### **Chapter 1749: Moved To FINN City**

So Pang Lim moved out of her apartment on the same day she quit her job. She had already packed everything into boxes. As for the big furniture as such the bed, closet and sofa, she already asked someone to come over and send them to the storage place where people could rent some space to store their things.

She would go to the FINN City first and stay at a hotel for the time being. She would start searching for a house or apartment to live in after that. She did not need much space in her house. A tiny apartment was enough for her.

She drove her car to FINN City. After arriving at the FINN City, she checked into a hotel. She jumped on the bed. It was a hectic day for her. She felt a burden dropped from her shoulders after quitting her job.

That man was the reason why she had been harassed at her old work. She was hoping that the same thing would not happen at her new work. She dozed off and slept until the next morning.

The next morning, she woke up at 9 p.m. She had an appointment with Yu Qi at 4 p.m. She still had time to spare. So, she decided to go to the real estate office after breakfast to look for an apartment to stay.

So, she went out. She found one of the real estate offices not far from the hotel where she stayed at. She read the review about this place before deciding to go over there. The review was quite good. That was why she decided to go to that real estate office.

She entered the real estate office. There were two people at the front desk. One man and one woman. Both of them looked at So Pang Lim. So Pang Lim could see that the saleswoman suddenly showed a disgusted expression when she looked So Pang Lim.

The salesman stood up and greeted So Pang Lim with a smile. So Pang Lim nodded.

"So, what's bring you here?" The salesman asked.

"I am looking for an apartment." So Pang Lim answered the question.

"What kind of an apartment that you have been looking for?" The salesman asked for more detail.

"Hmm... It should have a living room, a dining room, a kitchen, two rooms and two bathrooms in each room. It should not be too small or too big." So Pang Lim explained.

"Sure. Please take a look at our apartment section. Here, we have an apartment with 500 sqft. The first room is bigger than the second room. It has everything that you wanted earlier." The salesman opened the catalogue and showed an apartment.

So Pang Lim looked at the picture of the apartment. Thinking about her previous apartment, which was also 500 sqft. She was thinking of getting more space in the apartment. She wanted to make a small gym at home. A slightly bigger room is needed for that.

"Hmm... Do you have another one with a bigger size?" So Pang Lim asked.

The saleswoman chuckled when she heard the question. So Pang Lim frowned. The saleswoman shut her mouth when she noticed So Pang Lim looking at her.

"Why are you laughing?" So Pang Lim asked. She was someone who liked to be direct.

"You should take what we offer you. I did not want to embarrass you. You can not afford to buy the bigger apartment." The saleswoman stated.

"Shulian!" The salesman called the woman's name.

Then a couple came in. They were looking rich. The man was wearing a suit while the woman was bringing a luxury bag. The saleswoman quickly went and greeted the couple.

"Hello, Sir, Miss." The saleswoman smiled.

"Hmm..." The woman nodded.

"What can I help you with today?" The saleswoman asked.

"I would like to look for a house." The woman said.

So Pang Lim returned to talk to the salesman. The salesman was kind enough to show other options that fit So Pang Lim's requirements. She already had the choice. She was about to point out which one she wanted when suddenly, she heard someone shout 'expensive'.

She and the salesman turned to the source of the shout. It was the couple.

"Miss, this is not expensive. The price is very suitable for a house of this size." The saleswoman explained.

"No... I want this house but I want you to lower the price. Otherwise, we will not buy it." The woman demanded.

"Miss, I am sorry. We can not do that. It is the best price for this house. I can not lower the price too much." The saleswoman stated.

"Humph! Then, we are leaving. We are going to find another real estate." The woman stood up.

The man did not say anything just followed the woman. They left the place.

"Tsk... you wear some expensive thing but can not afford this price. Humph!" The saleswoman clicked her tongue while complaining.

She then looked at So Pang Lim. "And you are still here?"

"Shulian!" The salesman glared at the saleswoman. He turned to So Pang Lim. "Please don't mind her."

"Yeah... I don't mind stupid person." So Pang Lim smiled.

"What did you just say to me?" The saleswoman said.

Ignoring the saleswoman, So Pang Lim pointed at the apartment that she wanted. "Please prepare the document for this apartment. I want to buy it."
