Chapter 161: Not Friend

"We just have about two hours before the talk started. Ha Ting and I want to go the early lunch since we did not breakfast this morning. Do you want to join us?" Ding Na An asked Yu Qi.

"Well, I still full from breakfast. You can eat while I will wait for you."

Song Ha Ting still sulking. Aoi was running away from her.

"He will come back for lunch." Yu Qi said to Song Ha Ting.

'Aoi, you want lunch?' Yu Qi talked to Aoi through the telepathy.

'Lunch? Of course, I want it.' Aoi answered.

'Then, come back.'

'But is that girl together with you?'

'Yeah.'

'I don't want to meet her.'

'Then, forget your lunch.'

'No... Master, I will right there.' Aoi yelled.

That girl was not scary at all. Not getting lunch was a scary thing. 'I will just ignore the girl and running after finish lunch.' So, Aoi decided to go back to Yu Qi's group.

Yu Qi smirked to Aoi when she saw Aoi came back. Song Ha Ting's eyes lifted up.

"Aoi." She screamed. This time, Aoi just let her hugged him for the sake of food.

Ding Na An just shakes her head looking to the scene

Song Ha Ting put Aoi. "Wait here. I will get you some food." Then she went to buy food for Yu Qi.

"Feel like she is Aoi's master. Not you." Ding Na An hopeless said that.

'No... I don't want her to be my master.' Aoi screamed at Yu Qi.

Yu Qi chuckled. "Her extremely like toward the dogs scare the dogs itself."

"About the case that we were attacked by those men, did the police get something?" Ding Na An said.

"For the time being, no. I went to see Sir Li. He said those men indeed followed someone's instruction but even they did not know who was the person. The leader said they got the job from someone. And that person was a very cautious person. When that person paid him, the leader said he did not meet that person directly. That person just leaves the money at a specific location and asked the leader to take the money. So, the clue cut off there." Yu Qi explained to Ding Na An what Sir Li Jing Ming said to her another day.

Ding Na An signed. "Is that so? Well, I will forget about that." Ding Na An simply did not want to get involved with this kind of situation if she preferred. She just wanted to live a simple life.

"If your ex-father comes and wants you to be his daughter back, will you go with him?" Yu Qi threw a question and observed Ding Na An's expression.

"And fight for the inheritance with her daughter? Sorry. I have to decline. I prefer working myself for my own money." Ding Na An rejected the idea directly. "My sister also has the same thought as me. If not, she will not enter the military and become a soldier."

"Soldier? Is her name Ding Guan Ye?" Yu Qi inquiries. She suddenly remembered Ding Guan Ye who also a soldier with surname Ding.

"Oh, how do you know about that?" Ding Na An knew she never told Yu Qi her sister's name.

"I met her before. My club doing some training at the military camp. That where I met your sister." Yu Qi never thought that Ding Guan Ye was Ding Na An's older sister.

"I see. She did tell that at the beginning of mid break, some club was doing some training at her military camp. But she did not say where they came from." Ding Na An nodded.

"Well, why do Ha Ting take a long time to buy Aoi's food?" Ding Na An felt weird about that.

"Maybe she buys a lot for Aoi." Yu Qi glanced at Aoi.

'Even she buys a lot for me, I will not become her pet.' Aoi answered.

Then, they heard Song Ha Ting's voice. She had been talking to someone. They turned and saw Fung Meng Xuan and Yi Ren Shiang.

"Hai Miss Tang, Miss Ding." Fung Meng Xuan greeted them.

Yu Qi just ignored her. Only Ding Na An replied to her. "Hai."

Song Ha Ting did buy a lot of food for Aoi. When she looked at Aoi, she forgot she was talking to Fung Meng Xuan and Yi Ren Shiang. She went to Aoi and gave the food to Aoi. Aoi's eyes lifted up when he saw a lot of food in front of him. Without waiting anymore, he ate with his content. While Song Ha Ting patted his head several times.

Yi Ren Shiang felt very jealous. She also liked the puppy especially a cute one like Aoi. She looked at Song Ha Ting enviously. But this puppy's owner was Yu Qi. She did not like the girl.

"Recently, I heard a lot of rumors about Miss Tang. It was a very unpleasant thing to hear with. Miss Tang must be sad hearing the rumor." Fung Meng Xuan said and looked to Yu Qi.

"Rumor is a rumor. That is not true. Why should I be sad hearing something that not true about me?" Yu Qi replied to Fung Meng Xuan. "However, I really wonder about the person spread the rumor about me."

"What!!! Do...Do you think we spread the rumor about you?" Yi Ren Shiang the one who replied Yu Qi.

Yu Qi smirked. She had found the culprit. 'So, she was the one who spread the rumor about me.'

Ding Na An also looked at Yi Ren Shiang.

Yi Ren Shiang felt guilty. "What are you looking at?" She shouted to Ding Na An.

Without answering Yi Ren Shiang, Ding Na An turned to Song Ha Ting who from the beginning just played with Aoi.

"Ha Ting, you need to eat. We will be going to attend the talk. If you are not eating this time, your stomach will protest you during the talk." Ding Na An reminded Song Ha Ting.

Song Ha Ting realized. "Yeah. I forget about that." She took her seat and eat.

Yu Qi looked at Aoi who been eating from the beginning ignoring the situation around him.

Fung Meng Xuan felt awkward standing there. Yu Qi also closed her mouth not talking anymore.

"A talk? Do you mean this evening talk?" Fung Meng Xuan found a topic.

"Yes." Song Ha Ting replied to Fung Meng Xuan.

"I also want to go." Fung Meng Xuan said.

"But it is about eyes and vision care." Song Ha Ting replied again.

"I want to add some knowledge. Who knew it might have a use in the future." Fung Meng Xuan smiled.

Yu Qi glanced at Fung Meng Xuan. 'This girl probably wants to plan something.'

"Then you can go first. We want to eat first." Yu Qi just wanted to chase Fung Meng Xuan out of her eyes.

"It is okay. I will wait. Then we will be going together." Fung Meng Xuan thickens her skin.

