

INTELLIGENT 461

Chapter 461 - 461: Long Hui Meet The New Fly

Yu Qi planned to relax as she had worked so hard to prepare for her skincare brand's launch. Because of the launching, she did not get free time for herself. Since the store and the factory were doing fine, she decided to relax.

As for Bai Yu, his persistence was about the same as his brother, Bai Shu Jin. He really liked to disturb Yu Qi whenever he saw her. Luckily for Yu Qi, since their faculty building did not allow other students to enter so Yu Qi did not get disturbed during the lessons.

As for her club, Bai Yu appeared whenever she was doing her practice. She just did as usual. Ignoring him.

But some problems had occurred. She had been targetted by some first-year girls. They seemed to accuse Yu Qi of hypnotising Bai Yu so that he would fell in love with her. When her friends heard about this, they were laughing so hard.

The problem got worse when someone tried to bully her. She had been stopped by some girls during her way to her faculty.

"Stop!" A girl shouted.

Yu Qi as usual ignored something like that. She just walked without any intention to stop.

Then the group of girls blocked her way. About 4 to 5 girls in front of her with the face that was full of ill intentions.

"What do you want?" Yu Qi asked.

"You s.l.u.t. How dare you charm Bai Yu with your s.l.u.tty face and body!" A girl shouted loudly.

Her voice made everyone present around there to look at them. The girl wanted others to see as she insulted Yu Qi.

Yu Qi made a cold face. 'This girl is surely brave. Does she think that I'm a pushover?'

The other students shook their head feeling sorry for the girl who had insulted Yu Qi just now. They knew Yu Qi very well. Yu Qi was a student who had a sweet smile but when something like this happened, she would deal it with her own way.

Yu Qi lifted her hand and grabbed that girl's hair in a rough way. Her action was very fast that even the girl's friends had reacted slowly.

"Ahh!!!" The girl screamed.

After the girl screamed in pain, only then, the girl's friends realized that Yu Qi had made a move against their friend.

"Xiao Teng." The friends shouted.

"You! Let my friend go." The friend said to Yu Qi.

Yu Qi did not say any words. She just gave a cold glare to the girl's friends. The glare was very terrifying that made them stepped back a few distances.

"You, why have you come and disturbed me?" Yu Qi looked at the girl. She still grabbed the girl's hair.

The girl did not show the brave face as she had first shown to Yu Qi just now. Currently, her eyes were loaded with tears. She was really scared of Yu Qi right now.

"The next time you disturb and insult me like this, you can say goodbye to your pretty mouth since I will destroy it. Remember my word." Yu Qi patted the girl's cheek with another hand.

Yu Qi then released the girl. The girl already lost the strength and had fallen on to the ground. Yu Qi glared at the girl's friends as gave them the warning as well. The next time, they would not be so lucky. Yu Qi left the place and went to her faculty.

The incident spread widely. The truth was somehow been altered. It had been changed to something like Yu Qi was jealous of the first-year student and had beaten her. No one knew how that thing changed to something like that.

Yu Qi cared less about it. They could say anything that they wanted to. That kind of things would never disturb Yu Qi.

When Bai Yu first heard about this, he went to see Yu Qi.

"Yu Qi." Bai Yu already called Yu Qi as her first time. Of course, he just doing it without Yu Qi's consent.

Yu Qi looked at Bai Yu for a moment and ignored him as always.

"Yu Qi, are you okay? I heard about the incident." Bai Yu spoke.

"That girl twisted the truth since she is jealous of you." Bai Yu spoke again while looking at Yu Qi.

Suddenly he saw something that made him so surprised. Her smile. She was smiling when she was with him. This never happened before. Yu Qi must probably have changed her thoughts about him. He was about to grab Yu Qi's hand but then he watched Yu Qi ran forward passing him. She then hugged the man who was standing not far from him.

"I miss you." Yu Qi said while hugging her man.

Long Hui smiled. His beloved Qi Qi had already changed. She already could say something like that now.

"I miss you too. How are you?" Long Hui gave Yu Qi a quick kiss?

Yu Qi was blushing. She was still shy whenever Long Hui kissed her.

"I'm fine." But still, Yu Qi answered Long Hui.

"Then, it's good." Long Hui patted Yu Qi's head while looked at Bai Yu who waw still standing like a statue at the same place where he was together with Yu Qi earlier.

Long Hui accessed Bai Yu with his eyes. He then gave some kind of warning through his eyes, telling to stay away from his girlfriend.

Bai Yu seemed to understand what Long Hui wanted to tell him. He also knew that the man who had hugged Yu Qi was dangerous. That man probably wanted him to stay away from his girlfriend. It was dangerous to try to get the girl from the man like him but it was also exciting.

Chapter 462 - 462: He Will Follow Her

Yu Qi had already forgotten that Bai Yu who had talked with her just now. Her mind completely focused on her man. It had been a while since she had last met with him. So, she missed him.'

Master, I will hang out somewhere. You can spend time with that man.' Aoi said through telepathy.

It was better to stay away from his master. Aoi knew his master missed that man so much.

'But you have to compensate me later.' Aoi added.

'Okay. I know.' Yu Qi smiled.

Aoi slowly stepped away from the couple.

"What are you doing here? Some work?" Yu Qi asked.

"No. I just came to meet you." Long Hui shook his hand.

It was the truth. He just came back from a mission. So, he got free time as a reward. So, he came here to see his beloved Qi Qi.

He needed to see whether there was some kind of creature who was aiming for his beloved Qi Qi. It turned out to be true. Someone wanted to snatch his beloved Qi Qi. It was good that he came to see his beloved Qi Qi.

"Where do you want to go?" Long Hui asked as he noticed that Yu Qi was about to go out.

"Hmm... I want to relax since it has been a long time since I have taken a rest from all of this. So, I just want to go to Minwa Lake to relax." Yu Qi nodded.

"Minwa Lake?" Long Hui asked.

"Hmm... I heard about it when I was in my first year but I did not have time to go to visit it. Since I just want to relax for today, it is a good location." Yu Qi told Long Hui.

