Chapter 801 - 801: Going With Her Friends.

After leaving Long Hui in her space, she waited for her friends at the promised place. She was still wearing her graduation robe since it would be needed too.

While waiting for her friends, Yu Qi had been greeted by her juniors of the shooting club.

"Sister Yu Qi." It was Zhu Xiao Ling who led them.

"What are you doing here?" Yu Qi asked them all.

"Senior Tang, we are here to congratulate you. Here is our present for your graduation." One of her juniors handed out a box.

"May I take a look inside?" Yu Qi asked.

"Yes." The junior nodded excitedly.

Yu Qi opened the box and took a look inside. She was very surprised to see what inside the box.

"This is..." Yu Qi looked at the junior again.

"Senior Tang, you don't need to worry. It is just a fake. Not a real one." The junior just grinned.

The thing inside the box was a pistol. Well, a fake one. It was very similar to the real one. If someone was not familiar with a gun, they probably would think that this one was a real one.

And for Yu Qi, of course, she knew it. But to buy a fake one, it must be expensive since there was not many of these present in the Binhai Nation. It was not like in A*****a.

"I have an uncle living outside Binhai Nation. I have asked him to buy it for me." The junior explained again since he looked at Yu Qi's questionable face.

"Thank you." Yu Qi smiled.

"Sister Yu Qi, here is my present." Zhu Xiao Ling also gave a box to Yu Qi.

Yu Qi looked at the present. It was a set of scalpels.

"Thank you, Xiao Ling." Yu Qi nodded.

"Senior Tang, we don't have much allowance to spare. So, we have shared some money and bought you this." Another junior stepped forward.

In his hands, there was a bouquet. It had flowers, chocolates and there was a doll in the centre of the bouquet. Yu Qi could feel the feeling that her juniors wanted to give to her.

"Thank you. It is beautiful and cute." Yu Qi nodded.

"Wow, Yu Qi, you are so popular." So Pang Lim said.

She had just arrived together with Mei Lilli and Yun Xiao.

"It is my club's juniors. They are here to congratulate me." Yu Qi told her friends.

"Senior, we will leave first. Once more, congratulations for your graduations." Yu Qi's junior said once again. This time, all of them said it.

"Thank you. All of you, study hard and practice your shooting as well." Yu Qi nodded while giving them some advise.

"I think I need to go to my hotel first to leave the present." Yu Qi looked at the present that she received just now.

"I think so too." Mei Lilli also agreed.

"Who is not here yet?" So Pang Lim asked.

"Na An and Ha Ting." Yun Xiao said.

"Just wait for them first. I will drop at my hotel since it is in the way." Yu Qi said.

"By the way, Yu Qi, I have seen your boyfriend earlier. Where is he? Does he not follow you?" So Pang Lim raised her eyebrows several times teasing Yu Qi.

"Oh, he has come too?" Mei Lilli looked at Yu Qi.

"Yeah. I have seen him, as he has walked passing my family and me. My sister seemed to have fallen in love with him. After I have told her that that man already has a girlfriend, she was dissapointed a little bit." So Pang Lim chuckled.

"I have left him at the hotel. He is tired since he has pulled two night straight to finish his report and come here to celebrate my graduation day. So, I have made him rest first since I already have a plan together." Yu Qi explained.

"So sweet." So Pang Lim laughed. "By the way, Yun Xiao, your idol is here too."

So Pang Lim referred to Tang Han Lee. Yun Xiao indeed treated Tang Han Lee as his idol.

"He he he... I have already taken a picture together earlier." Yun Xiao pressed his c.h.e.s.t feeling proud.

"Huh? When?" Yu Qi asked. She did not remember that since Tang Han Lee did not leave the family at all.

"In front of the hall earlier. At that time, your boyfriend just arrived. So, your eyes were just on your boyfriend. You didn't notice anything." Yun Xiao explained.

Yu Qi was just scratching her face with one finger while grinning innocently.

"You can not blame her. It is her boyfriend anyway." Mei Lilli chuckled.

"I am sorry. We are late." Song Ha Ting said.

Song Ha Ting and Ding Na An arrived together.

"Don't worry." Mei Lilli said to both of them.

"Anyway, let's go to the place. Since we are six, let's separate into two groups. One group will ride on my car while another one will ride Yu Qi's car." Yun Xiao said.

Song Ha Ting and So Pang Lim quickly moved to Yu Qi's side and held Yu Qi's hands. So, the groups had been divided just like that. Mei Lilli and Ding Na An would be together with Yun Xiao.

"I have said earlier earlier, I will drop by at my hotel for a moment to put this present in my room." Yu Qi said.

"Oh, some people have given presents to Yu Qi." Song Ha Ting looked at the present.

"Yeah. My juniors in the shooting club." Yu Qi nodded.

"It's okay, Yu Qi. You can go to your room. But remember to come back. Don't forget about our plan if you see your boyfriend." So Pang Lim teased Yu Qi.

"I will not." Yu Qi glared at So Pang Lim.

Chapter 802 - 802: Giving Her A Gift

Yu Qi came out after putting everything in her room. Of course, she did not see Long Hui since Long Hui was inside her space and she just entered the hotel room.

As for today's plan, she and her friends had decided to visit several places in Wenya City to take some pictures together.

The first place that they decided was Freezing Hill. Well, the place was not freezing like its name. It was a beautiful hill with green grass. It only had one tree at the top of the hill and the hill was not too high.

"There are not many people here for now. Let's take several pictures then." So Pang Lim was excited.

So, they took several group pictures. Then they had also taken a single picture of all of them. Yun Xiao told them that the picture would be selected to put in the photo book.

"Okay. Done. Let's move to the next place." Yun Xiao said to his friends.

The next place was the place where they usually eat whenever they were bored eating the food at the university cafe. So Pang Lim already requested the permission from the owner to take the photos over there.

The owner agreed. She had been there for over 15 years. There were a lot of students who came to her shop since it was nearby. She knew that nowadays students had their ways to post the pictures and told others about that. And it gave her free publicity for her shop.

