### 1711 Chapter 1711

However, Long Hui stopped him.

"No need. This ferret is mine." Long Hui said.

"What? This ferret is yours?" The old man asked.

"Yes." Long Hui rubbed Shino's head and smiled.

Yao Ran was mesmerized by the smile that was given by Long Hui. She was thinking to be with this man. However, the dream had been destroyed by Long Hui's next statement.

"Technically, it is my fiancée's pet. She wants me to remember her. That's why she gave this ferret to me." Long Hui stated.

"You are engaged to someone else?" The old man was also surprised to hear that.

"Yes." Long Hui nodded.

"And your grandfather approves that?" The old man asked.

"Of course. He is happy with my choice. He treated her as his own granddaughter. Sometimes, he even forgets about me." Long Hui stated.

The old man did not expect that. Why? Because he was thinking of marrying his granddaughter to Long Hui. Since Grandpa Long was his friend, he knew that Grandpa Long would not reject him. But who knew that Long Hui was already engaged to someone else and Grandpa Long approved of Long Hui's choice?

The old man only could smile. "I see. It is good that you are happy."

Long Hui still rubbed gently the ferret's head. Yu Qi felt that Long Hui was very gentle to Shino today. Then, she was thinking of something.

'Shino, I will return the body to you.' Yu Qi said to Shino.

'Okay.' Shino got his body back.

And Yu Qi returned to her body. She could feel her face was red.

'He might realize who it is. Ahhh... it is so embarrassing.' Yu Qi hid her face with her hands.

Shino realized that he was sitting in Long Hui's arms while Long Hui was caressing his head. He was shocked and immediately jumped away from Long Hui.

"Oh, it is running away. Is that okay for it to run away like that?" Yao Ran asked.

"Hmm... It is okay. He knew when to return to my side." Long Hui did not bother to stop Shino from running away from him. 'It seems she come here to take a look at me. She is thinking that I will not notice her. How cute.'

Long Hui turned and looked at the old man. "As for your request earlier, I can bring your granddaughter to Binhai Nation. But I will not personally take care of her. She needs to take care of herself while she is there."

The grandfather and granddaughter pair were silent. Then the granddaughter spoke first.

"Oh, sure. I understand. You don't have to worry about that." Yao Ran said.

"Good. Then, you can prepare yourself. We will be going back in 2 days. As for your accommodation, I already asked someone to prepare it for you. You just need to settle it." Long Hui said.

"Tha... Thank you." Yao Ran nodded.

The old man could not say anything. He could not leave this place. He only could send his granddaughter away. It was too dangerous for him to stay here anymore.

"If nothing else, I am leaving. See you in two days." Long Hui said.

He stood up and was looking around. "Shino, we are leaving." He called for Shino.

Then, the ferret could be seen rushing toward Long Hui and jumping onto Long Hui's shoulder.

The old man and Yao Ran were surprised. They could see how smart this ferret was. It could understand the human's saying.

Long Hui walked out of the place. There was no one around. Without looking at Shino, he started to talk.

"Did your master come over earlier?" Long Hui asked.

Shino was so shocked that he almost jumped. However, he managed to hold back. He decided to play ignorance.

"What? What are you talking about?" Shino asked Long Hui back.

Long Hui did not say anything else. Even though he was not looking at Shino, he could sense his reaction. It meant he was telling the truth. His beloved Qi Qi came over by possessing Shino's body.

Long Hui could detect the change of aura on Shino's body. It was the aura that he liked so much. He would not forget about that. It seemed she was spying on him. He chuckled.

Shino heard the chuckle. He could feel that Long Hui already knew that his master could possess her contracted beasts. However, he still wondered how Long Hui managed to find out about that. As he knew that, her master never tried it in front of Long Hui. But there was no way that he could ask Long Hui about that. He could leave it for her master to crack it down.

On the other side, Yu Qi still could not stop thinking about that. Long Hui would think that she was spying on her through Shino. It was her first time doing that and Long Hui realized that it was so embarrassing.

However, she was more curious about that old man and young woman. She had never seen them before. She wondered about what their relationship with Long Hui was.

Long Hui told her that he was leaving for an important job. But.... Yu Qi began to shake her head throwing the thinking out of her mind. She should not think like that. She should believe him like he was believing in her.

With that set of mind, Yu Qi stopped thinking about that. She tried to focus on her work in front of her right now.

1712 Chapter 1712

Ning Sung looked at the building in front of him right now. He felt it was like a dream that he had been offered to work with such a large corporation like this. Well, he was grateful to Yu Qi for giving him a chance to start fresh. He stepped into the lobby of the building.

He walked toward the receptionist. However, before he managed to go over there, he was stopped by a voice.

"Oh, who do we get here? Is that the loser who lost his wife to me?" A voice stopped Ning Sung.

Ning Sung turned around and saw Guo Zhengsheng.

"Oh, I guess right. You are that loser." Guo Zhengsheng taunted Ning Sung after he confirmed it was him.

"What do you want?" Ning Sung asked.

"It was not what I wanted. What are you doing here anyway? Don't tell me you are starting to look for a job?" Guo Zhengsheng did not answer Ning Sung's question.

"It is not your business." Ning Sung replied.