"Then, let's go. I will accompany you." Long Hui said.

"Eh, is it boring for you?" Yu Qi asked.

"How is it going to be boring? I'm with you. Even without doing anything, looking at you, it is a blessing for me." Long Hui smiled.

Long Hui brought Yu Qi to his car. He put his hand on Yu Qi's waist. He turned around and glanced at Bai Yu who just was watching them as they walked away from him. He once again gave a warning to Bai Yu, hinting Bai Yu to stay away from his beloved Qi Qi.

Not far away from that place, some girls had also watched the scene where Yu Qi ignored Bai Yu and ran happily to a handsome man. Turned out that Yu Qi already had a boyfriend. Her boyfriend was much more handsome than Bai Yu.

But someone thought otherwise. She cursed Yu Qi to be a s.l.u.t. Since Yu Qi already had her boyfriend, so why was she seducing other men?

Yu Qi did not care about what others were thinking of her. Right now, in her mind was Long Hui. She had changed her mind. She did not want to go to Minwa Lake anymore. Since Long Hui was here, she wanted to have a date with him right now.

"Brother Hui, let's go on a date." Yu Qi told her thought to Long Hui.

"Don't you want to go to Minwa Lake?" Long Hui questioned her.

"Well, since you are here, let's go on a date. We can go to Minwa Lake later." Yu Qi smiled sweetly.

Long Hui nodded. Since it was his beloved Qi Qi's request, he would follow her.

"So, where do you want to go?" Long Hu asked.

"Let's go to the mall first. I want to show to you something." Yu Qi was excited.

She wanted to show her skincare store. Long Hui drove his car to the mall. Arriving at the mall, they walked to her store. They had always been the attention of the onlookers ever since they walked into the mall.

It was the weekend. So, there were a lot of couples hanging out inside the mall. The women felt jealous of Yu Qi having such a handsome boyfriend. While the men envied Long Hui since he could enjoy such a beauty in his arm.

Yu Qi brought Long Hui to her store.

"Here." Yu Qi pointed to the store.

"This is...." Long Hui looked at the signboard. 'Qi Qi Skincare'. "This is your store?"

Yu Qi nodded.

"Yes, it has just opened last week." Yu Qi told him.

"Are you sure you want to be a doctor? You are more fit to be a businesswoman." Long Hui chuckled.

His beloved Qi Qi was involved in many businesses. Greenhouse, investment, hotel, and now skincare.

Yu Qi laughed. Her friends were also asking the same question. And her answer still did not change at all.

"My friend has also asked the same question." Yu Qi chuckled. "And the answer is that I want to be a doctor. Well, the business is the side income."

"I see. I support whatever you want to do." Long Hui caressed Yu Qi's cheek.

"Miss Yu Qi?" The staff of the store came out and looked very surprised when they saw her boss.

Actually, the staff was gossiping about the couple who could be seen flirting each other outside their store. The man was very handsome while the girl's face could not be seen since they had only seen her back.

They wanted to see the couple more clearly so they pretended to go outside. To their surprise, that girl was their boss.

"Just ignore us. I just come to show my store to my boyfriend." Yu Qi explained.

Their eyes looked at each other over and over again. Her boss already had a boyfriend. Yu Qi pulled Long Hui inside the store.

"Our boss already has a boyfriend."

"Stupid. Of course, she will have one. She is so beautiful. It is even weird if she doesn't have a boyfriend."

"Yeah. That's true."

"But, her boyfriend is really handsome."

"Yeah, my heart is melting when seeing him smile so sweetly to our boss."

Her staff was gossiping more after knowing that the flirting couple outside their store was their boss and her boyfriend.

Chapter 463 - 463: There Was A Picture.

"It is the beginning of this brand. Later, I also will try to create skincare for the men." Yu Qi said.

"I will be your tester." Long Hui smiled.

"You will be my tester?" Yu Qi frowned.

"What? Am I not enough?" Long Hui wanted to know the reason why she did not seem to like the idea.

"If you use my products and become more outstanding than this, what will I do?" Yu Qi asked Long Hui.

Long Hui seemed to be stunned for a moment after hearing Yu Qi answered his question like that. Then he chuckled. Turned out that his beloved Qi Qi was feeling insecure with his looks.

"Don't worry. I will be loyal to you." Long Hui whispered into Yu Qi's ear.

"AHHHH...HELP!!!" Someone was screaming.

Yu Qi and Long Hui were shocked. They looked at each other and after that, they ran out of the store.

Not far from the store, someone was screaming for help and he seemed to hug a woman. They quickly approached that person.

"What has happened ?" Yu Qi asked.

"We have been robbed. And she has just become like this." The man looked at the girl in his arms.

"Let me try to check her pulse. Well, I'm kinda doctor." Yu Qi said.

Yu Qi looked at the girl and saw the girl was lying lifeless in his arms. Yu Qi grabbed the girl's wrist and try to read her pulse. Her pulse was beating very strong and fast. And this...

"She is just shocked. But you better take her to a hospital for further check-up." Yu Qi said to the man.

The man took a breath of relief when he heard about this. He did not care that what had been robbed. He just wanted the girl to be safe and sound.

"And do you know she is pregnant?" Yu Qi continued her sentence.

"What?!!!" The man was very shocked when Yu Qi told the matter.

"She... Is... Preg... Nant?" The man was stumbling in his speech.

"Well... Yes..." Yu Qi regretted to tell the man about this.

This man might not know the existence of the child in the girl's belly. She was afraid that the man would do something to the girl since the girl was unconscious.

"Are you sure?" The man asked Yu Qi in a restrained tone. Like he was holding his anger.

"Well, you can also check it at the hospital." Yu Qi said.

"I'm going to be a father." The man suddenly shouted, making everyone to stop and look at him.

The man took out a card and gave it to Yu Qi. Yu Qi was staring at the card.

"Here is my contact number. You have helped me just now. To pay your kindness, you can call this number if you need my help. I will definitely try to help you with my best." The man carried the girl in princess style in his arms and left Yu Qi and Long Hui after Yu Qi had received the card.

