Chapter 251: Something New

"What is it, Yu Qi?" Vice Captain Jung Xi Wan asked when he reached Yu Qi's place.

"I want to do something new. Is that okay, Senior?" Yu Qi asked him back.

"Something new?" Vice captain Jung Xi Wan did not maintain his excitement, so he spoke loud and to be worse, the sentence had been heard by the audience through the microphone that he held.

Vice Captain Jung Xi Wan was smiling in silly. Now everyone knew about that. Someone from the audience was shouting to them.

"Let us see."

"Yeah."

Yu Qi nodded to Vice Captain Jung Xi Wan

Close the microphone, Vice captain Jung Xi Wan spoke to Yu Qi. "Are you confident about the things that you want to do?"

"Yeah." Yu Qi answered with confidence.

"Then, I will leave it to you." Vice captain Jung Xi Wan said. "What are you trying to do?"

"Shooting while closing the eyes." Yu Qi answered with a smile.

"Really?"

"Yeah."

"Okay. Do what you can do, then."

Vice Captain Jung Xi Wan moved back to his original place.

"Our Queen wants to try something new. Even I haven't seen it. Everyone, she will shoot while closing her eyes." Vice Captain Jung Xi Wan announced it.

The audience started to talk among themselves. The girl was very amazing. She wanted to challenge something unbelievable.

Yu Qi called one of her club members to bring the cloth to close her eyes. She reloaded the bullet in her gun. Then she closed her eyes with the piece of the cloth that she requested before.

Yu Qi lifted up her gun and aim for the target board. She released the shots. The audience was silent. Yu Qi opened her eyes and saw the result. She saw the three different shots around the ten point mark. She did not manage to score the ten point. It was just the nine point.

But the audience went crazy when looking at the result. Even it was not ten point but still, she managed to get the nine point score.

"This girl managed to score the nine point with her eye closed. Amazing."

"It was very great."

"She was very amazing."

"The host told that she won the first place in the shooting competition. She is very worth to win first place."

"Okay, it is the end of our main event. Which mean the end of the promotion. Those who want to join our club, you can fill in the form first. From that, we will select our new members." Vice Captain Jung Xi Wan said.

Yu Qi disappeared from the eyes of the audience. She went to where her club members gathered.

"Our queen is amazing. Let us worship you."

As usual, her club members were joking around. Yu Qi laughed.

"Okay, I permit you to worship me." Yu Qi also acted like a proud goddess.

"Oh, no.?Our queen had been influenced by our vice captain."

Yu Qi was laughing.

"What? It is bad if she had been influenced by me?" Vice Captain Jung Xi Wan appeared.

"Yes." The other club members answered at the same time.

"You guys." Vice Captain Jung Xi Wan chased the club members.

After a while, well to be exactly after the club members finally been chased by Vice Captain Jung Xi Wan, they went to collect the form that been filled up by the new students that wanted to enter the shooting club.

Chapter 252: Vice Captain Is A 'sM's For Sure

When they went to see the booth, there were people that still filled up the form. The promotion event for the shooting club was very successful. Mostly due to Yu Qi's performance.

"Vice captain, we are going to photocopy this form. It is not enough." One of the club members who take care of the booth said.

"No need." Vice captain Jung Xi Wan stopped them.

"But why?" The club member asked.

"It is not needed anymore." Vice captain Jung Xi Wan said while looking at the already filled form.

The club members looked at each other. If he said so, it was okay then.

"Looking for this number of the filled up forms, it must exceed 100 students. Senior, our club limit only to 100 members only." Yu Qi reminded Vice Captain Jung Xi Wan.

"Look like we have to conduct our sacred test." Vice captain Jung Xi Wan smiled.

The club members finally understood what the vice captain Jung Xi Wan said when the forms were not needed anymore.

"Shi Man, go and make the announcement that the shooting club will select its new club members now. Those who interested can come to our training ground at 4 pm." Captain Heng Ru Yen made the order.

"Oh, Ru Yen, you are here." Vice captain Jung Xi Wan said sweetly to Captain Heng Ru Yen.

"It begins." The club members whispered to each other.

"Yeah. Jung Xi Wan always wants a beating from Heng Ru Yen." Friends of Vice Captain Jung Xi Wan and Captain Heng Ru Yen commented.

"Vice captain is an M for sure." The clubs members laughed.

They still had two hours of the appointed time. So, Yu Qi had free time. She decided to walk around to see other clubs.

'Aoi, where are you?' Yu Qi asked Aoi through telepathy.

'Sleeping. Why, master?'

'Come to me. I will treat you.'

'Really? Wait for me, master. I'm coming for you.' Aoi woke up and started running toward his master when he heard his master was going to treat him.

'Master, I want it too.' This time Bo Ya talked to Yu Qi through telepathy.

'Okay. I will buy for you too.' Yu Qi smiled.

Not less than ten minutes, Aoi could be seen running toward her. Some of the students wanted to touch him but he avoided it fast.

'Master.'

'You are very fast when comes to food.'

'Food is very important.'

'Then, food or me, which is more important?'

'Of course, Master. Without you, I will die too.' Aoi answered fast.

Yu Qi smiled. 'Come, I will carry you. Here, there are too many people.' Yu Qi lifted Aoi up.

'Okay.' Aoi agreed. Because he did not need to walk.

