Hearing the bully trio spoke, the situation was heated up. Yu Qi finally understand. The fact that she was an adopted daughter of Wang Family was revealed. 'Someone from school or their family might be there, in the restaurant last night. Well, I don't really care about that. It is better everyone knows about this.' Yu Qi nodded responding to her own thought.

"It's okay. Your apology has been accepted." She was smiling at the three girls. She then looked at her classmates and spoke, "It's true I was an adopted daughter of Wang Family but I already cut off the ties with them."

"Ungrateful bitch. It's should be the Wang Family who cut off the ties with you. The Wang Family should not adopt you back then." A voice screamed loudly

making everyone shocked. Yeah, she was Shen Mei, Wang Fu Ya best friend. Wang Fu Ya was standing behind her acting pitiful totally as a white lotus.

"Then, you can try become an adopted daughter of Wang Family, become their slave and get beaten by them." Yu Qi coldly sounds Shen Mei. "If you can endure that, I will personally kowtow to you." After that, she went to her seat.

Her classmate became speechless. After a few moments, they laughed at her response. 'We never thought that she could make a funny joke like this.' Now her classmate revised her.

Wang Fu Ya grasped her finger until she felt pain. She could see some mocking look that her classmate gave to her. 'Yeah, this was caused by her, that bitch. Bitch, bitch, bitch. 'She cursed Yu Qi many times.

"Yu Qi, can I talk to you?" Wang Fu Ya approached her seat and asked with a pitiful look.

"Please speak." Yu Qi was not giving her some face at all.

"Can we speak alone?"

Yu Qi took a look at Wang Fu Ya. 'What are you trying to do? Well, let's agree with her request and see what's plan you have right now.' She stands up and walked from the class. They went to the school garden.

"Now, talk. No one can hear what are we going to talk. 10 minute, start now." She crossed her arms.

Wang Fu Ya bite her lips. She was getting more and more arrogant. What is her right to act so arrogantly in front of her?

"9 minutes. The time is clocking. Don't waste your time." Yu Qi's voice warned her.

"You can't cut off the ties with us like that Yuki. Even though we wronged you, we are still your family. We still can change. We promise to treat you a lot

better than before. You are a girl. It is not wise for you to stay outside." Wang Fu Ya made a smile trying to hide the hatred in her heart. She never cared where this bitch lives anyway but it was for her own protection. Her mother told her the reason why this bitch has been adopted into her family. Before Wang Fu Ya was born, Madam Wang went to see a shaman ask about her child.