"Well, I suggest that you that you should leave this place. People would never want to buy your fake antiques here." Guo Zhengsheng kept taunting Ning Sung.

Ning Sung did not want to be rude to Guo Zhengsheng.

"Ning Sung." A voice called her name.

Both men turned around to see the owner of the voice. Guo Zhengsheng recognized this woman. It was the same woman on the day that Ning Sung caught him and Fang Xiaolian. This woman still wore the same kind of clothes that she wore at the cafe last time. He felt that she was broken and that she could not afford normal clothes.

Yu Qi looked up at Guo Zhengsheng. Guo Zhengsheng was stunned when he saw Yu Qi's face. He thought he was seeing an angel.

No wonder Ning Sung did not care Fang Xiaolian left him. He had another woman to enjoy. She was much more beautiful.

Guo Zhengsheng stepped forward to approach Yu Qi. Yu Qi noticed that and stepped back to avoid being so close to Guo Zhengsheng.

"Young Lady, I am Guo Zhengsheng, the owner of Shengling Company." Guo Zhengsheng introduced himself to Yu Qi.

Yu Qi glanced at him. "So?"

"It is better if you leave Ning Sung and follow me. I can provide everything unlike this loser here." Guo Zhengsheng sneered as he looked at Ning Sung.

"However, you just need to be my mistress. I will buy you every single thing that you want." Guo Zhengsheng offered.

Seeing this young woman's clothes, Guo Zhengsheng knew that it would be easy to satisfy.

"What is your company business?" Yu Qi asked.

"My company is involved in packaging." Guo Zhengsheng said.

"Oh... Then, what are you doing here?" Yu Qi asked.

"Oh, I am going to have a meeting with a manager here regarding our business project." Guo Zhengsheng stated proudly.

"Which manager?" Yu Qi asked again.

"Huh?" Guo Zhengsheng started to feel confused as to why this young woman started to ask him the question.

"Which manager?" Yu Qi asked again.

"Manager Wang." Guo Zhengsheng stated.

"Which company?" Yu Qi threw the question again.

"Hmmm.... Manager Wang from Qi Qi Skincare, logistic department." Guo Zhengsheng did not know why he answered every question that the young woman asked.

"Oh, Wang Shi Lan. Am I correct?" Yu Qi asked again.

"What? How do you know that?" Guo Zhengsheng was shocked.

"No need for you to know it. You don't need to wait anymore. The meeting is canceled." Yu Qi said.

"What? Who are you to decide that?" Guo Zhengsheng became angry

It involved his company. Of course, he became angry.

"I make all the decisions here." Yu Qi stated.

Guo Zhengsheng laughed loudly attracting people in the lobby to turn and look at them. Some of them were the employees. They immediately recognized Yu Qi as their chairman. They wondered what was going on over there.

Guo Zhengsheng thought this young woman was crazy.

"Ning Sung, you better take your small lover and leave. This is a place where people do business." Guo Zhengsheng said loudly.

Everyone was confused when Guo Zhengsheng said that. They thought they misheard things. But the man even pointed his finger at their chairman.

Yu Qi ignored Guo Zhengsheng and walked to the receptionist.

"Call Wang Shi Lan for me." Yu Qi said.

Guo Zhengsheng laughed again. "She is not going to call him for you."

However, the receptionist ignored Guo Zhengsheng and immediately made a call to the logistics department.

"Yes, I am from the front desk looking for Mr Wang Shi Lan." The receptionist stated. After a while, the receptionist started to talk again. "Yes, Mr Wang Shi Lan, Chairman Tang is looking for you. Please come to the lobby immediately. Yes... It is the chairman's order."

The receptionist ended the call. "He will come immediately. Please wait for a while."

"Great. Thank you." Yu Qi said and smiled at the receptionist.

The receptionist was very happy to be able to talk directly to her idol. Her idol even smiled sweetly at her.

"What? What is going on here? Chairman? You??" Guo Zhengsheng became pale.

No way this was the truth. There was no way that this girl was the chairman of Qinyue Group. However, when he thought about that, he remembered that the Qinyue Group's chairman was a young woman.

He looked at Yu Qi. She was indeed a young woman. He did not expect that this young woman would be dressed like that.

#### **Chapter 1714 1714: Make Him The Cheating Ones**

"Why are you so angry about, hmm?" Fang Xiaolian asked Guo Zhengsheng with her sweet voice.

"Do you know who I met at Qinyue Group today?" Guo Zhengsheng stated.

"Huh? Who?" Fang Xiaolian asked.

"Your ex-husband." Guo Zhengsheng said.

Fang Xiaolian frowned. "What is he doing over there?"

"Apparently, he had been recruited to work with Qinyue Group." Guo Zhengsheng said.

He was still very angry when he mentioned it. A man like that had nothing to be used. Why did that young man recruit Ning Sung?

"What? Recruit? He will work there?" Fang Xiaolian was shocked. "What is his position, then?"

"I don't know about that. But the most shocking thing is the young man that we see together with Ning Sung and the chairman of Qinyue Group." Guo Zhengsheng stated.

"What? Are you sure about that?" Fang Xiaolian could not believe that.

"Yes, everyone was basically confirmed that." Guo Zhengsheng said. Remembering that made him angry. "That is why my new project has been cancelled."