"Miss Fung Meng Xuan, we are not a friend. So, you should go first." Yu Qi did not want to hide her intention anymore. She just wanted Fung Meng Xuan and Yi Ren Shiang disappeared from her eyes.

Fung Meng Xuan's expression slightly changed.

"Let's go, Meng Xuan. We also don't want to befriend like a kept woman and bastard daughter. Song Ha Ting, you should find a better friend." Yi Ren Shiang pulled Fung Meng Xuan's hand from there.

Chapter 162: His Sister

After finished eating, they walked to the hall where the talk would be held. Three of them entered the hall. Aoi also went in. He promised he would behave. They found their classmates and sat together.

"There are a lot of students come to attend this talk. I bet they are not even the medical student themselves." Song Ha Ting commented when she saw many students already took the seat inside the hall.

"This talk has advertised in the main forum website. It had been confirmed that Doctor Tang Han Lee will be the one who gives the speech. With his look, even non-medical female students will come to hear his speech." So Pang Lim added the comment.

"Indeed. He is very handsome." Yu Qi praised her brother.

"What! Did we hear wrong? Our goddess praised a man's look. Yu Qi who did not give the face to Senior Bai Shu Jin was praising a man." So Pang Lim shocked so her voice was a little higher.

"So, a mature man like Doctor Tang Han Lee was her choice?"

"Hey, did Yu Qi said her boyfriend was a soldier?"

"I just say he is a good looking man." Yu Qi ended the bickering among her classmates.

The talk began with the host introducing Doctor Tang Han Lee. The host was praising Doctor Tang Han Lee. Oblivious to the audience, this host was also a fan of Doctor Tang Han Lee even though he was a man.

"Okay, without any further, let invite Doctor Tang Han Lee to give his speech.

Tang Han Lee took the microphone and began his talk about the eyes and vision care. The one who gave attention to his content of speech just students who came from the medical course. They took some notes about the things that Tang Han Lee delivered by his speech. While others did listen to his speech but focusing on other things.

Tang Han Lee did allow the students to ask something in between his speech and only answered the question that relevant.

Two hours, the talk finished. A lot of students went to shake the hand with Doctor Tang Han Lee. Yu Qi waited for her turn to meet her brother. The students already decreased. Yu Qi finally stepped to go to meet her brother.

" Yu Qi." Tang Han Lee called his sister's name when he saw Yu Qi.

The students that did not leave the hall turned to Doctor Tang Han Lee when they heard he called Yu Qi. This girl had the rumor about being a mistress. She did tell Senior Bai Shu Jin that she had a boyfriend. Is this Doctor Tang Han Lee was her boyfriend?

Her classmates were curious about their relationship. Yu Qi told them his boyfriend was a soldier. So Doctor Tang Han Lee might not her boyfriend. But it was possible Yu Qi was lying.

When Yu Qi in Tang Han Lee's range, Tang Han Lee did something that made the female students screamed. He hugged Yu Qi for a second.

"Big Brother Han Lee, do you want me to have enemies?" Yu Qi talked to Tang Han Lee after he released her from his hug.

"I just hug my little sister." Tang Han Lee innocently said that.

For the students who stand closer to the siblings could hear their conversation. Yu Qi was Doctor Tang Han Lee's little sister. Her classmates also stunned when Yu Qi addressed Doctor Tang Han Lee as 'Big Brother Han Lee'. Tang Han Lee, Tang Yu Qi. Why did they did not realized before this?

"Aoi looked bigger than last time." Tang Han Lee patted Aoi.

"Of course, he will be big. He eats food its amount the same as the adult dog." Yu Qi commented.

Aoi gave his master a look. 'Master, I'm growing. Of course, I need more food.'

"What are you doing tonight?" Tang Han Lee asked Yu Qi.

"Nothing."

"Then let's go outside tonight. You can ask a few of your friend to join." Tang Han Lee asked Yu Qi to join him for dinner.

"Okay."

"See you, Little Sis." Tang Han Lee patted Yu Qi's head before he was leaving.

"Careful."

Yu Qj turned to her classmates. All eyes on her.

"What?" Yu Qi asked her classmates.

"Are you really his sister?" So Pang Lim wanted to confirm once more time.

"Well, more to adopt cousin. My grandfather, I mean his grandfather adopted me. So that why I said adopt cousin." Yu Qi answered without hiding her real status.

"But your interaction between him more like a real brother and sister." Yun Xiao said.

Yu Qi just smiling. She did feel grateful to Tang House because they treated her as her own family.

"I thought he was your boyfriend when he hugged you." So Pang Lim sounded excited. "Yu Qi, can I hug you?"

"Why?"

"You had been hugged by my idol. If I hugged you mean I hugged my idol." So Pang Lim giggled.

"Oh, ok."

The moment So Pang Lim heard 'ok' from Yu Qi's mouth, she quickly hugged Yu Qi. "I had hugged my idol." So Pang Lim excitedly hugged Yu Qi.

"Yun Xiao, don't be jealous." So Pang Lim said to Yun Xiao.

Yun Xiao was obviously showing the jealous look on his face.

Chapter 163: Future Sister In Law?

Other students also heard that. Tang Han Lee was heir to Tang Family. Meaning Yu Qi also the same. Then why would Yu Qi be a mistress if she already rich? Meaning, someone wanted to destroy Yu Qi's reputation. And who was that person, they did not know. Only the one involved knew about that.

Yi Ren Shiang looked to Yu Qi. She was standing not far from Yu Qi and Tang Han Lee. She did catch something on their conversation. Yu Qi was Tang Han Lee's little sister.

'How can it be? She was his sister?' Yi Ren Shiang screamed in her mind. She liked Tang Han Lee. She betted that Yu Qi must tell something awful about her to Tang Han Lee. It might make Tang Han Lee disliked her.

"Meng Xuan, what should I do? I mean I like Doctor Tang Han Lee. I never thought that the girl was his sister." Yi Ren Shiang asked Fung Meng Xuan beside her.

Meanwhile, Fung Meng Xuan in her own thought. She did not remember the family that Yu Qi had even though she already met them. She actually forgot about them.