Yu Qi took a look at the card. 'CEO of Ye Group, Ye Mu Yuan.' When Yu Qi finished reading his name, she lifted her face and stared at the man who had just walked away from them. Yu Qi was staring at the man for a long time until the man had vanished from her sight.

"What? Are you jealous?" Long Hui asked Yu Qi.

"Huh? Jealous? About what?" Yu Qi did not get Long Hui's question.

"I will also lift you up like that." Long Hui whispered while grinning.

"Wha... What? No, I'm not thinking about that." Yu Qi denied while blushing.

Long Hui just laughed. Teasing his beloved Qi Qi was fun. Her cute red blushing face was very refreshing for him.

"Let's go buy some food and have a picnic at Minwa Lake." Long Hui suggested.

"Are you sure?" Yu Qi asked.

"Of course." Long Hui touched her nose.

"Okay."

They walked into the restaurant and ordered some food to take away. While they were waiting for the food packaging to be finished, Yu Qi's phone rang. Some unknown number was calling her phone.

Yu Qi thought it might be someone who was related to her company, so he had called her. Probably, he wanted to ask about something. So, she picked up the phone.

Yu Qi: "Hello?"

Unknown Number: "Hello, Miss Tang."

The voice of the unknown number sounded like she or he was talking with some cloth on his or her mouth while she or he was talking. This person probably wanted to hide her or his real voice to avoid Yu Qi from recognising her or his voice. Meaning Yu Qi knew this person.

Yu Qi's lips lifted up in the corner. 'If you want to play, then bring on.'

Yu Qi: "Yes? Who is this?"

Unknown Number: "You don't need to know me."

Yu Qi: "Oh, I see. Then what do you want?"

Unknown Number: "I want to tell you that I have something dirty about you."

Yu Qi did not respond to that person immediately. After a few second, she replied to that person.

Yu Qi: "Something dirty about me? I wonder what is it?"

Unknown Number: "Something that can destroy your reputation in front of everyone especially your boyfriend."

The voice sounded so arrogant. But Yu Qi chuckled.

Yu Qi: "Well, why do I need to believe what you said? You might be lying to me."

Unknown Number: "Then I will send something to you."

Not long after that, the message came in. Yu Qi clicked to the message to see what had been sent by the unknown person.

In the message, there was a picture.

Chapter 464 - 464: Explain

In the picture, there was Yu Qi with another man. The angle of this picture was taken making Yu Qi and the man look like they were kissing each other. The photographer of this picture really knew how to take the picture.

Sitting beside his beloved Qi Qi, Long Hui also saw the same picture. His face was changing. His expression became bad. The temperature around seemed to have decreased.

Then, the voice from the unknown number started to speak again.

Unknown number: "Miss Tang, do you get the picture?"

Yu Qi did not respond.

Unknown Number: "I'm guessing that you are looking at it."

Yu Qi: "What do you want?"

Unknown Number: "Break up with Long Hui."

This time, Yu Qi was laughing.

Yu Qi: "So, this is your aim?"

The person did not respond.

Yu Qi: "Nice try. But I have to disappoint you because I will never leave him for the rest of my life."

Yu Qi did not wait for the person to reply back to her. She ended the call immediately.

Yu Qi turned and looked at Long Hui. He was also staring at her. His expression was not so bad as earlier.

"This picture is taken during my club activity. It is Mr Qin." Yu Qi began to explain.

"Him?" The jealousy could be detected from Long Hui's voice.

"That time, I just finished performing for my club. Suddenly he came and hugged me. I resist. Then, he let me go. He had apologized for hugging me like that. He said he had mistaken me for someone. This picture is taken from a certain angle which makes us look like, we are having a kiss." Yu Qi explained.

"Really?" Long Hui looked at Yu Qi.

Yu Qi smiled. "You don't need to worry. Since my heart already belongs to you." Yu Qi gave a quick kiss on Long Hui's cheek.

Sensing it was not enough for him, Long Hui made a sneak attack on her lips. Then he retreated. He licked his lips with his tongue while looking seductively at Yu Qi.

"Delicious." Long Hui said.

'This man. How does dare he seduce me right now?' Yu Qi glared at Long Hui.

Long Hui's mood became better. He knew that his beloved Qi Qi was a beautiful girl. He knew that men would like to get a woman like his beloved Qi Qi. He just needed to believe his beloved Qi Qi. But he could not help but to feel angry and jealous as he saw the picture.

"Stay away from him." Long Hui gave a warning.

Yu Qi nodded obediently to Long Hui. She knew who Long Hui had meant by 'him'.

"Good." Long Hui smiled.

Their food was ready to take away. So, they went to Minwa Lake and having a picnic date there.

It was afternoon. So, there were not many people hanging up around the lake. Since the weather was very nice, they decided to sit on the ground directly. Then they had their lunch there.

"It is nice. The breeze is nice." Long Hui said while enjoying the breeze.

Yu Qi also agreed with that. The breeze was indeed nice.

"I want to lay down." Long Hui without any shame, put his head directly on Yu Qi's lap.

Yu Qi did not have enough time to do anything. So, she just obediently let Long Hui lay on her lap.

"It is my blessing.", Long Hui said happily. He closed his eyes. "Laying on my beloved's lap."

"Just keep quiet. It is embarrassing." Yu Qi said with a red face.

Long Hui opened his eyes. Right now, he was staring up at Yu Qi's face. The angle from where he had never looked at her. Since she was shorter than him, he always stared down at her. But right now, it was different.

"Even, from this angle, my beloved Qi Qi is so beautiful." Long Hui praised Yu Qi.

Yu Qi put her hand on Long Hui's eyes blocking his view. Long Hui did not push the hand away. He just let her do that.

...

Bai Yu watched the couple from the far. He had never thought that her boyfriend was a good looking man who did not lose to him.

It made him wanted her more. Wanted to break the couple. Wanting to snatch her from the man. Bai Yu smiled while looking at the couple who was enjoying their time together.

The couple never knew that someone strongly wanted to break them. Someone who wanted to snatch the girl.

