

INTELLIGENT 341

Chapter 341 - A Challenge from Yi Su Ran

Unedited

"WHAT?!! She almost fell from the escalator?" Qin Xia shouted repeating his secretary's words.

"What were the bodyguards that I assigned to her doing?" Qin Xia clenched his fist.

"The bodyguard did not manage to move fast since their position was far away from Miss Tang. However, Mr. Qin, you don't need to worry. Miss Tang manages to save herself from falling down." Jun Man He could not help to feel impressive to Yu Qi when he heard the story from the bodyguards.

"So, how is she right now?" Qin Xia showed the real worried expression on his face.

Jun Man He was dumbfounded with this. He could not believe himself when he saw the expression on his boss's face. 'Is this man really my boss? This man is really out from his usual character.'

"Man He, do you hear me? HOW IS SHE?" Qin Xia shouted to his secretary when he did not get the answer from his secretary.

The shout was very loud. And even when you were outside the room, you still could hear it. The entire floor heard Qin Xia's shout. The one who heard it knew their boss was very angry right and started to make themselves busy. However, they wondered why was their boss was angry in the first place.

"Miss Tang is okay. She stays over at the orphanage and currently on the bus, going back to Starlight University." Jun Man He finished his report on Yu Qi.

"Good. That girl really makes me worry about her." Qin Xia said.

If someone heard this, they could not help to hear the pamper tone used by Qin Xia.

"Tell the bodyguards. I don't want things like this to happen again. Make sure to protect her well." Qin Xia told Jun Man He.

"Yes, sir." Jun Man He went out. He took a relief breath.

When Jun Man He passed some of the workers, one of the workers approached him.

"Mr. Jun, why is Mr. Qin angry? We can hear the shouts just now." It was a female worker who asked him.

Jun Man He showed the indifferent expression. "To work here longer, the first thing to do is don't be a busybody. Just do your own work." Then he walked away.

"She thinks Mr. Jun is someone loves like to gossip like her."

"Well, like Mr. Jun said. Don't be a busybody. Let's go and do our works."

The female worker was very embarrassed and went to her table to work.

.....

"I found you." So Pang Lim said loudly when she spotted Yu Qi walked together with Aoi.

"Where do you go yesterday, Yu Qi?" So Pang Lim asked.

"I have a matter outside. I just come back from there. Is there something matter?" Yu Qi asked.

"We thought we want to go to some picnic at the waterfall. But you and Ding Na An were missing. So, we cancel that thought. It is not fun if we don't go together." So Pang Lim sighed.

"I'm sorry. Just plan it. Make sure you tell me a day before that." Yu Qi smiled.

"Okay." So Pang Lim said.

"TANG YU QI!!!" A girl screamed for Yu Qi's name loudly.

So Pang Lim was very shocked. Meanwhile, Yu Qi was calmed. Aoi put his guard. Ready to attack anyone that wanted to hurt his master. Yu Qi sighed. Another plague. Yu Qi did not want to deal with it.

"Let's go." Yu Qi said to So Pang Lim.

"Okay." So Pang Lim knew that Yu Qi had some problem with this person agreed with Yu Qi.

The one who shouted Yu Qi's name was Yi Su Ran, cousin of Yu Ren Shiang. She did not expect to see Yu Qi today. So, she wanted to settle the debt between her cousin and Yu Qi. She blocked

"Tang Yu Qi, you hurt my sister." Yi Su Ran made a statement.

"A good dog never block the way." Yu Qi also made a statement.

"Ptff!" So Pang Lim held back her laughter. Yu Qi said Yi Su Rang was a dog. Yu Qi's mouth was indeed powerful. However, it was only for a second that So Pang Lim held her laugh, she already laughing at Yi Su Ran.

"How dare you insult me?" Yi Su Ran pointed to Yu Qi. "And you, stop laughing." Yi Su Ran said to So Pang Lim.

"My friend said it was indeed correct. A good dog never blocks the way." So Pang Lim repeated Yu Qi's word.

Yi Su Ran felt very happy. A flock of birds always fly together. She calmed herself down. She met Yu Qi today with the only purpose. She needed to make sure Yu Qi could not run from this.

"Tang Yu Qi, I challenge you." Yi Su Ran said.

Yu Qi did not answer anything. She was waiting for Yi Su Ran to finish her sentence.

"I challenge you with archery competition." Yi Su Ran put an arrogant look.

"Archery?" Yu Qi said.

"Yeah, let's have a competition. Who wins get to order something to the loser." Yi Su Ran stated.

"You are from archery club, right?" So Pang Lim asked.

"Yeah." Yi Su Ran nodded.

"You are from the archery club while Yu Qi is not. Why should she compete with the thing that you skilled with?" So Pang Lim asked again.

"She knew about archery. So, it is okay." Yi Su Ran pointed the fact.

Chapter 342 - Betting

"Are you sure you want to challenge me?" Yu Qi asked Yi Su Ran.

"Of course." Yi Su Ran showed a proud face.

"When the competition will be?" Yu Qi asked.

"How about next weekend?" Yi Su Ran suggested.

"Okay, I agree. However, don't disappoint me." Yu Qi smiled showing her arrogant look.

"Humph!!! Me, lose to you, never." Yi Su Ran made a disgusted face.

Yi Su Ran forgot the day when Yu Qi shoot three arrows. She needed to make sure Yu Qi would be the losing party. With that, she would make Yu Qi embarrassed with her order. Yi Su Ran smirked to Yu Qi when she was about to leave.

Yu Qi did not say anything when saw the smirk.

"Why do you accept the challenge? She is from the archery club. She had been practicing, unlike you." So Pang Lim expressed her worries about this.

"Don't you worried about this. I know what to do." Yu Qi assured So Pang Lim. "I'm tired right now. I'm going to my room. Bye." Yu Qi left So Pang Lim, went back to her room with Aoi.

....

The students got the news that Yi Su Ran from the archery club was challenged Yu Qi from shooting club an archery competition. It was very exciting. They did not know who would be the winner. The students were talking about the competition.

"It was unfair competition. One from shooting club and one from archery club. It is so obvious who will be the winner."

"That is not exactly correct. Even though Tang Yu Qi is from the shooting club, she was once in the archery club before she had been asked to leave the archery club."

"Really? I don't know about this."

"What's make this interesting is I remember something. About two years ago, Tang Yu Qi shoot three arrows and all of them went to the center."

"Wow, that is very impressive."

"That is why we don't know who will be the winner."

"But, Tang Yu Qi can not practice her archery anymore since she left the archery club, right? Maybe her skill already corrupt."

"Who's know about that? We just need to wait on the competition day to know that."

"I know how to make this competition interesting."

"How?"

"Let's open the betting. Betting who will be the winner."

"Oh, that is a great idea. Let's inform others about this."

So, the betting was started. Everyone was very excited to see the result.

