Chapter 381 - 381: Yu Qi's Past Life (Part 8)

Yu Qi was in the flight. It was the first time that she was boarding a flight. She was a little nervous when the flight started to fly. Her real grandfather was beside her. She almost could not believe that this was happening in her life.

Suddenly she became the granddaughter of the Mu Guang Qi, a rich businessman in Fanghai Nation. Yu Qi did not expect her origin would be this complicated. From Grandpa Mu, her parent was missing about 20 years. No one knew where they were. They had completely disappeared despite the resources that Grandpa Mu had used to find them.

Also, she was her daughter of his son from Grandpa Mu's first wife who had died during her father's birth. Grandpa Mu was in love with his first wife, so her son was his favourite son.

Grandpa Mu married his second wife due to the force of the Mu Family. Otherwise, he would be a widower for the rest of his life.

Because of his love for his son, he wanted his son to marry someone who was equal to him. However, his son chose a normal girl who did not have anything at all.

Grandpa Mu said if he wanted to marry the girl, he would be removed from the family genealogy tree. He had just said that only to scare his son. He did not have expected that his son had taken it very seriously and left the family.

For the beginning, Grandpa Mu did not care about the matter. Years after years, he slowly started to miss his son and regret his words. If he had not had said those words, his son would be still here.

The flight safely landed at the Fanghai International Airport. Since Grandpa Mu's status was very higher here, the car was waiting right after they came out from the flight.

"We will go to the Mu family house. I will introduce you to the family later on." Grandpa Mu said.

Yu Qi only nodded.

.....

Being stared by many people was not a pleasant thing for Yu Qi. She was currently being stared at by a bunch of people. All of the Mu family members were here. Grandpa Mu had asked all the family members to gather because he said that he wanted to introduce someone to them.

Grandpa Mu's second wife, Kang Pian Sue looked at Yu Qi with a sense of hatred. It was because this girl was completely similar to the Grandpa Mu's first wife, Dian Yi Yi who had died earlier. Because of Dian Yi Yi, she was known as Mu Guang Qi's second wife.

"I have gathered all of you here just only for one thing. I want to introduce you all to my granddaughter, Mu Yu Qi. She is the daughter of my son, Mu Xiao Ye." Grandpa Mu's words made everyone to look around and mumble.

"Grandfather, are you sure she is our family member?" Mu Rong Xie gave a disgusted look at Yu Qi.

"That's right, grandfather. We should make sure it is true or not. We don't want a shameless person to come and enter our noble family." Mu Man Su sneered.

"You all don't need to worry. She is indeed my granddaughter. I already have done the DNA test. The result has proved that she is my granddaughter." Grandpa Mu successfully blocked others.

"So, where do you live before?" Kang Pian Sue smiled while asking Yu Qi.

"Yu Qi, she is your grandmother." Grandpa Mu introduced the woman who had asked Yu Qi.

"Answering to grandmother, I was adopted by Wang Family from Binhai Nation." Yu Qi answered Kang Pian Sue with respect.

"You are not even from Fanghai Nation? Humph." Mu Man Su said.

Grandpa Mu's expression worsened. Jiang Na Na, wife of the third son of Mu family, Mu Zi Lin noticed her father in law's mood. She pulled Mu Man Su to stop her talking unrestrainedly.

"Mum, what are you doing?" Mu Man Su asked in a low tone.

"Just don't talk. Your grandfather doesn't like it." Jiang Na Na told her daughter.

Mu Man Su glanced to her grandfather. It was true his grandfather had glared at her. Mu Man Su gulped her saliva. Mu Man Su kept her mouth quiet.

"You all can leave now. You can get to know Yu Qi some other time." Grandpa Mu said and chased away other family members.

They left the room. Mu Rong Xie was the one to be first announced her annoying thought about Yu Qi to others.

"Grandfather is biased. What is so special about her? She is just a wild bastard." Mu Rong Xie said.

"But she is quite beautiful." Mu Kuang He smiled. A trace of lust could be seen in his eyes.

"Rong Xie, you should not talk like that. Grandfather would not be happy to hear something like that." Mu Yian glanced at Mu Rong Xie.

"But Sister Yian..." Mu Rong Xie wanted to retort.

"Rong Xie." Her father, Mu Li Zie said her name.

Mu Rong Xie shut her mouth up. She was scared when Mu Li Zie said her name.

"But who knew how our father go to Binhai and found our niece there? Father is very lucky." Mu Zi Lian said in half-joke.

"Your father loves Mu Xiao Ye very much. So, he may love Mu Xiao Ye's daughter so much." Kang Pian Sue commented.

Mu Li Zie and Mu Zi Lian looked at each other. His father's love toward their eldest brother was known for a long time ago. Everything was given to Mu Xiao Ye first. If Mu Xiao Ye did not like the things, only then, they could choose.

Chapter 382 - 382: Yu Qi's Past Life (Part 9)

"Yu Qi dear, just ignore them. You just need to know that you are my granddaughter. That's all."
Grandpa Mu held Yu Qi's hand.

He knew Yu Qi was scared when facing the other family members but it was her fate. The fate of his granddaughter. Sooner or later, she needed to get ready to fight with them to protect herself in case he was no longer here.

"Yu Qi, I will arrange you to further study. You need to study about business.." Grandpa Mu informed Yu Qi.

"About that, can I choose the place where I am going to study?" Yu Qi asked Grandpa Mu.

"You have a place in mind?" Grandpa Mu looked at Yu Qi.

"Yes. It is a good university." Yu Qi was very firm with her choice.

Looked like his granddaughter did have some backbone. Grandpa Mu would like to leave it to Yu Qi to decide where she would be going to study.

Yu Qi did have a choice. However, she did not know if her grandfather would let her go or not.

"I want to study at Starlight University." Yu Qi told her grandfather about her choice.

"Starlight University? In Binhai Nation?" Grandpa Mu asked for her confirmation.

"Yeah." Yu Qi nodded.

Grandpa Mu sighed. Yeah, this girl had lived there for about 20 years. It was comfortable for her to choose there instead of at Fanghai Nation with which she was not familiar.

"Okay, I will arrange for you to study at Starlight University. Don't disappoint me." Grandpa Mu agreed with Yu Qi's choice.

"Yes, grandfather. I will not disappoint you." Yu Qi nodded.

