

INTELLIGENT 611

Chapter 611 - 611: Another Secret Admirer

Bride's house was about 20 minutes away from the groom's house by driving. According to Ren Qian Yi, the bride was the groom's childhood friend. All of Huang Lan Guan's close friends knew the bride.

The bride's name was Lin Ming Shu. She was a teacher at a kindergarten. Huang Lan Guan was already in the relationship for almost 10 years with Lin Ming Shu.

The atmosphere in the bride's house was very lively with the singing and drum beats. There were also firecrackers.

When the groom wanted to take the bride, there would be challenges that he must pass in order to take his bride out.

The groom passed one by one all of the challenges. The bride's family nodded, satisfied with the results. The bride came out from her room guided by his mother.

"Lan Guan, here is your bride. Take care of her very well. If I get to know that she is crying, I will find you." The bride's brother gave a warning.

"Don't worry, brother. I will take good care of her." Huang Lan Guan nodded.

Finally, the bride's hand had been passed to the groom. The bride had been brought to the groom's house to complete the ceremony.

"First, bow to heaven."

"Second, bow to the parents."

"Third, bow to each other."

The groom and bride completed the ceremony. The bride was brought to the bridal chamber first. The groom had been held by some guests.

"First Brother, congratulations." Liang Mo Han patted Huang Lan Guan's shoulder.

"Thank you." Huang Lan Guan smiled.

"I think First Brother can not wait to go to the bridal chamber. We should let him go." Fang Mo Li teased Huang Lan Guan.

Huang Lan Guan coughed several times. Fang Mo Li was right. It was true that he could not wait to go to the bridal chamber to meet his bride.

"Lan Guan, you should go. We will cover here." Ren Qian Yi said.

"Thank you, guys." Huang Lan Guan quickly left the place.

They laughed when seeing Huang Lan Guan left in urgent.

The feast was still going on. Huang Lan Guan's family treated the guests who had come to celebrate their son's marriage.

"Have you seen him?"

"Yes. I have seen him."

"Where is he?"

"Probably around here. I have found him."

The two girls talked while they spotted someone.

"Wait! Who is the girl beside him?"

"What, a girl? Indeed. There is a girl beside him."

"Don't you tell me that he hates girls?"

"I don't know. I have only heard from my brother."

"Then, what is that? Look he is smiling at that girl and holding her hand."

"Calm down. Let's go and talk to them, okay."

The two girls approached the man and the girl.

"Brother Hui, long time no see." A girl greeted Long Hui.

Long Hui did not reply. He just nodded.

"What? You have only greeted Hui?" Ren Qian Yi replied.

"Sorry. Hi, Brother Qian Yi, Brother Mo Han, Brother Mo Li." The girl smiled while greeting others.

"Good. Long time no see, Su Nie." Ren Qian Yi nodded. He looked at the girl beside Huang Su Nie. "By the way, this is..."

"My friend. Wang Zian Bo. I think you have already met her before." Huang Su Nie said.

"Sorry. I don't remember." Ren Qian Yi only grinned.

"I remember. She is your best friend, right, Su Nie?" Fang Mo Li said.

"Hmm..." Huang Su Nie blushed. She did not expect that Fang Mo Li would remember it.

"By the way, who is the girl beside Brother Hui?" Huang Su Nie inquired for her best friend.

"It is the Second Brother's girlfriend, Tang Yu Qi. Shocking, right?" Liang Mo Han said.

"What? Girlfriend?" It was not Huang Su Nie said that but rather Wang Zian Bo. She was totally shocked to hear the truth.

Yu Qi narrowed her eyes for a moment before turning back to normal. Long Hui raised his eyebrows.

"That is not the truth, right?" Wang Zian Bo said while looking at Long Hui.

"It is not related to you." Long Hui replied with a cold face.

"Of course, it is related to me. Brother Hui, I have loved you for a long time ago. But I have been told that you hate woman, that is why I have not confessed to you." Wang Zian Bo looked at Long Hui with a lingering look.

"So?" Long Hui said one word.

"If I know that you do not hate woman, I may have confessed to you." Wang Zian Bo said regretfully.

"Even you if have confessed to me, I will not accept you." Long Hui responded harshly to Wang Zian Bo.

"Second Brother, that is harsh." Liang Mo Han commented.

"I am just telling the truth." Long Hui did not give an inch.

"Why don't you like me? What are her advantages?" Wang Zian Bo pointed to Yu Qi.

Yu Qi was still looking calmed while drinking the tea. Like she was not affected by the situation. As she was a spectator.

"I like everything about her. That is all." Long Hui was telling the truth. ~~novel~~/1n

He liked everything about his beloved Qi Qi. Even though he knew that she was not a normal girl. Yeah... She was not a normal girl. Which a normal girl had space with her? Which a normal girl had been reborn?

"It..." Wang Zian Bo could not accept this. She had been in love with him for about 4 years.

"Zian Bo..." Huang Su Nie wanted her best friend to calm down first.

Wang Zian Bo suddenly pushed Huang Su Nie and ran away. Huang Su Nie had almost fallen on her back but had been rescued by Fang Mo Li.

"Thank... Thank you." Huang Su Nie thanked Fang Mo Li.

"Thank goodness that you do not fall." Fang Mo Li sighed.

"Everyone, I'm sorry for Zian Bo, especially to Miss Tang." Huang Su Nie apologized on Wang Zian Bo's behalf.

"It is not your fault. Don't worry too much." Liang Mo Han said.

"That's right, Miss Huang. I don't mind." Yu Qi smiled.

Huang Su Nie was stunned to see Yu Qi's smile. She thought that it was a beautiful smile.

"Don't smile." Long Hui interrupted.

"Second Brother, you are being jealous too much. Su Nie is a girl." Liang Mo Han said. He could understand that Long Hui was jealous when Yu Qi smiled to other men but right now it was a girl that Yu Qi had smiled for.

"Shut up." Long Hui glared to Liang Mo Han.

"Miss Tang, can I know your age?" Huang Su Nie asked.

"22 years old." Yu Qi answered.

"Oh, you are older than me. Can I call you, Sister Yu Qi?" Huang Su Nie asked her permission.

"Of course, I don't mind." Yu Qi nodded.

"Nice to meet you, Sister Yu Qi." Huang Su Nie smiled to Yu Qi. She also wanted to shake hand with Yu Qi.

Yu Qi shook her hand with Huang Su Nie. Long Hui glanced sharply at the hands. He did not like others to touch his beloved Qi Qi.

Huang Su Nie let Yu Qi's hand go. "Oh, I will go and find Zian Bo first. See you later, Sister Yu Qi." Then Huang Su Nie left.

Long Hui without saying anything, took Yu Qi's hand which had been held by Huang Su Nie just now and wiped her hand with a tissue.

Ren Qian Yi, Liang Mo Han and Fang Mo Li watched the scene and looked at each other. 'How much jealous is this man even a girl can not hold his girlfriend's hand?' That was what the three men's thought right now.