However, the person involved which was Yu Qi was very calm. She went to the class steadily. Some of her classmates came and asked about the competition.

"Yu Qi, it is true that you will be competing with that girl?"

"Yes." Yu Qi nodded.

"But you are from shooting club. It is unfair to think about it."

"Don't worry about that. I can handle it." Yu Qi said.

"Yeah, Our Yu Qi will crush that girl." Another person joined.

"That's right. I can not imagine Yu Qi lose."

Her classmates laughed with each other. They believed Yu Qi would be the winner.

This week was the starting of the club activity. So, Yu Qi went to shooting training ground. The familiar faces already there.

"Our star already arrives. Let me interview her." Shi Man Xie ran toward Yu Qi. Using his hand gesture, he acted like he was holding the microphone. "Miss Tang, can you tell me, what is your feeling right now?"

Yu Qi did not answer but to look at Shi Man Xie up and down with a look.

Seeing Yu Qi did not give her response and caught the look on Yu Qi's face, he sulked himself. "Humph!! I just want to make a joke. How dare you give that look to me?"

Yu Qi was speechless. This senior really knew how to make funny things. Everyone was laughing.

"Sister Yu Qi, long time no see. i miss you."

Yu Qi got a hug. It was Zhu Xiao Ling.

Yu Qi smiled. "Easy." Yu Qi patted Zhu Xiao Ling's head.

"I saw 'yuri' in the air." Shi Man Xie said when he looked at Yu Qi and Zhu Xiao Ling.

Yu Qi narrowed her eyes to Shi Man Xie. Shi Man Xie shut up his mouth when seeing that.

"Sister Yu Qi, is true that you will compete with someone in the archery club?" Zhu Xiao Ling re-released from her hug and asked what she wanted to ask.

"Yes." Yu Qi nodded.

"But it is archery." Zhu Xiao Ling could not help to worry about that.

"Xiao Ling, you don't know about this." Shi Man Xie joined their conversation.

"About what?" Zhu Xiao Ling confused.

"When Yu Qi was still in the first year, she was in the archery club." Shi Man Xie said.

"Yeah, I remember that. Our queen is also a Queen there." Another club member interrupted.

Zhu Xiao Ling made a stunned expression. She did not expect Yu Qi in the archery club. "Eh, then you just joined the shooting club after that?"

"No, no... Yu Qi is a member of our club too. She joined two clubs at the same time." Shi Man Xie made a proud face like he had been telling others that Yu Qi was his daughter.

"Man Xie, Yu Qi is not your girlfriend. Don't be so proud."

"Shut up." Shi Man Xie said to hide his embarrassment.

"Why Sister Yu Qi left the archery club?" Zhu Xiao Ling questioned Shi Man Xie.

Now, Shi Man Xie made an angry expression. "Someone was jealous of her. They slandered Yu Qi saying that Yu Qi had a sugar daddy. The archery club felt embarrassing having this kind of club member, so they kicked Yu Qi out from the club." Shi Man Xie still angry when he thought about that.

"Really? That is absurd. Just because of the rumor, the archery club kicked her out?" Zhu Xiao felt it was indeed absurd.

"Well, jealousy was very terrifying." Another club member made his comment.

"I think top management of the archery club is out of their mind."

"One of them is a woman. You should know where it led to."

"I always think she was beautiful, kind and caring. After that incident, I felt she was not like people described."

The shooting club members gossiped like a bunch of girls. Yu Qi sighed. They might be facing their captain's anger like this. Just about Yu Qi finished her thoughts could be heard shouting at them. Like a roar.

"What are you doing? Not start warming up yet." Captain Heng Yu Ren shouted.

Hearing this the club members chatter around.

Chapter 343 - The Enemy Of My Enemy Is My Friend.

Unedited

Yi Su Ran was eating together with his cousin, Yi Ren Shiang, and Fung Meng Xuan. Everyone was looking and talking about Yi Su Ran. Yi Su Ran liked the attention given by the other students.

Of course, they were talking about the competition between Yu Qi and Yi Su Ran. The first-year students thought that Yi Su Ran would be the winner since she was from the archery club. They did not know about Yu Qi's ability.

The other students in the second year and above knew about Yu Qi's ability. But Yu Qi did show her talent on archery. So they could not predict the outcome of the competition.

"Su Ran, you need to win so, that bitch will not be arrogant in front of us." Yi Ren Shiang said. She already forgot the terror that given by Yu Qi on the other day.

"Don't worry, Sister Ren Shiang. I will defeat that bitch." Yi Su Ran said arrogantly.

"But, Miss Tang also?proficient in the archery." Fung Meng Xuan expressed her opinion.

"Even though she was an expert, if a human did not practice in a certain amount of period, their skill will get rusty. Where can she practice her archery at the university? Only our club archery can get to practice in the training ground. Meaning she did not practice her skill." Yi Su Ran sounded out the possibility.

"On the other hand, Su Ran practiced a lot. You also did not leave the practice on the semester break, right?" Yi Ren Shiang added. She remembered that even though it was a semester break, Yi Su Ran always practiced her archery.

"Yes, I indeed practiced my archery in the semester break. My skills improved a lot." Yi Su Ran nodded to Yi Ren Shiang.

"Miss Tang may be also practicing a little bit on her own." Fung Meng Xuan said.

"Even though she practices a little bit, it will not enough. She did not expect that I will challenge her in archery, right?" Yi Su Ran gave the reason.

"That made sense." Fung Meng Xuan nodded.

The three of them talked until the lunch break was over. After the lunch break was over, they went on separate ways.

Yi Su Ran went back to her room to change her clothes to the attire sports. She went to the archery training. Then someone approached her.

"Sister Qiang, " Yi Su Ran greeted Meng Qiang Su.

Meng Qiang Su was another girl that lost to Yu Qi's three arrows.

"Hi." Meng Qiang Su replied back. "I heard about the competition between you and that girl." Meng Qiang Su mentioned about the competition.

"Yeah. I will compete with her." Yi Su Ran nodded.

"You are absolutely confident with your skill?" Meng Qiang Su asked.

Yi Su Ran frowned. 'Is this woman looked down on me?'

Seeing the change in Yi Su Ran's facial expression, Meng Qiang Su smiled. "Junior Yi, don't misunderstand. I'm not looking down on you. The enemy of my enemy is my friend. I also hate that girl. I want her to lose this competition. So, I want to help you to win against that bitch."

Yi Su Ran believed Meng Qiang Su. After all, Meng Qiang Su lost to Yu Qi. Meng Qiang Su might resent Yu Qi for that.

Meng Qiang Su knew Yi Su Ran interested in her help. She looked left and right. She thought this place was too exposed. They needed a room for this private talk.

"Let's go to my room. We will discuss this furthermore." Meng Qiang Su said.

"Okay. Yi Su Ran nodded.

...