'This is getting more and more interesting.' Bai Yu left with his men.

.....

In another place...

A girl was smirking while looking at her phone. The call that she had just made was a good plan. It was a good thing that she followed Yu Qi. It was a good thing that she managed to take a picture of Yu Qi with another man. It also was a good thing that the picture was taken from such a nice angle.

"Miss Tang, Miss Tang... Looks like your good reputation will be ending soon." The girl laughed.

She took many pictures of them. One of them showed like they were having a kiss.

"You have a lot of men who wants you. You can leave Long Hui to me." The girl talked to herself.

This time, she doubted that Yu Qi could clear her name. Nothing could prove her innocence. Anyone who graded her as someone good would think twice again after the pictures were spread.

Chapter 465 - 465: White Dragon Doll

The day was about to change to the night. Yu Qi actually still did not want to leave. She wanted to spend time with Long Hui.

"Brother Hui..." Yu Qi called Long Hui.

"Hmm..." Long Hui responded to her.

"Do you need to return back tonight?" The question came out from Yu Qi's mouth. After she had asked, her face turned red. "No... You don't need to answer that question."

She did not expect that her mouth was acting faster than her brain. She actually just wanted to ask him in her mind only.

Long Hui was stunned for a moment. Then he was grinning happily. "I don't need to return tonight. I can stay with you."

Yu Qi smiled shyly.

They returned to the city. They went into a restaurant for dinner. The food is delicious. And eating with her boyfriend made the food become more delicious. After finishing dining, the couple decided to walk around to digest the food.

The city seemed too lively tonight. Yu Qi never spends time outside the university during the night. But she knew from her friends that it was quite normal for the weekend night to be lively. But it was very very lively. She wondered what made it like this.

Out of curiosity, she asked someone. That person said it was the night of the Peanut Festival. The farmers harvested a big amount of peanuts this year. So, they decided to celebrate it.

Yu Qi was interested to see what kind of festival. Usually, she was not interested in seeing this kind of festivals. She did not know why tonight she wanted to see it. Probably because of Long Hui beside him. She became more interested in normal things like this whenever she was with Long Hui.

"Qi Qi want to see?" Long Hui already saw Yu Qi's eyes, telling him that she wanted to look around the festival.

"Can we?" Yu Qi asked.

"Anything for you, Qi Qi. Let's go." Long Hui pulled Yu Qi closer to his body.

Since there were a lot of people, it was easy to lose in the crowd. So, to avoid that from happening, the best solution was to walk closer and held each other's hands tightly.

"Okay." Yu Qi nodded.

There were a lot of stalls selling the products based on the peanuts. Cake, snacks in various seasoning, cookies, even some of the dolls made up with peanut features sold here.

They also had some game stalls. Yu Qi's eyes lifted up when she saw something. She pulled Long Hui's hand to go to the stalls. It was a shooting game stall. The game where they could win the items with shooting at that item. When the item fell down from its place, they could get the item.

Yu Qi was interested in the prize. The prize that reminded her of Long Hui.

"Which one are you interested in?" Long Hui asked in her ear since the sounds around them were very loud. If he asked normally, he was afraid that his beloved Qi Qi would not hear his question.

"That one. The Chinese white dragon." Yu Qi pointed to the white dragon doll. Its size was not too big or small. Enough to make people comfortable to hug it.

"I will try to get it for you." Long Hui smiled.

Long Hui paid the money that chose a gun. He wanted to try the power of the gun first. He aimed at the white dragon doll and shot. The white dragon doll only moved a little bit. Seeing this, Yu Qi wanted Long Hui to give up since it was pretty hard to get the white dragon doll.

However, to her surprise, Long Hui paid more money. This time, he chose four guns. The onlookers also paid attention to Long Hui and Yu Qi at the shooting game stall. When the onlookers looked at the amount of the guns chosen, they laughed.

"He has picked 4 guns. I can understand if he picks two since we have two hands. But four? Does he want to shoot with his legs?" One of the onlookers laughed when he saw Long Hui had picked up 4 guns.

"He is trying to impress his girlfriend." Another onlooker said.

"Let him do it. Not like he used your money. He used his own money." Another onlooker defended Long Hui. Of course, it was a girl.

Long Hui ignored everything that people said around it. His mission right now was to get the white dragon doll to his beloved Qi Qi. That was the most important thing for him right now.

Long Hui took a breath. Long Hui held two guns with both hands. Other two were placed right in front of him. He shot the two guns at the same time. One gun could shoot three bullets. Right after he shot the third bullet, he quickly threw the two guns and grabbed the other two with incredible speed. He shot six other bullets.

Because of the momentum of the first six bullets, the white dragon doll already became unstable, with the last six bullets shot toward it, it fell backwards. The onlookers were very stunned by what they had seen.

The man succeeded in getting the white dragon doll. The owner of the shooting game stall was also dumbfounded with this.

"Sir, I have already won the doll. Can you give it to me?" A sentence from Long Hui made him realize that he needed to take the white dragon doll to give to the winner.

"Here is your prize." The owner gave the white dragon doll to Long Hui.

Long Hui took and gave the doll to Yu Qi. "Here, this is for you."

"Thank you." Yu Qi grabbed the doll happily.

"No need to say 'thank you' to me. I just want to get it for you." Ignoring others, Long Hui grabbed Yu Qi's hand and walked away from the stall.

"My dear, can you get the doll for me too?" A girl asked her boyfriend.

"I will try." The man nodded.

Actually, after Yu Qi and Long Hui left, there were a lot of couples who tried to get the prize using the method that Long Hui used. However, none of them had succeeded. Of course, they could not use the same method. If someone used the gun or used the guns on normal days, they might succeed.

Yu Qi was very happy with Long Hui's gift. There was a reason why she was interested in the white dragon doll. The reason was it felt like Long Hui. 'Long' meant dragon in Chinese. The white dragon was kind of handsome as Long Hui. That was the reason.

Chapter 466 - 466: Childish

"Yu Qi." Someone had called Yu Qi.