Yu Qi just chuckled when seeing Long Hui like this. She did not mind because she was also like him. She did not like other girls to touch him. She would even do the same things if it occurred to him too.

Chapter 612 - 612: Your Love Story Is Amazing

The wedding had been completed. The guests were also leaving the groom's house. That was also applied to Yu Qi and others.

"Hey, let's go to the club tonight." Liang Mo Han invited them.

"Yeah. Let's go." Ren Qian Yi agreed.

"I don't want to." Long Hui quickly rejected it. He wanted to spend his time with his beloved Qi Qi only.

Ren Qian Yi stepped back behind Long Hui. He began to give signals to Yu Qi. Requesting Yu Qi to agree with their plan to go to the club.

Seeing Ren Qian Yi earnestly begging to her, Yu Qi nodded. She would try to convince Long Hui to go with them.

"Brother Hui, I also want to go to the club. I have never stepped into one before. So..." Yu Qi smiled sweetly to Long Hui.

"Wait, Second Sister In Law, you have never been to the club before?" Liang Mo Han was shocked to hear it.

"Eh, why are you looking very shocked to hear it? What is so shocking to hear that someone has never been to a club?" Yu Qi asked when she saw the genuinely shocked look on Liang Mo Han.

"Well, I have thought as a beautiful girl, you have been to a club before." Liang Mo Han only grinned.

"Well, I'm actually afraid to go one. Since there will be a lot of dangers around. So, if Brother Hui can accompany me to the place, it will be nice to see what the club looks like. So, can we go tonight, Brother Hui?" Yu Qi used her sweet charm to make Long Hui agreed with her.

Long Hui was defeated. He could not defend himself from his beloved Qi Qi's charm. But he thought it would better if he could accompany her to such a place like that.

Long Hui sighed. "Okay. We will go to the club. Remember, don't go to that place without me." He still had time to give his beloved Qi Qi a warning.

"Okay." Yu Qi nodded.

"Okay. Tonight, we will go to the club. Let's go!!!" Liang Mo Han was excited.

"Wait. I want to go too." Huang Su Nie appeared out from behind. She was together with Wang Zian Bo. The two girls had actually come on the good terms the same as before.

"Su Nie, you better stay at home." Fang Mo Li did not want Huang Su Nie to follow them.

"But, I want to go too. If something happens to me, Brother Mo Li, you can protect me." Huang Su Nie used her charm to allow her to go to the club with them.

Huang Su Nie was using cute way by waving Fang Mo Li's hand using her hand as she cutely begged Fang Mo Li. After a wave of the cute faces by Huang Su Nie, Fang Mo Li had finally agreed.

"Yes. Let's go." Huang Su Nie lifted her hand in the air.

Wang Zian Bo was from the beginning just keeping her mouth close. But she also wanted to follow them too.

All of them went to the night club, The Moon. It was just 20 minutes from Huang Su Nie's house. They had arrived at the club. At the entrance, there were two tough men who were guarding the entry of the club.

"I have already booked a private room for us." Liang Mo Han said as they passed the entry.

"Oh, have you already planned to come here tonight?" Ren Qian Yi asked.

"Just a small plan when knowing you and Second Brother will come." Liang Mo Han showed a 'peace' sign.

There was a person who came to lead them to their private room. When they came into the room, they could see outside of the room. Turned out, it was one sided mirror where the people could see the outside but people outside could not see the inside of the room.

They began to order the drinks. The music could be heard from the outside.

"Drink less." Long Hui gave a drink to Yu Qi.

He knew that his beloved Qi Qi was a weak drinker. But he would allow her to drink but in a controllable amount.

"Okay. Thank you." Yu Qi received the glass from Long Hui.

"By the way, Second Sister In Law, tell us. How do you two fall in love?" Liang Mo Han asked.

"Yeah, tell us." Huang Su Nie also wanted to know. n--017E/bIn

Wang Zian Bo also wanted to know but she did not say anything but her expression seemed to show otherwise.

"We just met at the bank." Yu Qi answered.

"You guys will not believe this. I have asked them before how they have fallen in the love. Hui's answer is when he has seen Sister In Law killing someone." Ren Qian Yi interrupted.

"What? Kill someone?" Liang Mo Han was shocked.

Everyone looked at Yu Qi. What? Were they sitting with a murderer?

"You murderer. How can you be with Brother Hui? You don't deserve him." Wang Zian Bo pointed to Yu Qi.

"She had killed a robber who was trying to rob a bank and had injured someone else. If not for her action, others would have died." Long Hui glanced coldly at Wang Zian Bo who was pointing her finger to his beloved Qi Qi.

"Oh... That is the story. I have thought you are some kind of murderer." Liang Mo Han nodded.

"It is okay. I don't mind." Yu Qi shook her head.

It was normal for others to think that. So, she had never minded.

"Then, when has Second Sister In Law fallen in love with Second Brother?" Liang Mo Han asked again.

"When he has helped me." Yu Qi answered.

"Oh, it is quite normal then." Fang Mo Li nodded.

"Normal you say? Do you know what kind of help he has given to her?" Ren Qian Yi interrupted again.

"What?" Fang Mo Li quickly asked.

"He helped her by blocking another robber while she shot another one."

Ren Qian Yi's answer made everyone stunned. They looked at the two people. 'This couple is indeed very different from others.'

"Sister Yu Qi, your love story is amazing." Huang Su Nie was very shocked and inspired to hear about Long Hui and Yu Qi's love story.

Wang Zian Bo who was sitting beside Huang Su Nie grabbed her glass and drunk the drink. She hated to hear such a story. Of course, she disliked it since it was involving the man whom she had liked.

Chapter 613 - 613: Thinking Differently About Her

"I will go to the washroom." Wang Zian Bo stood and said to Huang Su Nie.

"Do you need me to go with you?" Huang Su Nie asked her friend. n.(@/-V/.e)-l.b(-l--n

"No need." Wang Zian Bo rejected. She was kind of angry at Huang Su Nie too because Huang Su Nie seemed to have accepted Yu Qi as Long Hui's girlfriend from the way Huang Su Nie called Yu Qi.

She went outside to calm herself. As she walked to the ladies, she was then blocked by two men.

"Hello, sweetie. Are you alone?" One of the two men asked.

"Don't disturb me." Wang Zian Bo said coldly.

"My dear, don't be like this. Hang out with us and we will give you pleasure. Come on." Then another man tried to grab Wang Zian Bo's hand to make her followed them.

"No!!! Let me go." Wang Zian Bo tried to push aside the hand which was trying to grab her.

"Come on, bitch. I know you will like it later." The men began to get rough with her.

"No!!! Help me. Someone, help me." Wang Zian Bo began to panic.

"My dear, no one will be helping you. Don't waste your voice." The man said.

"No!!! Someone." Wang Zian Bo began to shout but the music was very loud.

Suddenly one of the two men fell onto the ground and was m.o.a.ning in pain. So, his friend looked over. There was a woman standing behind them.

"Let her go and you will be fine." The woman glared sharply to the men.