Yu Qi's friends really knew about acting in the camera. They took a lot of pictures. They also wrote a scene for the pictures. Not to mention, they also took a picture together with the owner.

"Done for the area outside the university. Let's take pictures inside the university." So Pang Lim said.

They went to go and took pictures at the earlier place because at that moment, there were not many people around. People still focused on the ceremony for others faculties that had been held during the time they went outside to take the picture.

The first place that they wanted to make into their pictures was their lecture hall. In this lecture hall, there were a lot of happy and sad memories.

The scene where Yun Xiao slept and woke up after being called by the lecturer and the happiest thing at that time, Yun Xiao stood up and shouted something funny.

So Pang Lim also had her memories here. She fell onto the lecture hall's floor after not paying attention to the stair because she was looking at her phone. It happened just after the class had finished and the lecturer did not even leave yet.

After taking some pictures, they moved to the library. Honestly, the medical faculty library was the most stylish place in the university. It had been recorded on the university's archive.

And it was the most favourite place for Yu Qi. She personally used her own phone to take pictures of the place.

"Guys, let's go to the cafe. I am feeling thirsty." So Pang Lim patted her own neck.

"Sure. I am also feeling thirsty too." Mei Lilli also nodded.

They went to the outside cafe since the faculty cafe did not open on the day. There were a few people over there too. They ordered some drink.

Then, they heard some screams. Well, screams usually came from women. That was right. It came from women and it was obviously the excited scream.

"I know that all of us are happy for graduation but is that necessary to scream like that?" So Pang Lim was annoyed with that kind of behaviour.

"I guess they are screaming like that not because of the graduation. But because of someone." Mei Lilli pointed in one direction.

It was an exciting scream that a fan met with his or her idol. That kind of screams.

Everyone around Mei Lilli turned around and looked in that direction. They saw a familiar face. The person approached their group.

Seeing the person, Yu Qi began to frown. It was because that was Bai Shu Jin.

"I guess he has come to congratulate you, Yu Qi." Song Ha Ting glanced at Yu Qi.

Their guesses were right. Bai Shu Jin did come to congratulate Yu Qi. He stopped in front of Yu Qi. Everyone was waiting for the show to begin.

Some of them already knew Yu Qi and Bai Shu Jin's attitude at each other. Who did not know about them usually the first year students?

"Congratulation on graduating. I have heard that you are the top student." Bai Shu Jin smiled.

With the stoic face of Yu Qi, she glanced at Bai Shu Jin before said thank. "Hmm... Thanks."

"Here, it is for you." Bai Shu Jin placed something in front of Yu Qi.

Once again, Yu Qi glanced over at the thing given by Bai Shu Jin.

"I will not accept it. Mr Bai, please take it back." Yu Qi did not want anything from Bai Shu Jin.

It was a box. Obviously, it was a jeweller. What Bai Shu Jin meant by giving her a piece of jewellery like this? Did he think that she was an easy person to win over just for a piece of jewellery like that?

"Miss Tang..." Bai Shu Jin wanted to say something.

However, another person's screams broke up. Everyone turned around and looked at the situation.

Chapter 803 - 803: Jealous.... What was Qin Xia's true feeling towards Yu Qi?

Yu Qi's eyes lifted up as she saw the person who was walking towards her.

"Brother Xia." It was different from Yu Qi seeing Bai Shu Jin.

Qin Xia smiled gently at Yu Qi. "Congratulation on graduating today."

"Thank you, Brother Xia." Yu Qi was also smiling at Qin Xia.

Bai Shu Jin saw the scene and frowned as he clenched his fists tightly. He received different treatment from her. He thought it was her attitude to everyone. The only difference was her boyfriend.

But now, it was another man, not her boyfriend. Had she already broken up with the previous one? However, he was familiar with this man. It was Qin Xia. The owner of Yue Cooperation successfully snatched the project from Bai Group at Guanying City.

"Min Liang." Qin Xia called his secretary while asking for something.

Min Liang appeared. Without another word, Min Liang placed a file in Qin Xia's hand. He already knew what his boss wanted.

Qin Xia took the file and gave it to Yu Qi. "Here is my present."

Yu Qi was confused. What kind of present that Brother Xia would give to her? She opened the file and read the words inside the file. The more she read the words inside the file, the widened her eyes became.

Yu Qi looked up at Qin Xia. "Is this genuine?"

"Of course. Why will I lie to you?" Qin Xia gently nodded.

"Oh my god. This is very good. Thank you very much, Brother Xia." Yu Qi was very happy.

Min Liang was pleased that his boss was happy. It was worth coming here giving the present to the person herself. Even though, he was very busy actually.

Everyone who was watching the situation were curious about the present that made Yu Qi to react like that. Bai Shu Jin was also curious about that. But he could not ask it. He was sure that Yu Qi would never tell him about that.

"Miss Tang, once again, congratulation on your graduation. As for my present, you can do anything that you want about it." Bai Shu Jin did not wait for Yu Qi to reply. He immediately left the place.

Yu Qi narrowed her eyes down staring at Bai Shu Jin. Qin Xia observed her and saw that. He wondered what happened between them. It seemed Yu Qi really hate the man.

When he ask his secretary to investigate about Yu Qi, there was not much information about Bai Shu Jin. He just studied at the same university as Yu Qi and did confess to Yu Qi once in the public. He did admire his courage. However, Yu Qi rejected him directly.

Qin Xia thought Yu Qi rejected him because of Long Hui since that man was Yu Qi's boyfriend. It seemed there was something else. He needed to investigate more about this Bai Shu Jin.

"May I have the honour of taking a picture with you?" Qin Xia said.

It removed Yu Qi's attention from Bai Shu Jin.

"Sure. It is my p.l.e.a.s.u.r.e." Yu Qi said while smiling. She already forgot about Bai Shu Jin.

Her friends helped her taking pictures with Qin Xia. Min Liang also brought out his camera. His boss forced him to be the cameraman for him. 'It is tough to be a capable secretary.' Min Liang sighed.

