

Intelligent 1531

1531 Chapter 1531

"Miss Bucong, what is this matter to you?" Yu Qi smiled. "Of course, I have been here for a while. The ancestor invited me."

"What? That is impossible." Bucong Jiye said.

"I did invite her. But how did it matter to you?" Qin Xia asked the same question. He then looked and asked Yu Qi. "What do you call me? The ancestor?"

Yu Qi gulped. "Senior Brother Xia." She immediately corrected the call.

Everyone there was shocked when they heard the name. Only one person called Qin Xia by that name.

"There is no need for you to be here anymore. Go home." Qin Xia stated.

Bucong Jiye did not want to leave yet. But her grandfather pulled her away. After a while, only the Dian family was still here.

"Senior Brother Xia, I want to see my family for a moment." Yu Qi said.

"Hmm... We will return soon. Make it quick." Qin Xia nodded.

Yu Qi rushed to the Dian Family.

"Great-Grandpa Dian. Grandpa Dian, others." Yu Qi greeted them.

"Sister Yu Qi, what is going on here?" Dian Qi Qi asked Yu Qi.

"Why do you call the ancestor, Senior Brother Xia?" Great-Grandpa Dian asked.

"Hmm... He wants me to call him like that. I think it was better to call him that instead of the ancestor." Yu Qi made a little lie.

"He forces you?" Great-Grandpa Dian frowned.

"Of course not." Yu Qi shook her head. She did not want Great-Grandpa Dian to go and confront Qin Xia.

"Hmm... I came to the cultivation world with him. I will go back with him. I will talk to you later when I go and visit you again."

Yu Qi rushed over to Qin Xia. The Dian family was a bit speechless.

"Let's return home first." Great-Grandpa Dian said.

Since there was nothing they could do here, the Dian family returned to their house.

Yu Qi and Qin Xia also returned. They returned to the mountain. The sky had turned dark.

"I will send you to your house." Qin Xia stated.

"Okay." Yu Qi nodded.

They descended from the mountain. However, when they were about to go to Qin Xia's car, they were stopped by a few people. It seemed they were some kind of gang. Their arms were full of tattoos.

"I never thought to see beauty at a mountain like this. It already turned dark. What are you guys doing here?" One of them asked.

"Maybe they were doing a deed." Another one said.

Then they were laughing. However, those laughs did not last long. The one who said that Yu Qi and Qin Xia were doing the deed went flying after being slapped by Qin Xia.

He only managed to stop after his body was crushed into a tree. He could feel that his bones were broken. Then he coughed some blood. Because of the intense pain, he lost consciousness.

"Senior Brother Xia, you can not do it. They are still normal human beings." Yu Qi sighed.

"Well, I did hold my power a bit. They are just too weak." Qin Xia snorted.

"You just leave and bring your friend to the hospital. If you are still here, your friend can not make it." Yu Qi gave advice to the people.

Even though Yu Qi could treat the people here, she would not be so kind-hearted to a person who tried to make trouble for her. Those people finally snapped out. They rushed to their injured friend and left the place.

Then, Qin Xia and Yu Qi saw another car rush over to this place and strangely the car stopped in front of them. The driver's door opened and Long Hui jumped out. He pulled Yu Qi in his hug.

"Where have you been?" Long Hui asked.

Yu Qi was stunned. In his hug, she could feel the heartbeat. It was beating so fast. Yu Qi became worried.

"Calm down. I am okay." Yu Qi said.

"You went missing. I called you over and over but no answer. I went to your hospital to ask about you. But they said you did not come to work today. Your family also did not know where you are. How can I not worry?" Long Hui said trembling

A sudden disappearance. He imagined a lot of things. Did she had an accident? Had she been kidnapped by someone? He even imagined the worst.

Yu Qi could hear the horrified tone in Long Hui's tone.

"I am fine... I am sorry for not contacting you earlier." Yu Qi said. She really felt guilty about this.

"Since he is here, I will leave first. You both also should leave this place. It is not a safe place at night." Qin Xia said that and left the couple.

"Let's enter the car first." Yu Qi said. "Can you drive?"

"I can." Long Hui stated.

"Okay." Yu Qi did not want to argue even though she knew that he was not in the best state to drive.

After entering the car, Yu Qi did not allow him to drive yet. She wanted Long Hui to calm down first.

"Where had you been?" Long Hui asked.

"I went to the cultivation world with Senior Brother Xia." Yu Qi told him.

"For what?" Long Hui wanted to know the reason.

"Well, today is my master's death anniversary." Yu Qi's voice became hoarse. "Because of that, I forgot to call you to let you know. I am sorry."

1532 Chapter 1532

Long Hui still did not let Yu Qi go. It was the first time that Yu Qi did not answer his call. That was why he was panicking.

"How did you know I was here?" Yu Qi asked.

"Since I can not find you everywhere, I went to Miracle Space, taking your pet out. He can sense you. He told me that the last smell that he sensed was here. So, we came here." Long Hui explained.

"Master," Aoi called Yu Qi.

Yu Qi knew which pet Long Hui referred to. She did not mean to make this as a big deal.

"I am really sorry for causing problems for you guys." Yu Qi apologized again.

"Let's go back first. We can talk about this later." Long Hui stated.

So, they left the mountain. Long Hui was driving. Yu Qi took a look at her phone. Her phone was full of missing calls from Long Hui and her family.

Because Long Hui could not reach Yu Qi, he immediately asked the Tang Family about Yu Qi's whereabouts. So, the Tang Family also knew that she went missing.

She made the decision to call Grandpa Tang. The call was answered in an instant.

"Yu Qi!"

Yu Qi could sense the worried tone from Grandpa Tang.

"Grandpa." Yu Qi answered.

"It is really you, Yu Qi?" Grandpa Tang was so happy to hear his granddaughter's voice.