The man could feel that his body was trembling while facing the woman. It felt like he was currently facing a killer that could end his life in a flash.

"Okay... Okay... I will let her go." The man stepped aside. He then ran over leaving his friend who was m.o.a.ning in pain.

The woman approached Wang Zian Bo.

"Are you alright?" The woman asked Wang Zian Bo.

The way was dark. There was a dim light, so Wang Zian Bo could not recognise the woman at first. When the woman came closer to her, she realised that it was Yu Qi.

"Are you alright?" Yu Qi asked once more since she could not hear any answer from Wang Zian Bo.

"Eh... Yes... I'm alright... Thank you." The last words, Wang Zian Bo said in a low tone.

"Good, then. Have you already gone to the ladies?" Yu Qi asked.

"Nope yet." Wang Zian Bo shooked her head.

"Let's go then. You can rearrange your clothes too." Yu Qi looked at Wang Zian Bo.

Wang Zian Bo also looked down. Her clothes had gotten in disorder when she had tried to fight with those men before. She nodded. The two women walked to the ladies together.

In the ladies, they were doing their own business. Then, they faced the mirror. They were not talking to each other until Wang Zian Bo opened her mouth.

"Why have you saved me?" Wang Zian Bo asked Yu Qi.

"Huh... It is because it is a normal thing to do." Yu Qi blinked several times.

"But I have said something bad to you." Wang Zian Bo said.

"It has been just a word. It has not caused any harm to me at all." Yu Qi smiled.

Wang Zian Bo was stunned. At this moment, she thought that she was childish. That was right. The woman in front of her did not do anything wrong to her but she hated Yu Qi. She hated Yu Qi because she was Long Hui's girlfriend. She had said something bad to her.

"I'm sorry." Wang Zian Bo apologized. I'm sorry because of saying something not nice to you."

"Never mind. I don't take it to heart." Yu Qi smiled.

Wang Zian Bo was stunned as she looked at Yu Qi. She thought that right now, she was very handsome. 'Wake up, Wang Zian Bo! She is a woman.' But even though she thought that she still could not stop thinking that right now, the woman in front of her was very cool.

Yu Qi did not know that she was currently making a girl have a different kind of thoughts about her.

"Let's go back to the room. They are probably worried about us for taking so long." Yu Qi suggested.

"Hmmm..." Wang Zian Bo nodded. She was blushing a little.

The two girls walked together and returned to the room.

"Thank goodness that you two have finally returned. Brother Hui almost wants to go out and find you." Huang Su Nie said as she felt relieved that the two had returned.

"Well, Zian Bo is just feeling dizzy. So, I have accompanied her a little bit until she is okay." Yu Qi made up a story. She gave some signals to Wang Zian Bo.

Wang Zian Bo nodded while blushing. "Yeah. I have felt dizzy. But I'm feeling better now. Thank to Sister Yu Qi."

Huang Su Nie noticed that her friend was not hostile to Yu Qi already as before. She even called Yu Qi, 'Sister Yu Qi'. She was happy with the change. Sister Yu Qi was a good person and matched to Long Hui.

While her friend was very nice too. She knew that Wang Zian Bo was in love with Long Hui but Long Hui did not like Wang Zian Bo. She did not want Wang Zian Bo to ruin her life because of unrequited love.

"Let's go out and dance a little bit." Liang Mo Han suggested.

"Yeah. Let's go." Ren Qian Yi said.

"You can go. I want to drink some more." Yu Qi said.

"Me too." Long Hui followed his beloved Qi Qi. There was no way for him to go outside and danced while his beloved Qi Qi was not.

Chapter 614 - 614: She Was Drunk

Others had gone dancing while Yu Qi and Long Hui stayed in the room, drinking.

"This is a club..." Yu Qi nodded while looking outside of the room.

"You did not go to the club even once in your past life?" Long Hui asked.

"Nope once. When I was at Wang Family, I spend my time working to support the Wang Family. After returning to the Mu Family, I started my life as a student. After graduating, I began to learn how to manage the business from my grandfather. So, I did not have a chance to go to the club." Yu Qi recalled her life in her past life

"In this lifetime, if you want to play, I will accompany you. Don't worry." Long Hui pulled his beloved Qi in his hug.

"Thank you, Brother Hui." Yu Qi thanked him.

"You can drink as much as you want tonight." Long Hui said.

"Eh... Really?" Yu Qi's eyes lifted up.

"Yeah. Just don't worry. . I will take care of you later." Long Hui nodded.

Yu Qi started to drink. It was very bitter at the beginning. After a few whiles, she started to feel the sweetness of the drink. Long Hui also accompanied Yu Qi to drink. However, he drunk slowly and in a small quantity.

Yu Qi started to hum. She began to feel light headed. She looked at Long Hui.

"My Hui is so handsome. I want to eat you." Her eyes dimmed.

Long Hui could see the desire aroused in her eyes. He knew that she would become bold when she was drunk.

Then, the door of their door had been opened from outside. Liang Mo Han and others had already returned.

"Eh, what has happened to Second Sister In Law? Is she okay?" Fang Mo Li asked when he saw Yu Qi became light headed.

"Oh, there are other men as well!" Yu Qi looked at the group. Her head waved around. "Hmm... They are good looking. But My Hui is the most good looking one." Yu Qi praised Long Hui.

Long Hui wanted to feel angry at the beginning but ended up smiling after hearing his beloved Qi Qi praising for his good looking.

The other men were silent. Well, they could not deny that fact. It was the truth. But looking that their second sister in law, she was drunk.

"Second Brother, the second sister in law is drunk, right?" Liang Mo Han asked.

"I'm not drunk. I can drink more." Before Long Hui could answer the question, Yu Qi answered.

It was a standard answer for a drunk person.

"I think we should go back right now." Long Hui suggested. He knew that he had suggested his beloved Qi Qi drink but he did not want her to be sick.

"Yeah. It is a good idea too. It is late already." Fang Mo Li agreed.

"Alright." Liang Mo Han nodded.

"Su Nie, Zian Bo, I will send you home." Fang Mo Li said.

"Oh, okay." Huang Su Nie did not have any problem with that. n//o-(v./ε(-l..b-/1.-n

Wang Zian Bo also nodded.

Ren Qian Yi went to settle the payment.

The group left the room. As for Yu Qi, she was drunk, so the movement was very slow and stumbling. Long Hui was worried about his beloved Qi Qi, afraid that she would fall over.

So, Long Hui decided to lift her up and brought her in a princess carry.

"Oh!!!" Huang Su Nie brought out her phone and started to take the pictures of Long Hui and Yu Qi. 'They are so sweet!' Huang Su Nie was excited.

Long Hui did not know that Huang Su Nie was taking pictures of them. He wanted to be alone with his beloved Qi Qi. His beloved Qi Qi was a naughty kitten. She managed to lift up his arouse state at this moment.

"I will leave first." Long Hui said to the group. Without waiting for a response, he left.

"Ho... Ho... I know what will happen next." Liang Mo Han grinned.

"Yeah." Ren Qian Yi agreed.