While inside the space, Bo Ya and Aoi were sitting together. Bo Ya was reporting to Aoi about what happened to their master outside the space. At the same time, Bo Ya was observing the surrounding to assure that their master was safe from unknown dangers.

When Bo Ya reported that Bai Shu Jin had come to see their master, Aoi was very worried about their master. The incident where Yu Qi fell into a coma made him worried when coming to Bai Shu Jin. He became more worried since he was not by Yu Qi's side.

Then Aoi became relieved as Bo Ya told him that Qin Xia also came too. He did not know why he felt like that. But he felt that this Qin Xia would never do anything bad to his master.

Bo Ya also relieved when Qin Xia was beside his master. This man gave a familiar feeling to him. He felt like he had met him somewhere else. However, he could not remember that.

Both of them were talking to each other without realized that someone was also listening to their conversation. Yeah. That's right.

It was our Long Hui. He had already woken up from his sleep. He had fully rested. So, he decided to come out from his room and talk a walk.

Until he saw the little boy and a dog who was talking. When he listened to them, it seemed that the little boy was telling the dog about the situation outside the space. So, the little boy could see directly what happened outside the space.

However, he frowned as he heard that there were two bastards that wanted to covet his beloved Qi Qi. One was Bai Shu Jin. One was Qin Xia.

Long Hui did not care much about Bai Shu Jin since his beloved Qi Qi seemed to hate that man so much. But he could not say the same for Qin Xia.

Yu Qi seemed to like this Qin Xia. Of course, he knew that his beloved Qi Qi just liked Qin Xia as a brother. However, he did not know about Qin Xia. What was Qin Xia's true feeling towards Yu Qi?

Chapter 804 - 804: Return The Gift Back

"You!!!" Bo Ya was surprised to see Long Hui behind them. He could not feel this man's presence at all.

"How long? have you been standing behind us?"

"When you have said that Bai Shu Jin has come to Qi Qi." Long Hui just being honest.

Bo Ya's eyes widened. 'F.u.c.k! He had stayed for a long time but I did not realize that. Why did this happen? I should notice it once he was in my detection range.'

Bo Ya looked at Long Hui curiously. There was something with his body. Bo Ya was firmed about that.

"Can you take me out?" Long Hui asked.

"Nope. In order to get out from this space, my master needs to bring you out personally." Bo Ya said.

"Is there anything that you can do about that?" Long Hui gritted his teeth. He wanted to come out to see his beloved Qi Qi.

"Sorry. It is the law. Even I don't have the power to bring you out." Bo Ya told the truth.

Long Hui frowned. When could his beloved Qi Qi come inside? Bo Ya observed Long Hui.

"However, I can tell my master that you are awake." Bo Ya said.

"Oh? Thank you." Long Hui nodded.

.....

Yu Qi was blinking after getting the report from Bo Ya through telepathy. Bo Ya was informing her that Long Hui had been awake.

Yu Qi acknowledged that. Thinking about the time difference between the outside world and her space, she believed that Long Hui had been resting well.

"Yu Qi, what are you thinking?" Song Ha Ting asked when seeing Yu Qi dazed off.

"Huh? Oh, nothing." Yu Qi shook her head.

"She must be thinking about her boyfriend." So Pang Lim teased Yu Qi.

"Well, I am indeed thinking about him." Yu Qi admitted honestly.

"She has admitted it. Oh, I am getting goosebumps." So Pang Lim shook her body.

"By the way, what is the present that you have gotten from the man before? You look so happy about that." Mei Lilli was curious.

"Oh, that... Hmm... Let's say... It is is another chance for me to make more money." Yu Qi grinned.

Qin Xia had given her a space to open the spa inside the world class resort that was currently being built in Guanying City. The area was so big. She was thinking to give some space to open a shop to sell the Qi Qi skincare products over there.

"You money-like monster..." Mei Lilli chuckled.

"By the way, how about the gift from Senior Bai? What are you going to do with it?" Ding Na An glanced at the other box in front of them

"I will return it." Yu Qi said. She would never accept anything from that man.

"But, did Senior Bai said that he would not take it back?" Song Ha Ting tilted her head over.

"Well, just not return to him but someone related with him." Yu Qi told Song Ha Ting.

"But who... Oh, her..." So Pang Lim understood what Yu Qi was trying to say.

"Oh, you mean, Bai Feng Jiu?" Ding Na An also got what Yu Qi was trying to say.

"Her graduation ceremony is in this evening." Mei Lilli said. She looked over her watch. "It is about time for them to finish."

"Hmmm... I will go and hand over that gift to Bai Feng Jiu." Yu Qi said.

"Oh, I want to follow you." So Pang Lim wanted to see a show.

"Me too... Me too." Song Ha Ting also wanted to follow Yu Qi.

"I also have nothing to do." Mei Lilli grinned.

"Yeah." Ding Na An also nodded.

"I will return to my hotel then. I am tired. Let's have breakfast together tomorrow. Since we will be going to leave." Yun Xiao yawned. He was a little bit tired.

"Sure." Everyone agreed with that.

So, the girls went to the hall. Mei Lilli's guess was indeed right. The ceremony was about to finish. They were waiting outside to see Bai Feng Jiu.

Then Yu Qi saw Bai Feng Jiu walked out together with one older man and two older women. Yu Qi recognized one of the older women. It was Bai Jian, known as Mrs Bai, wife of Bai Group's chairman.

Yu Qi straight walked towards them. Her friends did not follow her. They just looked from the far.

Yu Qi stopped right before Bai Feng Jiu. Bai Feng Jiu was very surprised to see Yu Qi here.

"Tang Yu Qi." Bai Feng Jiu said.

She looked at the things that Yu Qi was holding in her arms. 'Is that gift that her cousin, Bai Shu Jin has brought to Yu Qi?' She knew Bai Shu Jin told her about that.

At first, she thought that Bai Shu Jin prepared that gift for her. When she asked about that, Bai Shu Jin straightly told her that it was his gift for Yu Qi.

