

INTELLIGENT 811

Chapter 811 - 811: Blacklist Them

"What is going on here?" A man in the middle aged came.

It must be the manager, Mr Shu. He came when he heard the report saying the customers were arguing about something, one of them was shouting loudly and disturbing other customers.

However, when he saw the figure in front of him, he was startled. When he was first hired by Qi Qi Skincare as the manager, he was required to go to the headquarters of Qi Qi Skincare at Wenya City.

He remembered vividly when Mr Su introduced someone to him. It was the owner and founder of Qi Qi Skincare and that person was right in front of him right now. Even with the mask, he still could recognize that person.

"Miss Tang, what are you doing here?" Mr Shu asked humbly to Yu Qi.

"Just come to see some things." Yu Qi answered. By pointing to three of the girls she said. "By the way, blacklist them. Inform the other branches too."

"Yes, Miss Tang." Mr Shu just accepted the order without asking for the reason.

"What? You can't do this to me." The girl screamed again. She looked at Mr? Shu. "Why are you following her order?"

"Because I am a shareholder of Qi Qi Skincare. In another word, I am their boss." Yu Qi said arrogantly.

"What?" The two girls were shaking now. They could not understand what was going on here.

"You are the boss?" The girl that loved Song Su Jin widened her eyes. "Then, why don't you say something when? I have accused you of insulting Goddess Song?"

"Hey, little girl, have you given her a chance to say something? You have been just screaming not letting her say anything. Now you dare to say something like this?" Lu Qina could not stand this girl's logic.

Lu Qina did not care anymore. She turned to the manager, Mr Shu. "Just chase them out can you?"

Mr? Shu did not follow Lu Qina just like that. He turned to Yu Qi for confirmation since Yu Qi was his big boss. Seeing his big boss nod, he quickly called security to chase these three girls out.

Other customers who looked at the scene felt that the girl in the black was not at the fault at all. They could understand from the pieces that they had been talking about. The girl who had been chased out was even screaming, how could they did not listen to that?

"Yu Qi, I don't know you are own Qi Qi. Yu Qi... Qi Qi... Oh, it is taken from your own name." Lu Qina just realized the fact.

"Yes." Yu Qi nodded.

"But how have you done it?" Lu Qina felt unreal.

Yu Qi was just in her twenties. The same age as Feng Yue. She probably just finished her study. Just like Feng Yue.

"Well... I have gotten a lot of help, especially, from my Grandpa and Grandpa Feng." Yu Qi did not forget the help from Grandpa Feng especially in setting up the business.

"Oh..." Lu Qina understood. She remembered that this girl was the granddaughter of the legendary doctor, Tang Jiang Man. She heard that Qi Qi Skincare did not have any chemicals inside the products. All the ingredients were 100% herbs. It must be this girl who made the product herself.

"By the way, what products that you want to buy?" Yu Qi asked? Lu Qina.

"I want to buy... the cream... I already out of stock." Lu Qina said. "Oh... Husband, your work has already finished?" Lu Qina turned from a friendly aunt to a blushful young girl.

"I have heard everything from the bodyguards. So, I come and want to check on you." Lu Qina's husband, Fu Shi Zian had come to see his wife.

Fu Shi Zian was very worried when he heard the bodyguard's report. Even though, he knew that his wife was not a weak woman.

"Don't worry, Husband. I am fine." Lu Qina said with a sweet voice. "By the way, Husband. It is Yue's friend, Yu Qi. She? owns the Qi Qi Skincare." She introduced Yu Qi to Fu Shi Zian.

"Owns Qi Qi?" Qi Qi was the most uprising company right now. 'She is the owner? Impressive.' That was the first impression that Fu Shi Zian had about Yu Qi. "Impressive."

"Thanks but I have gotten a lot of help actually." Yu Qi smiled.

"Who doesn't get the help when doing their business?" Lu Qina said.

"Yes... Yes... Qina is right." Fu Shi Zian nodded while agreeing with what his wife said.

Yu Qi chuckled as she saw the interaction between Fu Shi Zian and Lu Qina. It seemed Fu Shi Zian was a wife slave.

"Yu Qi, how about we dine together?" Lu Qina invited Yu Qi.

"Is that okay with you? I don't want to disturb you." Yu Qi asked.

"Don't worry. My husband will not mind. Let's call Yue too." Lu Qina clapped her hand once.

There was a ringing on Yu Qi's phone. Oh, they just mentioned her name and there she was.

"Yu Qi!!! Where are you right now?" Feng Yue shouted excitedly.

Yu Qi distanced the phone from her ear. People really like to shout.

"Yue, don't need to shout like that. I just have enough of screaming today." Yu Qi sighed.

"Sorry. I am just so excited. Back to my question, where are you right now?" Feng Yue already calmed down and asked Yu Qi with a normal tone.

"I have already arrived at Hiso City. Just taking a walk around the city. Right now, I am at Qi Qi Skincare store." Yu Qi explained.

"Okay. I will go later. See you." Feng Yue had already ended the conversation.

Chapter 812 - 812: Never Change

10 minutes later, Feng Yue had already arrived at the store.

"Are you around the area when you have called me?" Yu Qi asked.

"Yes." Feng Yue nodded. "Oh, Auntie Lu." She just realized the people around Yu Qi. She chuckled. "No wonder I have seen so many bodyguards outside. Hello, Auntie Lu, Uncle Fu." She greeted them.

"Yue, let's have dinner together." Lu Qina suggested.

"Sure. Room no. 4 at Shangwai Restaurant. I have a reservation there tonight." Feng Yue nodded. She also wanted to catch up with Auntie Lu as well.

"Nice. Shall we go, my husband?" Lu Qina turned around and asked her husband.

"Yeah." Fu Shi Zian smiled as he led his wife out.

"I hope getting a husband just like Uncle Fu." Feng Yue said admiring the couple. However, when someone's face crossed her mind, she slightly blushed. Then she made an adjustment in her tone.

"Yu Qi, let's walk around. I am sure that you still don't know this place." Feng Yue grabbed Yu Qi's hand and dragged Yu Qi out of the store.

This was a shopping street. Along the street, there were a lot of shops. Clothes, bags, souvenirs and many more. Branded or not, everything was available here.

In this street, vehicles were not allowed. Only motorcycle and bicycles were allowed to use in this street. You needed to walk.