"Yeah. I am sorry for making you worry." Yu Qi was feeling guilty that she made Grandpa Tang so worried about her.

"That brat told me that he could not reach you. Where did you go?" Grandpa Tang asked.

"I went to the mountain. That is why your call could not reach me." Yu Qi made a lie.

"Why did you go to the mountain?" Grandpa Tang asked again.

"Well, I heard that a rare herb was found on the mountain. So, I get to see it." Yu Qi made a second lie.

"What herbs make you crazy as far as going alone in the mountain?" Grandpa Tang became interested.

"Well, I will tell you later about that. For now, please tell others that I am safe and sound. I will not come back home tonight." Yu Qi said.

"Huh? Then where do you want to go?" Grandpa Tang asked even though he already knew the answer.

"Brother Hui's house." Yu Qi was honest.

"That brat!!!!" Grandpa Tang shouted.

Yu Qi quickly ended the call.

"Good." Long Hui suddenly said that.

"Huh? Good what?" Yu Qi could not understand.

"Understand that you will not go home tonight." Long Hui glanced sideways at Yu Qi.

Yu Qi gulped. She hoped she could survive tomorrow.

....

Even though Chi Yuan stayed in jail only for two days, she looked like she already stayed there for years. She lost several kilograms because she did not want to eat food prepared by the jail. She just drank some water.

She sat at the corner of the cell. There were already two other people inside. One was an old woman and the other one was a middle aged woman.

The first time Chi Yuan entered the jail, there was another woman but she already went out. Chi Yuan did not want to speak with them as they were having a lower status compared to her.

She believed that she would not be staying here for a long time. She would go out later. She just needed to wait. Her uncle would not let her stay in jail like this. She was his only blood-related relative. She closed her eyes.

"Hey!"

"Hey!"

Chi Yuan heard it. She did not know that the middle aged woman was calling for her. Then, she felt that someone kicked her leg. It hurt.

"Why are you kicking me like this? That hurts!" Chi Yuan gritted her teeth.

"I just want to ask you. What have you done for you ending here?" The middle aged woman asked.

The old woman did not get involved but she also put her ears to listen to the conversation.

"It is just a misunderstanding. I did not do anything wrong. I will go home soon." Chi Yuan said.

The middle aged woman and the old woman just smiled.

"I really wonder what did you do. I can see that you are from a proper family." The middle aged woman stated. She looked up and down at Chi Yuan. "Since you are rich, you must be involved in drugs. Are you a drug addict?"

"Of course not!" Chi Yuan shouted angrily.

"Since it is not the case, then you are involved in prostitution?" The middle aged woman guessed another one. It was not impossible since Chi Yuan looked beautiful.

"No! I am not. Stop talking to me!" Chi Yuan still shouted angrily.

"Stop shouting!" The guard came over and reprimanded Chi Yuan.

Chi Yuan felt aggrieved when the guard reprimanded her. It was not her fault. This middle aged woman came to her and talked nonsense about the reason she was there.

She hid her head as she hugged her knees and cried. She felt very miserable right now.

The middle aged woman still wanted to continue the conversation with Chi Yuan even though she was already like that.

"As you say, we are going out later. This is my sixth time coming here. I stole some food from a stall." The middle aged woman sighed. "So, you don't need to worry much."

1533 Chapter 1533

Chi Yuan did not reply anything to the middle aged woman. She cried again. However, it seemed that the middle aged woman still wanted to know what crime Chi Yuan committed.

"So, tell me why are you here?" The middle aged woman pushed Chi Yuan's body using her legs.

"Shut up! Shut up!" Chi Yuan shouted.

It was a loud shout. The middle aged woman and the old woman were shocked hearing the loud. Even the policemen on duty were surprised by the shout.

They went to Chi Yuan's cell.

"What's happening?" The police officer asked.

"This young girl is crazy." The middle aged woman pointed to Chi Yuan.

"I am crazy? Why do you keep talking to me? I don't want to talk to you. You keep asking what crime I committed over and over again. What? Do you want to compare my crime with your crime? Are you proud of yourself for coming here over and over? Are you stupid?" Chi Yuan made a series of questions to the middle aged woman.

The middle aged woman was flabbergasted by this young woman.

"I... I... I just... want... to... know..." The middle aged woman stuttered with her words.

"Just leave me alone. I don't want to talk with you, peasant." Chi Yuan glared at the middle aged woman.

Because of Chi Yuan's high momentum, the middle aged woman could not reply to Chi Yuan.

Chi Yuan turned to the police officers.

"I want to change to another place. I can't stay here. I don't want to be with this peasant." Chi Yuan demanded.

"Miss Chi, this is not a hotel. And we are not your servants. We are not going to follow your order." The police officers lost interest here. They immediately left and returned to their previous spot.

"Hey, don't leave me." Chi Yuan shouted again.

The middle aged woman snapped out. She did not know why she was afraid of this young woman earlier. She should be the one that this young woman feared.

"Hey, you! How dare you talk rudely to me earlier? Didn't you learn how to respect the elderly? Since you have no one to teach you, I will gladly teach you." The middle aged woman said.

With that, she approached Chi Yuan and wanted to grab Chi Yuan's hair. She was a little bit jealous of the hair owned by Chi Yuan.

Chi Yuan noticed what the middle aged woman tried to her. She avoided and kicked the middle aged woman. Since the room was a little bit small, the middle aged woman bumped her back to the wall.

"Ouch!" The middle aged woman could not help to moan out. "You bitch."

"Humph!" Chi Yuan rolled her eyes.

Even though she liked to show the world that she was a delicate flower that needed their protection, she still went to Taekwondo class and managed to get the highest achievement in Taekwondo which was the black belt.

"Help!!! -Help! Someone wants to kill me." This time, the middle aged woman shouted.