Yu Qi brought Aoi to the stalls that sold food. She stopped one stall by one stall buying the food to Aoi. Also not forgetting for Bo Ya. Yu Qi only ate a little. The rest for Aoi and Bo Ya.

"Miss Tang." Someone called her from behind.

Yu Qi turned to see the person. It was Senior Man He Jing. A senior from the martial arts club.

"Long time no see, Miss Tang." Senior Man He Jing greeted her.

"Yeah, long time no see. How are you?" Yu Qi replied to his greeting.

"As usual. I saw your club event earlier. It was very amazing." Senior Man He Jing praised Yu Qi.

"Thank you, Senior. How about your club?"

"We are doing the same thing as the last thing." Senior Man He Jing answered.

"I see. It is good then." Yu Qi nodded.

"It should be better if you are still with us." Senior Man He Jing said in a sad tone.

Yu Qi could not comment on what Senior Man He Jing just said. It was not her choice but the martial art club's choice to kick her out only based on the rumor.

"I should fight for you back there. If not, I will not regret this." Senior Man He Jing sighed.

"It's okay, Senior Man He Jing." Yu Qi told Senior Man He Jing.

Yu Qi did know that Senior Man He Jing spoke on her behalf to the martial arts club regarding the rumor. But the martial arts club's management only turned his words to air despite he was the second in command in the martial arts club.

"So, what are you doing here?" Senior Man He Jing asked ended the previous topic.

"Oh, I just wander around. Since there are food stalls, I bring my dog to eat." Yu Qi showed Aoi to Senior Man He Jing.

Chapter 253 - 253: Suspicious Conversation

"I can see your dog like to eat." Senior Man He Jing commented.

"Yeah, he really likes to eat." Yu Qi nodded.

"Oh, I heard about your club's announcement." Senior Man He Jing mentioned about the announcement.

"Well, after the event, there are a lot of people who want to join us. So, our vice captain wants to settle it out." Yu Qi said.

"Huh? How?" Senior Man He Jing asked.

"I heard there will be a test for everyone. If they passed that test, they will be allowed to join our club." Yu Qi explained.

"What's the test?" Senior Man He Jing became interested in that.

"Well, I heard from another senior in the club. The test is the endurance of holding the two buckets of water with their two hands in one hour." Yu Qi recalled the test that the seniors in the club told her.

"That lame test?" Senior Man He Jing was dumbfounded when he heard about the test.

"I know that's of lame but our vice captain told it was easy to see their determination that way. Whoever does not want to participate in the test, they can leave but their name will be banned forever from our club." Yu Qi agreed with Senior Man He Jing's thought but she also agreed with her vice captain doing. It was indeed easy using this kind of lame test.

Senior Man He Jing nodded. He needed to return to the martial arts club now. Seeing and talking to Yu Qi like this, he could not shake the disappointing feeling that she was not already in his own club. He sighed.

"Yu Qi, I need to go now. If we have the chance, let's meet again." Senior Man He Jing smiled.

"Okay, senior." Yu Qi nodded.

Yu Qi watched Senior Man He Jing left. Aoi saw the person talked to his master quickly turned to look at his master. Yu Qi saw the look given by her dog, understood her dog's thoughts.

'Okay, I know.' Yu Qi answered Aoi.

The two of them started to walk again. Whenever Aoi spotted the food that looked delicious to him, he urged his master to buy for him. Yu Qi did have the intention to spoil him today. She would buy anything that he wanted for today. Of course, she did not forget about Bo Ya either.

Yu Qi glanced at her watch. She got about twenty minutes before the time mentioned in the announcement. Her hand was also full of the food that she wanted to give to Bo Ya.

'Aoi, it's time. I want to enter the space first to give this food to Bo Ya. Do you want to enter the space too?' Yu Qi was waiting for Aoi's answer.

'Yes.' Aoi answered.

'Okay. Let's go find someplace that did not have people.' Yu Qi walked.

'Master, why don't we just go to the toilet?' Aoi suggested.

'That is a great idea. But we can not go to the nearby toilet. We need to go to the other toilet.'

'Why is that, master?'

'Right now, there are a lot of people here. So I bet there is a line of people that waiting to enter it. We did not have time to spare anymore.'

Aoi nodded understood what his master says. 'Then, let's go.'

They walked to the toilet that located not so far from the other toilet but there were not many know from that. It was because the location of the toilet was hidden. Only people that used to the area knew about this.

Yu Qi entered the toilet and then her space. Bo Ya greeted Yu Qi happily. Bo Ya was waiting for her. More specifically, the food that she brought for him.

"Here your food." Yu Qi gave it to Bo Ya.

"Thank you, master." Bo Ya smiled so happily until Yu Qi could see his chubby cheek.

"You two, I will be leaving now." Yu Qi said and got out of her space.

However, when she got out of her space, her ear picked some sounds. Some people were here.

"Don't worry. I already check this toilet. No one was here." It was a man's voice.

"Okay, then." Another man's voice could be heard.

Yu Qi did not make any sound as she tried to listen to the men. She peeked at the two men. There were two men. One had an average height of the man, another one had a height that almost two meters.

"Where is the thing?" The shorter man asked.

"Here." The taller man gave a package.

"Wait, it is lighter than usual." The shorter man felt the weight of the package was not the same as usual.

"Bro, the price of this thing already increased. I already gave a discount since you are a repeating customer." The taller man said.

"You..." The shorter man wanted to retort back but he ended?swallowed his own saliva when he heard the taller man said this.