"Yu Qi, you don't practice your archery?" Shi Man Xie asked after finishing their daily training.

They were just about to leave the shooting training ground. Who heard about Shi Man Xie's question turned to Yu Qi waited for her answer.

"There is no need for that." Yu Qi said.

Shi Man Xie felt that the answer was too arrogant. The other side was practicing every day for the competition. While Yu Qi just said, 'there is no need for that.'

"Yu Qi, do you plan to lose? No, you can't lose to her." Shi Man Xie said holding his cheek.

Yu Qi looked at Shi Man Xie weirdly. 'When do I say I want to lose? Senior Shi is really weird.'

"Yu Qi...." Shi Man Xie called Yu Qi when he looked Yu Qi did not react to his words.

Yu Qi sighed. "Senior, don't worry about me. I have my own plan. You... just need to worry about yourself. Your skill decreased." Yu Qi made a comment.

"Yu Qi, you heartless girl." Shi Man Xie gave a sad look.

"Senior Shi, the truth is always hurt." Zhu Xiao Ling added.

"Xiao Ling, you too?" Shi Man Xie looked at Zhu Xiao Ling.

Others laughed. Yu Qi and Zhu Xiao Ling also laughed.

"Senior Shi, I'm telling you. Don't worry about that." Yu Qi said after she stopped laughing.

The shooting club members left after the episode with Shi Man Xie ended. Zhu Xiao Ling walked together with Yu Qi. Aoi already waited for Yu Qi at the gate after Yu Qi told him that she would be eating through the telepathy.

"Oh, Aoi already waiting for you, Sister Yu Qi." Zhu Xiao Ling noticed Aoi. "He is indeed clever." Zhu Xiao Ling commented.

"Sister Yu Qi, let's eat together this evening." Zhu Xiao Ling made a suggestion.

"Sure." Yu Qi nodded.

So, they went to the nearest cafe. However, Yu Qi felt her luck was the worst since she ended meeting with Fung Meng Xuan and Yi Ren Shiang.

Chapter 344 - The Archery Competition (Part One)

"Miss Tang, hi." Fung Meng Xuan greeted Yu Qi politely.

Yu Qi did not respond to Fung Meng Xuan. She did not even have any respect for Fung Meng Xuan. Even after she exposed Fung Meng Xuan's ugliness, Fung Meng Xuan still could control herself in front of her.

"Let's go and buy something. Aoi is hungry." Yu Qi ignored Fung Meng Xuan and spoke to Zhu Xiao Ling and used Aoi as an excuse. She did not want to waste her time talking with the two women.

"Bitch." Yi Ren Shiang whispered.

Yu Qi turned and gave a cold look to Yi Ren Shiang. Yi Ren Shiang seemed to forget the terror that she felt another day when she faced Yu Qi.

Yi Ren Shiang shivered when Yu Qi looked at her like that. She stepped back and hide behind Fung Meng Xuan.

"You better watch what are you saying, Miss Yi Ren Shiang. I don't mind to tear your mouth if you want to." Yu Qi gave a warning to Yi Ren Shiang.

Yi Ren Shiang was scared. She had whispered in a very low voice. How could Yu Qi hear her calling the bitch? She calmed down. She just needed to wait for the competition. Yi Su Ran had already made a bet between her and that bitch. She would discuss what would they do to Yu Qi when she lost the competition.

"Sister Yu Qi, they really hate you." Zhu Xiao Ling commented while making her choice on selecting the food.

"Hate or not, it has nothing to do with me." Yu Qi replied.

"Sister Yu Qi, I have been noticing that you are kind of lazy dealing with them. Why have you accepted the challenge from Yi Su Ran?" Zhu Xiao Ling already understood things about Yu Qi. From her observation about Yu Qi, she was really not paying attention to this rumor.

"Sometimes we need to teach them a lesson so that she can behave. Well, it may be not in a long time but it will be peaceful in a short time." Yu Qi said.

"Oh, I see."

They sat and ate dinner.

...

It was the day of the competition. The day that everyone had been waiting for. Everyone was very excited to see the competition. The competition sure attracted a lot of people's attention.

Yu Qi was ready to face the competition. All of her friends were together to give their support. Some of her classmates made a banner. On the banner saying, 'Yu Qi Yu Qi Go Go Fighting!!!' Seeing the support from her friends made her feel really happy and warm.

"You have come. I thought you will be scared to compete with me." Yi Su Ran talked arrogantly when she saw Yu Qi walked into their archery training ground.

"I already promise to you. I will not disappoint you." Yu Qi also replied in the same tone.

"Really? It is time for you to step back if you don't want to compete with me. I will understand." Yi Su Ran said like you to sound gentle and forgiving.

"There is no need for that. I can handle this." Yu Qi said rejecting Yi Su Ran. How could she step back now? She might be labeled as a coward.

"I hope you will not regret this." Yi Su Ran said.

"I like to say the same thing to you." Yu Qi smiled.

Yi Su Ran gave a meaningful look to Yu Qi before she left Yu Qi. Yu Qi saw the look given to Yi Su Ran and she ignored it.

Right after Yi Su Ran left, Bai Shu Jin appeared in front of Yu Qi. Yu Qi was talking to her friend frowned when she saw Bai Shu Jin. Aoi stood in front of Yu Qi blocked Bai Shu Jin from getting closer to Yu Qi.

Bai Shu Jin stopped walking towards Yu Qi when he saw Aoi showed his teeth threatened Bai Shu Jin. Bai Shu Jin knew the dog did not like him.

Aoi growled to Bai Shu Jin. Bai Shu Jin was the source of Yu Qi's hate. He did not want his master to fall into the darkness because of him again.

"What do you want, Senior Bai?" Yu Qi asked.

"I just want to say good luck to you." Bai Shu Jin looked at Yu Qi.

"Really? Then I thank you." Yu Qi wanted the conversation to end.

However, Bai Shu Jin seemed to say something more, but Yu Qi already turned to her friends and ignored Bai Shu Jin. Seeing this, Bai Shu Jin had to leave.

Yi Su Ran watched the scene. She clenched her fist. 'That bitch, she really knows how to seduce a man in public.' She became very angry with this.

"Su Ran, be patient. Wait after the competition. We will ask her to do something embarrassing." Yi Ren Shiang calmed down her cousin. She knew her cousin was angry because she saw Bai Shu Jin had talked to Yu Qi, that bitch. Her cousin really liked Bai Shu Jin.

"Ren Shiang is right. You just need to wait." Meng Qiang Su said while giving a smile to Yi Su Ran.

Yi Su Ran's eyes lifted up. 'That's right. That bitch will have to do something later.' Thinking about this, Yi Su Ran finally calmed up. She had to focus on the competition. She was already prepared to win this competition. Maybe when she won this competition, Bai Shu Jin might look at her in a different way.

