Chapter 1751: Welcoming So Pang Lim Into Qinyue Group.

"Let's go to the meeting first. Chairman Tang would arrive soon. She is on the way." Lei Yingtai said.

"Sure." So Pang Lim nodded.

She followed Lei Yingtai. Lei Yingtai looked very professional. She really looked up for someone like that.

"Owh, there would be someone else joining the meeting." Lei Yingtai informed So Pang Lim.

"Someone else?" So Pang Lim asked.

"Yes, the manager of Qi Qi Skincare's factory. You will be working under him later." Lei Yingtai stated.

"Oh, I see." So Pang Lim nodded.

She just hoped that the manager was reasonable.

They arrived at the meeting room. Lei Yingtai gestured So Pang Lim entered first.

"Please take a seat first. I will go and prepare some drinks. Which one that you prefer? Tea or coffee?" Lei Yingtai asked.

"Coffee, please." So Pang Lim said.

"Sure. Please wait a minute." Lei Yingtai smiled and left the meeting room.

So Pang Lim looked around. Even the meeting room looked elegant. She did not expect to have a chairman of a large group of businesses as a friend.

Then, the door was opened. Yu Qi entered with a man. It was a man who collided with her earlier.

"Pang Lim..." Yu Qi greeted So Pang Lim.

"Hmm..." So Pang Lim nodded.

"Sorry, I am late." Yu Qi apologized.

"It is okay. I know you are busy." So Pang Lim shook her head.

Lei Yingtai entered the door with a tray. She served them the drinks. Coffee was for So Pang Lim and Song Tai. Tea was for Yu Qi since Yu Qi preferred tea over coffee.

Then, she took out the document needed for this meeting and placed it on the table in front of Yu Qi.

"Thank you, Yingtai." Yu Qi stated.

"My pleasure, Chairman Tang." Lei Yingtai nodded.

"Okay. Here is the contract for your employment. Please read it properly. If you have something to say, please tell me. I will try to make the changes in the contract." Yu Qi said.

She pushed the document to So Pang Lim. So Pang Lim took the document and started to read it. It was a standard employment contract. All of the terms and benefits were mentioned properly in the contract.

Her job description was also mentioned in the contract. She read that to understand her job.

"So, I need to research the skincare products and produce them, am I correct?" So Pang Lim asked.

"Yes, you also need to take a look at the market demand and supply as well." Yu Qi stated.

So Pang Lim nodded several times.

"I understand. The contract looks good." So Pang Lim said.

"Then, let's sign it." Yu Qi stated.

Both of them signed the contract.

"Then, let me introduce you to Qi Qi Skincare's factory manager, Song Tao. You will have a lot of interaction together." Yu Qi said.

"Hello, I am So Pang Lim. Let's work together happily." So Pang Lim handed out her hand to shake hand with Song Tao.

"Hi, I am Song Tao. Nice to meet you." Song Tao also did the same.

Yu Qi looked at the time. It was already 6 p.m. The office hours already ended an hour ago.

"I am sorry that you have to accompany me even after the office hours ended." Yu Qi said to Lei Yingtai.

"It is okay, Chairman Tang. I don't mind." Lei Yingtai stated.

"Hmm... Why don't we go to an early dinner together? How is it?" Yu Qi invited them.

"Let's go." So Pang Lim said.

Song Tao and Lei Yingtai nodded.

So, four of them went to a restaurant. When Yu Qi entered the restaurant, the customers ended up looking at her.

"Wow, Yu Qi, you are famous." So Pang Lim stated.

"Chairman Tang is involved in the stupid scandal lately. The tension is still there." Lei Yingtai stated.

"Yeah. I read about that. That is so stupid. Why would Yu Qi cheat on Mr Long?" So Pang Lim shook her head.

"Yeah. Chairman Tang would not do such a thing." Lei Yingtai was excited to talk about that.

Yu Qi was someone that Lei Yingtai admired. That was why she was excited when talking about Yu Qi. Then she realized that Yu Qi was there too. She began embarrassed.

Song Tao and Yu Qi looked at each other and laughed.

Even though people were kind of staring at Yu Qi, they ignored the stare and continued to eat their dinner.

The dinner ended. Lei Yingtai and Song Tao excused themselves. Only Yu Qi and So Pang Lim were still together.

"Hey, where do you live right now?" Yu Qi asked.

"I am currently staying at the hotel." So Pang Lim answered.

"Have you find a place to live?" Yu Qi asked again.

"Yes. I already buy a house at Starway Complex Building." So Pang Lim grinned.

"You are fast." Yu Qi commented.

"I find what I like. I have some savings. So, I buy it right away." So Pang Lim stated. "It have three rooms, two bathrooms, a living room, a dining space, and a kitchen. I am thinking to renovate one room into a gym space where I can exercise there."

"Hmm... That is good thing." Yu Qi nodded.

Yu Qi did not think she needed a gym room since she could enter her space. There was a room that full with the gym equipment.

"Do you know any interior designer that I can hire to renovate my house?" So Pang Lim asked.

"Sure, I will give you her contact number later." Yu Qi said.