"Never thought to see Auntie Lu here." Feng Yue said while looking around.

"She has told me that her husband has some business here. So she has tagged along." Yu Qi said making Feng Yue laughed.

"It must be Uncle Fu who must have requested Auntie Lu to follow him. They are always like that. Don't change at all." Feng Yue explained.

"Wow, it is nice. Do they had a children?" Yu Qi asked.

"They have. 2 children. One boy and one girl. Slightly younger than us. Probably one or two years younger. They usually left behind with their grandparents." Feng Yue placed her finger on her chin and thinking about that.

"By the way, how about Xia Zi Qie?" Yu Qi changed the topic.

Hearing the name, Feng Yue was slightly nervous. "What about him?"

"Have you accepted him?" Yu Qi asked.

"Well... Yeah..." Feng Yue was embarrassed to talk about him.

"Really? Good. He is a good catch." Yu Qi was happy for Feng Yue.

She had already asked Han Baise to make a background check on Xia Zi Qie without Feng Yue knowing about that. She just wanted to make sure that Feng Yue did not get cheat by someone.

He was a second son from Xia Family at Peqing City. Had a family business. However, since his brother already in charge in the company, he left it in his brother's hand. He then established a company under his name and the company was doing well.

"I am also thinking that he is a good catch." Feng Yue nodded while blushing.

"Love is in the air." Yu Qi chuckled.

"Yu Qi, don't tease me." Feng Yue glared at Yu Qi.

"Oh, my... It is my sister."

Feng Yue frowned as she heard the annoying voice greeting them. She did not need to turn around to see the person. She could just guess from the voice.

"Oh, it is you. Miss Feng Ma Ri, you are sure free. Why don't you use the time to study?" Feng Yue made a sarcastic remark. Then she chuckled. "But I think you will waste your time since nothing will enter your brain anyway."

Feng Ma Ri changed her expression. At one second, she was angry that Feng Yue was mocking her. Then, it turned to an agonized one.

"Sister, why are you talking to me like this?" Feng Ma Ri said to Feng Yue pitifully.

Yu Qi and Feng Yue could see that this Feng Ma Ri had currently activated her green white lotus bitch mode. Feng Yue glanced at Yu Qi.

"It is not my fault that father does not like you." Feng Ma Ri said slightly high tone.

"Yeah... Yeah... I know that Dad does not like me. You don't need to mention it over and over again." Feng Yue waved her hand did not take much about Feng Ma Ri said.

"It is your fault, that your father dislikes you. Why are you blaming Ma Ri?" Feng Ma Ri's sidekick no. 1 came and joined the conversation.

"Yeah. It must be your fault that your father hates you. Don't blame our Mari." Sidekick no. 2 also joined.

"Ma Ri... Ma Ri... You still did not change at all. Do I need to say it over and over again? You daughter of homewrecker!" The last word, Feng Yue said it loud.

Feng Ma Ri's face changed to an angry tone. She really hate the term.

"Feng Yue!!! How many times I tell you not to talk with your sister like that?" A loud and angry voice scolded Feng Yue.

Feng Ma Ri's expression turned to sardonic one while she was looking at Feng Yue. She then turned to the voice with a pained expression.

"Dad... Don't be angry at Sister. She does not mean it." Feng Ma Ri pleaded for Feng Yue.

Feng Cho Kang was walking together with Fuang Cian Xie.

"It has been so long. Why can you accept Cian Xie as your mother?" Feng Cho Kang said to Feng Yue.

Feng Ma Ri moved beside Fuang Cian Xie. Both mother and daughter pair were watching Feng Yue with the jeering expression. It was clear that they were happy to see this situation.

Chapter 813 - 813: Just Cry If You Want

Feng Yue smirked. "Huh, accept her as my mother? Never. Not even in my grave." She glared at Feng Cho Kang hostilely.

Feng Cho Kang was taken back. He wanted to bond with this child. But, when he wanted to, this child looked at him with hostility. If not hostile, it was scowling.

"Yue, your mother has already died. I need someone to take care of our family." Feng Cho Kang tried to reasoning with Feng Yue.

"Oh, then, why is she born the same age as mine?" Feng Yue sneered. "I will never accept them."

"You!!! You!!! Do you want me to attend your graduation day?" Feng Cho Kang became angry again.

Feng Yue was biting her lips. If a normal father, he would be happy to attend his daughter's graduation day. But her father... She knew that she should not have any expectation.

"No need. You don't have to come. You should give all of your attention to your daughter over there since she is so stupid. Don't waste money if she doesn't want to study. Stupid." Feng Yue said.

"Sister!"

"Feng Yue!"

Feng Cho Kang wanted to slap Feng Yue. However, someone grabbed his hand. It was a girl with a mask. By looking at her clothes, it gave her a bad girl style.

"It must be you who has influenced my daughter, right?" Feng Cho Kang switched his target. "Let go of my hand." He tried to pull his hand. Somehow he could not get free.

Yu Qi pulled over her mask. "Yeah. I am influencing your daughter. What do you do to do with me, huh?"

Feng Cho Kang suddenly remembered who this girl was. It was Feng Yue's best friend, granddaughter of that Tang Jiang Man.

Yu Qi let go of Feng Cho Kang's hand. She glanced at both Feng Ma Ri and Fuang Cian Xie with a meaningful smile. They must be happy watching the father and daughter fight each other.

Fuang Cian Xia and Feng Ma Ri almost jumped as they saw Yu Qi smiling at them. They could not understand Yu Qi at all. However, they knew that after befriending Yu Qi, Feng Yue became smarter. Therefore, they assumed Yu Qi was a dangerous one.

"Mr Feng, I will bring Feng Yue away. You can spend your precious time with your beloved wife and daughter over there." Yu Qi said.

Without waiting for any reply from Feng Cho Kang, Yu Qi pulled Feng Yue away from there. She did not want to go anywhere anymore. So, she brought Feng Yue back to her hotel room that a few block from there.

Right after they entered the room, Feng Yue hugged Yu Qi and started crying. Yu Qi knew that Feng Yue had been holding up.

Feng Yue had resisted crying in front of them especially Feng Ma Ri and Fuang Cian Xie. She did not want them to be happy to see her crying like this.

Yu Qi was patting Feng Yue's back without saying anything. She just gave a silent comfort.