Yu Qi turned around and saw her friends, Song Ha Ting, So Pang Lim, Mei Lilli and Yun Xiao. They were also at the festival.

"You guys are here as well ?" Yu Qi asked.

"Hmm... Lim asked us to hang out together tonight. She has said that some festival has been held tonight. So, we come to see." Song Ha Ting told Yu Qi.

"Never thought will we see you here with your boyfriend." Mei Lilli grinned as she was eyeing Long Hui.

"I think it is the first time you are meeting my friends face to face, right?" Yu Qi smiled to Long Hui. "Let me introduce them to you."

Yu Qi started to point at Mei Lilli, Song Ha Ting, So Pang Lim and Yun Xiao as she introduced them. "This is Mei Lilli, Song Ha Ting, So Pang Lim and Yun Xiao. Oh, Na An, she doesn't follow you?" Yu Qi realized that Ding Na An was not with them.

"Ding Na An is studying." So Pang Lim said. "I even say that I will treat her but she did not even budge."

"It is so like Na An." Yu Qi laughed. "Well, as you know, this is my boyfriend, Long Hui."

Long Hui did not say anything. He just nodded.

Her friends did not take it to heart. They knew from looking at Long Hui that this man did not like to talk with anybody unless it was his girlfriend.

"Yu Qi, that dragon is so cute." Song Ha Ting looked at the white dragon doll that Yu Qi was currently holding. .

"Hmm... I like it." Yu Qi glanced to Long Hui. Since it reminded her of Long Hui.

Long Hui at that time also looked at his beloved Qi Qi. He caught that his beloved Qi Qi had stolen a glance at him. So, he flashed a seductive smile to his beloved Qi Qi.

Yu Qi quickly turned around as she saw the smile. The two of them had already forgotten that Yu Qi's friends were still here.

"Sigh, I need some water right now. My mouth is full of dog food." So Pang Lim said as she sighed.

Yu Qi realized that they were still there. Yu Qi smiled as she looked at her friends.

"Well, let's go somewhere and leave those love birds to get along with each other." Mei Lilli said pulling her friends.

They left Yu Qi and Long Hui. After that, Yu Qi and Long Hui walked around the festival. Yu Qi bought all kind of snacks that she could see. Yu Qi was buying for her two little cuties, Aoi and Bo Ya.

After a few whiles, both of their hands were already full with the plastic bags. Yu Qi felt like she had used Long Hui for her own selfishness. So, she decided to take the plastic bags from Long Hui. However, Long Hui refused to let her took it. He even took the plastic bags from Yu Qi's hand as well.

"I can carry them too." Yu Qi said.

"No need for you to do this. I'm a man. I can carry them by myself." Long Hui just brushed off Yu Qi's hand.

"Okay." Yu Qi looked at her watch.

It was already 11 p.m. She did not realize that it was already late in the night.

"Brother Hui, let's go back." Yu Qi informed Long Hui.

"I guess we can spend the night at the hotel." Long Hui smiled.

Yu Qi was stunned. She would be spending her night together with Long Hui again.

"Su... re..." Yu Qi was stumbling with her word.

Long Hui chuckled. His beloved Qi Qi must be feeling shy right now.

"Let's go." Long Hui took all the plastic bags on the left hand and pulled Yu Qi's hand using his right hand.

Long Hui put all of the plastic bags into their car. Long Hui already knew which hotel that they would be spending their night for tonight. They arrived at the hotel. Yu Qi still hugging her white dragon doll.

"Do you want to bring that doll too?" Long Hui pointed to the white dragon doll.

"Of course. Bai Long will be with me." Yu Qi nodded.

"Bai Long? You already give it a name?"

"Hmm... Is it cute?"

Yu Qi smiled so childishly at Long Hui.

"Hmm... Cute."

Long Hui just agreed with what his beloved Qi Qi said. He agreed but the 'cute' word was not for the doll but for his beloved Qi Qi. She looked very cute with the doll in her arms.

Suddenly he felt jealous of the white dragon doll. It could sit inside her arms. And it was for a very long time. Since it was in his beloved Qi Qi's arms, he could not help but feel jealous. He eyed the white dragon doll while letting the jealous feeling to surround him.

"What?" Yu Qi could feel Long Hui's eyes on her.

"Qi Qi, can you leave the doll inside the car for tonight?" Long Hui asked.

"Huh? But why?" Yu Qi did not get Long Hui's intention.

"Never mind. Let's go." Long Hui let it go. Since the time together with his beloved Qi Qi was precious, he did not want to waste his time to argue with something insignificant like this.

They walked into the hotel. The receptionists looked at the couple who had just walked inside their hotel. They seemed to remember that couple from their stay last time.

Tonight, the couple looked very lovely with the doll which the girl had held.

Chapter 467 - 467: Admiring His Body

The two of them walked into the room that Long Hui had purchased for the night. It was the same room that Long Hui had purchased before.

"You can go and take a bath first." Long Hui said.

"Is that okay with you?" Yu Qi asked.

"Hmm... Yeah." Long Hui answered. After a second, he grinned. "What? Do you like to take a bath with me?"

Yu Qi waved her hand non-stop for a few moments after hearing that question from Long Hui. "No... No... I will go in first." Yu Qi put the doll somewhere and sprinted into the bathroom.

Long Hui chuckled after seeing his beloved Qi Qi had retreated to the bathroom so fastly. He then sat on the bed. Then his eyes fell on the white dragon doll which he had won for her.

He took a look at the doll closely. It was just a white dragon. 'Why does my beloved Qi Qi seem to like this doll so much?' The doll seemed to be pretty normal.

"I have finished. You can go next." Yu Qi came from the bathroom wearing the bathrobe.

Her long hair was still dripping water as she came out. Long Hui stood up and went closer to her. He then took the towel from Yu Qi's hand.

"Sit on the bed. I will dry your hair." Long Hui urged Yu Qi to sit on the bed.

Yu Qi followed Long Hui and sat on the bed. Long Hui stood behind Yu Qi and started to dry his beloved Qi Qi's hair. After seeing that the hair had already stopped dripping the water, Long Hui took hairdryer and blew the hair until it was completely free from water.