Chapter 345 - The Archery Competition (Part Two)

An archery club member stepped into the training ground. Yi Su Ran asked for his help to become the MC for this event. He liked the attention so he agreed to be the MC.

"Welcome everyone. I'm Jin Su Wang, your emcee for today. Today is the day that we have been waiting for. It is the competition between Miss Yi Su Ran and Miss Tang Yu Qi." Jin Su Wang spoke, meaning the competition would be started.

"Today, we are about to witness the archery competition between the two girls. Miss Yi Su Ran is one of the archery club members. Meanwhile, Miss Tang Yu Qi is from a shooting club. But two years ago, Miss Tang Yu Qi gave an impressive performance in the archery." Jin Su Wang knew how to heat up the atmosphere.

The audience shouted. Everyone was very excited about this. Even Yu Qi's friends shouted too. Only the person that they had been talking about was calmly eating a snack with her dog.

'Master, let's go and eat outside tonight.' Aoi gave a suggestion.

'Okay.' Yu Qi nodded to Aoi.

"I will explain the rules to the audience since not all of you knew about the rules. This evening, our archers will shoot the arrows with two different distances. One is 50 meters and another one is 80 meters. They have? 3 minutes to shoot 6 arrows for a distance of 50 meters and 6 minutes for a distance of 80 meters." Jin Su Wang explained. "Addition time will be considered if something unexpected happened." Jin Su Wang added.

"So, you need to shoot 12 arrows, right?" One of the audience asked.

"Yes. They need to shoot 12 arrows. I bet everyone knows about this. The more your arrows hit the target board toward the center, the more points you will get. The highest points will be the winner." Jin Su Wang explained more.

"Now we invite the two competitors up here." Jin Su Wang shouted.

The audience shouted excitedly.

Yi Su Ran stood up proudly and walked towards Jin Su Wang. While she was looking, she sneaks a glance at Bai Shu Jin. However, she was disappointed that Bai Shu Jin did not even look at her. She threw that matter outside her mind right now. She needed to focus on defeating that bitch. That way, Bai Shu Jin might think that she was more amazing than that bitch.

"Yu Qi, they are calling your name." Yun Xiao said to Yu Qi when he saw Yu Qi dazed off.

"Oh." Yu Qi stopped dazing off when Yun Xiao called her name. She did not pay attention to her surroundings. She stood up and turned back to Aoi and said, "Wait for me, here. I will bring you out to eat tonight."

"Yu Qi, don't worry. I will take care of him." Song Ha Ting answered Yu Qi.

Aoi sighed. He knew he could not escape anymore. He actually forgot about this woman. 'I will sit here obediently. Master will bring me to eat outside tonight. Hold on, Aoi.' Aoi gave supports to himself.

Yu Qi walked toward Jin Su Wang. She just walked in her normal way. However, from other perspectives, she was looking like a model walked on a ramp. The girls who hated Yu Qi grind their teeth. They were jealous of Yu Qi. Yu Qi arrived at Jin Su Wang's place.

"Let's ask them first." Jin Su Wang turned to Yi Su Ran first.

"How are you feeling right now, Miss Yi Su Ran?" Jin Su Wang asked.

"I'm feeling good. I'm ready to shoot the arrows." Yi Su Ran said confidently.

"How about you, Miss Tang Yu Qi?" Jin Su Wang asked.

"Same as Miss Yi Su Ran." Yu Qi mimicked the way Yi Su Ran talk.

Yi Su Ran glared to Yu Qi. She thought this bitch was making fun of her.

"Just you wait. You will be ashamed of yourself ." Yi Su Ran said while grinding her teeth. Since it was said in a low tone and Yi Su Ran's mouth did not move when she was talking, so, only Yu Qi and Jin Su Wang heard that sentence.

"I will be waiting for that." Yu Qi also replied in a low tone. She was saying that while she was smiling.

In Yi Su Ran's view, it was like direct provoke to her. 'Calm down, Yi Su Ran. She will lose this time.' Her eyes flashed a cold glimpse.

Jin Su Wang could feel his body tensed up when hearing words from these two girls. They really hated each other.

"Without waiting anymore, we will start the competition. Before that, we need to choose who will be going first. So to be fair to everyone, we decide to toss a cent. While I'm throwing the cent into the air, you two need to choose whether you want to head or tail. When the cent shows head or tail, you can go first." Jin Su Wang told them.

The two girls nodded as they understood his explanation.

Jin Su Wang tossed the cent into the air.

"Tail." Yi Su Ran shouted first. Automatically Yu Qi chose head.

Jin Su Wang caught the cent. Then he opened up his hand. It showed a tail. Meaning Yi Su Ran would go first. Yu Qi would go after Yi Su Ran.

"Let's wait for Miss Yi Su Ran to wear all the required gear." Jin Su Wang told the audience.

Yu Qi walked to the place that she sat before since it was not her turn.

"The distance is quite far in the shooting game." Zhu Xiao Ling commented.

"Really?" Mei Lilli asked.

"In the normal shooting game, the furthest distance is 50 meters." Zhu Xiao Ling told them.

"Oh, I see. Then it is a disadvantage to Yu Qi, isn't it?" So Pang Lim said.

"I don't think so. Yu Qi manages to beat the most talented woman in the archery club two years ago." Ding Na An voiced her opinion.

Everyone looked at Ding Na An weirdly.

"What? Why are you guys looking at me like that?" Ding Na An asked when seeing her friends gave a weird look to her.

"No no no... We are just surprised that you actually talked about the thoughts in your mind. You are usually like Yu Qi, dazed off or doing your own stuff." So Pang Lim said.

"Yeah. It is true." Yun Xiao added.

Ding Na An rolled her eyes at her friends. Everyone around Yu Qi was laughing. They did not pay any attention to the Yi Su Ran who was about to shoot her first arrow.

Chapter 346 - The Archery Competition (Part Three)

After wearing all the archery gears, Yi Su Ran went to the place where she would be shooting the arrow. Since she was a member of the archery club, she used the gears that she always used during her practice including the bow and the arrows.

Yi Su Ran pulled the string and released the arrow. The arrow flew toward the target board. Yi Su Ran was confident that her arrow would be hit the board since she already practiced this distance of 50 meters a lot but she did not sure that it would hit the 'X' mark. The highest mark that she managed to get on this distance was 8.

Maybe, because she was nervous, she hit the 6 points. Seeing the point, her expression tightened. Because she needed to shoot three arrows in 2 minutes, she pulled the second arrows and shot it. Now the second arrow land at the 9 points. She gained her confidence. This was the first time she hit the 9 points on this distance.

Yeah, she could win this. Won against that bitch. Then Bai Shu Jin might feel that bitch was just a normal girl that wanted to seduce him.

She pulled another arrow and shot the target. 9 points again. She was smiling. Her hard work had shown the result. She shot another three arrows continuously and got 8 points on the fourth and fifth arrows and 9 points on the last arrow.