The police officers came over again.

"What's it this time?" The police officer sighed.

"She... She... Wants to kill me. Please help me." The middle aged woman stated while she pointed at Chi Yuan.

The police officers were rolling their eyes. Another idiot. However, this stupid woman kept shouting louder.

Chi Yuan closed her eyes while her hands closed her ears.

"Stop shouting. I will try to ask my superior about that." The police officers stated.

"Why do you need to tell your superior when she asks and ignore me when I ask you?" Chi Yuan asked.

The police officers could not answer the question, they did not know what to answer, so they left again.

The middle aged woman did not talk and provoke Chi Yuan anymore. She already became afraid of Chi Yuan at the moment.

Another police officer came.

"Koh Pang Cu, your son is here to pick you up." The police officer stated.

Koh Pang Cu was the name of the middle aged woman.

"That's me." The middle aged woman quickly approached the police officer.

"Then, come and follow me." The police officers said.

"Great... great... Can you hurry up?" The middle aged woman asked.

The police officer came to the cell and the middle aged woman came out. She was glad to leave. It was great that her son came and picked her up tonight. Otherwise, she did not know how to sleep tonight.

Her son was waiting for her at the front desk. After her son finished handling the papers, they were allowed to leave. The middle aged woman immediately told her son about Chi Yuan. She was very angry when the young woman called her a peasant.

Her son did not pay much attention to his mother's story because it was not related to them. He still had a lot to think about rather than thinking about the young woman who had been arrested.

The cell became silent when the middle aged woman left. Chi Yuan was left with the old woman. The old woman did not try to speak with her. It was what she wanted.

She still thought about how many days she would stay in this cell. Her uncle should be sending someone here later. She knew that her uncle loved her and would not leave her to stay here for a long time.

She leaned over to the wall, hugging her knees and cried again. This time, no one disturbed her.

1534 Chapter 1534

Li Cui had been brought back from Chi Guang Wei from the police station. Chi Guang Wei was driving by himself. He let go of his driver because he already could not afford to pay the driver's salary.

"Husband, we can not leave Yuan-er like that. You must save her. I am really worried about her. How can she live there? Can she sleep in a place like that? They could starve her." Li Cui thought of the worst possible things happening to her niece.

Chi Guang Wei did not reply to anything. Of course, he also wanted to save her. But right now, he could not do anything. He still had a lot of things to think about, especially the company. Yue Cooperation still wanted to acquire his company.

He already went to Yue Cooperation and asked for a second meeting with Qin Xia but Qin Xia refused. He wanted to ask about the precious woman that Qin Xia mentioned before. If he got the information, he could handle it by himself. He would go and meet the woman and apologise to the woman on Chi Yuan's behalf.

Right now, he could not get any information. He hired someone to check the woman's identity but he got nothing. It was a waste of money. The date of the acquisition was getting closer and closer. Now, Chi Yuan got arrested for a murder case. His hands were tied.

"Dear, are you listening to me?" Li Cui called her husband several times.

Because of the tiredness, Chi Guang Wei sighed. "What?"

"Did you listen to me?" Li Cui asked.

"What?" Chi Guang Wei was fed up with his wife.

"I am thinking of going to the Wei family tomorrow. I want to ask Old Madam Wei to help Yuan-er. She really loves and treats Yuan-er as her granddaughter. She must have a solution for this." Li Cui stated.

Hearing the Wei family's name, Chi Guang Wei remembered it. Yeah. His family had a close relationship with the Wei family because of Chi Yuan. That was right. Wei family might be able to help with his situation right now.

"Great! Great! We will go there tomorrow." Chi Guang Wei agreed with the solution.

Because of someone's money, Chi Yuan's news did not stop right there. This time, another topic appeared —the bully topic.

Someone shared her story on social media about her getting bullied by Chi Yuan. The victim, A, when she was in junior high school was getting bullied by Chi Yuan. She was from a poor family. However, she was pretty and smart. She was accepted by the high school after studying so hard. She was so happy at that moment.

She did not know that what was waiting for her at the high school was a disaster. She caught someone's attention. Well, a boy. That boy was interested in her. Of course, she was also interested in the boy.

The boy got her number and they started chatting with each other. The boy kept giving a hint that he wanted to be her boyfriend. Of course, she did not agree on the spot since she thought about her studies. She was afraid that it would be affecting her results.

However, she did not know that the boy already had a girlfriend or let's say, a fiancée arranged by their families. The fiancée found out about the boy's interest in A. Of course, the fiancée became angry.

The fiancée was a friend of Chi Yuan. The fiancée was a little bit timid. So, Chi Yuan took charge of the matter. She began to ask someone to write something horrible on A's desk, put something disgusting on A's chair, and isolated A from her friends. She was even being accused of theft when some amount of money had been missing from a classmate's wallet because she was from a poor family.

Of course, A did not admit to doing that. But everyone already thought that she was the one who stole the money. She got depressed. She tried to talk with the boy. But now the boy seemed to be putting distance between them. She got even more depressed. Until her grade fell and failed to maintain the minimum level needed in order to study at that high school.

Eventually, she needed to transfer to another school. Of course, when she transferred from the school, she did not know why she was getting bullied.

Until now, a former friend from that high school reached out for A. The former friend apologized to A and she told A about everything that she knew. The reason why A got bullied and was isolated by everyone and who the culprit was. Surprisingly, this former friend was the fiancée.

At first, she was indeed angry at A and was happy seeing A getting bullied at some point. After that, she thought deeply about that. It was not A's fault. It was the boy's fault. She knew it because that boy was a playboy. Seeing that A was pretty, he wanted to try his luck.

She wanted everyone to stop bullying A but no one listened to her. She tried to talk with Chi Yuan. But Chi Yuan thought it was funny and did not want to stop it. She wanted to apologize to A but Chi Yuan told her that if she went to apologize, she would become the next target. That was why she was silent until now.