After 15 minutes of crying, Feng Yue felt refreshed. She released Yu Qi.

"Are you done?" Yu Qi asked.

"Yes." Feng Yue stood up and stretched herself. "I am thirsty. Do you mind if I have taken a drink from the refrigerator?"

"Of course not. Take it." Yu Qi rolled her eyes.

Feng Yue grinned as she took a bottle of mineral water.

Seeing the mineral bottle in Feng Yue's hand, Yu Qi chuckled. "Just a bottle of mineral water? Asking me like you want to take everything inside there."

"Of course not... I am in the middle of my diet. I think my waist has already become wide. I can not let this continue. So, to prevent it happen, I have been dieting." Feng Yue said.

"Don't starve yourself. Just maintain a good exercise and diet every day. You will get a good result." Yu Qi said.

"But..."

"For sake of Zi Qie." Yu Qi added.

Feng Yue gritted her teeth. "You!"

.....

"You originally book a room for two of us?" Yu Qi frowned. "That is wasting money. We can just sit at the open area."

"Well, it is not my money though. But since Uncle Fu and Auntie Lu will be joining us, it is good that we book the room." Feng Yue grinned.

Yu Qi did not think much about Feng Yue's first sentence. She just thought that Feng Yue used the money that Grandpa Feng gave to Feng Yue. But what Feng Yue meant actually was something else.

"Have you informed them of the location?" Yu Qi asked.

"Yeah. I sent a message to Auntie Lu about the location." Feng Yue nodded.

"Yue, are you hiding something from me?" Yu Qi sensed the strange behaviour that Feng Yue made.

"What? Of course not. Let's go. We don't want to be late." Feng Yue pulled Yu Qi to walk faster.

They were on the way to the restaurant. The restaurant was not far from Yu Qi's hotel. It was just 10-minute walking.

"Yue, Yu Qi." There was Lu Qina and her husband, Fu Shi Zian.

"Auntie Lu, Uncle Fu." Both girls greeted wife and husband.

They walked into the restaurant. Feng Yue mentioned the name. The waitress nodded and brought them to the reversed room. However, someone called Lu Qina's name before they arrived at the room.

"Lu Qina." There was a woman stood in front of them blocking their way.

Lu Qina frowned as she saw who was the person that had been called her name. "Oh, Sophie."

Chapter 814 - 814: Want to Seduce My Husband?

"Long time no see." The woman named Sophie smiled at Lu Qina.

Yu Qi and Feng Yue looked at each other. Yu Qi asked Feng Yue whether she knew the woman. Feng Yue shook her head.

"Yeah, long time no see." Lu Qina twitched her lips.

"Don't look at me like that. Are we are friends, right?" Sophie chuckled.

"Friends? After what you have done to Tiang Tiang? You dare to call me friend?" Lu Qina growled.

"It is not my fault. After I am more beautiful than her. That is why Brother Lian has chosen me. But in the end, he is not suitable for me." Sophie laughed.

"You shameless whore." Lu Qina sneered.

"What do you say to me?" Sophie glared back at Lu Qina.

"Oh, I don't know that you are deaf. Sorry. I will repeat it again. Shameless whore." Lu Qina mocked her at the beginning of the sentence and repeated the last two words with a slightly higher voice.

Sophie stepped forward to slap Lu Qina. However, she was held back by someone else.

"Don't you dare slap my wife? Or I will make a hell of your life." Fu Shi Zian pushed Sophie's hand.

Sophie was pushed back. She looked at Fu Shi Zian. She heard that Lu Qina had been married to a man. However, she did not pay much attention to him since at that time, she was tied with someone else who suited her taste. Now, when she looked at him, she was impressed with Fu Shi Zian's looks.

"Your husband is good looking one." Sophie licked her tongue.

"Humph!!! Now you want to seduce my husband? You can try." Lu Qina smirked.

"Seducing me with that look and body? Are you joking?" Fu Shi Zian rolled his eyes.

Sophie gritted her teeth before smiling brightly. "You never know if you don't try."

Everyone was speechless. Even the waitress that led them was shocked after hearing the statement.

"I have never seen a shameless woman like her before. It is quite refreshing." Feng Yue said to Yu Qi without even lowering her tone.

Sophie just paid her attention to Lu Qina and Fu Shi Zian finally noticed that the others were with them. She was startled after her eyes laid on Feng Yue's face.

"Tiang?" Sophie was blinking her eyes. "How? Oh, I forget that she had been married and had a daughter. You must be her daughter."

Feng Yue did not say anything.

"But she does not know how to keep her man stay with her. Like Brother Lian, her husband cheated on her. After she died, her husband brought the mistress and daughter back." Sophie was laughing.

This time, Feng Yue did not stay still. She moved forward and slapped Sophie very hard. Sophie fell to the ground. There was some blood at the corner of Sophie's lips.

"You dare to slap me???" Sophie stood while holding her cheek. She could feel her cheek had become red.

"I have already slapped you. What do you want to do with me?" Feng Yue sneered.

"Sure enough. A child without a mother... Your father probably doesn't like you much." Sophie replied.

"Sophie!!!" Lu Qina shouted at Sophie.

"My mother is an unfortunate woman. She has loved the wrong person. But it is not something that you can casually comment about that." Feng Yue said. "You should look at yourself. Do you think that you are above my mother since you can grab her boyfriend before? You are just a whore. Let's go. We don't need to waste our time just for a woman like her."

"Right." Lu Qina nodded. She looked at Sophie and sneered at her.

Yu Qi walked away following others. The waitress led them to the room again.

"Auntie Lu, who is she?" Yu Qi whispered to Lu Qina.

"She is one of our friends before. Yue's mother and I. Even though she came from a poor family, we did not care much about that. However, she was very calculative. She actually wanted to be our friends because of the status. And the most shameless thing she had to do was sleeping with Tiang Tiang's boyfriend. Oh, Tiang Tiang is Long Tiang, Yue's mother. After that, we cut off our friendship. It had been a long time since I met her." Lu Qina explained.

"Oh..." Yu Qi nodded several times.

"However, she did not know that Tiang Tiang did not like that Lian Wei bastard. She accepted him because she thought they already knew each other for a long time. So, when that Lian Wei bastard confessed to her, she easily accepted that." Lu Qina continued her story. Then she sighed. "Ah, I really pity Tiang Tiang, she did love a wrong person."