"You two... Sigh... I will send the two girls back to their house. Girls, let's go." Fang Mo Li said.

Long Hui brought Yu Qi to the nearest hotel. Luckily for them, the hotel had some empty rooms. He checked in.

"Qi Qi, can we enter your space right now?" Long Hui asked the drunk Yu Qi.

"My space? Can not. We need to be out of everyone sight first." Yu Qi shook her head. Even in the drunk state, she knew that her space needed to protect its existence.

"Qi Qi, look around. No one is here anymore." Long Hui said.

He did not want to spend the night in this room because of the time. If they went into her space, they would have a longer time to spend together.

Yu Qi looked around. "Oh, we are in the room. Well, close your eyes." Yu Qi ordered Long Hui to close her eyes.

"Okay." Long Hui just followed his beloved Qi Qi's order.

With a blink, they already inside her space. The two little cuties approached two of them when they saw their master.

"What has happened to my master?" Aoi asked angrily to Long Hui when he saw his master in the man's embrace.

"Your master was having some drink." Long Hui explained.

"Drink?" Aoi did not understand.

But Bo Ya understood. He had lived longer. "In that case, Master should clean up herself before sleep."

"Just don't worry. I will take care of her." Long Hui looked at his beloved Qi Qi that seemed to be half conscious.

Chapter 615 - 615: Bathroom's Time Part One

Long Hui brought his beloved Qi Qi to her room.

"Qi Qi, wake up first. You need to clean up before going to sleep." Long Hui said.

Long Hui tried to put down his beloved Qi Qi. But his beloved Qi Qi refused to let his neck go. She kept hugging Long Hui.

"I don't want to. But if you want to go in with me, I will consider it." His beloved Qi Qi showed a foolish grin.

"Oh, you want to go in with me?" Long Hui's eyes flashed a slyness.

"Yes." His drunk beloved Qi Qi nodded.

"Will you regret it in the future?" Long Hui asked again.

"Regret? I just want to take a bath with My Hui. Is that bad?" His beloved Qi Qi asked. The tone was very naive and innocent.

"Okay, then." Long Hui agreed.

Long Hui brought his beloved Qi Qi to the bathroom. He tried to put his beloved Qi Qi but she refused again.

"Qi Qi, you need to take off the clothes. If you don't take off the clothes, how will you take a bath?" Long Hui asked while smiling to his beloved Qi Qi.

His beloved Qi Qi was silent for the moment and then she nodded. "Oh, that is right. I need to take off the clothes."

His beloved Qi Qi released her hands by hugging Long Hui. She then without feeling embarrassing, took off her clothes one by one, revealing a nice and hot body.

Long Hui swallowed his saliva. His beloved Qi Qi indeed had a nice body. With a enough volume of the part of the body, his beloved Qi Qi's body had enough charm to seduce a man.

"Hui, why are you not taking off your clothes? Are you going to take a bath with your clothes on?" His beloved Qi Qi already finished taking off her clothes and asked Long Hui.

"Oh." Long Hui blinked several times.

He actually forgot about it. He was immersed in looking at his beloved Qi Qi's body. Without waiting any longer, he took off his own clothes.

"Hui, you have a nice body." His beloved Qi Qi praised Long Hui's body.

"Oh, what do you like about my body?" Long Hui used this time to know her thoughts about his body.

His beloved Qi Qi let out a small laugh. "Your chest. It feels so nice. I like to lean my head over your chest when I sleep in your hug." She touched Long Hui's chest.

She then touched Long Hui abdomen. "Your eight pack abs. It is really nice to touch."

Her fingers travelled down below his abdomen. Her face showed a slyness. She looked like she was having a dirty thought right now. Then her fingers touched 'Long Hui's little brother'. n--017E**l**bn

Long Hui's little brother was already semi hard when Long Hui was admiring his beloved Qi Qi's body. When Long Hui's little brother got some attention from his beloved Qi Qi's finger, it became fully awake.

Yu Qi laughed. "The part that I like the most is this one." She began to grab 'Long Hui's little brother' and let it go. She was playing with it.

Long Hui was holding back the pleasure of getting his 'little brother' played by his beloved Qi Qi.

"Qi Qi, it feels nice. Hisss..." Long Hui m.o.a.ned.

"Really? Then I will play more with it." This time, Yu Qi stroked up and down 'Long Hui's little Brother'.

Long Hui's voice became louder and louder. It was very good to get his 'little brother' stroke by his beloved Qi Qi.

"More... More... Qi Qi. Oh!..." Long Hui m.o.a.ned in pleasure over and over again.

Then Yu Qi upgraded her attack. Right now, she used her mouth. She licked it, putting it inside her mouth like a popsicle.

Long Hui could not hold back the pleasure anymore. It burst in Yu Qi's mouth. Yu Qi opened her mouth and let the white liquid to flow out from her mouth.

Long Hui lifted up Yu Qi and brought her under the shower. He opened the shower and the water came out.

"We need to clean up." Long Hui smiled.

"But...." Yu Qi showed some grievance on her face.

"What?" Long Hui wanted to play dumb.

"It is not fair." Yu Qi glared at Long Hui.

"Fair?" Long Hui still wanted to play silly. He closed the shower.

"I want to feel good too." Yu Qi cried out the words.

"How do you want to feel good?" Long Hui teased Yu Qi by licking her white neck.

"F.u.c.k me... I want it inside me." Yu Qi boldly said the words.

Long Hui kissed her lips as his hands were already on her chest, fondling her twin mountain. "Good. I will give you a hard and wild one."

"Hard... And... Wild... Can you... Ah... Tell... Me... Ah... About it?" Yu Qi currently feeling amazing as her lips and twin mountains were being attacked by Long Hui.

Long Hui chuckled on her response. "I will f.u.c.k you against the wall." His voice was getting rough on her ears. He seemed to fight the rage in his body.

His hands had already moved to another place which is the most sensitive place of his beloved Qi Qi's body. The place was already wet. And he knew that it was wet, not because of the water but another thing.

"You are so wet." Long Hui whispered to Yu Qi as he touched his beloved Qi Qi's 'charm point'.

"Ah!" Yu Qi m.o.a.ned.

"I wonder what is your taste down there right now." Long Hui said.

He then slowly kneeled between Yu Qi's legs. Using his tongue, he attacked Yu Qi's sensitive place.

"How is it?" Long Hui asked while licking his beloved Qi Qi's 'charm point'.

Yu Qi tried to control her body. Hearing his voice right now, it was like a spell. A spell that wanted to make her come. She gulped. "It is very good."

"Here... Here... Here... Qi Qi, your taste is very good." Long Hui still simultaneously attacked Yu Qi's sensitive place.

Yu Qi let out several m.o.a.n.s. Then she felt that she would come. Long Hui could feel that his beloved Qi Qi would come, so he attacked faster.

Then, Yu Qi let everything go. "Ah!!!!!!!" Her legs lost her strength.

Long Hui quickly held Yu Qi from falling onto the ground. Long Hui smiled. He could see the pleasure on his beloved Qi Qi's face.