But now that Chi Yuan already fell from heaven to hell. She got the courage to reach out to A and told A everything.

1535 Chapter 1535

The revelation of the story exploded on the internet. Chi Yuan became more and more unpopular these days. If she was someone from the entertainment industry, I was pretty sure that she would win the most unpopular artist award.

Chi Guang Wei and Li Cui did not read the news. They already decided to ask for the Wei Family's help. After breakfast, they arrived at the Wei Family.

They were stopped and questioned by the security guard. They told the security guard that they came here to meet with Old Madam Wei.

The security guard called the Wei Family for confirmation. The maid answered the call. Coincidentally, Grandma Wei was there beside the maid and was about to walk past the maid.

The maid quickly asked Grandma Wei about that. Hearing that the Chi family was coming to see her, she nodded and asked the maid to let the security guard know that she had been waiting for them.

The maid immediately told the security guard. The security guard allowed the couple to enter. Then Chi Guang Wei and Li Cui arrived at the Wei House.

Grandma Wei was happy to see Li Cui and Chi Guang Wei. She thought Chi Yuan was coming too but when she looked left and right, she could not see Chi Yuan around.

"Where is Yuan-er?" Grandma Wei asked.

Li Cui's face changed a lot. Grandma Wei noticed it.

"Let's go in first." Grandma Wei caught the mood.

Grandma Wei asked someone to serve the guests with a drink. They all sat.

"Where is Yuan-er?" Grandma Wei asked.

"Auntie Wei, you must help Yuan-er." Li Cui did not turn around the bush.

"What? What happened to Yuan-er?" Grandma Wei inquired.

"Yuan-er had been arrested by the police for a murder case." Li Cui told Grandma Wei.

"What? Murder? Impossible. Yuan-er would never do something like that. She is the kindest person that I have met." Grandma Wei denied it.

Feng Ni Lan was stepping into the living room when Li Cui told Grandma Wei that Chi Yuan had been arrested for something like murder. She was very shocked.

"Auntie Wei, only you can help Yuan-er right now. Please help Yuan-er." Li Cui begged. "With Zichen's help, Yuan-er will be released."

"You come here begging to help your niece I read the news. The police have concrete evidence about your niece." Feng Ni Lan stated.

The three of them turned around and saw Ni Lan.

"You want to use my husband to get your niece out. Do you know if my husband gets involved in this case, he might get reprimanded by his superior? And in the worst case, he might lose his job." Feng Ni Lan stated.

Chi Guang Wei and Li Cui knew that. But it was for their niece's sake.

"You just say 'if'. Nothing will happen to your husband." Li Cui replied.

"How do you know about that?" Feng Ni Lan asked.

Li Cui was silent. Of course, she did not know about that.

"Ni Lan, what is your attitude toward our guests?" Grandma Wei asked Feng Ni Lan.

"Mother, don't ask Zichen about this." Feng Ni Lan stated.

"He will just help Yuan-er a little bit. It will not affect his career." Grandma Wei said.

"Mother!" Feng Ni Lan gritted her teeth.

"Mom, they have other guests." Wei Ding Ye said.

Apparently, Wei Ding Ye came to the Wei House to see her mother, Gu Muxue. They were talking in the garden. They heard Feng Ni Lan's shout. So, they came to see.

"Oh, it is Mr Chi and Mrs Chi." Wei Ding Ye glanced over at Chi Couple. Then she smirked. "You still have time to come and meet people. You should think about how to get Chi Yuan out of jail. Don't tell me you came here to ask for the Wei family's help."

"Muxue, watch your daughter." Grandma Wei said.

"Chi Yuan is a murderer. Not only that, but she was also a bully. What a worse human being." Wei Ding Ye kept taunting.

"My niece is not someone like that. She is kind and nice to everyone." Li Cui snapped to Wei Ding Ye.

Wei Ding Ye suddenly laughed. "Yeah... Kind and nice... Someone already calls her out on this bullying topic. Oh, you must not have read it yet. You can read it. It is explosive news."

Grandma Wei and the Chi couple took out their phones and searched for Chi Yuan's news. That was right. There was another news about Chi Yuan regarding the bullying topic.

Grandma Wei frowned as she read the news. She did not believe that her Yuan-er was someone like that. There was no way that her Yuan-er was like that.

"This news is a lie. A made up story." Grandma Wei snorted.

"Yeah. A lie." Li Cui supported Grandma Wei.

"I am really curious about your relationship with Chi Yuan, Old Madam Wei." Wei Ding Ye narrowed her eyes. "You seems to love Chi Yuan more than your own grandchildren."

"Of course, I love her. She is like my own granddaughter. She treats me very well. You, on another hand, are not so lovely."

"Okay... okay... Don't involve me. I don't care about your love." Wei Ding Ye waved her hand.

Wei Ding Ye already detected something unusual about Grandma Wei and Chi Yuan.

"Anyway, call my son, Ni Lan. Hurry up. Listen to my order." Grandma Wei ordered Feng Ni Lan.

1536 Chapter 1536

"Why are you shouting like this?" Grandpa Wei appeared.

Grandpa Wei came out from his study room and heard the commotion. He was surprised to see the outsiders too. After taking a closer look, he recognized them. It was that relative of Chi Yuan.

Grandpa Wei turned to Feng Ni Lan and asked his daughter-in-law about this. "Ni Lan, what is going on here?"

"Mother wants me to call Zichen home. She wants him to get Miss Chi out of jail." Feng Ni Lan answered her father-in-law.

"Jail? What has she done this time?" Grandpa Wei did not know about the news.

"Miss Chi is involved in a murder case. She is a prime suspect." Feng Ni Lan stated.