"You meant Auntie Tiang loved Yue's father?" Yu Qi asked.

"Yeah. Uncle Long did not like him much. But Tiang Tiang insisted to get married to him." Lu Qina remembered vividly the old times.

"Why does Grandfather dislike my father, Auntie Lu?" The question from Feng Yue made both of them startled.

They did not expect Feng Yue to listen to their conversation too.

"I don't know about that." Lu Qina answered. "You need to ask your grandfather yourself about that."

"Oh..." Feng Yue just nodded. She remembered that her Grandpa Long did not like her father much. She did not remember seeing both of them talked each other even her mother was still alive.

"Sir, Madam, Missus, your room are here." The waitress opened a room.

Chapter 815 - 815: Grandpa Long Is Here Too

"Is there someone inside?" Feng Yue asked the waitress.

"Yes. He is already inside." The waitress nodded.

"Who is inside?" Yu Qi turned to Feng Yue.

"Well, you will know." Feng Yue grinned.

They entered the room. At the table, there was someone who was just sitting. Looked like he had been waiting for them.

"You have arrived." The man looked at them.

"Grandfather." Feng Yue came forward and hugged the old man.

The old man was Grandpa Long.

"Hmm..." Grandpa Long acknowledged.

"Hello, Grandpa Long." Yu Qi bowed as she greeted Grandpa Long.

"Hmm...you have come." Grandpa Long nodded.

"Uncle Long, long time no time. Do you remember me?" Lu Qina greeted as she pointed her finger to her face.

Grandpa Long narrowed his eyes as he tried to remember Lu Qina. "You are Qina, right? Indeed, it has been a long time since I have last met you."

"Yeah, Uncle Long." Lu Qina smiled.

"Is that your husband?" Grandpa Long moved his eyes to Fu Shi Zian.

"Yes, my beloved husband, Fu Shi Zian." Lu Qina told Grandpa Long.

Grandpa Long observed Fu Shi Zian from up to the bottom.

"Uncle Long." Fu Shi Zian greeted Grandpa Long using the same name as his wife used.

"Take care of your wife properly. Don't cheat on her." Grandpa Long advised.

Grandpa Long remembered that Lu Qina had been friendly with his daughter since they were small. He liked her as he liked his daughter. So, he did not want Lu Qina to share the same fate as his daughter.

"Don't worry about that, Uncle Long. I will not cheat on her." Fu Shi Zian said as he looked into his wife's eyes.

"Okay... Okay... Let's sit down and order the food. Have you ordered the food, Grandpa?" Feng Yue said.

They ordered the food. Lu Qina talked to Grandpa Long a lot. She was Long Tiang's friend that did not feel afraid to talk with Grandpa Long. Fu Shi Zian also joined the conversation. Only Feng Yue and Yu Qi just listened and gave the response when needed.

Grandpa Long excused himself to go to the toilet. Feng Yue wanted to accompany him but he firmly requested her.

"I am still strong to walk alone. Don't need to accompany me." Grandpa Long said.

"Owh... Okay." Feng Yue nodded.

They continued to eat while talking to each other. Then suddenly someone forced opened the room. At first, they thought it was Grandpa Long.

However, their eyes laid on the two people that just came inside, they frowned. It was Sophie and another man.

"Darling, it is them. They bullied me just now. And that little bitch..." Sophie pointed to Feng Yue. "She has slapped me hard. My face still hurts from her slap."

"Ji Xian Hao..." Fu Shi Zian said.

"Oh, Fu Shi Zian. You are here too." The man called Ji Xian Hao grinned as he saw Fu Shi Zian. "Never thought to see you here."

"You are disturbing us. Leave." Fu Shi Zian did not seem happy to see this man.

"Cold-hearted. I am your friend. But I can not leave just like that. That girl has slapped my girl." Ji Xian Hao now turned to Feng Yue. Indeed a beautiful girl.

However, his eyes wavered when he saw the next girl beside the first girl. 'Oh, my god. Stunning.' He did not bother to filter his l.e.w.d stare on both of the girls.

"Who is your friend?" Fu Shi Zian would never admit that this man was his friend.

They were just an acquaintance, knew from a business conference. He never liked Xian Hao because of his flirtatious attitude towards women.

He had seen Ji Xian Hao molesting a girl. That girl needed to endure since she was Ji Xian Hao's worker. Fu Shi Zian could not bear to see that anymore, he saved the girl from Ji Xian Hao's caws.

Ji Xian Hao told the girl to come back otherwise she would lose her job. Feeling afraid of losing her job, she wanted to return to Ji Xian Hao but Fu Shi Zian offered the girl a job at his company.

"The girl needs to apologize to my girl." Ji Xian Hao grinned.

"Hell no." Feng Yue rejected it. She would never apologize to that woman.

Ji Xian Hao's grin became more widened. "If you don't want to apologize and it is okay but both of you..." He pointed to Feng Yue and Yu Qi before continuing his speech. "Need to spend a night with me."

Feng Yue: "Hell no."

Lu Qina: "You dare bastard!!!"

Fu Shi Zian: "Ji Xian Hao, don't push your luck."

Ji Xian Hao just smiled hearing three of them became angry. His eyes laid on Yu Qi that just stood there without saying anything.

"Girl... You don't say anything. Can I assume you are agreeing with my condition?" Ji Xian Hao talked to Yu Qi l.e.w.dly.

"Do I need to say anything to reject it? Have you see your face in the mirror?" Yu Qi coldly insulted Ji Xian Hao.

Feng Yue chuckled. 'Yu Qi's mouth is so powerful. She knows where to point.'

Ji Xian Hao's face changed. He had never been insulted about his look directly in front of his face. He knew that many people talked about his look behind him but he did not care much about that. But this girl, she crossed the line.

"You girl!!! Don't think about leaving here." Ji Xian Hao shouted angrily.

"Ji Xian Hao, don't you dare!!!" Fu Shi Zian gritted his teeth.

Chapter 816 - 816: As Expected, My Grandfather Is Still The Strongest One

"Fu Shi Zian, don't forget that this is my territory." Ji Xian Hao smirked.

"You!" Fu Shi Zian gritted his teeth. He was so angry with this man.

"You are very suitable with each other, Sophie. Bitch and bastard." Lu Qina sneered.

"You are just jealous of me." Sophie chuckled.