"If you don't want, it is okay. But you can forget getting the supply from me after this." The taller man said with a?threatening smile.

Chapter 254 - 254: The White Powder Again

The shorter man made an expression showing that he was?unsatisfied with it but did not voice it out. If he complained about it, he might lose his supplier. It was not easy for him to make an interaction with the supplier.

"Well?" The taller man asked with a faint smile on his lips.

The shorter man sighed. "I will take it. Here is the payment." He brought out an?envelope from his pocket's jacket and gave it to the taller man.

The taller man took it. Without checking what in the?envelope, he put it in his bag.

"Are you not going to check it?" The shorter man asked.

"You know our trade works. I will check it later. If it is not enough, you know what will be going to happen to you, right?" The taller made a gesture slicing his hand toward his neck. Meaning the head would be cut off.

The shorter man shivered. He understood the gesture. He did not want to die yet.

"Well, then. Until we meet again." The taller man left the place leaving the shorter man.

The shorter made did not say anything just watching the taller man left. His attention was focused on the package that he received just now. He opened it and brought out some of it. And smelled it. His face showed an excited expression. He then closed the packages and left the place too.

The two men did not realize that there was someone was watching their suspicious trade. Yu Qi was thinking about the package that the shorter man held.

It was the white powder that she encountered at Hanwei University. Meaning someone was doing some dark business at Starlight University. She could not do anything to the men. Her instinct told her to do not mess with the taller man. That was why she did not attack them earlier. She did not even move her body either. So, she did not take a photo or something like that as the evidence.

As the shorter man, he seemed to a student at Starlight University. She would be able to find him because he was wearing a faculty jacket at Starlight University. However, she did not sure which faculty it was.

Yu Qi glanced at her watch. Oh, no. She was already late for her club gathering. She would leave this matter for now. Her shooting club was more important for now. She went out and started to run to her club training ground. When she arrived there, it was full of the new students that wanted to enter their club.

Captain Heng Ru Yen coughed several times and that got the attention of the new students. They were waiting for Captain Heng Ru Yen to talk.

"For those who want to enter our club needs to take this test." Captain Heng Ru Yen spoke and paused for a moment before continued. "The test is you have to endure two buckets that full of water with your hands for one hour. For those who do not want to take the test, you can leave. We will not force the students to join our club."

"This is the size of the bucket." Vice Captain Jung Xi Wan said while holding the bucket.

The new students talked to talk among them. Some of them showed an unhappy expression. Some of them looked like they were thinking about doing the test.

"Hey, how many do you think will stay?" One of the club members whispered.

"Maybe one per four of this group." Another club member joined the conversation.

"Maybe less than that."

Chapter 255 - 255: Welcoming The New Members

The new students looked at each other. The first leaving the place of a group of men. Then others followed them until only ten people left. Nine men and one woman. They looked very determined to enter the shooting club.

Everyone on the shooting club smiled at the ten new students. 'This is our new club members.' That was everyone's thoughts.

Captain Heng Ru Yen still in his stoic face as he spoke again. "Are you sure to undergo the test? This is your chance to quit now."

The ten new students did not move from their place looked at Captain Heng Ru Yen.

"Okay, then. Let's go undergo the test. Follow me." Captain Heng Ru Yen said.

The ten new students followed Captain Heng Ru Yen into the club room. The club room was very big since it had been renovated after the club won third place in the shooting competition. So it had enough place for all the club members gathered in one room. The ten new students looked they prepared themselves for the test.

Captain Heng Ru Yen signaled Vice captain Jung Xi Wan. Vice captain Jung Xi wan understood the signal. Captain Heng Ru Yen left the happy announcement for Vice captain Jung Xi Wan to tell them about that since he did not good at handling it.

Vice captain Jung Xi Wan then signaled the other club members to get ready.

"Let's..." Vice captain Jung Xi Wan paused. "Welcome our new club members."

The other members blew their party blowers. Others went to get the cake that the club members prepared for welcoming the new club members.

The new club members were dumbfounded with all this. They thought they would undergo the test first. But now, no test

"Vice captain, you need to explain to them first." Shi Man Xie said to Vice Captain Jung Xi Wan after watching the new club members were dumbfounded with this situation.

"Everyone, the test that we mentioned just now was to measure your determination to enter our club. If you are willing to take this ridiculous test meaning you are definitely determined to enter our club." Vice Captain Jung Xi Wan explained.

"Right now, you are officially our member club. Welcome to a shooting club." Shi Man Xie clapped his hands. Then everyone followed him welcomed the new club members.

"Meaning I already members of the shooting club?" The woman asked with an excited tone.

"Yes." One of the members answered..

The woman shouted. "Yes. I'm in the same club as my goddess. Goddess Yu Qi, please shake my hand." The woman approached Yu Qi.

Yu Qi smiled at the woman while accepted her small request.

"What is your name?" Yu Qi asked.

"Zhu Xiao Ling. Call me Xiao Ling." Zhu Xiao Ling looked at Yu Qi with full of admiration.

"Okay, Xiao Ling. Let's get along." Yu Qi patted Zhu Xiao Ling's head.

"Yes." Zhu Xiao Ling nodded.

"My chance to court the new member failed without start." Shi Man Xie sighed.

"Why?"

"From my understanding of Yu Qi, she looks like a very protective person. She will definitely protect Xiao Ling from now on." Shi Man Xie answered.