"Really? They did not do that." Fang Xiaolian said.

"Well, we are just in the negotiating process. So, there is nothing we can not about that. If we already signed the contract, we can sue them for breaching the contract, we can get some money from them. But we are not. They are cutting us off just like that." Guo Zhengsheng gritted the teeth.

Guo Zhengsheng thought he could expand her business by cooperating with a large corporation like Qinyue Group. Even though Qinyue Group was a newly established corporation its net worth already reached billions of dollars. Dollars, not yuan.

"No wonder he did not care about divorcing me. He already finds someone else." Fang Xiaolian was angry to find out about that.

Well, she was forgetting something. She was cheating on Ning Sung with Guo Zhengsheng. She should not have the right to be angry with Ning Sung.

"Does working with Qinyue Group is really great?" Fang Xiaolian asked.

"Hmm... I heard they paid their employees very well. That is why people want to get a job over there." Guo Zhengsheng explained. Then he stared at Fang Xiaolian. "What? Are you planning to get back with that loser since he already got hired by Qinyue Group?"

"Of course not!" Fang Xiaolian quickly denied that. Then, she added. "I am thinking of extorting some money from him."

Well, Fang Xiaolian was thinking a little about that possibility. She got divorced from Ning Sung before of money. Ning Sung was selling some damn antiques which could not sell at all. If he found a worthy job, she would not divorce him at all.

"What is your plan?" Guo Zhengsheng was interested in Fang Xiaolian's idea.

"Hmm... Why don't we find a tabloid? We can ask the reporter to write about Ning Sung cheating on me with that girl?" Fang Xiaolian suggested.

"I don't think people would believe that. When I spoke about that in front of everyone earlier, no one believed me." Guo Zhengsheng stated.

"Of course, they did not believe you before they knew their boss. But what about people who did not know her and Ning Sung? People would be bound to believe the story. People usually pity the one who got cheated with, not to mention if it was a woman." Fang Xiaolian felt proud when she thought about the idea.

"How do you think about this?" Guo Zhengsheng also thought this idea would work.

"I get the idea from the dramas." Fang Xiaolian said.

"Good idea." Guo Zhengsheng laughed.

"Well, we just need to find a reporter who wants to write a story like this." Fang Xiaolian said.

"Hmm... You don't need to worry about that. I will handle it." Guo Zhengsheng said.

He had an old friend who worked in the news. That old man owed him a favour. He would use this favour to convince him to write the story about Yu Qi and Ning Sung.

Then, the cheating bastard and bitch started to make out in the living room. It got messed up after they knocked out Fang Xiaolian's nail polish. But they did not care about that and continued to the end.

.....

Ning Sung slowly followed Yu Qi to her office. Before Yu Qi entered her office, she asked someone to bring some tea to her room. Both of them sat down facing each other.

When Ning Sung looked around, he started to feel cold legs. He really wondered if he was suitable to work with such a huge company like this.

"Are you okay?" Yu Qi asked when seeing Ning Sung lost in his thoughts.

Ning Sung snapped back into the reality. It was better for him to be honest with Yu Qi.

"Well, do you really think I am suitable to work with you?" Ning Sung asked.

Yu Qi smiled. "Of course, I know what I am doing. You have the skills that I want."

Yu Qi's words made Ning Sung feel better. Someone was knocking on the door. Yu Qi gave them permission to enter the room.

Two people entered the room. One was carrying the tray, another was carrying a file. The one who carrying the tray served them with tea. She nodded and got out.

The one who carrying the file placed the file in front of Yu Qi.

"Chairman Tang, it is the employee contract that you want me to draft. Please take a look." The woman said.

### **Chapter 1715 1715: Sign The Contract**

This woman was her new assistant, Lei Yingtai. Su Yu Hi hired her to help her. Su Yu Hi could not be her assistant anymore since he was already busy with his tasks.

Lei Yingtai just started working with Yu Qi only for two months. She was still a newbie. However, she was very excellent with her work. You did not have a lot of tasks assigned to her.

Yu Qi took the contract and gave it to Ning Sung.

"You can read it. Take your time. If you want something to change, you can tell us right now. If your request is good, I will change it." Yu Qi said.

Ning Sung nodded while taking the contract from Yu Qi's hand. He started to read it.

Lei Yingtai noticed it would be taking a while. She went out and came inside again bringing some refreshment. Yu Qi was surprised to see the egg tart that Lei Yingtai brought in.

"Chairman Tang, please have a taste." Lei Yingtai said.

Yu Qi did not reject Lei Yingtai's kindness. She took one of the egg tarts and ate it. It was very good. Not too sweet. Just matched her taste buds.

"It is delicious. Where do you buy it?" Yu Qi asked.

"Well, it is not from the shop. I make them." Lei Yingtai shyly admitted it.

"Wow... that's awesome. You can sell them. It would be famous." Yu Qi stated.

Lei Yingtai made a small laugh. "I don't plan to sell them. It is just my hobby."

"Hmm... If you plan to make it as your main job, I will need to find someone else to cover your position." Yu Qi said.

"Chairman Tang, you don't need to worry about that. I don't plan to leave this job now." Lei Yingtai stated.

"Hmm..." Yu Qi took another egg tart and ate it.