"Oh... It is your territory..." There was a voice behind Sophie and Ji Xian Hao.

"Who's there?" Ji Xian Hao turned around and saw a good looking old man behind me. 'He is even better than me.'

Author's thought: 'Of course! Long Hui comes from his genes.'

"Who the hell are you?" Ji Xian Hao asked.

"I will like to ask you the same question. What are you doing in this room? I don't know you." It was Grandpa Long who just came back from the toilet.

Sophie already felt weak when she saw Grandpa Long. She really scared of Grandpa Long since she became friends with Long Tiang.

She did not know what was the reason she had been so afraid of Grandpa Long. She became more and more afraid of Grandpa Long after she snatched Long Tiang's boyfriend.

She grabbed Ji Xian Hao's hand to stabilize herself.

"What is wrong with you?" Ji Xian Hao frowned.

"Darling, he is Long Fei Yi," Sophie whispered to Ji Xian Hao.

"What? Who?" Ji Xian Hao could not find out about this good looking old man.

"The great general Long Fei Yi," Sophie said again.

Now Ji Xian Hao caught what Sophie tried to tell him. 'F.u.c.k!!! Great General Long?' Who did not know Long Fei Yi, he or she was an idiot.

Ji Xian Hao stepped aside to give a way for Grandpa Long to enter the room since they were blocking the entrance. "Here... Great General Long."

Grandpa Long did not care much about how they called him. He walked inside.

"What is happening here?" Grandpa Long asked. His eyes were on Feng Yue.

"Nothing, Great General. Nothing." Ji Xian Hao quickly denied it.

"Humph!!! Now you are feeling scared. Grandpa, before we come here. That woman, she has insulted Mum. So, I have slapped her. Right now, she comes here bringing in her man to teach us a lesson. That man demands Yu Qi and me to sleep with him as an apology." Feng Yue told everything to Grandpa Long.

"Oh, you want to sleep with my granddaughter in law and granddaughter?" Grandpa Long turned around and narrowed his eyes while glaring at Ji Xian Hao.

Grandpa Long's murderous aura was pretty much the same as Long Hui but much more vicious. Well, he was a soldier for many years.

Ji Xian Hao knelt down. "Sir... Sir... I am sorry. I don't know they are your granddaughter in law and granddaughter. I will not do that. Please, Sir. Let me go." He begged so much.

"So, if she is nothing, you will force her to sleep with you?" Feng Yue said adding the fuel to the fire.

"No! No, Sir. I will not do it to anyone anymore." Ji Xian Hao shook his head hard.

"What is your name?" Grandpa Long asked.

"My name is Ji Xian Hao, Sir." Ji Xian Hao said.

"I will remember your name. I will investigate from time to time about you. If you do something bad...."
Grandpa Long did not have to finish his sentence.

Ji Xian Hao already understood the next sentence that Grandpa Long would like to say. "Yes... I will behave, Sir."

"As for you, girl..." Grandpa Long looked at Sophie.

Sophie's body was already shaking. When Grandpa Long paid attention to her, her body trembled even more.

"How dare you dare insult my daughter?" Grandpa Long pressured Sophie even more.

"I am sorry!!!" Sophie cried. She was so scared.

Looked like Grandpa Long loved his daughter so much. He was very angry when his granddaughter told him that someone insulted his daughter.

"Now, get lost." Grandpa Long said.

"Yes... We will get lost." Ji Xian Hao quickly stood up and left the room.

Sophie also followed him quickly.

Right after they got out, Feng Yue laughed.

"As expected, my grandfather is still the strongest one." Feng Yue said.

"Yeah. Uncle Long is still the same as usual." Lu Qina nodded.

Yu Qi also agreed. He was the same as Long Hui even though he was already 60 years old.

Ji Xian Hao ran away from the restaurant. He wanted to leave the restaurant faster. Sophie was running behind him wanted to catch him up.

"Darling, wait for me," Sophie called Ji Xian Hao.

Ji Xian Hao suddenly remembered about Sophie. He already got out of the restaurant and his car that parked not far from the restaurant.

Sophie arrived at Ji Xian Hao's side breathlessly. She tried to catch her breath.

"Tell me. Do you know who they are at the beginning?" Ji Xian Hao asked Sophie.

Sophie's eyes wandered from right to left several times. Ji Xian Hao became angry as he looked at her behaviour. Even he was just together with Sophie not that long but he was kind of understood her. Right now, she was afraid to tell him the truth.

"Tell me!!! Do you know who they are before this?" Ji Xian Hao asked Sophie again but now in full anger.

"I know... But I have never thought that Great General will be here tonight." Sophie was startled, telling everything.

"You idiot!!! Bitch, you have just ruined me. You bitch. Now, you and I have nothing to do with each other." Ji Xian Hao slapped Sophie.

It was a strong slap. Sophie received another slap. Now, both of her cheeks had been slapped. It hurt so much.

Chapter 817 - 817: Feng Yue's Graduation Day (Part One)

"Yue, wake up... You need to wake up." Yu Qi shook Feng Yue's body when she saw that Feng Yue did not give any response to her calling.

Feng Yue decided to spend her night with Yu Qi. She wanted to sleep with Yu Qi. She was excited to sleep with Yu Qi.

After seeing Yu Qi already fell asleep, she opened the camera on her phone. Snapped a picture of sleeping Yu Qi. Then she also snapped the picture of them.

Smiling evilly, she wanted to brag to Long Hui. She sent a message to Long Hui with the picture of her that laying down beside Yu Qi who already in the deep sleep.

She just wanted to brag to Long Hui by telling him that she was sleeping with Yu Qi. 'Brother Hui will be jealous of me after seeing the picture...' Thinking about that, she fell asleep late.

"Hmm... What is the time now?" Feng Yue woke up while scratching her head with half opened, half closed eyes.

"7.30 am. Haven't you told me that your graduation ceremony will be held at 9 am?" Yu Qi asked.

"Oh. Yeah. I need to wake up. But I am still sleepy." Feng Yue tried to stand up.

"I have told you last night to sleep early and not to stay online. Did you listen to me?" Yu Qi nagged Feng Yue as a mother.

"But... You also sleep late." Feng Yue responded.

"Nope. I don't. Just go to bath." Yu Qi pulled Feng Yue's hand and pushed her to the bathroom.

"Okay." Feng Yue gave up fighting.