"If you truly like the new member, then prove it. I think Yu Qi will understand."

Shi Man Xie was thinking. He nodded several times.

The other new members started to introduce themselves one by one. When someone asked them why they chose the shooting club, most of them mentioned Yu Qi.

"Everyone, if you don't want to die early, please restrain your thought about Yu Qi." Shi Man Xie advised the new club members.

"Why?" Someone of them asked.

"Her boyfriend is super scary. Maybe you will meet him later." Shi Man Xie did not tell much of Long Hui to the new club members.

He wanted to see which one of them would be the brave man challenged Commander Long. It might be fun.

While Yu Qi talked with Zhu Xiao Ling since she was the only female member in the shooting club. She needed to make Zhu Xiao Ling comfortable with the club.

"What's the course you take at university?" Yu Qi asked.

"Accounting."

"I see. Do you know the basics of shooting?"

"Yes. Actually, my sister is in a shooting club too at Hanyang University. Sister Yu Qi did meet her at the shooting competition last time." Zhu Xiao Ling gave the hint.

Yu Qi was thinking about the person mentioned by Zhu Xiao Ling. 'Sister, shooting competition.'

"Zhu Yao Lin?" Yu Qi asked.

Chapter 256 - 256: New Office

Unedited

"You did remember my sister." Zhu Xiao Ling smiled. "I see you during the shooting competition. My sister said she became friend with you during the shooting competition."

"I see." Yu Qi remembered Zhu Yao Lin and her special friend Jang Yue Yue.

"Why don't you enter Hanyang University? You can be with your sister." Yu Qi inquired.

"Well, it is true but I don't want to go there. Hanyang University is close to my home. I want to learn to live in another place. Studying at university that closes to home, I don't feel excited about that. I still young so I want to travel to get to know another place." Zhu Xiao Ling said with her determination.

Yu Qi smiled. She indeed agreed with Zhu Xiao Ling. This is the time where young people traveled to see another place. Where we got older, it might hard.

"And for other reason is you." Zhu Xiao Ling mentioned it.

"Me?"

"Yes. You are my aim. I want to become like you." Zhu Xiao Ling said while shaking her hand.

Yu Qi laughed when seeing the childish side of Zhu Xiao Ling.

"You can come to me if you have problems with the university except for your course." Yu Qi wanted to help Zhu Xiao Ling.

"Thank Sister Yu Qi." Zhu Xiao Ling said.

The welcome party was concluded with some words from Captain Heng Ru Yen and Vice captain Jung Xi Wan. They advised, not to mention to others about the test. They did not the new students who came to join them. The shooting club only received the new members once.

.....

Seeing the similar jacket that the short man wore that time, Yu Qi remembered about that matter. She turned to Song Ha Ting and asked the question that she wanted to ask.

"Ha Ting, that jacket belongs to which faculty?" Yu Qi suddenly asked the question making Song Ha ting and Ding Na An turned to Yu Qi.

"Huh? Which one?" Song Ha Ting asked looking around.

Ding Na An also looked around.

"That one. The brown jacket that the girl wears." Yu Qi pointed to one of three girls that walked in front of them.

"That one? I think it is..." Song Ha Ting was thinking.

"Technology Management Faculty." Ding Na An answered for Song Ha Ting.

"Yeah, right." Song Ha Ting remembered it.

"I see." Yu Qi frowned.

Where did the man use the white powder? That white powder was used for drugging the woman and treated them into sex. And from that day's conversation, that man was a regular customer of that white powder.

"Yu Qi, Yu Qi... What's wrong with you?" Song Ha Ting called Yu Qi. But Yu Qi did not reply to her. So, Song Ha Ting pulled Yu Qi's hand.

"Huh, what?" Yu Qi stepped out from her thoughts.

"You just daydreaming here." Ding Na An looked at Yu Qi. "Are you okay?"

"Owh, I'm okay. Just thinking about something else." Yu Qi smiled at her two friends.

She put the matter aside first. She had a meeting to go to. Her appointment was with Su Yu Hi. She decided to go to her office located at the corner of J Market. Yu Qi went by bus. Su Yu Hi already gave the location to her.

She was standing in front of the building. YQ Investment office was upstairs. She went in. Like her office at FINN City, there were three employees. One of them lifted her face when hearing someone entering their office.

"Yes, may I help you?" The girl asked.

"May I know where is Mr. Su Yu Hi?" Yu Qi inquires.

"Oh, Mr. Su is in his way here. You may wait for him there." The girl pointed to the sofa.

"Thank you." Yu Qi thanked the girl.

She went and sat on the sofa waiting for Su Yu Hi. Her eyes were looking around. It was a very good setting. Five minutes later, Su Yu Hi appeared.

"Yu Qi, sorry for waiting." That was the first sentence from Su Yu Hi. He did not expect it would be a delay in his schedule today.

"It's okay. Well then, let's start." Yu Qi understood him.

"Okay, let's go to your room." Su Yu Hi led her to her room.

The other three employees looked at the room that Su Yu Hi and Yu Qi entered.

"Hey, that is our boss's room. Is she is our rumored boss?"

"She looks very young."

"Is she a student?"

"Maybe. She has a lot of money since she can open a company like this."

"Yeah. I think so too."

Chapter 257 - 257: Shopping For Street Food

"This is your room here," Su Yu Hi told Yu Qi.