"Bai Feng Jiu, here take it back. Tell him that I don't need it. Anyway, congratulations on your graduation." After giving the box to Bai Feng Jiu and saying what she needed to say, Yu Qi quickly left them giving Bai Feng Jiu no time to reply to her.

"What?" Bai Feng Jiu could not process the thing right now.

"What is all about?" Bai Feng Jiu's mother asked.

"That girl is the one that Shu Jin likes right?" Bai Jian also recognized Yu Qi. She remembered that girl vividly since she was together with Yung Ha Ren.

Chapter 805 - 805: Brewing The Vinegar Again

"Yes, Auntie Jian. It's her." Bai Feng Jiu nodded.

"Shu Jin likes her? Does she know you too Jian?" Bai Feng Jiu's Mother, Shung Xie Mong asked.

"I think she knows." Bai Jian nodded.

"Then, why hasn't she greeted you and me? What a rude girl." Shung Xie Mong's impression of Yu Qi was going down just after one meeting.

"What is this?" Bai Jian asked while pointing at the box that Yu Qi just handed out to Bai Feng Jiu.

"Well... It is actually the graduation present for her. Brother Shu Jin has prepared it for her." Bai Feng Jiu explained.

"What? And she has given it back?" Shung Xie Mong could not believe that.

Shung Xie Mong thought that girl just came from a normal family. Not a rich family like them. And Bai Shu Jin was also a good looking man, the girl would like him too and the power behind Bai Shu Jin. But that girl just returned back the gift that Bai Shu Jin prepared for her.

"Mum, that girl hates Brother Shu Jin since Brother Shu Jin has pestered her since she has entered this university." Bai Feng Jiu said.

"What? It should be her honour that Shu Jin likes her." Shung Xie Mong frowned.

"Mum, usually people will think like that. But that girl is not like any other girl." Bai Feng Jiu said.

She admitted Yu Qi was a good person. Yu Qi was someone that did not like to find the problem. If others did not do anything to Yu Qi, Yu Qi probably would not do anything to them. Just like Yi Su Ran's case. Yi Su Ran attacked Yu Qi first. So, Yu Qi retaliated against her.

"What is the difference?" Shung Xie Mong asked.

"She already has a boyfriend. And his boyfriend is that Long Hui." Bai Feng Jiu explained.

"What? That Long Hui? Are you sure?" Now, Bai Feng Jiu's father, Bai Wang Qi joined too after hearing Long Hui's name.

"Yes, father." Bai Feng Jiu nodded.

"What? Who is this Long Hui?" Shung Xie Mong asked.

Bai Jian also wanted to know.

"Long Hui is the youngest person who is currently holding the rank Colonel in the military. He is also the only grandson of our Great General Long Fei Yi." Bai Wang Qi said.

Bai Feng Jiu also got to know about this after asking Bai Shu Jin. She actually asked Bai Shu Jin to snatch Yu Qi away if her cousin liked Yu Qi so much. Bai Shu Jin said that it was not too easy since his opponent was not a normal man.

Bai Shu Jin gave the information that he got about Yu Qi's boyfriend. It was not much information about him other than that was stated that he was from the military and also the grandson of the Great General Long Fei Yi.

Honesty Bai Feng Jiu was shocked to know about that. No wonder Bai Shu Jin said that it was not too easy.

"But I have heard the rumour that he is currently dating the legendary doctor's granddaughter." Bai Wang Qi said.

"Dad, she is the granddaughter." Bai Feng Jiu said.

"Oh..." Bai Wang Qi nodded. No wonder his daughter said that girl was not the same as a normal girl.

Tang Family did not have a lot of money like the Bai Family but its prestige was more compared to Bai Family. Tang Family's position was indeed higher than their family.

Bai Jian frowned when hearing the background of Long Hui, Yu Qi's boyfriend. She had actually set Yu Qi as her future daughter in law. Not for Bai Shu Jin but for Bai Yu, the second son of the Bai Family.

....

Yu Qi did not know that she was being discussed by Bai Family's members. After saying goodbye to her friends, Yu Qi immediately returned to her hotel room and entered the space.

Entering the space, she quickly found Long Hui. Long Hui seemed to be relaxing at the pavilion near the lake. His position... Well, it looked like he was laying towards one side with one hand supporting his head.

If Long Hui was wearing a while ancient clothes, he might look like an immortal who had descended from heaven.

"How you have seen enough?" Long Hui asked with a smile lingering on his lips while his eyes were closed.

Yu Qi sat beside Long Hui. "Oh, you are awake."

Long Hui opened his eyes. "I am not sleeping."

Yu Qi grabbed his hand and read his pulse. "Great. Your body is normal. Not tiredness or lacking sleep."

"I have a good sleep inside your space." Long Hui nodded. Indeed, it was better to sleep inside his beloved Qi Qi's space.

"By the way, those two men have come and met you." Long Hui suddenly said.

"Those two men? Who are you talking about?" Yu Qi tilted her head.

"Bai Shu Jin and Qin Xia." Long Hui gritted his teeth. He really hated to say those men name that liked to disturb his beloved Qi Qi.

"Oh... Them... So, are you jealous right now?" Yu Qi smiled, teasing Long Hui.

Long Hui's face turned black. This woman needed some lesson. He pulled Yu Qi's hand. As a result, Yu Qi's body straight fell onto Long Hui's body.

"We haven't tried doing it outside, right?" Long Hui whispered at Yu Qi's ear.

Yu Qi's eyes widened. 'This man is not thinking about that right?'

"What are you thinking? Since there is no one here? Should we?" Long Hui displayed a grin on his face.

Chapter 806 - 806: Doing Outside

"But Aoi and Bo Ya are here, okay?" Yu Qi reminded Long Hui about those two little cuties.

"Just tell them not to come here." Long Hui grinned.

Yu Qi was silent for a few moments before answering Long Hui. "Okay."

Long Hui's eyes flashed with excitement. He actually just wanted to tease Yu Qi. He never thought that his beloved Qi Qi would agree about playing outside.

Yu Qi told her two little cuties not to come to the pavilion right now.