After Yu Qi climax, she kissed Long Hui. "It is so good."

Long Hui responded to that kiss. "We have not finished yet."

Yu Qi's eyes seemed to tremble.

"I have told you that I will f.u.c.k you against the wall... in front of the mirror." Long Hui said again.

Chapter 616 - 616: Bathroom's Time Part Two

Long Hui's voice right now was very rough but Yu Qi liked it.

"I will make you scream on the edge of this bathroom." Long Hui grinned as he looked at his beloved Qi Qi.

Hearing what he saying something like this, it increased the searing inside her. She met his eyes. 'Oh, I love his eyes which only look at me.'

This time, she met his lips, the desire inside her was burning. She needed him... Inside her... Right now.

"I want it right now." Yu Qi was desperate.

"What?" Long Hui wanted to tease Yu Qi again as he guided his 'little brother' to her entrance. He just made his 'little brother' to touch her entrance.

"I want your d.i.c.k inside me. Please." Yu Qi begged.

"As you wish, my princess." The moment Long Hui finished his sentences, he pushed his 'little brother' straight into his beloved Qi Qi.

"Ah!" A m.o.a.n escaped Yu Qi's mouth.

Long Hui kissed Yu Qi as he pushed in and pulled out. His 'little brother' met with Yu Qi's core. She also began to start moving her h.i.p.s matching up with Long Hui.

"More... More..." Long Hui groaned. He wanted more... He could feel the desire flaring out of control as the pressure immediately started building inside him. He could feel the passion slowly took over his body over as he watched her eyes half closed while her body arched against his body.

Long Hui's mouth played with her twin mountains. Her n.i.p.p.l.es were getting a gentle bite from him. Yu Qi started to lose herself again.

Long Hui's thumb found his way to Yu Qi's 'charm point'. He could feel her core tightened as he touched that place, screaming to release.

Rising his h.i.p.s, Long Hui matched up to her rhythm, thrust his way inside her. He felt her body trembled. His lips curved up. He had held back so much, letting her have her fun with him.

But now it was the time. He gripped her waist, bringing closer to him as he pumped deeper and deeper. Yu Qi's breath turned rasped. Her hand clung over his shoulders. She savoured him inside her.

The m.o.a.ns and groans filled over the bathroom as his thrust turned faster, sending pleasure to each of them. He slammed his 'little brother' inside her deeper when he felt he could not hold back anymore.

Yu Qi could feel something sprayed inside her. When she felt that, she bite Long Hui's shoulder as she climaxed again. After a few minutes, both of them finally calmed up. Still, Long Hui's 'little brother' was inside Yu Qi's sensitive place.

"Feeling good?" Long Hui asked whispering to Yu Qi's ear.

"Hmm..." Yu Qi could not talk about the pleasure that she had felt. But it was very good.

Long Hui slowly took out his 'little brother' from his beloved Qi Qi. When he took it out, Yu Qi gave a little massage to Long Hui's 'little brother'.

"Hiss..." Long Hui hissed in pleasure.

"Qi Qi, can I assume that you want it again?" Long Hui raised his eyes brows.

"Once is enough for you?" It was a question that had a naughty tone in it.

"You have asked for it." Long Hui began to attack Yu Qi's weak points.

His tongue played, licking her ear. His hands, on the right side, fondling her b.r.e.a.s.t, on the left side, he touched and pinched gently the n.i.p.p.l.e.

"Ah!" Yu Qi could not help to m.o.a.n as her weak points being attacked by Long Hui at the same time.

Long Hui's left hand changed its target. Right now, his hand was at Yu Qi's 'charm point'. The thing was still bigger from the previous play. Long Hui touched it and then pinched it.

"Ah!!! Don't..." Yu Qi said.

"Hmm... Don't what?" Long Hui slipped his finger inside Yu Qi.

"Ah!!! Don't... Stop..." Yu Qi managed to finish her sentence.

"That is what I intend for." Long Hui slipped his finger in and out from Yu Qi sensitive place.

Long Hui grinned when hearing continuous m.o.a.n.s from his beloved Qi Qi. It sounded like singing from a siren, a sea creature that had a beautiful voice that wanted to invite the men into the sea. In his case right now, it invited Long Hui to put his 'little brother' inside her.

This time, Long Hui did not wait too long. He kissed Yu Qi as he thrust back inside Yu Qi. Yu Qi welcomed him by tightening her insides. When Long Hui entered her, he could feel that Yu Qi was like giving the intense massage to his 'little brother'.

Long Hui began to move faster. Yu Qi also matched up to his rhythm. She did not want to lose too.

"Do you like it?" Long Hui asked.

"Hmm..." Yu Qi nodded.

Long Hui pulled out his 'little brother' entirely from Yu Qi.

Yu Qi frowned. "Why?"

Long Hui did not answer it. He changed his position. Right now he was standing behind Yu Qi. "Don't worry. You will get it back inside you." He whispered from behind. He then thrust his 'little brother' back inside Yu Qi.

"Qi Qi, look in front of you." Long Hui whispered again.

Yu Qi followed Long Hui's voice and looked in front of her. She was shocked when what she saw was herself getting f.u.c.k.i.e.d by Long Hui from behind.

"Do you see it? My d.i.c.k has gone in and out of your body." Long Hui kissed her nape.

Yu Qi felt shy when looking at their parts of the bodies connected together. It had enchanted her feelings as she simulated her control inside her.

"Hiss... Qi Qi, you are so good." Long Hui groaned.

"Faster, Hui... I want faster." Yu Qi m.o.a.n.ed. n//o-(v./ε(-l..b-/1.-n

"As you wish." Long Hui began to move faster and faster.

Then, the pleasure reached the highest point as Long Hui released for the second times inside her. Yu Qi also reached her climax.

"Ah!!!!!!!" She screamed as feeling so good.

They were catching up their breath. Long Hui turned Yu Qi's head to the side and kissed her.

"Thank you, Qi Qi." Long Hui said.

"Hmm..." Yu Qi nodded feeling tired after two rounds.

Long Hui wanted to continue again but seeing his beloved Qi Qi seemed to look very tired, he forgot his intention. His beloved Qi Qi was more important.

Long Hui began to clean up themselves. Yu Qi let Long Hui to do whatever he wanted since she was too tired. After cleaning up and putting some nightclothes, Long Hui made his beloved Qi Qi to lay down on the bed as he also climbed up and laid down beside her.

He pulled his beloved Qi Qi into his arm. When Yu Qi leaned over to Long Hui's chest, she seemed to feel comfortable and started to fall into sleep.

Long Hui smiled as he saw his beloved Qi Qi fell into sleep. He tightened his hug and closed his eyes too.

Chapter 617 - 617: Wolf & His Red Riding Hood Girl

Yu Qi slowly opened her eyes. Appeared before her eyes was a muscular chest. Her lips slowly curved up. 'It is him.' She glanced up. Seeing he was still sleeping, she felt that she wanted to play with his chest. So, using her finger, she touched his chest. She giggled.