.....

With Grandpa Mu's arrangement, Yu Qi had successfully enrolled in Starlight University. At that time, Yu Qi met Fung Meng Xuan for the first time and they had become roommates. Fung Meng Xuan was two years younger than Yu Qi and having a different course but it was not an obstacle for them to be a good friend.

They always did things together. Because of Wang Fu Ya's interference during high school, Yu Qi did not have a friend. So, she cherished Fung Meng Xuan a lot. Yu Qi shared a lot of things with Fung Meng Xuan. Fung Meng Xuan did the same things.

Everyone who knew Yu Qi and Fung Meng Xuan eventually knew how close their friendship was. When Yu Qi told Fung Meng Xuan about her identity, Fung Meng Xuan just nodded. She did not do anything. She told Yu Qi that she accepted Yu Qi as her friend so, she did not care about Yu Qi's background. It made Yu Qi trust Fung Meng Xuan even more.

....

Grandpa Mu called Yu Qi back to Fanghai Nation for the last semester break. For making the trip more fun, Yu Qi invited Fung Meng Xuan to Fanghai Nation. Because Fung Meng Xuan had never gone overseas, she was kind of excited.

Grandpa Mu held a party for Yu Qi. She did not know the purpose of the party. She thought it was a normal party as she attended before.

In that party only, she came to know that it was her engagement party. She was kind of shocked after knowing that she was getting engaged with someone she did not know before. However, she could not talk to Grandpa Mu after about what he had already done for her.

She got to know that Bai Shu Jin was her fiancée. She seemed to notice that she had heard about her fiancée's name before. When Fung Meng Xuan told her that the name was the same as their senior at Starlight University. She suddenly remembered about it.

She did have a senior named Bai Shu Jin in her course. He was kind of famous at the University since he was a very handsome man. Many female students wanted to be his friend or more specific to be his girlfriend. But he had never cared about them.

Yu Qi had not expected that it was the same person. Until Yu Qi met him in the engagement party. Grandpa personally told her that he was her fiancée.

Bai Shu Jin was very polite. He greeted Yu Qi formally. Yu Qi also greeted him. No feeling. They obviously did not attract at each other.

Grandpa Mu just smiled. He told Yu Qi that feeling could be cultivated. Because he had also gone through the same thing.

Mu Rong Xie and Mu Man Su were very jealous of Yu Qi. Their grandfather cared too much about this wild bastard. More than them. They could see how grand the party was. Even the previous party that Mu Family held was not this grand.

"Sister Yian. Grandfather is totally biased towards us. Sister Yian should be engaged with Young Master Bai. Not that wild bastard." Mu Rong Xie said.

"Yeah. Why is Grandfather doing some like this? He seems not to care about three of us anymore since that wild bastard hss appeased in our family. I really hate her." Mu Man Su complained.

"Slow down your voice. It would be not nice if others have not heard us talking about this." Mu Yian gave advice to her younger sister and cousin.

"But..." Mu Rong Xie wanted to retort.

"Our father has already arranged my marriage. So you don't need to worry about." Mu Yian was smiling.

Author Note: I change the plot saying Yu Qi and Fung Meng Xuan were in the same age. The new was Yu Qi was two years old than Fung Meng Xuan.

Chapter 383 - 383: Yu Qi's Past Life (Part 10)

Yu Qi had graduated together with Fung Meng Xuan. Yu Qi invited Fung Meng Xuan to come and work in Fanghai Nation. Fung Meng Xuan was very delighted. It had been her dream to work overseas.

With Yu Qi's help, she settled in Fanghai Nation. Yu Qi began to work at her grandfather's company despite the dissatisfaction from others.

Yu Qi also began to meet with Bai Shu Jin on a regular basis. Grandpa Mu asked for it. He told Yu Qi to cultivate some feeling for Bai Shu Jin. Yu Qi thought the same since she would be married to Bai Shu Jin. She should learn about her fiancée.

Her fiancée, Bai Shu Jin was a son from a well-known family in Binhai Nation. Their family had enormous business. So, when the two giant companies joined the force, it would be a talk in the business world.

Even though it happened for a long time ago, Yu Qi still did not forget where she was almost losing her innocence. She was afraid to meet Bai Shu Jin alone. So, to make things easier, she had always brought Fung Meng Xuan together when meeting with Bai Shu Jin.

.....

Bai Shu Jin looked at her fiancée. Honestly, he did think this girl was okay. But he could not see the spark between their relationship. The engagement was arranged by her family to make the connection with the Mu Family in Fanghai Nation. With this cooperation, Bai Group would be in the top business in the Binhai Nation. Otherwise, he would have already broken this engagement.

However, recently, Bai Shu Jin felt something towards her fiancée's friend, Fung Meng Xuan. He knew Fung Meng Xuan was Yu Qi's best friend. Yu Qi always brought Fung Meng Xuan whenever she was meeting with him.

Bai Shu Jin felt this woman looked very beautiful and knew how to express herself. She was very kind and worked as a counsellor at a high school.

If he had a choice to choose, he would choose Fung Meng Xuan as his wife. Actually, he did not want his wife to be working with him. He wanted his wife to spend her time on him. However, his family especially his father would not allow him to break the engagement.

And his father gave a hint by saying he could have many women in life. He knew what was his father meant since his father had countless mistresses that made his mother always burn in rage. He just hoped that he would not be like his father.

Until that day happened... It was a normal regular outing. The three of them went to a bar. Yu Qi, Fung Meng Xuan, and Bai Shu Jin. They were drinking, dancing and playing some games.

Yu Qi got a call from their office that required her at the office. Yu Qi explained to them and went to the office. So, Bai Shu Jin and Fung Meng Xuan were left alone together.

Because they were drunk, the two of them ended up on his bed. In the morning, Fung Meng Xuan cried making Bai Shu Jin woke up from his sleep. He was very dumbfounded when seeing Fung Meng Xuan was crying while grabbing the quilt covering her body.

Bai Shu Jin suddenly realized what just happened. They spent the night together. He snatched her innocence.

"Meng Xuan, I'm sorry." Bai Shu Jin apologized.

"It's okay. It's not your fault." Fung Meng Xuan said.

"No. It is my fault. I touched you. But don't worry. I will be responsible for you." Bai Shu Jin said.