Ning Sung finally finished reading everything in the contract. He did not have anything to change the details in the contract. He was satisfied with the contract.

"Everything looks fine." Ning Sung said.

"So, do you want to sign the contract now?" Yu Qi asked.

"Yes." Ning Sung nodded.

So, Ning Sung signed the contract right away. He officially became the manager of the antique shop owned by Yu Qi.

"Hmm... Let me show the shop." Yu Qi said.

"Yes." Ning Sung nodded. He wanted to know more about the shop that he would be in charge of.

"Chairman Tang, may I follow you too?" Lei Yingtai asked.

"Sure, why not?" Yu Qi agreed.

If Ning Sung had a problem, he would refer to Lei Yingtai if she was busy with other work.

Both three of them left the company and went to the shopping mall that was near Tang Private Hospital. They arrived at the shop. The shop was still closed. Yu Qi opened the door.

"It might have some dust. Please be careful." Yu Qi advised.

The shop had not been opened since Xia Weizhe returned to the cultivation world. Yu Qi only asked someone to clean up the dust inside the shop every three days.

They entered the shop. Yu Qi turned on the light. Ning Sung looked around. He was very surprised to see the antiques inside the shop.

"This is the shop that I want you to manage." Yu Qi said.

"I will do my best." Ning Sung nodded.

Yu Qi put a file and gave it to Ning Sung.

"This is the inventory for this shop. Also, all details about the antiques had been written inside that file too. Make sure you take a look and try to remember as much as you can." Yu Qi told Ning Sung.

"Yes, Chairman Tang." Ning Sung nodded again.

"You can hire three more people to work here. I will leave it to your choice. Just make sure that they have a good character." Yu Qi said.

She knew that it was impossible to take care of this shop alone. Cleaning, and taking care of the account, there were a lot of things to do.

"You can discuss their salary with Yingtai. Yingtai, work up with Ning Sung." Yu Qi said to Lei Yingtai.

"Understood, Chairman Tang." Lei Yingtai accepted the order.

Then, they heard someone entering the shop. There were a few people coming inside the shop.

"Excuse me, are you open?" A man asked.

"Yes. Welcome to Mirage Mountain." Yu Qi said.

"Hmm... Where is Sir Xia?" An old man stepped behind the man who first spoke.

"Sir Xia had returned to his hometown. He entrusted this shop to me." Yu Qi said.

"Owh... I see. No wonder the shop had been closed for ages." The old man said. He coughed and introduced his name. "Hmm... I am Yang Bingwen and this is my grandson, Yang Yaozu. We would like to buy some antiques as a present for someone."

"I see. You may look around. If you ask any questions, you can ask me and him. Oh, this is the new person in charge, Ning Sung." Yu Qi introduced Ning Sung to them.

"What is your name, young girl?" Yang Bingwen asked.

"My name is Tang Yu Qi." Yu Qi smiled.

"Hmm... I see... Are you single?" Yang Bingwen asked.

"Grandpa..." Yang Yaoru called his grandfather.

He knew why his grandfather asked this question to this girl. His grandfather wanted to play matchmaking.

"What? I am just asking." Yang Bingwen pretended like he had done anything wrong.

## **Chapter 1716 1716: Invitation For A Birthday Party**

"Don't tell me you are not doing what I am thinking?" Yang Yaoru looked straight into his grandfather's eyes.

Yang Bingwen felt a bit guilty. He covered it by coughing. "Of... Of course."

"I hope so." Yang Yaoru said. He then turned to Yu Qi and apologized to Yu Qi. "Hmm... I am sorry that my grandfather asked you that kind of question."

"Hmm... It is okay. I don't mind." Yu Qi did not take it to heart. She turned to Yang Bingwen. "I am already engaged to someone else."

"Oh, what a pity." Yang Bingwen said. He glanced at his single grandson. "Look, even this young girl is already in a relationship. What about you? Do you want to die alone?"

"Grandpa, everyone will die alone eventually." Yang Yaoru responded.

That response led him to get several hits on his back.

"I know that, your idiot." Yang Bingwen was angry with his grandson.

He wanted to hit Yang Yaoru again but Yang Yaoru put the distance from his grandfather.

Yu Qi chuckled as she saw the interaction between both of them.

Yang Bingwen realized there was someone in front of them. He coughed to cover the embarrassment.

"I will walk around first." Yang Bingwen said.

"Yes, of course." Yu Qi nodded.

Yu Qi left the grandfather and grandson pair alone. She looked at the time. It was already 5 p.m.

"Yingtai, it is time for you to go home." Yu Qi said to Lei Yingtai.

"What?" Lei Yingtai was surprised. She thought Yu Qi did not want her to be around anymore.

"Don't you want to go home? Your work time is already finished. It is already 5 p.m." Yu Qi tapped her watch.

"Oh..." Lei Yingtai realized that she misunderstood Yu Qi's words.

Lei Yingtai opened her tablet. She used to list the tasks that she needed to do for work each day. She went through the checklist of today's work.

Everything was done except the last one. That task was to inform Yu Qi that she had been invited to a birthday party that would be held two weeks later.

"Chairman Tang, you have received an invitation to a birthday party of an old lady. Her name is Ma Xiurong." Lei Yingtai informed Yu Qi.