Seeing the result, Yi Su Ran satisfied with it. Only the first arrow was a little bit missed. Overall for 50 meter distance, she gained 49 points. The audiences were clapping when they saw the result.

"Miss Yi Su Ran has 3 minutes break before continuing with another distance which is 80 meters.

"Nice, Su Ran. You will win against that bitch." Yi Ren Shiang encouraged Yi Su Ran.

"I will try my best." Yi Su Ran said.

The 3 minutes break ended. Yi Su Ran went to the 80 meters. Actually, to be honest, Yi Su Ran did not confident to get the high points in this distance. It was a far distance. The highest mark that she managed to achieve before was 6 points. It was not that low and high points.

Yu Su Ran took her first arrow and shot. The first point was 4 points. Yi Su Ran frowned. She quickly grabbed the second arrow and shot and got the 5 points. The third arrow land on the 6 points area.

Seeing this, Yi Su Ran was excited. The points might increase as she shot the next arrows. However, when she shot the fourth arrow, she only got 6 points. It was the same as the fifth and last arrow. Yi Su Ran stepped out from the archery area.

"Miss Yi Su Ran already finished her shooting. Let's see how many points that Miss Yi Su Ran gets from these two distances? It's 82 points." Jin Su Wang announced Yi Su Ran's points.

"So, it is Miss Tang Yu Qi's turn." Jin Su Wang called Yu Qi's name.

Yu Qi had already finished equipping the archery gear. She walked into archery ground. When she walked, a lot of eyes looked at Yu Qi especially, of course, the eyes of men. ~~~~.

Yu Qi picked the bow and arrows. Then she was getting ready to shoot. When she was pulling the string, something happened. The string was snapped and injured Yu Qi's hand. The blood was dripping down to the ground.

"Yu Qi!!!" Song Ha Ting screamed her name.

Her other friends ran toward her. Jin Su Wang also panicked when seeing this incident happened in front of him. He also approached Yu Qi.

"Miss Tang, are you okay?" Jin Su Wang asked. Jin Su Wang was about to call the paramedic to see Yu Qi.

However, Ding Na An already opened the first aid kit box. She quickly stopped the blood from flowing. As expected for a future doctor. When seeing the blood already stopped. Ding Na An put some medicine and wrapped it.

"Wow, that girl already act fast." One of the onlookers said.

"Yeah. She even brings the first aid box here."

"It is no surprise since they are from medical faculty."

The audience was talking to each other. They saw that the girl ran to Yu Qi bringing the first aid box to treat Yu Qi.

"Na An, thank you." Yu Qi thanked her.

"No worries." Ding Na An replied. "Are you okay? You want to continue?"

"Of course." Yu Qi nodded.

When her friends heard Yu Qi said that, they left Yu Qi and went back to their place.

"Miss Tang, are you sure you want to continue? You have already been injured." Jin Su Wang asked.

"It is a small wound. Don't worry about that." Yu Qi said.

"But...." Jin Su Wang hesitated to say.

"It's okay. I still can shoot. But however, I will like to request something from you." Yu Qi said

"If it is something that I can help with, I will try my best to help you." Jin Su Wang said.

Yu Qi smiled. When Jin Su Wang saw the smile, he felt something in his heart. 'This girl is really beautiful. However, she was already taken by someone.' He did not have the confidence to take the girl from the man because from what he had been listening to, the man was very handsome and loved the girl very much.

"Senior Jin, I would like to use the bow that Miss Yi used before. Since Miss Yi did not get injured while using the bow, I think it is safe to use that bow." Yu Qi said.

Yu Qi's reason was very acceptable. Jin Su Wang went to take the bow that Yi Su Ran used before.

Yi Su Ran did not have any excuse for not lending the bow to Yu Qi. She was afraid that someone would talk about it. So, she had to be kind to lend the bow to Yu Qi.

Chapter 347 - The Archery Competition (Part Final)

Yu Qi took the bow from Jin Su Wang.

"Are you sure you want to continue this competition?" Jin Su Wang could not help but ask it again.

"Yes." Yu Qi answered firmly.

Seeing this, Jin Su Wang stepped back.

Yu Qi did not have to waste her time any longer. So, she grabbed three arrows at once. When the audience saw this scene, they shrieked. This girl would show them again the scene where this girl would be shooting the three arrows at the same time.

Yu Qi placed the arrows on the bow and pulled the strings. Within a second, she released the three arrows. The three arrows flew as they had full control over themselves. However, the two arrows slowed down and stayed behind the first arrow. The arrows seemed to distance themselves.

The audience was stunned by watching this scene. It was very unbelievable. How could the arrows slow down just like that? They were released at the same speed. It was almost like someone was controlling the arrows. That could not be true. However, it happened in front of their eyes.

The arrows landed on the 'X' mark. Three of them!!! Yu Qi did not waste any time. She grabbed another three arrows and shot them like the first one. Again, the three arrows struck at the 'X' mark.

"Can I continue the next distance without a break?" Yu Qi turned to Jin Su Wang.

"What? Are you sure you don't want to take a break?" Jin Su Wang asked.

"Yes." Yu Qi answered firmly. She did not want to waste her time. It was better to finish this farce earlier.

"Okay. If you insist." Jin Su Wang nodded.

Yu Qi went to the line of 80 meters distance.

"She doesn't take a break, does she?"

"Probably."

"Maybe she is in pain. So she wants to finish this earlier."

"If she is in pain, how is her performance still amazing?"

"That means she is very skillful in the archery."

"But how does this incident happen?"

"They will investigate, I guess."

"Yeah."

There were people talking not far from Yi Su Ran sat. So, she could hear exactly what were they talking about. Why did it not proceed as her plan? With the help of Meng Qiang Su, they had chosen that bow for Yu Qi in the first place. The bow looked okay, however, Meng Qiang Su did something to the bowstring.

The bowstring had been damaged. Meng Qiang Su purposely had exposed the bow directly to the sunlight. After a day of sunlight exposure, they splashed water on the bowstring. They repeated these two steps every day right after they started working together. With prolonged humidity and heat exposure had made the line frail and weak.

Yi Su Ran was actually aiming for Yu Qi's injured face. Once Yu Qi's face was injured, it would leave some scar. Then Yu Qi would look ugly. Everyone would hate Yu Qi.

However, Yi Su Ran did not expect that Yu Qi managed to dodge the coming bowstring. Only her hand got some injuries. And the more frustrating thing was Yi Qi with that injured hand was still performing but it did not seem to affect her performance. Yi Su Ran clenched her fist. Bitch... Slut... Yi Su Ran swore at Yu Qu indirectly.

Meanwhile, Yu Qi swiftly shot another three arrows that landed straight on the 'X' mark. Then she proceeded to shoot another three arrows. Shush... Yu Qi had finally finished her turn.

The audience clapped and shouted. They were calling Yu Qi's name.