"How are you going to be responsible for me? You are my best friend's fiancée. Yu Qi will get angry." Fung Meng Xuan bites her lips making a face like she had been wronged.

Bai Shu Jin felt very guilty. A flash of memories entered his mind. He indeed slept with Fung Meng Xuan last night. He raided her body over and over again.

"Don't worry. I will settle the problem between Yu Qi and I. I promise, I will not abandon you." Bai Shu Jin hugged Fung Meng Xuan who was still covered in the quilt.

Yu Qi did not know what happened between Bai Shu Jin and Fung Meng Xuan. There was already a crack in Yu Qi and Fung Meng Xuan's friendship.

They were still hanging out together. However, Bai Shu Jin paid more attention to Fung Meng Xuan. Yu Qi did not notice the change. She was very happy when Bai Shu Jin was being nice to her best friend.

Meanwhile, Fung Meng Xuan started to develop a jealous feeling towards Yu Qi. She was very jealous of Yu Qi since she had a good family, a rich family and Bai Shu Jin. Actually, she had already fell in love with Bai Shu Jin when the first time she had met Bai Shu Jin. However, she covered up her feelings saying he was Yu Qi's fiancée. She must not snatch her man.

But since Bai Shu Jin had already slept with her that night, she thought this fine man needed to be her's. Everything that Yu Qi had should be her's. She started to make a plan that destroyed Yu Qi.

She must start from Bai Shu Jin. She said lies after lies to Bai Shu Jin making Yu Qi being hated by Bai Shu Jin. She put on Bai Shu Jin's mind that Yu Qi was a bad and petty woman who did not even leave her best friend in her schemes.

Chapter 384 - 384: Long Hui Is Coming.

"You remember everything about your past life, Master?" Aoi asked excitedly.

"Yes. Everything." Yu Qi took a long breath to calm her heart.

Yeah, she remembered everything. Her grandfather, her family, Fung Meng Xuan's betrayal, Bai Shu Jin's play. She thought she would no longer remember it. However, when she saw a picture of her real grandfather. She remembered everything.

"You always eager to meet your real grandfather, right? So, you can go and meet him." Aoi said to Yu Qi.

"My little cutie, it is not easy." Yu Qi patted Aoi's head.

"Why?" Aoi did not understand.

"If I go to meet him now, what should I say to him? Saying, that I'm your missing granddaughter, he might think that I just a wild person that want to enter his rich family." Yu Qi said.

"Owh, I did not think that." Aoi bowed down.

"I will think about that later." Yu Qi stood up. "I will cook something for you guys."

"Yes. I have been waiting for it." Bo Ya jumped.

"I want to eat meat, Master." Aoi also jumping.

"Okay, my little cuties..."

.....

Yu Qi attended the university as usual. The normal lecture class began to decrease as the second year students started to choose their major. Yu Qi that chose surgery major began to went to the surgery lab to study more about surgery.

Besides that, Yu Qi began to think about the ways to meet with his real grandfather. She did not want to enter the Mu family. She just wanted Grandpa Mu to know that he had a granddaughter outside.

And also, she wanted to check Grandpa Mu's health. In her past life, the pair of bastard and bitch said other family members poisoned Grandpa Mu by giving him a slow poison. She wanted to know if they already started to poison Grandpa Mu or not.

If they already poisoned Grandpa Mu, she needed to know what poison it was and tried to develop the antidote. Or if they had not to poison Grandpa Mu yet, she would give Grandpa Mu a shield for the poison. The medicine that could help to protect people from all poison. She was still in her research.

Suddenly she missed Long Hui. She wanted to share the happiness that she found her real grandfather to Long Hui. She did not want to tell Tang Family first. She would tell them after meeting with Grandpa Mu and let him knew first.

She did not want Grandpa Tang meet with Grandpa Mu and told him the truth. She knew Grandpa Tang capable of.

That night, she called Long Hui. The call had been answered after one ringing.

Yu Qi: "Hello, Brother Hui."

Long Hui: "Hello Qi Qi."

Yu Qi: "Are you busy right now?"

Long Hui: "I just finished doing some paperwork."

Yu Qi: "Owh, I see. You must be tired then."

Long Hui: "Of course. In fact, hearing your voice makes me feels energetic."

Yu Qi: "I just want to call you because I miss you."

Long Hui: "..."

Yu Qi: "Brother Hui?"

Long Hui: "Qi Qi, I miss you too."

Yu Qi: "Actually... Hmmm... It's nothing. I just call to hear your voice."

Long Hui: "I just hope I'm beside you. So, I can cuddle you all the time."

Yu Qi: "Hahaha... Me too."

Long Hui: "It already late. Go to sleep."

Yu Qi: "Okay."

Long Hui: "Don't forget to dream about me."

Yu Qi: "You too. Bye."

Long Hui: "Bye, my beloved Qi Qi."

Yu Qi looked at her phone. She thought it was not wise to tell Long Hui about that matter in the phone. That matter should be told face to face.

...

Long Hui also looked at his phone after finished in call with his beloved Qi Qi. He thought Yu Qi wanted to tell him about she could not. She seemed to hesitate to tell him. He became anxious.

"Oi, I'm still here." Ren Qian Yi waved his hands in front of Long Hui that already in a dazed state.

He knew that call was from his sister in law that made Long Hui like this. Sigh... Couple in love always in dazed.

"Oi, Hui." Ren Qian Yi called Long Hui again.

This time, Long Hui responded to him. "What?"

"What's wrong? Is something happens to sister in law?" Ren Qian Yi inquired.

"On the call just now, she seems to tell me something but she doesn't. What do you think?" Long Hui asked Ren Qian Yi.

"Oh, it must be something happen to her." Ren Qian Yi touched his chin.

Long Hui frowned. Just what happened to his beloved Qi Qi? He really wanted to know.

"I want to go to Wenya City tomorrow." Long Hui made the decision.

"Eh.....!" Ren Qian Yi looked at Long Hui.

"If I can not get to know what happened to Qi Qi, I can not focus on anything. It is better to go to her and ask her face to face." Long Hui said.

"If she doesn't want to tell you?" Ren Qian Yi asked.

"If she doesn't want to tell me, I have my own ways to make she tells me on her own." Long Hui narrowed his eyes and gave a cold smile.