"What? Murder?" Grandpa Wei was shocked.

"In case, Grandpa does not know, the murder case is from 10 years ago." Wei Ding Ye added.

Gu Muxue pulled Wei Ding Ye, stopping her from talking any more than this.

Grandpa Wei became more shocked. 10 years ago? That meant Chi Yuan was still young at that time.

"It is a misunderstanding. My niece is innocent." Li Cui interrupted.

"The other side already has evidence that can prove that your niece is the culprit." Wei Ding Ye voiced it out again.

"The evidence is false. They faked it." Li Cui argued back.

"Yeah... yeah... Whatever...." Wei Ding Ye rolled her eyes.

"Shut up. This is not your place to talk." Grandma Wei scolded Wei Ding Ye.

"Our family is not getting involved in this case." Grandpa Wei let out the verdict.

"Please, Old Master Wei, help us." Li Cui begged Grandpa Wei.

"Husband, please help Yuan-er. She must be afraid inside the jail. All alone." Grandma Wei also begged Grandpa Wei.

"I told you. No. Zichen will not get involved in this mess. And you, Zhu Mei, I already tell you not to get involved with that girl. Why are you not listening to me? Are my words nothing to you?" Grandpa Wei glared sharply at Grandma Wei.

Grandma Wei shrank. She did not expect that her husband would sound her out like this in front of the guests, her daughters-in-law and her granddaughter.

"Someone, send the guests out." Grandpa Wei shouted.

The butler came and asked Li Cui and Chi Guang Wei out. However, Li Cui still did not want to give up and she begged for the last one.

"Old Master Wei, I am begging you. Please help our Yuan-er." Li Cui kneeled down.

Send the guests out." Grandpa Wei said again. "If you don't want to get out on your own, I will ask someone to help you."

Grandpa Wei threatened Li Cui and Chi Guang Wei. If they dare not leave his house, he would ask someone to drag them out by force. They could choose. Either way, they would get out eventually.

Chi Guang Wei was afraid of losing face. He pulled his wife and left Wei House immediately.

Wei Ding Ye could not help but laugh.

"Why are you laughing? Shut up, will you?" Grandma Wei vented her anger toward Wei Ding Ye.

"What? I can't laugh?" Wei Ding Ye snorted.

"You!!! Why are you, my granddaughter? Unfilial!!!" Grandma Wei shouted.

"You should be glad that I am your granddaughter. Not that murderer. Erk, it is scary." Wei Ding Ye acted like she was trembling.

"You!!!" Grandma Wei pointed her finger at Wei Ding Ye.

"Ding Ye, enough. Mother, I am sorry for Ding Ye's behaviour." Gu Muxue apologized to Wei Ding Ye.

"Humph! I wonder how you teach your daughter." Grandma Wei moved her target to Gu Muxue.

"Well, at least, I am not a murderer." Wei Ding Ye replied.

Gu Muxue turned to Wei Ding Ye and gave a sharp glare to Wei Ding Ye.

"Mother, we will leave first." Gu Muxue quickly pulled her daughter leaving the place.

"Zhu Mei, once again, if you get involved with the Chi Family, you will need to consider the consequences." Grandpa Wei gave a warning to his wife.

With that, Grandpa Wei left. Feng Ni Lan did not say anything and also left.

Grandma Wei was feeling horrible when she remembered Chi Yuan. That child was suffering right now. And she could not help that child.

Grandpa Wei entered his study room again. This time, he called someone.

"Yes, Elder Wei? What can I help you with?" The person on the other side answered Grandpa Wei's call.

"I want you to investigate someone." Grandpa Wei stated.

"Who?" The person asked.

"My wife and the girl from the Chi Family."

The person was stunned. He could not help to think that he might have heard wrongly. He asked Grandpa Wei again. "Excuse me, who?"

"My wife and Chi Yuan." Grandpa Wei said the two names again.

"Okay... I will try." The person agreed to take the job.

Grandpa Wei stared at the door for nothing. He hoped the investigation could tell him why his wife was so obsessed with Chi Yuan.

Chi Yuan was an outstanding person. But she was nothing in front of him. To be honest, his future granddaughter-in-law was better compared to Chi Yuan.

Gu Muxue sighed. She did not expect to see drama today. And her daughter also wanted to get involved.

"Ding Ye, remember to apologise to your Grandma later." Gu Muxue said to her daughter.

"Why should I? She never thought of me as her granddaughter." Wei Ding Ye retorted back.

1537 Chapter 1537

It was the day when Yu Qi received the secret patient. He was placed in the VVIP ward. The whole floor had to be emptied for secrecy. Luckily no one on the floor needed to be removed.

Mong Jinan was unconscious when they transferred him to another bed. Yu Qi took a look at him. There was another doctor that was assigned to the patient along with four nurses.

The doctor was Professor Song Shan and the nurses were Lin Ruolan, Liang Xiurong, Zhu Meixiu and He Ling. They had been in the industry for almost 10 to 15 years. Only Yu Qi had the least experience.

"Professor Song, what do you think about this patient?" Yu Qi asked for Professor Song Shan's opinion.

"I read his report before. His condition is indeed serious. I think he has been used as a test subject."
Professor Song Shan told Yu Qi what he thought.

Yu Qi was not surprised by what Professor Song Shan told her. She also thought the same when she read the report.

"I also think the same." Yu Qi nodded.

"Let's start working, shall we?" Professor Song Shan stated.

"Yes." Yu Qi nodded.

Mong Jinan opened his eyes and saw a pair of mesmerizing eyes in front of him. The eyes did not look at him straight but stared blankly at nothing while she touched his wrist.

Yu Qi took Mong Jinan's pulse. After a while, she let go of the wrist. Then she noticed someone staring at her. She lifted her head and saw Mong Jinan looking at her.