15 minutes after that, Feng Yue came out of the bathroom. She dressed up with a new dress that Grandpa Feng brought for her last week. She just wore light makeup on her face.

Feng Yue was indeed a beautiful girl. Different beauty, unlike Yu Qi. If Yu Qi's type of beauty was the ice princess, Feng Yue was more like a sunflower princess.

"I am done." Feng Yue said.

"Yeah. Let's go. Do you set the place to see Grandpa Long?" Yu Qi asked.

"Yeah. I told him to wait for me at the entrance. My grandpa too."

"Grandpa?"

"Oh, I meant Grandpa Feng."

"I see. Let's go then."

Both of them got out of the room and leaving. They arrived at Hanwen University. Since it was graduation day, the university was packed with people. Feng Yue looked around searching for Grandpa Long.

"I still could not see my grandfather." Feng Yue sighed.

"Call him." Yu Qi said.

"Oh, I forgot." Feng Yue sighed while bringing out her phone.

She quickly called Grandpa Long. She spent some time talking to Grandpa Long. After nodding a few times, she ended the call.

"He is already inside. Someone escort him inside." Feng Yue said.

"Oh. Grandpa Long is a famous person, after all. Like my graduation, they invited Grandpa to come and sit at the VVIP section. Grandpa said he wanted to sit with the family. So, they ended gave up the idea of letting him sit at the VVIP section." Yu Qi explained.

"Yeah. Grandpa Tang is famous too." Feng Yue nodded.

"So, how about Grandpa Feng?" Yu Qi asked.

Right after Yu Qi asked the question, the message from Grandpa Feng arrived. He told Feng Yue that he was already inside, most accurately at the cafe.

"Let's go to the cafe. Grandpa is there." Feng Yue informed Yu Qi.

"Okay." Yu Qi nodded.

They walked to the cafe. She saw Grandpa Feng.

"Grandpa." Feng Yue hugged Grandpa Feng.

Grandpa Feng was overseas. He returned as soon as possible for his granddaughter's graduation.

"Yue." Grandpa Feng patted Feng Yue.

"Grandpa Feng." Yu Qi greeted Grandpa Feng.

"You are here too." Grandpa smiled seeing Yu Qi.

"Sister, how could you not greet Father and mother?" Feng Ma Ri appeared from Grandpa Feng's back.

Feng Yue narrowed her eyes seeing Feng Ma Ri here. 'Father and Mother? That woman must be here too. Want me to greet her? Hell no!' Feng Yue smirked.

"You are here too, Father." Feng Yue only greeted Feng Cho Kang. Directly ignored Fuang Cian Xie.

Feng Cho Kang looked at Feng Yue. 'Father'. It was a formal greeting. A distant one. She was no longer calling him Dad like usually.

"Dad, sister has only greeted you. Not mum." Feng Ma Ri said wanted Feng Cho Kang to feel that Feng Yue was a rude girl who disrespected an elder.

"She is not worth it." Feng Yue sneered.

Hearing this, Feng Cho Kang became angry. "Feng Yue, she is my wife. And your mother too."

"Father, my mum has already stepped into another world. If she is my mum, why don't she die already?" Feng Yue looked at Fuang Cian Xie.

"Yue, how can you curse me to die." Fuang Cian Xie sobbed.

"Feng Yue!!!" Feng Cho Kang glared at Feng Yue. He wanted to slap Feng Yue but he would not since Grandpa Feng was here glaring at him. "We come here to celebrate your graduation day. How could you say something like that to your mother?"

"Like I said yesterday, no need for you all to attend my graduation. Grandpa is enough. You should pay attention to your beloved daughter instead so far she can graduate in the next year." Feng Yue pulled Grandpa Feng's arm.

Grandpa Feng could feel that Feng Yue gripped his arm strongly. Meaning she was holding back her tears.

Chapter 818 - 818: Feng Yue's Graduation Day (Part Two)

"If you don't want to attend her graduation, it is fine. No need to force her to accept someone whom she does not want to accept." Grandpa Feng reminded Feng Cho Kang.

Fuang Cian Xie clenched her fists. Her father in law was always like this. He was not angry when knowing Feng Cho Kang got married to her but he did not care about her. When coming to Feng Yue, he would not let his granddaughter suffer.

"Dad..." Feng Cho Kang wanted to protest.

Grandpa Feng glared at Feng Cho Kang making Feng Cho Kang became silent. Even though Feng Cho Kang already became a father, he was still scared of his father.

"Grandpa..." Feng Ma Ri wanted to say something.

"As for you, like your sister say, don't play too much. Study more. I want to see you graduate next year. Otherwise, I will cut off your allowance." Grandpa Feng said.

"What? You can't do that, Grandpa." Feng Ma Ri was panic.

"If you don't want your allowance to be cut off, just study hard to make sure you graduate next year. It is simple." Grandpa Feng did not want to hear any excuse.

Feng Ma Ri bit her lower lips. How did the conversation go to cut off her allowance? Argh!!! She was so angry.

"Don't worry, Dad. Ma Ri will try her best to graduate next year." Fuang Cian Xie said while holding her daughter's hand.

Grandpa Feng just glanced at her without commenting about anything.

"The ceremony will start soon. I want to go and see someone." Feng Yue said to Grandpa Feng.

"Sister, who do you want to see right now? Your boyfriend?" Feng Ma Ri asked.

"So what? You want to come too?" Feng Yue raised her eyebrows.

"Really? I want to meet your boyfriend too." Feng Ma Ri's eyes were shining.

"I want to go to see my grandfather. Do you dare to come over?" Feng Yue smirked.

Hearing the word 'grandfather' from Feng Yue meaning the man was Grandpa Long. Grandpa Long hated Feng Ma Ri. She shivered as she thought about Grandpa Long.

"Come over. Grandfather will be happy to see you." 'And to scold you.' Feng Yue invited Feng Ma Ri to join her.

"No thank you, Sister. I will just accompany Grandpa here." Feng Ma Ri shook her head strongly, showing she did not want to follow Feng Yue.

Feng Yue sneered. "Grandpa, you can go to the hall right now." She directly ignored her father.

"Okay." Grandpa Feng nodded.

Yu Qi did not say anything just now went to follow Feng Yue. She understood Feng Yue's situation right now. Feng Yue managed to grow up strongly because of Grandpa Feng.