Ren Qian Yi shivered. This bastard, even his love, he did not give a spare.

Long Hui did not care what Ren Qian Yi thought. Ren Qian Yi thought Long Hui would be using the method that made spy told their secret. Of course... not! Long Hui would do a different kind of methods to make Yu Qi told him.

At the same time, Yu Qi shivered. She looked around. 'Why do I suddenly feel cold?'

Chapter 385 - 385: I Want To Share The News With You

It was the weekend. Yu Qi did not have any activity. After morning jogging, she occupied her space experimenting the medicine. The medicine was for Grandpa Mu.

Suddenly her phone was ringing. She answered the phone without looking at the caller.

Yu Qi: "Hello."

Long Hui: "Qi Qi."

Yu Qi: "Brother Hui?"

Yu Qi took a look at her phone. The name was really Long Hui.

Long Hui: " Qi Qi?"

Yu Qi: "Yeah?"

Long Hui: "Where are you right now?"

Yu Qi: "In my room."

Long Hui: "Can you come out?"

Yu Qi: " Huh?"

Long Hui: "I'm standing in front of your hostel, right now."

Yu Qi: "Huh? Really? Wait for a moment."

Yu Qi quickly left the space. Aoi was dumbfounded with it. Usually, his master would bring him out too.

"What happens?" Aoi looked at Bo Ya.

"That man came." Bo Ya answered. Since he was inside Yu Qi's mind, he heard the conversation.

"Oh." Aoi made an 'O' with his mouth.

Yu Qi ran outside. It was weekend but there were a lot of female students in the lobby. They were whispered in blush while pointing to one direction. Yu Qi glanced to that direction.

'I know it' expression appeared on Yu Qi's face. Long Hui was standing outside his car. His figure was very good.

Yu Qi walked slowly to Long Hui. When Yu Qi appeared in Long Hui's sight, his cold look had been replaced by a gentle look. He looked at his beloved Qi Qi with loving eyes.

"What are you doing here?" Yu Qi asked.

Long Hui did not answer her yet. He pulled Yu Qi into her hug. When that happened, they would hear some scream behind them. Long Hui ignored them.

"You said you missed me last night. So, here I am." Long Hui whispered into Yu Qi's ear.

Hearing those words, Yu Qi understood why was he here. It was because she said those words.

"I miss you but you should not leave your work." Yu Qi enjoyed the lotus scent.

"I can not focus while thinking about you." Long Hui smiled.

"Let's go to a different place. We can not talk anything here." Yu Qi suggested. Those students were still there looking at them.

"Okay, Qi Qi. Let's go."

Long Hui opened the door car and invited Yu Qi to go in. This scene made those students screamed even loud.

"That Senior Tang's boyfriend? He is so handsome."

"I wish I had someone like him too."

"I saw him before. He is still handsome."

"I think it is the reason why she had so many bad rumour."

"Bad rumour?"

"Yeah, it happens last year before you enter our university."

"Someone spread the word that she was a mistress to an old man."

"Really? Are those rumours are true?"

"Of course not. She is also from a rich family. Why does she need to be a mistress?"

"Oh, that's right."

People were talking about her. But she did not know about that neither she cared about that.

Long Hui brought Yu Qi to a restaurant. Since she did not eat her lunch yet, she was quite hungry.

"You don't eat lunch yet?" Long Hui asked.

"Yeah. I'm kind of busy before you come." Yu Qi scratched her cheek.

"Qi Qi, you are too slim. Eat some meat." Long Hui could not help to feel worried about his girlfriend.

"Okay." Yu Qi eats as Long Hui asked.

A trace of warmth could be seen on Long Hui's eyes. His beloved Qi Qi was indeed cute.

"How can you be here? How about your work?" Yu Qi asked while eating.

"Don't worry about that. There is not important work at this time. I already assign some people to do the work." Long Hui said.

On the military camp

"Long Hui, your bastard. Asking me to do this kind of work... While you enjoying your date with your beloved... Inhuman..." Ren Qian Yi shouted facing some of the documents.

Back to the restaurant.

"Oh. Okay." Yu Qi nodded.

"I know you have something to tell me." Long hui said.

Yu Qi stiffened. Long Hui really knew from their conversation yesterday.

"If you don't want to tell me, then it's okay." Long Hui used a different approach.

"No, I do want to share this news with you." Yu Qi looked to Long Hui. "You do know that I'm an orphan right?"

"Yeah. I know." Long Hui nodded.

"I found my real family."

"Oh, really?"

"Yeah, I want to share this news with you but I don't want to tell you through the phone. But I never expected to see you here. I'm so happy." Yu Qi smiled.

Long Hui also gave a smile when Yu Qi thought so. It was very worth to come here and met his beloved Qi Qj like this.

After lunch, they decided to walk around. It was a date. Long Hui casually put his hand on her waist. Yu Qi did not mind since Long Hui was her boyfriend.

There were a lot of people looking at the couple. Among them was An Shu Lin. She was together with some friends. When she looked at Yu Qi, she was very jealous. She too wanted a handsome boyfriend like that.

"That is Junior Tang's boyfriend? He is so handsome." One of An Shu Lin's friends said.

"Yeah. It's the first time seeing him."

"Shu Lin, you must become close with Junior Tang since you went to the conference together, right?"

"No, we are not close." An Shu Lin said with her eyes rolled and walked away.

Her friends looked at each other and followed An Shu Lin after that.

Chapter 386 - 386: Worthless Person.

Fung Meng Xuan was also looking at the couple. It was a long time since she had last met with Long Hui. She missed him so much. However, looking at him like this, made her very jealous. She wanted her to be with Long Hui, hold his hand and made him smile to her.

She wanted Long Hui to notice her, so she encouraged herself to go and greet the couple. Even if Long Hui would glare at her, she did not mind. As long as he noticed her.

"Oh, Miss Tang, what a coincidence. You have come here to hang out too?" Fung Meng Xuan said with a sweet smile.

Yu Qi's face turned black. Seeing his beloved Qi Qi's mood was turning worse, Long Hui frowned. 'There are always some women who come and disturb their date.'

"How about we hang out together?" Fung Meng Xuan suggested.

"Miss Fung's face is always thick." Yu Qi made a comment.

