Chapter 1755: Their Master Left Them Outside

"Feel like a real cat, right?" Yu Qi smiled.

"Yeah. How do you make it happen?" Long Hui asked.

"I have a few experts to create it." Yu Qi stated.

"I see..." Long Hui nodded.

"I will be staying at my master's side all the time now," Neko-chan said happily.

It was until Neko-chan spotted Long Hui was glaring at her. The look on Long Hui's made him terrified to look straight at him. She ended up hiding behind Yu Qi.

"Master... meow..." Neko-chan cried for her master.

"Why are you scaring the cat?" Yu Qi asked Long Hui.

"What? I am just staring at her." Long Hui feigned innocently.

"You often stare at my little cuties that way." Yu Qi claimed.

Long Hui coughed. "Well, she should not be by your side all the time."

"You are jealous, am I right?" Yu Qi chuckled.

"Yes." Long Hui admitted it.

Yu Qi laughed. "Why are you so cute?"

"Qi Qi, you can not say that to me." Long Hui narrowed his eyes.

"Then, what?" Yu Qi snorted.

"It seems you want to be punished." Long Hui smirked.

Long Hui pulled Yu Qi and gave her a deep kiss. Neko-chan was watching them with shining eyes. It was like watching a love drama. So, romantic.

Long Hui finally released Yu Qi for a breath. Yu Qi was catching her breath. Her face was red. Her sight was clouded.

"So, when are you going to bed?" Neko-chan's question stunned Yu Qi.

She finally remembered that Neko-chan was still there watching them with interest. She coughed once to clear her throat.

"Let's go inside the space first." Yu Qi lifted Neko-chan and held Long Hui's hand.

In a split second, they entered the space right away. Her little cuties were waiting for her. She already told them that Neko-chan would finally be with them here.

"Everyone, meet Neko-chan." Yu Qi introduced Neko-chan to everyone.

It was not their first time meeting each other but it was their first time meeting Neko-chan with her new body.

"You look like a cat," Xiaohua commented. She rubbed Neko-chan's body. "Wow, your fur feels soft."

"Of course, it is. I make them that way... Meow..." Neko-chan smiled proudly.

"What? Is it that soft? Let me feel it." Aoi said. He then touched the fur. "What is this? It is very soft and smooth. Can I get the soft and smooth fur as you?" He asked.

"Hmm... Let me see if for you... Meow..." Neko-chan went online to search for how a dog could get soft and smooth fur. "Come here, meow..." She called Aoi.

Aoi came closer to Neko-chan. Shino also gets closer. He also wanted to know about that.

"You can ask Master to buy this shampoo. Meow ." Neko-chan showed the picture of the shampoo.

"Great. Let's ask Master now." Aoi stated.

They looked around to find no human standing around. Their master and that man already disappeared.

"Where are they?" Shino asked.

"Oh, if you are looking for Master and that man, they already went inside." Bo Ya said.

When they were talking, Bo Ya caught Yu Qi and Long Hui leaving. To be precise, Long Hui was pulling Yu Qi over.

"Owh, they must be in making love process... Meow..." Neko-chan said excitedly.

She was interested in their story of love but when she was facing Long Hui, she was kind of scared. Like earlier, she did not know why she felt fear when she was only an AI.

Yu Qi received a deep kiss again after they were in the room. After playing and sulking with Yu Qi's tongue, Long Hui released Yu Qi for a breath.

"No more disturbance." Long Hui smiled as he licked his lips.

Yu Qi happened to see it. She was kind of staring at Long Hui's lips. Long Hui saw it. He thought Yu Qi felt that the previous kiss was not enough.

"Don't worry, I will kiss you more." Long Hui chuckled.

....

Feng Yue was feeling tipsy after having some drinks with her boyfriend and his friends. Xia Zi Qie told her that he wanted to introduce her to his old friends. The friends were from high school.

Of course, Feng Yue agreed. She wanted to know Xia Zi Qie's circle. They went to the Rose Nightclub.

His friends were also in the room when Feng Yue and Xia Zi Qie arrived. There were eight men and three women in total.

After they entered the room, Xia Zi Qie greeted them and introduced Feng Yue to his friends. They replied with 'Hi' and 'Nice to meet you.'

Feng Yue politely nodded at them. However, someone, particularly, a girl stared at Feng Yue as if she wanted to ask for a fight.

Someone noticed that and patted the woman's shoulder. The woman then stopped staring at her. Feng Yue caught her, now, glancing at her boyfriend.

Feng Yue thought she could connect the dots. This woman seemed to have feelings toward her boyfriend.

Well, having a boyfriend who had admirers showed that the man was charming. Feng Yue felt proud when she thought about that.

"Are you working?" The woman whom Feng Yue suspected of having a feeling for Xia Zi Qie, asked Feng Yue a question.

"Yes." Feng Yue nodded.

"What kind of job that you do?" The woman asked again.

"Just normal office work, dealing with paperwork." Feng Yue answered.