"Brother Yu Hi has very good taste." Yu Qi said and looked around the room.

Yu Qi sat on the chair that was prepared for her while Su Yu Hi had already taken his seat. They began their monthly meeting. Su Yu Hi told her about her companies for the last month. Yu Qi nodded when she heard the report. Her two companies were making good progress in their profits.

"Yu Qi, the ryokan is already completed to 100 percent. When it will be having its grand opening?" Su Yu Hi asked.

"Hmm... I think Sister Mei Fung's training will be completed soon. Brother Yu Hi, you already found employees for the ryokan, right?"

"Yes."

"You may fill the other position but leave the 'Okami' position to me. I already have the perfect person for the position."

"Okay, Yu Qi."

"Brother Yu Hi, you can find another assistant to help you. The jobs keep increasing and I don't want Brother Yu Hi to become sick due to the increasing workload." Yu Qi said when she looked at Su Yu Hi's face.

Yu Qi grabbed his hand and read his pulse. Yu Qi frowned when she felt his pulse.

"Go and take two days off." Ordered Yu Qi.

"Yu Qi, I'm okay." Su Yu Hi insisted on working.

"No. Keep your mind off from work and relax your mind." Yu Qi, as a doctor, knew that if Su Yu Hi did not rest and free his mind from work, he might collapse sooner or later.

"You must update me on what are you going to do in these coming two days. No work. Understand?" Yu Qi ordered Su Yu Hi in a tone that forced people to obey her.

In the end, Su Yu Hi gave up. He would follow her orders. He, himself, knew that he has not had a short holiday for a long time.

The meeting was ended with Su Yu Hi getting two off days. To make sure Su Yu Hi rested properly, she informed the employees to contact her directly if they countered any problems that they could not manage to solve themselves because Su Yu Hi was getting two days off. The employees nodded, getting the order from their lady boss.

Su Yu Hi wanted to send Yu Qi back to university, but Yu Qi rejected it since she wanted to talk a walk in town. Well, it was Aoi and Bo Ya that requested some outside food since they were bored with what the university had.

Yu Qi went to street that sold some street food. That two little foodies would be happy if she brought some new food for them to try.

The first stall that she saw was selling Jianbing, otherwise known as a Chinese Crepe. It was a very common street food. The dough was made of wheat and grain flour and fried on a griddle with an egg at the base. Meanwhile, the center was filled with scallions, lettuce, cilantro, and a rich chili sauce. She brought some for herself and her little cuties.

After that, she went to the next stall that selling Cifantuan or Ci Faan, also known as Glutinous rice balls. Cifantuan or Ci Faan was a rice ball filled with various flavorful local ingredients. The most common types were the savory kind. There were also sweet variations, which consisted of the same ingredients as the savory one but with added sugar as well as sesame. Yu Qi made the decision to buy the two different types to try it.

She walked again surveying the stall to find something else that looked tasty. She did find something. She saw Baozi or Chinese Bread Buns. Baozi was a dough bun, often filled with juicy meat such as barbecued pork and/or vegetables and steamed in steaming trays made of bamboo. It looked very delicious.

Beside the stall that sold Baozi, there was a stall that selling Rou Jia Mo or Chinese Hamburgers. Rou Jia Mo was a Chinese version of the American hamburger except the buns were thinner and flavored with

meat gravy and chili paste – rather than ketchup and mustard. The meat was also shredded rather than a large, circular patty. She brought a lot of it, Aoi would be happy with this.

Another food that Aoi would be happy with was Chuan's or Chinese Kebabs. They were pieces of meat skewered onto thinly cut bamboo sticks. Any kind of meat or even vegetables were used. The way street vendors prepare them was to coat the meat with salt, dried chili flakes, and ground cumin spice, then mix all three ingredients together before barbecuing the marinated meat over charcoal until they were well cooked.

Bo Ya was a fan of sweet foods. She thought he would be happy if she brought some Bing Tanghulu. Bing Tanghulus was Chinese hawthorns covered with a hardened coat of sugar syrup and skewered onto long thin sticks. They tasted both sour and sweet – similarly to mini candy apples, but more sour, astringent and granular. The exterior was crunchy and sweet while the interior was soft, but sweet and sour due to the fruit.

Yu Qi did not realize she already brought a lot of food to herself and her two little cuties. The day was also starting to turn its color. She quickly took a bus back to the university. Even the bus driver was shocked when he saw so much food for such a young girl. He knew her destination was Starlight University. He couldn't help but think that a girl with such a petite body like hers could not finish all that food. He even thought she might be buying that food to share with her friends.

If Yu Qi could read this bus driver's thoughts, she might tell him that food was for her little pets.

Chapter 258 - 258: Bai Feng Jiu's Plan

Unedited

Zhu Xiao Ling walked leaving the Finance Faculty building. Her class already finished today. This evening, she had her first training session at her shooting club. She could not wait to go there and see her idol. She was singing her favorite song while walking.

"Hey."

Zhu Xiao Ling ignored that voice. She thought the person was calling someone else. So, she keeps walking away.

"Hey. Stop." Two girls blocked her way and stopped her.

Zhu Xiao Ling looked the girls that blocked her. She did not know them. Assuming from their attitude, those girls might seniors.

"Yes? What is it?" Zhu Xiao Ling asked their aim for blocking her way.

"You are shooting club members, right?"

"Yes." Zhu Xiao Ling answered innocently.