Fung Meng Xuan was silent after hearing that sentence. She knew the meaning of the sentence. Yu Qi dared to say that she was being shameless in public. Without realising, she clenched her hand into a fist.

The onlookers, especially, women also heard that sentence and immediately understood the meaning behind those words. They cast a look to Fung Meng Xuan. They hated this kind of woman.

"I just want to hang out together. That's all." Fung Meng Xuan played a pitiful role.

"Hang out together? Miss Fung, you are not even my friend. You are just some fellow student from the same university. Not to mention, my boyfriend hates when our date is being disturbed by an unknown person." Yu Qi glared to Fung Meng Xuan.

The more the onlookers heard this, the more they could conclude. This green lotus bitch probably wanted to seduce the boyfriend but he did not pay any attention to the green lotus bitch.

"You..." Fung Meng Xuan wanted to say something but the words held back in her neck when Long Hui gave her a cold glare.

"Miss Tang, your words are very harsh." Fung Meng Xuan calmed down herself before letting out few words with a soft tone.

"Again and again you disturb our date, can't I think otherwise?" Yu Qi smirked.

"Let's go, Qi Qi. Don't waste our time on a worthless person." Long Hui pulled Yu Qi's hand.

They walked away and ignored Fung Meng Xuan who was still standing there. The onlookers snorted at Fung Meng Xuan. Who would like their date being disturbed by someone like her?

"Meng Xuan, what are you doing here? Hurry up and come." Yi Ren Shiang said after she had finished buying what she needed.

"Okay." Fung Meng Xuan followed Yi Ren Shiang quickly.

Back to Yu Qi and Long Hui...

"That woman always disturbs our date." Long Hui said while showing his hatred for Fung Meng Xuan.

"As you have said, she is just a worthless person. Don't mind about her." Yu Qi smiled sweetly to Long Hui.

Seeing his beloved Qi Qi smiled sweetly to him, Long Hui pushed out the matter about Fung Meng Xuan from his mind. He should better focus on his beloved Qi Qi.

They were having a date like a normal couple. Long Hui wanted to buy some clothes for his beloved Qi Qi. Yu Qi wanted to refuse but Long Hui insisted.

"I want to spoil you, can't I?" Long Hui made a begging face like he was an abandoned puppy.

Seeing Long Hui making that face, she could not refuse anymore.

"Okay. But just one piece, okay?" Yu Qi said.

"Okay." Long Hui nodded.

They entered the shopping mall. Long Hui searched for shops which sold some dresses. Finding one, Long Hui pulled Yu Qi to enter the shop. Yu Qi could see that it was a high brand shop in the mall.

Long Hui excitedly survey the dresses like he was the one who was going to wear them. He wanted to choose the dress that he thought would fit perfectly to his beloved Qi Qi.

"May I help you, Sir?" The saleswoman came and greeted Long Hui. As usual, she quickly fell in love with Long Hui's handsome face.

"I'm looking for an evening dress for my beloved." Long Hui pulled Yu Qi by her waist.

The saleswoman stiffened. Of course, a handsome man like him would have a girlfriend and would come to the shop like this for her girlfriend only.

Yu Qi could see the disappointed look on the saleswoman's face, however, she quickly made a professional expression and treated Long Hui and Yu Qi as her customer.

"You come to the right shop. Two days ago, our shop received some latest designs. Come and follow me." The saleswoman led the way to the latest section.

"Here is the latest designs of the dresses that we have. You can see them. If you want to try, just tell me, I will lead you to a changing room." The saleswoman smiled.

"Thank you.", Yu Qi nodded.

Long Hui had begun to see the dress for his beloved Qi Qi. After scanning, Long Hui picked three dresses that he thought would be nice on his beloved Qi Qi.

"Qi Qi, try these for me." Long Hui said.

"Three of them?" Yu Qi looked at the dresses.

"Yeah. Don't worry, I will choose just one as I have promised." Long Hui knew his beloved Qi Qi did not want him to waste the money.

"Okay. I will try it." Yu Qi took the dresses.

"Follow me, miss." The saleswoman showed Yu Qi where the changing room was.

Chapter 387 - 387: Spend The Night Together

Yu Qi tried those three dresses. Long Hui focused to find the dress that suited Yu Qi the most. After Yu Qi finished trying on all the dresses, Long Hui made his decision. He chose the second dress which Yu Qi had tried on.

"Why do you choose this dress?" Yu Qi asked for a curiosity.

"Because it does not expose your skin too much." Long Hui stated.

Indeed, it was the reason why he chose that dress. The other two dresses exposed her skin too much. He did not want other guys to look at his beloved Qi Qi's skin.

When Yu Qi heard the reason, she laughed. Her Long Hui was really jealous when thinking about it that those men would look at her.

"Thank you." Yu Qi kissed Long Hui's cheek.

Long Hui was very happy when he received a kiss on his cheek from his beloved Qi Qi.

Long Hui took the dress to make the payment.

"We are having a special offer at this time. Buy one dress that above 2000 RMB and will get a free gift from us. You can check the free gift later. You may like it." The saleswoman said.

"Okay." Long Hui made the payment.

They left the shop.

"That handsome man would like the free gift which we have given to them." The saleswoman said to her colleagues.

"Yeah." Her colleague replied while grinning.

Long Hui and Yu Qi walked around. Yu Qi also insisted on buying something for Long Hui. She was getting Long Hui a leather belt. Since it was from his beloved Qi Qi, Long Hui accepted it happily.

When they exited the shopping mall, the sky had already turned dark indicating that the daylight had already ended.

Seeing this, Long Hui turned to Yu Qi. He still wanted to be with his beloved Qi Qi. He knew that his beloved Qi Qi had to go back. But he still wanted to try.

"Qi Qi, can you spend the night with me?" Long Hui asked.

Yu Qi was stunned for a moment.

"Okay. I will send you back." Seeing his beloved Qi Qi had not given him an answer, he gave up.

"Wait." Yu Qi pulled Long Hui's hand. "I agree." Yu Qi gave a shy answer and she did not even look at Long Hui.

This time, Long Hui was stunned. His brain could not process the situation on time.

"You mean, you agree to spend the night with me?" Long Hui asked the stupid question.

"You idiot. Do I need to repeat that again?" Yu Qi was blushing and she stumped angrily.

"Oh, yeah. Let's go, my dear." Long Hui pulled Yu Qi's hand excitedly.