"We have the winner for this archery competition. It is an obvious result. The winner is Miss Tang Yu Qi." Jin Su Wang announced the winner.

Jin Su Wang turned to Yu Qi when he heard that Yu Qi was calling his name. Yu Qi seemed to want something. When he came closer to her, Yu Qi said that she wanted the microphone. Jin Su Wang thought she wanted to make some speech so he gave the microphone to Yu Qi.

"Miss Yi Su Ran. I want to make the claim for our bet. So, please come here." Yu Qi made the statement.

Yi Su Ran paled. She actually forgot about the bet. She assumed that she would be the winner since Yu Qi might be injured in this competition.

"Wow, they did not compete for nothing."

"It is becoming more and more interesting."

"I made this bet between Miss Yi Su Ran. The bet is the winner can ask another party to do one thing. So, I want to claim it right now. Miss Yi Su Ran, please come here. Oh, you need to bring one of your friends as well assuming you will need the help too." Yu Qi said.

Yi Su Ran did not want to go but under everyone's eyes, she went to Yu Qi with Yi Ren Shiang.

"Miss Yi Su Ran, please don't get hard on this. You are the one comes out with this betting. You should honor it." Yu Qi said when she saw the unsatisfied look on Yi Su Ran's face.

"Hurry up. Tell me what you want me to do to you." Yi Su Ran said.

"I want your friend to slap your face twice. One on the left, one on right." Yu Qi said. They could hear that.

"And the mark should be visible. So that your friend did not try to cheat." Yu Qi added.

"You!!!" Yi Su Ran shouted.

"Tang Yu Qi, you can't do this." Yi Ren Shiang also shouted to Yu Qi.

"Your friend seems to reject it. Maybe I need to ask for my friend's help." Yu Qi said.

"Yu Qi, choose me." So Pang Lim shouted.

"Choose me." Mei Lilli also shouted.

They wanted to teach that Yi Su Ran some lessons.

"So, Yi Su Ran, how about it? Do you need my friend to help you?" Yu Qi asked.

Fung Meng Xuan approached them. "Miss Tang, can we forget about this? Yi Su Ran is a playful girl. She is just a young girl."

Everyone could hear Fung Meng Xuan's opinion since she came closer to Yu Qi. Fung Meng Xuan wanted to swing everyone's thought.

"I'm two years younger than her." Yu Qi blocked Fung Meng Xuan's way.

"And she was the one who came to me, challenged me and made the bet. What? Now she did not honor it." Yu Qi really pushed it hard.

Yu Qi wanted to teach them a lesson. She would not stop until Yi Su Ran did what she needed to do.

"Yeah. You bet. Just do it." One of the audience shouted.

Now everyone had shouted the same thing. The audience was on Yu Qi's side.

Chapter 348 - 348: Handprint On The Cheek

"Fine. I will do it." Yi Su Ran said. She just wanted to finish it and ran away from here. "Sister Ren Shiang, do it." Yi Su Ran asked Yi Ren Shiang.

"You better do it right now. If I don't see the mark on her cheek, you need to do that again." Yu Qi reminded them.

Yi Ren Shiang got ready to slap Yi Su Ran. "Sorry." She mumbled the word and slapped Yi Su Ran hard.

PANG!

Yi Su Ran's face turned to the right when Yi Ren Shiang slapped her on her left cheek. Yi Ren Shiang indeed used a lot of force to slap her. Yi Su Ran asked her to use the force since she did not want to be slapped again.

PANG!

Another slap on her right cheek. Yi Su Ran really felt hurt now.

Yu Qi went closer to see the mark. She was satisfied with the result. Yi Su Ran's cheeks were indeed marked with the handprints. Yu Qi leaned to Yi Su Ran's ears and whispered something.

"If you have not tried to cheat in this competition, I will have not embarrassed you like that. However, you have stepped very low to make me lose my face in this competition. So, I need to make you pay the price." Yu Qi's voice was like a devil's whisper that made Yi Su Ran shivered.

Yi Su Ran became pale. 'She knows about this? No... No... No... She is just guessing.' Yi Su Ran told herself.

Yu Qi tossed the microphone back to Jin Su Wang and walked away from the place, elegantly. She felt great because she had taught some lessons to Yi Su Ran. Yi Su Ran probably would now stay low for some time.

"Yu Qi, you bad-ass." Mei Lilli said when Yu Qi had already arrived at their place.

"I bet she is feeling very embarrassed because she has challenged you and lost horribly." So Pang Lim laughed remembering the arrogant face given by Yi Su Ran when she had proposed the competition.

"Yu Qi, you should take a check-up for your wound." Ding Na An said. She was worried about that.

"Yeah, that's right." Song Ha Ting nodded while patting Aoi's head.

Yu Qi's friends started to nag her to see a doctor, even after she told them that the wound was not hurting anymore, especially, Ding Na An. Because of them, Yu Qi ended up walking into the medical center to check her wound.

.....

Five girls plus one boy plus a dog entered a bus. Yu Qi's friends found out that she wanted to eat outside tonight. So, they wanted to tag along. Yu Qi did not mind though. However, the one who had a bad mood was Aoi. Aoi wanted to spend dinner time alone with his beloved master but some people tagged along.

'My dear, I will compensate you by cooking some delicious dishes for you, okay?' Yu Qi smoothed Aoi's mood.

'Really? Promise?' Aoi looked up at Yu Qi.

Yu Qi smiled and nodded to Aoi. Aoi was now happy.

"Sometimes, I feel you and Aoi might talk to each other." Mei Lilli commented after seeing Yu Qi and Aoi's interaction.

"Of course, I understand Aoi, right, Aoi?" Yu Qi turned to Aoi.

"Woof!" Aoi replied.

"Yeah, Aoi is clever. He understands what we are talking about." Song Ha Ting said.

"Yu Qi, where are you going to eat?" Yun Xiao asked.

"I heard a new restaurant has opened in the town. So I want to test it." Yu Qi found out about it when she browsed what to eat for tonight during waiting for her turn in the archery competition. She had originally booked a room for two. Because of her friends came along, she called the restaurant to change the room for about 7 people.

"Let's go." So Pang Lim said.

However, when they arrived in front of the restaurant, they hesitated to enter it. It was because they saw the restaurant was a 4-star restaurant. They thought it was a normal restaurant. So, they would share the money for the meal.

So, when they saw the restaurant, they came to know that even one dish was so expensive. Yu Qi wanted to walk inside but turned around when she saw none of her friends followed her.

"Guys, let's go in." Yu Qi said.

"Yu Qi, this restaurant must be expensive. Let's go and eat somewhere else." So Pang Lim said.

"Yeah, that's right. This kind of restaurant is not suitable for all of you to have a meal. Just go somewhere else." A girl accompanied by her friends started mocking Yu Qi and her friends.

They did not respond to the girl. The girl assumed that they were embarrassed so the girl and her friends entered the restaurant proudly.

