Liang Mo Han. He was quite famous in the business world. He was the rising idol in the business world. Even they knew a little bit about this man.

They also were surprised by the fact that Long Hui knew Liang Mo Han. Looked like Liang Mo Han wanted to get some help from Long Hui.

"I called you, but you didn't answer. So, I did something else to get your location here." Liang Mo Han explained while looking at Long Hui nervously.

"You should know who I'm with." Long Hui glanced at Yu Qi.

"Second Sister-in-law, I am sorry to disturb your time together. But I need his help." Liang Mo Han looked at Yu Qi.

"Brother Hui, let's hear what he has to say first." Yu Qi stated.

"Okay... But you don't have to wait for me. You can accompany them first. I will get back to you later." Long Hui patted Yu Qi's head.

"Owh... Sure..." Yu Qi nodded. Then she turned to the others. "Let's go in first."

"Okay." The others nodded.

They all entered the place without Long Hui.

"What is it?" Long Hui asked Liang Mo Han.

"Second Brother, we already found those people. They are indeed hiding at Country Max." Liang Mo Han stated.

"Oh..." Long Hui smiled while his body emitted a murderous aura.

Liang Mo Han trembled a little when he looked at Long Hui. Since Long Hui got together with his Second Sister in law, Long Hui did not have this look anymore. But this matter triggered Long Hui's inner demon.

"What should we do now? Do you want to wait or go now?" Liang Mo Han was waiting for Long Hui's decision.

"We will go right now. Wait for a moment. I will call Qi Qi to inform her that I am leaving." Long Hui took out his phone and dialled Yu Qi's number.

He could hear his beloved Qi Qi's voice answering her call. panda-novel.com

panda-novel.com "Brother Hui, what is it?" Yu Qi was confused when Long Hui suddenly called her.

He should come in and meet her right away instead of calling her like this. Something happened. That was her thoughts. It must be related to Liang Mo Han coming here.

"Qi Qi, I am sorry. I can not accompany you to play right now. I have something important to do." Long Hui explained.

"I see. Please take Shino with you. He would be able to contact me if you are in danger." Yu Qi suggested.

"Do you think I will in danger?" Long Hui teased.

"Well, it is better to take the situation cautiously." Yu Qi said.

Even though she knew that Long Hui was strong, not to mention, he was a cultivator. But she did not dare to take his safety lightly.

"Sure... Sure..." Long Hui could not reject Yu Qi's suggestions.

"Wait there. I will take Shino out for you." Yu Qi said.

"Okay. I will wait here." Long Hui said.

"Are you done, Second Brother?" Liang Mo Han asked.

"Wait. I am waiting for something." Long Hui stood waiting for Shino.

The call ended. Yu Qi put her phone away. Coincidentally she was in the changing room to change her clothes. Yu Qi entered her space.

"Shino, come on. I have things for you to do." Yu Qi stated.

Shino nodded without saying anything, he quickly climbed up on Yu Qi's shoulder. He did not even ask what things he needed to do.

Yu Qi came out of her space.

"Shino, you need to follow Brother Hui. If something dangerous happens to him, please contact me as soon as possible." Yu Qi told Shino his mission.

"Okay, Master." Shino nodded.

"You can go now." Yu Qi put Shino down.

Shino rushed out searching for Long Hui. He remembered Long Hui's scent.

Long Hui sensed something moving fast toward him. He noticed Shino. Shino moved very fast. So, normal human eyes couldn't catch him. So, Liang Mo Han who stood beside Long Hui did not notice Shino at all.

Shino climbed into Long Hui's pocket. He safely placed himself into it.

Long Hui nodded. "Let's go."

"Huh? Didn't you wait for something earlier?" Liang Mo Han asked feeling confused.

"It's done." Long Hui said and started walking without waiting for Liang Mo Han.

Liang Mo Han quickly rushed over.