'This man is excited like a child who has gotten his play.' Yu Qi thought while following Long Hui with a red face.

They arrived at a 5-star hotel. The receptionist greeted them with a smile. 'What a beautiful couple.' She thought.

"Yes, Sir?" The receptionist asked.

"I booked a room today. So, I want to check-in now." Long Hui said.

"May I get your name, Sir?" The receptionist inquired.

"I made the reservation under the surname Long." Long Hui told the receptionist.

"Wait for a minute, Sir. I will check it." The receptionist quickly checked for Long Hui. Indeed, a man with the surname Long has booked a room. Not to mention it was a VVIP room.

"Will you make the payment by cash or credit card, Sir?" The receptionist asked.

"Credit card." Long Hui placed his credit card on the table.

The receptionist took the credit card and settled the payment. After settling the payment, she took out the key and gave it to Long Hui.

"The room is on the twelfth floor." The receptionist told Long Hui.

Without saying anything, Long Hui took a key and pulled Yu Qi together entering the lift. Yu Qi had no time to turn to the receptionist and say 'thank you'.

The receptionist smiled and nodded. She did not take the matter to her heart since there were a lot of people like Long Hui.

Actually, in Long Hui's mind, he did not think of anything else. Except for this that his beloved Qi Qi would be spending the night with him. He even imagined something naughty. If his beloved Qi Qi knew about this, she might not dare to step into the room with Long Hui.

As for Yu Qi, she was very shy to spend the night with Long Hui. Even though she already spent the night before at her hotel. That time, she had to because of Feng Yue. This time, it was her own violation.

The couple entered the room with different thoughts in their minds. The outside view from the room was very beautiful since it was a VVIP room. They could see all night view of Wenya City from their window.

"Let's call the room for dinner." Long Hui said.

"Okay." Yu Qi nodded.

Long Hui quickly called the room service and ordered two sets of beef steak with a bottle of red wine. Yu Qi was still watching the view outside of the room. After finishing the call, Long Hui went to Yu Qi's side.

Long Hui hugged Yu Qi from behind. Yu Qi accepted without doing anything. She felt very safe inside Long Hui's hug. She knew that Long Hui would not do anything other than this without her permission.

"The view is beautiful." Long Hui said.

"Yeah." Yu Qi agreed.

"But the woman inside my arms is more beautiful than this." Long Hui sounded out the words.

Yu Qi smiled. Her Hui was really a master in his words.

Chapter 388 - 388: A Hot & Sweet Night At The Hotel (Part 1)

The romantic situation was interrupted by the bell on the door. Long Hui went to open the door. Their dinner had already arrived. Long Hui brought the dinner in their room.

"Qi Qi, let's eat first." Long Hui called Yu Qi.

"Okay."

Long Hui set the dinner near the window so that they could eat the dinner while enjoying the night view. The dinner was indeed delicious accompanied by a bottle of red wine.

Yu Qi drank wine. It was her first time drinking the red wine in this lifetime. It was indeed tasty. Yu Qi drank until Long Hui pulled her glass.

"It is bad to drink so many of it." Long Hui reminded Yu Qi.

"Oh, okay." Yu Qi nodded. She already felt the dizziness. But the dizziness made her wanted to drink more.

Long Hui put the wine aside.

"I will clean up first, okay?" Long Hui wanted to take a quick shower.

"Okay." Yu Qi firmly answered even though she was already dizzy.

Long Hui went to the bathroom. Well, he was actually excited. His little brother already half awoke. He did not want things to go further, so he wanted to take a cold shower to calm his little brother.

While Yu Qi was finding something in the shopping bag that they got. She wanted to know about the free gift that they had gotten from the shop from where they had bought the dress. Because of the red wine, her action slowed down already.

She opened the box of the free gift. Then she took out the gift. When she saw the gift, she was dumbfounded. 'This... This... Lingerie. What should I do with this? Not like I can wear it. What is the saleswoman thinking when she has given this to me?'

The free gift was transparent black lingerie. It was so s.e.xy and had a mature seducing aura if a woman wore it. Yu Qi imagined herself wearing this lingerie. 'So shameless.' She repeated those words many times in her mind.

"Qi Qi, I have finished. It's your turn." Long Hui appeared from the bathroom wearing the bathrobe and revealed some of his s.e.xy chest.

Yu Qi was shocked. She quickly hid the lingerie behind her. She could not let Long Hui see that lingerie. What would he think when seeing her hold that lingerie?

Long Hui felt weird after watching his beloved Qi Qi's behaviour. Looked like his beloved Qi Qi was hiding something from him.

"Qi Qi, what are you hiding behind your back, hmmm?" Long Hui said with sweet voice seducing his beloved Qi Qi.

"Nothing. It is just the dress that you have bought for me. I'm letting it out to see once again." Yu Qi tried to put the lingerie back into the shopping bag.

However, Long Hui managed to snatch the lingerie from his beloved Qi Qi's hand. He was stunned to see the lingerie which he was holding.

"This is..." Long Hui's eyes shined.

"It is the free gift that the saleswoman has given to us." Yu Qi tried to explain.

"Qi Qi... Can you wear it for me?" Long Hui made the request.

"What? Wear them?" Yu Qi's face blushed hard.

"Yes. Can you?" Long Hui made the puppy face.

When Long Hui made that face, Yu Qi felt that she could not reject his request.

"Please, I just want to see it." Another puppy face abandoned one.

"Okay. But let me clean up first." Yu Qi grabbed the lingerie and ran away to the bathroom.

Long Hui was humming in a happy tone. He poured some red wine into the glass and enjoyed it while waiting for his beloved Qi Qi to show up with the lingerie.

Fifteen minutes had passed. Yu Qi appeared wearing the bathrobe. Long Hui showed a disappointed expression. He thought that his beloved Qi Qi would wear the lingerie for him.

Yu Qi exited the bathroom with a red face. She actually wore that lingerie under the bathrobe.

"Qi Qi..." Long Hui called Yu Qi.

Yu Qi's hand was holding the edge of the bathrobe. When Long Hui saw it, his eyes lifted up. He immediately understood. His beloved Qi Qi was actually wearing the lingerie for him to see. He approached his beloved Qi Qi.