"Yu Qi, let's go somewhere else." Song Ha Ting said again.

"It's okay. Let's go in. It's all on me. I already booked a private room for us." Yu Qi told her friends.

After being convinced by Yu Qi, they entered. They had been welcomed by a waitress.

"Welcome to our restaurant, Restaurant Hai Yu." The waitress smiled.

The girl that mocked Yu Qi and her friend saw that they had entered the restaurant. She sneered and said with a slightly high voice to make sure everyone would hear what she was about to say.

"Do you have money? I'm just afraid you will be ended up in the police station after this." The girl completely mocking Yu Qi and her friends.

The waitresses and other customers looked down at Yu Qi and her friends.

"How dare you..." So Pang Lim wanted to slap the girl however Yu Qi held her back.

"Don't." Yu Qi said.

Chapter 349 - 349: Made Choice

Yu Qi walked to the waitress. "I am the one who have booked a private room one hour ago. My surname is Tang."

Although the waitress seemed not to believe Yu Qi, she asked Yu Qi politely. "In order to book the private room, the customer needs to pay some advance money for it. Do you have the receipt of it?"

"See, you don't need to lie to save your face." The girl that mocked Yu Qi and her friends earlier, interrupted.

"Idiot." Yu Qi said to the girl.

"What did you just say?" The girl became angry as someone called her, an idiot in front of her face.

Yu Qi did not want to waste her time with this girl anymore, so, she ignored the girl and took out her phone.

"This is the receipt for the payment." Yu Qi showed something inside the phone to the waitress.

The waitress saw it and smiled. "Thank for coming here, Miss Tang. I will arrange one of our waitresses to show your room." She turned to one waitress. "Ding Ji, go and show the 'Half Leaf Room' to our customers here."

The waitresses made a surprise face. They did not except this girl to book 'Half Leaf Room'. This girl was not the one they could afford to offend.

"What? How could this poor girl book a private room?" The girl voiced it.

"Miss, that Miss indeed booked a private room." The waitress said.

"You just..." The girl wanted to say something but someone from their group blocked her.

"Rong Xie, enough." A girl stopped her.

Yu Qi looked at another girl who blocked that Rong Xie girl. Something flipped in Yu Qi's heart. She felt some familiarity with that girl.

"I'm sorry. Our Rong Xie said something like that. I hope you can forgive her." The girl said.

"Sister Yian..." The girl named Rong Xie wanted to say something but she had been glared by the girl who was named Sister Yian.

Yu Qi did not say anything to them but to her friends. "Let's go."

The waitresses and the customers that watched the scene felt that girl, named Rong Xie wanted to humiliate the other group but got humiliated instead.

When Yu Qi and her friends entered the room, they were laughing.

"Did you see that girl's face?" Mei Lilli said.

"Yeah. She wanted to make fun of us. But in the end, she got humiliated." So Pang Lim added.

"Forget about it. We come here to eat." Ding Na An said.

"That's right." Yun Xiao nodded.

"Here is the book of the menu. I will leave first. You can call me back by pushing the button on the wall to make your call." The waitress said politely.

"Thank you, sister." Yun Xiao took the menu from the waitress.

"You can order anything you want to eat but remember you need to finish it. Don't waste it. It's on me for tonight." Yu Qi opened the menu.

"Really, Yu Qi? Well, I will not be polite." Mei Lilli said.

They discussed what they wanted to eat.

"I thought this restaurant only sells western cuisine but see, they also sell Chinese cuisine." Song Ha Ting pointed to the menu.

"I want to taste western cuisine." So Pang Lim did not have a chance to taste the western cuisine before.

"As I said before, you can choose whatever you want to eat." Yu Qi assured her friends.

"Okay, I will make the choice. For appetizers, I want this. Layered taco dip. For the main dish, I want Linguine With Seafood Sauce. Lastly for the dessert, chocolate brownies. Oh, I forget about drinks. Apricot Pineapple Smoothie." So Pang Lim made her choice.

"I wonder you can finish that." Mei Lilli said.

She also made a choice, choosing western cuisine. Garden Harvest Lasagna for the main dish, Banana Cream Pie for the dessert and Lemon ice for a drink.

Others chose Chinese cuisine. Hay Wrapped Fragrant Ribs, Fuli Roast Chicken, Fried Tofu Curd Balls, and Steamed Pumpkin Dumplings. They chose fruity drinks.

Yu Qi did not forget about Aoi. She let Aoi chose what he wanted to it. Aoi chose Fuli Roast Chicken.

After all of them made the decision, Yu Qi pushed the button that the waitress told them earlier about. Not long after that, the waitress came and took their order. After getting the order, the waitress went out.

They were talking about their study while waiting for their food to arrive.

"Do you already made a choice for your major?" So Pang Lim asked.

"I have chosen gynecology." Song Ha Ting said.

"Dermatology for me." So Pang Lim said. She liked that major because of her own skin.

"I like children so, the pediatrician is the best choice for me." Mei Lilli said.

"Oh, that is unexpected." So Pang Lim looked at Mei Lilli.

"Yeah. That is indeed unexpected." Yun Xiao nodded.

"What do you think me, huh?" Mei Lilli rolled her eyes.

"Someone that might beat the children." So Pang Lim answered.

"Oh, should I beat you now?" Mei Lilli glared to So Pang Lim.

"Great grandaunt, please spare me." So Pang Lim quickly apologized.

Others laughed.

"How about three of you?" Mei Lilli asked Yu Qi, Ding Na An, and Yun Xiao.

"Endocrinology for me." Yun Xiao answered.

"Ophthalmology." Ding Na An said.

"Oh, have you chosen that major?" Yu Qi smiled when she heard Ding Na An chose that major. It must be influenced by her big brother, Tang Han Lee.

Ding Na An gave a faint smile. If someone looked closer at Ding Na An, he or she might see the faint blush on her cheek.

"How about you, Yu Qi?" Ding Na An asked so that, the others would stop paying attention to her matter.

"Surgery." Yu Qi answered.

"All of us chose different majors." So Pang Lim commented.

"However, we are still friends." Mei Lilli said.

The waitress came to deliver the appetizer that So Pang Lim chose just now. Not long after that, the dishes came in one by one. They were drooling over the dishes.

Yu Qi took Fuli Roast Chicken and gave it to Aoi. Seeing food Aoi was delighted. He ate happily.

They started to eat the food that they ordered.

"Yu Qi, thank you for treating us." So Pang Lim said when she first feed her mouth with the food.

"Just eat." Yu Qi smiled.

The room was filled with joy.

Chapter 350 - 350: Yi Su Ran's Parent Came

However, it was not the same for the group that just bickered with Yu Qi's group earlier. They just sat at a normal table. Customers around them were watching the scene just now. In the beginning, they thought that Mu Rong Xie's group was richer than Yu Qi's group. Turned out Yu Qi's group was richer than them. Otherwise, Mu Rong Xie's group would not be sitting on the normal table with other customers.