But she didn't know that the man had already woken up before her. He just did not open his eyes.

Yu Qi currently touching his chest by drawing some circles.

"Qi Qi, do you know that, in the morning, the man should not be provoked in any circ.u.mstances?" Suddenly Long Hui spoke up.

Yu Qi was shocked. She slowly looked up and gave an innocent smile to Long Hui.

Long Hui narrowed his eyes. "Do you not remember about last night?"

Yu Qi thought about that. She did not remember that part how she ended up making love with Long Hui in the bathroom but she remembered the intense lovemaking with Long Hui last night. Yu Qi instantly turned red.

"Oh, meaning my Qi Qi remembers about it." Long Hui gave a meaningful smile. "How is it?" He asked that question.

Yu Qi did not answer. She just buried her face in Long Hui's chest.

Long Hui laughed. "Do you want morning s.e.x?"

His voice was very inviting to Yu Qi but she knew that once they had started, there was no way they would be able to stop with just one round.

"No... No..." Yu Qi's voice rejected the idea.

Long Hui was a little bit disappointed but he did not protest. He did not want to force his beloved Qi Qi. He wanted his beloved Qi Qi to make love with him willingly.

"I understand. I think it already morning in the outside world." Long Hui said.

"Oh, yeah. We should wake up." Yu Qi looked at her watch on the side table.

"Well, let's go and have a bath together." Long Hui suggested while giving a meaningful smile to his beloved Qi Qi.

Seeing the smile, Yu Qi pushed Long Hui first to the bathroom. "You can use the bathroom first." She then closed the door feeling embarrassing.

Yu Qi could hear that Long Hui was laughing after he had entered the bathroom. She put her hand on her face while leaning over to the bathroom door. 'Ahhh... How embarrassing...'

After a few minutes, she gathered her feelings. She stood up. Remembering that Long Hui needed some clean clothes, she went to take his clothes and put them on the bed.

Actually, Yu Qi had already prepared a room beside her room. But whenever Long Hui came inside her space, he would sleep with her. So, the room was only just for the name. Even his clothes were in Yu Qi's room.

"Qi Qi, I'm done." Long Hui's voice stunned Yu Qi.

"Hmm... Okay... I have already put your clothes on the bed." Yu Qi said and went to the bathroom to wash up.

After half hour, Yu Qi and Long Hui finally came out from their room. It was not that long for them to come out but Long Hui teased Yu Qi a lot before they came out.

"Master, you are finally out." Aoi greeted Yu Qi.

"Why?" Yu Qi patted Aoi's head. n(/OvELb1n

"I'm hungry." Aoi put a sad expression on his face.

"I want to eat Master's cooking too." Bo Ya joined.

"Alright. Don't worry. I will cook something for you." Yu Qi said.

She walked into the kitchen and looked at the storage what ingredients they had right now to decide what to cook. After examining the ingredients, she had already decided what to cook.

Yu Qi called Aoi and Bo Ya to get the fresh herbs and vegetables from their garden. The two little cuties ran outside to get their task done. Yu Qi putting her apron.

However, her body felt stiffened as she could feel the eyes that seemed to watch over her. Well, you can guess who is it.

"What can I do to help you?" Long Hui said after watching his beloved Qi Qi for so long.

"Hmm... Before that, put this apron first." Yu Qi took an apron and gave it to Long Hui.

It was a grey colour that had a picture of a wolf. Coincidentally, on Yu Qi's apron, the picture on the apron was red riding hood girl.

"Wait for a moment." Yu Qi said and she ran out from the kitchen. She went to her room to take something and returned to the kitchen back.

In her hand was a small camera. She pointed to Long Hui.

"Brother Hui, look here." Yu Qi said.

Long Hui looked over. He was surprised to see his beloved Qi Qi taking some pictures of him.

"It should be like this." Long Hui took the camera from his beloved Qi Qi's hand and pulled her into his hug.

He kissed Yu Qi cheek and took a picture of it. "That would be right. A wolf and his red riding hood girl."

It was Yu Qi's turn to feel surprised. She did not expect Long Hui would know the bedtime story like that.

"You know about that story, don't you?" Yu Qi asked.

"Yeah. Thanks to Yue." Long Hui said. That's right. He knew that kind of story because when Feng Yue was younger, she liked to pester Long Hui to read that kind of stories. So, he knew a lot of childish stories like that.

Yu Qi laughed. It was Feng Yue. She could not imagine that Long Hui would read this kind of stories when he was younger.

Chapter 618 - 618: Harmony Orphanage Having Some Trouble.

After eating and spending some time in her space, the couple decided to go out. They checked out. Their destination was to go to Huang Lan Guan' house.

Yu Qi wanted to greet Huang Lan Guan's wife, Lin Ming Shu before leaving. They arrived at Huang Lan Guan's house.

"I have forgotten to ask you, what does First Brother do? I mean his work." Yu Qi turned to Long Hui.

"He owns a company, I guess." Long Hui answered.

"Oh, he is a businessman too." Yu Qi nodded. "What is his company's name?"

"Well... I don't know." Long Hui really don't know about it. "You can ask himself later."

"Oh, Sister Yu Qi." n-0V*eIB*1n

Yu Qi saw that someone had run outside and directly hugged her. When she looked down, she could see who that person was. It was Huang Su Nie.

Long Hui quickly pulled Huang Su Nie from his beloved Qi Qi.

"Wait... Wait... Brother Hui, what are you doing?" Huang Su Nie could feel that she had been pulled away from Yu Qi. She had to let go of Yu Qi.

Long Hui pulled Yu Qi into his arms, claiming his ownership. He glared to Huang Su Nie.

"Don't you dare touch my girl." Long Hui gave a warning to Huang Su Nie.

Huang Su Nie was stunned. She then laughed. "It is very rare to see Brother Hui getting jealous. It is quite refreshing."

"Su Nie, I have asked you to invite the guest in. What are you doing?" Mrs. Huang asked her daughter.

She then turned to Long Hui and Yu Qi. "Hui, it has been a long time since I have met you. Sorry, I have been busy and never knew you will come here."

Mrs. Huang knew Long Hui since Long Hui was young. He was her son's best friend.

"I know." Long Hui nodded.

Mrs. Huang noticed the woman in Long Hui's arms and asked, "And this is ?"

"My girlfriend.", Long Hui replied.

"I see. Come in first." Mrs. Huang invited them in.

The couple entered the house.

"Su Nie, go and bring something to drink." Mrs Huang ordered.

Huang Su Nie went to the kitchen. Yu Qi saw there were some maids around doing her job. She wondered why Mrs. Huang did not just ask the maids.

Seeing Yu Qi's eyes at the maids, Mrs. Huang seemed to understand what was lingering on Yu Qi's mind.

"We have preferred to do things that we can do by ourselves." Mrs. Huang said.

"I see." Yu Qi nodded. "Can we meet your daughter in law?"

"She is cooking right now. You can have lunch with us too." Mrs Huang invited them.