"Qi Qi's hair is very smooth." Long Hui took his beloved Qi Qi's hair and kissed it.

His action was seen by Yu Qi in the mirror in front of her. Yu Qi smiled shyly.

"You like me in the long hair?" Yu Qi asked.

Long Hui was still playing with his beloved Qi Qi's hair. Hearing the question, he smiled.

"Long or short, it does not matter to me. It is not your hair that I love but you yourself."

Yu Qi watched Long Hui's expression in the mirror as he answered the question. He looked very gentle while answering the question.

"Thank you." Yu Qi took a stair of her hair and played with them.

"Okay, my dear, I will go and refresh myself first." Long Hui stood up and walked to the bathroom.

Yu Qi was thinking about something. His sentence seemed to indicate something. Like they would do something after she came out of the bathroom. She took a doll and hug it while laying down on the bed.

After 15 minutes, Long Hui came out from the bathroom. He saw Yu Qi had already put on her blanket. She seemed to be sleeping already.

Yu Qi closed her eyes after hearing that Long Hui came out from the bathroom. She slowly peeked at Long Hui. He was just wearing a towel while standing. His back was facing towards Yu Qi. Yu Qi could see the built-up from the training that he was going through. It was a very nice body.

Long Hui secretly smiled when he found out that his beloved Qi Qi was checking his body. The action was caught in the mirror. He could see Yu Qi was particularly dripping her saliva while admiring his body.

"Seen enough?" Long Hui's voice startled Yu Qi.

She did not expect to be caught by Long Hui himself. She closed her eyes. After a long time, she could not hear a response from Long Hui, so she opened her eye for peeking. To her surprise, Long Hui was already in front of her and smiled at her.

"You." Yu Qi was very shocked when she saw Long Hui's eyes were at the same level as her.

"You can see more if you want." Long Hui smiled seductively to Yu Qi.

'Oh, no. It is bad for my heart. He is seducing me.' Yu Qi bit her lips.

"So, what are you saying? Do you like to see more?" Long Hui asked again.

"No..." Yu Qi answered weakly.

"Are you sure?"

Yu Qi did not answer. She hesitated to answer it. Inside her, there was a fight.

On her right side, her mini angel floated.

'Yu Qi, firm your stand. You need to cherish yourself.' The mini angel said.

On her left side, her mini devil also floated.

'Yu Qi, just go for it. The delicious food is already on the plate. You will not regret.' The mini devil said.

'Wait until you marry.' The mini angel advised again.

'What? He will be eaten by her at the end. What is the difference between now or later?' The mini devil argued.

'The first time need to be cherished. It would become more memorable.' The mini angel smiled.

Yu Qi ended the fight between angel and devil. Long Hui still looked at her with that smile.

"I want to sleep." Yu Qi pulled the blanket covered her head.

Long Hui laughed. He then went to the other side of the bed and climbed up. He laid down beside Yu Qi.

"Qi Qi, come out of the blanket. You might be suffocated if you are in there for a long time." Long Hui said.

Yu Qi could hear Long Hui's voice from behind. 'He is laying down beside me. Calm down myself.' Yu Qi tried to calm down herself as she came out from the blanket.

Chapter 468 - 468: Take A Cold Shower

Warning!!!! Some mild ero scene... You have been warned. You can proceed if you want to.

.....

Yu Qi slowly pulled the blanket down. She was hugging the white dragon doll in her arms. Seeing this, Long Hui was displeased. She should be hugging him not that white dragon doll.

Long Hui reached out of the doll and pulled the doll out from her embrace. He then threw it away.

"What are you doing?" Yu Qi asked.

"You are ignoring me and hugging that doll." Long Hui pouted.

Yu Qi was stunned and after a few seconds she let a laugh out. Her Hui was jealous again. This time it was against the doll.

"You dare to laugh right now?" Long Hui's eyes darkened. Then he gave a smile. "Look like you need some punishment."

Right after Long Hui said that he kissed his beloved Qi Qi. The kiss was very domineering. Yu Qi had almost gotten suffocated with the kiss. Sensing that his beloved Qi Qi was about to suffocate, Long Hui released her.

"Do you like a kiss?" Long Hui smiled as he licked his lips.

Yu Qi was already feeling weakened from the kiss. However, she still answered Long Hui's question by nodding her head.

"You admitted it. Good girl." Long Hui patted his beloved Qi Qi's head.

Long Hui laid back beside Yu Qi and pulled her into his hug. He then closed his eyes. Yu Qi who had been hugged, lifted up her face and saw that Long Hui had already closed his eyes.

"Brother Hui." Yu Qi called.

"Hmmm..." Long Hui responded.

"You have told that u wanted to punish me? Is it over?" Yu Qi innocently asked that question.

Hearing that question from his beloved Qi Qi, Long Hui stiffened. 'This girl is really asking this question right now?' His body showed a big reaction right now. His 'little brother' which had already calmed down from the kiss, woke up again.

Yu Qi seemed to notice the change. She blushed. She moved her body.

"Stop moving." Long Hui's voice sounded distressing.

Long Hui was trying to hold back. When his beloved Qi Qi moved, her movement slightly touched his 'little brother'.

"Do you want some help?"

The question from his beloved Qi Qi really made his eyes to watch his beloved Qi Qi in shock. 'This little seductress. Does she understand what does she mean by that question?'

"Do you know what are you saying right now?" Long Hui asked.

"Well... Yes... I want to... Help... You...Otherwise, ... You might... Not sleep..." Yu Qi was stumbling with her words.

Long Hui's flashed a cold sinister thought. 'Well, she is offering her help. I will be an idiot if I don't accept it.' Long Hui then laid on his back. He just wore the towel. So, his body was fully exposed to Yu Qi's sight.

Yu Qi swallowed non exist saliva as she looked at Long Hui's body. The 'little brother' of Long Hui was restrained by the towel but it was still standing up. The memory of that night resurfaced. That night where she was drunk and played with that 'little brother' of Long Hui.

