

REBORN : SPACE INTELLIGENT WOMAN

Chapter 5: Memory Loss

Chapter 5: Memory Loss

She is changing her clothes again to go out. Today is the weekend. She normally spends her weekend at her part-time job. She has to pay her own school's fees. Her adopted mother said they didn't have money to pay for her school's fees. If she wants to go to school, she has to pay herself.

But today she decided to take a leave from her part-time job. She wants to take a stroll around this small city. It's been a long time from her previous life. The scene of this city is never changing. After left this city, she never came back.

The smell of the wind enters her nose making her realize that she really came back to the past. God really gave her a second chance. She will use it wisely. She will get her revenge on people who dared to scheme and ruin her and her grandpa life.

Especially the bitch and the bastard couple. Those two are the one who killed her. Feeding her poison, cutting off her hands and legs, leaving her alive to make sure that she can saw her flesh been eaten by animals and insects.

Her heart hurt when that couple told her that her family also poisoning her grandpa. It was her fault. Because of her, her grandpa died. Now she will try to avoid that happen.

She will try to find her lost family first. Searching in her memory, something feels wrong. She can't find anything about her real family. She doesn't know her real family. ' Why this happen? Why can't I remember that?' Holding her head, she tries to find a place to sit. 'I remember everything happened in my past life. Then I couldn't remember my real family?'

Everything about the real family is missing. She remembers that she came from a rich family. But information about that family is missing. It's almost like it's been wiped out from her memory.

Really don't care about that. She can depend on herself. After all, she already 26 years old.