"Hello, Elder Mong. I am Doctor Tang Yu Qi." Yu Qi introduced herself.

Mong Jinan did not say anything. So, she was a doctor. He was disappointed. She was probably the same as others. He ignored Yu Qi and closed his eyes back.

Yu Qi, on the other hand, did not think much about Mong Jinan's behaviour. She wrote what she got from pulse reading earlier into her tablet.

"Sister Ruolan, it seems Elder Mong is already conscious, give him some meal. Something light not too heavy." Yu Qi asked Lin Ruolan.

"Yes, Doctor Yu Qi." Lin Ruolan stopped doing her work and left the ward.

"Can you just kill me?" Mong Jinan opened his eyes and stared at Yu Qi.

"Why?" Yu Qi asked.

"I am already like this." Mong Jinan already gave up hope of continuing to live.

"Since you are still alive, you can't give up hope. Maybe there is a better life in the future." Yu Qi said.

She knew the feeling. The feeling of dying.

"Elder Mong, I will leave first. I will be back." Yu Qi felt her emotion was not stable. She needed to calm down first.

....

Chi Yuan had been brought under the plagiarism case first. About 10 people sued her for stealing their designs and using them.

Because of the overwhelming evidence from the victims, the court judged Chi Yuan for it. She needed to pay compensation of about 50 million to the victims.

As a heiress of a big company, of course, she had a private account. She was forced to pay the compensation using the money in that account.

Two days later, Chi Yuan returned to the court again. This time, it was for the murder case. She was accompanied by two lawyers hired by her uncle.

Because of her explosive news, no one was willing to come forward and be her defender lawyer. Chi Guang Wei was forced to pay a lot to get the lawyers.

Jia Huan Bao's elder brother sat with a lawyer at the plaintiff's table. The lawyer had been provided by Yue Cooperation. The Jia family was grateful to Yue Cooperation.

This lawyer's name was Gong Zemin. He had been in the industry for more than 10 years. He had quite a good reputation and had been winning a lot of cases.

He had been approached by someone from Yue Cooperation to handle this case. He was seriously curious about the reason why Yue's Cooperation wanted to interfere with this case.

He was brave enough to ask the person who approached him about that. And the answer shocked him. Chi Yuan wanted to harm their young miss. So, to protect their young miss, the owner took action to investigate Chi Yuan and found this loophole.

Gong Zemin knew the owner of Yue Cooperation, Qin Xia. He managed to see Qin Xia once at the meeting. He did not know that Qin Xia had a younger sister. As far as he knew, Qin Xia was the most mysterious man that he ever met.

Jia Huan Bao's parents were sitting in the audience. When Chi Yuan entered the room, Jia Huan Bao's mother gritted her teeth holding her anger toward Chi Yuan. If Chi Yuan did not kill her daughter back then, her daughter would still be alive.

Jia Huan Bao's father noticed that and held his wife's hand. He looked at her and nodded. She understood that and managed to calm down.

She believed that justice would never fail her daughter. Her daughter would get her justice today.

The court started. Gong Zemin attacked straightforwardly. He did not hesitate at all. Of course, the lawyer from Chi Yuan's side argued back. But it was not convincing and it was a very weak defence.

Chi Yuan gritted her teeth when she saw her lawyers' performance.

1538 Chapter 1538

The witness was the men who Chi Yuan hired to rape and kill Jia Huan Bao back then. There were three of them. Min Liang managed to trace them and made a deal with them.

If they agreed to make a testimony against Chi Yuan, then Min Liang would not make things difficult for them and their families. Yue Cooperation would help them get a lesser punishment for their crime.

All of them were younger back then. Because of the small amount of money, they were willing to commit the crime. But now, they all already had their family, wife and children to support. Because of that, they agreed to go against Chi Yuan.

When the three of them had been entering the court, Chi Yuan glared at them like she wanted to kill them. They already agreed with her that they would keep the secret to their death. But now what?

The three men answered the same thing when the lawyers asked them about the incident. Even though it happened a long time ago, they still remembered the detail.

The court took a break for 10 minutes.

"Can you try harder than this?" Chi Yuan whispered to her lawyers.

"Miss Chi, you can not blame me for this. We are working hard to counterattack the evidence that they have against you. But every piece of the evidence that they have are pretty solid." One of the lawyers replied.

They were not lying though. The evidences that the plaintiff had were very solid. Gong Zemin was very good at his work.

The judge announced the verdict. Chi Yuan had been given a life sentence without parole. So, Chi Yuan would die in prison. She could not get out no matter what.

Gong Zemin was smiling. It was the result that Yue Cooperation told him to get. They wanted Chi Yuan to feel worse. Dieing was easy and simple. But to be alive and to live in the worst condition was the worst for an arrogant woman like Chi Yuan.

When Chi Yuan heard the verdict, she dropped to her knees and did not believe her ear. Life imprisonment. No... no... This could not be happening.

"No... You can not send me to jail like this. I am innocent." Chi Yuan shouted.

Li Cui also cried when she heard the verdict. She wanted the judge to change the verdict but Chi Guang Wei stopped her and gave a stern stare.

Jia Huan Bao's family hugged each other. Mother Jia cried silently. Justice was rendered.

They would be able to collect Jia Huan Bao's remains from the police station soon. Police officers were able to find Jin Huan Bao's remains after the man gave the exact location.

The Jia Family went to the police station to recognize the remain. Jia Huan Bao's brother recognized the remains as his sister once he saw her. Why? Because she was wearing jewellery that he designed himself. It was a horrible design but his sister wore it as it was an expensive one.

the Jia family wanted to take the remains but the police officers told them that the remains needed to be here for a while. After the case was settled, the police officers told them that they could take the remains back.