From what other students talking about, Tang Family most likely famous and rich family. She frowned. Meaning Yu Qi could use her backing family to support her relationship with Long Hui.

Maybe Long Hui was been forced by Yu Qi that used her backing family to make Long Hui submitted to Yu Qi as her boyfriend. She was more eager to make Long Hui her boyfriend.

...

Yu Qi bought four of her friend to go for dinner with her brother. It was So Pang Lim, Yun Xiao, Song Ha Ting, and Ding Na An. So Pang Lim and Yun Xiao particularly begged Yu Qi to go dinner with her brother. Tang Han Lee was basically an idol to them.

Feeling funny, she agreed to bring them. Song Ha Ting also wanted to follow her. While Ding Na An just followed her because Yu Qi asked her.

"How can I say no for the free dinner?" Ding Na An said.

Yu Qi knew her current situation. She needed to save money. Yu Qi wanted to help but she thought Ding Na An will reject and hurting Ding Na An's heart.

They arrived at the restaurant that her brother booked. They went inside and saw her brother. Someone was pestering her brother. Without wanting any further, she went to her brother.

"Hi." Yu Qi greeted her brother.

"Oh, you are here." Tang Han Lee turned to the woman that sat in front of him and said. "My accompanies already here. You can go now."

The woman frowned. She looked at Yu Qi up and down and silently got up.

Yu Qi and her friend took a seat.

"Your admirers?" Yu Qi asked.

"No. She doesn't even know me. She just thinks I'm good looking and wanted to ask for my number. How can I just give my number to someone just like that?" Tang Han Lee sighed. Then he looked at her friends.

"Let me introduce you. There is Yun Xiao, So Pang Lim, Song Ha Ting, and Ding Na An. They are my classmates." Yu Qi pointed to her friends one by one.

"It's an honor to see you, Doctor Tang. I had been already your paper times." Yun Xiao excitedly introduced himself to Tang Han Lee. Of course, he would be excited. He was meeting his idol.

"Nice to meet you, too." Tang Han Lee smiled.

"Me too, Doctor Tang. Your paper was very interesting to read." So Pang Lim took a turn to talk.

"Nice to meet you, Doctor Tang. You look so handsome." Song Ha Ting talked praising Tang Han Lee's look.

"Nice to meet you." Ding Na An looked at Tang Han Lee normally and turned away. She did not know any kind of interest like her friends.

Tang Han Lee looked at Ding Na An. She did not behave like her friend. Normally woman would look excitedly to him but this girl was different. She behaved as same as Yu Qi meeting him for the first time.

"Little Sis, do your friend already meet Long Hui?" Tang Han Lee asked Yu Qi but his eyes were on Ding Na An.

"No. Why?" Yu Qi was thinking why her brother suddenly mentioned about Long Hui.

Tang Han Lee smiled. Ding Na An. He was kind of interested in her.

"Nothing. Let's order. It's on me. Order as you like." Tang Han Lee said to them.

They ordered the food. Three of her friend except for Ding Na An liked to strike a conversation with Tang Han Lee. Ding Na An sometimes joined them laughing and that's all.

"Miss Ding, have you decide what is your major?" Tang Han Lee asked Ding Na An.

Ding Na An did not expect Tang Han Lee would ask her, so she was frozen for a moment. Then she gained the sense and answered him. "Gynecologist." Then she was silent.

Yu Qi noticed that Tang Han Lee's eyes many time laid on Ding Na An. 'My brother seemed to like Ding Na An. It is happy news.' She did not want to tell her aunties yet. She just needed to wait. But from what she had been watching, her brother needed to work hard on getting Ding Na An.

Chapter 164: Again. Lotus Fragrance

The dinner ended.

"When you will go back?" Yu Qi asked her brother.

Tang Han Lee answered, "Tomorrow morning."

"I see. Careful on road." Yu Qi advised.

"You too." Tang Han Lee patted his little sister's head.

"You have to work hard to win her then." Yu Qi turned and entered the car leaving those words that made Tang Han Lee thinking.

Tang Han Lee blinked several times. His little sister noticed that. Well, he just had to take advise from her then.

"Yu Qi, your brother is damn handsome." So Pang Lim said in the way back to the university. "I wish I have a brother like that."

Yu Qi was just smiled.

.....

"Tang Yu Qi, are you really Doctor Tang Han Lee's sister?" Yi Ren Shiang came to say that to her during her breakfast.

"What?" Yu Qi looked up to Yi Ren Shiang.

"Miss Tang, Ren Shiang actually like your brother. How about you introduce her to your brother?" Fung Meng Xuan played the role of a good friend.

"My brother already someone that he liked. Don't waste your time." Yu Qi was been straight forward.

"Tang Yu Qi, I know you don't like me. You just can't block my path. We know that your brother is still single." Yi Ren Shiang retorted Yu Qi angrily.

"Do you know my brother better than me?" Yu Qi rolled her eyes to Yi Ren Shiang.

Yu Qi stood up. She already lost her appetite. Begin the day by looking at Fung Meng Xuan and Yi Ren Shiang was the worst luck. She walked away leaving Yi Ren Shiang who was in anger.

"Miss Tang." Now another one came to annoy Yu Qi.

She already in the bad mood turned to the person that greeted and said, "What?"

"I really like you. I hope you can give me a chance. Or we can start off as a friend." Well, this person was Bai Shu Jin.

"Hah, give you a chance so that you can kill me again. Never." Yu Qi really in a bad mood. She let her emotion out.

Bai Shu Jin stood there thinking about what Yu Qi just said. She mentioned about he was killing her. What was she talking about? When did he killing her? He did not even know her before.

Yu Qi entered her space. Aoi and Bo Ya looked at their master. They could sense their master's feeling like now. Their master walked straight away to Pagoda and went to the shooting ground.

Yu Qi took a gun and started shooting as she vented her anger in the shoot. After 15 minutes, she stopped. Her anger was already gone. She finally calmed down herself.

"Master." Aoi was calling her.

"Aoi." Seeing Aoi, she smiled.

"Master's anger finally gone," Aoi said dashing forward to Yu Qi.

