Chapter 1742

Mei Lilli told them that she would send So Pang Lim to her house. Ding Na An would return to her hotel. As for others, they lived here. So they returned home too.

When they were waiting for the taxi to come over, Bai Shu Jin, Bai Yu and his friends were coming out of the nightclub. They were fully drunk.

Yu Qi frowned. She hoped that they would not come to disturb her and her friends.

Only three of them were left. Yu Qi, Ding Na An and Song Ha Ting were still there. Song Ha Ting was waiting for his fiance to come. Yu Qi and Ding Na An were waiting for the taxi.

The thing that Yu Qi did not want to happen, still happened. One of Bai Yu's friends came over when he saw beautiful girls in the parking lot.

Song Ha Ting was a gentle girl. So, she was afraid of this kind of thing. She immediately hid behind Yu Qi. Ding Na An was quite tough since she had her soldier sister trained her.

Yu Qi stepped forward and protected them.

"Hey, beautiful girls. What are you doing here? Do you want me to accompany you?" The man said.

"Stay away from us. Otherwise, you will regret that." Yu Qi reminded the man.

The man laughed. He turned around to look at his friends.

"Hey, this girl is so fetish." The man shouted at his friends.

Bai Yu and Bai Shu Jin already lost their consciousness. There was someone who came over and took them home. Leaving Bai Yu's friends who were drunk but still not passed out.

The men began to cheer out loud.

"There are three of them. We can enjoy tonight."

"The one in the front is very beautiful."

"I already reserved her for me. I will be going to taste her first."

"Me second."

"I like the one who hid behind this friend."

Song Ha Ting knew that this man mentioned her. She trembled.

"Yu Qi..." Song Ha Ting was about to cry.

"Don't worry. I will not let anything happen to you. They will not be able to touch you. I promise." Yu Qi said.

Because they were drunk, these men could not think straight. They approached these men.

"Ding Na An, protect Song Ha Ting." Yu Qi said.

Ding Na An nodded and pulled Song Ha Ting putting her behind her.

One of the men tried to grab Yu Qi.

"Come on. I will show you what heaven is." The man said.

Yu Qi avoided his hand. The man was angry when Yu Qi avoided his hand. He tried again but still could not grab Yu Qi. He became angry.

"Donghua, help me grab this woman." The man shouted at his friends.

Two of them came to his help. They wanted to grab Yu Qi but still could not. Because of the alcohol influence, they could not think straight anymore. They became aggressive as they tried to grab Yu Qi.

The first man gave up on Yu Qi and set his eyes on Ding Na An and Song Ha Ting. He licked his tongue as he looked at Song Ha Ting. He was also the man who said he liked Song Ha Ting earlier.

Song Ha Ting began to tremble even more. She grabbed Ding Na An's clothes tightly.

Seeing this scene, Yu Qi kicked the men who surrounded her and rushed to her friend's side.

"One more step, you will end up in the hospital." Yu Qi warned again.

However, the man still stepped and approached them. Seeing the distance decrease, Yu Qi did not care anymore. She kicked the man.

The man felt a strong impact on his stomach. He ended up throwing up and passed out after that.

Then Song Ha Ting's fiance arrived. He was dumbfounded when he came out of his car and saw this scene.

Song Ha Ting rushed over to hug her fiance.

"Renshu." Song Ha Ting was glad to see her fiance was finally here.

"What happened here?" Yang Renshu asked.

"These hooligans tried to take us away. Lucky that Yu Qi is strong. She protects us." Song Ha Ting pointed at Yu Qi.

Yu Qi and Yang Renshu looked and acknowledged each other.

"Let's call the ambulance and police." Yu Qi said.

"Hmm... I will handle this." Yang Renshu said. He coughed once. "I forgot to introduce myself to you. I am Yang Renshu, Song Ha Ting's fiance. I am also a police officer."

"Oh..." Yu Qi and Ding Na An felt surprised to hear about his occupation.

"Please do so." Yu Qi nodded.

Yang Renshu called his co-workers and reported the incident.

Not long after that, the police car and ambulance stopped by. Yu Qi, Ding Na An and Song Ha Ting had been escorted to go to the police station to give a statement.

The men had been brought to the hospital to get checked if they had serious injuries.

The girls began to give their statements. The police officers recorded their statement.

The police officer allowed them to go home after everything was settled.

Yang Renshu offered to send Yu Qi and Ding Na An to their hotels. Song Ha Ting also insisted Yu Qi and Ding Na An accept Yang Renshu's help. Well, she did not want her friends to experience the same thing.

After consideration, Yu Qi and Ding Na An nodded accepting Yang Renshu's offer to send them to their hotels.