Yu Qi looked at Long Hui asking for his permission. Long Hui nodded.

"We will like to." Yu Qi said after confirming with Long Hui.

They were having lunch together.

"Congratulation for your marriage." Yu Qi said to Lin Ming Shu.

"Thank you. I bet you are no far from it too." Lin Ming Shu smiled meaningfully to Yu Qi and Long Hui.

Yu Qi blushed for a little while glancing to Long Hui. Long Hui also smiled meaningfully to her.

Yu Qi coughed. She needed to change the topic. "By the way, First Brother, Brother Hui tells me that you own a company."

"Well, it is not 100% mine. Second Brother, he also owns 20% of the shares." Huang Lan Guan revealed the news to Yu Qi.

"Ehhh..." Yu Qi turned to Long Hui. She did not expect that. She thought he was just a high ranking soldier in the military.

"Second Brother encouraged me to open the company. He also gave me capital to me for the beginning. Third Brother, Fourth Brother, and Fifth Brother, all of them also helped me with money. Without them, the company would not exist today." Huang Lan Guan was very grateful to his friends' help for that moment.

"I see. What kind of business it is?" Yu Qi asked.

"Mostly about software on the computer. The business became a high demand nowadays." Huang Lan Guan told her.

"Oh, it is." Yu Qi understood. The technology was still developing.

.....

Long Hui sent her back to the university. When she stepped out from Long Hui's car, she met her friends who had just returned to the dormitory from somewhere.

"No wonder, Yu Qi has told us that we should not disturb her this weekend. Turn out that she was having a date with her boyfriend." So Pang Lim elbowed Song Ha Ting.

"I bet you are jealous, Pang Lim." Mei Lilli just laughed at her friend.

"Na An also was not available yesterday. I guess that she also had a date with a guy." Song Ha Ting thought about that.

"What? How can I don't know about this? It is juicy gossip." So Pang Lim was bewildered when she heard the story.

"I guess that she has not told you because of this." Mei Lilli rolled her eyes at So Pang Lim.

"What?" So Pang Lim did not understand.

"Because you like to gossip." Mei Lilli said.

"Okay... Okay... Forget about it. Yu Qi, where did you go?" So Pang Lim excited to hear it.

"Well, we went to his friend's wedding. They got married yesterday." Yu Qi did not hide about it.

"I have thought you have gone to register your marriage." So Pang Lim was joking.

"Of course, she will not be getting married just like that." Mei Lilli.

They laughed. And all sudden, Yu Qi's phone was ringing. It was an unknown number. She stared at the number for a while to remember if someone whom she knew used this number before. However, none had crossed her mind. Meaning she did not know this number.

"Why are you not picking up the call?" Song Ha Ting asked.

"Guys, I will leave first." Yu Qi said and walked away while her hand clicked the button on her phone.

"Hello, is this Sister Yu Qi?" It was a man's voice.

Yu Qi frowned. 'Which man will call her 'Sister Yu Qi'?' She could not think of anyone.

"Who is this?" Yu Qi did not wait for any longer to ask his identity.

"Its me, Kim Ha Yang." The man said.

Yu Qi thought again. 'Kim Ha Yang. Kim Ha Yang'. She had heard the name before. 'Wait, is he the boy whom I have met at the Harmony Orphanage?'

"You are from Harmony Orphanage, aren't you?" Yu Qi asked.

"Yes, Sister Yu Qi." Kim Ha Yang was happy that Yu Qi remembered him.

"I see. So, why do you call me?" Yu Qi asked straight away. She sensed there was something wrong in Kim Ha Yang's voice.

"Sister Yu Qi, please help us." Kim Ha Yang begged her.

"Can you tell me what is going on there?" Her sixth sense was correct. Something was going on there.

"Harmony Orphanage may close down." Kim Ha Yang's voice was sounded very helpless.

"Tell me the details." Yu Qi pressed Kim Ha Yang.

"The government wants us to empty the building because they will destroy the building and make something on this land. We have been given some money to compensate for this. But even with the money, we can not find a suitable place to live." Kim Ha Yang explained.

"How much time you have to get out of the place?" Yu Qi asked.

"The time left is only one week. Actually, Grandpa Qian does not want to call you. But I can not sit unbothered anymore. My brothers and sisters need a place to live in. Sister Yu Qi, do you know some place that has a large house that can be occupied by several children?" Kim Ha Yang was desperate.

"Okay, don't worry. Leave it to me." Yu Qi assured Kim Ha Yang.

"Thank you, Sister Yu Qi. Thank you." Kim Ha Yang thanked Yu Qi.

Chapter 619 - 619: Orphanage's Problem

Yu Qi ended the call. She turned to her friends. "Sorry girls. I have something to do. Will catch up with you later." Without waiting for any answers, Yu Qi went to the parking lot where she parked her car.

Her friends were stunned at the place.

"Our friend is very busy." Mei Lilli commented.

"She must receive some bad news just now." Song Ha Ting said.

"Probably." So Pang Lim nodded.

Yu Qi drives to her office. Thankfully, it was not past the office hour yet. She needed to discuss something with Su Yu Hi and Ming Xuehai.

Brother Xuehai and Brother Yu Hi, are they in their office right now?" Yu Qi asked one of the employees while walking in.

"Yes, Miss Yu Qi." The employee answered. She did not expect to see their boss today since their boss told them that not to disturb her unless something happened. That was what Su Yu Hi told the employees.

"Okay. Thank you." Yu Qi thanked the employee and walked to Ming Xuehai's office first.

After knocking the door, Yu Qi opened the door. "Brother Xuehai, come to the meeting room now." She then left.

Ming Xuehai was stunned as he heard the voice of his boss. He could see Yu Qi in a second before she left. Without waiting for any longer, he stood up and went to the meeting room.

Next was Su Yu Hi's room. Su Yu Hi liked to let his door opened. Yu Qi also knocked. Su Yu Hi heard that sound and lifted his face up.

"Come to the meeting room, Brother Yu Hi. There is something that I need to discuss." Yu Qi told him.

"Okay." Su Yu Hi immediately left his current work and followed Yu Qi's order.

When Yu Qi and Su Yu Hi entered the meeting room, Ming Xuehai was already in the room. They took their seat.

"Before that, I will tell you. It is not about our work. It is my personal business. I need your help, Brother Yu Hi, Brother Xuehai." Yu Qi bowed.

"Why are you being so formal with us?" Su Yu Hi chuckled.

"You can ask my help at any time, Miss Yu Qi." Ming Xuehai said.

"If that is the case, I will not hold up." Yu Qi smiled. "It is about one orphanage, Harmony Orphanage. It is located at Sun City."

"What is this about?" Su Yu Hi asked.

"The government requested the owner to empty the building since they want to take the land to develop some projects." Yu Qi began to explain. "They did compensate the orphanage with money but looking at the time given to empty the location is suspicious."

"You suspect that there is foul play in this case?" Ming Xuehai began to understand where was this discussion going to be.

"Yeah. The notice seems to come in hurry." Yu Qi told them.