"Sorry." She caught Aoi and hugged him. The bitches and bastard always came destroying her mood. She could not stop to be annoyed when talking to Fung Meng Xuan and Bai Shu Jin.

Yu Qi suddenly remembered about her plan to visit the J City Market. Yu Qi wanted to go alone but her two little cuties would not allow her. Bo Ya asked Aoi to follow Yu Qi. Even though Aoi did not like to go to the city but for the sake of Yu Qi's safety, Aoi wanted to follow Yu Qi.

So, Yu Qi set to go to the J City Market together with Aoi. Yu Qi walked into the market. Her first stop was Aunty Bai's shop.

"Hi, Aunty Bai." Yu Qi greeted Aunty Bai who currently arranged the vegetables in the display table.

"Oh, my. It's you." Aunty Bai recognized this girl in front of her. "Your vegetables sold very fast. I already signed the contract. We will be selling the vegetables here. It really likes you told me. The vegetable was last longer and delicious. Even I like it."

"I glad you like it." Yu Qi smiled.

Yu Qi talked for a while to Aunty Bai. After that, she went to the shops that received the goods. Overall was satisfied with the goods that they received.

Yu Qi walked aimlessly. Yu Qi saw the shop that sells fried chicken and looked at Aoi. Aoi also looking at that shop. Yu Qi released a small laugh.

She walked to the shop and bought some to herself and Aoi. Yu Qi gave to Aoi.

'Thank you, master.' Aoi ate happily. 'Master, we should buy for Bo Ya too.'

'Okay.'

Yu Qi decided to go back. She secretly smiled. Someone followed her.

'Master.' Aoi told her.

'I know.' Yu Qi replied to Aoi.

The person suddenly approached her very quickly. Then she was embraced by that person. Her nose picked up the scent. Lotus fragrance. This scene reminded her that night when Yu Qi sneaked out from the house.

Chapter 165: Kiss Her White Back

Lotus fragrance. It was Long Hui scent. Because of that, her guard relaxed.

"Not struggle anymore?" A sexy voice sounded near at her ear.

Yu Qi's ear was instantly red. She moved to make Long Hui released her from his hugging.

"Mr. Long sure love to hug women." Yu Qi rolled her eyes.

"Only you." Long Hui remarked.

Yu Qi coughed.

"Alone?" Long Hui asked.

"No. I'm with Aoi." Yu Qi pointed to Aoi.

Long Hui turned to look to Aoi, looked back to Yu Qi and again to Aoi

"Woof." 'Master, he gave a look to me. So arrogant.' Aoi rolled his eyes to Long Hui.

Long Hui stunned. That behavior looked like his owner. Really the same. Maybe it was true that the pets often behave like their owner.

"What are you doing?" Yu Qi asked Long Hui.

"Meeting someone." Long Hui answered with a short answer.

"Then go." Yu Qi asked.

"Idiot. Why don't you think that someone is you?" Long Hui flickered her forehead.

"Ouch." Yu Qi held her forehead.

"Is that already hurt?" Long Hui pulled her hand and looked at the area.

It was slightly red. "Sorry." Then Long Hui did something that made Yu Qi blushed. He leaned closer to the forehead and blew some air to it. Moreover, he did a light kiss.

"Now, it should be okay." Long Hui smiled.

Yu Qi screamed inward. He really knew to make a woman fell to him. Yu Qi gave a look to Long Hui.

Long Hui ignored that look and pulled her hand in his palm. They were walking while their hand was joint together. The scene was so captured, the people turned to take a look at them.

"Where are we going?" Yu Qi asked.

"A date."

Yu Qi coughed. Long Hui knew Yu Qi was shy. However, she seemed began to open her heart to him. It was a good development.

Long Hui brought Yu Qi into a clothes shop. He really wanted to pick up some clothes for his beloved woman.

Yu Qi could see the eyes of the sale girls went up when Long Hui entered their shop. 'Sigh... This man doesn't do anything but still attract the girl.' She had to admit that Long Hui was a handsome man.

Long Hui put a serious thought while choosing the outfits for Yu Qi. He selected a long dress suitable for Yu Qi's height. He urged Yu Qi to try the clothes. Yu Qi just surrendered to her fate took the dress and tried it.

Yu Qi managed to put the dress but she had difficulty zipping it because it was a back zip. She tried many times but still can not success.

Long Hui who waited for Yu Qi came out was very impatient. He thought Yu Qi had the problem of putting the dress on.

"Yu Qi, are you okay?" He was standing in front of the fitting room.

"Wait for a minute." Yu Qi said.

After waiting for a minute, Yu Qi still did not come out. Long Hui made the decision to enter the fitting room.

"What are you doing?" Yu Qi subconsciously screamed when she saw Long Hui opened the fitting room and entered it.

"I was right. You do have a problem on putting the dress." Long Hui looked at her white slender back.

Because of the rare chance, Long Hui stared at that back for a long time. He reached out Yu Qi's back. Because of the sudden touch, Yu Qi could not help to make a sound. Her back was been touch by Long Hui.

Long Hui realized her skin was very smooth and felt so good when he touched it. He made a further step. He leaned closer to her back and kissed it. It was a light kiss.

Yu Qi felt the kiss on her back automatically arched her body. She really did not know that her body was very sensitive.

"Brother Hui." Yu Qi called Long Hui. They could not continue this further.

The word 'Brother Hui' made Long Hui snapped out. He realized where were they. He quickly zipped the dress.

"Come out later." Long Hui got out of the fitting room.

Long Hui realized what he had done. He kissed her back. His beloved knew how to make him crazy about her.

The sale girls who paid close attention to the couple giggled by themselves. They saw the handsome man entered the fitting room. They keep thinking that the couple did something inside the fitting room. Because the handsome man came out from the fitting room looked very flustered.

After Yu Qi managed to calm down, she went out. Long Hui's eyes lifted up when he saw Yu Qi on the long dress. His beloved looked very stunning on the dress.

"You look beautiful." Long Hui praised Yu Qi.

"Thank you." Yu Qi replied with her blushing face.

Long Hui keep staring at Yu Qi. He did not feel enough looking at his beloved.

"I will be going to change." Yu Qi could not stand with Long Hui's staring.