"Are you close with Tang Yu Qi?"

"She is my senior in the shooting club. Why are you asking me?" Zhu Xiao Ling really did not know these girls. Maybe these girls were Sister Yu Qi's friend. That was why she was polite to them.

"We want to be friends with Tang Yu Qi? Can you tell me about her?" One of the girls asked.

Zhu Xiao Ling frowned. 'What? They were not her friends?' Zhu Xiao Ling looked at these girls. These girls were smiling sweetly.

"Sorry. I'm not close to her since I just become the shooting club member." Zhu Xiao Ling politely apologized to these girls.

"Is that so? I thought you can help me become her friend." The girls were disappointed with Zhu Xiao Ling's answer.

"If you want to befriend her, you can just ask her then." Zhu Xiao Ling told them. She thought Sister Yu Qi was kind. She would accept these girls if they wanted to become her friend.

"I do something wrong with her. I want to apologize. Can you ask her what is her favorite food, then? I want to give it to her. You have to keep a secret." The girl said.

"Okay. I will try to ask that." Zhu Xiao Ling agreed to ask Yu Qi about that.

"Thank you."

Zhu Xiao Ling left the place. The girls were still standing there.

"Feng Jiu, are you sure that girl will ask Tang Yu Qi?" One of the girls asked.

Yeah, it was Bai Feng Jiu. Cousin of Bai Shu Jin.

"I bet she will." Bai Feng Jiu smiled.

"I hope so." Her friend said.

"I just want to help Brother Shu Jin. He is serious about Tang Yu Qi. It is his first love. He tells me he doesn't want to give yet." Bai Feng Jiu told her friend.

"But, I think Tang Yu Qi already has her boyfriend." Her friend mentioned about Yu Qi's boyfriend.

"He is just a boyfriend. They are not married yet. So, Brother Shu Jin has his chance to win her heart." Bai Feng Jiu was confident with her Brother Bai Shu Jin. His brother was handsome. If he put some effort, he would win Tang Yu Qi's heart.

Bai Feng Jiu did not see the rumored Tang Yu Qi's boyfriend yet. That was why she believed in her brother Bai Shu Jin.

Bai Feng Jiu's friend did not say anything anymore. However, she was hoping that Bai Shu Jin would never succeed in winning Tang Yu Qi's heart. It was because she liked Bai Shu Jin too. She became Bai Feng Jiu's friend because she was hoping to get close to Bai Shu Jin since Bai Shu Jin was close to Bai Feng Jie. When Bai Shu Jin came and talked with Bai Feng Jiu, it was a blessing for her. Even though, she did not talk anything to him.

.....

Bai Shu Jin sat at the corner of the library. He studied since there was nothing to do. As for the archery club, he already passed down his position to the new generation since this was the last year of his study.

Even though he could continue it as the shooting club captain and the vice captain did but he could not afford to do that.

As an heir of the Bai Family, he needed to match the standard of his family set for him. His father had other children but they were illegitimate children. So, his father might have to choose his other children if he did not perform well.

Somehow the matter about his chasing a girl got into the Bai Family's ear. He did not know how the news reached their ear but his father, himself displeased hearing the news.

Bai Shu Jin fooled them about the matter. He said it was for the Bai Family's benefit. The girl that he chased was a daughter from the famous Tang Family. Listening to that information, his father thought about the matter. In the end, his father approved that he approached the girl but he needed to take care of his performance.

"Brother Shu Jin, study?"

Bai Shu Jin lifted up his head up from the book and looked to the person that called him. It was Bai Feng Jiu and her friend.

"Yes. It is my final year, after all." Bai Shu Jin answered.

"Brother Shu Jin, you still have a feeling for Tang Yu Qi?" Bai Feng Jiu asked carefully afraid of getting fury from Bai Shu Jin.

"Why are you asking that question?" Bai Shu Jin just used a calm tone.

From the tone, Bai Feng Jiu knew that Bai Shu Jin did not get angry with the question. She knew that his uncle was angry when he heard about the news of his son chased a girl.

"I just helped you, Brother Shu Jin." Bai Feng Jiu said while patting her chest.

"What do you mean by that?" Bai Shu Jin inquires.

"I will get the information about Tang Yu Qi from my informant. I hope you can use the information to make Tang Yu Qi yours."

"Why are you doing that?"

"That is your love first love. The first time you show interest to the girl. That's why I want to help you." Bai Feng Jiu pouted.

"Thank you, Feng Jiu."

Chapter 259 - 259: Shooting Club's Normal Bickering

Unedited

Zhu Xiao Ling continued walking to the shooting club training ground. When she was getting closer to the place, she finally remembered that she forgot to ask these two girls' names. And the worse, she already forgot their faces. She was the type that easily forgot someone's face unless that person was important to her.

'Well, if they want to know the answer, they will find me. They seem to know me, after all.' Zhu Xiao Ling nodded several times.

"Xiao Ling, why don't you enter?" Shi Man Xie asked when he saw Zhu Xiao Ling just stood in front of the door.

"Huh? Who are you?" Zhu Xiao Ling answered Shi Man Xie's question with another question.

"Xiao Ling, you hurt me." Shi Man Xie made a sad face.

"Huh? Why?" Zhu Xiao Ling could not understand that.

"Xiao Ling, I already introduce myself at the welcoming party. You don't remember me?" Shi Man Xie really hurt knowing she did not even remember him.

