Chapter 1759: Went to The Suspicious Island

"Are you ready?" Long Hui asked.

"Hmm..." Yu Qi nodded.

It was the day when they would be visiting the suspicious island. They were going to be driving for about 2 hours to arrive at the jetty. From the jetty, they would be going to take a boat to the island. Even though there were a lot of people who went missing, they did not stop people from coming to the island. It was because the island was very beautiful. The beach was very good and it also had a beautiful marine life. It was a good spot for snorkelling. Yu Qi and Long Hui were disguised themselves as Qin Yue and Xie Likui in order to prevent people from recognizing them. Well, they were quite famous recently due to the Qinyue Group's establishment and the scandal that occurred recently.

Yu Qi was looking at Long Hui who was wearing Xie Likui's face when he was driving. Long Hui noticed that.

"Why are you looking at me like that?" Long Hui asked.

"Hmm... It feels amazing looking at your old appearance." Yu Qi stated.

"No, don't stare at it for a long time." Long Hui stated.

"What? Why can't I? It is your face to begin with." Yu Qi said.

"But it is not my current face." Long Hui said.

He felt jealous when his fiancée stared at his appearance right now. It was not his face right now.

Yu Qi laughed. "My Hui is jealous. Don't worry. It is not your faces that I love. But your soul. Even though your face changed, I still love your soul." She added.

Hearing that, Long Hui felt a little bit better. He also felt the same. He loves her soul as well. Whether she was Yu Qi or Qin Yue, it was the same soul. After two hours of driving, they arrived at the jetty. It was not a big jetty. Just a medium size. They parked their vehicle and went to the counter to buy the boat ticket to go to the island.

"Ticket for two." Yu Qi requested.

The person who sold the ticket laughed. "You are so lucky. There are two tickets left."

Yu Qi took out some cash to pay for the ticket.

"Oh, I forgot to tell you that we don't accept cash here. Please pay it by your phone or your card." The person stated.

"Okay." Yu Qi nodded.

She was about to take the card out but she already heard the sound beep indicating that the payment had been made. Surely, it was Long Hui who paid it by his card.

"Here are your tickets. Please go to the boat as soon as possible since they will be departing soon." The person said.

"Thank you." Yu Qi nodded.

"You're welcome." The person smiled.

It was not hard to find the boat since there was only one boat. It was already full with the passengers when they were onboard. They took their seats at the corner of the boats. When they stepped into the boats, they sensed someone who was not supposed to be there. Yu Qi and Long Hui looked at each other acknowledging what they had sensed. Since they were in a boat that was packed with passengers, they could not move freely. They needed to wait until they arrived at the island.

It took about one hour to arrive at the island. Indeed the view was stunning. They arrived at the jetty of the island. Since they were the last to board the boat, they became the first ones to board the boat. Once they unboarded the boat, they were surrounded by the people who wanted to pull them to stay at their chalet and the people who asked them to rent a car from them. Yu Qi and Long Hui needed a car to move around. So, they rented a car for two days. Yu Qi and Long Hui were startled when the presence that they sensed on the boat was already gone. They looked around but did not sense anything. "Let's walk around first. The island is small. We might find them later." Long Hui suggested.

Their aim for coming to the island was to find the reason why people kept going missing after visiting the island. Both of them went around the island by car. They arrived at the corner of the island where there was a luxury resort located over there. They went to the resort to check-in. "Welcome to Longwing Resort." The resort receptionist welcomed them with a smile. "We have a reservation under Qin Yue's name." Yu Qi stated.

"Please wait a minute. I will check it." The resort receptionist stated.

She checked in her computer. There was indeed a reservation under Qin Yue's name. "It is for two people, am I correct?" The resort receptionist asked.

"Yes." Yu Qi nodded.

"Please give me your ID for me to process the check-in." The resort receptionist requested.

"Sure." Yu Qi nodded.

She took out an ID that had Qin Yue's name on it and gave it to the resort receptionist. She was glad that they were preparing some fake IDs for this trip. The resort receptionist took the ID card. "Please wait for a moment. I will handle the check-in process for you." "Thank you." Yu Qi said.

While the check-in process had been made, Yu Qi looked around the resort. It was indeed a luxurious resort.