Yu Qi got out from the fitting room. Long Hui automatically took the dress and gave to the sale girl.

"Wrap this dress together with the clothes that I keep up before." Long Hui said to the sale girl.

"Yes." The sale girl replied with a red face.

"What clothes?" Yu Qi could not help to ask him.

"I choose some for you." Long Hui smiled to Yu Qi.

"You don't have to buy them." Yu Qi wanted to reject.

"Let me pamper you, okay. You can wear those clothes on our next date." Long Hui told her.

Long Hui took Yu Qi's hand and went to the counter to pay for the clothes. After Long Hui done paid, Yu Qi wanted to bring the paper bag but another hand was faster than her.

"Let me hold it." Long Hui steady held the paper bag with his right hand meanwhile his left hand firmly held Yu Qi's hand.

Chapter 166: I Like A Girl With More Curve

"I wish I had a boyfriend like that."

The sale girl started to gossip. They really fell in love with Long Hui's gentleman way.

"I saw the man entered the fitting room."

"Kya!!! They must done something inside the room."

"Yeah. The man got out with his flustered face. The girl must stop him from advance."

"The girl must save the world in her previous life to get a boyfriend like that."

If Yu Qi heard this sentence, she had to laugh. She would tell the girls that her hands and her legs been cut off and she was left in to die in the wilds.

The girls keep gossip until their manager came and dismissed them telling them to work instead of gossiping.

Long Hui dragged Yu Qi around. They had been centers of attention. The women giggled toward Long Hui while the men turned to take a look at Yu Qi.

Yu Qi told Long Hui that she wanted to take a break at the cafe nearby. Long Hui followed his beloved's order. They stopped at a cafe. They ordered some refreshment.

'Master.' Aoi called Yu Qi. 'I want to eat too.'

Yu Qi suddenly remembered about Aoi. Yu Qi looked at Aoi. He was making a sad face.

'Master, do you forget about me?' Aoi gave a questionable look to her.

Yu Qi coughed. Yeah, she forgot about him. 'Sorry. I will make up.'

'Then, give me food. I mean more food.' Aoi made a demand.

'Okay.' Yu Qi quickly called the waitress to order some food.

"You want to add more order?" Long Hui asked.

"Well, it is for him." Yu Qi pointed to Aoi.

Long Hui looked at Aoi. Aoi rolled his eyes. This man took his master's attention making his master forgot about him. How can he like this man?

Long Hui felt ridiculed. He indeed saw that his beloved's dog was rolling its eyes to him.

Yu Qi had a small laugh when she saw the small interaction between Long Hui and her dog.

The food arrived. Yu Qi asked for some plastic plate. Yu Qi took a portion into the plastic plate and gave to Aoi. Aoi immediately in a good mood when he saw food had been placed in front of him. Without waiting any further, Aoi started to eat.

Yu Qi and Long Hui also eating. Long Hui ordered some Kung Pao Chicken, Wontons and some dumplings.

"Miss Tang." A high pitch voice was calling her name.

Yu Qi frowned. Without taking a look at the owner of the voice, she already knew its owner. Long Hui noticed Yu Qi's change expression.

"What's a coincidence to meet you here." Yeah, standing in front of Yu Qi and Long Hui was Fung Meng Xuan. She was smiling sweetly. Her eyes traveled toward Long Hui.

However, Long Hui did not give any look at her. He just watched his beloved.

"What are you doing here?" Fung Meng Xuan asked in hope that Long Hui would answer her question.

"What's else? Can you see it?" Yu Qi crushed Fung Meng Xuan's hope.

"I'm also hungry. I will join you." Fung Meng Xuan sat without any embarrassed. She did not give any time for Yu Qi to reject her. She sat and ordered the food.

Yu Qi did not want to waste time to talk to Fung Meng Xuan. She continued eating.

"Eat this more." Long Hui took a piece of chicken with his chopsticks and feed her.

Because it was in front of her mouth, she ate it. Long Hui smiled when Yu Qi looked at him. Long hui then brought the chopsticks again to pick a piece of chicken and ate it. He deliberately licked the chopsticks while looking at Yu Qi.

Yu Qi suddenly blushed. It was an indirect kiss. Long Hui teased her by looking at her while smiling.

They totally forgot about Fung Meng Xuan that sitting in front of them. Fung Meng Xuan clutched her fist until she was feeling hurt.

"Miss Tang, Mr. Long, help yourself. I ordered some Ma Po Tofu. I think it is delicious." Fung Meng Xuan wanted to strike some conversation.

Long Hui did not even look at Fung Meng Xuan. He totally ignored Fung Meng Xuan. Yu Qi secretly smiled. Long Hui caught her smile.

"Miss Fung, you can eat what you order. We have our own food here." Yu Qi smiled.

Long Hui sometimes feed Yu Qi with food.

"You are so thin. Eat more."

"I like a girl with more curve."

The sentence made Yu Qi coughed. Long Hui gave the water to Yu Qi. Yu Qi took the water and drunk it. Then she gave a look at Long Hui and rolled her eyes.

Long Hui laughed. The angry look on his beloved's face was also cute. What's look could she give to him? He wanted to see more.

Chapter 167: You Are The Most Handsome...

Fung Meng Xuan ate her food but she did not taste anything as her head was filled with the lovely scene between Yu Qi and Long Hui.

Yu Qi and Long Hui already finished eating so Long Hui stood up and went to pay the bill, he then came back and took the paper shopping bag.

"Let's go." Long Hui then took Yu Qi's hand like it was a normal thing to do.

Fung Meng Xuan realized that they were leaving so she wanted to follow them, she quickly stood up and wanted to run after them.

"Miss, wait." The waitress came and stopped her.

"What?" Fung Meng Xuan threw an angry look to the waitress.

"You haven't settled our bill yet." The waitress explained.

"What? Didn't that man pay for me too?" Fung Meng Xuan asked.

"We already asked that man, but he said that he did not know you. So why should he pay for you?" The waitress sneered.

Fung Meng Xuan's expression changed. It was so embarrassing.

"Miss, can you pay now if you want to go." The waitress waited for her to pay.