Aoi: 'Why, Master?'

Yu Qi: 'Just follow my order. Don't come here. I will cook for you two later. Okay.'

Hearing that their master would cook for them later, both of them agreed.

Both the two little cuties were currently in the garden. They were playing there when Yu Qi's talked to them through telepathy.

"Bo Ya, why is Master telling us not to come to the pavilion?" Aoi asked curiously.

Bo Ya narrowed his eyes. He just learned about the man and woman relationship. It must be they were doing s.e.x.u.a.l things. That s.e.x.u.a.l thing would give birth to another human which was their baby.

"Hmm... Master and that man are currently making a little master for us." Bo Ya answered.

"Little Master? Master is master. Why should they make another one?" Aoi was confused. So, he asked again.

"Imagine that Master has a baby and the baby has Master's looks. Isn't that cute?" Bo Ya asked Aoi to imagine that.

Aoi went silent. He imagined that. Then he was excited. "I want Little Master. Little Master must be cute."

Bo Ya just smiled. He did not tell Aoi that it was possible that Little Master would have that man's looks as well.

"Let's not disturb Master." Bo Ya said.

"Okay." Aoi nodded.

Now back to Yu Qi and Long Hui, they were kissing each other.

"Qi Qi...." Long Hui mumbled as his hands were running around Yu Qi's body.

"Hmm...." Yu Qi m.o.a.n.e.d.

Long Hui's hands slipped into Yu Qi's dress. He did not fully open the clothes on Yu Qi's body. Since they were outside, Long Hui decided to play with the clothes on. Only some part would be opened.

Long Hui skillfully opened Yu Qi's bra. In front of him, there were two white mountains that needed his attention. His mouth went down tracing through her neck and finally down to his beloved Qi Qi's mountains.

"Qi Qi, I can really not get enough of you." Long Hui sighed.

"Me too..." Yu Qi also spoke.

Long Hui's mouth was on one of Yu Qi's white mountain. While his fingers were playing with Yu Qi's other white mountain.

"Ah... Ah...." Yu Qi m.o.a.n.e.d as Long Hui played with her white mountains.

After a while of playing with Yu Qi's white mountains, Long Hui decided to move to the next step. His hand moved to the lower part of Yu Qi's body.

Since Yu Qi was wearing a long skirt, he just needed to lift up the skirt. Yu Qi's u.n.d.e.r.w.e.a.r already damp. He traced the u.n.d.e.r.w.e.a.r using his finger.

"Qi Qi, you are wet down here." Long Hui grinned.

"Hui, make me even wetter." Yu Qi looked down at Long Hui excitedly.

"As you wish, my queen." Long Hui smiled.

He quickly removed Yu Qi's u.n.d.e.r.w.e.a.r. Then he opened her legs wide to get full access to Yu Qi's private area down there.

His tongue licked the charm point of Yu Qi. Sensing that Long Hui's tongue was on her charm point, she m.o.a.n.e.d loudly.

"Hui... Hui... More... More... I want more..." Yu Qi held Long Hui's head.

Hearing Yu Qi's order, Long Hui moved his tongue around Yu Qi's private area. The place became more and more wetter. Then he could feel that his beloved Qi Qi was going to come. He increased the speed.

"Ah!!!! Ah!!!! I am coming!!!!" Yu Qi screamed loudly.

She already forgot that they were currently outside. Right after that, she climaxed. Long Hui was happy seeing his beloved Qi Qi satisfied with his technique. Yu Qi had eventually calmed down.

"Qi Qi, I want you to play with mine as well." Long Hui said pointing to his little brother down there.

Yu Qi already saw that Long Hui brought out his little brother. Without waiting any longer, Yu Qi grabbed Long Hui's little brother. It felt hot and hard.

Her hands straight to move up and down. Yu Qi looked at Long Hui's face to see his reaction. She could see that Long Hui growled while his eyes were fully closed. Yu Qi became more and more excited.

She opened her mouth and tried to swallow Long Hui's little brother. As usual, she could not swallow it all since it was too long and big for her mouth. She was doing her best to satisfy Long Hui.

She could feel that Long Hui's little brother became bigger and hotter. She knew that Long Hui was about to come. She fastened her l.i.c.k.i.n.g.

"Ah!!! Ah!!!" Long Hui shot a lot of s.e.m.e.n into Yu Qi's mouth.

Yu Qi almost choked. Some of the s.e.m.e.n flew out of Yu Qi's mouth. She wiped the excess. Long Hui showed a satisfied expression on his face.

"Qi Qi... It was fantastic." Long Hui commented.

Maybe because they were outside, he felt more excited than ever. Yu Qi did not want this to be over. Her hand grabbed Long Hui's little brother once again.

"Hiss..." Long Hui hissed.

"I want this inside me." Yu Qi licked her own lips while looked at Long Hui seductively.

Hearing demand from his beloved Qi Qi, he pushed Yu Qi down and pushed his little brother into Yu Qi's private area.

"Ah!!! Hui!!! More... Push it hard. I want it deep..." Yu Qi screamed for more.

Chapter 807 - 807: Serve Her Like A Queen

As usual, after the deed, his beloved Qi Qi would be in a deep sleep. Long Hui c.a.r.e.s.sed Yu Qi's face with his finger. He smiled as his beloved Qi Qi made a sound in her sleep.

'It is not a suitable place to rest.' Thinking about that, Long Hui carried Yu Qi with the 'princess carry.' Yu Qi did not even notice that she had been carried away.

Long Hui brought Yu Qi to her room. When he saw that his beloved Qi Qi in a mess, he went to the bathroom, coming out with a small bucket of water. He opened Yu Qi's clothes and cleaned her body. After that, he put her in comfortable clothes.

He could not sleep at all. In fact, he felt refresh after doing the deed. Thinking that his beloved Qi Qi would be hungry after she woke up, he went to the kitchen to cook something.

Hearing someone in the kitchen, both of the two little cuties went running into the kitchen. They thought it would be their master who had promised them to cook something for them. However, they were bounded to be disappointed when they saw the man's figure inside the kitchen.

