Chapter 1757: For The Rest Of His Life

"I already brought her to see my family. They did not mind having her as my future wife, especially my grandparents." Xia Zi Qie stated.

As for his parent, he did not care what they thought. They just thought about his elder brother anyway.

"What? Impossible! They would accept a girl from a poor family like her." Huang Yanyu stated.

"Huh? A poor family? Does Feng Family sound poor to you?" Xia Zi Qie asked.

"What? Feng Family?" Huang Yanyu asked.

"Zi Qie, don't tell me Feng Yue is from that Feng Family?" Liao Xia was surprised.

"Huh? What are you talking about?" Hang Yanyu asked, feeling confused by Liao Xia's words.

"Feng Cooperation, I think you know that, right?" Liao Xia asked Huang Yanyu.

"Of course, I heard about that... Wait, don't tell me that she is from that Feng Family." Huang Yanyu looked at Feng Yue who smiled proudly. "Impossible." She could not believe that.

"What? Is that true?" The male friend joined the conversation.

"Wow, Zi Qie landed a grand prize."

"Nice one."

"Yue is not a prize." Xia Zi Qie stated.

"Impossible. She is not from the Feng Family." Huang Yanyu still denied the fact.

"Huang Yanyu, stop it." Liao Xia said.

"Liao Xia, she is just confused." A male friend, Yin Zhaohui, came forward to defend Huang Yanyu.

Liao Xia looked at Yin Zhaohui. She knew that Yin Zhaohui had a feeling toward Huang Yanyu but he did not dare to confess to Huang Yanyu.

It was true that Yin Zhaohui had a feeling toward Huang Yanyu. However, he did not confess to Huang Yanyu because he knew that Huang Yanyu liked Xia Zi Qie.

When he knew that Xia Zi Qie would come over, he knew that Huang Yanyu would tag along together. That was why he attended this gathering as well.

He was surprised to find out that Xia Zi Qie found himself a girlfriend. Hang Yanyu must be shocked and sad this time.

"Zi Qie, why don't you look at me? I always like you." Huang Yanyu expressed her love to Xia Zi Qie.

Everyone except for Liao Xia, Feng Yue and Yin Zhaohui was shocked. They did not know that Huang Yanyu had feelings for Xia Zi Qie. The situation became awkward.

"Yanyu, what are you talking about?" A male friend asked.

"Yeah, you should know that Zi Qie already has his girlfriend." Another male friend stated.

Xia Zi Qie looked at Huang Yanyu. Seeing Xia Zi Qie looking over at her, Huang Yanyu felt that she was the main character right now.

"I am sorry to disappoint you but you are not my type at all." Xia Zi Qie dropped a bomb on Huang Yanyu.

Xia Zi Qie's words made Huang Yanyu's imagination break into pieces.

"Xia Zi Qie, you should not say those cruel things to her." Yin Zhaohui said.

"What is my boyfriend supposed to say?" Feng Yue asked.

Yin Zhaohui did not answer the question.

"I will leave early. Yue-er, let's go." Xia Zi Qie said.

"Sure." Feng Yue nodded.

Seeing their hands linked, Huang Yanyu snapped.

"Zi Qie, you should hold my hands, not her!" Huang Yanyu shouted.

Liao Xia thought Huang Yanyu finally become crazy. She was like a fan who was crazy over her idol. The fan who she thought the idol existed only for her fan. If that idol had a girlfriend, she would not accept that.

That behaviour was the same as Huang Yanyu acting right now. She could not stand seeing Xia Zi Qie act like that with Feng Yue. Well, Huang Yanyu seemed to drink a lot of alcohol. It might add spice to this.

"Miss Huang is really funny. Why should he hold your hand and not mine? He is my boyfriend. Of course, he will hold my hands. He will hold my hands for the rest of his life." Feng Yue declared her sovereignty on Xia Zi Qie.

Xia Zi Qie felt embarrassed when Feng Yue said that in front of other people. But it was not a bad feeling.

Xia Zi Qie's friends were surprised to hear the statement. They also got to see Xia Zi Qie became embarrassed. The single dogs felt jealous. They wanted a domineering girlfriend as well.

"No no no!" Huang Yanyu shouted. "He will be mine! I will take him from you."

"Zi Qie, she wants to take you from me. Are you going to let that happen?" Feng Yue asked the question with a joking tone.

Xia Zi Qie knew that Feng Yue liked to joke but the question was not a joke. Xia Zi Qie turned his eyes toward Huang Yanyu.

"Let me phrase the words once time. I already have a girlfriend. I will get married to her and spend the rest of my life with her. You are not even in the picture. I hope you will wake up from your delusion." Xia Zi Qie said. He then looked around at his friend. "Sorry, guys. I can not stay here anymore. I am sorry."

"Never mind. We can meet another time."

"Yeah. Next time, we will have guys meeting only."

"Just leave first. We will handle the situation here."

Huang Yanyu shook her head. She wanted to chase Xia Zi Qie but Yin Zhaohui held her hand. He did not let her go even though she tried to pull her hand.

Liao Xia sighed. She turned to Cai Huian who just kept quiet from the situation. She wondered why. To be surprise, Cai Huian was writing something in her notebook.

It seemed Cai Huian was going to use this situation to write her new novel.