Fung Meng Xuan said she would pay, then she followed the waitress to the counter.

"I thought she was their friend."

"It was so funny, she sat together with them but in the end, they did not pay for her."

"The couple totally ignored her."

"I bet she wants to seduce that girl's boyfriend. I understand. He was very handsome."

"But I think her face was thickened. That man did not even look at her once. His attention was only on his girlfriend."

"Yeah, I saw when he was teasing his girlfriend. It was lovely."

"I want a boyfriend like that. But, I will never try to destroy someone's relationship. That was so disgusting."

"Yeah, It is even more disgusting when the man did not even look at you."

The girls that sitting at the table that was beside Yu Qi and Long Hui talked among them. They deliberately spoke louder making sure that Fung Meng Xuan heard their conversation.

After paying the bill, Fung Meng Xuan ran out of the cafe. She vowed never to step foot in that cafe again.

Fung Meng Xuan walked very quick as she wanted to find Yu Qi and Long Hui as they had to be nearby. It was her chance to get to know more about Long Hui.

Finally, she found them. They were surveying earrings so she quickly approached them.

"Wow, that earring is so nice. It's beautiful right, Miss Tang, Mr. Long?" Fung Meng Xuan asked as she joined them.

Yu Qi once again frowned and Long Hui noticed this. He also noticed that when this woman approached them, Yu Qi became moody. He really did not know this woman. This woman was also disturbing his date with Yu Qi.

"This is beautiful, right Mr. Long?" Fung Meng Xuan picked some earrings and showed them to Long Hui as she wanted Long Hui to pay a little bit of attention to her.

"Miss Fung, what do you want to do?" Yu Qi asked Fung Meng Xuan feeling very annoyed.

"I just want to hear Mr. Long's opinion about this earring." Fung Meng Xuan answered Yu Qi's question.

"Let's go." Long Hui took Yu Qi from that place, so once again, Fung Meng Xuan was left alone.

Fung Meng Xuan suppressed her anger. Long Hui would look at her in the end. Thickening her face, she followed the couple.

Yu Qi could see that the bitch did not give up as Fung Meng Xuan followed everywhere they went.

'Master, that woman is very annoying. She is following us everywhere.' Aoi noticed that the woman had followed them again.

'She is the type that never gives up until she gets what she wants.'

'So, what should we do?'

'Nothing. Her target is Long Hui. If Long Hui ignores her, she will get nothing.'

'Okay.'

"How are your studies going?" Long Hui suddenly asked.

Yu Qi was shocked when she heard Long Hui's question but she answered it honestly. "It's okay. Two days ago Big Brother Han Lee came to my university to give a lecture. Many female students came just to see my handsome big brother."

"He is handsome. Then what's about me?" There was a hint of jealousy in his tone.

"Of course, you are the most handsome..." Yu Qi stopped talking as she realized what she was saying.

Long Hui smile was already to his ear. That was the answer that he most wanted to hear. No one can beat him in his beloved's eyes. He was number one.

Yu Qi was very embarrassed as Long Hui had very cleverly laid the trap for her.

"I'm really happy to receive your praise." Long Hui said to Yu Qi.

Long Hui really liked to tease Yu Qi as it became his new hobby. Unfortunately, this date had to be ended as Long Hui needed to go back to his camp, while Yu Qi had to go back to her university.

"Let me send you back." Long Hui escorted her to his car.

"Wait." Here again, comes the annoying person.

"Mr. Long, can I have a ride in your car too? You are sending Miss Tang back to her university and we are going to the same destination anyway." Fung Meng Xuan tried her luck again.

This time she was lucky. Long Hui did turn to look at her. However, it was not a normal look as it was a look that he often used in the military. The murderous aura leaked from his body.

Long Hui's patience toward this girl was getting thinner because this girl deliberately disturbed his date with his beloved. He did use this girl to tease Yu Qi, but even until now she still came to disturb them.

"Who are you?" Long Hui asked.

This was the first time Long Hui spoke to Fung Meng Xuan and she could not help but feel happy even though she was afraid of Long Hui.

"I'm... Fung Meng Xuan." Fung Meng Xuan wanted Long Hui to remember her name.

"I'm not asking about your name." Long Hui talked to Fung Meng Xuan like he was talking to a criminal.

"I'm... a friend... of Miss... Tang." Fung Meng Xuan shivered.

"Miss Fung, I don't remember that you are my friend." Yu Qi rolled her eyes.

"You are not even my beloved's friend. Why should I give you a ride? You can take the bus to go back." Long Hui then turned to Yu Qi.

Chapter 168: Yu Qi's Boyfriend

Long Hui led Yu Qi to enter the car with Aoi also hopping in. He then entered and started the engine and without waiting much further, the car moved leaving Fung Meng Xuan standing alone at the roadside.

"She's from your university too?" Long Hui asked.

"Yeah."

"I see. Our date would have been perfect if there was no nuisance." Long Hui could not help feeling disappointed.

"Don't worry. We can meet again." Yu Qi answered very quickly, stunning herself.

Long Hui laughed when he realized that Yu Qi had unconsciously revealed what she wanted. He was also very happy because Yu Qi thought the same things as him.

Yu Qi became angry with herself. Because, in front of Long Hui, she simply became a girl that blurted out whatever she was thinking.

They arrived in front of Yu Qi's hostel which at that moment, had a lot of female students hanging around. Long Hui then stepped out from the car and the reactions from the female students were very, well, what we call totally impressive.

Long Hui went to the other side of the car and opened the door for his beloved, while all the female students waited to see who would come out of the car.

Yu Qi stepped from the car and the female students were shocked to see her.

"We've arrived." Long Hui said.

"You did that on purpose right?" Yu Qi could not help but think that Long Hui dropped her here on purpose.

"Of course, I did it on purpose." Long Hui simply admitted it.

"You are very shrewd."

"Only for you my dear." Long Hui winked. "I need to remind people that you are mine."

"Who's yours?"

"Sooner or later, you are bound to be mine."

"You... just go back." Yu Qi admitted. Sooner or later...

Long Hui went inside the car then he wound down the window and called Yu Qi to approach him.