"What are you doing here?" Bo Ya asked Long Hui.

"I want to cook for Qi Qi." Long Hui answered.

"You can cook?" Aoi looked at Long Hui.

"Yes but not as good as Qi Qi." Long Hui nodded.

"Since you want to cook for my master, I shall help you." Bo Ya decided to help Long Hui since he said he wanted to cook for his master. "What ingredients do you want? I will pick them up at the garden."

"Green onion, mushroom, cabbage, carrot, red pepper, red onion, ginger, garlic,? snow peas, and bell pepper." Long Hui told the ingredients that he wanted for his cooking.

"What menu do you want to cook?" Bo Ya asked.

"Hot and sour soup, fried rice, garlic soya chicken and spring roll." Long Hui listed the menu that he wanted to cook for his beloved Qi Qi.

"Are you sure you can cook all that?" Bo Ya asked. He did not confident about Long Hui's skill.

"I can manage it." Long Hui was confident enough.

"I hope so. We will pick up the ingredients that you want. Let's go, Aoi." Bo Ya asked Aoi to follow him.

"Bo Ya, are you sure he can cook?" Aoi asked Bo Ya.

"I don't know. Just let him do what he wants." Bo Ya said.

"Oh, okay." Aoi nodded.

...

Yu Qi woke up after smelling something delicious. She looked down at her body. Her clothes had been changed. Even her body had been cleaned up. 'It must be his work.'

She looked around. Wanted to find him. However, she did not see him. A delicious smell attacked her again. 'Someone is cooking? Is it him?'

She got out of the bed and headed toward the kitchen. Her lips began to curve up as she saw a person in the kitchen, wearing an apron, and was currently taking a sip of his cooking. She leaned back against the wall and observed the man with her arms hugging her body.

Sensing someone had been watching him, Long Hui turned around and saw his beloved Qi Qi behind him.

"You are awake. Are you hungry?" Long Hui asked.

"I have woken up because your cooking smell very delicious. Making me so hungry." Yu Qi licked her lips.

Long Hui narrowed his eyes. His beloved Qi Qi might be a little fox that liked to seduce others.

"Just wait a minute. I will serve you." Long Hui continued cooking.

Yu Qi sat at the nearby chair and continued to watch Long Hui. She used her right hand to support her head that tilted over. 'My man is very s.e.xy right now. Want to eat him.' She widened her eyes as she realized what she was thinking right now.

'Why have I become horny like this? Is this influence of Long Hui?' She slapped both cheeks using both hands.

"Why do you slap your face like that?" Long Hui frowned seeing his beloved Qi Qi slapping her face like that.

"Nothing." Yu Qi grinned. "Can I eat now?" She asked with a sweet tone.

"Yes." Long Hui moved faster as possible to get his beloved Qi Qi served.

In less than 5 minutes, the hot meal was ready to be eaten.

Yu Qi widened her eyes as she saw the menu. 'My Hui's cooking.'

"I have cooked fried rice, hot and sour soup, garlic soya chicken spring roll." Long Hui told her about the menu.

Long Hui put the fried rice into Yu Qi's bowl. Sensing Long Hui's participation to see her eat, Yu Qi started to eat the fried rice.

"Hmm... Delicious." One spoon, a smile appeared on Yu Qi's lips.

She did not lie at all. It was really delicious. Her hand began to move faster. Long Hui started to put another dish on Yu Qi's bowl. He really served Yu Qi like a mother. He was really glad that his beloved Qi Qi liked his cooking.

"Brother Hui, why don't you eat too?" Yu Qi saw Long Hui keep filling her bowl without eating.

"Oh, I have forgotten." Long Hui just smiled.

"No... No... No... You need to eat too... Here." Yu Qi took a piece of chicken and put it into Long Hui's bowl. "Eat." She gestured Long Hui to eat using her eyes.

"Okay, my dear. I will eat." Long Hui grabbed his bowl and eat.

Chapter 808 - 808: Deep Purple Diamond

"Qi Qi, here..." Long Hui gave a box to Yu Qi. "Happy graduation day. Congratulation on completing your studies."

"Thank you, Brother Hui. May I open it?" Yu Qi was happy to receive the present from her boyfriend.

"Sure." Long Hui nodded.

Yu Qi opened the purple velvet box. It was a complete set of jewellery. Necklace, earring, ring, bracelet, even leg bracelet. And the most outstanding was the deep purple diamond attached to each of the jewellery.

Yu Qi looked up at Long Hui. Her eyes widened. "This..."

"My present for you." Long Hui smiled.

Yu Qi was speechless. The truth, the diamond was very expensive.? The colourful diamond was even more expensive. And that depended on the rarest of the colour. The deep purple diamond here was the most expensive diamond in the world.

"Is this expensive?" Even if Yu Qi was considered rich, she would not be able to buy something as expensive as this complete set of jewellery.

"Don't worry about money." Long Hui just smiled.

Yu Qi was curious about Long Hui. If Long Hui was just from the military, it did not make sense how he had a lot of money like that. Meaning he might have another source of income besides his salary from the military.

"Anyway, thank you so much, Brother Hui. I will treasure it." Yu Qi hugged the box as her precious.

She stored the box inside her room in her space.

"Let's go. My family must be waiting for us." Yu Qi said to Long Hui. Then, she turned to Aoi. "Aoi, do you want to come out with us?"

Aoi was thinking for a moment. His master would definitely be conquered by this human, his eyes glanced at Long Hui. However, Tang Family also would be together. They would treat him better. It was not a bad idea.

After considering thing, Aoi nodded to Yu Qi, answering her question. "Yes. I want to."

Three of them appeared in the middle of the hotel room. They came out together from the room.

"You two have been in the room?" There was someone who asked them right after they came out.

Yu Qi turned around and saw Tang Jin Wei standing not far from them.

"What? We can not be together?" Yu Qi tilted her head aside.

"I have just knocked on your door. Why can't one of you open the door or answer my knock?" Tang Jin Wei asked.