"Huh? I'm sorry, senior. I'm really sorry because not remembering you. I will work hard to remember our club members." Zhu Xiao Ling quickly apologized. She bowed several times.

"Hey, Shi Man Xie. You already bully our new club member?" One of the club members arrived and asked Shi Man Xie when he saw Zhu Xiao Ling bowed several times to Shi Man Xie. It was the usual scene when the bully bullied his victim.

"Shi Man Xie, don't bully her. She is one of the two girls in our club. What if she gets scared and quit the club?" Another club member also interrupted made the thing worsen.

"Shi Man Xie, please don't be a bad boy type." This club member was the one that Shi Man Xie spoke about courting Zhu Xiao Ling at the welcoming party.

"You guys, can you please don't slander me?" Shi Man Xie begged.

"Everyone, Senior Shi Man Xie did not bully me." Zhu Xiao Ling said trying to clear the misunderstanding between Shi Man Xie and other club members. She did not want Shi Man Xie got in a bad situation because of her.

"Xiao Ling, let's go in. Ignore him." The club members escorted Zhu Xiao Ling entered the training ground leaving Shi Man Xie.

Zhu Xiao Ling felt bad when leaving Shi Man Xie like that since he did not do anything wrong to her. Well, she would apologize later if she got the chance.

Other club members that left behind slapped Shi Man Xie's back. "You have to work hard to win her. Everyone knows you like her."

"What!" Shi Man Xie shocked. He looked at someone. "Jiang. Kin. Ha." Shi Man Xie shouted in angrily. It was the name of the club that first knew about Shi Man Xie's feelings to Zhu Xiao Ling. He wanted to beat Jiang Kin Ha.

"Wait, wait, wait... I just want to help you. Now everyone in our club knows you like her. We can help you." Jiang Kin Ha stopped Shi Man Xie from beating him.

Shi Man Xie's lips were twitching.

"Don't worry, brother. With our help, Xiao Ling might like you." Jiang Kin Ha guaranteed him.

"Is Yu Qi know about this too?" Shi Man Xie asked.

"Don't worry. Only the boys know about this." Jiang Kin Ha gave an assurance smile.

"Knows what?"

They could hear a girl's voice asking behind them. And they really knew the owner of the voice. Shi Man Xie and Jiang Kin Ha turned slowly and looked behind them. Their queen was looking at them curiously.

"Nothing." Both of them answered at the same time.

Yu Qi was?astonished by both of them. But she did not want to dig something that they did not want her to know.

"Let's start our training before Captain get angry." Yu Qi told them. Then she left them.

Shi Man Xie and Jiang Kin Ha took a relief breath.

"Wait. Why are we scared to Yu Qi?" Jiang Kin Ha asked the stupid question.

"Yeah. Why is that?" Shi Man Xie also asked the same question.

Both of them looked at each other and laughed.

"Sister Yu Qi." Zhu Xiao Ling called Yu Qi when she saw Yu Qi approaching her.

"Are you okay?" Yu Qi asked when she reached her.

"Yes. Our club members are very kind to me." Zhu Xiao Ling said with a smile praised the club members.

"Yu Qi, we are very good to the girl, okay."

"Yeah, how can we bully the cute girl like her?"

"Only her, cute? Me?" Yu Qi smiled.

"Yu Qi, you are not cute. But beautiful."

"Our queen."

"Our goddess."

"You can tell me if someone bullies you." Yu Qi patted Zhu Xiao Ling's head.

"Oi, do you know what I'm imagining right now? I'm imagining that Yu Qi was a hen that protecting her small chick."

"Oh, I can see too."

"It is 'yuri'."

"We have otaku here."

"Shut up, otaku."

"What?"

"Yeah, shut up, otaku."

"I'm not a normal otaku."

"Otaku is an otaku. No more, no less."

"What do you mean by that, huh?"

"What are you doing right now? Go change your clothes." Captain Heng Yu Ren stopped the pointless argument.

The boys ran away when they heard their captain's order. In this club, Captain Heng Ru Yen was the scariest person.

Meanwhile, Yu Qi and Zhu Xiao Ling already left the place while the boys still bickering among themselves and went to the changing room to change their attire to suitable attire.

"Sister Yu Qi, your body looks wonderful." Zhu Xiao Ling praised Yu Qi's body when they were changing the clothes. "How can I get the body like you?"

"Training."

"Training?"

"Yes, I can give the routine that I usually used. If you want to try."

Of course, the routine would be cut half. Her routine was more in space.

"Really? Then, I will count on Sister Yu Qi. I want to get a great body too."

Chapter 260 - 260: Love Story

Unedited

The training went smoothly. Yu Qi helped the new club members especially Zhu Xiao Ling. She was only the girl in the club. After the training was finished, the two girls left the club together. Since they live in the same building, just on a different floor, they walked to their room together.

Remembering the two girls asking for her help, Zhu Xiao Ling turned to Yu Qi. Sensing something, Yu Qi also turned to Zhu Xiao Ling.

"What is it?" Yu Qi somehow knew that Zhu Xiao Ling wanted to ask something to her.

"I just wondering what is your favorite food?" Zhu Xiao Ling blurted out the question.

Yu Qi smiled. "I thought you want to ask something difficult for me to answer it."

"Well, to think about it. I don't have specific food to name it. But I do have a sweet tooth." Yu Qi indeed had a particular fondness for the sweets. Half of Bing Tanghulu that she brought another day ended into her stomach.