Yu Qi thought he had something to say to her so she moved closer to him. Seeing Yu Qi was already within his range, Long Hui did a quick attack and kissed Yu Qi on her right cheek. She stepped back holding her cheek stunned that Long Hui kissed her.

"I will see you again, my beloved." Long Hui started the car and left.

Yu Qi watched Long Hui disappeared from her eyes.

Long Hui made an advance on her, should she be happy about this?

'Master, stop dreaming others are watching you.' Aoi gave the remainder to his master.

Yu Qi looked around. Her expression already returned back to normal. She saw everyone's expression.

An expression that wanted to ask her something. And that something was about Long Hui, they probably wanted to know who Long Hui was.

However, Yu Qi was not friendly with them since the beginning so there was no way that she would talk about Long Hui to someone that she was not even close with. So wasting any further, she entered the building with Aoi.

"That is Tang Yu Qi's boyfriend? He is so handsome."

"No wonder Tang Yu Qi rejected Senior Bai Shu Jin. Her boyfriend looks very amazing."

"When he stepped out, I felt my body shiver."

"When he smiled, I thought I could see flowers behind him."

"He kissed Tang Yu Qi, I want to be kissed by him too."

Many female students commented on this evening's incident, they also regretted that they actually forgot to take pictures of Long Hui. They were so engrossed in looking at him.

Fung Meng Xuan came back to the university thirty minutes later and there were a lot of female students that were still talking about Yu Qi's boyfriend.

So Long Hui sent Yu Qi back and others saw them, Long Hui was already known as Yu Qi's boyfriend.

To be honest, she did not want others to know about Long Hui. She wanted to be the one who knew about Long Hui being Yu Qi's boyfriend, so that in the future if she appeared beside him, she would not be recognized as the third person in Yu Qi and Long Hui's relationship. Now everything was messed up.

Yu Qi cleaned up and entered the space together with Aoi, she then gave Bo Ya the fried chicken that she bought but it had already gone cold.

"Sorry, Bo Ya."

"Master, don't worry give it to me."

Yu Qi handed over the fried chicken that was still wrapped in the paper bag.

Bo Ya then held the paper bag and from his small hand came a red light, immediately after the fried chicken started to smell as fresh as one come had just come from the pan.

"See. It's warm again." Bo Ya said to Yu Qi.

"Wow, how did you do that, Bo Ya?" Yu Qi took Bo Ya's hand.

"Master, I'm using spirit energy to generate heat on my hand." Bo Ya explained to Yu Qi.

"I see, but can I do it too?" Yu Qi asked.

"Your body does have spirit energy, but it came from your blood contract with Aoi." Bo Ya stated after he assessed Yu Qi's body.

"I see." Yu Qi could not help feeling a little bit disappointed

Yu Qi then entered the Pagoda to begin her routine.

Hearing lessons about medicine, training her body with the martial arts and practicing her shooting.

That night Yu Qi once again became a hot topic but this time it was about Yu Qi's boyfriend. The reason she rejected Senior Bai Shu Jin also reappeared and many students were talking about it, and funnily enough, the main subject of the hot topic was totally engrossed in something else.

Chapter 169: Yun Xiao's Story

As usual, after her morning jogging, Yu Qi prepared to go to her class. The moment she stepped out from the room, she became the center of attention. It seemed as if they were waiting for her to come out of the room.

"Miss Tang, good morning." Someone said the morning greeting to Yu Qi.

Just out the formality, Yu Qi replied to her. "Good morning."

"Miss Tang, let's go to class together."

Yu Qi turned to see and saw that she did not know this person. 'Class together? You are not even from the medical course.' Thought Yu Qi

"Why should I? You are not even from the medical course." Yu Qi rejected her.

"Yu Qi, you're going to be late" Ding Na An called Yu Qi.

Yu Qi saw that Ding Na An and some of her classmates were waiting at the entrance of the hostel.

"Excuse me." Yu Qi freed herself from the crowd and went to the group.

"Hey, Yu Qi. I saw your boyfriend yesterday. He is very handsome." So Pang Lim mentioned about yesterday's matter.

Yu Qi just smiled.

"No wonder you rejected Senior Bai Shu Jin." Song Ha Ting giggled.

"When I think about your boyfriend, I realize that Senior Bai Shu Jin is quite normal." So Pang Lim said. Then she looked left and right in panic. She was relieved when she saw no one around.

"What are you looking at?" Ding Na An asked when she saw So Pang Lim's weird behavior.

"Looking for Senior Bai Shu Jin's fan. Glad no one's here." So Pang Lim smiled in relief.

"Is he really that popular?" Ding Na An asked.

"He has a fan club. It can not be underestimated." So Pang Lim told them the information. "But what happened back there, Yu Qi?"

"I don't know. Someone asked me to walk together to class. But she was not from our class or even from the medical course ." Yu Qi sneered.

"Maybe she wanted to know more about your boyfriend by befriending you." Mei Lilli laughed about it.

"We will be late if we continue at this current speed." Ding Na An reminded her classmates.

With Ding Na An's reminder, they speeded up to arrive for the class. Luckily, it was five minutes before the class began, so they went and took their seats.

The class lecture was about two hours long but because the lecturer was very boring, some of the students felt sleepy. Some of them even secretly fell asleep. Yu Qi also felt very sleepy but she held back.

Unfortunately, there was someone who could not hold back anymore. That someone was Yun Xiao. He felt very sleepy and because of the sleepiness, his head went straight down to the table. BANG. Yun Xiao stood up and said something funny.

"Yeah, I will make sure the paper is ready by this evening, Dr. Tang." His voice could be heard around the lecture hall.

Everyone instantly laughed at Yun Xiao. Yun Xiao suddenly realized that he was in the lecture hall for his study.

"Mr. Yun, I hope you will be ready for our next quiz tomorrow." The lecturer said to the class.

"Tomorrow, we will be having a quiz. I know it is only fifteen percent but do your best." The lecturer then ended the boring lecture.

"Yun Xiao, what did you dream about just now?" So Pang Lim approached Yun Xiao.