"I am sorry. We were little occupied with something." Yu Qi apologized.

"Humph! Just come. We are been waiting for you." Tang Jin Wei rolled his eyes to Long Hui. 'Busy... It must be this man holding up his little sister.'

At the same time, Long Hui also looked at Tang Jin Wei. He looked at Yu Qi's brother rolled his eyes at him. Yu Qi chuckled as she saw the interaction between her boyfriend and her brother.

They arrived at the hotel restaurant for breakfast. Everyone was already sitting in their seats. Yu Qi and Long Hui greeted everyone.

"Sit." Grandpa Tang ordered.

The couple followed Grandpa Tang's words obediently. They eat breakfast in harmony.

"Long Hui, when are you reporting back for your duty?" Grandpa Tang asked.

"I will report back in the evening." Long Hui answered.

"Really?" Yu Qi became sad as soon as she heard the news.

"Yes." Long Hui nodded gently to Yu Qi. "You can come at the weekend. You can trash those soldier with your shooting skills."

The Tang family members raised their eyebrows. 'Is this something a leader should say about his men? Well, what he said is the truth.'

"Don't forget about our deal." Grandpa Tang said to Long Hui.

'That matter again. What is their deal anyway?' Yu Qi glanced at Long Hui and Grandpa Tang that just went silent after that. 'Whatever. I will find out soon or later.' She decided to not think about the matter.

.....

After her graduation, Yu Qi became busy again. Qi Qi Skincare had been launching two new products. Hydro Mask and Whitening Lotion. Those two products had just got their clinical pass from the government right before her graduation day. Without wasting any time, she conducted a mass production for the products.

As the spokesperson for Qi Qi Skincare, Song Su Jin would be playing the role in marketing those two products. Yu Qi decided to shoot separate video advertis.e.m.e.nts for those two products.

Yu Qi asked Song Su Jin to invite Director Xian who had been shooting the last promotion video for Qi Qi Skincare.

Yu Qi know it was easy to make a deal with him. She also felt that Director Xian could offer what she really wanted.

Song Su Jin was happy ever since becoming the spokeperson for this brand. After the last promotion video, not only her skin became more beautiful but she felt her fame had been stepped up to another level.

Not to mention, because of this brand, she gotten herself a boyfriend. However, she did not reveal the relationship to the public. Her manager, Xiu Mi Lan, prevented her to do so. Yeah, well, she could understand that.

She knew the moment she stepped into the entertainment world, she could not have any relationship with any man.

When Xiu Mi Lan knew that Song Su Jin was in a relationship, she was furious. After a moment, she calmed down. And started to demand Song Su Jin to tell her who was her boyfriend. She needed to know who was Song Su Jin's boyfriend.

Chapter 809 - 809: Deal With Director Xian

Who the heck that so brave to pick up her precious artist to be his girlfriend? She demanded every single day from Song Su Jin to tell her. She wanted to meet that man and request him to break up with Song Su Jin. Of course, without Song Su Jin knowing about that.

After getting bored with Xiu Mi Lan's nagging, Song Su Jin told her that secret. Xiu Mi Lan was blinking several times after hearing the name. Her brain had frozen to think of anything after knowing the name.

Xiu Mi Lan was not brave enough to go and tell Song Su Jin's boyfriend to tell him to break up with Song Su Jin. So, she let them be.

Song Su Jin's boyfriend also knew that he could not go public with Song Su Jin. However, he did not care much about that.

.....

Director Xian was surprised to see the girl that he saw when he filmed the last promotion video for Qi Qi Skincare. He never thought that he would be seeing the girl again.

Director Xian could not forget the girl since the girl was very beautiful. He felt that the girl was born for the entertainment world.

"Miss Tang, we meet again. Are you interested in entering the entertainment world now?" Director Xian asked excitedly.

Yu Qi felt her lips were twitching. This director really wanted her to join the entertainment world.

"I am sorry, Director Xian. I have another commitment. So, I will not join it." Yu Qi rejected it again.

Director Xian was dejected when seeing the girl firmly rejected him again. However, it was not long after he recovered himself.

"Then, why are you here?" Director Xian asked.

"Well, does Sister Su Jin tell you?" Yu Qi tilted her head.

"Eh, you are here to discuss about video promotion for Qi Qi Skincare? You are the representative of Qi Qi Skincare?" Director Xian was surprised again.

"Yes. I will be the person in charge of this matter. You can contact me by this number." Yu Qi handed out her business card.

Director Xian took the card. As he read the information, his eyes became widened and even more. He slowly lifted up his face to see the girl that sat in front of him.

'Owner and Founder of Qi Qi Skincare.' That was written on the card. 'What the heck!!! This girl was just in her twenties. She already owns a business?'

Even Director Xian was a director in the entertainment world, however, he was aware of the business world too. Qi Qi Skincare was one of the rising brands that would be the leading leader in the skincare market.

'And this girl is the owner? Not to mention, the founder?' Director Xian remained silent as his face showed a shocked expression.

"You are the owner?" Director Xian asked after he calmed down.

"Yes. I hope it will not be spread to others." Yu Qi just smiled.

Director Xian was stunned and he nodded several times. "Yes... Yes... I understand."

Director Xian understood. It seemed not everyone aware of her identity.

"Okay. Let's discuss about the promotional video that we want to shoot." Yu Qi said.

They discussed the video promotion. After the two hours sitting there, they ended the discussion. Yu Qi already told what she wanted in the video.

....

Yu Qi went to Hiso City for Feng Yue's graduation day. Feng Yue was crying when she missed Yu Qi's graduation day since she had another job on that day. After check-in at the hotel, she walked around the city.

Yu Qi saw Qi Qi Skincare shop. There were a lot of branches of Qi Qi Skincare's shop already opened in other cities. The shop featured Song Su Jin's poster. She smiled as she looked at the poster.

"Why do you smirk when you saw Goddess Song? Are you jealous of her beauty?" One girl suddenly threw a question to Yu Qi.