"I see. I like sweets too. Especially hot chocolate." Zhu Xiao Ling said. "I can eat thousands of that. My mum even forbid me to eat sweets for a month."

Yu Qi chuckled when heard Zhu Xiao Ling's story. He also could eat a lot of them. However, she felt a little bit bitter when the topic of mother mentioned. Her mother, yeah, she did not have a mother. That term felt foreign to her.

"Sister Yu Qi, Sister Yu Qi." Zhu Xiao Ling called Yu Qi several times because she saw Yu Qi stopped walking. She could see the expression given by Yu Qi. It was a cold yet sad expression. She wondered what was Yu Qi thinking that made her showed that expression.

"Sorry. Just think about something." Yu Qi started to walk again.

"I want to stop by the cafe. Want to buy some dinner. Do you want to join too?" Yu Qi said after a while of silence.

"Yeah. I'm a lazy person. I don't want to go outside after entering my room on the 5th floor." Zhu Xiao Ling agreed. She wanted to buy dinner right now so that she did not have to go up and down through the stairs many times.

After buying the dinner, they continued to walk to their room. Zhu Xiao Ling saw the amount of dinner that Yu Qi brought, was large. She remembered that Yu Qi told that she did not share her room with anyone. So, the amount of dinner definitely very large to Yu Qi alone. Maybe Yu Qi was a big eater.

"Sister Yu Qi, are you going to eat all of them alone?" Zhu Xiao Ling asked in careful tone afraid that Yu Qi might feel hurt with the question while pointing to the food packages brought by Yu Qi.

"No, I'm a light eater. Most of them are for my dog." Yu Qi said.

"Huh? You have a dog, Sister Yu Qi?" Zhu Xiao Ling showed an excited expression when Yu Qi mentioned her having a dog.

"Yes. I have a dog. Siberian Husky breed."

This look, this expression reminded Yu Qi to someone. 'Where? Where did I saw this kind of expression before?' Yu Qi keeps thinking about that. Oh, she remembered that. It was Song Ha Ting. Song Ha Ting wore this expression when seeing Aoi.

"Sister Yu Qi?"

"Yes?"

"Can I go to see it now?"

"I don't know whether he is my room or not."

"I see. Well, I will go and see it later."

"Okay."

....

"I'm bored." So Pang Lim grumbled.

It was the weekend. They were currently at the library. So Pang Lim requested, they were discussing the group assignment for a certain subject. They already discussed the assignment for about two hours.

For this group assignment, they could choose their own group. A group must consist of five people. So, they formed a group. They were Mei Lilli, So Pang Lim, Song Ha Ting, Ding Na An, and Yu Qi. It was easy because they already knew each other.

It was fortunate that Mei Lilli made the move invited Yu Qi and Ding Na An because they were the best students in their year. Especially Yu Qi. The boys also wanted to invite her to join their own group. Mei Lilli was smiling in victory while facing the defeated face of the boys in the classroom.

"Then, let stop for now. We will continue it later." Mei Lilli said.

"I want a boyfriend." Suddenly a sentence came out from So Pang Lim's mouth.

"Huh?" The other four girls looked at So Pang Lim.

"What are you talking about, Pang Lim?" Mei Lilli asked.

"I just say that I want a boyfriend." So Pang Lim made another statement about having a boyfriend.

"Why?"

"I see those girls who had a boyfriend looked very happy together with their boyfriend. I have to feel the same Doki Doki feeling too." So Pang Lim said. Then she turned to Yu Qi. "Look at Yu Qi. She looks very happy because she got a boyfriend."

Now the topic turned to Yu Qi.

"Yu Qi, how long have you been with your sweetheart?" So Pang Lim asked with great interest.

The girls turned to wait for Yu Qi's answer. Even though they did not give many reactions but Yu Qi knew these girls were interested in her answer.

"To exactly, it is only three months." Yu Qi did not want to lie, so she told them the truth.

"Huh, three months? Wait. You mean you in the relationship with him, only three months?" So Pang Lim asked again because she wanted to confirm it again.

"Yes."

"It was before our semester break?" It was Mei Lilli's turn to confirm.

"Yes."

"Then before that, you are not in the relationship?"

"Yes."

"Shocking news." The girls closed their mouths for a sign as shocked except for Ding Na An. She just was listening to Yu Qi's story in a calm look.

"I thought you already in the relationship for a long time." Mei Lilli said.

Yu Qi smiled. "We knew about two and a half years but I accepted him not long ago."

"Wow, a spicy love story." So Pang Lim was getting excited. "So, it means he was the one who started to like you first?"

"... Yes."

"How you know him?" Song Ha Ting asked with an excited smile.

"At the bank." Yu Qi began her story.

"And then?" Song Ha Ting interrupted.

"Hey, don't interrupt Yu Qi." So Pang Lim said.

"I met him at the bank for the first time. Then, there was a robbery occurred in the bank. He was one of the people that countered the robber."

"So, he saved you?" Mei Lilli smiled.

"Well, yeah." To think about it, Long Hui did save her back there. If it was not his fast reaction beat the robber that aimed his gun to her, she might get a shot from that robber.

"Hero saves the damsel story and live happily ever after." So Pang Lim poeted.

"It is very romantic." Song Ha Ting added again.

The girls laughed. Yu Qi smiled.