"Is there any connection with our company?" Yu Qi asked.

"At the moment, not. This old lady is the wife of Tobias Mathew, a businessman from Helix Country. It seemed he invited all of the business tycoons here to celebrate his wife's birthday." Lei Yingtai said.

"So, it seems they were working for a partner to open their business here. Well, never mind. I will go and take a look. Where is the invitation card?" Yu Qi asked.

Lei Yingtai took out an envelope and gave it to Yu Qi. "Here, this is the invitation card."

Yu Qi took it. "Do you know what his wife likes? We need to prepare a gift."

"According to my research, Ma Xiurong liked antiques. Especially from our nation." Lei Yingtai stated.

Yu Qi smiled. "Great, I will choose something from this shop."

"Chairman Tang, don't forget to bring a partner too." Lei Yingtai reminded Yu Qi.

"Oh... Okay." Yu Qi nodded.

She was thinking of asking Long Hui if he had time to join her to go to the party. If Long Hui could not join her, she was thinking of asking Tang Han Lee or Tang Jing Wei to accompany her to the party.

After a while, Yang Bingwen and Yang Yaoru finally chose the antique that they wanted.

Yu Qi proceeded with the transaction first because Ning Sung was still not familiar with the system.

Yang Bingwen looked at Yu Qi and sighed once again. He was interested in Yu Qi becoming his granddaughter-in-law but she was already engaged to someone else.

When would his grandson get his wife? Was his grandson gay or something like that? He looked at Yang Yaoru in disappointment.

Yang Yaoru noticed his grandfather's look. "Grandpa, please tell me if you have something to say. Don't look at me like I am a dead fish."

"Humph! Nothing." Yang Bingwen said.

The payment was settled.

"Thank you for your purchase. Please come again." Yu Qi said.

They left. Yu Qi asked Ning Sung and Lei Yingtai to close the shop for the day and return home. The shop will be opened in the next two days. She wanted Ning Sung to read the information about the shop first and process it.

They walked out of the mall together. Ning Sung took a taxi and left. Lei Yingtai bowed to Yu Qi before leaving. She wanted to go to the train station nearby.

"Wait." Yu Qi stopped Lei Yingtai.

Lei Yingtai stopped and turned around. "Yes, Chairman Tang, is there anything else?"

"Where is your house?" Yu Qi asked.

"My house is at the 7th district." Lei Yingtai said.

"Oh, it is quite far from here. Let me send your back." Yu Qi said.

"It is really okay, Chairman Tang. I can take a train." Lei Yingtai waved her hands. She did not want to burden Yu Qi.

"It is okay. I can send you home. Come on." Yu Qi said.

Lei Yingtai finally gave up and hopped into Yu Qi's car. Yu Qi drove to the 7th district to send Lei Yingtai home.

Lei Yingtai thanked Yu Qi several times after arriving at her house's area before going in. Yu Qi left the area and returned home.

### **Chapter 1717 1717: Convince Yin Peizhi To Help Her**

Fang Xiaolian met with her old friend who worked with a media outlet. They were having a meeting at the cafe downtown.

"Long time no see, Peizhi." Fang Xiaolian smiled.

"Hmm... Yeah... How's Ning Sung?" Yin Peizhi asked.

She knew that Fang Xiaolian married to Ning Sung.

Hearing the name, Fang Xiaolian started to act. She let some of her tears come out.

Yin Peizhi was startled when she saw Fang Xiaolian was crying.

She immediately asked. "What is going on with you?"

"I already divorced Ning Sung not long ago." Fang Xiaolian wiped her tears with a tissue while she was talking.

"Divorce? What happened?" Yin Peizhi asked.

"He was cheated on me." Fang Xiaolian started sobbing.

"What? That bastard! How dare he do that to you? You married him even though he did not have a permanent job." Yin Peizhi slammed the table.

"He left me for a rich woman." Fang Xiaolian slowly told what she wanted Yin Peizhi to know.

done.me

"Rich woman? Is she married too?" Yin Peizhi narrowed her eyes.

She liked to get such juicy news about the rich family's life. She could write the news for her article. She was about to run out of the stories. She could use Fang Xiaolian's story for her article.

Fang Xiaolian answered the question. "No, she is not married."

Yin Peizhi felt disappointed as she heard that. However, the next statement from Fang Xiaolian made her hope up again.

"She is engaged to someone else." Fang Xiaolian added.

"Wow, that woman is sure something. Who is she?" Yin Peizhi wanted to know more about the woman.

"You should know her. She is recently on the news, I guess." Fang Xiaolian stated.

Yin Peizhi became more interested to know about that. "Quickly, tell me. Who is she?" She would not hold back from getting to know this woman.

"She is Tang Yu Qi." Fang Xiaolian said.

Yin Peizhi was shocked. 'Tang Yu Qi? The name sounds familiar. Wait! Don't tell me she is...'

"You mean that doctor and Chairman of Qinyue Group?" Yin Peizhi wanted some confirmation.

"Yes. She is." Fang Xiaolian nodded.

"No way." Yin Peizhi began to feel sceptical about this.

As far as she knew, Tang Yu Qi was very in love with his fiancé. Their relationship was very strong.