They had been waiting for this moment to take back Jia Huan Bao's remains and bury her in a nice place. So, they did not want to stay at the court any longer. They wanted to rush to the police station to take Jia Huan Bao home.

When they were about to get out of the court, Li Cui stopped the family.

"You must be feeling happy sending my niece to prison." Li Cui glared at the Jia family.

Jia Huan Bao's brother stepped forward and protected his parents.

"It is nothing to be happy about." Jia Huan Bao's brother stated.

"Stop lying. You must be happy but remember that bitch already died." Li Cui mocked them.

Mrs Jia took a deep breath. She looked straight at Li Cui. "Yes, my daughter is already dead but now she might be in a better place. Unlike your niece. She will be staying in prison for the rest of her life. It is indeed satisfying." Mrs Jia mocked Li Cui back.

Listening to Mrs Jia's work, Li Cui became angry. She wanted to hit Mrs Jia. Mr Jia pulled Mrs Jia protecting Mrs Jia from getting hit.

"Mr Chi, please take care of your wife. Don't let her run in a rampage." Gong Zemin reminded Chi Guang Wei who just finished talking to the lawyer.

Chi Guang Wei frowned as he looked at his wife. His wife was about to hit the judge. 'Is she stupid or what?' Chi Guang Wei went to pull his wife too.

"Calm down. Stop doing something stupid like this." Chi Guang Wei warned Li Cui.

Li Cui was scared of Chi Guang Wei these days and immediately cooled off. However, she still gave a sharp glare to the Jia family.

"I am sorry for my wife's behaviour." Chi Guang Wei apologized to the Jia family.

Mr Jia just nodded and brought his family out. Their family still had something important to do rather than wasting time here.

They arrived at the police station. A police officer was already waiting for them. After completing and signing several documents, the family finally was able to bring Jia Huan Bao home.

1539 Chapter 1539

"She finally got her punishment. After this, she will not come out and harm others." Liang Xiurong stated.

"What are you talking about, Xiurong?" Zhu Meixiu asked.

"Do you remember Chi Yuan who got sued by Doctor Yu Qi?" Liang Xiurong asked back.

"Chi Yuan... Chi Yuan... Oh, her? What about her? Did something happen?" Zhu Meixiu remembered Chi Yuan.

"She got caught for murdering someone. And now she got her punishment. She will be in prison for the rest of her life." Liang Xiurong showed the news to Zhu Meixiu.

"Wow, I never thought that she would do something like that." Zhu Meixiu was surprised.

"Yeah. She killed the victim just because she was beautiful and talented. How scary." Liang Xiurong felt scared of someone like that.

"I know this woman because she wanted to ruin Doctor Yu Qi's reputation once. Luckily she did not do something horrible as this to Doctor Yu Qi." Zhu Meixiu said.

"Do you think it is easy to harm Doctor Yu Qi? Doctor Yu Qi is a very cautious person. She even knows self-defence skills." Liang Xiurong felt proud as she bragged about Yu Qi as if she was her daughter.

"Hmm? What are you talking about? Are you gossiping about me?" Yu Qi heard both of them saying her name.

"Oh, Doctor Yu Qi. Well, we are talking about you." Liang Xiurong grinned.

"Come... Come... Join us, Doctor Yu Qi." Zhu Meixiu invited Yu Qi to sit and come with them.

Yu Qi put the food tray and sat beside Zhu Meixiu.

"Doctor Yu Qi, we are talking about Chi Yuan. Do you remember her? The woman who wanted to ruin your reputation once back then?" Liang Xiurong began to gossip.

"Oh, her... Yeah. I remember her. What's about her?" Yu Qi started to eat.

"She was involved in a murder case and now facing a life sentence. She will not be able to get out for the rest of her life." Liang Xiurong told Yu Qi about the news.

"Oh, that is unfortunate." Yu Qi said. "But it must be a relief to the victim's family." Yu Qi expected this much would happen to Chi Yuan.

"Yeah. I heard the victim was missing 10 years ago. The family still did not give up on finding her up until now. They finally have some closure." Liang Xiurong also felt relief for the family.

"Yeah. They finally found their daughter who had been missing for 10 years." Zhu Meixiu nodded.

Yu Qi smiled. This life imprisonment would be the worst punishment for a proud person like Chi Yuan. Sometimes death was not a good punishment for some people. Living in the worst condition was already the worst for them.

....

Jia Huan Bao had finally been buried at Heisin Mountain. The Jia family asked a monk where the suitable place to bury Jia Huan Bao was. The monk suggested Heisin Mountain.

Jia's family quickly bought a spot for Jia Huan Bao. All of the Jia family's relatives came and joined the funeral. They comforted the Jia Family. They knew how the Jia Family suffered because of Jia Huan Bao's disappearance.

παῖδα- ἡθνε |·cθm After the funeral, the Jia Family decided to go and thank the owner of Yue Cooperation for helping them find their daughter.

"Is it okay to go and meet him like this?" Jia Huan Bao's brother asked.

"If we can't meet him, it is okay. He is a busy person after all." Mr Jia said.

So, they went to Yue Cooperation. They were a little bit nervous when seeing a big building in front of them. They stepped into the building.

Jia Huan Bao's brother went to the front desk. Before he managed to ask the receptionist, someone greeted him.

"What are you doing here, Zou Shen?" A person asked Jia Zou Shen.

"Zeng Huiliang... You too, what are you doing here?" Jia Zou Shen asked.

"Of course, I am working here." Zeng Huiliang said proudly.

"Oh, I want to see the owner." Jia Zou Shen stated.

"What? You want to see the big boss?" Zeng Huiliang laughed. "Do you think random people can meet him?"

Jia Zou Shen ignored Zeng Huiliang and turned back to the receptionist.

"Miss, can I meet the owner?" Jia Zou Shen asked.

"Do you have an appointment?" The receptionist asked Jia Zou Shen back.