"Qi Qi, can I see it?" Long Hui whispered in Yu Qi's ear and licked it a bit.

"Ah... You can't lick me there." Yu Qi m.o.a.ned. That was her weak point.

Long Hui quickly pulled the bathrobe from Yu Qi's body, leaving only the lingerie on his beloved Qi Qi's body. Yu Qi was standing shyly.

Long Hui was stunned. His beloved Qi Qi looked very s.e.xy and beautiful. The black lingerie perfectly suited her white skin. Long Hui became to feel his blood rushed to one area.

"How is it?" Yu Qi shyly asked.

Hearing his beloved Qi Qi's shy question, Long Hui grabbed Yu Qi and threw her onto the bed. He quickly got onto his beloved Qi Qi's body.

"Qi Qi, you look very s.e.xy. I can't believe that you are mine." Long Hui caressed his beloved Qi Qi's face while saying the sentence with a restrained voice. Like he was holding back on something.

"I'm embarrassed." Yu Qi moved her legs a little bit.

The action made Long Hui more heated up. Long Hui placed the kiss on Yu Qi's lips. He kissed Yu Qi aggressively. His tongue pushed his way into Yu Qi's mouth. His tongue played around with her tongue.

Chapter 389 - 389: A Hot & Sweet Night At The Hotel (Part 2)

After feeling that his beloved Qi Qi was short of the breath, Long Hui released her from the kiss. Yu Qi's face was slightly red. Did not know whether it was because of the red wine or the kiss.

"Hui...Ah..." Yu Qi called Long Hui's name.

"Qi Qi..." Long Hui kissed another place such as her weak spot which was the ear.

"Ah... Ah... Don't... Stop..." Yu Qi m.o.a.ned.

"Hmmm... Don't stop? Okay... I will not stop." Long Hui kissed and licked around Yu Qi's neck. He wanted to leave some marks on his beloved Qi Qi's white neck. So, he bit and left one love bite on Yu Qi's white neck. Seeing the mark, he felt satisfied. When other men saw this, they would know that this woman already had a man beside her.

Yu Qi m.o.a.ned and m.o.a.ned over and over again. Long Hui already pulled down the lingerie around Yu Qi's chest. Her two white mountains stood up proudly in front of Long Hui's eyes.

Long Hui could see his beloved Qi Qi's n.i.p.p.l.es already stiffened. Long Hui pinched one of the n.i.p.p.l.es once.

"Ah..." Yu Qi made another sound.

This time, Long Hui licked another n.i.p.p.l.e and his hand played with Yu Qi's another white mountain. He kneaded around Yu Qi's white mountain.

"Ah... Ah... Ah...." Yu Qi m.o.a.ned.

"Qi Qi, you let out a s.e.xy voice. I really like it." Long Hui said and kissed Yu Qi's lips again.

His hand already reached out to his beloved Qi Qi's private area. When he touched the area, he could feel that his fingers were very sticky due to his beloved's nectar.

He went down and threw away the obstacles which blocked him from seeing his beloved Qi Qi's private area. When all the obstacles had disappeared, he could see all of it. His eyes waved around.

Meanwhile, for Yu Qi, she could feel the breeze passed her private area. She suddenly felt embarrassing. So, she wanted to close her legs. However, Long Hui held them back.

"Qi Qi, let me see, okay." Long Hui used his sweet voice to attack Yu Qi.

Hearing the voice, Yu Qi followed Long Hui's requested.

"Qi Qi, you do look pretty here." Long Hui slightly touched his beloved Qi Qi's c.l.i.t.o.r.i.s which was currently hiding.

"Ah...Don't... touch it..."

It felt like an electric current passed her body when Long Hui had touched it.

Long Hui desired to make her m.o.a.n more, so he deliberately touched it many times.

"Ah... Ah... Ah..." Yu Qi could not help but m.o.a.n.

"Feel good?" Long Hui asked Yu Qi.

"Hmmm..." Yu Qi answered.

"Want to feel even more?" Long Hui asked again.

"Hmmm..." Yu Qi nodded.

"Then, I will make you feel even better." Long Hui smiled

After he made the sentence, using his tongue, he licked her c.l.i.t.o.r.i.s. He also bit the c.l.i.t.o.r.i.s gently during the licking. Now the c.l.i.t.o.r.i.s already came out and hardened.

"Ah... Hui... More... More... Please... Don't stop..." Yu Qi grabbed Long Hui's hair while she was m.o.a.ning.

Due to Yu Qi's m.o.a.ns, Long Hui licked more. Yu Qi felt more and more.

"Hui... Hui... Ahhhhh..." Yu Qi's body made an arch curve when she was coming.

Long Hui smiled after seeing that his beloved Qi Qi had achieved her orgasm. After Yu Qi calmed down a little bit, Long Hui kissed Yu Qi.

Yu Qi was having a blurred mind. She felt fantastic. Her Hui made her felt good. As their position was very close to each other, Yu Qi could feel some heat was being transmitted from Long Hui's little brother. She felt like she also needed to make her Hui felt good as well. So, Yu Qi grabbed Long Hui's little brother.

Because of the force that Yu Qi used, Long Hui, hissed in pleasure. Yu Qi pushed Long Hui down. Now, Yu Qi was on the top of Long Hui. Yu Qi smiled seductively.

"Hui, I will make you feel good too." Probably due to the red wine, Yu Qi began to arouse.

Long Hui smiled when seeing his beloved Qi Qi acting so wildly. He liked it.

Yu Qi grabbing the bathrobe and opened it. She could see Long Hui's muscular chest yet.

"Hui, you also look very s.e.xy. Sigh... You are mine, Hui..." Yu Qi kissed Long Hui's chest. She started to lick around.

Long Hui watched his beloved Qi Qi's tongue played around his chest. He smiled. 'My beloved Qi Qi is very bold tonight.'

"This bathrobe is in the way." Yu Qi untied the robe and opened the bathrobe fully.

Everything was in a full display. Long Hui's muscular chest, Long Hui's eight pack abs, Long Hui's V line body and Long Hui's little brother, all were in Yu Qi's sight. Because she was still drunk, she did not feel embarrassing watching all of them.

Yu Qi's finger touched Long Hui. Then she was running her finger from Long Hui's chest to his eight pack, and lastly to his little brother. Yu Qi was grinning silly while touching Long Hui's little brother.