Grandpa Feng loved Feng Yue more than his son. That protected Feng Yue from Feng Ma Ri and Fuang Cian Xie. They could not do anything physical to Feng Yue.

So, they tried to hurt Feng Yue emotionally by manipulating Feng Cho Kang. Feng Yue wanted her father to love her but grew apart due to their manipulation.

Feng Yue and Yu Qi arrived at Grandpa Long's current location. They could see that he was talking to someone.

Feng Yue: "Grandfather."

Yu Qi: "Grandpa Long."

Both of them greeted Grandpa Long.

"Hmm..." Grandpa Long responded to their greeting. "Jian Bai, this is my granddaughter, Feng Yue. She will be graduating today." He pointed his finger to Feng Yue

"Owh, it is Tiang's daughter. Hmm... She is indeed similar to her mother." Quan Jian Bai looked at Feng Yue.

"Yue, he is my friend. You can call him, Grandpa Quan." Grandpa Long introduced Grandpa Quan.

"Hello, Grandpa Quan." Feng Yue greeted Grandpa Quan.

"Hmm..." Grandpa Quan nodded. "Do you have a boyfriend?"

"Huh?... Hmm... Yeah..." Feng Yue was very shy to admit that.

"Really? What a shame. I have thought that I could introduce you to my grandson." Grandpa Quan sighed. He was serious to introduce Feng Yue to his grandson.

"I remember that all of your grandsons are already married." Grandpa Long glanced at Grandpa Quan.

"Yeah but the one that I want to introduce to is my maternal grandson. He is also around your age." Grandpa Quan said.

"Oh...." Grandpa Long remembered that his friend indeed had two maternal grandsons.

"By the way, who is the young girl beside your granddaughter?" Grandpa Quan looked at Yu Qi. "Is this your friend, Yue?" He asked Feng Yue.

"Yes, Grandpa Quan. My friend, Tang Yu Qi." Feng Yue introduced Yu Qi.

"Hello, Grandpa Quan." Yu Qi greeted him.

"Hmm... Are you still single, then?" Grandpa Quan asked Yu Qi the same question he asked Feng Yue. He wanted to introduce some girls to his grandson.

"No need to ask her. She is my future granddaughter in law." Grandpa Long put the end to Grandpa Quan's hope.

"What? You mean she is the one?" Grandpa Quan was shocked.

Grandpa Quan knew that Grandpa Long only had one grandson, Long Hui. Despite his good looking face, he seemed to hate women a lot.

He heard about the rumour, telling that Long Hui was dating someone but he did not believe much about that. To think about the rumour saying that Long Hui was dating Tang Jiang Man's granddaughter.

"Wait, you are Tang Jiang Man's granddaughter?" Grandpa Quan looked at Yu Qi and asked.

"Yes. I am his granddaughter." Yu Qi nodded confirming Grandpa Qian's question.

"Oh, the rumour is true then. Long Hui is indeed dating that Tang Jiang Man's granddaughter." Grandpa Quan was amused by the news.

Chapter 819 - 819: Feng Yue's Graduation Day (Part Three)

Feng Yue's ceremony had started. Yu Qi also sat in the audience seat and watched the ceremony.

Feng Yue did not say anything about becoming the top student. Grandpa Feng and Grandpa Long were very surprised. But at the same time, they were proud of their granddaughter.

Same as Feng Cho Kang, he was also very surprised hearing Feng Yue's name calling out first. He understood that being called out first meant that Feng Yue was the top student among her batch. He immediately became proud of his daughter. n-)
0VellbIn

"You don't know that that little bitch is the top student?" Fuang Cian Xie whispered to Feng Ma Ri with a very low voice.

She did not want anyone to hear what she had called Feng Yue, especially her husband and her father in law. She wanted to maintain her good stepmother's image in front of them.

"Mum, how can I know about that? We are not close at all." Feng Ma Ri also whispered.

"You! You should pay attention to her." Fuang Cian Xie was angry at her daughter.

"Why should I?" Feng Ma Ri rolled her eyes.

"Look at your grandfather and father. They are proud of her." Fuang Cian Xie mentioned that.

"So what? Let them be proud, then." Feng Ma Ri snorted.

"Why do I have a stupid daughter? Ma Ri, you need to show your grandfather and father that you are also smart. Do you want that little bitch to inherit the company? If she inherits the company, do you think she will anything for us?" Fuang Cian Xie laid the fact.

Feng Ma Ri's eyes became widened. Looked like she had just realized something. That seemed logical.

"But Grandpa and father will not leave everything to her. They will not forget me." Feng Ma Ri said.

"My daughter, you are the one that should inherit the company since you are your father beloved's daughter. Not her. She should just go and die somewhere." Fuang Cian Xie said.

Feng Ma Ri was silent at the moment. Indeed, she was his father beloved's daughter, not Feng Yue. She should be the one to inherit the company.

"Mum, what should I do?" Feng Ma Ri asked.

"For now, study and make sure to graduate next year. After that, I will slowly talk to your father to get you to work at the company." Fuang Cian Xie laid down the planning.

"But mum, I don't like to work." Feng Ma Ri pouted.

"You should work. By working, you can show your grandfather and father that you are also capable to manage the business. The chance for you to inherit the company will be increase." Fuang Cian Xie said.

"Oh..." Feng Ma Ri nodded. "I will try harder, mum."

"Good girl." Fuang Cian Xie smiled when seeing her daughter understood what she had been tried to say to her.

Right now, Feng Yue delivered her speech. Well prepared. After that, the graduation ceremony for her faculty ended.

Feng Yue looked for her family. She saw Grandpa Feng together with others. What she meant by others were her father, Feng Ma Ri and Fuang Cian Xie.

She was also surprised when seeing Grandpa Long also together with them. She could see that Feng Ma Ri and Fuang Cian Xie seemed to be hiding behind Feng Cho Kang's back avoiding Grandpa Long's eyes.

However, she could not see Yu Qi anywhere. Where did she? 'Maybe she has gone to get fresh.'

"Grandpa, Grandfather." Feng Yue smiled. Directly ignored others.

"Congratulations." Grandpa Feng patted his granddaughter's head.

"Thank you, Grandpa." Feng Yue nodded.

"Congratulations too." Grandpa Long said.

"Thank you, Grandfather. Do I get the present for my graduation day?" Feng Yue jokingly asked both of her grandfathers.