"I am telling the truth. I also have some evidence." Fang Xiaolian wanted to convince Yin Peizhi about this.

"What evidence that you have?" Yin Peizhi asked.

"I have pictures that they were meeting each other." Fang Xiaolian took out her phone and showed a picture.

A picture of Yu Qi and Ning Sung meeting each other at the cafe. Of course, Yu Qi's face was not showing. Only Ning Sung's was visible in the picture.

Yin Peizhi looked at the picture. The body was indeed belonged to Yu Qi. She took a few looks at Yu Qi's body because she admired the body.

"This meeting is at the cafe near the antique district. That woman even went as far as that to go to meet with my husband at that time... I mean my ex-husband. If you don't believe me, you can ask the cafe there." Fang Xiaolian said while crying.

"I went there and confronted them. They were shamelessly admitted that. Ning Sung said since the cat was out of the bag, he wanted to get a divorce and asked me to go back home. He left the divorce paper and asked me to sign it. He also had the nerve to ask me out of his apartment. I begged him to consider but he refused. He wanted to have money. Being with me is hard because I am not as rich as that woman who could give him a lot of money. I can not stand the humiliation that I got from Ning Sung. So, I left and returned home. I also signed the divorce paper and left the house." Fang Xiaolian was sobbing as she narrated the story.

Yin Peizhi was silent as she heard the story. What Fang Xiaolian said was kind of made sense. She had known Fang Xiaolian since they were young. She knew Fang Xiaolian's character.

"I want to sue Ning Sung. But you should know that I don't have much money with me. I am just starting a part-time job while searching for a full-time job. So, I hope you can help me to expose Ning Sung and his mistress." Fang Xiaolian requested. Then she added. "If you want money, I can pay you after I get my full-time job."

Yin Peizhi was finally convinced by Fang Xiaolian's story. "No... No... No need for you to give the money. I don't need it. You should keep it for yourself. You probably need a lot since you are going to start a new life."

"Thank you, Peizhi. I am counting on you." Fang Xiaolian said.

Yin Peizhi hugged Fang Xiaolian. "Don't worry. I will make sure to drag that cheating couple to the ground."

Fang Xiaolian smiled sinisterly. Yin Peizhi could not see the smile on Fang Xiaolian's face. Otherwise, she could not agree to help this woman.

Both of them ended the meeting and went to separate ways. Yin Peizhi once again promised to help Fang Xiaolian. So, Fang Xiaolian did not need to worry about that.

Fang Xiaolian left the cafe happily. She hoped that Yin Peizhi would publish the article about this matter quickly.

### **Chapter 1718 1718: Slander Her On The Internet**

The next day, an article about a female chairman of a huge corporation having an affair with a married man was published. There were no names mentioned in the article.

So, people began to make guesses about the identities of the cheating couple. The obvious clue that they could get from the article was the female was the chairman of the huge company. They started to comment on the article about the identity of the cheating couple.

"I think I know who the female chairman is."

"Are you thinking the same?"

"There is only one female chairman that I know."

"Is that true that she is the one?"

"So, who are you guessing?"

"Tang Yu Qi right? The chairman of Qinyue Group?"

"I think so."

"What? Why though? Why should she be cheating with a married man?"

"I thought she had a fiancée. That fiancée of hers is a very handsome soldier. He is even a high-ranking soldier."

"Yes. I know, right? If she wants to have an affair, leave the handsome man to me. I will gladly take it from your hand."

"Are you sure that her fiancée would want to be with you?"

"He might be happy being with someone that loyal to him."

"Hey, guys. Are you sure it was Tang Yu Qi?"

"Yes, you can not say it without evidence."

done.me

"Tang Yu Qi is a respectful doctor. She will never do something immoral like this."

"Are you sure about that? That she would not do something like that?"

"Maybe because she is lonely. She seeks another man's attention."

"That's right. The soldier is usually busy and does not return home so often."

"No, I believe that Doctor Yu Qi would not be doing something like that."

"Yes. I believe in Doctor Yu Qi."

"Huh... She is just a lowly woman who went after a married man."

"Why do people just focus on Tang Yu Qi, not the man?"

"Yes, that man is guilty as well. He dared cheat on his wife."

"What a scum."

"I think I want to boycott Tang Yu Qi's products."

"Up to you. I still believe in Tang Yu Qi. I want to keep using her products."

People were arguing about that.

Yin Peizhi already told Fang Xiaolian that she had published the article about that. Fang Xiaolian took a look at the article. She was happy to read the comment about Tang Yu Qi. She wanted her ex-husband to suffer the same as this.

So, she sent the picture that had her ex-husband, Ning Sung, and Yu Qi inside to Yin Peizhi. She wanted people to also know Ning Sung.

Yin Peizhi who received the picture knew that Fang Xiaolian wanted her to post the picture to the public. Actually, she was happy to see the article had been read by a lot of people. It was the first time the article had such a high traffic compared to the previous article that she wrote before.

She wanted to achieve more. So, she directly posted the picture below the article before censoring anything. So, Ning Sung's face was fully displayed. However, the face of the girl was not shown in the picture.

"Hey, we had an update. Look at the picture."

"This is the man who cheating on his wife?"

"I thought he at least good-looking. But this? What the heck?"