Due to Yu Qi's touching, Long Hui's little brother already hardened was now standing high proudly. Yu Qi pushed Long Hui's little brother a little bit. It moved according to the pushing and then back to its original place.

"Oh, it moves back." Yu Qi made a comment.

Long Hui did not know what to do with Yu Qi. He was responding to Yu Qi's touching.

"Hui, do you feel good when I touch it?" Yu Qi lifted her head up and asked Long Hui.

"Yeah... Hmm..." Long Hui hissed in pleasure when Yu Qi pushed his little brother again.

Yu Qi made a bold move by grabbing Long Hui's little brother directly.

"Oh... Hmmm... Qi Qi... It's good..." Long Hui said.

"And how about this?" Yu Qi moved her hand up and down.

"Oh...Yeah...Ah..." This time was Long Hui's turn to m.o.a.n.

Yu Qi felt very great when hearing Long Hui was feeling the pleasure. She could see some liquid was leaking from the tip of Long Hui's little brother. Seeing the liquid, Yu Qi became urgent to lick the liquid. So, she began to lick the top of it. The taste was not bad so Yu Qi began to lick all the parts of Long Hui's little brother.

While Long Hui did not stop making sounds, hissing in pleasure. His beloved Qi Qi licked his little brother without him asking her. It felt very good. Not long after, Long Hui released his white liquid. The white liquid hit Yu Qi's face.

Yu Qi wiped out the white liquid from her face. She took some and licked it.

"It tastes weird." Yu Qi made a comment.

Chapter 390 - 390: Total Blessing To Him

He opened his eyes. It was totally blissful for him to start the day when seeing his beloved Qi Qi's sleeping face which would be the first thing in the morning he would see. The last night experience was very fantastic. His beloved Qi Qi behaved very boldly when she was drunk. Long Hui chuckled.

Yu Qi made some sound but her eyes were still closed. She then moved closer to Long Hui's chest. Feeling comfortable, she fell back to sleep.

"Qi Qi, you are so cute." Long Hui whispered.

Since his beloved Qi Qi still wanted to sleep, Long Hui hugged Yu Qi tightly and went back to sleep.

One hour later, Yu Qi opened her eyes. The first thing she saw when she opened her eyes was Long Hui's chest.

'What... What... What did happen last night?' Yu Qi's drifted left and right finding her answer from her memories.

At first, she did not remember. After a few times of searching, the flashback about what just happened last night came in her mind. Her eyes were opened widely.

"Oh, oh, oh... It was embarrassing. Why do I remember all of that? Can I forget them?" Yu Qi whispered.

Then Yu Qi lifted up her face to see Long Hui. She was very surprised to see Long Hui already opened his eyes and was looking to her.

"Morning my Qi Qi." Long Hui smiled.

"Argh... Why are you not saying anything if you already wake?" Yu Qi pulled the blanket covered her head and turned her back facing Long Hui.

Long Hui laughed when seeing Yu Qi was acting shyly in front of him after what had happened last night. He wanted to tease his beloved Qi Qi.

"Qi Qi, you were sure acting boldly last night. I really liked it." Long Hui whispered slowly to Yu Qi's ear.

Yu Qi screamed in her mind. Long Hui's morning voice was very very seducing for her. How would she manage to survive when they would get married later? And about last night, it was, yeah, TOTALLY embarrassing when she remembered what was she doing to Long Hui last night.

Long Hui ignored Yu Qi's thought. He hugged his beloved Qi Qi from behind. Because they were in one blanket, he could feel the heat emitted from his beloved Qi Qi's body. The scene from last night played in his mind.

After his beloved Qi Qi made a comment after his release, she fell to sleep. It would not be comfortable to sleep with the sticky body, so, he lifted up his beloved Qi Qi to the bathroom and cleaned up her body together with him.

Then he put a clean bathrobe on her body and put her in the bed in a comfortable position. After that, he laid down beside his beloved Qi Qi. He could see that she was in a deep sleep. He ended up falling into sleep while staring at his beloved Qi Qi's face.

And now, it was a total blessing to him for waking up seeing his beloved Qi Qi's face in the morning. It was even fun for him when she mentioned that she was embarrassed and wanted to forget what had happened last night.

Long Hui chuckled. When Yu Qi heard him, she became more and more embarrassed. She came out from the blanket and went straight to the bathroom. Long Hui laughed louder when he watched Yu Qi.

.....

"Can you stop smiling like that?" Yu Qi glared at Long Hui who was not stopping his smile when he looked at her.

"My beloved, I just smile at you. Not another woman. Should I smile to another woman?" Long Hui tested his beloved Qi Qi.

Hearing Long Hui would smile to another woman besides her, Yu Qi's eyes narrowed. Her Hui had already successfully seduced women just standing there. If he started to smile, he could probably make those women wetting for him.

"Don't you dare smile to other women." Yu Qi said in a cold tone.

Long Hui chuckled. His beloved Qi Qi was indeed a jealous woman. However, he did not mind because when a woman was jealous, then, it meant that she had indeed loved the man so much.

"Okay, my beloved. I will follow your order." Long Hui pulled Yu Qi's waist to make her closer to him.

"We already did so much. I could never find another woman besides you." Long Hui whispered gently in his beloved Qi Qi's ear and licked it once.

Yu Qi distanced herself when she felt that Long Hui had licked her ear and used her hand to cover her ear. Her face blushed.

Long Hui smiled. "Let's go and eat breakfast. I will send you back to university after that."

They entered the hotel's restaurant while holding their hands together. It was buffet breakfast. They could choose their breakfast from a variety of foods. Yu Qi went to take a bowl of wonton while Long Hui chose a lot of food. Yu Qi knew the men are in need of a lot of food, not to mention, he was a soldier.

They had a peaceful breakfast despite the onlookers had kept watching them. The women were staring at Long Hui while the men were staring at Yu Qi. Both of them ignored others and kept talking to each other.

After breakfast, Long Hui went to their room to take the shopping bag that they had left inside before proceeding to check out.

While Yu Qi was waiting at the lobby. She was looking around. And she caught some unwanted attention from someone.

"Bong Bon, bring that woman to me." A young man ordered his men.

"Yes, young master." The man named Bong Bon said.

Bong Bon went straight to the woman who had caught his young master's attention.