"Of course." Grandpa Feng laughed.

"I will give it to you later." Grandpa Long said.

"Congratulations to you, Sister." Feng Ma Ri wanted to maintain her image as a loving sister, so she congratulated Feng Yue with a smile. Even though she was afraid of Grandpa Long.

"Hmm..." Feng Yue did not give much response to Feng Ma Ri.

Feng Ma Ri was very angry seeing Feng Yue's attitude. She clenched both of her fists. If not because Grandpa Long was here, she would rebuke Feng Yue. Feng Yue should be glad that she wanted to congratulate her.

"By the way, Grandpa, Grandfather, do you see Yu Qi?" Feng Yue asked.

"I have seen her leaving just now. Maybe she has something to do. What a pity. She should wait and celebrate with you. " Feng Ma Ri indeed saw Yu Qi just now. She was in hurry.

"I don't know that Second Miss Feng will know my schedule." Yu Qi appeared with a bouquet of flowers and a teddy bear.

"Yu Qi." Feng Yue said.

"I have just gone to buy this. Happy graduation day." Yu Qi gave the bouquet to Feng Yue.

"You are just giving a bouquet to my sister as a present?" Feng Ma Ri mocked. Well, she wanted to destroy their friendship.

"I will receive any present from the people I like. I will appropriate them. However, I will not receive anything from people that I dislike." Feng Yue glared at Feng Ma Ri.

"My dear, don't worry. This is not my only present to you. I will give another one tomorrow." Yu Qi said to Feng Yue.

"Really?" Feng Yue asked.

"Of course." Yu Qi smiled.

"Hmm... Just ta..." Feng Ma Ri wanted to respond, however, she shut her mouth when seeing Grandpa Long was glaring at her. She was scared and hid behind Feng Cho Kang's back.

Chapter 820 - 820: What An Imm.a.t.u.r.e Man

Grandpa Feng handed out a key to Feng Yue. At first, Feng Yue was confused. However, when she saw the logo on the key, she immediately became happy.

It was a Ford Mustang GT car. Her dream car. She had liked this type of car when she came across a website that contained sports car.

She quickly fell in love with this sports car when her eyes had laid on it. She did some research. Not many in Binhai Nation used this car. So, the price was a bit higher.

She told herself that she would work hard and save the money to buy the car.

But she did not know that her grandpa would know that she wanted this car.

"I have gone overseas last week to handle the buying process. Lucky, it has settled quickly. Before your graduation day." Grandpa Feng said.

"Thank you, Grandpa. I love you so much." Feng Yue said excitedly.

"How do you know that I have wanted this car?" Feng Yue asked.

"I have my way." Grandpa Feng smiled.

"Grandpa, I want a car too." Feng Ma Ri said. She was extremely jealous when seeing Feng Yue got the car. She wanted one too.

"Graduate next year then you will get what you want." Grandpa Feng said.

"But..." Feng Ma Ri wanted to protest.

"Ma Ri!" Fuang Cian Xie pulled Feng Ma Ri's hand and shook her head.

Feng Ma Ri pouted. 'It is not fair. I want it too.'

They went to take a picture. Feng Yue took three packages of graduation pictures. One was she alone, one with Grandpa Long, and another one with Grandpa Feng and her father.

"How about your sister and mother?" Feng Cho Kang asked.

"Father, can you listen to my request today? I want to take a picture with Grandpa and you only." Feng Yue said.

Feng Cho Kang was thinking. Indeed, it was Feng Yue's graduation day. It should be okay if he listened to Feng Yue's request today.

"But I want to take a picture with you too." Feng Ma Ri said.

"But I don't want to." Feng Yue glared at Feng Ma Ri. Who wanted to take pictures with them? She would not pretend to be happy with those who grabbed her and her mother's place.

"Enough. If you don't want, you can be excluded." Grandpa Feng said to Feng Cho Kang and Feng Ma Ri.

In the end, Feng Cho Kang joined Feng Yue and Grandpa Feng in the picture. He thought it was good for once to listen to Feng Yue's request since she did not ask Feng Cho Kang for anything.

....

When Ren Qian Yi entered Long Hui's office, he could feel that Long Hui was in a bad mood. He wondered what had happened.

Long Hui seemed to ignore Ren Qian Yi and was just staring at his phone. Ren Qian Yi became interested in the content. He looked over and saw the content.

"What?" Ren Qian Yi shouted.

He saw Yu Qi in the picture. 'She seemed to be sleeping. So, who is the one who has taken the picture? Is she cheating on Second Brother? Is Second Brother wearing a green hat now? That's why Second Brother is in bad mood.' He made a magnificent conclusion from one glance at the picture.

To be honest, Yu Qi indeed looked beautiful in her sleep. However, Ren Qian Yi could have never thought that Long Hui would be wearing a green hat. Well, it seemed funny.

"Why are you smiling?" Long Hui asked with a cold voice.

"Second Brother, you should not be angry. You should ask sister in law for confirmation. Something might not look like as we have thought." Ren Qian Yi gave some advice.

"What are you talking about?" Long Hui raised his eyebrows.

"That picture. Something might lead to the situation. She may not have cheated on you." Ren Qian Yi said. He could not believe that Yu Qi would be cheating.

"Huh? Cheating? What cheating?" Long Hui showed the picture to Ren Qian Yi. "My beloved Qi Qi is just sleeping with Yue."

"What? Huh? Then why are you in a bad mood?" Ren Qian Yi asked. He could not understand.

"Yue is sleeping in the same bed with my Qi Qi. That girl really wants me to punish her." Long Hui narrowed his eyes.

At the moment, Feng Yue felt cold at her back. She shivered. She saw around but seeing nothing.

"Second Brother, it is normal for girls to sleep together. Not to mention they are best friends like the sister in law and Yue." Ren Qian Yi felt it was nothing bad. He felt it was quite normal. So, he could not understand why Long Hui felt angry with that matter.

"It is okay for them to sleep together. But she dares to take picture of them and send it to me." Long Hui said.

'Oh, that is what he meant. In another word, he is just jealous that Feng Yue can sleep with his girlfriend while he is working here. What an imm.a.t.u.r.e man. Well, I can understand the feeling. But when can I get my own girlfriend? Hey, author, give me a girlfriend too. I also want to brag about it to others.' Ren Qian Yi said.