"Is Tang Yu Qi's taste in man changed?"

"He is not even good-looking. My father who is much older than this man is good looking than him."

"Can someone tell me who is he?"

"Does anyone know him?"

"I don't think so."

People were still commenting on the matter. Yu Qi knew nothing about this press since she had a scheduled surgery that would act like an assistant to her brother, Tang Qin Hao.

The first one from Yu Qi's side who noticed this article was Lang Sun, the person in charge of Qiaosu Entertainment. As a person who was involved in the entertainment industry, he was alerted about the news like this.

He immediately called Ming Xuehai about this matter.

"Have you read the news?" Lang Sun asked Ming Xuehai.

"Huh? About what?" Ming Xuehai was still in the dark about this matter.

"Someone is slandering our Chairman on the internet." Lang Sun told Ming Xuehai.

"What? Can you send me the link?" Ming Xuehai was surprised to hear that. He immediately requested for the link.

Lang Sun did not wait long to send the link to Ming Xuehai. "Okay, I sent it. Take a look."

"Sure. Thank you for informing me. I will investigate it as soon as possible." Ming Xuehai said.

Ming Xuehai stopped doing his current work and clicked on the link given by Lang Sun. He was brought into the article written by Yin Peizhi. He read the article in silence.

This article was seriously aimed at his big boss. He immediately went to his social media and posted something.

"Please take down your article. You don't have concrete evidence about this matter. Your article is slandering our Chairman Tang. Otherwise, please expect a letter from me."

Ming Xuehai also tagged Yin Peizhi's name in his post. Ming Xuehai was a quite famous lawyer who had fans on social media. So, when Ming Xuehai posted something, his fans would like and reposted it.

His fans went to the article and started the internet war on the article posting comments about the matter. They did not believe Yu Qi would do something like that.

### **Chapter 1719 1719: Plot Twist**

Just because of one picture that did not even show Yu Qi's face, Yu Qi had been condemned like that.

"Yeah. I think it is kind of ridiculous. They prepared a picture that showed nothing." "That's right. They were just sitting in the cafe. They were probably having a meeting about work."

"In the future, please don't have a meeting at the cafe. People would say that you are having an affair."

"Hahaha... the commenter above, you are very funny."

It started to turn to a positive side. People started to believe that Yu Qi and Ning Sun were innocent. That was right. Just because a man and a woman met alone at the cafe did not indicate they were having an affair.

Yin Peizhi was kind of panicked when people started to say negative things about her as well. They said that she was the real trash that wanted to cover her own wrongdoing.

She called Fang Xiaolian. Fang Xiaolian did not pay any attention after she looked at the article once. She was doing her nails when Yin Peizhi started to call her.

"What is it?" Fang Xiaolian asked.

"Hey, do you have any more proof showing your ex-husband having an affair with Tang Yu Qi? A picture that fully showed Tang Yu Qi's face?" Yin Peizhi asked. "What? Why?" Fang Xiaolian asked.

"People started to question the picture. It is just a picture where they were having a meeting at a cafe. They did not believe that. So, do you have any more pictures that are very intimate?" Yin Peizhi was hoping for a yes as the answer.

Fang Xiaolian frowned. Of course, she did not have anything. "I am sorry. Peizhi, I don't have it. He admitted himself that he was having an affair. So, I believe that." Fang Xiaolian said.

Yin Peizhi gritted her teeth. 'Then, what should I do now?'

Meanwhile, another wave took over the internet regarding the article. A woman claimed to be a worker at the cafe, the place where the picture was taken. She commented on the article.

"Hello, everyone. I am a worker at the cafe in the picture. I am also was there when the picture was taken. There were not many customers on that day. However, it was not because of that, I remembered them clearly. It is because that woman was so beautiful. Even I as a woman feel attracted to her. I don't know her before. After someone told me about this article, I found out who she was. I can tell you that she was really Tang Yu Qi. But everything was written in the article was a bullshit. It is a lie. It was true that Tang Yu Qi and the man in the picture were together at the cafe but they were discussing something else. When I served them the tea, I overheard the man asking Tang Yu Qi something like 'Why is she offering the job to him.' That's all. It is nothing mushy like that. It is the interesting part. Then, a woman and a man came into our cafe while holding the hand. They looked like a loving couple. It was fine until the man who was with Tang Yu Qi stood up and looked shocked as he pointed at the woman while asking, Xiaolian, what are you doing? The woman with the name Xiaolian looked very nonchalant. Without feeling any guilt, the woman admitted that the man beside her was her partner. I mean her cheating partner. She told her husband that she could no longer live with her husband because her husband did not have a permanent job.

She also told her husband (the man with Tang Yu Qi) to sign the divorce paper and submit it to the civil office. After that, the woman and the man left leaving her husband in shock. After a while, Tang Yu Qi and the man left our cafe too. That is what I want to say here. Thank you."

Then, the comment got many likes.

"Wow, a plot twist."

"I feel like I am watching a drama."

"So, the woman wants to pull the blame onto her husband?"

"She is the one cheating? And she wants to blame her husband? What a shameless woman."

"If you don't love your husband anymore, just ask the divorce nicely. No need to do something like that." "Hey, who do you know who the wife was?"