"I dream that I was working with Dr. Tang Han Lee as his assistant. So shame that it was just a dream." Yun Xiao sounded very regretful.

"You really like Dr. Tang Han Lee, don't you?" Song Ha Ting looked at Yun Xiao.

"Don't give me that look. I'm not a gay, okay." Yun Xiao shakes his head many times.

Everyone laughed when looking at Yun Xiao's reaction.

"I just admire him so much because he saved my grandma." Yun Xiao told them.

"Oh, there is the story behind that. Tell me then." So Pang Lim interested to hear the story.

"Well, I'm kinda hungry. Can we continue this while eating?" Ding Na An slipped in the conversation.

"Yeah, I also hungry." Yun Xiao touched his stomach.

"Then, let's go eat. Let's go to Lillie's' Cafe." So Pang Lim suggested to her classmates. Lillie's Cafe was the one that Yu Qi and her friends normally goes to, because the Hibiscus Cafe, the cafe inside their medical faculty building was being renovated.

"When is our cafe going to finish it's renovation?" Mei Lilli asked them.

"According to our faculty board, it will take another 4 months to complete." Ding Na An answered her.

They walked to the cafe. It was lunch hour so a lot of students were there. Yun Xiao and Ding Na An decided to sit at the table first while the other four went to buy food. After all of them had food in front of them, they started to eat.

"So Yun Xiao, continue your story."

Then Yun Xiao started to talk while eating.

"Well, my grandma had a weird tumor in her left eye and some of the doctors did not have the ability to operate on my grandma's eyes, as they were afraid that she would lose the ability to see. That's when Dr. Tang Han Lee stepped in. He was the who operated on my grandma and now my grandma's vision is even better than mine." Yuan Xiao ended the story.

Chapter 170 : Friend?

"As expected of my idol." So Pang Lim had a proud look on her face.

"Hey, it's should be Yu Qi saying that. Not you." Mei Lilli remarked.

They laughed, until someone came. Well, not one, not two but three. Make a guess... Yeah, it was Fung Meng Xuan, Yi Ren Shiang, and Yi Su Rang. They seemed to like to disturb Yu Qi whenever she was eating. Today would not be much different.

"Hi everyone." Fung Meng Xuan greeted.

Yu Qi's group looked at each other while Song Ha Ting was the only one who replied to Fung Meng Xuan's greeting. They did not like this group of girls as Yi Ren Shiang and Yi Su Rang always gave the attitude that they were the most beautiful and better than everyone else. So, people who befriended the two were categorized as the same.

"What are you guys talking about?" It was Fung Meng Xuan that tried to start the conversation.

"Why do you want to know?" So Pang Lim smirked.

"Yeah, we are talking amongst ourselves. Why should you know about it?" Mei Lilli joined.

Yu Qi was silent.

"You..." Yi Ren Shiang wanted to retort but was blocked by Fung Meng Xuan.

"If you don't want to tell us, then it's okay." Fung Meng Xuan was eyeing Yu Qi.

Caught in action, Yu Qi looked at Fung Meng Xuan too.

"Yesterday, Miss Tang was sent by Mr. Long. It was very lovely. I hope Miss Tang can formally introduce him." Fung Meng Xuan deliberately mentioned Long Hui's name.

"Wait, Meng Xuan, do you know her boyfriend?" Yi Su Rang asked Fung Meng Xuan. She was really curious about Yu Qi's boyfriend as everyone was saying that the man was very handsome only she did not manage to take a look at her boyfriend.

"Yeah, We saw each other a couple of times." Fung Meng Xuan said.

"So, you are his friend. Let's call him to hang out together." Yi Su Rang made a conclusion.

Yu Qi's group once again looked at each other. They could not help but think that these people were a bunch of idiots. They're an idiot, right? If not, what would they be called?

Yu Qi chuckled after being quiet for a long time. She looked at the three idiots while Fung Meng Xuan and her friends looked at Yu Qi when they heard her suddenly chuckle.

"How can Miss Fung call him? I also want to know that." Yu Qi looked at Fung Meng Xuan.

"Just because you're his girlfriend, doesn't mean that his friend can't call him to hangout." It was Yi Ren Shiang's turn to chuckle. She bet that Yu Qi was jealous that Fung Meng Xuan wanted to call her boyfriend to meet up.

"Tell me, Miss Fung. How are you going to contact my boyfriend?" Yu Qi chuckled again.

"Meng Xuan, just call him. You must have his contact number. You are his friend." Yi Su Rang said to Fung Meng Xuan.

Fung Meng Xuan was in a dilemma. How can she call him if she did not even have his contact number?

"Guys, calm down. I can't call him because I don't have his contact number." Fung Meng Xuan told her friends the truth.

"What? How can you not have it? You're his friend." Yi Ren Shiang turned to Yu Qi and said, "I bet it's you that didn't let your boyfriend share his contact number right?"

Everyone was speechless, except for Yu Qi. These three idiots were upgraded from an idiot to a moron.

"Miss Fung, tell me. Are you really his friend? If you were his friend, why didn't he pay for your meal even though you were eating at the same table? Why did he ignore you when you were talking? And why did he leave you letting you take the bus instead of sending you together with me yesterday?" Yu Qi kept asking Fung Meng Xuan questions.

"That because he did not want you to feel jealous of Meng Xuan." Yi Ren Shiang defended Fung Meng Xuan.

"Oh, I see. Then let me call Mr. Long to ask about Miss Fung." Yu Qi brought out her mobile.

Fung Meng Xuan suddenly remembered about the terrifying look and aura that she got from Long Hui yesterday. That was very scary and she almost wet her pants. She suddenly remembered how Long Hui's eyes became very sharp and the look that he gave to her was very scary. She did not want that to happen again.

"No, don't call him. I'm not his friend. I just came across him when he was with Miss Tang yesterday." Fung Meng Xuan told the truth.

"Meng Xuan is that truth?" Yi Ren Shiang asked to confirm it.

"Yeah. He is not my friend." Fung Meng Xuan nodded.

Yu Qi smiled seeing Fung Meng Xuan's reaction. She knew that Fung Meng Xuan remembered when Long Hui threatened her with his murderous aura.