"Sister Yian, why did you stop me just now?" Mu Rong Xie asked.

"Rong Xie, do you forget that father reminded you to not cause any problem?" Mu Yian asked Mu Rong Xie back.

"I just..." Mu Rong Xie could not find the right word to retort back.

"We came here to have a holiday. We could not afford to offend someone here." Jing Sui said. She also dislikes Mu Rong Xie's behavior earlier.

"Jing Sui is right. That girl may be from some affluent family here." Tony Mei Mei nodded.

"I also think so. Rong Xie, remember to watch your mouth. This is the Binhai Nation. It is not our place." Mu Yian gave a warning to her sister.

"Alright. I will remember." Mu Rong Xie said while resented Yu Qi.

Mu Rong Xie did not unexpected that Yu Qi was from an affluent family. Why was she being friends with some poor girls? She could see her friends were not from a rich family since one of her friends was afraid to enter this restaurant because it looked expensive.

.....

Yu Qi was thinking about the group of girls that she met yesterday. She felt something familiar with the two girls. The girl that mocked her and the girl that stopped the mocking one. It was like the case with Qin Xia but slightly different.

"Sister Yu Qi, what are you thinking?" Zhu Xiao Ling patted Yu Qi's back.

"Nothing." Yu Qi shook her head.

"Sister Yu Qi, everyone is still talking about your win in the archery competition." Zhu Xiao Ling said.

"I just know a little bit." Yu Qi replied.

Zhu Xiao Ling wanted to choke. 'Shooting three arrows, know a little bit? Sister Yu Qi is really something.'

"Yu Qi, the dean of your faculty wants to see you." Vice-captain Jung Xi Wan suddenly approached Yu Qi.

"My Dean?" Yu Qi felt weird.

"He has already called on your phone several times but you have not picked up. Assuming, it is time for the club activity, he has sent someone to inform me asking to tell you." Vice Captain Jung Xi Wan explained.

"He wants to meet me now?" Yu Qi asked.

"Yeah." Vice Captain Jung Xi Wan nodded.

"Okay. I will go. Please inform Captain Heng about this." Yu Qi walked away from the shooting training ground.

When she arrived at the Dean's office, Yu Qi asked a woman. She was probably the dean's secretary.

"Miss, the dean has informed someone that he wants to meet me. Can I see him?" Yu Qi asked politely to the woman.

The woman lifted up her face to see the person in front of her. When she saw the girl, she knew the girl. She was the top student in the medical course. And she was pretty famous in the university.

"The Dean wants to meet you at the meeting room over there." The woman pointed to one of the meeting rooms over there.

"Thank you." Yu Qi went to the meeting room and knocked on the door. She heard someone asked her to enter the meeting room.

Yu Qi entered the room. She recognized two people in the room. One of them was the dean. Others were strangers to her.

"Sir." Yu Qi bowed to the dean and greeted him.

"Miss Tang, you are here." The dean greeted back. "I have called you here to settle some matter." The Dean glanced at the couple that sat in front of the dean.

Yu Qi took a look at the couple.

"So, you are Tang Yu Qi?" The woman asked while glaring at Yu Qi.

Yu Qi could assume the identity of the woman and the man that she did not recognize based on Yi Su Ran's presence. Yi Su Ran probably called her parents to deal with her.

"Yes. I'm Tang Yu Qi." Yu Qi did not show any fear toward them. She was confident as ever.

"How dare you slap my daughter?" Mrs. Yi Han Tong shouted and pointed to Yu Qi.

"It wasn't me who slapped your daughter." Yu Qi said.

"Don't lie to me. My daughter said you slapped her until red." Mrs. Yi Han Tong replied angrily to Yu Qi.

"Oh, you really know how to twist the fate, did you?" Yu Qi turned to Yi Su Ran.

"Su Ran, what did she mean by that?" Mr. Yi Dang Kui who was just silent from the beginning turned to Yi Su Ran and asked about it.

Yi Su Ran gulped. Her father was not like her mother who just believed her word 100%.

"Actually Sister Ren Shiang slapped me. But... She ordered Sister Ren Shiang to do it." Yi Su Ran said while pointed to Yu Qi.

"Then tell me, why was your Sister Ren Shiang following my order and slapped you?" Yu Qi smirked.

"It..." Yi Su Ran could not explain that.

"You better tell me, YI SU RAN." Mr. Yi Dang Kui looked at Yi Su Ran sharply.

"Why do you get angry at your daughter?" Mrs. Yi Han Tong hugged her daughter.

"You have pampered her too much. That is why she has become like this." Mr. Yi Dang Kui slammed the table.

Yi Su Ran hugged her mother. Hiding in her mother's hug.

"Yi Su Ran!" Mr. Yi Dang Kui glared at his daughter.

"Miss Yi doesn't want to talk probably. Well, let me tell you, Mr. Yi." Yu Qi did not want to waste her time anymore.

Mr. Yi Dang Kui turned to Yu Qi waiting for her to speak.

"Miss Yi had challenged me in the archery competition and made a bet that we could order the party that loses the competition to obey one wish." Yu Qi began to explain.

Then she narrowed her eyes. Then the air became suddenly cold.

"Your daughter played a trick to get me injured. They did something to the bowstring so that the bowstring could break and injure my face. Luckily, I dodged it and avoided my face from getting injured. However, my hand was not so lucky." Yu Qi raised her hand that had been injured by the bowstring.

"Because of that, I ordered her Sister Ren Shiang to slap her both sides as a reminder. So, in the future, she would not do something like this." Yu Qi looked at Yi Su Ran.

Mr. Yi Dang Kui turned to his daughter. "Answer me. Is that true?"

Yi Su Ran was shaking. Her father was really angry with this.

Seeing his daughter's reaction, the girl in front of him must be telling the truth. Her daughter had always acted like this when she did something wrong. "Miss Tang, I apologize on the behalf of my daughter. I hope you can forgive my daughter." He bowed to Yu Qi as he swallowed his pride.

Mrs. Yi Han Tong and Yi Su Ran were shocked by Mr. Yi Dang Kui.

"Okay. It's for the last time. I hope Miss Yi can restrain herself from finding a problem with me." Yu Qi smiled at Mr. Yi Dang Kui.

"Thank you, Miss Tang. I so much appreciate that." Mr. Yi Dang Kui said.

"I guess the matter has been settled. I have to excuse myself first." Yu Qi left first.

"Sir, forgive me for wasting your time." Mr. Yi Dang Kui said to the dean.

Mr. Yi Dang Kui was feeling very embarrassed about this situation.

The dean understood Mr. Yi Dang Kui's feelings.

"We will take leave first." Mr. Yi Dang Hui glared at his wife and his daughter, ordering them to follow him.