"Hey... Hey... She is the ex-wife."

"Oh, that's right. Ex-wife."

"If we want to know about the ex-wife, we need to know the identity of the man first." Yin Peizhi was paying attention to the news. She was shocked when she read the comment from the cafe worker. So, what she wrote in the article was incorrect. It was Fang Xiaolian who told her that her husband was cheating on her with Tang Yu Qi. Fang Xiaolian was a kindhearted person. 'No... That is not true. That cafe worker must be someone hired by Tang Yu Qi to clear her name. That's right. It must be it.'

Yin Peizhi logged into her second account and commented about that.

"Are you sure that the cafe worker is not someone who got hired by Tang Yu Qi to clear her name?"

"Hmm... It makes sense."

"Yes, Tang Yu Qi is a rich woman. She could pay the cafe worker to speak up for her."

Yin Peizhi was glad that someone agreed with her opinion.

## **Chapter 1720 1720: Another Plot Twist**

Then someone else joined the battle. "Hello, I am a receptionist from Qinyue Group. Even though I am working here, I am telling you guys that I did not sell my soul to Qinyue Group. About what I am going to tell you, I don't care if you don't believe me or not. It is up to you to believe whatever you want. I will start by telling you about the man in the picture together with our chairman. The cafe worker was telling the truth. Our chairman was indeed offering him, Mr Ning, a job. He came to our headquarters. I assumed he came to sign the contract. I am not sure about that. However, another man, Mr Guo, came and disturbed Mr Ning. He was very rude to Mr Ning. I heard Mr Guo ask Mr Ning what was he doing there. After that, he began to say something like, your wife left you for me or something like that. Mr. Ning was silent. Oh, I forgot to tell you that Mr Guo came to our headquarters to discuss about business. The funny thing happened when our chairman came over to the headquarters. Probably because of Mr Ning's matter. However, Mr Guo misunderstood our chairman for Mr Ning's mistress. He even offered our chairman to be his mistress and left Mr Ning. I mean does he even look at the mirror? Mr Ning's look is much better than Mr Guo's. How dare he covets our gorgeous chairman? Then, when Mr Guo realized who our Chairman really was, he begged for forgiveness. Our chairman did not care about his business at all. So, she directly canceled the meeting between Mr Guo and our company's representative. Oh, the meeting was just a discussion about the new project. So, there was nothing involved in the contract or anything like that. Our Chairman really did not want to cooperate with someone like Mr Guo. Mr Guo rushed to leave with anger. Mr Guo's full name is Guo Zhengsheng."

Another explosive turnaround. The server was down after this other information.

"Wow.... We got another information."

"Guo Zhengsheng, I think I know this man. He is the CEO of a small company. Well, the receptionist did tell the truth about his look."

"A small CEO wants a Chairman of a big corporation to be his mistress."

"It is good to have a big dream but you need to dream realistically."

"Let me take a guess. This Guo Zhengsheng is the one that having an affair with Mr Ning's ex-wife. However, they wanted to make themselves the victims. So, they twisted the truth by having someone write the article about the affair between Mr Ning and Chairman Tang."

"I think we can write a complete novel using this story."

"Yeah. That is what I think too."

Guo Zhengsheng was having a meeting with his potential client when he was addressed about this matter.

"Mr Guo, you became quite famous." The man said.

"What?" Guo Zhengsheng did not understand what the man meant by that.

"You became a sensation on the internet. You should read it." The man said. The man just found out from his secretary about Guo Zhengsheng's matter. After reading about this, he already made up his mind. He would not cooperate with this man. "Mr Guo, I will leave first." The man stood up and left without waiting for Guo Zhengsheng's answer.

"What? Wait!" Guo Zhengsheng called the man but the man did not even stop and turned around.

Guo Zhengsheng was still in the dark about what was going on. He took out his phone and typed his name. His name became the number one search. He was surprised. He did not know why his name began top one in internet searches right now. He clicked on the link. He began to read it. Then, he was shocked. His affair with Fang Xiaolian had been exposed. However, people only knew about his name, not Fang Xiaolian.

No wonder his potential client left without making the decision about this contract that they were about to sign. The potential client did not have a plan to work together with him after learning about the affair. He was fuming. He left the the place. He could feel that people were staring at him as he walked. He increased the speed of his walking. He finally entered his face. He was safe from the stares. He immediately called Fang Xiaolian about that. Fang Xiaolian was just returning home after a visit to the nail salon. She answered the call.

"Fang Xiaolian, what kind of mess that you put me into?" Guo Zhengsheng shouted right after he heard Fang Xiaolian pick up the call.

"Huh? What are you talking about?" Fang Xiaolian did not have time to pay attention since she was busy doing her nails earlier. "What now?" Fang Xiaolian was unhappy as she received an angry call from Guo Zhengsheng.

"Did you ask your friend to write the story about your ex-husband having an affair?" Guo Zhengsheng asked.

"Of course, she wrote it and published it on the internet. A lot of people condemned my ex-husband." Fang Xiaolian told Guo Zhengsheng.

She was quite proud of herself for coming up with this plan. She did not know that her plan had a lot of loop holes. "What are you saying? It is not him that is being condemned. It is me. You idiot!!!" Guo Zhengsheng shouted loudly.