"I see. The land belongs to who? The government or the orphanage?" Su Yu Hi asked. It was a related question.

"The orphanage. That is why the government have to compensate otherwise the owner of the orphanage would leave with nothing." Yu Qi sneered.

"So, what do you want us to do?" Ming Xuehai asked.

"Brother Xuehai, I need you to investigate the purpose of the government want the land and what they are trying to do with that land. If you find any foul play, in this case, record it. That would be useful later." Both sides of Yu Qi's lips curved up as her cold eyes glint.

Ming Xuehai and Su Yu Hi looked at each other. 'She will try to do something.' That was what they thought when they saw the look on Yu Qi's face.

"As for Brother Yu Hi, I need you to accompany me tomorrow to locate those kids to their new house." Yu Qi looked at Su Yu Hi.

"New house?" Su Yu Hi was thinking. The orphanage, meaning there would be many kids. They would need a big house at the beginning. So, where would the house that could fit all of the kids?

"Don't worry. I have found a good house for them." Yu Qi smiled.

"Where?" Su Yu Hi could not help but ask.

"My house." Yu Qi answered it confidently.

"Your house? Is Tang Residence would be enough for them? How about your family? Are they okay with that arrangement?" Su Yu Hi knew Tang Residence.

"Who says that they will move into the Tang Residence?" Yu Qi asked.

"But you say your house." Su Yu Hi rebuked.

Yu Qi laughed. "Sorry. I mean my house at Shiwa Town. I build a mansion. It is so big that they can live inside it."

Su Yu Hi recalled the mansion located at Shiwa Town. The location was very good that there was a lake nearby. "I see. That is indeed good."

"There will be a lot of works to complete. The kids need to be transferred to the school at Shiwa Town as well. It probably will take some time to finish that." Yu Qi sighed. "Tomorrow, I will go to Sun City to settle this. I hope you can accompany me tomorrow."

"Okay. By the way, why are you so concerned with that orphanage?" Su Yu Hi asked.

"I was left at that orphanage when I was a baby. They save me. They took me in before the rain falls. Otherwise, I would die." Yu Qi was very grateful to the orphanage.

Chapter 620 - 620: Went to Harmony Orphanage.

Yu Qi and Su Yu Hi went to Harmony Orphanage. Chang Yu Qian was very surprised to see Yu Qi here. When Kim Ha Yang saw Yu Qi, he was very relieved. He knew that Yu Qi would help them.

Meanwhile, Chang Yu Qian was very surprised to see Yu Qi here. He did not expect to see Yu Qi here. Not when they were having some problems right now.

"Yu Qi, I do not expect to see you here. Hmm... What are you doing here?" Chang Yu Qian greeted Yu Qi normally. He turned to Su Yu Hi. "This is..."

"This is my brother, Su Yu Hi." Yu Qi introduced Su Yu Hi as her brother rather than her assistant now. She then turned to Su Yu Hi. "Brother Yu Hi, this is Grandpa Chang, Mr Chang Yu Qian and his son, Mr Chang Kang An. They are the person in charges for this orphanage."

"So, Grandpa Chang, why have you not told me that you are having some problem?" Yu Qi did not waste her time and went straight to the point.

Chang Yu Qian's expression changed. "How do you know?"

"Well, I have my own ways. Right now, what do you plan to do with this problem?" Yu Qi asked.

"Hmmm... I will try to negotiate with the government again." Chang Yu Qian sighed.

"Grandpa Chang, I think the government will not change its mind. If you push too much, even the money that they offer, you will not have it. You will lose everything." Yu Qi told him. It was the truth.

Chang Yu Qian sighed. Not like he did not want to move away, but he did not find a suitable place to move away.

"Grandpa Chang, you just don't have a suitable place to move away, right?" Yu Qi asked.

"Yes." Chang Yu Qian nodded weakly.

"Then, you can hand over that matter to me." Yu Qi looked at Chang Yu Qian with a smile on her lips.

"What?" Chang Yu Qian startled. "Do you have a suitable place for us to move?" He started to feel delighted.

"Of course." Yu Qi nodded.

Yu Qi brought out some photos. "Here." She placed them on the table for Chang Yu Qian to see it.

"These photos are the place about which I am telling you."

Chang Yu Qian looked at the photos. Chang Kang An that just kept his mouth closed from the beginning also looked at the photos.

"Where is this place?" Chang Yu Qian seemed interested in the place.

"Shiwa Town. It is a small town. Not so busy. But complete with basic necessities like a hospital, bank, market, and everything. Oh, there are also schools there. Primary school, junior high school and high school. So, you don't need to worry about their education." Yu Qi explained with everything that Chang Yu Qian needed to know about the place.

"It is indeed a good place." Chang Kang An nodded.

"But, how is the rental fee per month? We could not afford it if it is too high." Chang Yu Qian was worried about the money."

"Hmm... Brother Yu Hi, can you estimate how much rental fee for this place?" Yu Qi did not know how much to estimate it so better asking Su Yu Hi. He must know about this.

"Well, the price can be estimated from five thousand to seven thousand yuan per month. It may also be high than that." Su Yu Hi told them the estimation.

"See, it is expensive. We can not afford the place." Chang Yu Qian sighed.

"Then, Grandpa Chang, what is your budget?" Yu Qi asked.

"Probably two thousand to three thousand per month." Chang Kang An told them the budget.

He already calculated them. They already surveyed suitable places. But the place that they thought suitable for them was very expensive that they could not afford with their current budget.

"Hmmm... Okay. Three thousand yuan then. You can move right away." Yu Qi suddenly said that had surprised the two men.

Chang Yu Qian: "Huh?"

Chang Kang An: "What?"

"I said, let's move right away." Yu Qi told them that again.

"Miss Yu Qi, please wait. What do you mean by that?" Chang Kang An asked Yu Qi about that.

Suddenly, the office door was opened by Shi Yuan, wife of Chang Kang An. She brought some drink and placed them on the table.

"Please have a drink." Shi Yuan invited Yu Qi and Su Yu Hi to drink.

"Thank you." Yu Qi said.

Su Yu Hi just nodded.

"Miss Yu Qi, what do you mean by that?" Chang Kang An asked again.

"Yu Qi, you should explain properly to them." Su Yu Hi advised.

"Oh, Brother Yu Hi, you can help me with that." Yu Qi grinned.

Su Yu Hi looked at Yu Qi. He sighed. 'This girl is so lazy to explain.'

"Mr Chang Yu Qian, Mr Chang Kang An, the place actually belongs to Yu Qi. She has offered the place exclusively to help you with this problem." Su Yu Hi began to explain.

Chang Yu Qian and Chang Kang An were dumbfounded. This girl always liked to surprise them.

"I see. But you may have some lose by offering this place to us." Chang Yu Qian knew that.

"Well, actually the place is currently empty right now. She does not use the place at all. Rather than letting the place be empty, she thinks that the place can be used for this kind of purpose." Su Yu Hi explained more further.

"I see." Chang Yu Qian sighed.