"You can help me now." Long Hui said to Yu Qi. He felt excited as he saw his beloved Qi Qi admiring his body.

Yu Qi lifted up her hand and touched Long Hui's 'little brother' through the towel. Long Hui was hissing in pleasure as his beloved Qi Qi's hand touched his 'little brother'.

Yu Qi looked at Long Hui's face. His eyes were closed and currently enjoying the sensation which his beloved Qi Qi was making to his 'little brother'. Seeing that Long Hui enjoyed her touch, she became more determined to make Long Hui enjoy it more.

Her hand grabbed Long Hui's 'little brother' and gave more pressure to it. She could feel that 'little brother' of Long Hui became bigger and burning. She could even feel the warmth emitted by his 'little brother'.

Then Long Hui let out some voices as he let out some liquid from his 'little brother'.

"Ahhh..." Long Hui sighed.

Yu Qi felt the warmth and the stinkiness at her hand. She was blinking foolishly when she looked at her hand.

Long Hui looked his beloved Qi Qi. He stood up and brought his beloved Qi Qi to the bathroom. At the bathroom, Long Hui pulled Yu Qi's hand to be washed.

After Yu Qi's hand had been washed, Long Hui pushed Yu Qi out from the bathroom.

"You can sleep first." Long Hui said.

"But..."

"I will take another shower." Long Hui interrupted Yu Qi.

Actually, Long Hui needed to calm down. He wanted to push his beloved Qi Qi down. But he could not. He did not want to take Yu Qi's first time just like that. It must be more special and memorable. It was his long wish.

After the thing with Yu Qi earlier, his eagerness to push Yu Qi down was now more strong. He took a cold shower. After a half-hour of spending his time in the bathroom, Long Hui finally calmed down. He wore a bath robe.

He looked at Yu Qi. Yu Qi seemed to have fallen in deep slumber already. Long Hui took a breath of relief. Long Hui climbed up the bed slowly and laid down.

His beloved Qi Qi was sleeping while facing him. The rhythm of Yu Qi breathed was a very calming sound to Long Hui. He smiled. This woman was his. This woman would be his wife in the future. This woman would be the mother of his children. This woman would be the only woman with whom he wanted to spend his life until he died.

Thinking of this, Long Hui pulled Yu Qi into his hug. As for Yu Qi, she seemed happy since she felt some warmth. She took initiative to hug back Long Hui and smiled happily in her sleep.

Chapter 469 - 469: Shrew

Yu Qi opened her eyes. The first thing she saw was her Long Hui's face. She did not get enough while looking at Long Hui.

Yu Qi lifted up her hand, wanted to touch his red lips. It was very soft. Yu Qi chuckled.

She did not realize that Long Hui had already woken up after her. She wanted to touch his lips again. When her fingers landed onto his lips, Long Hui suddenly opened his mouth caught her fingers.

"Ah!!" Yu Qi was shocked.

Long Hui smiled. He licked Yu Qi's finger. Sensing her fingers had been licked by Long Hui's tongue, she quickly pulled her hand away from Long Hui's mouth.

"Delicious." Long Hui said.

Long Hui pulled Yu Qi's body closer to his body suddenly.

"It is still earlier. Let's sleep more." Long Hui's voice was deep in the morning.

Yu Qi did not go against it. She closed her eyes again as her head laid beside Long Hui's chest. She could hear the sound of Long Hui's heartbeat. It was a very pleasant sound to be heard. As she could sniff the lotus fragrance. The scent was enough to make Yu Qi relax and she entered the dreamland once again.

.....

"Qi Qi, wake up, my dear."

Yu Qi could hear someone had been calling her name. The only one who used that nickname was Long Hui. Yu Qi slowly opened her eyes.

Long Hui was already fully dressed up. Yu Qi slowly sat on the bed while she brushed her eyes like a lazy cat.

Long Hui smiled gently while looking at his beloved Qi Qi. His beloved Qi Qi's state after waking up from sleep somehow was very cute to see.

"Refresh up. I have already ordered the room service for breakfast." Long Hui said.

'Hmm..." Yu Qi nodded. She slowly went to the bathroom.

After she had finished dressing up, the breakfast had already been served. The two of them ate breakfast peacefully.

"I have already been called by the military." Long Hui stated after they finished breakfast.

"Oh." Yu Qi replied with a sad tone. She did not intend to let it out but it came out.

"I will come to see you after I will come back." Long Hui smiled. He knew his beloved Qi Qi was sad hearing that he would be leaving.

"I will be waiting for you." Yu Qi nodded.

"Okay. Let me send you back. Don't forget your white dragon doll." Long Hui pointed to the white dragon doll which he had thrown yesterday.

"Okay."

....

Yu Qi entered the space as soon as she returned to her room. She had already called Aoi about her return. The dog was already waiting for her in front of the room when she arrived at the room.

"As I promised, I will compensate you." Yu Qi went straight to the kitchen. She wanted to prepare some food for her two little cuties.

"Hurray!!!" Bo Ya shouted excitedly.

Yu Qi laughed when she heard Bo Ya had shouted excitedly as he heard that his master wanted to cook food for them.

After one hour and forty minutes of cooking, three meat dishes and two kinds of soup finished and served. Her two little cuties waited for Yu Qi's signal. After getting the signal from Yu Qi, the two of them started to eat.

Yu Qi was not hungry so she went to her room. She opened the computer. Today she had a mission. To give something to someone.

Yu Qi already knew the person who had tried to blackmail her. The person was no other person. It was Fung Meng Xuan. She was the only who had motives like that.

Yu Qi saved the number that Fung Meng Xuan had used to call her to blackmail her. From the system, the number had been deactivated after been used once. Yu Qi praised Fung Meng Xuan for being clever once again.

But it was not enough for Yu Qi. Yu Qi already got the real number of Fung Meng Xuan. She hacked Fung Meng Xuan's phone. She wanted to delete the pictures that Fung Meng Xuan captured which had Qin Xia with her.