Yu Qi was taken back. She was surprised when there was a sudden voice asked her that question. She did not answer anything. Just blinking while seeing the girl in front of her.

The girl was not alone. She was together with the other two girls. The other two girls also glared at Yu Qi.

"Answer me." The first girl demanded Yu Qi answering her question.

"She must be mute. Not to mention, her face must be ugly since she is wearing a mask." Her friend sneered while looking at Yu Qi.

Yu Qi was currently wearing total black clothes. Black jean, black t-shirt, black soldier boot and black mask. It looked contrast with her white skin.

"What is your point talking to me like that?" Yu Qi asked.

"You are insulting my goddess." The first girl pointed her finger at Yu Qi.

"Which ears do you hear me insulting her?" Yu Qi raised her eyebrows.

"I don't hear you say that. But I know that you have insulted her in your heart when I saw smirking just now." The first girl shouted.

Yu Qi suddenly clapping her hands.

The girls were confused. They did not understand Yu Qi's action.

"You are so amazing. You can read my mind. I am so impressed." It was mocking.

Hearing that, the girls were very angry. One of them wanted to slap Yu Qi. Yu Qi could easily grab the hand that wanted to slap her.

"Let me go, you s.l.u.t." The girl screamed.

Chapter 810 - 810: Crazy Fan

"Girl, your mouth is so awful. I bet your personality is also rotten." A middle aged woman came and told the girl straight in front of her face.

"What is your business? Don't interrupt us. Go away." Another girl became angry at the middle aged woman.

"This girl..." The middle aged woman pointed to Yu Qi. "She has not done anything that has disturbed you. Why are you acting rudely with her and has started to call her by name?"

"She has insulted my goddess. How can I not get mad with her?" The first girl pointed at Yu Qi.

"Have you heard her insulting your goddess?" The middle aged woman asked.

"No. But..."

"Then why have you become mad with her?" The middle aged woman cut the girl. *n..O(-V)-e).I.-b-(1./n*

Yu Qi realized that she was still holding one of the girl's hand, released the hand that she held like she was throwing something dirty and took out her wet tissue, starting wiping her own hand.

The three girls became more triggered seeing Yu Qi's behaviour like that. They wanted to attack Yu Qi together.

However, a group of bodyguards with black suits appeared beside the middle woman.

"Dare to attack. Try it." The middle aged woman lifted up her face arrogantly.

The three girls stepped back. Seeing the black suit of bodyguards had made them scared. One of them pulled the first girl's sleeve.

"Babe, we just want to shop. Let's forget about this." She said to the first girl.

The first girl frowned. She was biting her lower lips. Looked like she was making a huge decision.

"You better watch your mouth. Don't dare to insult my goddess anymore." The girl glared at Yu Qi and gave Yu Qi a warning.

Yu Qi just rolled her eyes. 'Little girls.'

She looked at the middle aged woman who had just helped her earlier. When she saw the face, she was surprised. It was someone whom she knew.

"Long time no see, Auntie Lu." Yu Qi greeted the middle aged woman.

"You are... Who?" The middle aged woman could not recognize Yu Qi with her face.

Yu Qi put her face mask down to show the middle aged woman her face.

"Oh, you are Yue's friend. Yu Qi, is it?" The middle aged woman was Lu Qina, Feng Yue's mother best friend.

There were still onlookers around that watched the thing earlier, were surprised to see the girl's face. They heard that the girl earlier who got into the argument with this girl saying that this girl was ugly. Turned out, this girl was far than ugly. She was very very beautiful.

"What are you doing here?" Lu Qina asked Yu Qi.

"Well, it is Yue's graduation day tomorrow. I have come to celebrate with her." Yu Qi told her reason for coming here.

"Oh, it is already Yue's graduation day? I want to meet with her too." Lu Qina was surprised to hear the news.

"Sure. You can come tomorrow to Hansen University. She would be happy to see you there." Yu Qi smiled.

"I need to think about her present." Lu Qina was excited. "By the way, I have come to buy my cream here." She pointed at the Qi Qi Skincare Shop.

"Oh, I also want to enter the shop. Let's enter together." Yu Qi smiled.

"You..." Lu Qina turned around to look at her bodyguards. Yeah, the earlier bodyguards were hers. "Stop following me into the shop. You will scare other customers."

"Yes, Madam." The bodyguard obeyed.

"Shall we enter?" Lu Qina said to Yu Qi.

"Hmm..." Yu Qi nodded.

When they entered the store, the three girls earlier were also inside the store. They reciprocated each other.

The three girls did not see the bodyguards behind Yu Qi and Lu Qina feeling a lot brave while facing Yu Qi and Lu Qina.

"Why are you following us?" One of the girls came and asked Lu Qina and Yu Qi.

"What? You haven't finished yet?" Lu Qina replied back.

"Since you hate my goddess, you should get out of the shop." The girl wanted to drive away Yu Qi.

"Is this store yours? Why should I listen to you?" Yu Qi rebuked.

"You!!! You have insulted my goddess and still want to get the products that my goddess has endorsed?" The girl shouted again.

Yu Qi sighed. 'Can she just talk slowly? Do she need to shout that loud?'

The store helpers tried to calm the girl. "Miss, please calm down and talk nicely about this matter, okay?"

"Don't you dare touch me like that?" The girl now shouted at the innocent store helpers.

"Call your manager." Yu Qi said.

"But..." One of the store helpers was hesitant.

"Can you solve this? Just call Mr Shu." The other store helper whispered to her.

Other store helpers nodded. So, one of them went to call their manager.

"I want you to apologize to me for insulting my goddess." The girl demanded.

"Are you an idiot?" Yu Qi could not help but ask. 'Is this the power of a crazy fan?'

"Now you insult me by calling me an idiot?" The girl seemed shocked when Yu Qi asking that question.

Both of her friends had stepped away from her. Now they felt embarrassed seeing their friend like this. They just made a scene earlier, and now she made a scene again.

Maybe the girl did not insult Song Su Jin or anything but their friend thought so. When they thought about that earlier, they were thinking how ashamed they were.