"No... But can you please ask him if he can meet us? Tell him it is Jia Family." Jia Zou Shen said.

"Zou Shen, don't embarrass yourself here. Just go back. Our big boss will not meet with Tom and Jerry." Zheng Huiliang snorted.

"Please, Miss." Jia Zou Shen ignored Zheng Huiliang and only talked to the receptionist.

"Okay. I will try to contact Mr Min." The receptionist nodded.

"Why are you still here?" Jia Zou Shen asked when he still saw Zheng Huiliang.

"Do you think our big boss wants to meet you? Stop dreaming, will you?" Zheng Huiliang still wanted to humiliate Jia Zou Shen.

Cheng Huiliang hated Jia Zou Shen because he believed that his ex-girlfriend dumped him due to Jia Zou Shen. In reality, it was nothing like that. His ex-girlfriend wanted to dump him because of his character.

"Mr Jia, someone will take you up later. Please wait for a moment." The receptionist said.

"What? There is no way the big boss will see him." Zheng Huiliang could not believe his ears.

"Mr Zheng, is it? Do I need to report to your superior that you are not at your table doing your work right now?" The receptionist asked while smiling.

Hearing this, Zheng Huiliang left the place.

1540 Chapter 1540

Someone came and brought the Jia family up. They had been brought to a room. The person told them to wait. She even served some drinks to the Jia family.

"Wow, even this room looks good." Mrs Jia stated.

After a while of waiting, the door was opened. A man gave way to another man behind him to enter the room.

The Jia family could see that the man who walked into the room was the big shot in this company. He was the one who helped them find Jia Huan Bao.

They automatically stood up.

"Just sit." Qin Xia stated.

They did not dare to sit. Only after Qin Xia sat down, they sat down.

"I heard you wanted to see me. Why do you want to see me?" Qin Xia asked.

"I want to thank you personally for helping us find our daughter. If not for your help, we still would not know what happened to our daughter." Mr Jia said.

"It is nothing. I am not helping you but myself." Qin Xia said.

"What do you mean by that?" Jia Zou Shen could not help to ask.

"My man probably told you that Chi Yuan planned to harm someone from my side." Qin Xia stated.

"Yeah." Jia Zou Shen nodded.

On that day, the man who came to them told them it was because Chi Yuan wanted to harm their young miss.

"Since Chi Yuan is still just planning, we can not touch her. If that is the case, I used another approach. While investigating Chi Yuan, I found out about your daughter. I just used your daughter's case to teach Chi Yuan some lessons. That's all." Qin Xia just told them the truth.

"No matter what, you just helped us." Mr Jia was very grateful to Qin Xia.

"That's right." Jia Zou Shen nodded agreeing with his father's statement.

"So, sir, this is my family's heirloom. I would like to give it to you." Mr Jia put a small box on the table.

Qin Xia narrowed his eyes. When Mr Jia opened the box, Qin Xia looked inside the box. He could see a high-quality jade inside it.

The jade surprisingly had a spiritual power inside it. No wonder, when he entered the room, he could feel the spiritual power.

This jade must exist for a long time ago since it already could accumulated spiritual power. Well, it was indeed rare. But he had no use for the jade.

"Sir, you must not be interested in low-quality jade but we still want to give it to you." Mr Jia wanted to continue but he was cut by Qin Xia.

"Who told you that this jade is a low-quality jade?" Qin Xia asked.

"Huh?" Mr Jia was surprised.

Qin Xia took the jade out and looked at it. "From this colour, I can tell you that it is Imperial jade. It is about one kilogram. It is worth around \$7,000,000." He dropped the bomb on the Jia family.

The Jia family was shocked to hear that. \$7,000,000. It was not RMB but dollars.

"Are you sure about that?" Mr Jia asked with a trembling voice.

"Of course. I have seen a lot of jade before. I can ensure you it is worth that much. If you don't believe me, you can bring the jade to evaluate." Qin Xia stated. "By the way, I am not interested in your jade."

The Jia family was still in shock. They were bringing a jade which was worth a lot of money.

"Since there is nothing else, I will get going." Qin Xia stood up.

"Wait a minute, Sir." Mr Jia stood up.

His wife and son already stood up. They stood in a line. Then they suddenly kowtowed Qin Xia three times. Min Liang was surprised to see the scene.

"We, the Jia family are very grateful to you sir. If you need the Jia family's help in the future, we will gladly help you, sir." Mr Jia declared.

"I will remember that." Qin Xia stated. "Min Liang, go and send the guest." With that Qin Xia left the room.

Min Liang smiled at the Jia family.

"Let's go home." Mr Jia said.

"Let me lead the way." Min Liang said.

"Hmm... What is our benefactor's name? I forget to ask earlier." Jia Zou Shen asked Min Liang.

παῖδαθνε| "Our boss's name is Qin Xia. You can call him Mr Qin." Min Liang told them the name.

"Mr Qin is really a good person." Mrs Jia smiled.

Min Liang did not comment on that statement. As Qin Xia stated before, he helped the Jia family because it suited his purpose.

Qin Xia wanted to do something to Chi Yuan but it was illegal to do it. So, instead of doing something illegal, he did something legal to Chi Yuan that gave the same effect.

Zheng Huiliang who currently walked through the lobby was surprised to see Jia Zou Shen again. This time, Jia Zou Shen seemed to be talking to Min Liang. He knew Min Liang. Min Liang was their big boss's right hand.

Seeing Jia Zou Shen having a nice talk with Min Liang made him afraid. He was scared that Jia Zou Shen told something to Min Liang that led him to get fired.

Jia Zou Shen noticed Zheng Huiliang. He smiled to Zheng Huiliang. Zheng Huiliang misunderstood that smile. Jia Zou Shen did not know about this leaving Yue Cooperation.