Yu Qi smiled when she found the pictures. Turned out, Fung Meng Xuan captured a lot of the pictures of her and Qin Xia. Fung Meng Xuan had also captured the picture where Qin Xia hugged her.

Yu Qi did not realize that someone was nearby them that day. She probably let down her guard as she paid her attention to Qin Xia that day. Qin Xia was acting weirdly that day so she was kind of worried about Qin Xia.

She deleted the pictures. Since the phone was linked to her another electronic device, she checked all of them in case Fung Meng Xuan copied the pictures. Luckily for her, Fung Meng Xuan did not copy the pictures to any device.

As Yu Qi went through Fung Meng Xuan's device, she crossed something unbelievable. There were a few videos. The content of the videos was very disgusting. She did not expect that Fung Meng Xuan had already started to be cunning in this lifetime.

Yu Qi's eyes lifted up. Her lips displayed a cold smile. Her mind already crafted something bad for Fung Meng Xuan. Fung Meng Xuan wanted to use the picture of her and Qin Xia in order to destroy her reputation in public. Fung Meng Xuan thought after seeing the pictures, Long Hui would hate and leave Yu Qi.

Then how about this when she would be placed in that situation? What would she do then? As she asked the questions to herself, she copied all of the videos. After she deleted the videos inside Fung Meng Xuan's phone.

Chapter 470 - 470: Using Her Body

The next day, the university exploded with the news that a student slept with her lecturers in order to get good marks.

The several videos had been uploaded onto the University's forum. The face of the people in the videos could be seen clearly. The student was Fung Meng Xuan. And the men were the lecturers who taught the subjects in the psychology course.

Fung Meng Xuan got ready to go to class. Her roommate threw some glance at her. She was not close to her roommate but the relationship was not so bad. However, she could feel some difference in the glances of her roommate.

The roommate left the room separately. Like she said, even though she was not close to her roommate, they often left the room at the same time. Just now, her roommate seemed eager to leave the room.

Probably her roommate had some urgent matter to do. She thought positively. The moment she got out from her room, some of the students who had come out from the opposite room were stunned after seeing her.

Fung Meng Xuan smiled at them. "Good morning."

Usually, if they run into in the morning, they would greet each other. But this morning she did not get the greetings back but they also gave her an ambiguous glance.

'What happen today?' Fung Meng Xuan asked herself.

It was not her being weird here. There were other students. They kept looking at her. On the way to the class, she saw Yi Su Ran. She quickly approached Yi Su Ran.

However, as soon as Yi Su Ran saw Fung Meng Xuan, she walked faster until Fung Meng did not manage to catch her. She did not want to be seen together with Fung Meng Xuan. Otherwise, she would also be labelled like that.

"Su Ran." Fung Meng Xuan called Yi Su Ran hoping for her to stop but she did not even turn around to look at Fung Meng Xuan.

Fung Meng Xuan knew that Yi Su Ran heard her calling her name. It was like everyone was avoiding her. When she walked into the class, someone talked to her.

"Good morning."

"Good morning." Fung Meng Xuan smiled.

"You are really a white lotus, aren't you? "

Fung Meng Xuan could hear the mocking tone in the girl's voice.

"What do you mean by that?" Fung Meng Xuan looked at the girl. She knew the girl. It was her coursemate, Ye Yu Lan.

"You really do not feel shame after everything that has happened since you dare to come to the class?" Ye Yu Lan said.

"Shame?" Fung Meng Xuan did not get the point.

"Why don't you look at the university's forum? Look how glorious you are." Ye Yu Lan was mocking her.

Fung Meng Xuan looked at the university's forum. The videos about her were exploded. The students were commenting about it. Some of the comments were humiliating her.

'I know her. Never thought she is such a bitch.'

'She always acts like she is a saint.'

'Such a white lotus.'

'But the lecturers are also wrong. How could they take bribe like that?'

'Disgusting.'

'She and the lecturers should be removed from the university.'

Fung Meng Xuan, of course, knew the videos. It was indeed hers together with the lecturers. But no one would know these videos. Even the lecturers did not know the existence of these videos.

She was very careful with her belongings. It was not making sense since she did not leave her phone in the open place. Even when she would go to have a bath, she would lock the phone inside her locker.

"Bitch."

"Shameless."

"White lotus bitch."

"Shut up." Fung Meng Xuan screamed.

Her rage outburst making her classmates looked at her with obvious disgust. She was the one the doing the disgusting thing. Now she was angry at them. How laughable.

"Fung Meng Xuan, you are being called by the dean. Well, you know why..." A student at the door called for Fung Meng Xuan.

Fung Meng Xuan held back her anger. She needed to deal with this matter first. She needed to make up some lies for this.

As she walked to the dean's office, she met other eyes who gave her many kinds of a glance.

"She is the girl in those videos."

"I knew that she is one of the top students in her course. Never thought she would get that through something like that."

Fung Meng Xuan walked very fast. She did not want to hear something like this anymore. The faster she got into the dean's office, the faster she could get out from this problem.

"Yo, Miss Famous."

Fung Meng Xuan had been blocked by two girls. Fung Meng Xuan looked up. She knew these girls. They were friends of Yu Qi. So Pang Lim and Mei Lilli smirked at Fung Meng Xuan.

"What do you want?" Fung Meng Xuan asked while grinding her teeth.

"Nothing. I just want to greet you. That's all." So Pang Lim grinned.

Fung Meng Xuan looked around. The person whom she wanted to find was not here. She was looking for Yu Qi. She thought Yu Qi would be around but she did not see her around. She did not want Yu Qi to see her in this state.

Ignoring So Pang Lim and Mei Lilli, Fung Meng Xuan left the place. She arrived at the dean's office.

The secretary of the dean looked up and down at her. The secretary knew why was this student had been called by her boss.

"Miss Fung Meng Xuan, right?" The secretary already knew her but still asked for the confirmation.

"Yeah." Fung Meng Xuan nodded.

"Wait here. I will inform the dean about you." The secretary called the dean.

After getting confirmation, the secretary said to Fung Meng Xuan. "You can enter now."
